LEIPERT BOY WAS KILLED FOR MONEY

Lived in Southern Part of This County

RETURNING FROM THE WEST

Thieves Rob Him of Money and Then Turn Gas Jets On—Was Dead When Discovered

Ellin Leipert, the sixteen year old son of Mr. and Mrs. Otto Leipert living east of this village, who in company with Paul Hamilton, of Cleveland, Ohio, found death on November 2nd, in a lodging house, at Minneapolis, Minn. Death being due to asphyxiation. Leipert was sixteen years of age and was a general favorite with those acquainted with him. In company with several companions he started for the harvest fields of Minneapolis in September and was on his way home when he was killed.

Leipert is said to have had several hundred dollars in cash with him when he arrived in Minneapolis Thursday night. With him was Paul Hamilton, a Cleveland, Ohio boy who had been working in the harvest fields and was also on his way home. The boys went to a cheap lodging house Thursday night and on Friday when they failed to appear at a reasonable hour the landlady went to the door of their room. Failing to receive a response to her knocking she turned the door knob and as the door swung open, a rush of illuminating gas, which had escaped from two open jets, almost overpowered her. She summoned help and when the jets had been turned off and the windows opened, an investigation was made, resulting in the finding of the bodies of the two lodgers, both of them dead.

The remains were brought to this village on Sunday morning accompanied by his brother Edwin of Fond du Lac, who soon after the telegram reached him with information of the death of his brother, left for Minneapolis.

Ellin suddenly left his home to see the country, a trifle over a year ago. His whereabouts was not known until last October, when he wrote to his youngest brother, stating he was getting along nicely and expected to come home again in the very near future. As his sudden disappearance caused considerable worry to his parents, the shock of the news of the death was very severe.

Deceased leaves to mourn his death his parents, Mr. and Mrs. Otto Leipert, three brothers and one sister, Walter and Wilard, who reside at home, Edwin of Fond du Lac, and Mrs. David Fischer of Plymouth, and many other relatives.

The funeral was held Wednesday with services in the Boltonville church and interment in the Boltonville cemetery. Rev. Otto of West Bend and Rev. Goldstern of Silver Creek officiating. Mr. and Mrs. Bruce Westcott rendered two songs at the home. Rev. Otto delivered his sermon in English, while Rev. Goldstern delivered his in German. The choir also rendered a few songs.

—Peter Hilbert visited at Lomira and Ashford last Sunday.

MARRIED AT DUNDEE

Anna East Bride of Henry Braun—Will Live on Main Street, Campbellsport

Henry Braun of Campbellsport and Anna East of Dundee were united in marriage at 3 o'clock Saturday afternoon by Rev. W. Landseidel of the Lutheran Reformed church, Campbellsport, at the home of the bride's mother Mrs. N. Bast of Dundee. The bridal couple were attended by Miss Anna Giesler and John Bast a brother of the bride. The bride wore a gown of brown satin and carried white roses while her bridesmaid was attired in black silk and carried white carnations. Following the ceremony a wedding supper was served to twelve relatives and friends.

Mr. and Mrs. Braun will make their home at 184 Main street, Campbellsport.

Mr. Braun at one time occupied Jos. Herriges place in this village.

Married

A very pretty wedding took place on Saturday afternoon, Nov. 2nd, at the Ev. Luth. St. Lucas church, when Miss Amanda Remmel of this place and Frederic Groth of Jackson were united in Holy Bonds of matrimony. The ceremony was performed by Rev. Greve.

The bride who was gowned in a crepe meteor rose satin dress, with embroidered white trimming, and carried a shower bouquet of bridal roses was attended by Olive Groth of Jackson as maid of honor who was gowned in a pale pink messaline silk dress and carried pink roses, and Miss Rosalind Griesell of Milwaukee as bridesmaid, who was attired in a gown of pale yellow chiffon over white embroidery and carried yellow roses. The groom was attended by Paul Groth of Jackson as groomsmen, while George Schraut of Milwaukee was best man, Miss Florence Greve was flower girl, and Arnold Greve ring bearer. Miss Katie Endlich played the wedding march. After the ceremony the bridal party repaired to the home of the bride's parents where a reception was held.

