

Simon Berres, 75, George Volz Die

Simon Berres, 75, lifelong farm resident of the town of Farmington, near St. Michaels, where he lived in retirement, died early Thursday morning, April 18, at St. Joseph's hospital, West Bend, after ailing for some time. He was confined to the hospital eight days.

He was born Oct. 28, 1878, on the same farm where he lived all of his life. The deceased, a son of the late John and Magdalena Berres, never married.

Surviving are a niece, Miss Gertrude Simon, who lived with him for many years; a sister-in-law, Mrs. Lena Berres, of Barton, a brother-in-law, Christ Schoofs, of Kewaskum; nieces, nephews and other relatives. His sisters and brother predeceased him.

Mr. Berres was a member of the Holy Name society and St. Michael's society of St. Michael's parish.

The body was in state at Miller's funeral home after 1:30 p. m. Sunday. Funeral rites were held at 9:30 a. m. Monday in St. Michael's church, the Rev. Francis Eschweiler presiding. Burial was in the church cemetery.

GEORGE VOLZ

George Volz, 78, of Saukville, a retired carpenter, and a native of Five Corners in the town of Auburn, died in St. Alphonsus hospital at Port Washington Sunday morning, April 21, of a heart ailment. He was a brother-in-law of the late Rev. Phillip Vogt of Kewaskum.

He was born July 9, 1875, in the town of Auburn, the son of Joseph and Emma Federl Volz. On Jan. 8, 1902, he was married in Holy Trinity church, Kewaskum, to Miss Margaryt Vogt, a sister of the late Father Vogt. Mr. Volz moved to Milwaukee in 1902 and was a foreman at the George H. Meyer & Co. in Cudahy for 23 years. He had been living for several years with a son, the Rev. Cyril A. Volz, pastor of Immaculate Conception church at Saukville.

Besides Father Volz, he is survived by two other sons, Alphonse and Norbert, Milwaukee; a daughter, Mrs. Pauline La Bonte, Appleton; 12 grandchildren and three great-grandchildren; two sisters, Theresa Volz, Fond du Lac, and Mrs. Christina Thill, Campbellport, and one brother, Frank, Fond du Lac.

ELMHURST COLLEGE WOMEN TO SING AT PEACE CHURCH

The Elmhurst College Polyhymnia, a women's choral group of 20 voices, will present a concert at Peace church Saturday evening, April 24, at 8:00 p. m. The group will present a program of sacred and secular music.

Director of the group is Mrs. Viola Repp, instructor in voice at Elmhurst college and at the American Conservatory of Music of Chicago.

Elmhurst college campus lies in the heart of Elmhurst, Ill., a residential suburb sixteen miles west of Chicago's "Loop." A four-year liberal arts school, the college fully accredited, provides pre-professional training in the fields of medicine, theology, teaching and nursing, among others.

LAST TRY SUNDAY TO FIELD LAKES BASEBALL TEAM HERE

Another practice in an attempt to organize a Land o' Lakes baseball team in Kewaskum this season has been called for this Sunday afternoon. At two previous practices the turnout was very small and there were not enough players out to form a team. This will be the last chance. If enough players do not turn out Sunday to field a team the matter will be forgotten and there will be no Kewaskum representative in the Lakes circuit this year.

The most common speech impediment among children is chewing gum.

Indians Lose Baseball Opener to West Bend

The Kewaskum Indians of the Tri-County conference opened the spring baseball season with a practice game against the West Bend Badgers of the Little Ten loop here Tuesday afternoon. The Badgers won an easy 17-4 victory.

West Bend tallied its 17 runs on only 10 hits. They exploded for eight runs in the fourth inning, six in the sixth inning and three more in the seventh to account for all of their scoring. The Indians, who were subdued on three hits, a home run and two bunts, scored two runs in the fourth and two in the sixth.

Wierman did a fine job on the mound for Kewaskum in the first three innings. He held the Badgers scoreless and gave up only one hit. Then Tessar took over the pitching chores and West Bend soon caught fire. The visitors were hitting pretty well in check in the hitting department but numerous errors, walks and wild pitches by the Indians donated the victory to them. Rauscher, Mellinger and Gumm hurried for the winners.

On Thursday afternoon Kewaskum played its opening conference game against Brandon on the home field. The Indians will play a return game at West Bend Monday, April 26, at 3 p. m.

County Senior to Get Nursing Scholarship

An outstanding Washington county high school senior will be awarded a three year nursing scholarship annually starting this year by the county 40 and 8 Volture. This announcement was made by Norbert Schellinger, scholarship committee chairman.

Eligible is any Hartford, Kewaskum, Slinger and West Bend high school student, who is certified for graduation, if she has shown qualities of leadership and sound moral character, and if she is in the upper 25 per cent of her class. Financial need will also be considered.

Each scholarship will be continued for the duration of a three year nurses training course. It provides for the payment of the tuition in any recognized school of nursing.

Students may apply for a scholarship as early in their high school career as they wish. The application must be returned to the high school office for the principal's certification and forwarded to the 40 and 8 scholarship committee no later than March 1 (this year expected) of the year of graduation.

Each principal of the four county schools shall recommend one or more names. The committee shall make the final choice and choose an alternate.

The committee is composed of Gerhard Thunstadter, Germantown; George Gumm, Jackson; Harry Koch, Kewaskum, and Mich. Gornitz, Jr., West Bend.

ETTA BAPTISM HELD

Mr. and Mrs. Lloyd Etta, R. 1, Kewaskum, had their baby baptized recently by Fr. James J. Schikas at the Immaculate Conception church. She received the name of Anne Louise and sponsors were John Waranus and Rosalie Waranus.

Over \$1,000 Short of Red Cross Drive Quota

Facing the dismal prospect of failing to reach its quota for the first time in 12 years, the West Bend chapter of the American Red Cross this week was continuing to exert every effort possible to reach its minimum budget requirements of \$9,750, even though it was originally hoped that \$21,500 might be collected. Failure to reach even the minimum goal will very likely result in a curtailment of the chapter's charitable activities or force it to all upon a sorely-pressed national headquarters for additional sums to help it fulfill its obligations.

To date, a total of \$8,771.52 has been collected. F. W. Bucklin, chapter chairman, and Miss Clara J. Ehling, executive secretary of the chapter, reported Monday. This is more than \$1,000 short of the minimum requirements and almost \$3,000 short of the original amount which the chapter had hoped to receive.

In announcing the chapter's difficulties Miss Jaehrig pointed out that full reports from a number of precincts in the chapter area have not yet been received. It is hoped that final returns, expected shortly, will help the chapter make its quota and thereby allow it to continue uninterrupted the many services it has undertaken to provide since its organization in this area.

What Do You Think of Your Kewaskum?

Your Community Service committee recently had election and its new officers took over last Monday night. A very vigorous program was adopted to serve Kewaskum and its surrounding rural area.

The following sub-committees were appointed: Committee on youth, on recreation, on civic affairs, on sports, on safety and park committee. As was stated at the organizing of this group last fall, the objectives shall be threefold. The first and primary aim shall be "Youth Guidance and Youth Problems;" the second, "Promotion of the General Welfare of this Community;" the third, "Promotion of Interest in Civic Affairs."

Ahead of us are the summer months and our youth will be looking forward to swimming, boating, fishing, baseball, volleyball, archery, tennis, etc. Again your service committee is looking and asking for your comments and suggestions. What would you care to have in summer sports, recreation and pastime? Mail your ideas to Community Service Committee, % General Delivery, Kewaskum.

Mothers of young children, would you enjoy spending time in our village park on those hot, sunny, summer days, if you could sit in the cool shade of the beautiful trees on the banks of our scenic river, if there were tables and benches and if sand boxes and playground equipment were installed? And perhaps a wading pool for the kiddies? How about you teen-agers, what do you think of a tennis court or two? An archery range? Or your fathers, how about indulging in a good neighborly game of horseshoe at the park? Let's not get old before we must. A little relaxation with neighbors is good for all of us and our community.

While we're on the subject of summer activity reminds us of our Kewaskum Lakes league baseball team. We have a good civic and sports minded citizen in our midst, who has done much for sports in this town and who is again willing to sponsor a baseball team for this season. This is an opportunity for you young fellows to start your way up into a great American sport. You need not be outstanding. Remember, please, it takes nine men to make a team but they can't all be Mathews, Di Maggios, Gehrigs or Babe Ruths, COME ON FELLOWS, SIGN UP NOW. Let's have a Kewaskum baseball team again this year. Do not let your home town down nor the man willing to sponsor a team.

BOOST YOUR KEWASKUM Many of us spend half our time wishing for things we could have if we didn't spend half our time wishing.—Milton Courier.

Senior Class Play at School May 7-8

The senior class of Kewaskum High school is presenting their class play on May 7 and 8 at 8:00 o'clock p. m. in the school auditorium. The title of the play is "Truth on a Holiday" by Glenn Hughes.

It is the story of Alice Grant, a senior in college, who in fun writes a term paper describing her own father as one who is suffering from delusions of grandeur. The psychology professor insists upon visiting the family to check the situation on the very day the father in question accepts the nomination for governor. Much confusion is created by mistaken identities and little white lies, which all adds up to truth on a holiday.

The cast of characters is as follows:

- Warren Grant, a lawyer Preston Pierce
Laura Grant, his wife Gloria Klemko
Alice, a senior in college Audrey Schaefer
Mabel, younger daughter Ramona Couiter
Keith, the son Wayne Stemmel
Louise Spencer, his fiancee Jeanette Staehler
Jimmy Long, a newspaper reporter James Walters
Professor Prickett P. Clark Landmann
Herbert Goes, interior decorator Raymond Skrentny
Mrs. Barrett Barrett, a clubwoman Judith Kamies
Hildegard, the maid Betty Krautkramer
Stuart Mason, a political boss Jerry Backus

Easter Seal Sales Total \$155 Here; County \$1,108

A resounding THANK YOU to the state for its splendid participation in the 1954 Easter Seal campaign was made on behalf of crippled children and adults by Clare D. Rejahl, Madison, president of the Wisconsin Association for the Disabled, the Easter Seal society.

Although final campaign returns have not yet been compiled, indications are that we have probably exceeded our goal of \$226,000, Rejahl said. We are sincerely grateful for such public-spirited co-operation. Our contributors have shown that they do care about crippled children and adults and we, on our part, shall do everything in our power to maintain and develop the services these people need.

President Rejahl said that although the 21st annual Easter Seal campaign ended Easter Sunday, late contributors can still send their contributions to Crippled Children, % Local Post Office.

Through April 14, funds totaling \$1,108.78 have been received from Washington county at the association's Madison office. Last year's total was \$1,595.50. Contributions from various communities are: Allenton, \$16.50; Barton, \$19.00; Colgate, \$47.00; Germantown, \$49.10; Hartford, \$265.25; Hubertus, \$16.50; Jackson, \$44.70; Kewaskum, \$155.55; Newburg, \$16.00; Richfield, \$22.00; Rockfield, \$15.00; Slinger, \$24.50; West Bend, \$276.70.

ALL-SCOUTERS TRAINING WEEK END AT SHAGINAPPI

The training event of the year for scout leaders of the Badger Council area will be held at Camp Shaginappi on the eastern shore of Lake Winnebago this Saturday and Sunday, April 24-25. Mike Gnancinski, Kewaskum, is senior patrol leader.

The all-scouters training week-end starts at 1 p. m. Saturday and closes at 2:30 p. m. Sunday. To provide basic and fundamental training "know-how" for all phases of the scouting program is the purpose of the program. Program planning, committee responsibilities and relationships, outdoor skills, games and sponsor relationships will be included.

Every male scouter in the council area is invited, from assistant cubmasters to executive board members.

MILWAUKEE ATTORNEY IS KIWANIS SPEAKER

On Monday, April 19, C. R. DiNeen, an attorney from Milwaukee, gave a very inspiring talk at the Kewaskum Kiwanis meeting which was helpful to us all in regard to municipal problems. The information he gave was appreciated by all in attendance as applied to the problems of our growing village.

A new member was initiated at this meeting, William Meredith, the new proprietor of the Republican Hotel in Kewaskum.

On April 17, a number of trees were planted around the Kiwanis sign project; within a week or so the sign will be up. Many thanks to the Boy Scouts for their assistance.

Insurance Companies Meet in Kewaskum

Qualified Risk Mutuals, an underwriters group of nine Wisconsin Mutual Fire Insurance companies, held its annual meeting in the office of the Kewaskum Mutual Fire Insurance company on Wednesday morning, April 14.

The Qualified Risk Mutuals was organized in 1952 and writes a combination policy on apartment houses, banks and offices, churches, schools and other public property, and preferred mercantile risks having a valuation of more than \$75,000. Ted Schmidt is the manager of QRM.

The Mutual Insurance Managers association, a group of twenty-two Wisconsin Mutual Fire Insurance companies, also held a meeting in the office of the Kewaskum Mutual on Wednesday afternoon, April 14. Ted Schmidt is secretary-treasurer of that organization.

What About Our Youth Problem and Delinquency of Today?

The Washington County Community Council was recently interviewed in reference to youth problems of today. This, it is to be understood, is only one of the many problems with which the council is concerned. The following article was prepared by a member of the community council:

DELINQUENCY PRODUCT OF EXTREMES—TOO MUCH, OR TOO LITTLE

Get any two oldsters together in Washington county or elsewhere—and one of them is almost sure to spring comment concerning the waywardness of present-day youth. Fifty years ago, city kids ran in gangs or individually, stole bananas from pushcarts, apples and candy from stores, and clattered out windows in vacant houses.

Their country cousins, meanwhile, were carting away out-houses, filching apples and water-melons, and indulging in other types of mischief.

All of this was deplored from the pulpit, and in the press, America, in the Roaring Nineties, had its juvenile problems, although some of us are not old enough to remember.

Remember the Twisted Twenties? The period of the flapper and the hip-pocket flask? Of rolled stockings, silk stockings, bathtub gin and moonshine?

That was a wonderful stretch of years for some grown-ups, although it was perhaps a trifle rough on the kids. The old folks had plenty to harp about, and harp they did.

Today's complaining adult will admit that the past had its problems, but he'll swear that they were nothing compared to those of the present.

He has a point. Too often, however, we fail to consider a few pertinent factors concerned with this change.

A couple of weeks ago we were assigned the task of finding the answers to a flock of questions having to do with the erratic behavior of today's youngsters.

Like many others who have passed the sixty-year mark, we had a prejudice or two against teenagers. Hot-rodgers annoyed us, as did kids who broke into school-houses and wantonly destroyed equipment we helped buy with tax dollars, yours and mine.

Since then thinking has been somewhat changed. We talked with kids, good kids and so-called bad kids, if there is a bad kid. We spent hour after hour with parents of all kinds, and with teachers, school principals, policemen and sheriff's deputies, and others who spend much of their waking hours working with children. A very good friend and advisor was Wibur 'Boots' Juech, West Bend assistant chief of police, who has just passed on.

All of this has led to certain conclusions. Among them are: 1. Delinquency invariably gets its start in the home, during the very early years of childhood. Outside influences also contribute in later years. This is true, too, of maladjustments in children which do not carry them to the level of delinquency.

2. Delinquency is a product of extremes. It is caused by too much or too little. Too much money or too little. Too much love or too little. Too much discipline or too little. 3. Parents have a lot to do with delinquency in their children, although usually through no fault of their own. Most do the best they can with limited resources and capabilities. They, too, need help, but it is not easy to get. 4. Today's kids are no worse than those who have gone before. They simply happen to live in a stepped-up, highly confused world, and their actions—both good and bad—are reflections of the way they try to cope with what they find. 5. Every child has certain basic drives which must be expressed in one way or another. He seeks security, recognition, a place in society. These cravings are sometimes satisfied on a baseball field or in an art class, or in the pride of belonging to strong parents and a sound home. Or it may take a different outlet—like telling off a cop, or smashing a window. Every child should be taught that a policeman is his friend. Don't scare him as so many do. It seems to be an old American custom to complain about the younger generation. Let us in Washington county stop complaining and start helping the younger generation to become better citizens tomorrow.

Local Young Man Injured in Collision

In an accident which occurred Sunday night at 11:30 p. m. on County Trunk W just north of the bridge at Kohlsville, a car driven by Vernon Krieser, 20, R. 3, Kewaskum, collided with one driven by Otto E. Uhlman, 44, R. 3, Mayville.

Two persons injured in the mishap were: Ronald Couiter, 19, R. 3, Kewaskum, bruised left leg, and Mrs. Ralph Steffan, 40, R. 3, Hartford, bruised neck and shoulder.

The Krieser vehicle was traveling down a hill from the north and Uhlman was driving in the opposite direction. Krieser pulled his machine over to the left to avoid striking a parked car owned by Lorraine Dornacker, R. 2, Hartford. The Dornacker vehicle was parked partially on the road, facing south, without the lights on. When Krieser swerved out, his car sideswiped the Uhlman auto.

FORTY HOURS ADORATION AT HOLY TRINITY CHURCH

Annual Forty Hours of Adoration will be observed at Holy Trinity church starting on Sunday and continuing through Tuesday. Confessions will be heard Saturday at 2 and 7 p. m.

The Forty Hours will begin with the Exposition Mass at 8 a. m. Sunday, followed by procession. After the mass Adoration of the Blessed Sacrament will continue throughout the day and also on Monday and Tuesday. Benediction and reposition of the Blessed Sacrament will be held Sunday at 7:45 p. m. and again on Monday evening. Closing services will be held Tuesday evening, when neighboring pastors will be guests and a Capuchin father will preach.

During the three days there will be continuous adoration of the Blessed Sacrament by the faithful during the daytime.

MSGR. STEHLING HONORED ON HIS FIFTIETH JUBILEE

The 50th jubilee of the Rt. Rev. Msgr. Edward Stehling, pastor of Holy Angels church, West Bend, was observed on Easter Sunday with a solemn high mass of thanksgiving at 10 a. m. The Rev. F. C. La Bui, Kewaskum, was among the many pastors present in the sanctuary. Fourth degree Knights of Columbus and 200 members of the Holy Name society served as a guard of honor. The mass was followed by a dinner in the church parlors.

RED-BREASTED MERGANSER

RED-BREASTED MERGANSER © 1953 National Wildlife Federation

In fresh or brackish waters more commonly near the sea may be seen usually small flocks of duck-like birds often conspicuous because of backward pointing crests. The birds measure about 2 feet in length and have a wingspread of nearly 3 feet so they are slightly smaller than a Mallard and larger than the Bluebills. The drake superficially seems to be conspicuously black and white at a distance. The drake's head is greenish black. The female of the Red-breasted Merganser is gray to brown with a reddish instead of a greenish head and both show conspicuous white wing-patches in flight. In each, the bill and feet are red or reddish. The bill is slightly hooked at the tip and shows toothlike structures along the side.

Red-breasted Mergansers swim and dive with remarkable skill and are at their best on and under the surface of the water. It seems difficult for them to take flight and they may awkwardly cover many yards of ground or water before getting into the air and once there seem to prefer to fly close to the water's surface. This is even more difficult when they have no helping wind into which they may direct their efforts.

Red-breasted Mergansers breed from the arctic regions of Alaska to Newfoundland and south to southwestern Canada and northern, eastern and central United States. They winter south along the coast to the border of Mexico and into Lower California. They are also found in Asia south into India and in Africa.

Unlike related American mergansers, or "shell-drakes" as they are often called, the Red-breasted Merganser builds its nest on the ground rather than in trees. The nest is near a waterway and is hidden by vegetation and has a feathery lining. The 6 to 12 eggs are creamy brown and 2 1/2 by 1 3/4 inches in size. They are incubated for 28 days by the female but both male and female assist in caring for the young. The younger birds molt from March through July while the old birds molt from September through November. There is but one annual brood.

We are inclined to judge most forms of life by the food they eat. Since the Merganser or Fish Duck feeds largely on fishes large and

small it is only natural that the habit may raise the ire of human beings who wish these fishes for themselves. A battle royal rages now and then in the popular sporting journals about the merit of these birds. However the considered judgment of ornithologists in general is that while they may be destructive in fish hatcheries they normally do comparatively little damage in the wild. Unfortunately they have no food value themselves and probably their only claim to protection lies in the pleasure they give to those who enjoy seeing nature as it is.

The National Wildlife Federation is glad to call attention in its stamp series to this bird, feeling that an informed public in the

HINTS ON CONTROL OF UNWELCOME GUESTS

Any idea how many weeds annoy Minnesota farmers and hamper their crops? University experts in a recent comprehensive booklet on "Weed Control in Minnesota" name 14 varieties. Specific control measures are suggested for bur ragweed, Canada thistle, field bindweed, hoary cresses, leafy spurge, meadow buttercup, orange hawkweed, perennial peppergrass, perennial sowthistle, poverty weed, quack grass, Russian knapweed, tansy, and toadflax (alias wild snapdragon or "butter and eggs"). Listed as "undesirable woody plants" are blackberry, buckruech, chokecherry, poison ivy, and wild rose.

Cold Chiffon Sauce

2 tablespoons butter
2 tablespoons flour
1 cup milk
1 egg yolk
2 tablespoons tarragon vinegar
1 egg white beaten stiff
Salt and pepper

Melt butter in a saucepan, add flour and cook until the mixture bubbles, stirring constantly. Gradually add milk and continue to cook until thick and smooth, stirring all the time. Simmer for 10 minutes stirring occasionally. Remove from heat and stir in egg yolk, salt and pepper. Let cool 10 minutes, then add tarragon vinegar. Cool and fold in beaten egg white. Chill well before serving.

Mister Fixum's Handy Hints

BY ERNIE GARDNER

CLEAN A HOT WATER TANK

If your hot water runs yellow or rusty at the tap, it is possible that the inside of your hot water tank is badly rusted. The life of a galvanized tank is from 10 to 12 years. If yours is that old, you should plan on replacing it any time. But in the meantime, you do not have to put up with rusty hot water.

1. Close the intake valve at the top of the tank.
2. Open the drain valve at the bottom of the tank.
3. Open one faucet in the house. The one at the laundry tubs is probably the most convenient.
4. Allow all of the water to drain from the tank.
5. Close the drain valve at the bottom of the tank, and open the intake valve. Allow the tank to refill only about one fourth.
6. Close the intake valve and drain again. Repeat steps 5 and 6 until the water runs clear.
7. Refill the tank. When it is full, water will run out of the faucet opened in step 3.

8. Close the faucet.
9. Open all of the hot water faucets in the house, one at a time, until all of the rusty water is out of the pipes.

Another source of trouble is the furnace coil, used mostly in coal furnaces. This becomes overheated and rusts. Then scale collects on the inside. Eventually they burn out or leak, and have to be replaced.

