No Effort to Save the Women.

heard that there had been no effort

ceers from among my crew, and the sur-viving French seamen, to bring those

First Lieutenant O. G. Munson, Co. M. First Lieutenant O. G. Munson, Co. M. Viroqua, resigned his commission today on account of private business. Sec-ond Lieutenant F. E. Jagerson was moved up a step and Sergt. R. C. Brenzie was made second lieutenant. Lieut. Munson is a member of the Senate from the Twenty-eighth district. In the physical examination yesterday Capt. Lewis, Co. E, lost nine men and Co. H five men. Quartermaster-Sergeant Powell of Co. E was one of those reject-ed.

The senting of the other Wisconsin Powell of Co. E was one of those rejected.
Capt. Buck expects to complete the physical examinations by Saturday night and the regiment will probably be mus-tered in on Monday.
The regiment will probably be mus-tered in on Monday.
The regiment will not be equipped for about ten days or two weeks. Whether it will be kept at Camp Douglas until the men are fairly well drilled or be moved South is entirely problematic, even the governor not venturing an opin-ion on the subject.
Gor, Scofield and Sceretary Anderson are still in camp.
The senting of the other Wisconsin restill in camp.
The senting of the other Wisconsin the men will be the sent to Madison at once. He has been in the hospital more or less for five about ten days or two weeks. Whether it will be kept at Camp Douglas until the men are fairly well drilled or be moved South is entirely problematic, even the governor not venturing an opin-ion on the subject.
Gor, Scofield and Sceretary Anderson are still in camp.
The sending of the other Wisconsin the first regiment band will give a concert at the Windsor hotel this evening. An inspection of guns was held in some or still in camp.
The sending of the other Wisconsin the companies today and unservice able weapons were condemned. New guns are still in camp. The captains and officers of the eight new companies in camp were examined yesterday and today for the purpose of ascertaining whether they shall be retained in the positions to which they were elect-ed by the companies at the time of organ-ization. The result will not be known for couple of days.

TANNERY DESTROYED.

the Gold Regions.

IN CRITICAL CONDITION.

Results Disastrously.

ing La Crosse's semi-centennial celebra-tion, July 4, two men were horribly burned, one of them probably fatally. Last night John McLeod, married, of Alma, had his left hand entirely blown off and arm shattered, his face was badly cut and if he lives, he will be blind. His

arm was amputated in what seemed to be a hopeless attempt to save his life. Albert Hoefke of this city received a large portion of the burning powder in his face, which was burned to a crisp in places. His condition is very critical.

INDIANS' WAR DANCE.

Many Tribes to Participate in the Annual Festival at Wausaukee,

Wausaukee, Wis., July 7.-[Special.]-The Indians at White Rapids, about ten miles east of here, are preparing for a gi-gantic war dance to be held in about a week. They expect about 200 Indians of

week. They expect about 200 Indians of various tribes, such as the Menominees, Oneidas, etc., in attendance, who come from Wittenberg, Keshena and various other places. The dance will last about two weeks. This is the annual festival and they have jolly times all for them-solves

Racine Boys Missing.

Racine Boys Missing. Racine, Wis., July 7.—The police have been asked to look up the whereabouts of Harold Anderson, a 13-year-old boy. The lad left home yesterday morning about 7:30 o'clock and was accompanied by another boy. The boy's first name is Willie. Together they went up the river and were last seen in the vicinity of Ce-dar Bend.

selves.

This is a decided change in plans. Satarday it was determined to close down

for an indefinite period.

in the prior by Col. Wood's Rough Riders, near Gen. Wheeler's headquarters and in the center of the American line. The American prisoners left the Reina Mercedes hospital on the outskirts of San-tiago de Cuba, where they had been con-fined, at 2:45 this (Taesday) afternoon, in charge of Maj. Irles, a Spanish staff officer, who speaks English perfectly. The prisoners were conducted to the meeting place on foot, but were not blind-folded. Col. John Jacob Astor and Lieut. Miley, accompanied by Interpreter Maes-tro, were in charge of the Spanish pris-oners. These consisted of Lieut, Amelio These consisted of Lieut. Amelio pressed.

the Twenty-ninth regular infantry, o were captured at El Caney on Fri-last, and Lieut. Adolfo Aries of the t Provisional regiment of Device and the second for the second oleg and Aurelius, a German belonging who were captured at El Caney on Fri-day last, and Lieut. Adolfo Aries of the First Provisional regiment of Barcelona, one of the most aristocratic military or-ganizations of the Spanish army, and fourteen non-commissioned officers and privates