The bride is a daughter of Mr. and Mrs. Jacob Remmel of this village, she is a former graduate of the Kewaskum High School and has taught in the schools of Washington county for a number of years. She is a charming young lady, and held in high esteem by all who know her. Her acquaintances are many she will undoubtedly be a faithful and loving companion. The groom is a resident of Jackson, where he is very popular and well liked by all who know him. The bridal couple will reside at Jackson.

The Statesman together with its many readers extends hearty congratulations and best wishes for a prosperous and happy married life.

Flagged Train With Shirt.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all Druggists.

Freak Bets to be Paid Monday

There were a few freak bets made upon the outcome of the election, which will be paid Monday evening. One of the bets was between Peter Mies for Wilson, Byron Rosenheimer for Taft, and Dr. Geo. Brandt for Roosevelt. The nature of the bet was, the party for the candidate receiving the lowest vote to drum a base drum, and the next lowest the snare drum while the winner is to receive a box of cigars and enjoy himself at the expense of the losers. The losers to parade Main St., on Monday evening drumming these drums. Mr. Rosenheimer will beat the base drum, while Dr. Brandt will handle the snare drum. Another of these bets was that if Wilson would win Jos. Eberle will give Jos. Strachota a ride around town with a wheelbarrow and treat him to a beer in every saloon. This bet was also made between Jos. Eberle for Wilson and Erwin Koch for Taft.

The election in this village last Tuesday was very quiet, but a heavier vote was polled than four years ago. The village went for Wilson and Karel, while the town went for Taft and McGovern. The vote throughout the county was about the same as polled four years ago. All of the democratic county candidates were elected with the exception of Oscar Lemke, who was defeated by Gust. Benike of Hartford.

The State of Wisconsin went to Wilson and McGovern. For Congress in the second district, which is composed of Washington, Sheboygan, Ozaukee, Jefferson, Dodge and Columbia counties, M. E. Burke

of Beaver Dam, democrat, was re-elected, defeating H. J. Grell of Johnson Creek by over 5,000.

Elsewhere in this issue you will find a more complete report of the election.

One great surprise of this election in the village was that Roosevelt, the bull moose candidate, got 28 votes. In the town he received only 5. The vote for Roosevelt in the county was very light.

Woman's suffrage was badly defeated in the state. In the village the vote stood 23 "yes" and 128 "no", while in the town it ran in about the same proportion.

AUTOMOBILE RUNS DOWN BLIND MAN

Hits State Institution Employee at Thirteenth and Walnut Streets

Walking home from their work in the Wisconsin Workshop for the Blind last night, William Klein aged 37, 1011 Winnebago street and Jacob Haas, aged 45 453 Eleventh street, were run down and severely injured by an automobile at Thirteenth and Walnut streets.

The men, who are blind have been working in the same shop as basket makers for many years and have always walked home together. Last night at Thirteenth and Walnut streets, they stopped as usual listened for traffic before venturing across.

They had just stepped from the sidewalk, when Richard Daly 1067 Third street, came along in his machine. Daly noticed the men step from the side walk, and tooted the horn. Klein and Haas heard the horn, and believing that the machine was in the rear, became confused.

When Daly stopped his machine, he was taken to the Emergency hospital by the police ambulance, and Haas was removed to the same place by Daly.

Haas was told by the physicians that he could go home, but refused to leave his injured friend. He remained at the hospital throughout the night, sitting at the side of Klein.—Milwaukee Free Press.

McGOVERN IN LEAD ON LATE RETURNS

Unofficial Count Indicates His Election Over Karel for Governorship.

MARGIN IS A NARROW ONE

Incomplete Returns Put Governor and the Republican State Ticket 1,000 Votes Ahead—Leaders Claim 5,000 Ultimate Plurality.

Milwaukee, Nov. 7.—Unofficial returns of Tuesday's election indicate that Gov. Francis E. McGovern wins by a close margin and that the republican state ticket is also elected.

As indicated by the unofficial returns, the officers elected are as follows: Governor—Francis E. McGovern, Milwaukee.

Lieutenant Governor—Thomas Morris, La Crosse.

Secretary of State—John S. Donald, Dane.

State Treasurer—Henry Johnson, Oconto.