MISTER FIXUM'S HANDY HINTS booklets No. 1, 2 and 3 are now available. They are made up of selected jobs from this column. Send 35c to Ernie Gardner, 14189 Faust Ave., Detroit 23, Mich., for each booklet.

A Convenient High-Chair

If four rubber-tipped door stops are screwed into the legs of an ordinary chair, it will make an ideal high chair for kitchen work, or for a small child.

COMBINATION—Suzy Perette combines the popular princess silhouette with the fashionable coat style to create this spring-into-summer dress. A pert little-boy collar and a big bow tie top the design of ice-blue silk and cotton.

HOW TO BE HAPPY THOUGH AGING

Q. Do people actually live longer today than they used to?

A. Yes. The Greeks and Romans of ancient times could expect to live to the ripe old age of 25. During the American Revolution, our ancestors had a life expectancy of 35. A hundred years ago, that figure had been raised to 40. Today men can expect to reach the age of 67, and women, 69!

Q. How can we explain that our life span has increased more in centuries than had gone before?

A. Modern medical science and public health education have greatly lowered the infant mortality rate, and have brought infectious diseases with their former high death rates under control.

Q. Are older people correct when they look upon aging as a process that affects only them?

A. Not at all. The process of aging goes on from before birth. It just takes different forms at different periods in your life.

Q. How does advancing age affect our minds, as regards learning, memory, judgment, reasoning, and creative imagination?

A. Learning is probably easier when you are young, and may require more effort after you are 60. Your memory may also not be as keen. On the other hand, your judgment and your reasoning powers will probably improve as you grow older; and age has not been found to have any harmful effect on man's creative imagination.

Q. Is it true that psychologically "You are only as old as you feel"?

A. Yes. A person with physical health, energy and a zest for living doesn't grow old in the sense of losing his ability to be creative. Maestro Toscanini at 87 still conducts great symphony orchestras. Grandma Moses, at 90, still paints pictures that win the critics' acclaim and are eagerly sought after by the public.

Q. Can an older person living in the home of a son or daughter ever become a valuable member of that household, and at the same time, satisfy his own inner needs?

A. Yes. Everyone has a very deep-seated sense of wanting to be useful and needed. No one likes to be "put on the shelf" as though he had outlived all usefulness. The older person can meet these family needs in the household that he or she is qualified to fill. Such tasks can include: answering the telephone when the others are out; baby-sitting; mending and sewing; helping take care of the garden; attending to minor repairs.

Q. Should older people be expected to give up all their social activities?

A. Decidedly not. You're never too old for the pleasure that comes from intercourse with your friends, or the stimulation arising out of your social contacts. Many older men and women have found inner satisfactions in serving in their communities in various capacities—in Church work, Red Cross, Boy and Girl Scouts, civic affairs, etc.

Q. Should young people give thought to what they will do when they reach retirement age?

A. Yes. No matter how much you may look forward to this time and think you would enjoy being idle, it has been found that idleness, whether in old or young, in no way satisfies your inner needs. "That is why you are advised not "to retire from something," but rather "to retire to something." You can't begin too soon to look about for a hobby, an interest or an activity for the days when you will no longer be busy with making a living or bringing up your family, and when you will have leisure to do all the things you have always thought you wanted to do, but did not have time for.

Spiced Cabbage

1 small head cabbage; 1 tart unpeeled apple, minced; 3 tablespoons butter; 6 whole cloves; ½ cup boiling water; 1/3 cup vinegar; ¼ cup brown sugar; ¼ teaspoon salt.

Shred small cabbage head. Cook rapidly until tender. Drain well and add apple, butter, cloves, water, vinegar, brown sugar, and salt. Simmer these ingredients until thoroughly blended. Serve either hot or cold.

Sarah Anne's COOKING CLASS

Don't Forget Vitamin 'Q'

When Spring's lethargy jades your youngsters' appetites, it's time to mind your P's and Q's when filling their lunch boxes. Appetite appeal, oftentimes referred to as "Vitamin Q" by home economists, is almost as important as real vitamins, so give special attention now to appearance of the lunch as well as the nourishing and taste-tempting foods.

One of the newest boons to keeping a box lunch attractive is a moisture-proof wrap made of saran that's completely transparent. Children love to see the variety of foods and make a choice. For example, a cluster of celery hearts and radish rosebuds, looking much like a pretty bouquet, are a colorful invitation to "munch in" when the box is opened. Thus you get the youngsters to take that much needed supply of raw vegetables.

Now sandwiches can be made more appealing, too. Spread the bread all the way to the edge to prevent the filling from soaking in. Then cut the big sandwiches into triangles and wrap them separately in the food wrap so that each triangle stays freshly moist and tasty even if it isn't consumed until after school. There's psychological value in not having one big, thick sandwich literally stare back and say "You'd better eat me all—or else!"

Here's a new sandwich filling that gives much needed nourishment and is very tasty:

Sunshine Sandwiches
Golden yellow and a gold mine of sunshine vitamins are made by mixing:
2 carrots, grated
Equal amount of chopped nuts
¼ cup shredded pineapple
½ teaspoon salt
2 tablespoons salad dressing
Sandwich bread

Fish are always available to the American homemaker and are valuable for their high content of mineral salts. Serve them boiled, baked, fried, broiled, in salads, as fish souffles and etc.

Baked Red Snapper

1 teaspoon sugar
2 lbs. whole red snapper
1/8 teaspoon salt
Pepper to taste
1 glove garlic
1 red pepper pod
1 onion minced fine
2½ cups cooked tomatoes
1 tablespoon Worcestershire sauce
½ cup olive oil
1 tablespoon vinegar
2 cups uncooked potato balls
1 cup mushrooms
Brown sugar in pan. Sprinkle red snapper with salt and pepper, place garlic and pepper pod inside. Place minced onion and red snapper in pan with sugar. Cover with tomatoes, add Worcestershire sauce, olive oil, vinegar and potatoes.
Bake in an oven 400 degrees for 15 minutes, add mushrooms, and bake 14 minutes longer or until potatoes and mushrooms are tender.

Broiled Shad Roe

1 boned shad roe
Salt and pepper
2 tablespoons lemon juice
4 tablespoons butter
Toast
Slices of bacon cooked crisp
Watercress
Lime wedges
Preheat broiler 10 minutes. Remove head and tail from shad; cut into serving pieces. Arrange skin side down on lightly greased broiler pan with roe around fish. Sprinkle with salt and pepper; brush with butter and lemon juice. Broil, with top of fish 2" below heat, 8 to 10 minutes, basting occasionally with butter and lemon juice. When ready to serve brush with butter and lemon juice. Serve on hot toast with slices of bacon. Garnish with watercress and wedges of lime.

Cold Salmon Slices

1 large salmon
Salt
½ cup vinegar
Parsley
Mayonnaise
Cold Chiffon Sauce
Quartered hard boiled eggs
Sliced cucumbers
Cut 2 two inch slices from the middle of a large salmon, wipe with a damp cloth; salt and let stand one hour. Place them on a rack in a saucepan, cover generously with cold water, add a large spring of parsley and ½ cup vinegar. Bring to a boil, skim the liquid and lower the heat. Simmer for 40 minutes. Let fish cool in stock; remove together with the rack and let drain 30 minutes. Trim the slices, lift off the skin, wipe carefully and lay them on a platter. Cover the top with mayonnaise and garnish with quartered hard boiled eggs, sliced cucumbers and parsley.

Finnan Haddie Souffle

4 tablespoons butter
3 tablespoons flour
1 cup hot milk
4 egg yolks well beaten
¼ cup cream
1 cup shredded cooked finnan haddie
Pepper
4 egg whites beaten stiff
Melt butter in a saucepan. Add flour and the milk gradually, stirring constantly until the sauce is creamy and thick. Remove from heat and add beaten egg yolks and cream. Add finnan haddie and a little pepper. Fold in the stiffly beaten egg whites. Turn into a buttered baking dish. Place the dish in a pan containing about 1 inch hot water. Bake in an oven 350 degrees for 45 minutes.

TWIRLING TOT—Her smile helps, but it's really her talent. That's why four-year-old Linda Kay Bialas of Chicago, Ill., is wearing all those medals. The baton-twirling tot has accumulated over 25 medals and two trophies while competing in five mid-west states during the past year.

ANYBODY GOT A KEY?—Like hundreds of other dogs in Chicago, Ill., this little fellow found himself behind bars during the city's recent anti-rabies roundup. The city was declared a rabies "quarantine" area after several persons were bitten by rabid dogs roaming the city's streets.

AND AWAY IT WENT!—Chicago isn't known as the "Windy City" for nothing. Ulysses Butler, Chicago cab driver, looks down at the hood which was blown off his cab in high winds.

MINDY'S MINIATURE—Songstress Mindy Carson picks up an enthusiastic rider on her "autotette," a pint-sized car she uses to get around New York City. The vehicle, originated in California to take lazy millionaires around golf courses, is ideal for traffic-blocked New York and has spread east.

WHAT'S HIS LINE?—Playing the accordion is just a hobby to Al Andrews. But when he works, he wears gloves to protect his sensitive fingers—boxing gloves, that is. Andrews, of Oliver, Wis., is a promising middleweight fighter.

4-H Club News

BOLTONVILLE BUSY BEAVERS 4-H CLUB NEWS

"M-m-m tastes good," smirked Eugene Laatsch and all the members and their leaders of the Boltonville Busy Beavers 4-H club when they tasted the hamburger balls prepared by Sandra Riley in her demonstration on outdoor cooking at the regular meeting, Wednesday evening, April 14, at the MWA lodge rooms.

To spear the hamburger with a toothpick from the frying pan amid some smoke and then to balance it with one hand while eating, with a cheese cracker in the other, was a great sport and lots of fun.

Sandra showed how a simple

gallon tin can, notched at the base for draft, and the top for smoke could be made into a stove for outdoor cooking on a hike. The fire was provided by a buddy burner made of corrugated paper tightly rolled into a pint size tin can and filled with wax. A string was inserted in the middle to light the burner. Safety in using the buddy burner and stove was also demonstrated and stressed. She also showed how with a hobo stick all necessary supplies could easily be carried in the stove.

E. Behnke, director of the agricultural department, Kewaskum High school, was present to judge two talks that have been tied previously by Eileen Laatsch, "Conserving our Wildlife," and Jim Dognitz, "A Water Conservation Pond." Both members had improved their talks so much that the tie was maintained and both will compete in the county contest, April 21, at the West Bend High school.

The judge gave the speakers good suggestions on further improving their talks, and cited some humorous incidents and experiences of his wife and himself in making speeches. He also told the members how much he enjoyed

their whole-hearted singing under the direction of Carol Riley. Leaders present were Mr. and Mrs. Richard Dognitz, Mrs. John Youngbauer, Clara Jaehnis, and Norbert Dettman.

"Historical Spots in Washington County" will be the centennial project meeting of the club on Wednesday evening, May 12, at 8:00 o'clock in the Woodmen hall. Pictures will be shown by Miss Edith Heidner and Mrs. Ethel Gill, members of the Washington Co. Historical society. The public is cordially invited and everyone interested in the county history and especially Boltonville historical spots should plan to attend. A reception will follow with a silver punch in charge of the 4-H members assisted by their leaders and club mothers. Evelyn Staehler.

WEED CONTROL MEETING TO BE HELD AT NEWBURG

Anyone interested in weed control, weed sprayer adjustment, and in insect and fly control is invited to attend a meeting at Loehen's Implement shop, Newburg, on Friday afternoon, Apr. 30, 1:30 o'clock. This will be a joint meeting with

Ozaukee county, it is especially intended for operators of power weed sprayers. New chemicals to use for different weeds and the proper adjustment of power spraying machines will be explained and demonstrated. All weed sprayer operators will benefit by attending this meeting.

Tree seedlings ordered for planting this spring may keep in an express office for a few days, but will heat and spoil quickly in a warm room. Loosen bundles and keep the tree roots moist until you're ready to set the seedlings out.

GROWING BETTER CROPS

Early Planning Helps Insure Profits

Preparing seedbed with disk plow, spike tooth harrow.

Making profits on cash crops in the face of today's peak farming costs calls for soundest planning, from planting right through harvest. In this the smaller farm is on at least equal footing with the big fellow; good management carries no price tag.

Now is the time to complete a good 1954 program, to get the paper work done, to take care of various essentials before the season is fully under way. This is particularly true of fruits and vegetables for processing, since farm and factory schedules should dovetail.

Yields, Quality at Stake As Extension vegetable specialist James O. Dutt at Pennsylvania State University points out, "Recent developments have made it more necessary than ever before to use the soil, equipment and labor more efficiently in producing and handling vegetable crops for processing. Carefully planned operations aid in production of high quality, high yielding vegetables."

Crop authorities suggest that a checklist for growers now should include the following general activities:

Survey winter losses that may force changes which can still be made in methods, or in perennials. Inspect drainage systems. Plant windbreaks.

Secure all latest information from county agent and cannery fieldman, such as 1954 lime and fertilizer recommendations for specific crops.

Estimate and order year's lime and fertilizer requirements. Don't lime by guess—use a soil test. If needed, the lime can be applied to cover crops or plowed ground when dry enough to work.

Last-Minute Soil Tests Have last-minute soil tests made—it is still not too late for tomatoes, sweet corn, snap beans. Fit land properly. Prepare for insect, disease, weed control; check county agent for latest data.

Estimate labor needs, place orders early for migrants if needed. Plow for early spring crops as soon as soil is dry enough. Old grass sods should be plowed as early as possible. Get planters and other machinery in most efficient working order; anticipate harvest equipment needs.

For tomato, bean and pepper growers now, Dr. C. H. Nissley at Rutgers advises applying recommended commercial fertilizer to a cover crop as soon as frost is out of the ground. "This will increase cover crop growth and you will not lose any of the fertilizing material."

For peas, Professor Dutt says that "where growers are plowing down grass cover crops it might be desirable to plow down some nitrogen," especially where soils are low in organic matter and the grass growth heavy. "The same is true where heavy growth of corn stalks is being plowed down for peas or other vegetable crops."

By Betty Ann

EDITOR
THE MILWAUKEE JOURNAL
WOMAN'S PAGES

Sheers are enjoying a big revival, due partly to the nationwide summer heat waves of late and partly to the turn that fashion has taken toward almost little girl femininity, says Betty Ann—"Baby" wear, designed with floating full skirts, minute puffed sleeves and lots of frills, flounces and furbelows. One of the most effective treatments is a "baby" dress of beige chiffon chambray with the simple princess line accented by row after row of shirred val lace.

Your choice, sheath or dome, should be governed by several factors. Slim, narrow skirts are for the slim woman who has slender legs and walks with a short stride. A stouter woman who walks with a longer stride or one with heavy legs looks better when walking if her skirts have a slight flare.

Skirts that are fitted about the waist with darts rather than unstitched pleats are more flattering to most women's figures, a point to remember if you often remove your jacket.

Length of skirts and coats can best be determined by what looks good on you—not by a set number of inches from the floor. A tall woman with long legs can wear her skirts farther from the floor than can a short woman. Generally, midcalf length is both becoming and functional, but the best appearing length varies with individuals.

When checking length, see how the skirt looks as you stand, walk and sit. Narrow skirts shorten more than do flared or full skirts as you walk and sit.

Princess-Empire lines are strong in dress collections. Many have flared skirts, thereby concentrating attention on the upper part of the torso.

Long line bras which extended to the top of the hips and mold the body through the midriff and waist provide the necessary figure control.

Sheer, but sturdy cotton and nylon fabrics are used to insure a maximum of control and comfort in warm weather.

Whether a housewife or a career girl, taking a few minutes out in the afternoon to stretch, washing your face and applying make-up is not wasting time. You will return to your tasks with renewed energy that will more than make up for the time away.

One of the best beauty treatments you can give yourself costs nothing. It's learning to have a pleasant expression at all times. Not only will you be more attractive now, but you will also be less likely to have lines around the mouth later on.

Powder will really look better and stay on longer if you lavishly puff it on, let it set and then remove the excess with a bit of cotton.

Some 95% of all stains on household linens or wearing apparel are removable with simple soap and water washing. Some women feel they have to keep a library on hand in order to learn how to remove ordinary household stains. Actually, what you need instead is just soap.

That remaining 5% of stains may require some special knowledge to remove, but since the percentage is so small you may never face such a problem in your homemaking career!

So don't get too excited when somebody spills something, or when the children come in covered with odd looking spots and splashes. Put faith in plenty of suds, and don't worry till you have to.

Orange Sponge Cups

2 tablespoons butter; 2/3 cup sugar; 2 egg yolks, unbeaten; 1/4 cup frozen orange juice concentrate; 2 tablespoons flour; 1 cup milk; 2 egg whites.

Cream butter, add sugar gradually and cream thoroughly. Add egg yolks and beat well. Add concentrated orange juice, then flour. Add milk gradually blending well. Beat egg whites until stiff, but not dry and fold into orange mixture. Turn into greased custard cups. Place custard cups in pan of hot water and bake in moderate oven (375 degrees) 35 minutes.

When done, top will be spongy and bottom will be custard. Chill. Unmold, if desired. Serve plain or with whipped cream. Makes five servings.

About Your Home

By FRANCES DELL

Woodworking is a favorite hobby from coast to coast. A workshop in the home, fitted with various kinds of tools, is becoming almost as common as the long popular den. Woodworking is being taught in most high schools and is an outstanding hit with boys and even a good number of young girls.

There are any number of publications and books packed with ideas, tips and directions. Patterns are the latest thing on the market. The idea for these patterns came from the tissue-paper patterns used in dress-making. They are tremendously popular because of the simplicity of directions issued with each one. The patterns and directions are said to be virtually foolproof, even for beginners.

Working with a pattern helps the worker to proceed without wasted time, material or effort. The pattern-line includes such items as several stylishly different types of valance to fit any window, lawn furniture, coffee tables and card tables several easy-to-build chairs and many more advanced projects.

Beginners are advised to get the feel of tools by making a few simple things before trying the more complicated projects. For those who are ready for extensive home craftsmanship, power tools, such as an electric hand drill, electric jig saw, band saw and drill press are recommended, in that order.

Glorify Leftover Chicken in Curry Casserole

BY DOROTHY MADDOX

TENDER hunks of young chicken left over from yesterday can reappear glorified in this unusually good dish. It's actually a meal-in-a-dish and needs only a spring salad, some crusty bread and a fruit dessert to round out a gala menu.

Chicken Curry Casserole (Makes 4 to 6 servings)

One-third cup uncooked rice (1 cup cooked rice), 1/2 cup nonfat dry milk powder, 3 tablespoons flour, 1/2 teaspoon salt, 1/2 teaspoon pepper, 1/2 teaspoon curry powder, 1 1/2 cups water, 1/4 pound processed shredded Swiss cheese, 1/4 cup finely chopped pimiento, 1 (10-ounce) package frozen broccoli, cooked and drained; 1 1/2 cups cooked, diced chicken.

Cook rice as directed on package. Combine nonfat dry milk powder, flour, salt, pepper and curry powder. Sprinkle over surface of water in top of double boiler. Beat with a rotary beater until blended. Cook over hot water, stirring constantly, until thickened.

Add half of the shredded cheese. Continue to cook until cheese has melted. Stir in pimiento. Combine sauce, broccoli and chicken. Blend well. Pour into a 1 1/2-quart casserole.

Top with remaining shredded cheese. Cover and bake in a slow oven (325 degrees F.) 30 to 35 minutes or until thoroughly heated. Serve immediately.

The curry recipe and this one for baked eggs with cheese are made with nonfat dry milk. A 1-pound foil-lined package will yield 5 quarts of fluid nonfat milk.

Baked Eggs With Cheese (Makes 6 servings)

One-half cup nonfat dry milk powder, 1 tablespoon flour, 1 teaspoon salt, 1/4 teaspoon pepper, 1/2 teaspoon paprika, 1/2 teaspoon dry mustard, 1 cup water, 1/4 pound process shredded cheese, 6 eggs, 2 slices buttered bread, cubed.

Combine nonfat dry milk powder, flour, salt, pepper, paprika and dry mustard. Sprinkle over surface of water in top of double boiler. Beat with rotary beater until just blended. Cook over hot water, stirring constantly, until thickened.

Stir in shredded cheese. Continue to cook until cheese has melted. Place one egg in each buttered custard cup. Pour cheese sauce

Leftover chicken prepared in curry casserole makes a delicious, one-dish meal that everyone will enjoy.

over egg, and top with buttered bread cubes. Place custard cups in baking pan. Pour hot water into pan to depth of 1 inch.

Bake in slow oven (325 degrees F.) for 30 to 35 minutes or until eggs are set and knife inserted in center comes out clean. Serve at once.

Note: In addition to extra nutrition the nonfat dry milk also makes omelets fluffier, the home economists report.

Pouring From Cans

The secret of pouring liquid from a can is to make two holes in the can instead of one, about an inch apart. The one hole is for the liquid to pour from, the other hole to let the air into the can.

Danger of Rabies Greatest in Spring

Contrary to popular tradition, the "dog days" of late summer are not the time of greatest danger from rabies.

Actually, rabies infection is heaviest in early spring according to a bulletin recently issued. For that reason, and also because an epidemic of rabies is reported right now in Illinois, the bulletin lists the following important facts in case the epidemic should spread to animals in other areas.

First: The disease is transmitted to human beings by a virus in the saliva of infected animals, usually dogs, cats, foxes, wolves, horses, cows and other animals are also occasionally infected.

Second: The virus is introduced into the broken skin through the bite of an infected animal, the larger and deeper the resulting wound, the sooner signs of trouble appear.

Third: The virus, thus introduced, travels along nerve routes, and so a bite on the face, head or neck is particularly dangerous. Symptoms may appear within 10 days because the distance to the brain is short. In the case of an arm or leg the time lapse may be from 30 to 60 days.

Fourth: The animal may appear perfectly well at the time of the bite, since it usually takes from eight to 12 days after the saliva has become infected before symptoms appear. Also, frothing at the mouth is not necessarily a symptom. Irritability and a general change in behavior should be regarded with suspicion.

Fifth: The doctor should be consulted immediately after any dog bite so that preventive injections can be started without delay. The dog should not be killed, but kept under observation.

Antirabic injections given in time will prevent rabies, which is one of the most horrible of all diseases known to man. Effective antirabic protection can also be given to pets to prevent infection.

V. L.: Can the new antibiotics be used to cure cold sores?

ANSWER: Cold sores are caused by a virus and do not respond to treatment with antibiotics. Occasionally, repeated sores can be controlled by vaccination. Daubing with camphor water or a mild antiseptic may help, but care should be taken not to spread the infection.