Lieut, Aries and a number of the men were wounded in the fight at El Caney. The Spanish prisoners were taken through the American lines, mounted and

The meeting between Col. Astor and Maj. Irles was extremely courteous, but very formal, and no attempt was made by either of them to discuss anything but

he matter in hand. Maj. Irles was given his choice of three Spanish lieutenants in exchange for Hob-son and was also informed that he could have all fourteen men in exchange for the American sailors. The Spanish officers selected Lieut. Aries and the other two banish officers were conducted back to

Spanish Officer Defiant.

It was then not later than 4 o'clock It was then not later than 4 o'clock and just as everything was finished and the two parties were separating Iries turned and said courteously enough, but in a tone which indicated considerable defiance, and gave his hearers the impression that he desired hostilities to be renewed at once:

"Our understanding is, gentlemen, that this truce comes to an end at 5 o'clock." Col. Astor looked at his watch, bowed to the Spanish officer, without making a reply, and then started back slowly to the

American lines with Hobson and his companions following. The meeting of the two parties and the inevitable. exchange of prisoners had taken place in full view of the American and Spanish soldiers, who were entrenched near the neeting place, and the keenest interest

was taken in the episode. Washington, D. C., July 7.—Gen. Shaf-

"Flava del Este, July 7.—Certa, Shar ter's telegram announcing the exchange of Lieut. Hobson and his men is as follows: "Playa del Este, July 7.—Secretary of War, Washington—Headquarters Fifth Army Corps, Cuba, July 6.—Lieut. Hobson and all of his men have just been re-ceived safely in exchange for Spanish officers and prisoners taken by us. All in good health except two scamen convales-cing from remittent fever. Shafter, "Major-General Commanding."

The President has been officially noti-fied by Gen. Shafter of the exchange of Hobson. The President has given expression to his deep gratification on to his deep gratification at the suc-ssful accomplishment of the exchange negotiations.

TO TAKE HAWAII.

Secretary Long Orders the Philadelphia to Sail at Once for Honolulu.

Washington, D. C., July 7 .- Secretary Long today gave orders for the departure of the Philadelphia from Mare island for Hawaii. She will carry the flag of the United States to those islands and in-Hawaii.

the drowning made the situation an ave-inspiring one, never to be forgotten. One man on the La Bourgogne when she sank went out of his mind and jumped to a watery genre New York, July 7.—A dispatch received here from Valparaiso, Chili, via Galves-ton, Tex., says: "A financial panic has been occasioned here by the withdrawal and exportation of gold which has caused the Chilian government to officially close all the banks in Chili until the 12th inwatery grave.

On Lovalty to the Church On Loyalty to the Church. If one-half of the loyalty which in some cases is manifested by church mem-bers towards the pastor could somehow be taken and converted into loyalty to the church, there would be a tremendous augmentation of church power. There is no pastor who does not rejoice in the faithful appreciation for himself of those to whom he ministers, but there is no pastor worthy of the office who does not realize that it is far more important that members of a church should be deroted like rats when the ship, with an awful nissing sound went down. So desperate was the situation that an Italian passenger drew his knife and made direct at one, who, like himself, was endeavoring members of a church should be devoted to their church than to the man who happens at any time to be pastor of their church, and that, if they prize him, they should prize him more for what he is able to do for the church collectively than for what he is able to be to them indito reach the boats.

Women Are Stabbed. Women Are Stabled. Immediately his action was imitated in every direction. Knives were flourished and used with effect. Women and chil-dren were driven back to enevitable death at the point of weapons, the own-ers of which were experts in their use. According to stories of survivors women were stabled like so many sheep.

THE MAYOR DISAGREES.