Attorney General—Walter S. Owen, Pierce.

In some of the counties the returns are official, while in others they are based upon estimates received from election officials in the various precincts.

The vote of various cities and towns strongly indicated the election of Judge Karel.

With McGovern about 1,000 votes ahead on incomplete returns the republican state central committee claims his election by 5,000 plurality.

Wilson Carries State. Rock-ribbed republican Wisconsin swayed from the G. O. P. column on Tuesday and cast its lot with democracy by rolling up an estimated plurality of 30,000 for Gov. Wilson over President Taft.

Roosevelt has apparently carried two counties in Wisconsin—Winnebago and Douglas.

Out of a total vote of 117,532 outside of Milwaukee county, McGovern received 60,868, against 58,557 for Karel, making McGovern's plurality in the districts covered by this vote 33,309.

Among the counties carried by Karel besides Milwaukee, in which he led McGovern by 14,665, are Jefferson, which he carried by about 3,000; Dodge by 3,200; Manitowoc by 1,903; Racine county by 191; Kewaunee county by 241; Fond du Lac by 1,160; Marathon by 1,500; Ozaukee by 1,100.

Republican Plurality Cut. To offset this McGovern carried the regular republican counties of the state by greatly reduced pluralities.

Wilson's Victory in New York State was most complete. His plurality may exceed 150,000.

Woman suffrage is defeated by a large majority, but it received a large vote and carried in several counties.

The republicans gain one congressman by the defeat of Berger, socialist, in the Fifth district.

CHAMP CLARK RE-ELECTED. Kansas City, Mo., Nov. 5.—Champ Clark, the veteran democratic congressman from the Ninth district, Missouri, has defeated William L. Cole, republican, his only opponent.

Interest in State Insurance. Madison.—Inquiries from every civilized country of the world have been received by the state life insurance commission regarding the new state insurance plan.

Estimate Income Tax Yield. Madison.—The income tax assessment in Wisconsin will approach \$5,000,000 this year, say officials.

Bridge Tender is Drowned. Green Bay.—John VanLeanen, bridge tender on the Kewaunee, Green Bay and Western railroad, was drowned in the Fox river at a point near the bridge by falling out of a canoe.

OLD STRONGHOLDS ARE TAKEN

New England States and Other G. O. P. Territory Captured by Triumphant Democrats—Victory in New York Is Most Complete—Pennsylvania Goes to Roosevelt—Ohio Is Democratic—Illinois Is Progressive—President Taft and Colonel Roosevelt Send Congratulations to Victor.

THE ELECTORAL VOTE.

Table with columns: State, Dem. Rep. Pro. Rows include Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming.

New York.—A Democratic landslide. That tells the story of Tuesday's election. Wilson and Marshall won a sweeping victory and carried with them the state, congressional and legislative tickets in many of the states.

Col. Theodore Roosevelt and the Progressive ticket ran second and President William Howard Taft landed in third place in the presidential race.

Wilson carried practically all but ten states. Four and possibly five of these go to Taft and the rest to Roosevelt.

Wilson's Triumph. Wilson's victory in New York state was most complete. His plurality may exceed 150,000.

Massachusetts gives Wilson a plurality of about 70,000. The returns from all but a few of the election districts gave Wilson 230,000, Roosevelt 160,000, Taft 110,000.

Indications based on incomplete returns are that Wilson has carried Connecticut by a small plurality.

Home State Loyal to Wilson. Governor Wilson's home state, New Jersey, stood by him handsomely.

Ohio Goes for Wilson. Ohio, which has been steadfastly republican since 1856, save in 1892, when it gave one of its electoral votes

No Shakespeare for Him. It appears that the mayor of Sydney, New South Wales, does not approve of Shakespeare, and he has accordingly set the seal of his disapproval upon a project to erect a monument to the poet within the confines of his ballwick.

Educate Girls in Gardening. It is announced by Wellesley college that the course of horticulture and landscape gardening offered by the department of botany is not to afford professional training, but only to add to the general culture and usefulness of the students.

How Lonconers Travel. In the annual report on London traffic not the least interesting are the figures dealing with the speed of suburban trains.