After Thirty Check On Heart's Condition

Each year over 13,000 Wisconsin residents die before reaching age 67—as a result of heart disease. This, despite the fact that our average life expectancy has increased from 49 years in 1900 to 67 years today.

Heart disease has become the leading cause of death for both men and women over 35, and for both country and city people. And because more and more people are in this age group the problem of heart disease is becoming more and more important.

But this problem for each of us is more than merely a question of preventing early deaths. More important, we must learn to live with our heart, prevent damage to it, or help it when its performance is more or less impaired.

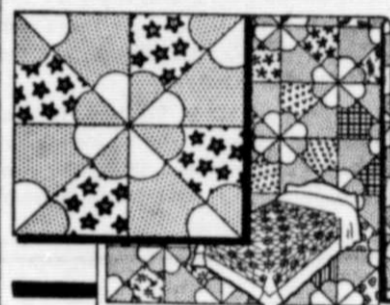

Heart disease is not limited to one period of life or to people doing certain types of work. Nor does it strike those with a particular standard of living, or one locality more than another. There is no immunization that will prevent heart disease.

However, many forms of heart disease can now be cured. Under the guidance of a physician others can be improved so much that people can live a nearly normal life. Thus a diagnosis of heart disease is not necessarily a sentence to a life of invalidism.

By following some simple precautions heart damage can often be avoided. Prevention of infectious diseases such as rheumatic fever, syphilis, and diphtheria; good medical care during acute and convalescent stages of rheumatic fever; and special examination following illness will all aid in assuring you a healthy heart. For those who are "never sick," it is still important to follow good general health practices such as nutritious diets, proper exercise, weight control, and avoidance of stress and fatigue.

Only a physician can tell whether or not your heart is healthy. Periodic physical examination started in the thirties and continued regularly thereafter are the best check on the heart's condition.

BLOSSOM SQUARE

Regular quilting bees are being revived once more. The Blossom Square quilt is easy and fun to make. Requiring only two different pieces, left over materials are quickly used in this unusual quilt. The pattern gives yardage requirements, cutting guides and directions. Finished size of quilt is approximately 84" x 96". Pattern number C9914, 20c. Send orders to Handcraft Service, (The Colonial Co.), Journal Publishing Co., Inc., 1243 Swift, Kansas City 16, Mo.

Mucilage Substitute

Quite often when one is in a hurry to mail a letter, there will be but one stamp and it has no mucilage on its back. In this predicament all necessary is to moisten the mucilage flap on another envelope, run the stamp over the dampened part quickly, then place on the letter to be mailed.

Ink Stains On Hands

A solution of peroxide of hydrogen containing a few drops of ammonia will remove ink stains from the hands.

THESE WOMEN!

By d'Alessio

"When she comes back down, don't faint. She just bought a new dress!"

The SNAPSHOT GUILD

This is a good example of a human interest snapshot with universal appeal—so good, in fact, that it won a top prize in the Newspaper National Snapshot Awards.

It's Called "Human Interest"

HAVE you ever noticed how often newspapers use pictures that aren't connected with any important news development and are not of local origin? Chances are these pictures are pictures that immediately catch your eye, and perhaps cause you to smile to yourself, or murmur, "Isn't that cute?"

Probably there are people or animals involved—people and pets you don't know, will never see. Yet you like the picture because of the situation, because it has what the editors would term, "human interest appeal."

What has this to do with your snapshotting? Well, you can use these pictures to help make yours even more interesting. If they are set up in such a way that they have universal appeal, that the picture is of interest to people thousands of miles away, couldn't you profit from them in making pictures of subjects that in them-

selves could make almost any type of snapshots satisfactory to you?

Most of the newspapers' "human interest" pictures involve people. This isn't surprising, since people are one of the most popular amateur photographic subjects. But these aren't just pictures of people—they are pictures of people who are doing something.

If these people were simply standing staring into a camera, the paper wouldn't use the picture in the first place, and if they did, you wouldn't stop to look at it. Usually, the activity in which they are engaged is the key to the interest of the picture. It is the factor that makes it appealing.

Keep this in mind in snapping pictures of your favorite people. It'll make a picture you'd enjoy in any case even more enjoyable.

—John Van Guilder

DUST AND DISBELIEF—A lone figure and a wooden duck gaze in disbelief at the dust which virtually covers the Nelson farm in Haskell County, southwest Kansas. The area, which was hit recently by the worst dust storm since the Dust Bowl days of the 1930's, is also ravished by a serious water shortage. Kansas officials are seeking federal and state aid in halting the wind erosion of valuable topsoil.

Bible Comment:

Jesus' Authority Was in His Words And Noble Deeds

JESUS, so far as we know, had no authority other than that inherent in His words and deeds. He was neither a priest, a Levite nor a scribe.

He had nothing corresponding to a modern diploma or credentials, and His "school" must have been almost, if not completely, unique in the annals of education.

The great fact of this supreme but unofficial Teacher, depending only on the inherent authority of the truth He uttered, is impressive. The lesson which it signifies should not be minimized.

In our complex world, standards are necessary. Our schools would suffer without some standard of qualification for teachers. We would be at the mercy of quacks if doctors did not need proper credentials.

All that is plain. But what is important, and sometimes forgotten; is that such authoritative and official credentials do not by any means guarantee what they are supposed to imply.

Incompetent doctors and untrustworthy lawyers are fairly common. So authority rests ultimately upon something more than official status. Sometimes a teacher, a bone-setter, a preacher comes along who, without any official standing, reveals a knowledge and competency beyond that of many who are outwardly qualified.

Such a one pre-eminently was Jesus. But He has not been alone among the great unofficial teachers of religion. Many unofficial prophets have proclaimed God's truth and won men to the truth they declared.

And it ought to be so in the realm of religion, where values are inherent, or lacking, in actual word and action.

The realm of religion ought to be the most free and untrammeled of all life's areas.

SPORTS AFIELD

By Ted Kesting

Many articles have been written about outboard boat bottoms, but nearly all deal with how these make a boat act when at full speed. The writers overlook the problem of the angler, for

during the time he has a line in the water he is trolling, or working slowly with oars, or he may be at a standstill. How does the bottom affect the small boat's actions then?

Picnic Time Again!

ANYONE can have a picnic right in the back yard, providing there's a picnic table and benches. Now available is a free plan that makes this furniture for outdoor dining a simple acquisition. With materials obtained from the lumber yard, the home craftsman will find this project a pleas-

ure to build. Unlike the old style benches, the ones described in the free plan are separate, so one needn't climb over them to sit down. When the picnic's over, they fit neatly under the table!

The table is rugged and sturdy. Its smooth, splinter-free top is made of Masonite Tempered Preswood, which will never split, splinter or crack. Rain, wind and snow won't affect it.

Another advantage of the design shown is that winter storage is made simple because one merely unbolts the "X" frame legs, folds them together and stores them. The table top can be hung on a wall in the garage or storeroom. Benches can be carried inside and used for wintertime or bad weather gatherings in the recreation room.

For a copy of the free plan write Home Service Bureau, Suite 2039, 111 West Washington St., Chicago 2, Ill., requesting Plan No. AE-279. With it comes information for making comfortable lawn chairs.

Inasmuch as boats rock or tip from side to side, the curves or angles that the bottom takes from the keel on out are those that count, when steadiness is being considered. Bottom-type, and width and length are the main things where stability is concerned, but not the whole story. Height of sides and of seats also enter in and so does the flare of the sides. For example, flare can finally check a tip so severe that the chine is no longer acting as a break; a rounded side, on the other hand, will let a boat in a bad tip roll right on over.

Depth or weight, or both, to a keel can make a boat steadier. As you see, there are many angles to this tipiness business. And we must remember that some fisherman can always balance their boat while in it—they do so instinctively. And some can't.

Willard Crandall, boats and motors editor for Sports Afield magazine, thinks that at slow speeds the roundbottom handles better than other types. This does not mean that with a light load a wide round-bottom run-about will outperform a V-bottom rowboat. It means that, generally, round-bottom boats are smoother steering, make more even turns, respond in all ways more exactly.

Flat-bottoms have the advantage of a level floor to walk on, and where you can put gas cans, minnow buckets or anything else. If you drop a plug in a round-bottom, it is likely to roll out of sight under a floorboard, but in a flatbottom it'll stay put so you can pick it up.

Flat-bottoms not only won't tip far in shallows, but they also get stuck there less easily. But it is hard to get one unstuck, for they become fast for the width of the boat—not just at the keel—and they can't be rocked loose as readily as a craft with a round bottom. The V-bottom, Crandall puts it somewhere between the two, a little closer to the flat than to the round.

HERE'S HOW . . .

MAKE AN EQUIPMENT SHED

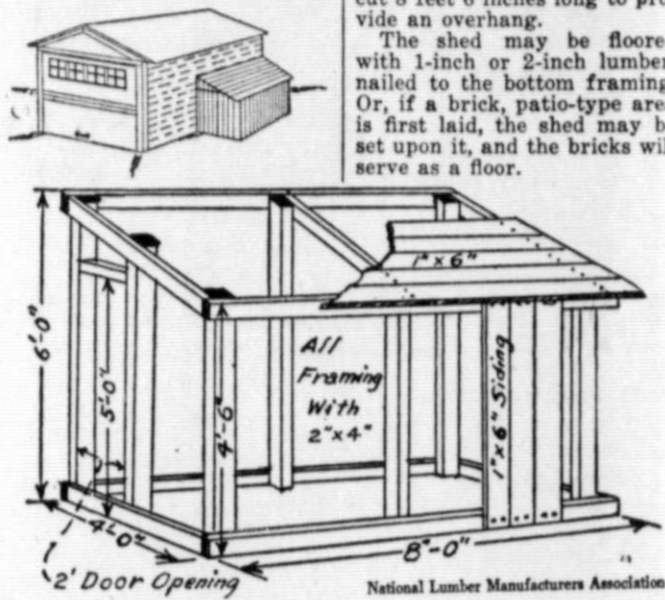

A shed for handy storage of lawnmowers, bicycles, rakes, wagons and other garden and play equipment pays dividends in better maintenance and neatness.

A sturdy frame of 2 x 4's set on concrete or cinder blocks and enclosed with 1 x 6 lumber, may be painted or shingled to harmonize with the garage or house. The back of the shed may be fastened to an existing structure, as shown in the small picture, or all four sides

may be enclosed to form a completely separate building. First step in construction is to make the end frames on the ground. These are then stood in place, and the 8-foot frame members are nailed to them.

The 1 x 6 lumber used for the siding is cut to fit snugly under the roof. Horizontal 2 x 4's should be added to the frame between each 2 x 4 upright for additional nailing surface. The roof lumber is cut 8 feet 6 inches long to provide an overhang.

The shed may be floored with 1-inch or 2-inch lumber, nailed to the bottom framing. Or, if a brick, patio-type area is first laid, the shed may be set upon it, and the bricks will serve as a floor.

African Esparto, Asian Zoysia -- Cinderellas Of The Grass Family

Two wild grasses from opposite sides of the world each offer a story of man's ingenuity in finding bounty in improbable places.

One plant, ragged and dry, supports a thriving business on the fringe of the North African desert, the National Geographic Society says. The other, whose wiry green sprigs were first found in the wilds of northeastern Asia, today carpets the White House lawn in Washington.

The first is named "esparto," or Stipa tenacissima in botanical terms. The second is called "Meyer zoysia."

Paper, Rope and Power
Esparto—also known as Spanish grass, alfa, and halfa—flourishes bravely in rocky, sun-parched soil where almost nothing else will grow. Ragged clusters of reedlike stalks, three to four feet high, cling to stony foothills and arid plateaus from southern Spain across Morocco, Algeria, and Tunisia.

Its leaves, tender when young, soon grow too tough for cattle to chew. Yet this harsh grass ranks as one of the world's most valuable uncultivated crops.

Fine printing papers are made from esparto in England and France—glossy coated sheets for illustrated magazines, crackling parchments for college diplomas. The Spanish navy makes rope of esparto, hawsers so light they will float. Baskets, hats, carpets and tough desert sandals have been woven from esparto fiber for 2,000 years.

Today its collection is a tightly controlled, highly organized industry, involving nomadic tribes of grass merchants and fleets of plodding camels. Picked by hand and brought to remote weighing stations on camelback, esparto bales travel from hinterland to coast in huge 20-ton trailer trucks that follow dusty, barely marked

tracks. Eventually thousands of tons of the dried grass pile high on wharves for shipment to paper mills as far away as Scotland.

Korean Discovery
Meyer zoysia is an even more recent Cinderella of the grass family. It was discovered in Korea 40 years ago by a United States Department of Agriculture plant explorer, Frank N. Meyer, who died in the Orient after sending home many valuable new plants. No one then realized its potentiality.

Much more recently one particular strain of the grasses Meyer collected was found to be an amazingly tough and adaptable grass for American lawns and golf courses. Tested and developed further by plant scientists at the government's experimental farms at Beltsville, Maryland, the grass which bears Meyer's name now is being planted by homeowners in all parts of the country.

Meyer zoysia's assets include an ability to outgrow crabgrass. It thrives in poor soil, resisting diseases and insects that ruin ordinary lawns. Golf greenkeepers call it virtually divot-proof, for it quickly spreads and fills in any chunks taken from its thick, springy turf.

Not that White House gardeners expect many divots in their acres of manicured lawn—but Meyer zoysia now forms a carpet of green beauty around the home of the nation's golf-playing President.

Easy-To-Build Birdhouse a Quaint Touch for Gable

from SMALL HOMES GUIDE

A plain gable can be given a quaint decorative touch with a small birdhouse, such as the one at right, from Small Homes Guide. A few pieces of lumber, plywood and hand tools will do the trick.

The drawings below give dimensions and construction details of the birdhouse. The drawings give adequate directions for the home craftsman. Use exterior plywood for the face and, if desired, close the holes with thin plywood or boards painted black. Use the same kind of trim as on the gable.

SLENDERIZED — Britain's graceful Queen Elizabeth II is shown at Brisbane, Australia, during her 15,000-mile tour of that continent. Despite the rigors of her journey, which has trimmed 20 pounds from her weight, the pretty queen still has the gracious smile that has endeared her to her subjects everywhere.

LIFE AS A SENATOR—One of the most controversial figures in the government today, Sen. Joseph R. McCarthy of Wisconsin, shakes hands with his police motorcycle escort as he returns to a Chicago hotel after a speaking engagement in that city. A recent anonymous threat against the senator has caused police to take extra security measures wherever he goes.

Behind The Scenes In American Business

By Reynolds Knight

New York—Travel, both domestic and foreign, continues to move at a clip that makes it a billion-dollar-a-year business. However, trade observers believe that new and more aggressive promotion will be needed to keep travel—and especially tourism—in high gear against the leveling-off trend in business generally.

Mexico and some European countries are already promoting "more and better accommodations" and "new and improved recreational facilities." Meanwhile, a legislative proposal to set up a U.S. Trade Commission for promoting tourism in the interests of improving the international economy is gaining favor.

Rail, plane, highway and steamship leaders all seem to agree that the increasing number of paid vacations and the trend toward two vacations a year are important factors favoring the travel industry's future.

MARKET AT SEA—American farmers, poultrymen, and cattle raisers who are seeking to expand their markets could well devote their talents to promoting travel on American-flag passenger liners. According to statistics from United States Lines, sea-going travelers and sailors eat 11 times more poultry and seven times more meat than do landlubbers.

One ship alone, the superliner United States, purchased 85,000 pounds of fresh meats and poultry for one round-voyage last year. During the nine days at sea, the 1537 passengers and 1000 seamen consumed 64,654 pounds of meat and 20,512 pounds of poultry. That's a daily average of 2.7 pounds of meat and one pound of poultry, compared to the dry-land figures of four-tenths of a pound of meat and one and a half ounces of poultry.

Over-all, the report states, the annual meat and poultry purchases for the 1259 ships of the American Merchant Marine total \$60 million a year, all of it bought in the American market.

THINGS TO COME—A new auto accessory is a device that keeps a constant check on the storage battery, and gives water-level readings on a dashboard dial. . . The development of a snap-on aluminum lid (available in several sizes) converts the used tin can into a handy container for food storage in refrigerator or freezer. Sheet metal and plastics can be jig-sawed with a new type of hacksaw blade, which is available with coarse, medium or fine teeth, and with adapters to fit any hacksaw frame. . . An easy-to-fly plastic kite, 17 inches long and with bird-like wings, has been developed for sale as both a toy and as a tool for use in air-sea rescue operations. . . "Atom-age" window panes, which bow and pull away from the window casings without shattering in the event of a blast, have just been announced.

EXPLOSIVE DECISION—This month the ICC completed hearings during which more than 80 public-interest groups including states, cities, the National PTA and the AAA opposed trucking firms seeking broad-scale authority to haul explosives over the nation's highways.

Meanwhile, 40 of the original 60 truckers who some time ago applied for permanent rights to transport explosives over the country's roads have withdrawn from the case, although another recently joined those still seeking explosives-hauling rights. It was a truck of this latter company, as it happened, which blew up in the now famous Smithfield, N.C. disaster—one of the most destructive dynamite-truck explosions on record.

At the earliest, it will probably be two or three months before the ICC renders its decision in the case. But when it does come the decision may very well set the pattern of explosives transport not only for today, but for some years to come.

SELF-SERVICE GROWS—Recent surveys indicate that super-marketing is spreading fast in several non-food fields, and that the shift to self-service is resulting in greater efficiency and higher profits for retailers.

One study of 72 variety stores which recently have switched to super-marketing showed that the average profit level was up to 10 per cent, whereas it had dropped to an average of 6 per cent before help-yourself methods were instituted. In most cases, "impulse buying" was claimed to be responsible for gains in sales. However, a decrease in employe costs was rated as a favorable factor of almost equal importance.

cancer
man's cruelest enemy
strike back

"CANCER" is an unpleasant word. It's easier not to think about it—to turn the page, to pass on.

MOST FOLKS who see this ad will do just that . . .

YOU ARE DIFFERENT. The fact that you're still reading this proves it.

PERHAPS you have a special reason of your own for being interested in the fight against cancer. Cancer may have taken away someone whom you loved. It's not unlikely, for cancer strikes one out of five of us. The young. The old. The strong no less than the weak.

LAST YEAR, Americans contributed more than ever before to the American Cancer Society. But still not enough. Not nearly enough for the struggle that *must* be waged if this implacable enemy is to be conquered for good—if we are to make cancer, like so many once-dreaded diseases, only an unpleasant memory in man's long and victorious struggle against his ancient enemies.

THIS YEAR—please—give more generously than ever. For your help is *needed* more than ever. Won't you please clip the coupon now—?

**New strength and stamina!
Lower upkeep costs!**

**New Chevrolet Trucks...
do more work per day... more work per dollar!**

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save extra trips. That's because of the extra load space you get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

The first order of business was election of a chairman of the board for the ensuing year. The chair appointed supervisors Gauger and Van Beek as tellers. The first informal ballot resulted as follows: Romaine 23, Schroeder 4, Schmah 1. Romaine was declared elected. Supervisor Romaine thanked the board for electing him as chairman of the board and promised to extend his best efforts to serve the board.

ROMAINE ELECTED CHAIRMAN
The board proceeded with the election of vice chairman for one year. Moved by Mr. Schroeder seconded by Mr. Helm that the rules be suspended, and the nominations be closed and the clerk be instructed to cast a unanimous ballot for Mr. Henry Woldt as vice chairman. Motion carried unanimously. The ballot was so cast and the chair declared Mr. Woldt elected as vice chairman of the board for the ensuing year. Mr. Woldt thanked the board for the confidence that they had expressed by electing him as their vice chairman.

WOLDT ELECTED VICE CHAIRMAN
Discussion followed regarding rules of order to be adopted by the board for the coming year. The rules of order for the last county board year were read to the board by the clerk. Moved by Mr. Knippel seconded by Mr. Lofy that the rules of order as read by the clerk and in effect during the last term of the board, likewise be the rules of order to be adopted for the ensuing year. Motion carried.

RULES OF ORDER ADOPTED
The minutes of the meeting held March 2, 1953 were read and the same were approved as read.
Correspondence from the State Highway Commission approving a county trunk highway extension in the town of Jackson was read to the board.

CORRESPONDENCE HIGHWAY COMMISSION

RESOLUTION No. 9
Resolution authorizing modification and amendment of that part of Resolution No. 70 adopted March 2, 1953, pertaining to the erection of the building for storage of equipment at the Slinger Highway Shop grounds.
WHEREAS, The County Board of Supervisors of Washington County has heretofore by Resolution No. 70 adopted on the 2nd day of March, 1953, authorized the County Clerk to advertise for and receive bids for the construction of a building for storage of highway equipment at the Slinger highway shop grounds, said building

to be of frame construction, 100 feet in length and 60 feet in width and similar in construction to the sheds on said premises; and
WHEREAS, The Highway Committee subsequent to the date of the adoption of said resolution determined that the regulations of the Industrial Commission of the State of Wisconsin would not permit the erection of a frame building as authorized by said resolution; and
WHEREAS, The Highway Committee acting under its delegation of authority from your Honorable body determined that it would be necessary to engage the services of V. H. Esser as architect and did so engage such architect; and
WHEREAS, V. H. Esser, pursuant to the direction of the Highway Committee did prepare plans and specifications for a concrete block building 101 feet in length and 61 feet in width to satisfy the requirements of the said Industrial Commission.
NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED, by the County Board of Supervisors of Washington County, Wisconsin, that the portion of Resolution No. 70 heretofore adopted on March 2, 1953, pertaining to the highway building at the Slinger Highway shop grounds be and the same is hereby modified to read as follows: "Be It Further Resolved that the plans and specifications of V. H. Esser for the erection of a concrete block building 101 feet in length and 61 feet in width to be erected to provide necessary storage space for highway equipment at the Slinger highway shop grounds be and they are hereby approved, and that a building to provide necessary storage space for highway equipment according to said plans and specifications be erected at the Slinger Highway shop grounds; and that the sum of Twenty Thousand Dollars (\$20,000.00) be appropriated for the construction of said building and be provided by a general bond issue."

ATTEST: A. P. STARAL, County Clerk Resolution No. 11 was given second reading. Supervisor Bascom explained the purpose of this resolution and need for this information by the assemblyman of Washington County. Mr. Bascom briefly explained with a good deal of satisfaction the work accomplished by the present school committee as well as some of the plans for future reorganization. Moved by Mr. Schmahl seconded by Mr. Kuhn that resolution No. 11 be adopted. Motion carried.