 Menasha's Executive and the Inter-urban Differ in Opinion.
 The recruits had preceded them to camp some days ago.
 ing. Fred Rodman shot his wife through the heart. She was the former wife of the heart. She was are stat the heart. The affair has created such excitement in thi Mrs. Henderson, wife of the captain was on board the Cromartyshire with he two children. She tells a thrilling stor of the terrible experience. The weathe was foggy and she had risen from he bunk at an early hour, as was her custon when the weather was had. Shortle he the interurban street railway company will be compelled to tear up the paving be-field coart lately and all these were set-the by ten days at hard labor. Otherges have been preferred against a member of the streets. The interurban people are greatly opposed to this, claim-in the streets. The interurban people are greatly opposed to this, claim-the discussion. The was arrested and occed up field coart lately and all these were set-the band for failure to attend practice. The cases come up tomorrow for settlement. Chickenmany National Military Parkpeople are greatly opposed to this, claim ing that there is no need of doing it, but Menasha's mayor thinks different, and no oubt his wish will be carried into effect. The slot-machine resolution which has been bothering the mayor and aldermen for some time past, seems to have dropped out of sight, but Ald. Stommel, the father it, states that it is not dead, but only leeping. Mr. Stommel spent the Fourth of July in Chicago, which made the local gogne went down, and during that time there was ample opportunity offered to resene at least some of the women and saloonkeepers happy, as they knew then that they would be allowed to operate the machines that day. One saloonkeeper stated that he pays his rent every month with the profits of his machine, and if they were ordered out he would have to ischarge his bartender in order to make a living. One peculiar feature of the reso-lution, and one which might cause it not to be operative is that it calls for the re-moval of the machines in saloons, while they are in operation in other business

THE JOKE WAS FATAL.

Fight Follows a Suggestion to Raise a Spanish Flag-Results in Murder. Marquette, Mich., July 7.-[Special.]-A suggestion to raise a Spanish flag on a section boarding house near Seney is in-directly responsible for the murder of a

man. The place where the crime was com-mitted is 100 miles east of here. News of it reached this city late last night. Sun-A reached this city late last highl. Suf-day night a section gang started in to celebrate the Fourth by the aid of a keg of beer. Foreman Lachene said he wished they had a flag to fly, even if it were nothing but a Spanish flag. William Coan, who was drunker than any of the rest, resented this and went in-side the house and not a gun. He tirus-

any of the rest, resented this and went in-side the house and got a gun. He thrust it into Lachene's face, but before he could discharge it John Peacock knocked the muzzle up. Coan and Peacock then fought for the gun, but finally compro-mised by giving it to a third party. Coan went into the house again, and when he came out he was armed with a knife, which he drew from his breast and stabbed Peacock before the latter knew he was in danger. Peacock died in-stantly.

Men Fought Like Maniacs. SHOOTING MYSTERY. An Oconto Man Shot by an Unknown

Men Fought Like Maniacs. Some of the scenes enacted on board La Bourgogne just after the collision were terrible to witness. Men fought for posi-tions in the boars like raving manaces; women were forced back from the boars and trampled by men who made self-pres-ervation their first object. Assailant.

Assaliant. Oconto, Wis., July 7.—While Nick Barth was walking on the street in the evening he was mysteriously shot in the breast. The shot lodged near the shoul-der blade and the doctors have been un-able to extract the bullet. There is con-On board were a large number of the lower class of Italians and other foreigntower class of Hanans and other foreign-crs, who, in their frenzy, stopped at noth-ing that promised safety for themselves. In a beat was a party of forty women, but so great was the panic not a hand was raised to assist in its launching. The occupants, so near saved, were drowned like rate when the ship with an awful able to extract the billier. There is con-siderable mystery connected with the shooting. He professes entire ignorance as to his assailant. It is thought he will the time of her leaving there. Four German, three British, two French and German, three British, two French and Marecover. He is unmarried and about 30

years of age. nila. Washington, D. C., July 7.—The last advices from Admiral Dewey received here were dated July 4. As they make no mention of trouble with German yea-rumor that he had fired on a German yea-sel is pronounced baseless. No advices could have reached a cable station since Table 4. Killed by a Train. Killed by a Train. Chippewa Falls, Wis., July 7.-[Spe-cial.]-A westbound Wisconsin Central passenger train last evening struck and killed Peter Pinter near Boyd. The train was running full speed. The body was badly mangled and the man was dead when the physician arrived. He lived at Struke and Lowce wife and children July 4. Stanley and leaves wife and children.

is a total loss. Unfinished stock valued at \$15,000 was partially destroyed. Ma-chinery and buildings valued at \$40,000 are nearly a total loss. There is an insur-ance on the total valuation of \$80,000. During the fire Frederick Platz fell from of the companies today and unservicence weapons were condemned. New guns were issued in place of the old rifles. S. D. Stephens, government armorer, is in charge of the work.