Records Speech by Telephone. Telephone conversation is likely to play an important part in lawsuits with the perfecting of an apparatus by means of which a permanent record can be kept of the words spoken over the telephone.

Stops Candy Raffles. Superior.—Chief of Police McKinlon has issued an order to all confectionery and cigar store proprietors, warning them that it is against the law to raffle Christmas candies or any other kind.

Oconto Woman a Candidate. Oconto.—Miss Margaret K. Walsh of this city is one of the few women in the state running for office during the present campaign.

WOODROW WILSON

to Cleveland, has been swept by the Democrats. The returns indicate that Wilson has carried President Taft's home state by an overwhelming plurality.

Indiana has gone Democratic by a considerable margin, although Wilson did not get as large a vote as did Bryan four years ago—this on the face of the incomplete returns.

Republican strongholds in the west that were not smashed by the Democrats appear to have fallen under the battering rams of the Progressives.

Michigan, which has been republican since 1856, excepting in 1892, when it gave Cleveland five of its 14 electoral votes, has been carried by Roosevelt on the face of incomplete returns.

Roosevelt Carries Illinois. Illinois, which has gone Democratic only once since the Civil war, has been carried by Roosevelt by 20,000 plurality—the strongest Roosevelt state.

Wisconsin, the state in which the Republican party was born—at Ripon, in the little farm schoolhouse that still stands on Ripon college campus—has gone Democratic, for the second time since 1856.

Rhode Island and Vermont remained steadfast to the Republican party and gave the victory to Taft by a small margin.

Wilson Makes Statement. Princeton, N. J.—Governor Wilson, with a party of friends, received the returns at his home in this city. The first results the governor got were encouraging, but he would not permit himself to become overconfident.

He sent the following reply to Mr. McCombe: "I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations on the part you have played in the organization and conduct of a campaign fought out upon essential issues."

"A great cause has triumphed. Every Democrat, every true progressive, of whatever alliance, must now lend his full force and enthusiasm to the fulfillment of the people's hope, so that justice and progress may go hand in hand."

This was Governor Wilson's first utterance of a public character following his acceptance of the reports that he had been elected.

Roosevelt to Wilson. Oyster Bay.—Colonel Roosevelt seemed not at all perturbed over the failure of the progressives to win this election. He issued the following statement: "The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party."

"The American people by a great plurality have conferred upon you the highest honor in their gift. Congratulate you thereon."

"THEODORE ROOSEVELT." At the same time he issued his statement. Colonel Roosevelt sent the following telegram to Governor Wilson: "The American people by a great plurality have conferred upon you the highest honor in their gift. Congratulate you thereon."

"THEODORE ROOSEVELT." Taft Makes Statement. Cincinnati.—President Taft in conceding the election of Gov. Woodrow Wilson made the following statement: "The returns insure the election of Governor Wilson to the presidency. This means an early change in the economic policy of the government in reference to the tariff. If this change can be made without halting prosperity, I sincerely hope it may be."

"The vote for Mr. Roosevelt, the third party candidate, and Mr. Debs, the Socialist candidate, is a warning that their propaganda in favor of fundamental changes in our constitutional representative government have formidable support."

"While the experiment of a change in the tariff is being carried out by the Democratic administration, it behooves Republicans to gather again to the party standard and pledge anew their faith in their party's principles and to organize again to defend the constitutional government handed down to us by our fathers."

Taft to Wilson. President Taft sent telegrams to Governor Wilson and Chairman Hillis of the Republican national committee. Here are the messages: "Hon. Woodrow Wilson, Princeton, N. J. I cordially congratulate you on your election, and extend to you my best wishes for a successful administration."

"(Signed) 'WILLIAM H. TAFT.'" "Hon. Charles D. Hillis, Chairman Republican National Committee, Times Building, New York: You have conducted a most difficult campaign in the face of unusual obstacles. I congratulate you heartily on the fight you have made, and I am deeply grateful to you for it."

"WILLIAM H. TAFT."

CONGRESSIONAL ELECTION

Result of Balloting on Various Candidates to Represent Wisconsin at Washington.

Eight republicans and 3 democrats will represent Wisconsin in the new congress.

The closest race in the state was between Congressman James H. Davidson, republican, and M. K. Reilly, democrat, in the new Sixth district.