RESOLUTION No. 11 WHEREAS, K. William Haebig, Washington County Assembly Representative in the 1953 Wisconsin Legislature has introduced Bill 584-A in the Assembly, and

WHEREAS, Bill 584-A would give the elementary districts that are in the area of Union Free High School districts, integrated level aids if they meet integrated level standards, and

WHEREAS, the Common School District No. 1 of Hartford, Washington County is an elementary district within the area of a Union Free High School District and meets integrated level standards, would receive an estimated additional \$2,500.00 per annum in state aids on the passage of Bill 584-A, and

WHEREAS, School District Joint No. 5 of Kewaskum Village, Washington County has petitioned the Washington County School Committee to reorganize said integrated school district into a basic elementary district and a Union Free High School District, and

WHEREAS, such re-organization would result in an estimated loss of \$1,000.00 per annum in state aids if Bill 584-A is not enacted by the Legislature, and

WHEREAS, the passage of Bill 584-A will materially promote school district re-organization in Washington County and the State of Wisconsin,

NOW, THEREFORE, BE IT RESOLVED by the Washington County Board of Supervisors that said Board of Supervisors favors the passage of Bill 584-A, and

BE IT FURTHER RESOLVED that 3 copies of this resolution, suitably inscribed by the Chairman of the Washington County Board of Supervisors and the County Clerk of Washington County, be forwarded to Assemblyman K. W. Haebig

Dated at West Bend, this 21st day of April, 1953. Introduced By: NORMA B. COURTNEY HARVEY DETTMANN E. M. ROMAINE DEANE R. BASCOM

Resolution No. 12 was given second reading and unanimously adopted on roll call vote of members present as follows: 26 ayes, no nos, Lofy and Woldt absent.

RESOLUTION No. 12 WHEREAS, the salary of the Undersheriff of Washington County is considered to be inadequate, having in mind the many duties and valuable service rendered by the Undersheriff of Washington County and

WHEREAS, it is considered necessary to make an adjustment in the salary of the Undersheriff of Washington County to properly compensate said Undersheriff and

WHEREAS, the purpose of this resolution is to more adequately compensate the said Undersheriff and not to set any pattern or precedent for salary increases to the employees of Washington County.

NOW, THEREFORE, BE IT RESOLVED BY THE WASHINGTON COUNTY BOARD OF SUPERVISORS that the salary of the Undersheriff be increased in the sum of \$25.00 per month effective May 1st, 1953.

AND BE IT FURTHER RESOLVED, that the sum of \$200.00 be appropriated from the General Fund Account of Washington County to the Sheriffs Account, for the purpose above set forth.

Read, April 21, 1953 Adopted April 21, 1953 Report No. 2 of the General Claims committee was read to the board. Supervisor Schmahl inquired regarding the action of the General Claims committee in disallowing the dog claim of Mrs. A. F. Laufer. Members of the committee explained that this claim was disallowed because rabbits destroyed by the dog had not been entered upon the tax roll of the town of Jackson. Discussion followed regarding the increased charges for sewerage facilities at the County Institution. Inasmuch as Washington County had entered into contract with the City of West Bend for these services the District Attorney Lee Goring was instructed to check the previous contract. Moved by Mr. Storck seconded by Mr. Larson that claims be allowed in the General Claims report except the claim of the city of West Bend which is to be checked by Lee Goring, district attorney. Motion carried. Report No. 2 was adopted on roll call vote of all members present: 26 ayes, no nos, Lofy and Woldt absent.

Moved by Mr. Knippel seconded by Mr. Rode that the board adjourn until the next meeting of the board which is 18th of May 1953. Motion carried. Meeting adjourned.

RESPECTFULLY SUBMITTED, ANTON P. STARAL, County Clerk

MINUTES OF MEETING HELD MAY 18, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The clerk called the roll and all supervisors reported present except Supervisor Mr. Storck.

The minutes of the meeting held April 21, 1953 were read and the same were approved as read.

Supervisor Knippel informed the board that the Public Works Committee of the City of West Bend had advised him that a survey would be conducted shortly in the city of West Bend which would set valuations on all properties obtaining service from the city sewerage system. After this information would be available the Public Works Committee would set a new service charge for sewerage service. This information would be made available to the County Board as soon as it would be obtainable.

Mr. H. B. Woldt, chairman of the Budget and Finance Committee, informed the board that his committee had met with the Highway Committee for the purpose of setting a figure on the bonds to be repurchased by Washington County. After discussing this problem thoroughly it was decided that Washington County purchase the \$13,000.00 worth of bonds included in the last issue. Moved by Mr. Woldt, seconded by Mr. Schmahl, that Washington County purchase the \$13,000.00 worth of bonds included in the last issue. Motion carried.

MOTION District Attorney Lee Goring informed the board that all contracts were awarded and signed as per County Board resolution passed at the last County Board meeting.

Chairman Romaine informed the board that all members were invited to participate in the American Legion Decoration Day program to be held in the city of West Bend. He instructed the board members who are planning to participate to inform the clerk so that proper arrangements could be made by those in charge of the program.

Supervisor Bascom presented Resolution No. 18, a memorial to the Korean casualties during the last year. Moved by Mr. Bascom, seconded by Mr. Lofy that Memorial Resolution No. 18 be made a part of the official proceedings of the County Board and copies of said memorial resolution be mailed to the nearest of kin. Motion carried.

RESOLUTION No. 18 A MEMORIAL To Washington County's sons now in the service of their country and especially to those among them who have suffered and died in Korea.

Their service and their sacrifice is for us. That we are not un-mindful of our debt, know them, that we remember: LEANDER RETTLER Killed in action RAYMOND BOKSBECK Died of Wounds RAYMOND BOKSBECK Killed in action HILARY JUSTMAN Killed in action RICHARD L. SCHOTT Killed in action

Let our faith in the cause of peace be the measure of our respect for their devotion. Dated May 18, 1953

Presented by: DEANE R. BASCOM Chairman Romaine announced to the board that he had selected the following members to represent the municipal court committee. The following members were designated by him as members of the municipal court committee: Supervisors Helm, Bascom, Dettmann, Zuern and Bunke.

MUNICIPAL COURT COMMITTEE The clerk read a letter received from Mr. Skaff, jail inspector, regarding the conditions of the Washington County jail. A proposal from the Wisconsin Fire Escape Construction Co. was read wherein they agreed to install a fire escape in the amount of \$1,596.00. The clerk also informed the board that he had received a tentative proposal from a local contractor for the construction of a wing to the jail, 40 feet by 40 feet, in amount of \$19,000.00; also a bid of \$4,200.00 on a wing to the jail, 20 feet by 12 feet. Moved by Mr. Schroeder, seconded by Mr. Meissner, that the problem of erecting a fire escape for the cell block in the jail as well as other improvements be referred to the Public Property committee, the Building committee and the Budget and Finance committee. Motion carried.

MOTION Resolution No. 14 was given first reading and laid over for second reading. Resolution No. 13 was given first reading and laid over for second reading. Bridge Resolution No. 15 was given first reading and laid over for second reading.

Petition No. 6 requesting a zoning change in the town of Kewaskum requested by Oliver Eichstedt was read to the board. Corresponding Resolution No. 16 referring Petition No. 6 to the Park Commission was given first reading and laid over for second reading.

PETITION No. 6 Petition for Amendment of Zoning Ordinance To the County Board of Washington County: The undersigned hereby petition the County Board to amend the zoning ordinance of Washington County as follows: (a) That the boundaries of the agricultural zone in the Town of Kewaskum be changed as follows: To an Industrial Area. with the State Planning Commission he was informed that the present zoning ordinance does not allow directional signs along the highways, but in the same letter it was suggested that the county zoning ordinance could be amended to make such provisions. Several members of the board likewise felt the need of directional signs. Moved by Mr. Woldt, seconded by Mr. Campbell that the County Clerk make this information available to the Park Commission at their next meeting and make recommendations to the County Board regarding directional signs. Motion carried.

MOTION DIRECTIONAL SIGNS Moved by Mr. Geib, seconded by Mr. Bloedorn that the board return to the rules. Motion carried. Board proceeded on rules.

Supervisor Bascom informed the board that representatives from the Menomonee Falls High School had expressed dissatisfaction with the tuition allowed by the County School Committee last year and that they had requested an adjustment be made which would be more in keeping with actual education costs of their school. Mr. Bascom further stated that his committee would make a study of this request and after that time a recommendation would be made to the County Board.

Moved by Mr. Knippel, seconded by Mr. Bunke that the County Board adjourn to the July 20th meeting and dispense with the June 15th session. Motion carried. Meeting adjourned.

MINUTES OF MEETING HELD JULY 20, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The Clerk called the roll and all supervisors reported present except Supervisors Gauger, Kuhn and Schmidt.

The minutes of the meeting held May 18, 1953 were read and the same were approved as read.

Chairman Romaine announced a meeting of the Insurance Committee to be held at 1:30 p.m.

Correspondence from the State Highway Dept. was read to the Board. A letter dated June 20th, informing the Board that a check for \$50,880.65 was received for County Trunk maintenance and a letter dated June 26, indicating that the County Trunk Highways were extended in the Town of Farmington was read.

Correspondence from the West Bend School Dist. and dated June 2nd was read. In this letter the School District had informed Washington County that they were in a position to obtain title to certain lands for which an option had been previously granted. Mr. L. J. Goring, District Attorney, informed the Board that no abstract was required but instead Washington County should grant a quit claim deed in this transaction. Since the survey did show that this option represented 11,699 acres the charge to the School District would be \$11,699.00 as per option instructions. Moved by Mr. Bloedorn, seconded by Mr. Lofy that this matter be referred to the Institutions Committee for the purpose of drafting a resolution to complete this transaction. Motion carried.

MOTION TO DEED LAND TO SCHOOL DISTRICT Correspondence from the City of West Bend, informing the Board that charges were being assessed against the County for street improvements at the Court House and County Home and Hospital. The total assessment for these improvements was set at \$7,264.03. City Attorney Tom O'Meara appeared before the Board and explained the type of improvement made and the reasons for making the assessment. L. J. Goring, District Attorney, explained that the State Statutes do permit such assessments with the approval of the County Board. Moved by Mr. Meissner, seconded by Mr. Bascom, that this matter be referred to the Budget and Finance Committee for their consideration. Motion carried.

MOTION TO REFER STREET ASSESSMENT TO BUDGET AND FINANCE COMMITTEE Mr. Bascom, chairman of the County School Committee, informed the Board that his committee will hold a meeting July 29th, at 8:00 p.m. for the purpose of approving bus routes and tuition claims. He asked that town officers be present to inform the School Committee regarding their wishes regarding bus routes for the next school year.

Resolution No. 21 was given first reading and laid over for second reading. County Judge M. L. Meister appeared before the Board and explained the need for additional funds for this branch of his department.

Resolution No. 22 was given first reading and laid over for second reading. Resolution No. 23 was given first reading and laid over for second reading.

Resolution No. 24 was given first reading and laid over for second reading. Resolution No. 25 was given first reading and laid over for second reading.

Mr. Eugene Brumm, Director of the Washington County Public Welfare Department, appeared before the Board and explained briefly the purpose for the above resolutions. Resolution No. 22 provided that certain checks listed in Exhibit "A" be voided and canceled, inasmuch as they have not been presented for payment and caused unnecessary work for bookkeeping departments. Resolution No. 23 closed account 5603 and transferred balances to other accounts as recommended by State Auditors. Resolution No. 24 affected contribution rate to the Retirement Fund of the sheriff, and deputies. Mr. Brumm explained the need for a case work attorney as authorized by Resolution No. 25.

Moved by Mr. Knippel, seconded by Mr. Schmahl that the Board recess until 2:00 p.m. Motion carried. Board recessed.

RECESS The Board reconvened at 2:00 p.m. E. M. Romaine presiding. Petition No. 11, was read to the Board. Moved by Mr. Woldt, seconded by Mr. Bloedorn that this Highway Bridge Petition be referred to the Highway Committee.

PETITION No. 11 Town of Germantown Bridge Honorable Board of Supervisors Washington County, Wisconsin

We, the undersigned, Town Board of the Town of Germantown, Washington County, Wisconsin, do hereby represent and petition your honorable body as follows:

That a bridge lying wholly in the Town of Germantown on a town road, all in Section 14, is in poor condition and in need of replacement, cost of said replacement to total approximately \$..... dollars.

Minutes of the Meeting Held August 17, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The clerk called the roll and all supervisors reported present, except Supervisor Mr. Storck.

The minutes of the meeting held July 20th, 1953 were read and

the same were approved as read.

Chairman E. M. Romaine announced that he had received an invitation extended to all members of the County Board to attend a National Plowing Contest to be held at Augusta, Wisconsin, on September 18th and 19th. He extended the invitation to all members of the board who would find it convenient to attend.

Mr. E. M. Romaine informed the board that Mr. F. Isselman has resigned formally as a member of the Park Commission. The chair informed the board that he had appointed Mr. Fred Weinreich to fill this vacancy until the term expires in November. Moved by Mr. Woldt seconded by Mr. Geib that the Board approve the appointment of Mr. Weinreich to fill the unexpired term of Mr. Isselman. Motion carried.

FRED WEINREICH - PARK COMMISSION

The chair informed the board that he had received a formal resignation from Mr. Van Osborne as a member of the County School Committee. He submitted the appointment of Mr. Tom Manning to fill the vacancy created by the above resignation. Moved by Mr. Schroeder seconded by Mr. Helm that the board approve the appointment of Mr. Tom Manning to the County School Committee to fill the unexpired term caused by the resignation of Mr. Osborne. Motion carried.

TOM MANNING - COUNTY SCHOOL COMMITTEE

The clerk informed the board that he had made a study of the Workmen's Compensation regulations as they apply to Washington County. He informed the board that the initial resolution was adopted by the County Board in 1940. He also stated that he found the resolution adopted by the board in 1941. Now, wherein the County Board did discontinue further contributions to the Workmen's Compensation Fund. He stated that the Highway Dept. has been making continuous contributions from the time that the original resolution was adopted and it was these contributions that were making this fund active from its original adoption. Since the State and Federal Governments were making contributions to the Highway Dept. it was considered that such contributions should be made.

Mr. Eugene Brumm appeared before the board and explained the need for a resolution pertaining to the Retirement Fund. He also informed the board that Washington County employees and officers would soon be covered by the Federal Social Security Fund without additional contributions.

Resolution No. 26 given first reading and laid over for second reading.

Resolution No. 27 given first reading and laid over for second reading.

ATTEST: ANTON P. STARAL, County Clerk

Supervisor Woldt informed the board that the Budget and Finance Committee had held a meeting with Attorney O'Meara of the city of West Bend regarding street assessments on the block around the court house. This matter had been referred to this committee by the County Board during the last session. Mr. Woldt explained that his committee would wish to give this matter additional thought and consideration before a recommendation would be made. Moved by Mr. Bascom seconded by Mr. Schloemer that the matter of street assessments be laid over until the next meeting. Motion carried.

STREET ASSESSMENTS LAID OVER

Emil Gauger, chairman of the Board of Adjustment, informed the board that there were three problems confronting this committee and on which he asked for an expression of the board. The first matter pertained to basement homes which were occupied for a short time and for which permits had been issued. He stated that in one instance a realtor had constructed several such homes and had planned to build many more in one particular area in the town of Richfield. Residents of the town had expressed by petition that they were opposed to the construction of basement homes because these homes created a school problem and a health problem. Another matter that was discussed was the matter of the type of home that was moved into Washington County from distant areas even as far as the city of Milwaukee. These homes were being moved because of school and street expansion programs to the city and were being bought by citizens of Washington County and moved onto property in the southern part of our county. G. E. Otten who represented citizens who had signed a petition opposing this type of improvement in the town of Polk appeared before the board. He stated that these homes were not very attractive when moved to our county and that many citizens residing in these areas were much opposed to them. He suggested that any person who would move a home of this type into the county should file a completed plan with his application and that no certificate of occupancy should be issued until the building agrees with this plan and application filed. It was suggested by Mr. Schroeder that a special meeting be called with the members of the Park Commission representatives of the State Planning Commission and with the County Board to make a study of these problems to see just how the ordinance could be amended to provide for the correction of the problem discussed.

Moved by Mr. Knippel seconded by Mr. Lofy that the clerk be instructed as the administrative officer of the zoning ordinance not to issue further permits for basement living quarters issued temporarily and also that no further permits be issued for temporary living quarters in garages. Motion carried.

Moved by Mr. Woldt seconded by Mr. Geib that the board recess until 2:00 p.m. Motion carried. Board recessed.

The board reconvened at 2:00 p.m. Chairman Romaine presiding. A discussion continued regarding the issuance of building permits for homes which were being moved into Washington County. It was felt that these homes could be made into fairly reasonable dwellings with major improvements made. Improvements such as adding basements new siding, painting of exterior, and landscaping would add materially to these homes and would satisfy residents who reside in such areas. The clerk informed the board that in one case a mover had agreed to sign that he would make these improvements within a reasonable time and also agreed to make such improvements on these dwellings when he moved them into our county in the future.

Moved by Mr. Meissner seconded by Mr. Schroeder that all people who moved homes into this county from outside of the county must submit a completed plan of the buildings that they are about to move into the county. This plan must be submitted to the board of adjustment for their approval before such dwelling is to be moved into the county and before a permit to move such buildings is issued by the administrative officer. Motion carried.

Leroy Schmidt an interested party in the moving of dwellings in Washington County appeared before the board and explained briefly his intentions regarding the completion of homes moved into the county.

Moved by Mr. Meissner seconded by Mr. Schroeder that the board of adjustment require all necessary improvements be made to homes being moved into the county such as the erection of a roof, a suitable foundation, plumbing and sewerage facilities and that such major improvements be completed within eight months of the date of moving such dwellings into our county. Motion carried.

Moved by Mr. Schloemer seconded by Mr. Lofy that the board suspend the rules and take up the second reading of Resolutions 26 through 33. Motion carried, rules suspended. Board proceeded off rules.

Resolution No. 26 was given second reading. Resolution No. 26 was adopted on roll call vote as follows: 26 ayes, no noes, Supervisors Larson and Storck absent.

RESOLUTION No. 26

WHEREAS, the present stoker in the coal-fired furnace in the Jail building is in need of repair; and

RESOLUTION No. 30

WHEREAS, Section 66.903 (2) (a) 1, Wisconsin Statutes, authorizes any county which is a participating municipality under the Wisconsin Retirement Fund to certify to such Fund that any employee who is then or who may become a deputy sheriff or traffic policeman, is engaged in a hazardous occupation and may require that after a certain date thereafter the normal contribution rate for such employee shall be 7%.

NOW, THEREFORE, BE IT RESOLVED, that the County Board of Supervisors of Washington County does determine and certify to the Board of Trustees of the Wisconsin Retirement Fund that any participating employee of Washington County who is now or who may become either a deputy sheriff or traffic policeman, shall be deemed to be engaged in hazardous occupation and while he is so engaged after August 31, 1953, the normal contribution rate for such employee shall be 7% and he shall be subject to the provisions of Section 102.455 of the Wisconsin Statutes.

BE IT FURTHER RESOLVED, that EUGENE A. BRUMM, who is the agent of the Wisconsin Retirement Fund for Washington County, shall submit a certified copy of this resolution to the Board of Trustees of the Wisconsin Retirement Fund forthwith; and

BE IT FURTHER RESOLVED, that said agent also certify to the said Board of Trustees immediately prior to August 31, 1953, the names of all participating employees of Washington County who are then deputy sheriffs or traffic policemen, and that said agent or his successor certify to said Board of Trustees the name of any participating employee of this county who thereafter ceases to be, or who becomes deputy sheriff or traffic policeman, within said classification, immediately after such change in the incumbency of such position occurs, indicating the date of such change in status for each.

BE IT FURTHER RESOLVED, that Resolution No. 24, adopted by the County Board of Supervisors on July 19, 1953, is hereby rescinded.

Dated at West Bend, Wisconsin this 17 day of August, 1953.

I, ANTON P. STARAL, County Clerk of the County of Washington, do hereby certify that the foregoing, attached is a true, correct and exact copy of the Resolution No. 30 of the 1952-53 County Board Proceedings of the Washington County Board of Supervisors. Dated at the Court House, West Bend, Wisconsin, this 17th day of August, 1953.

DOROTHY M. BERGIN, Deputy Co. Clerk.

Resolution No. 31 was given second reading. Moved by Mr. Helm seconded by Mr. Bunke that Resolution No. 31 be adopted. Motion carried.

RESOLUTION No. 31

Referring Petition to Zoning Agency

WHEREAS, a petition has been filed by J. Edwin Coffey on the 14th day of August, 1953, requesting that the Washington County zoning ordinance be amended;

NOW, THEREFORE, be it resolved that said petition be referred to the Park Commission as the zoning agency of this county, which is hereby directed to hold one or more public hearings on the changes proposed in said petition, pursuant to Sec. 59.97 (3) of the Wisconsin Statutes.

Resolution No. 32 was given second reading. Supervisor Bascom, chairman of the County School Committee, explained the reason for the deficit in the County School Committee fund and the need for an additional appropriation. Resolution No. 32 was unanimously adopted on roll call vote as follows: 26 ayes, no noes, Larson and Storck absent.

RESOLUTION No. 32

WHEREAS, the Washington County School Committee has been unusually active during the first half of the current year and, WHEREAS, legal technicalities have necessitated duplication of work already done by the previous school committee, and

WHEREAS, the committee is presently engaged in major school district reorganization at Slinger and Kewaskum this latter involving work in Fond du Lac and Sheboygan Counties; and

WHEREAS, changes in the school laws relating to closed districts have placed an unusual burden on the committee, and

WHEREAS, the committee has held several meetings and will hold additional meetings on the matter of high school bus routes and tuition charges for the county, and

WHEREAS, substantial claims for per diem and mileage have been submitted by members of the previous committee, and

WHEREAS, such claims and activity as above set forth have resulted in a deficit of \$373.28 in the appropriation made for the current year, and

WHEREAS, it is estimated that the sum of \$1,200 will be sufficient to cover the expenses of the committee for the balance of the current year.

NOW, THEREFORE, BE IT RESOLVED by the Washington County Board of Supervisors that the sum of \$1,200.00 be and the same is hereby appropriated from the general fund of Washington County and transferred to the account of the Washington County School Committee.

Minutes of Meeting Held September 21, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 2:00 p.m.

The clerk called the roll and all Supervisors reported present except Supervisor Jens Larson.

The minutes of the meeting held August 17, 1953 were read and the same were approved as read.

E. M. Romaine reported briefly on a joint meeting held with Mr. Albers of the State Planning Division, the Washington County Park Commission, and the members of the Washington County Board of Supervisors. He stated that one thing that was learned at this meeting was the fact that Washington County could not adopt a building code as presently provided by the Wisconsin Statutes. It was also learned that the several towns could adopt a building code if they had been given village powers at an annual meeting. It was thought that a skeleton ordinance might be drafted and which could be adopted by the towns in individual cases and this would provide for a more uniform administration. Said code would be completely administered by each town that would adopt this ordinance.