Late returns show that Reilly has defeated Davidson by a majority of from 800 to 1,000. The returns from the county give Reilly a heavy vote and there is no question but that the democratic candidate will take the seat which Davidson has held since 1897.

Irvine L. Lenroot was re-elected in the Eleventh district by 2 to 1 over H. A. Johnson; Congressman H. A. Cooper was returned in the First; Michael Burke, democrat, in the Second; John M. Nelson in the Third; John J. Esch in the Seventh; State Senator E. E. Browne won out over A. J. Plowman in the Eighth; Thomas F. Konop was re-elected in the Ninth, defeating Congressman E. A. Morse, who was thrown into the same district by the new apportionment, and Secretary of State James A. Frear was elected in the tenth.

The returns indicate the election of these congressmen by districts: First—Henry A. Cooper, rep., Racine.

Second—Michael E. Burke, dem., Beaver Dam.

Third—John M. Nelson, rep., Madison.

Fourth—William J. Cary, rep., Milwaukee.

Fifth—William H. Stafford, rep., Milwaukee.

Sixth—Michael K. Reilly, democrat.

Seventh—John J. Esch, rep., La Crosse.

Eighth—E. E. Browne, rep., Waupaca.

Ninth—Thomas F. Konop, dem., Kenosha, dem., Kewaunee.

Tenth—James A. Frear, rep., Ifound.

Eleventh—Irvine L. Lenroot, rep., Superior.

Re-elected. Republican re-elected on non-partisan ticket.

Legislature Is Republican.

The Wisconsin legislature will be republican in both branches. Eleven republican, two democratic and three senators running on a non-partisan ticket were elected to the upper house, while the assembly has elected 54 republicans, 27 democrats, 6 socialists and 13 members elected on the non-partisan ticket.

Some of these non-partisans will affiliate with the republicans and some with the democrats.

The complexion of the senate will be 23 republicans, 6 democrats, 1 socialist and 3 men elected as non-partisans.

There would seemingly be little chance for the defeat of the income tax law at this session of the legislature, as at least 17 and possibly 18 members of the legislature are pledged against the repeal of the law.

The democrats make a gain of practically five senators, for while the non-partisan senators from Milwaukee county were elected without party bias, it is understood they will act with the democratic senators. In two senatorial districts the democrats gain seats outright. In the Sheboygan-Ozaukee counties' district William Richler succeeds Henry Krumrey, a republican. L. R. Kellogg is elected senator in the Green Lake-Fond du Lac counties' district.

WOMAN SUFFRAGE LOSES.

Returns Show Defeat of Proposed Amendment in Wisconsin. Milwaukee, Nov. 6.—Woman suffrage was defeated by the voters of Wisconsin at the polls Tuesday. Even in the northern part of the state, where the suffragists were most confident of victory, a large vote was cast against the amendment extending the right of franchise. Eau Claire went against it by a large vote, in nine precincts of Superior the vote was 658 for to 448 against. In Milwaukee, both in the city and in the county, and throughout the southern part of the state early returns indicate that the vote is at least two to one against.

BERGER IS DEFEATED.

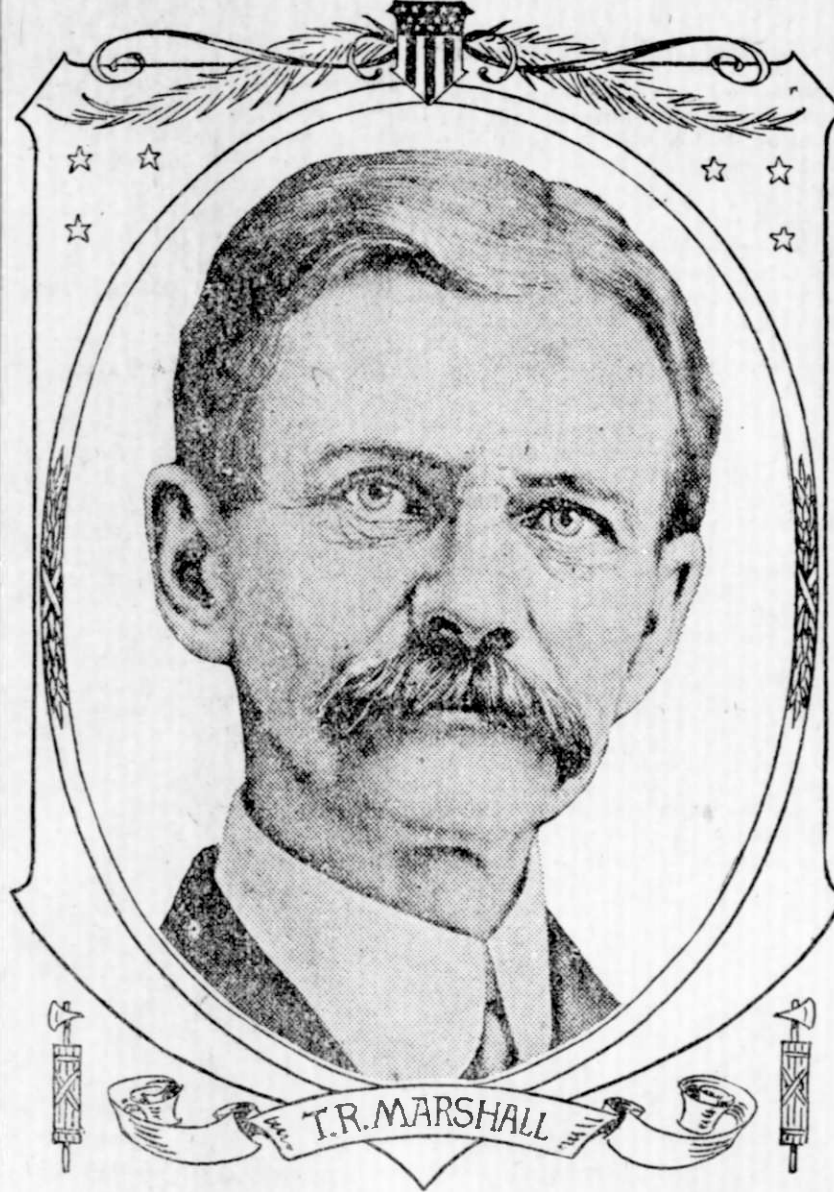

Socialist Candidates for Congress Lose in Milwaukee County. Milwaukee.—The total vote in the city precincts show that Congressman William J. Cary, non-partisan, has been re-elected, defeating his nearest opponent, W. R. Gaylord, socialist, by 3,000. Former Congressman William H. Stafford has defeated Congressman Berger, socialist, by more than 2,000, the vote standing: Stafford, non-partisan, 15,338; Berger, socialist, 13,329; Trotman, republican, 7,864. The entire non-partisan county ticket is elected.

Berlin.—Pickpockets in Chicago robbed O. C. Irwin, president of the Berlin Public Service company, of a pocketbook containing \$16 and negotiable bonds valued at \$21,000, on a crowded street car. Irwin arrived in Chicago to sell bonds. While riding on the street car he was jolted by three young men but gave the matter little attention at the time. When the men leaped from the car Irwin discovered his loss and hurried to the detective bureau. The bonds were of the Berlin Public Service company. After reporting the loss, Irwin telegraphed to the Germania bank of Milwaukee to stop payment on the bonds.

Oshkosh.—Dr. C. W. Oviatt, a prominent surgeon who died here, left an unusual statement before he passed away and as a result there will be no ceremony of any kind attending his burial. His remains will be cremated in Forest Hill cemetery, Milwaukee.

In explanation the following excerpt from the surgeon's letter is made public:

"Inasmuch as I have never believed in the tenets of the so-called Christian religion or in the dogma of a divine providence or a future life in any individual form, an expression of pain or remarks referring to the life beyond will be entirely out of place. To my believing friends who think it must be a fearful thing to die without a belief in a future life, I would say that death has never had the slightest terror for me since I became of age to reason for myself.

"To quote from Draper's 'History of the Conflict Between Reason and Science,' 'Why should we renege at death where everything is dying? As the tired man looks to the tranquility of sleep, so the philosopher looks forward to the tranquility of extinction.'"