Mr. Schloemer suggested that the restrictions regarding moving of houses into the county should also apply to buildings moved within the county. District Attorney Lee Goring informed the board that present zoning ordinance did not allow provisions of a building code for the moving of homes.

Resolution No. 38 was given first reading, and laid over for second reading. Eugene Brumm, director of the Washington County Public Welfare Dept. explained new statutes regarding welfare administration and the need for this resolution.

Resolution No. 34 was given first reading and laid over for second reading.

Resolution No. 35 was given first reading and laid over for second reading.

Resolution No. 36 was given first reading and laid over for second reading.

Petition No. 15 requesting a zoning change in the Town of Kewaskum and presented by Charles O'Deal was read to the board and filed.

PETITION No. 15

Petition for Amendment of Zoning Ordinance

To the County Board of Washington County:

The undersigned hereby petition the County Board to amend the zoning ordinance of Washington County as follows:

(a) That the boundaries of the agricultural zone in the town of Kewaskum be changed as follows to a commercial zone:

That part of the West half of the Northwest Quarter (W 1/2 NW 1/4) of Section 15, Township 12 North, Range 10 East, described as follows: Commencing at the west quarter post of said Section 15, and running north along west line of said Section 15, 991.5 feet, thence south 87 degrees 15 minutes east 333.1 feet to center of S. T. H. 55, thence north 26 degrees 24 minutes west along center line of S. T. H. 55, 80.0 feet to point of commencement of parcel herein described, thence north 26 degrees 24 minutes west along center of said S. T. H. 55, 200.6 feet, thence at right angles north 63 degrees 36 minutes east 401.7 feet to westerly line of right of way of Chicago Northwestern Railroad, thence south 8 degrees, 34 minutes east along westerly line of right of way of said railroad 210.1 feet, thence south 63 degrees 36 minutes west 337.4 feet to point of beginning containing 1.697 acres more or less.

Respectfully submitted,
ED. J. CAMPBELL

Resolution No. 37 referring Petition No. 15 to the Park Commission was given first reading and laid over for second reading.

Mr. John Cleary, chairman of the Highway Committee, appeared before the board and explained that the Highway Commission with the chairman of the County Board did meet with the State Highway Commission as per instructions of the previous resolution pertaining to the matter of a grade separation at the intersection of State Trunk Highway 144 and new State Trunk Highway 41. This matter was thoroughly discussed and the State Highway Commission did impart that it was their belief that traffic counts did not warrant a grade separation at this intersection at this time. They also informed the commission that at any time in the future that traffic would warrant a grade separation this case would again be opened and given more earnest consideration.

Mr. Cleary also informed the board that the new Slinger shed recently built at the Slinger fair grounds might lend itself to the storage of sanding trucks and other equipment used during the winter time if some heating system was installed. He informed the board that originally plans were not made to heat the building and therefore there was no provision for insulation ceiling and the winterizing of doors. Yet it was his belief that some equipment could be winterized which would be helpful in maintaining highways if some provision would be made for heating this building. Moved by Mr. Hill seconded by Mr. Meissner that the Highway Commission be instructed to seek bids on the insulation of this roof, winterizing doors, and installation of heating system and that such information be presented to the county board at their next meeting. Motion carried.

Mr. Woldt informed the board that his committee was not yet ready to make a recommendation regarding the street assessments as presented by the city of West Bend. He stated that some figures and facts which they were seeking had not been received by them and therefore he asked that his report be laid over until the next meeting.

Discussion followed regarding Resolution No. 28 which was laid over at the last meeting. Moved by Mr. Troedel seconded by Mr. Geib that Resolution No. 28 be tabled. Motion carried.

Moved by Mr. Lofy seconded by Mrs. Courtney that the board suspend the rules and take up the second readings of resolutions 34 through 38 inclusive. Motion carried. The board proceeded off rules.

Resolution No. 34 was given second reading and unanimously adopted by Supervisors of the towns, as follows: 13 ayes, no noes, none absent.

RESOLUTION No. 34

Town of Jackson — Bridge Construction

WHEREAS, a petition has been filed with the County Board by the Town Board of the Town of Jackson for aid in construction of a bridge described as lying on a road on the South line of Section 34 of the Township of Jackson, one-half of which is located and lying in the Town of Germantown and one-half of which is located and lying in the Town of Jackson bridge is estimated to cost \$2,000.00; and

WHEREAS, the Highway Committee and the Highway Commissioner feel that said bridge is necessary and the County should aid them under Section 81.38 of the Wisconsin Statutes;

THEREFORE, BE IT RESOLVED, that the sum of \$1,000.00 which is 50% of the total estimated cost be and hereby is appropriated from the General Fund of Washington County, said fund to be reimbursed by appropriation in November. RESOLUTION No. 38

WHEREAS, the Pension Board is now administering Aid to the Blind, Aid to Dependent Children, Old Age Assistance, Aid to Totally and Permanently Disabled Persons and Allied Services in Washington County and

WHEREAS, Section 46.22 Stats., created by Chapter 513, Laws of 1953 established a County Department of Public Welfare in such county consisting of a County Board of Public Welfare, a County Director of Public Welfare and necessary personnel in such county, and

WHEREAS, such County Department of Public Welfare has the mandatory functions, duties and powers specified by Section 46.22 (4) Stats.;

NOW, THEREFORE, BE IT RESOLVED BY THE Washington County Board of Supervisors that the County Board of Public Welfare shall consist of three residents of Washington County. The members of such County Board of Public Welfare shall be elected by the County Board of Supervisors on the basis of knowledge and interest in Public Welfare. The members of the County Board of Public Welfare shall each hold office for a term of Three years. This resolution shall in no manner whatsoever amend, repeal, supersede or invalidate any provision of Resolution No. 22 adopted by the Washington County Board on November 15, 1937. The term "Pension Board" or any reference thereto in said Resolution No. 22 shall be hereby amended to read and mean the County Board of Public Welfare, and said Resolution shall be incorporated herein and made a part hereof. The compensation of such members shall be \$10.00 for each meeting and other necessary expenses.

BE IT FURTHER RESOLVED, that the Pension Board members duly elected and in office at the date this resolution becomes effective shall become the members of said County Board of Public Welfare for such terms of office or parts thereof as remain to be served by them as members of the Pension Board.

BE IT FURTHER RESOLVED that in addition to the mandatory functions, duties and powers of the County Department of Public Welfare established by Section 46.22 (4) that the County Department of Public Welfare shall have the following functions, duties and powers:

A. Make investigations in co-operation with the court, institution superintendent, district attorney and other agencies and officials operating in the Welfare Field regarding admissions to and release (or conditional release) from the following county and state institutions:

1. County institutions; County infirmary, home, hospital (for mental diseases, tuberculosis or otherwise) or asylum.
2. State institutions; Mendota state hospital, Winnebago state hospital, Wisconsin general hospital, Wisconsin orthopedic hospital for children, southern colony and training school, northern colony and training school, central state hospital, Wisconsin school for boys and Wisconsin school for girls.

B. Administer relief under ss. 49.02, 49.0 and 66.30 in the event that the county administrators relief under those sections.

C. Make investigations which are provided for under s. 322.02 (1) if the court having jurisdiction so directs.

D. Perform the duties and functions of a juvenile probation department as defined in S. 48.03 when requested to do so by the juvenile judge of the county.

E. To furnish services to families or persons other than the granting of financial or material aid where such services may prevent such families or persons from becoming public charges or restore them to a condition of self-support.

F. To make certification or referral of eligibles for state or federal works or other assistance programs, eligibility for which is based on need, when designated to perform such certifications or referral services, and to certify eligibility for and distribute surplus commodities and foodstuffs.

G. To administer child welfare services including services to children who are mentally defective, dependent, neglected, delinquent, or illegitimate, and to other children who are in need of such services. In administering said child welfare services the county agency shall be governed by and subject to the provisions of section 46.22 (5) (g), Wis. Stats. of 1953.

BE IT FURTHER RESOLVED:

1. The official name of the County Department of Public Welfare shall be "WASHINGTON COUNTY PUBLIC WELFARE DEPARTMENT."
2. Any provision of any ordinance, resolution or action of this County Board of Supervisors in conflict with any provision of this resolution is to the extent of such conflict superseded by the provisions of this resolution, except as hereinbefore provided.
3. Such merit system status as the County Director or any employees of the WASHINGTON COUNTY PUBLIC WELFARE DEPARTMENT may have on the effective date of this resolution shall not be deemed changed or interrupted by the provisions hereof.
4. The County Clerk is hereby directed to transmit a certified copy of this resolution to the State Department of Public Welfare.
5. This resolution shall take effect and be in force in and after January 1, 1954.

MINUTES OF MEETING HELD OCTOBER 19, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The clerk called the roll and all supervisors reported present except Supervisors Geib and Storck.

The minutes of the meeting held September 21, 1953 were read and the same were approved as read.

Two visiting students of the West Bend High School, Betty Weber and Don Cuperly, were present to witness the board session and were welcome by Chairman Romaine.

A. J. Cleary, chairman of the Highway Committee, appeared before the board with information regarding the winterizing of the exhibit barn at the Slinger fairgrounds. As per instructions of the September meeting the Highway Committee was instructed to obtain estimates of such improvements. Figures obtained including the cost of special doors in the amount of \$2,600.00; insulation, \$6,000.00; floor, \$2,500.00; and a heating unit at \$4,000.00. Total cost of such improvements would be in the vicinity of \$16,000.00. It was the thought of the Highway Committee that this building did not lend itself to such improvements because of excessive costs. The Highway Committee also proceeded with obtaining the approximate cost of an extension to the present main shop building on the Slinger grounds. An estimate of \$12,000.00 was given as the cost of a 60 foot extension to the present building and it was this improvement that seemed to meet with the approval of the Highway Committee.

Reuben Schmah suggested to the board that sanitary facilities were not adequate during fair time and that it would be a good idea to include such improvements in a garage extension. Moved by Mr. Meissner, seconded by Mr. Lofy that the problem of shop extension and sanitary facilities on the Slinger grounds be referred jointly to the Highway Committee and to the Agricultural Committee for further study and recommendation. Motion carried.

MOTION
Mr. Cleary also informed the board that it would be necessary to obtain additional driveway area at the West Bend County Highway Shop. The present improvements make it necessary to have more space for proper access to the lower floor of the addition to the Highway Shop. He informed the board that his committee would meet shortly with the Institutions Committee to discuss this problem and that a recommendation would be forthcoming in the near future.

Resolution No. 39 was given first reading and laid over for second reading.

Resolution No. 40 was given first reading and laid over for second reading.

Ordinance 2-53 was given first reading and laid over for second reading.

Ordinance No. 1-53 effecting a change in zoning districts in the Town of Farmington as applied for by Willard Krause was given first reading. Moved by Mr. Campbell, seconded by Mr. Troedel that Ordinance No. 1-53 be adopted and filed. Motion carried.

ORDINANCE NO. 1-53

The County Board of Supervisors of Washington County do ordain as follows:

1. That the zoning map of Washington County, dated September 19, 1941, be and the same is hereby modified and amended by changing from an Agricultural area to a Commercial area the following real estate:
The South one-half (1/2) of the Southwest Quarter (SW 1/4) of the Southwest Quarter (SW 1/4) of Section 29, Township 12 North, Range 20 East.
2. That this ordinance shall be in force and effect upon approval of the Town Board of the Town of Farmington, and upon passage and publication by the Washington County Board of Supervisors.
3. Dated this 19th day of October, 1953.

Joe Knippel, chairman of the Sheriff's Committee, addressed the board relative to county owned cars for traffic policemen. The Sheriff's Committee had held several meetings regarding this matter and at this time he asked for an expression of the board on the ownership of cars by the county. It was the opinion of the Sheriff's Committee that county owned cars would make for more and better patrolling of county highways. It was his thought that if cars would be purchased, an appropriation would have to be made by the board since the initial cost would be a sizeable sum. Moved by Mr. Bascom, seconded by Mr. Schroeder that county ownership of cars for traffic officers be referred to the Sheriff's Committee for study and recommendation and further that this committee inform the Budget Committee regarding their plans. Motion carried.

MOTION
Report No. 17, a report by the County Clerk on the effective date of the Zoning Ordinance in the Town of Hartford was read to the board. Moved by Mr. Schroeder, seconded by Mr. Gauger that Report No. 17 be adopted and filed. Motion carried.

PAUL L. JUSTMAN
County Treasurer Washington County, West Bend, Wisconsin

Mr. Bascom suggested that it might be possible to invest certain surplus funds in short term securities in order that they would yield some interest. County Treasurer Justman informed the board that he would investigate such investments and notify the board if it would be to the advantage of Washington County to invest in short term securities.

Report No. 18 of the Clerk of Circuit Court was presented by Lawrence Berend. Moved by Mr. Hilt seconded by Mr. Kuhaupt that Report No. 18 be adopted and filed. Motion carried.

THE WASHINGTON COUNTY FAIR, 1953
The Honorable Board of Supervisors
Washington County, Wisconsin
Ladies and Gentlemen:
The 96th Annual Washington County Fair was held July 30 to August 2 inclusive. It was the 16th Fair to be held on the highway grounds at Slinger. The Fair has under gone much change in size and requirements since 1938 when the first Fair at Slinger was held. Five other counties also held their Fairs during the closing days of July and the first days of August. These Fairs as well as the Washington County Fair were handicapped because of rain and wet grounds.

Table with 2 columns: Item, Amount. Includes Exhibits and who were paid \$882.55 in premiums, The youth division of the fair had 520 exhibitors, displaying 2,310 articles and receiving \$3,433.50 in premium awards.

The newly constructed storage shed was used for housing Junior Fair livestock. However, before the shed was ready for this about 50 cubic yards of stonedust was spread on top of the ground floor as needed filling. Additional filling was spread on the outside. Added wiring was needed for properly lighting the building.
A temporary cattle tie through the middle of the shed was constructed thus making it possible to house 4 rows of livestock. These center ties are removable thus leaving the full space inside of the shed available for machinery storage. The shed will easily accommodate suitable housing facilities for 60 or more head of livestock.
All of these were paid for by County Fair funds.
Another added new feature of the 1953 Fair was the construction of seats for the livestock judging ring. To build these seats half length posts were set. Iron clamps were fastened securely on top of the posts and planks placed into the clamps for seats. The planks are removable and are stored for the winter.

Those in charge of the County Fair appreciate very much the splendid cooperation given the Fair by the County Fair Committee and by the County Board of Supervisors. Sincere appreciation is further extended to those who helped conduct the 4-day event. These include the local 4-H and FFA Leaders, the Home Agent, the County 4-H Club Leader, the Slinger Fire Department, and the Wisconsin Electric Power Company.

Appreciation is also further extended to the many young people of the county who are members of the 4-H and FFA groups and exhibited at the Fair, to the adult exhibitors, to the press and radio of the county for their good publicity, to the Snapp's Shows and Rides for a well managed midway, and to your Honorable Board for your financial assistance.

ANNUAL REPORT OF 1953
WASHINGTON COUNTY AGRICULTURAL AGENT

E. E. Skaliskey
Agricultural Committee: Mr. E. M. Romaine, chairman; Mr. Adolph Lofy, Mr. Harvey Dettmann, Mr. Alfred Rode and Mr. H. D. Sheski. To the Honorable Board of Supervisors
Washington County, Wisconsin
Ladies and Gentlemen:

The year 1953 was a better than average crop year. The prolonged drought of late summer did damage to crops. The hot dry weather of September and the early part of October ripened the corn fields giving farmers a good corn crop.

Washington County is credited by the 1950 census with having 2,500 farms comprising 92.3% of the land area of the county. The average size of these farms is 105.5 acres. More than one-half of the farms are between 70 and 159 acres, less than 2% have 200 or more acres in them. Hence, we are a county made up largely of smaller family size farms.

Oats, hay and corn are the three major crops. The circular graph below shows the percentage of each of these and other crops grown in the county.
Percent of Cropland in Crops - Oats 32.1%, hay 30.8%, corn 22.4%, other 14.7%.

Farmers find it more profitable to feed their crops to livestock and thus maintain the soil fertility, than to sell a portion as cash crops. The graph on the following page shows the 3 major sources of farm income for the county.

Sources of Cash Farm Income - Milk 54.1%, Livestock other than milk 32.1%, and crops 13.8%.
The above figures show that Washington County is primarily a dairy county. Also that the crops mostly grown are excellently suited for dairying.

Washington County has an average growing season of 157 days. The average annual rainfall is 31 inches. Temperatures during the daytime of 90° or above are not uncommon. This length of season, rainfall and temperature makes the county well suited for growing a variety of crops. It also is the answer to the question why the county ranks high in growing canning crops and quality vegetables.

Agricultural Extension work covers a wide variety of activities. It serves urban as well as rural area of the county. This report to your Honorable Board is not intended to cover all of the projects worked upon, but only a few of the more important and newer ones. These are as given on the following pages.

LIVESTOCK PROGRAM

Breed Association Activities
- 2 associations in county namely, Holstein and Brown Swiss.
- 7 education meetings held attendance 675.
- Summer twilight Holstein meeting held at Melius Brothers, Jackson, attended by more than 300 breeders of dairy cattle.
- Holstein Breeders sponsor 9th annual young bull sale. 19 head included in sale - average auction sale price \$250.00 with top price of \$425.00.
- All raised on share basis as projects by 4-H and FFA boys.
- Brown Swiss Breeders Canton Show, June 17, at county fairgrounds. 54 animals in show.
- Both breed associations sponsor junior and adult livestock judging contests, with 275 persons competing.

duction program.
- Attended and cooperated with Hartford Times-Press at Dairy Progress Show, February 12.
- 5 livestock disease control and 5 livestock feeding meetings held. Attendance 435.
- Attended and spoke at 6 dairy and livestock meetings; attendance 400 farmers.
- Wrote news items and gave radio talks on livestock feeding, care and management problems.
- Participated in 4 television broadcasts over WTMJ-TV featuring Washington County livestock.
- 1,600 or more farmers use artificial breeding for part or all of their herd. Artificial breeding services has had remarkable growth in past 10 years. It offers many advantages to dairymen.

Poultry and Egg Quality

- 3 meetings held on poultry and egg care.
- 21 farmers given help on culling.
- 32 farm calls on poultry disease problems.
- Eggs quality encouraged thru radio and press.
FARM CROPS PROGRAM

Oats
- 1953 oat crop yields lowered by heavy rust infestation.
- Recommended varieties of oats included Branch, Bonda, Clinton. 2 newer varieties, namely Sauk and Clintafe showed up well in 1953 comparisons.
- Recommended varieties of barley include Oderbrucker, Kindred and Montcalm. Moore barley not acceptable for malting.
- Combination oats and barley varietal test plot, included 13 varieties of oats and 5 varieties of barley. Test plot visited by 140 farmers was held on the Roman Foerster Farm, Kewaskum, Route 3.
- About 50,000 acres oats grown in county.

Barley
- 89 barley growers compete in "better barley growing" contest. \$165.50 in local prizes.
- 1 day barley show held at fairgrounds; Oderbrucker and Kindred varieties highest prize winning samples.
- Barley program on decline in county, about 4,000 acres grown.

Corn
- Corn was big crop in 1953 and with extra warmth of September and October crop ripened well.
- 26 growers enrolled in "pacemaker 100-bushel" or better corn project.
- Corn variety test plot on Frank Brugger Farm; 32 varieties planted and compared.
- Wisconsin corn yields in 1953 out-yielded all states in the corn belt; state average 57 bushel compared with 56 bushel for Iowa.
- 30,000 acres of corn grown in 1953 with more than one-third harvested as grain corn and two-thirds as silage corn.

Forage Crops
- Of the 50,000 acres of tame hay grown in the county, 40,000 acres are alfalfa, or alfalfa brome mixtures.
- Ranger alfalfa has been a popular variety in recent years. The new Vernal variety developed by the Wisconsin Experiment Station is expected to replace it.
- Spittle bug control sprays on the Herbert Lepien Farm, and Elmer Becker Farm, both of Hartford, and Oscar Moritz Farm, West Bend, R. 3, increased hay yields by about one-third.
- More than 200 farmers use part of hay crop for grass silage.
- Hay harvesting methods need improvement, mow hay drying may be one way of bringing about this improvement; 30 farmers mow hay dry by this method.

Grassland Farming Contest
- 14 farmers enroll in county grassland contest, Robert Held, Slinger, R. 1, area winner.
- Best hay and best silage contest at Rockfield grassland meeting; draws 52 entries; attendance 175.
- Mr. George Werner, Dairy and Livestock Feeding Specialist of the College of Agriculture, in judging the hay and silage entries commented that - "if all of the hay and silage put up in Washington County would be of the quality represented by these samples, Washington County farmers could cut the cost of milk production by one-third."

Sugar Beets
- Wisconsin Cooperative Sugar Beet Growers organized to encourage more sugar beet growing.
- Held meetings in Milwaukee and Chilton to promote greater acreage; county meeting held at Wayne.
- Reduction of hand labor by the use of more newer type machinery recommended.

FARM ORCHARD PROGRAM

- Agent assisted with the entering and judging of the fruit show in connection with the annual State Horticultural meeting at Fond du Lac.
- 15 fruit growers attend.
- Orchard spraying and management information made available to 225 fruit growers.
- 64 members in county fruit growers association.
- County fruit resource booth shown at State Fair in Farm Crops Building.
- The Wisconsin State Horticulture magazine, September 1953, Page 13, carried this comment - "County Agent E. E. Skaliskey and his committee are to be complimented for an excellent apple project both in the Farm Crops Building. The booth had an excellent background of colorful pictures of apples, a 6-foot rotating tray showing apple grafting, and apples varieties, and a nice display on the use of apples. It was really an educational exhibit."

SOILS - FERTILIZER USAGE

- 1 all-day tour with rural school teachers to show what soil erosion does to our land.
- Cooperated with D. A. Wanless, County Soil Conservationist, thru radio, press, and personal interviews in encouraging greater farmer interest in soil conservation program.
- 19 soil samples sent to College of Agriculture for testing. Fertilizer recommendations made.

Fertilizers
- 156 recommendations for fertilizer usage as shown by soil tests were made to farmers and city gardeners.
- 1 fertilizer demonstration using 14 variations of kinds and rates of fertilizer applications was held on the Roman Foerster Farm, Kewaskum, Route 3.
- 2 meeting on the use of fertilizers were held. The increase and use of commercial fertilizers in recent years has been phenomenal.

FARM BUILDING PROGRAM

- 2 farm building meetings held, milk house construction emphasized.
- 98% of dairy farms now have an approved milkhouse.
- Gave advice and help to 24 farmers with farm building problems.
- Water-well construction requirements made available by radio, press and educational meetings.

YOUTH PROGRAMS

- 38 days of youth work done.
- Since 4-H agent is in charge of youth program, youth work done by writer was largely in the nature of speaking at 4-H meetings, county fair, and organizing youth programs.
- Farm safety emphasized.
- In addition to the Agricultural Projects already mentioned, cooperation and help was given to the following projects of a community wide nature. Among these may be mentioned the following:

Rural Art Show
- This was the first such show to be held in the county.
- Assistance was given our office by local leaders interested in art. Also members of the Camera Club, the West Bend Woman's Club, the West Bend High School Art Class, the Library Board, members of the Town and Country Club, and the West Bend Aluminum Company also gave assistance.
- Students of the Layton Art School and faculty members of the College of Agriculture gave art demonstrations and judged the show, which was open to the public for 8 days, starting March 21st.
- The show received 90 adult entries and 110 junior entries and was attended by many visitors.
- Special mention should be given to Mr. Frank Levstik, local art instructor, for his technical help and guidance with the art exhibit and school.

WEED CONTROL

- Encourage use of 2,4-D chemical for broad leaved weed control; 4,500 acres sprayed.
- Worked with and gave information to canning factories for weed control, using TCS, MCP and other newer chemical sprays.
- Encourage use of hand sprayers for weed control on wasteland, woodland or for small area sprays.

RODENT AND INSECT CONTROL

- The use of Warfarin for rat and mouse control made available to all.

Farm orchardist given information on rabbit and mouse control to prevent apple tree girdling. Crop lice numerous. Control measures applied by means of aeroplanes at request of farmers and of canning companies. Agent assisted by giving control information.

BETTER FARM MARKETS

1 all-day meeting held. Local feed dealer cooperating. Purpose of meeting was to encourage better markets thru quality production. Specialists from College participated were from fields of livestock disease, dairy production, dairy marketing and agricultural economics. Each speaker explained how his field can help in better markets. Attendance 185.

FORESTRY

A total of 62,000 forestry transplants were planted as possible future windbreaks or to improve thinned out woodlots in 1952. Howard Berndt is newly appointed forester in area which includes Washington County.

Farm Implement Dealers' Meeting. Attended and spoke at meeting sponsored by the following Farm Implement Dealers: St. Lawrence Garage, West Bend Implement Company, Weiss Implement Co., Allenton, P. A. Mueller, Hartford. Attendance about 1200.

Farm Bureau. Spoke at 1 county and 4 township meetings. Selective Service. Served as member of the County Mobilization Committee and attended 9 meetings. Assisted 34 registrants with Selective Service problems.

Farm Management Service. Organization serves 8 counties. 37 members in this county. Attended 6 meetings of group.

National Farm Loan & Production Credit Association. Attended and spoke at 3 meetings. Production and Marketing Association. Attended and participated in 4 committeemen training meetings.

Radio and Press. Radio broadcasts presented each Tuesday morning, 7:05 a.m. WBKV. 4 appearances on WTMJ-TV. Weekly news column maintained in 4 county papers; 207 news items published.

STATISTICAL DATA ON AGRICULTURAL EXTENSION WORK ONLY. Miles traveled during year 8045. No. of letters written 1963. Radio and TV broadcasts 67. Days in field 173 1/2. No. adult meetings held 166. Youth meetings held 19. Telephone calls for information 2862. Bulletins distributed 2985. No. of office calls 2226. News articles written 375. Days in office 207. Attendance, adult meetings 7995. Attendance, youth meetings 496. Acknowledgment is here made and sincere appreciation extended to the individuals and committees who helped plan many of the projects and activities worked upon during the past year.

Among those who helped plan the Extension Program of Work for 1953 are the following:

Table with 2 columns: Name, Phase of rural activity represented. Includes names like Guido Schroeder (Farm Credit), Ira Oelhafen (Pure Milk Associations), Neal Nicholson (High School Agriculture), etc.

Other committees would include the County Fair Committee, the Cash Crop Committee, the Better Barley Growing Committee, the Board of Directors of the Holstein and the Brown Swiss Breeders' Association. Also a number of other temporary committees who advised on and made possible the successful carrying out of many Extension Projects.

Further appreciation is extended to the Agricultural Committee who coordinated and supervised the Extension Program of Work, the 4-H leaders who helped to carry out the Youth Program, the College of Agriculture for cooperation on a state level, and to your Honorable Board of Supervisors for the very fine support given to the Extension Service of the County.

Respectfully submitted, E. E. SKALISKEY, Agricultural Agent, Washington County

MINUTES OF MEETING HELD NOVEMBER 10, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The clerk called the roll and all supervisors reported present. The minutes of the meeting held November 9, 1953 were read and the same were approved as read.

Chairman Romaine introduced Luke Kauth as assistant District Attorney who had been appointed by District Attorney L. J. Goring to act in his absence.

Petition No. 16 is a petition from the Town of Germantown for county trunk highway extensions, was read to the board. Moved by Mr. Woldt, seconded by Mr. Meissner that Petition No. 16 be referred to the Highway Commission for their consideration and recommendation. Motion carried.

PETITION No. 16

Town of Germantown Road Petition. We, the undersigned, being the Town Board of the Town of Germantown, hereby petition the County Board of Supervisors of Washington County that the town road, formerly known as State Trunk Highway "163," starting at the intersection of State Trunk Highway "145" formerly State Trunk Highway "55," between Sections 5 and 6 and extending southerly connected with State Trunk Highway "175" formerly, U. S. Highway "41" between Sections 29 and 30, all in the Town of Germantown, the distance of approximately 4.5 miles, be made a County Trunk Highway.

WM. KUHN, Chairman, RUC WETTERAU, Supervisor, GEORGE HAUSER, Supervisor, Town Board of Germantown

Read Nov. 10, 1953. Referred to Highway Committee, Nov. 10. Report No. 24 of the County Superintendent of Schools, H. D. Sheski, was presented to the board. Mr. Sheski summarized the activities of the School Committee and he explained briefly new legislation as it affected school reorganization. He also informed the board that a survey has been made checking Washington County pupils with speech defects. His report indicated that many children in Washington County suffered from speech defects and there was a need for a specialist in this field. He further informed the board that such speech specialists were not too plentiful but that he had been able to contact a teacher of this kind who would consider employment by Washington County. Moved by Mr. Meissner, seconded by Mr. Helm that Report No. 24 be adopted and filed. Motion carried.

REPORT No. 24

1953 REPORT, COUNTY SUPT. EDUCATION COMMITTEE: Harvey Dettmann, chairman; Mrs. Norma Courtney, Frank Zuern. Honorable Chairman and Honorable Board of Supervisors: Pursuant to Section 39.10 (10) of the Wisconsin Statutes, I hereby submit my report on the condition of the Schools of Washington County.

PRESENT STATUS

The condition of the county schools is a healthy one in that they are growing in numbers and in size. Schools that had suspended operation some 5 years ago have re-opened, and others contemplate reopening. Others have added teachers. The St. Augustine rural school in Richfield Township is now a two teacher graded school. The Newburg State Graded School is now a three teacher school and the Barton State Graded School has added a kindergarten teacher, expanding its staff to five teachers. Several districts have added additional rooms or plan to do so by next fall. Because of the increased enrollments, other schools will have to take similar action by next September. Farms are being purchased by Real Estate Agencies, and platted into lot areas. The one room rural will soon pass out of the educational picture in this county, not because of inadequate service, but because of the urbanization of the county.

In line with these trends, several schools have made extensive improvements. Some have installed modern oil consuming heating units, others have installed indoor systems. Still others are drilling wells and have pressured water systems. Because of the home building trends, most school districts have purchased additional playground area or obtained options on adjoining land so that they will be in a position to expand their building at the proper time.

SCHOOL DISTRICT REORGANIZATION

Certain legislation passed by the 1953 legislature gave added impetus to the attachment of non-operation districts to neighboring operating districts. Of the 24 had at the beginning of the year only 12 remain at this time. Of these one has voted to reopen in 1954, and another to petition for attachment by May 5, 1954. A County School Committee Resolution adopted last May, directed all suspended school districts to either vote to reopen or become attached by July 1, 1954. This resolution is being accepted very wholesomely by all districts. The non-operating districts in Kewaskum Township, which surround the village, will be incorporated into a reorganization plan to be undertaken by the school committee.

1953 LEGISLATION

All of the sections of the statutes related to Education were re-coded and revised during the session. Many major revisions were made, the effects and interpretations of these changes are now forthcoming.

- Those revisions which are considered important are these: (1) Union Free High School Districts created by County School Committee orders need not have plots submitted for approval by the State Superintendent. (2) No state aids will be paid on non-resident students attending the so-called integrated school district schools. (3) Counties may legally hire special supervisors at their own expense, if they so desire. (4) In computing tuition, school administrators may use a 5% depreciation on all buildings built since January 1, 1945. (5) Non-contiguous territory may be attached to Union Free High School districts. (6) County High School transportation aid is increased to \$36.00 per pupil per year.

583-A prohibiting the State Superintendent from withholding the entire county aids was passed by both houses, but vetoed by the governor. Bill 585-A was sent to the Legislative Council for study. This bill was proposed to give equal aids to all deserving elementary districts irrespective of whether they were classified as integrated or basic. These last two bills were presented by the local Assemblyman by request of your county superintendent.

TEACHER IN-SERVICE TRAINING

August 28 and 29, the county teachers held a two day workshop. The main field of study being conservation of natural resources. On the latter date, a county-wide tour was made. On this tour, the local Extension Agent, the Soil Conservationist, the Area Forester, the Area Game Manager, the Game Warden, and the State Conservation Educator assisted, acting as discussion leaders and guides. It was a very enjoyable experience. Teachers had a 3 credit course in Conservation during the previous semester, so the foundation was well laid. Now, the culminating activity of having the State Conservation Educator from the Governor's Commission on Education come and lecture to the pupils, remains to be done to complete this work. It will be done within the next month.

COUNTY SCHOOLBOARD ASSOCIATION

The Washington County Schoolboard Association passed its first year as an active organization. It held its fall convention in November and the spring convention in April. Its main projects were promoting certain desirable legislation and developing an acceptable salary schedule with the County Teachers' Association.

The officers are as follows: President: Ray Bast, Vice President: Harry Oelhafen, Secretary: Alfred Seefeldt, Treasurer: Arthur Schoedel.

The above named serve also as township or village directors. Other members of the Board of Directors are: Harold Fischer, James Collins, Jacob Oelhafen, John Indermuehle, Harvey Janssen, Milton Mueller, Roland Koester, Howard Klumb, Ira Oelhafen, Roy Wolf, Gilbert Arnold, Walter Homuth, Clifford Stautz, Henry Dhein, Jr.

COUNTY LIBRARY

Since acquiring the basement quarters, the volume of the county library has increased substantially. There now are copies of all the newest and best readers had on the market, to be used as supplementary readers in grades 1-3. The same is being attempted for the next two grades. These books are purchased in quantities of about 25 of each kind. In addition to the reading material, the library has acquired several dozen phonograph records of the non-breakable type, which are used in both the music and language classes. Also, several new strip films have been added, bringing the total to about 700 thus continuing to give us one of the largest and best such libraries in the state.

SUPERVISION

Again, this year, we are fortunate in having with us Miss Mary Meyer as the County Supervising Teacher. Miss Meyer has spent nearly 2 score years in the education service and is considered to be one of the best in the state. She is a tireless worker, insisting continually that the best is what our children should have. The teacher response has been gratifying, as they wholesomely cooperate in jointly planning group meetings each month, at which time they discuss their common problems. The field of special attention this year is arithmetic, and all teachers are putting forth all effort to improve the pupil learning in this study.

WHAT NEEDS TO BE DONE

The next step that needs to be taken to improve the educational service in the county is to have Speech Correction Teachers. A recent survey by this office brought forth a total of about 200 children seemingly in need of some speech help. These were screened by Mr. Smith of the State Department. Mr. Smith's testing disclosed this situation:

County schools, 71 definitely in need of help, 20 could use minor assistance. City of West Bend Schools (including parochial pupils), 33 in definite need of assistance and 10 could use minor assistance.

About 70 pupils are necessary to keep one such teacher busy. Certainly we realize that as many as there may be screened of the 200 reported an equal number was over-looked by the teachers. However your superintendent would greatly appreciate the cooperation of the County Board in permitting him to contract one such teacher on an experimental basis. About 75% of the salary of such a teacher is paid by the state from a biennial budget of \$190,000. The direct cost to the county would not be too great.

FINANCIAL REPORT

Table with 2 columns: Item, Amount. Administration: \$10,080. Library: 1,500. National Convention: 150. New Equipment: 200. County Supervisor: 5,100. County School Committee: 2,900.

COUNTY SCHOOL COMMITTEE

The present County School Committee is as follows: Chairman: Deane Bascom, City of West Bend. Vice Chairman: Florence Hartmann, Addison Township. Secretary: Harry D. Sheski, Ex-Officio. Members: Fred Mehre, Germantown Village; Tom Manning, City of Hartford; Haven Klopfenstein, West Bend Township; Arnold Lepien, Hartford Township.

In the course of the year, since assuming their positions, this new committee held 30 meetings and issued two orders, namely: (1) creating Districts Jt. 2 and Jt. 3 of West Bend Township, and attached territory to District Jt. 1 of the City of West Bend. (2) attaching 6 rural districts to the Slinger Village District for both grade and high school purposes.

Currently, the committee is at work on a petition from the Kewaskum Village School board to create an enlarged Union Free High School District. Other petitions are pending. The present committee came into being as a result of the resignation of the entire previous committee because of certain action taken by the state superintendent in withholding all county aids because of a controversy over the type of Master Plan which that committee had filed.

I thank you individually and collectively for the splendid support you have always given the requests of this office, and it is with added zest that I shall endeavor to carry out the duties of my office in the forthcoming term.

HARRY D. SHESKI

County Supt. of Schools. Report No. 25 was presented by Miss Cook, County Health Nurse. She summarized briefly some of the activities of her department as shown by the report. The board was also informed that although there was a budget appropriation for a second county nurse, the county had been unable to employ a second nurse up to this time, but contacts were being made to employ a second county nurse. Moved by Mr. Schmidt, seconded by Mr. Dettmann that Report No. 25 be adopted and filed. Motion carried.

REPORT No. 25

1953 ANNUAL REPORT WASHINGTON COUNTY HEALTH SERVICE - HEALTH COMMITTEE -

E. M. Romaine, Chairman; H. D. Sheski, Secretary; Judge Milton Meister, Mrs. Kenneth Pike; Dr. E. L. Bernhardt, Dr. J. F. Baumgartner; Dr. James R. Slamer, District Health Officer, West Bend, Wis. November 10, 1953

To the Honorable Chairman and Board of Supervisors of Washington County Gentlemen: The Washington County Nurse presents this annual report for the period of November 1, 1952 to November 1, 1953.

The guidance and cooperation of the Health Committee, the members of the Medical and Dental professions, and the co-workers in the field of health has been greatly appreciated.

Respectfully submitted, MARY COOK, R.N., County Nurse

The objectives of Public Health are: 1. Care and rehabilitation of the sick and disabled. 2. Prevention of illness. 3. Promotion of healthful living.

The Medical and Dental professions, the Health Committee, school personnel, interested and informed individuals and organizations, as well as the public health nurse work toward these objectives in our County.

The functions of the nurse in the public health program are: 1. The actual giving of care to the patient under the direction of the physician. 2. Teaching the family or other responsible person how to give care to the patient. 3. Assisting the family in arranging for medical, hospital, social, financial, educational and other services as indicated. 4. Interpretation of the physician's recommendations and instructions of the family in good health practices. 5. Participation in community planning for the conservation of health of every individual.

In her capacity as nurse and teacher of health, the pupils health nurse serves the physician, the family, the school and the community. All of her activities, whether it be discussing a health problem with the physician, demonstrating to a mother the procedure of hot packing for a child with polio, meeting with a group of teachers, or assisting a tuberculosis patient with preparation for sanatorium care, are directed toward developing individual and community interest in health, bringing about an awareness of existing health problems, assisting the individual and the community in meeting their own health needs.

The manner in which the public health program is carried out in a county is necessarily influenced by the area and population served and the size of the staff as well as the other existing health agencies. Public health experts state that a ratio of one nurse to 5,000 population is necessary to carry on an adequate public health program. If actual continuous bedside nursing care is to be given, a ratio of one nurse to 2,000 must be had. Washington County has one public health nurse with provision for a second.

Also, in areas where a total local health department exists, the nurse is a part of a public health team of specialized people including a health officer (physician), sanitary engineer, health educator, nutritionist, mental hygienist, dental hygienist as well as a nursing staff who can carry on a really effective total public health program. In a County such as ours where we do not have a total public health team, the services of these specialized people are available to us on a consultant or advisory basis from the State level at Madison and from the District level, the office of which is located at Fond du Lac.

In Washington County we attempt to carry out a generalized health program. By this we mean a program which is directed at meeting as many health needs as possible of the people of this County within the various age groups. This is a program which is working toward positive health, not merely absence of disease, but a state of physical, mental, emotional and spiritual well being for all. A plan which we hope meets to some measure the three-fold aims of public health.

The program is set up to cover the various areas of service - maternal and child health, school health, handicapped, communicable disease, tuberculosis, adult health and mental health. In each area we combine family visits and individual teaching with group activities in an effort to reach the greatest number of persons over the entire County.

The following report will attempt to point out our various activities of individual, family and community health service.

Maternal and Child Health. The maternal and child health service provides the nurse great opportunity for the prevention of health problems through health guidance and parent education. The public health nurse with the guidance of the physician can be helpful in teaching parents basic principles of good emotional and physical health. Well informed parents who are interested and secure in their feeling as parents can more readily handle the responsibilities involved in raising a family.

The individual and community approaches are used in furthering health education in this area. Home visits, nursing care demonstration, and individual teaching are part of the prenatal, postpartum, infant and preschool service. Parents classes are probably the most effective means of group education in this field. Two series of classes were held during this past year in the Hartford area which were only fairly well attended. We are hopeful of having more successful classes in various areas of the County in the near future.

Prenatal Service: Admissions to service 13, Field visits 25. Postpartum Service: Admissions to service 16, Field visits 20.

Infant Service: Admissions to service 45, Field visits 75. Preschool Service: Admissions to service 39, Field visits 65.

Service to the Handicapped. A handicapped condition may be physical or mental. It includes mental retardation at the various levels, severe hearing loss, serious visual problems, speech defects, heart conditions, and problems involving the bones, nerves and muscles. The aims of this service, as in the other public health programs, are prevention, early case finding, care and rehabilitation of individuals with handicapped conditions. The function of the public health nurse lies in guiding families to the resources which can aid in physical, emotional, educational and social rehabilitation of the handicapped individual.

The physician, Bureau for Handicapped Children, Vocational Rehabilitation Divisions in the field of the handicapped. The county nurse works closely with the physician and other agencies in an effort to gain total rehabilitation for our handicapped people. Admissions to Service 56, Fields visits 197.

Control of Communicable Disease. The control of communicable disease is an area where responsibility is shared with several other official and unofficial agencies. These include the State Board of Health, the local health officers, the family physician, the parents, and the teacher and school administrators. The nurse meets her responsibility by the following means: 1. Promoting complete reporting of all reportable diseases. 2. Teaching families the need for medical care and supervision. 3. Demonstrating isolation technique and assisting families to carry out physician's orders, thus preventing the possible complications and spread of the disease to others. 4. Interpreting the regulations and precautions needed to families, teachers and groups. This is done through home calls, teacher-nurse conferences and meetings. 5. Promotion of immunization programs to assure protection against those diseases which can be controlled in this manner. Home visits, nursing care and demonstrations in communicable disease are as follows: Field Visits: Infectious hepatitis 2, Poliomyelitis 10, Venereal disease 3, Typhoid and Paratyphoid 1. Programs in the control of communicable disease which have been carried out in the County in the past year: 1. Food Handlers Institute held at Hartford in February which was conducted by the State Board of Health Hotel and Restaurant Division. Total attendance - 63. 2. County wide immunization clinics at the school age level. Clinics arranged at 10 centers during three consecutive months.

3. Plans for an immunization clinic for protection against infectious hepatitis at rural school in Polk township to be held Nov. 4, 1953 under the direction of local and district health officer. 4. Tuberculosis Control Service: A. X-rays offered to all of the teachers of the County. A total of 146 teachers and school personnel had chest films during the two days the Wisconsin Anti-Tuberculosis Association bus was in the County. B. A tuberculin skin testing program was held at a rural school in May because of a case of tuberculous meningitis of one of the students. A total of 23 were skin tested. Six of those skin tests reacted positively and were x-rayed. One child was advised to have sanatorium care. C. Initial plans have been made to organize on a county wide basis for services of the State Board of Health X-ray Bus in the County in January, 1954. The Homemakers and other organizations will contribute the volunteer help and aid in publicizing the advent of this service throughout the County. The nurse will contact all industries and arrange the total schedule. This mass x-ray service is a case finding method for tuberculosis. D. Family visits and individual teaching in the specific area of tuberculosis are recorded in the following statistics. Admissions to Service: a. Cases admitted for first time 6, b. Cases readmitted 15, c. Contacts 28. Field Visits 138. Office Visits 12.

School Health. The school age is a period of great physical, mental and emotional growth. It is the period at which the child's health attitudes and habits are formed as well as the one during which physical defects may be corrected or prevented. The school health program is a product of cooperative planning and coordinated activities of the school and health personnel. It is designed to protect, maintain and improve the health of the child. The teacher plays the most important role in achieving these ends.

The function of the public health nurse in the school health program is supplementary to that of the teacher. She has specialized preparation which makes her valuable as a consultant to school personnel on health matters. Because of her experience with family health problems, she is in a unique position to interpret the home to the school and the school to the home. Her knowledge of community resources makes it possible for her to refer the health problems to the proper agency to utilize existing facilities to the best interest of the child.

In Washington County the public health nurse plans one visit annually to each school although this is not always possible. Information regarding the school health program is also presented to the teachers through the Teachers' Institute, group meetings, office visits and News Letters. The services of the nurse are always available upon request. Home visits are made regarding school health problems referred by the school personnel, parents or physician.

School Health Services of the past year have included: Admissions to service 58, Fields visits 157, Office visits 26, Pupils referred by teachers for health problems 106, Demonstrations to teachers 22, Teacher-nurse conferences 58, Joint planning conferences 11.