Dr. Oviatt was 59 years old and had been practicing in Oshkosh for the last twenty-six years.

Service Company Cannot Hold One Tenant for the Debt of Another, Rules Rate Commission.

Green Bay.—The railroad commission of Wisconsin has ruled that a gas or water company cannot refuse to serve a tenant of a building if the company has been unable to collect money for water or gas by a person who has vacated that particular building. The ruling was issued upon the request of Duquaine brothers, who recently leased a building for a moving picture show and found the water shut off by the Green Bay Water company. The new tenants refused to pay the old bill and the company refused to furnish water. The commission was appealed to with the result that the water company was ordered to supply water to Duquaine brothers at once.

ANTI-TOBACCO CRUSADE ON

Wisconsin Educators Begin Warfare Against Use of Weed by Pupils in the Public Schools.

Madison.—An anti-tobacco crusade in the high schools of Wisconsin is being conducted by principals with the backing of the state superintendent's office and editors of educational journals.

Out of 163 Wisconsin principals who reported to former Senator H. P. Bird, only four said there was no smoking in their schools, while in some schools the percentage of smokers among the boys ranged as high as 75 per cent. The average was about 30 per cent. There is a law on children using tobacco, imposing a fine of \$10 or thirty days' imprisonment for any person under 16 smoking tobacco in any form in public places except when accompanied by a parent or guardian.

There is a movement to discourage smoking among university undergraduates. At the opening convention this fall, President Van Hise urged in strong terms that freshmen refrain from smoking. It is said the practice among them is not as prevalent as usual.

FEW WOMEN TAKING COURSE

Four Are Enrolled in Agricultural Class at State University—Course Presents Many Difficulties.

Madison.—Four women students, three in the long course and one a special student are enrolled in the agricultural course of the university. Two of these, Julia F. Avery, Philadelphia, and Ellen I. Cavanagh, Fond du Lac, are sophomores; a third, Mina Willis, Weyauwega, is a junior, and the fourth, Mrs. R. F. Avery, mother of Julia Avery, enters this year as an adult special.

The agricultural course presents many difficulties for women and it is no wonder that so few follow the work. Prof. D. H. Otis, assistant to dean of college of agriculture, said: "It is not at all surprising that so few of the women students take agriculture. The work is unadaptable to women and the few who do take it are exceptions. I do not know why these women are taking the course, but I suppose it is mainly to understand the management of a farm along scientific lines."

Bits of Wisconsin History.

In 1882 the Wisconsin state constitution was amended so as to provide for biennial legislative sessions. The United States census of 1840 showed a population of 30,945 whites in Wisconsin territory. In 1847 a special census showed a population of 215,456.

Because of his support of President Johnson's reconstruction policy, James R. Doolittle, United States senator from Wisconsin, was requested to resign in 1865.

On February 8, 1854, a meeting was held at Elgin, this state, which resulted in the organization of the Republican party. The name "Republican" was suggested by A. E. Boyva. On July 13 of the same year a state organization of the party was effected at a convention held in the capitol park at Madison.

High School Notes

The Sophomores are cramming for a test in Literary Reading II.

The Juniors were given a test in Literary Reading III on Monday.

The Misses Elenora Groeschel and Anna Lade were callers at school last week Friday.

The Geometry class have learned that "Q. E. D." does not mean "quite easily done."

The Seniors gave a Halloween party in honor of the Junior class on last Thursday evening.

Sight Seeing.

"All aboard for the sight seeing trip around the Kewaskum High School to see the colors of the rainbow," calls the director of the new "sight seeing" car.

We are now entering the main room renowned for its gladiatorial combats of students vs. seniors.

If you will cast your eyes across the gently rippling surface, you may notice spots of bright green. These are the Freshmen. They remain this color for one year. On the second glance you may notice a duller part, about the same all the year, these are Sophomores, by looking still sharper may be seen a somber color scattered here and there which designates a Junior.

Ladies and Gentlemen we will now request you to don your smoked glasses while we take a trip to the first floor to see the brightest color of all, the Seniors, during History period. They are confined to this room in order not to dazzle the eyes of the other pupils. Altho the duller part, about the same all the year, for their remarkable brilliancy allows them to see and comprehend all that is going on.