(Health Dept. and School) Special programs carried out not included in the above statistics: 1. Snellen eye testing program. 2. Height and weight program. 3. Goiter prevention program. Almost 100% of all graded school children in the County receive Iodi-Lacti tablets.

4. Dental program. Dental card system used to promote adequate dental care. 45% participation in total County at grade school age level last year. 5. Promotion of Hot Lunch Program through Mothers' Group, Parent Teacher Association and School Board. 6. Promotion of healthy environment. 7. Promotion of Pre-school Health Examinations. Special plans set up in Hartford and Slinger. 8. Immunization Program. Referred to in Communicable Disease area. 9. Hearing Conservation Program which involved: a. Training program for 150 women in the technique of a screening procedure with the audiometer. b. Carefully planned schedule to route 8 audiometers to all 72 schools of the county. c. Arrangements for 6 re-check and absentee centers. d. Otology Clinic conducted by an ear specialist selected by the County Medical Society. 1. No. screened - 4,314. 2. No. re-checked by hearing consultant - 278 (50 children did not keep appointment). 3. No. examined by otologist - 52 (17 children did not keep appointment). e. Follow-up of those examined at otology clinic is responsibility of the nurse.

Special needs in the School Health area: 1. Greater emphasis on the importance of pre-school health examinations. 2. Resources for emotional health problems.

- 3. Local resource for innumerable speech problems referred by physicians, teachers and parents.
- 4. Extension of Gopher Prevention Program to all high schools in the county.

Adult Health Service

The life expectancy of people of today has very definitely increased. With a larger aging population comes increased need for medical and nursing services to the chronically ill. Among the leading causes of death in the older age groups are heart disease, cancer, and cerebral hemorrhage. These diseases usually involve long term illness and need for nursing care. The lack of nursing homes in this county and the limited hospital space for chronically ill presents a great need for nursing care in the home.

The public health nurse can do much to assist families with the burdens of the chronically ill by actual nursing care, assistance in planning care and demonstrating nursing care in the home. Many hours and hands, however, are necessary to provide adequate nursing care to the chronically ill in the home.

Health Service rendered to adults in this county including care and efforts in prevention and rehabilitation are included in the following statistics:

| | |
|-----------------------|-----|
| Admissions to service | 40 |
| Field visits | 143 |
| Office visits | 11 |

The chest x-ray unit which will be in our county in January, 1954 is also a direct adult health service. A chest film is a case finding method for early lung cancer and some heart conditions as well as for tuberculosis. With any of these diseases, early discovery and early treatment present the best possible assurance of cure.

Mental Health

Mental illness is one of our great public health problems of today. It is estimated that at least 6% of the population of the United States are suffering from some type of mental disorder. Mental patients occupy more than half of the hospital beds in the United States. In the State of Wisconsin 12,000 hospital beds are utilized for physical illness while approximately 18,000 are used for mental disorders.

The complex living of today, the increased aging population, working mother, broken home, world unrest and innumerable other factors contribute toward mental disturbance. It is most important that the public in general:

1. Have understanding of the problems of mental health.
2. Accept mental illness on the same basis as physical illness without feelings of stigma or disgrace.
3. Develop an awareness of need for improving facilities of care and rehabilitation for the mentally ill.
4. Recognize the need for and working toward methods of prevention.

In our county 55 mental cases were admitted to mental institutions in the past year. Many problems of emotional disturbances are referred by parents and teachers. Washington county has no resource for such problems.

A mental health lay group has been meeting monthly for the past year with a psychologist from the State Board of Health. They have been studying the principles of good mental health with the hope that a better understanding may lead to some plans for prevention and care within our area.

A professional group has also been organized very recently under the direction of the same psychologist. The first meeting was held October 22, 1953. The group also is hopeful of gaining a better understanding of principles of good mental health through exchange of ideas of the various people represented and the guidance of the specialist.

These have been the efforts made in the mental health area at a community level through the assistance of the public health nurse. The principles of good mental health apply in every situation of all of the health services. The nurse makes every effort to recognize the emotional needs of the families and individuals with whom she comes in contact and works with the physician in guiding them toward a successful adjustment to their problems.

ADMINISTRATIVE AND EDUCATIONAL ACTIVITIES

Many hours of work, careful study and planning are involved in efforts toward a comprehensive public health program. The nurse also must keep well informed with new trends in the ever changing field of medicine and disease control by attending educational institutes, professional meetings, current study and reading whenever possible.

Conferences are held too with persons in related fields so that the health programs can be coordinated with others in the communities. Attendance at community and school meetings in areas pertaining to and allied with health are absolutely essential if the nurse is to gain insight into the needs and functioning of resources within the county area.

SPECIAL FUTURE PLANS FOR

WASHINGTON COUNTY HEALTH SERVICE IN 1954

1. Mothers classes in varied areas of the county.
2. State Board of Health x-ray bus survey.
3. Furthering of pre-school and 8th grade health examinations on a county wide basis.
4. Continued study with professional and lay mental health groups.
5. Extension of gopher prevention program to all high schools in the county.

REPORT No. 21

Read Nov. 11, 1953

WASHINGTON COUNTY UNDERWRITERS ASSOCIATION

West Bend Wisconsin, October 30, 1953
The Insurance Committee
Washington County Board
West Bend, Wisconsin
Gentlemen:

The undersigned committee, members of the Washington County Underwriters Association, are pleased to submit for your consideration the following report on the insurance coverage of Washington County properties as of the above date. It is our desire to do this as efficiently and economically as possible, and with a minimum of disturbance to busy County officials.

Since our last report, a survey reveals that building construction costs are on the same level as they were at that time. This is possibly due to stabilization of building materials and labor costs.

Our study takes into consideration the increased values since the appraisals made in 1944 by Rau Appraisal Company on the following properties of Washington County:

| COURT HOUSE FORM | Insurance presently carried as of October 30, 1953 |
|---------------------------------|--|
| 1. Court House (Building) | \$109,000.00 |
| 2. Radio Equipment | 100.00 |
| 3. Contents | 40,000.00 |
| 4. Sheriff's Dwg. & Jail | 42,000.00 |
| 5. Contents | 900.00 |
| 6. Radio Broadcasting Equipment | 5,500.00 |
| 7. Garage | 3,500.00 |
| | \$201,000.00 |

80% Co-insurance applies to Items 1 and 4 above.

| HOSPITAL FORM | Insurance presently carried as of October 30, 1953 |
|-------------------------------|--|
| 1. Asylum Building & Addition | \$230,000.00 |
| 2. Contents | 10,000.00 |
| 3. Personal Property | 13,000.00 |
| 4. Recreation Building | 1,900.00 |
| 5. Contents | 1,900.00 |
| 6. Engine & Boiler House | 23,200.00 |
| 7. Contents | 2,500.00 |
| 8. Laundry | 11,500.00 |
| 9. Contents | 1,500.00 |
| 10. Roof House | 5,500.00 |
| 11. Greenhouse | 1,800.00 |
| | \$300,000.00 |

90% Co-insurance applies to Items 1, 4, 6, 8, 10.

| COUNTY HOME FORM | Insurance presently carried as of October 30, 1953 |
|------------------|--|
| 1. Home | \$103,500.00 |
| 2. Contents | 6,000.00 |
| | \$108,500.00 |

Since the considerable upward trend of building material, labor, and other construction costs since the last appraisal was made, we suggest a new appraisal be made on the various County buildings to bring the values up to date. The last appraisal was made in January, 1944, by the Rau Appraisal Company. This appraisal could be brought up to date for a consideration much less than the cost of new appraisal.

WASHINGTON COUNTY HIGHWAY BUILDINGS

No appraisals have been made on the following properties of the County. The Association having been informed that the County is content to rely on the original cost of these buildings plus estimate of appreciation due to rise in building costs. In the opinion of the Association an appraisal of these properties would constitute a preferred basis for insurance.

| Insurance presently carried as of October 30, 1953 | |
|--|--------------|
| 1. West Bend Highway Shop | \$ 93,500.00 |
| 2. Contents | 50,000.00 |
| 3. Slinger Highway Shop | 10,300.00 |
| 4. Contents | 500.00 |
| 5. Slinger Gasoline Plant | |
| a. 2 all steel gas tanks @ \$1,500 each | 3,000.00 |
| 6. Contents (1,500 each tank) | 3,000.00 |
| 7. One-Story Iron Clad Oil Pump House | 200.00 |
| 8. Contents | 400.00 |
| 9. Frame Oil Pump House | 125.00 |
| 10. Contents | 350.00 |
| 11. 1-36,000 Gal. Road Oil Tank | 3,000.00 |
| 12. Contents | 1,625.00 |
| | \$166,000.00 |

Builders Risk Insurance
Addition to County Shop \$225,000.00
This is a completed value form. If increase in cost is indicated the amount should be increased immediately.

| 4-H CLUB BARNS | Insurance presently carried as of October 30, 1953 |
|--------------------|--|
| 1. Barn No. 1 | 4,800.00 |
| 2. Contents | 600.00 |
| 3. Barn No. 2 | 6,000.00 |
| 4. Contents | Nil |
| 5. Barn No. 3 | 6,000.00 |
| 6. Contents | Nil |
| 7. Barn No. 4 | 7,000.00 |
| 8. Comfort Station | 500.00 |
| | \$ 24,900.00 |

No Co-insurance.
The insurance on these barns and contents is written without co-insurance. As indicated above, we have no way of determining whether the amounts of insurance are reasonably adequate. We presume that your Committee may secure information regarding the value of contents from heads of the various departments.

The insurance on the farm buildings and personal property provides fire and extended coverage. The present amounts now covering on the buildings and personal property are shown as follows:

| FARM BUILDINGS | Insurance presently carried as of October 30, 1953 |
|------------------------------------|--|
| Barn, tile, iron-clad combustible | \$ 17,500.00 |

PUBLIC LIABILITY INSURANCE
Public Liability is presently covered under a Comprehensive General form.

| LIMITS | | | |
|--|--------------|------------------------------|-------------|
| Personal Injury Per Person | Per Accident | Property Damage Per Accident | Per Project |
| Contractor's Liability covering highway operations | \$25,000 | \$50,000 | \$25,000 |
| Owner's & Tenant's Liability on all county real estate and teams | \$25,000 | \$50,000 | \$25,000 |
| Automobile Liability | \$25,000 | \$50,000 | \$50,000 |
| Boiler Explosion | | | |

All boilers and compressed air tanks are insured in the amount of \$100,000 for damage to county property and the property of others, and for personal injury to the public, excluding employees who are covered under Workmen's Compensation.

Automobiles and Trucks
The County's investment in passenger cars is covered for full value under the comprehensive form. Trucks are fully covered against loss by fire only. Windstorm and Hail damage may be added, if desired, at a rate of 10c per \$100. This coverage applies regardless of where the loss occurs. The total insurance on the automobiles and trucks of the County is in the amount of \$262,990.

Other Highway Equipment
This equipment is fully covered under a floater policy against loss by fire, lightning, windstorm, flood, collapse of bridges, collision, etc. regardless of location. This equipment is insured for \$337,285. Theft is covered subject to a \$25.00 deductible clause.
Radio Equipment on Cars, Guns, Cameras
There is a floater policy covering radio equipment in the amount

of \$5,000 on sheriff's and police cars for full value, substantially as above. There is also a floater policy covering guns of the sheriff's department in the amount of \$645. Camera equipment of the sheriff's department is insured for \$385 under a floater policy.

Bonds
Bonds for County Officials and employees are properly filed for the statutory amounts.

Money and securities of the County are now covered in the amount of \$3,000 with a limit on money of \$2,000 while in the premises or being carried by a messenger. To meet the additional needs during tax collection time, these limits are increased during the month of March to \$8,000 with a limit on money of \$7,000.

It is always a pleasure to work with your Committee and it is our desire to give the County Board the best insurance service possible.

Sincerely yours,
MEMBERS OF THE WASHINGTON COUNTY UNDERWRITERS ASSOCIATION

WILLIAM KUHN ELECTED VETERANS SERVICE COMMITTEE

Report No. 26 of the Sheriff's Department was submitted by Sheriff George Brugger. Sheriff Brugger informed the board that all major improvements were about completed both inside and outside the jail and he extended an invitation to all members of the board to visit the jail during this board session. Moved by Mr. Helm, seconded by Mr. Hilt that Report No. 26 be adopted. Motion carried.

SHERIFF'S REPORT - 1953

To the Honorable Board of Supervisors
Of Washington County, Wisconsin

I, the undersigned Sheriff of Washington County, State of Wisconsin, hereby submit to your honorable body the report of the Washington County Sheriff's Department from January 1, 1953 to October 31, 1953.

There were received a total of 3,699 complaints, reports and inquiries at our office. Of this number 1,149 were investigated and placed in our files for future reference. The balance of inquiries were answered at our office or referred to the District Attorney.

This year a special room in the jail building was set aside as a conference room and a place for taking drivers license applications. In this room are posted approximately 300 photos of accidents which occurred in Washington County during the past number of years. The purpose of posting these photos is to remind the applicants of the hazard of driving and to better educate them after they have received their license.

The Traffic Patrol investigated a total of 490 accidents of which 12 persons lost their lives. The Patrol travelled 121,189 miles in their performances of duty and there were collected in fines the amount of \$3,896.95. The County owned Patrol car was in use each weekend and holidays during the summer months and was used mainly to patrol the various lake roads. Approximately 5,000 miles were traveled during this period.

The Police radio is in operation 24 hours per day and averages about 200 transmissions per day.

There were registered in the County Jail 190 men, women and juveniles. There were committed and conveyed to various institutions as follows: 28 to the State Hospital at Winnebago, 4 to the Wisconsin School for Boys at Waukesha, 3 to Wisconsin State Prison at Waupun, 1 to Wisconsin School for Girls at Oregon, 1 to Wisconsin Home for Women at Taycheedah, and 2 to Private Institutions.

1954-55 COUNTY BOARD PROCEEDINGS

APRIL 23, 1954

Report No. 28 of the Veterans Service Commission was presented by George Kolb, Veterans Service Officer. Moved by Mr. Schmidt seconded by Mr. Campbell that Report No. 28 be adopted and filed. Motion carried.

REPORT No. 28 VETERANS SERVICE COMMISSION November 1, 1953

To the Honorable Chairman and Members
Washington County Board of Supervisors
Gentlemen:

Herewith is presented the report of the Washington County Veterans Service Commission for the period of November 1, 1952 through October 31, 1953.

The Commission held two meetings as follows: April 6 and September 16, 1953.

| | |
|---|------------|
| Cash on hand January 1, 1953..... | \$3,000.00 |
| Expenses | |
| Subsistence..... | \$463.39 |
| Medical..... | 294.55 |
| Fuel..... | 3.04 |
| Hospital..... | 205.00 |
| Adm., Per Diem and Mileage..... | 70.34 |
| Commitments made for balance of year..... | 79.48 |

Total Expense.....\$1,117.80
Amounts received from the Wisconsin Department of Veterans Affairs.....425.00

Total Expense to Washington County.....\$ 692.80

Ten applications for assistance were accepted, four of which were referred to the Wisconsin Department of Veterans Affairs, of which \$425.00 was accepted by them.

During the past year we have had no applications for assistance due to unemployment. Each case was the result of the Veteran being confined to a hospital, and the family or Veteran were in need of additional funds for Medical Treatment or subsistence. We will however soon experience additional requests from W. W. I. Veterans who do not qualify under the State Benefits and will become eligible for Benefits from this fund because of their age and inability to secure gainful occupation. There are few if any Veterans other than those in hospitals who are now unemployed.

THEODORE SCHMIDT, Member

Respectfully submitted:
GEORGE A. KOLB
Executive Secretary

Following the usual Armistice Day observance, a short appropriate program was conducted by George Kolb, Service Officer. Herbert Schowalter a resident of the city of West Bend expressed his thoughts regarding Armistice Day in a well presented address. Following his address Mr. Schroeder moved and seconded by Mr. Geib that the County Board of Supervisors of Washington County express their thanks and appreciation to Mr. Herbert Schowalter for his timely address. Motion carried.

MOTION SCHOWALTER ADDRESS

Moved by Mr. Schowalter by Mr. Schloemer that the Board be recessed until 2:00 p.m. Motion carried. Board recessed. The board reconvened at 2:00 p.m. Chairman Romaine presiding.

Miss Myra Fierek, County Home Agent presented Report No. 31 to the County Board. She called attention to some of the major activities of her office, and concluded by giving a demonstration on uses of kitchen utensils as she has presented to her club making leaders. Moved by Mr. Meissner seconded by Mr. Peter that Report No. 31 be adopted and filed. Motion carried.

REPORT No. 31

1953 ANNUAL REPORT, COUNTY HOME AGENT
Read Nov. 11, 1953
TO THE HONORABLE BOARD OF SUPERVISORS:
Ladies and Gentlemen:

The following is a brief report of 1953 highlights in the Home Demonstration program of Washington County. The home agent works closely with 32 home demonstration groups throughout the county, consisting of 550 members. Work is also connected with 4-H girls in Home Economic projects. Programs are planned and based on the problems and needs of these people in the county.

People of the community are served mainly through home visits, office calls, meetings, radio, news releases, exhibits and printed circulars. Most of the problems which women and girls are concerned with include food production, clothing, meal planning, family and community life, safety and health, home furnishing, government, education and time management.

A detailed report of work during the past year is available for study at the home agent's office. Thanks and appreciation is expressed to other members of the Extension staff, and to the many people in the county who have been a great help in cooperating with the Homemakers' program.

Sincerely yours,
MYRA FIEREK
County Home Agent

HIGHLIGHTS OF HOME DEMONSTRATION WORK IN 1953

I. Foods and Nutrition
One of the main projects of 4-H girls and of homemakers is the foods work. During the year, homemakers have at least one or two projects in their program concerning food problems. In 1953 they studied "Better Use of Home Freezers." Training meetings were given to 4-H leaders who carry this material to the local 4-H girls. Proper preparation and care of foods, how to judge standard food products, preserving foods by canning and freezing, and better buyman-ship with well planned meals are some things 4-H girls study and work on.

During the year, news articles and radio releases about foods were prepared and presented. Need of good diets, preparation, selection, storage, and serving foods were the main topics which articles were based on.

II. Clothing
With countless varieties of new fabrics on markets today, there is a need for women and girls to learn buyman-ship and care of them. Many women and girls sew their own clothes, thus saving money and time in planning their wardrobes. It is one of the home agent's duties to help the women and girls in answering and working on problems which these people may have.

During the past year, the homemakers studied better buyman-ship of clothing, studying labels on fabrics and clothes, and how to make alterations on ready-made clothes in a project "Alteration of Ready to Wear."

4-H leaders were given training and helps, as were 4-H members in clothing construction, and how to judge zippers, hems, seams, and good fabric and color combinations.

There were 356 entries in clothing exhibits at the county fair. 51 4-H girls attended a modeling class conducted by one of our homemakers. They learned how to be poised and gain confidence, and how to select accessories for clothing — when appearing at the County Dress Revue.

The Dress Revue is an annual program where 4-H girls wear the clothing outfits which they have constructed in 4-H projects.

III. Home Furnishings

Making the home attractive and a more pleasant place to live is certainly one of the main objectives of the homemakers and 4-H girls. To help with this aim, the home agent worked with 4-H leaders and girls in their home furnishings projects. Choosing good colors, designs, and fabrics for furniture in the home is one main topic. Actually making many of the products such as curtains, bed spreads, and table mats is what many of the girls do.

Homemakers were given projects in "Attractive Table Settings" — choosing dishes, silverware, glasses, and tablecloths that will blend into an attractive table. They were also given a project on "Care and Repair of Household Appliances" — electric cords, plaster patching, correct use of tools, putting in window panes, etc.

Care of rugs and floors, household equipment, paint, paint brushes, and other household articles were stressed in news releases and radio talks.

IV. Health and Safety

Good health and safety is a topic which can never be over-stressed. People in the community are willing to work to make their homes and farms safer places to live and work in. More health projects should be stressed in the home and in the community.

Movies were shown at local 4-H and homemakers meetings stressing farm safety. Most of the work done in health and safety thus far was in radio and news — as given in connection with Fire Prevention Week, Farm Safety Week, getting Children Safely to School and good health habits.

Homemakers have a health committee that has begun plans to work with the Chest X-ray service coming to Washington County in January of 1954.

V. Family and Community Life

"Family Fun in the Home" was a project given to homemakers

this year. There is a greater need for families to realize the importance of taking time to have recreation and fun with each other. Too many people rush through their daily lives, stressing importance of continual working. Women who were given training for fun ideas in family homes and community, indicated that it was greatly enjoyed.

A homemakers recreation committee prepared bulletins for clubs with ideas for recreation, too. This booklet proved helpful to other organizations as 4-H, Newcomers, and church groups.

A homemakers' chorus was organized, open to all women who like to sing. There are 17 active members who have sung at the County Fair and at the Homemakers' Achievement Day. Music is an outside interest which is certainly necessary and helpful to better living.

15 homemakers local club meetings were attended — for the purpose of becoming better acquainted with the women in the county.

VI. Miscellaneous

The agent attended the Farm and Home Week Program at Madison.

Several Farm Bureau meetings were attended in connection with stressing better and greater use of dairy products, and the Agricultural Program for 1953.

The home agent gave 2 talks at the Newcomers Club in West Bend.

The agent worked with agents from Ozaukee County in planning the 2 1/2 day 4-H County Camp Program.

Plans were made for Home Economics exhibits, demonstrations, and judging contests at the Washington County Fair.

Agent worked with 4-H girls in preparation for activities at the State Fair.

4-H girls were taken to the District Junior Leadership Conference at Madison.

REPORT OF DISTRICT ATTORNEY

TO THE HONORABLE BOARD OF SUPERVISORS OF WASHINGTON COUNTY, WISCONSIN

Gentlemen:
This is to advise you that I have received during the preceding year, by virtue of my office, no monies for fines, recognizances, forfeitures, penalties, or costs.

Dated this 9th day of November, 1953.

LEROY J. GONNIG
District Attorney in and for
Washington County, Wisconsin

Report No. 30 of the County Clerks office was presented to the County Board by A. Staral. He summarized briefly the relative work in his office regarding the zoning administration. He suggested that it would be advisable for those towns who have not appointed a building inspector to make such appointments in order that some of the inspection work could be administered in the local towns. It was suggested by the board that each town study their areas with the thought of extending commercial locations in their particular township. After this procedure a meeting could be held with the members of the Park Commission for their consideration and approval. Moved by Mr. Schmidt seconded by Mr. Dettmann that Report No. 30 of the County Clerk's office be adopted and filed. Motion carried.

4. Washington County will pay to said Sheriff the sum of \$63 per meal for each prisoner detained in the County Jail and the Sheriff shall be responsible for the laundry without additional compensation.

5. That each and every claim hereafter made and filed by any officer against Washington County shall show before being considered by this Board or any of its committee, the following:

a. The date of rendition of services on which the claim is based.

b. The name of persons involved in the proceedings.

c. The name of the city, village or locality in townships visited.

d. The exact name and place of residence of assistant accompanying officer and such other detailed information concerning each claim made, as will give the County Board sufficient advice to enable it to make a proper decision as to the allowance or disallowance of such claim or part thereof.

e. The exact number of miles actually traveled.

Report No. 32 of the County Hospital and Home was presented by Roy Gonnering, Supt. Roy Gonnering explained the various accounts of the County Hospital and Home, balances due, and balances in accounts expected in these accounts at the close of the fiscal year ending June 30, 1954. The District Attorney was instructed to render opinion on disposition of surplus funds. Since an invitation had been accepted to attend a luncheon meeting at the County Home and Hospital it was thought best to adjourn to the Hospital and Home for the luncheon and tour of these county properties and to complete the report during the afternoon session.

Moved by Mr. Bloedorn seconded by Mr. Meissner that the board recess until 2:30 p.m. Motion carried. Board recessed. The board reconvened at 2:30 p.m. Chairman Romaine presiding. The chair welcomed Rita Best, high school pupil, who was present to witness the County Board proceedings. Robert Stodola 4-H Club leader was present and explained his report No. 33 to the board. He commented briefly on some of the major activities conducted by his department during the year. Moved by Mr. Van Beek seconded by Mr. Schmahl that Report No. 33 be adopted and filed.

REPORT No. 33 COUNTY BOARD REPORT COUNTY CLUB AGENT, 1953 Robert A. Stodola

To the Honorable Board of Supervisors Washington County, Wisconsin Ladies and Gentlemen:

This is a brief summary of what has been done by the club agent from November 1, 1952 to October 31, 1953. A detailed report of the work and how each part was carried out is on file in the County 4-H Office and the State and Federal Agricultural Extension Offices. The club agent's job is to give useful information, mainly to the rural youth, and developing leadership and character in the boy or girl. This is done mostly through 4-H clubs. The club agent works with the local leaders to plan what is to be done and helps coordinate the yearly program. The educational value to the 4-H members comes from their work in the various projects and in their participation in the various recreational phases of the program.

There were 29 clubs with a membership of 565 members. 88 local leaders helped the clubs. Most of the project instruction is given by the agent or University specialists to the leaders or junior leaders. These in turn give these instructions to their own club members. The true value of club work lies in the development of the individual and in the amount of useful information they gain through their work. This is impossible to measure. However, some measure of the value of the 4-H program can be gotten from the number of boys and girls that achieve, which means selecting a project, doing the required work, making a public exhibit and keeping a record. Of the 565 members, 463 completed for an achievement percentage of 82%.

While it is the club agent's job to supervise club work, it must be acknowledged that much help is gotten from the county agricultural agent and also the home agent, who does most of the instructing in the Home Economics projects. Great credit is due also to the local leaders that carry most of the responsibility in their community and the parents, whose encouragement and help is greatly needed by the members.

On the following pages are some figures on club work in the county that help give an idea of what has been done.

Table with 4 columns: Year (1950, 1951, 1952, 1953) and various categories like Number of Clubs, Number of Members, Agricultural Projects, Conservation Projects, Home Economics Projects.

Highlights of 1953

- 19 Bulls raised by 4-H and FFA members in Sire Calf Project. 7,450 Trees planted by 36 club members and 3 4-H clubs. 27 Window displays devoted to Safety during National 4-H Club Week. 300 People at Rockfield "Hi-Neighbor Party." 4 Plays given in County 4-H Drama Festival. 14 Talks given in county 4-H Safety Speaking Contest. 63 4-H campers at County Camp. 4 Jr. Leaders attended Jr. Leadership Conference. 14 Demonstrations given in County Contest. 550 4-H exhibitors at County Fair. 30 Washington County participated at State Fair. 500 Attended County 4-H Achievement Night Program. This year the club agent has: -devoted 36 1/2 days to adult work; 9.5 days to young men and women's work; 235.5 days to 4-H club work. -traveled 6,957 miles within the county; 1,502 outside the county -made 227 farm and home calls. -had 266 office calls. -made or received 431 phone calls. -wrote 53 newspaper articles. -prepared and delivered 62 radio talks. -distributed 986 bulletins. -held 8 leader training meetings with an attendance of 126. -attended meetings related to: adult work-4 attendance - 840 young men & women-11 attendance - 226 4-H-96 attendance -2434 -Served as chairman of the county Jr. State Fair Committee. -Served as chairman of the Southern Wisconsin Jr. Leadership Conference. This year the 4-H clubs stressed safety as their club activity. In this connection there were: -many safety talks by members at club meetings. -27 safety window displays. -safety movies at club meetings. -many safety exhibits at County Fair. -4 club safety scrapbooks at County Fair. -14 safety talks at the County Safety Speaking Contest.

-club activities such as cleaning up view obstructing brush on road corners. -about 200 safety inspections of homes and farms by club members. It is hoped that this activity not only gives those viewing the window displays etc. to see the need for safe practices, but even more important teaches the participating club members these things. Respectfully submitted, ROBERT A. STODOLA 4-H Club Agent. Chairman Romaine informed the board that the Red Cross Report from the West Bend Chapter has been placed on the desk of each Supervisor. Moved by Mrs. Courtney seconded by Mr. Geib that this report be filed in the clerks office for future information. Motion carried. Report No. 36 of the Highway Department was presented to the board by Albert Retler, Bookkeeper at the Highway Department. He explained in detail the various accounts of the Highway Department, the amounts expended and revenues as well as balances as of November 1, 1953. Moved by Mr. Woldt seconded by Mr. Kuhaupt that Report No. 36 be adopted and filed and the January annual report to become part of the proceedings. Motion carried. Moved by Mr. Bloedorn seconded by Mr. Geib that the meeting be adjourned until 10:00 a.m. tomorrow morning. Motion carried. Meeting adjourned. Respectfully submitted, ANTON P. STARAL, County Clerk

MINUTES OF MEETING HELD NOVEMBER 13, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m. The clerk called the roll and all members reported present except Supervisor Zuern. The minutes of the meeting held Nov. 12th, were read and after two additions the same were approved as read. County Judge Milton Meister appeared before the board and explained briefly the work of his office as reported in his report. He expressed much concern about the seriousness of the juvenile problem as it exists in the United States today. He stated that in most cases a delinquent child was a neglected child and the cause for his delinquency could be traced to his family life. The problem being so serious today that a special board appointed to study child delinquency had been created by the Federal Government and one of the areas selected for this study was the city of Milwaukee. He also stated that beginning January 1, 1954, fees would be collected in the probate branch of County Court. These fees would be deposited with the County Treasurer and a split would be made between the state treasurer and the local County Treasurer's office as per State Statute. He also informed the board that the State of Wisconsin is in the process of making a survey regarding the reorganization of all of the courts of our state. Just as soon as this study is completed, such information will be made available and it will be entirely possible that Wisconsin courts will become completely reorganized. Judge Meister stated that he has asked for an appropriation for an additional reporter in his court in the amount of \$4,200.00. Whether or not he will succeed in making such appointment would depend entirely on the availability of such qualified reporters. Mr. Bascom inquired regarding additional vault space for the County Judge. Judge Meister informed the board that it was his opinion that present vault space was adequate for about two more years and after that time some additional space would have to be found. At this point he suggested to the County Board that it might be practical to contact a microfilming company for making copies of permanent records in order to save needed space. Moved by Mr. Helm, seconded by Mr. Gauger that Report No. 37 be adopted and filed. Motion carried.

STATE OF WISCONSIN, ss WASHINGTON COUNTY. LUCILLE K. FRANCKE, being first duly sworn, on oath, deposes and says that she is the Clerk of the County Court of Washington County, Wisconsin, and that the foregoing statement is true and correct to the best of her knowledge and belief.

Subscribed and sworn to before me this 1st day of November, A.D., 1953. Milton L. Meister, County Judge in and for the County of Washington, State of Wisconsin.

Moved by Mr. Schroeder, seconded by Mr. Kuhaupt that the Public Property Committee be instructed to make a study regarding the possibility of microfilming county records and to make a report to the County Board regarding their findings at some future date. Motion carried.

MOTION MICROFILMING. As per conclusion of the board meeting of yesterday the chair informed the board that Report No. 32 would again be considered by the board at this time. Roy Gonnering, Supt. of the Hospital and Home explained the present heating system used at the county institutions. It is a combination unit wherein oil is used during average winter and during extreme cold periods an auxiliary stoker system is likewise put into operation. The matter of expenditure of net revenues from the operation of the farm was likewise brought to the attention of Luke Kauth, Assistant District Attorney. Attorney Kauth informed the board that he had given this matter study since it was presented yesterday and it was his opinion that the trustees of the hospital and home could not spend such monies by action of their committee. It was his thought that such revenues should be returned to the county and the expenditure of these funds was delegated by State Statute to the County Board as a whole. Mr. Bascom questioned the authority of the trustees to make expenditures for capital investments out of net profits of the farm. Mr. Gonnering stated that he and the trustees were anxious to follow the rules of the board as well as the State Statute regarding expenditures of the net revenues from the operation of the county farm. Moved by Mr. Bascom, seconded by Mr. Geib that the trustees of the hospital and home, the institutions committee, State Auditors and the District Attorney meet jointly in the near future and study the proper procedure for the disbursement of revenues from the farm. Motion carried. It was his thought that a meeting of this kind would give all concerned a better understanding and prove to be a great help in the administration of county institutions.

MOTION OF MEETING OF TRUSTEES, INSTITUTIONS COMMITTEE, STATE AUDITOR & DISTRICT ATTORNEY. Moved by Knippel, seconded by Mr. Schloemer that Report No. 32 be adopted. Motion carried.

REPORT No. 32 FIFTY-FIFTH ANNUAL REPORT OF THE WASHINGTON COUNTY HOSPITAL HOME AND FARM For the Year Ending June 30, 1953 ORGANIZATION OF THE Washington County Hospital, Farm and Home Board of Trustees: Edward Gettelman, President; Ludly Frey, Secretary; Charles Haebig, Trustee. Institutions Committee: Roy Storck, Chairman; Slinger H. B. Wolck, Trustee; Joseph Knippel, Trustee; Mrs. Norma Courtney, Trustee; Reuben Schmahl, Trustee. Officers: Roy W. Gonnering, Superintendent; Mrs. Thecla Gonnering, Matron; Visiting Physician: Dr. Philip M. Kauth; Visiting Dentist: Dr. A. Carl Marth.

To the Honorable Board of Supervisors, Washington County, Gentlemen: The Trustees, Superintendent, and Matron of the County Hospital and Home present you their Fifty-Fifth Annual Report, and Financial Statements per State Audit. We are, at the close of this fiscal year, in the midst of repairing the patient's bath and toilet rooms, and kitchens, with new tiling, fixtures, and windows. We are well pleased with the improvements these repairs are adding to our patient's comfort and well being and they too are adding much to improve the appearance of the Hospital Building. We appreciate the generosity and help of the County Board and Committee on Institutions, without whom these repairs could not have been done. We further plan to do some redecorating of some new furnishings at both the Hospital and Home, and have a new emergency fire exist built at the County Home. We wish to express our appreciation to our doctor, Dr. P. M. Kauth, and to our Dentist, Dr. A. Carl Marth. Their solicitude and care, together with the patient efforts of our employees, made our task of caring for our patients and inmates much lighter. We are thankful to the various Organizations, who have so generously contributed to the Institution during the past year; to the Junior Chamber of Commerce for their Christmas party; to the Knights of Columbus and Clergy for their Church Services; to the Police Department; and many others, who have remembered us throughout the year.

ROY W. GONNERING, Superintendent; MRS. THECLA GONNERING, Matron. ANNUAL PHYSICIAN'S REPORT: To the Honorable Board of Supervisors, Washington County, Gentlemen: The health of our patients at the Hospital and inmates at the Home, has been comparatively good. Of the deaths, 9 at the Hospital, and 5 at the Home, all were aged people - 12 were cardiacs, 1 - strangled hernia, and 1 - epileptic with complications. We, on two occasions during this past year, restricted the Institution to the general public due to illness; a first experience of this kind at our Institution. I appreciated the kindness and cooperation of the Trustees, Superintendent, and Matron. Their capable management of the Hospital & Home, its cleanliness, and comforts, and the help of their faithful employees, has made it a pleasure to work with them.

P. M. KAUTH, M.D. ANNUAL DENTIST'S REPORT: Of the Washington County Hospital and Home To the Honorable Board of Supervisors, Washington County, Gentlemen: Continued and definite progress has been made during the past year in maintaining and improving the dental health of patients at the County Hospital and Home. The number of dental cavities continues to be small, due chiefly to the well-balanced, wholesome and nutritious meals that are regularly served. The removal of the infected teeth from a number of patients has brought them noticeable improvement in disposition, health and comfort. A number of patients who do physical labor on the farm, laundry and about the Hospital have been fitted with dental plates which were badly needed. Dental troubles are promptly reported by the attendants with the good result that I seldom find a patient with severe dental pain. The harmony among the Hospital staff, and the kindly co-operation of the Superintendent and Matron sustains my interest in my work.

Resolution No. 46 was given second reading and unanimously adopted on roll call vote as follows: voting aye, 27; voting no, none; absent, Zuern.

RESOLUTION NO. 46

WHEREAS, a proposal has been made that each County contri-

bute 1/2 of 1% of state aid received for county trunk highways to a fund to be used for research and cost analysis of county highway maintenance operations, the said fund to be made up of contributions from the counties to the County Boards Association to the extent of one-half thereof and the other half of said cost to be paid for by the State Highway Commission, and

WHEREAS, it is deemed advisable for Washington County to contribute to said fund of 1/2 of 1% of said county trunk highway aids, which will amount to \$109.21 for the year 1954:

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY BOARD OF SUPERVISORS OF WASHINGTON COUNTY that one-eighth of one per cent, or the sum of \$109.21, for the year 1954 of county trunk highway aids be and the same is hereby appropriated from the county trunk highway aids to the Wisconsin County Boards Association for the purpose of research and cost analysis of county highway maintenance operations in cooperation with the State Highway Commission.

Introduced: Nov. 9, 1953
First Reading: Nov. 9, 1953
Second Reading: Nov. 13, 1953
Adopted: Nov. 13, 1953
Attest: ANTON P. STARAL, County Clerk.

Moved by Mr. Schroeder, seconded by Mr. Bunke that appropriation of \$109.21 for the Highway Cost Survey be appropriated from County Highway Revenues. Motion carried.

Motion HIGHWAY SURVEY
Moved by Mr. Dettmann seconded by Mr. Kuhaupt that the board recess until 2:00 p.m. Motion carried. Board recessed.

The board reconvened at 2:00 p.m. Chairman Romaine presiding. As per public notice this was the time set for the County Board for a public hearing on the 1954 budget. This hearing was considered the first reading of Resolution No. 70, the Budget Resolution, and the same was conducted by Mr. H. B. Woldt, chairman of the Finance and Budget Committee. Mr. Woldt explained the budget appropriation for each department, and compared the 1953 budget appropriation and reason for any increases or decreases found in the proposed budget. Moved by Mr. Schroeder, seconded by Mr. Bunke that the word stationary be added after divorce counsel in order that such supplies could be bought if necessary for the divorce counsel out of this appropriation. Motion carried.

Discussion followed regarding an appropriation of \$56.00 for a taxpayers magazine subscription for county board members. Same was approved on roll call vote, 26 ayes, Gauger and Kuhn absent.

Moved by Mr. Bascom, seconded by Mr. Lofy that Mr. Zuern be marked present for this session. Motion carried.

It was also suggested that the word jury be added to the word pathologist in Coroner's budget in order that there would be provisions for the payments of a coroner jury if such would be needed. In the sheriff's department, deputy was stricken and entitled Under sheriff. After all additions were made it was learned that the total budget appropriations were in the amount of \$838,548.78, the total anticipated revenues were \$290,500.00 and the net county tax levy for 1954 would amount to \$548,048.78. Moved by Mr. Woldt, seconded by Troedel that the first reading of Resolution No. 70 be completed and the public hearing on the proposed 1954 budget be closed. Motion carried.

PUBLIC HEARING ON 1954 PROPOSED BUDGET
The chair inquired regarding supporting resolutions for various appropriations in the 1954 budget. Assistant District Attorney Kauff expressed the opinion that the all inclusive resolution would completely support these appropriations.

Resolution No. 47 was given second reading. Resolution No. 47 was adopted on roll call vote as follows: 26 ayes, Gauger and Kuhn absent.

RESOLUTION NO. 47

To the County Board of Washington County:
The undersigned hereby petition the County Board to amend the zoning ordinance of Washington County as follows:

That the boundaries of the Agricultural zone in the Town of Germantown be changed as follows to a Commercial zone.
North Half of the East Half of the Southeast Quarter of the Southeast Quarter (N1/2, E1/2, SE1/4, SE1/4) of Section Twenty-nine (29), Town Nine (9) North, Range Twenty (20) East, excepting that land previously sold off for the highway purposes.

Dated November 12, 1953
Respectfully submitted,
FRED J. SCHMIDT,
R. R. 1, Germantown, Wisconsin

Acting on behalf of himself as a property owner in the area to be effected by the amendment.
Resolution No. 72 referring Petition No. 17 to the Park Commission was given first reading and laid over for second reading.

Resolution No. 73 was given first reading and laid over for second reading.

Resolution No. 49 as laid over from the November 13th meeting was brought up for discussion. Moved by Mr. Bascom, seconded by Mr. Schroeder that the following amendment to Section IX be added to Resolution No. 49. AMENDMENT: "SECTION IX amended as follows: Delete the following words: "and to purchase such machinery and equipment and to insert the following words: "Section IX A" as follows: "The Highway Committee is hereby authorized pursuant to Section 83.015 (2) of the Statutes, to purchase without further authority, and to the extent that revolving funds accumulated for such purpose or appropriations or transfers made for such purpose are available, such highway equipment as they deem necessary to properly carry on the work, and to trade or sell such old equipment as may be considered to be for the best interest of the county; Provided, that no one complete unit of equipment of a value exceeding Five Thousand (\$5,000.00) Dollars shall be purchased without further authority of the County Board. And further provided that the said County Highway Committee shall report all purchases pursuant to this section to the County Board at the next regular meeting of said Board subsequent to such purchase." Mr. Bascom explained briefly the reasons for the amendment submitted and he further informed the board that several counties had been limiting the extent of purchases made by the County Highway Committees. Mr. Cleary, chairman of the Highway Committee, was present and expressed his thoughts regarding the proposed amendment. Several members wished to give this matter further consideration and because of this reason it was moved by Mr. Lofy, seconded by Mr. Meissner to lay over action on Resolution No. 49 until the afternoon session. Motion carried.

Resolution No. 50 was given second reading. Moved by Mr. Geib, seconded by Mr. Bloedorn that Resolution No. 50 be laid over until the afternoon session. Motion carried.

Resolution No. 53 was given second reading and unanimously adopted on roll call vote as follows: 28 ayes, no noes, none absent.

roads starting tomorrow morning at 10:00 a.m. He asked for volunteers who could drive cars on this conducted tour.

Resolution No. 74 was given first reading and laid over for second reading.

Moved by Mr. Schmah, seconded by Mr. Kuhn that the board recess until 2:00 p.m. Motion carried. Board recessed.

The board reconvened at 2:00 p.m., Chairman Romaine presiding.

The first order of business as per instructions of the board was the consideration of Resolution No. 49 as laid over during the morning session.

Mr. Bascom asked that he be given permission to withdraw the amendment submitted in the morning session and he asked that he be permitted to submit a newly drafted amendment.

Mr. Schmah moved seconded by Mr. Schroeder that the following amendment be added to Resolution No. 49.

AMENDMENT TO RESOLUTION NO. 49

Move to amend Section IX of Resolution No. 49 so as to read as follows:

"The County Highway Committee and the County Highway Commissioner are hereby directed to carry out the highway construction and maintenance for which provision is made herein, in the manner provided by law, and to employ such patrolmen, laborers, and foremen as they may deem necessary for such purpose.

The County Highway Committee is hereby further authorized pursuant to Section 83.015 (2) of the Wisconsin Statutes to purchase without further authority, and to the extent that revolving funds accumulated for such purpose, or appropriations or transfers made for such purpose are available, such highway equipment as they may deem necessary to properly carry on the work, and to trade or sell such old equipment as may be considered to be for the best interest of the county;

PROVIDED, that no one complete unit of equipment of a value exceeding Five Thousand (\$5,000.00) Dollars shall be purchased without further authority of the County Board, and

FURTHER PROVIDED that the said County Highway Committee shall report all purchases pursuant to this section to the County Board at the next regular meeting of said board subsequent to such purchase."

Mr. Schmah inquired whether the \$5,000.00 limitation would mean whether or not the committee would not be allowed to make purchases in excess of \$5,000.00 for the year. He was told that this applied to only unit price of one piece of equipment that would be purchased.

He also suggested that such limitations might hamper needed purchases for the Highway Department. Amendment to Resolution No. 49 was lost on roll call vote as follows: voting aye: Bascom, Bloedorn, Geib, Knippel, Larson, Schloemer, Schroeder and Troedel; voting no: Bunke, Campbell, Courtney, Dettmann, Gauger, Helm, Hill, Kuhaupt, Kuhn, Lofy, Meissner, Peter, Rode, Schmah, Schmidt, Storck, Van Beek, Woldt, Zuern and Romaine. 8 ayes, 20 noes, none absent.

AMENDMENT LOST

Moved by Mr. Storck, seconded by Mr. Van Beek that the Highway Committee be instructed to make a formal report to the County Board on purchases of Highway equipment made from the period dating to the last County Board session and these reports to be made during all regular County Board sessions. Motion carried.

RESOLUTION NO. 49

State and County Aid Construction and Maintenance During the Calendar Year 1954

SECTION I. The County Board of Supervisors of Washington County, Wisconsin regularly assembled, does hereby determine that such funds as may be made available to the county for highway work in the year 1954 under the provisions of Section 20.49 and Chapters 83 and 84 of the Statutes and the additional sums herein appropriated shall be expended as hereinafter set forth:

SECTION II COUNTY TRUNK HIGHWAY ALLOTMENT.

WHEREAS: The State Highway Commission has notified the County Clerk that a sum of money estimated to be Ninety One Thousand Nine Hundred and no/100 Dollars (\$91,900.00) will become available at the end of the fiscal year ending June 30, 1954, under the provisions of Sections 83.10 (1) and 20.49 (1) (b) of the Statutes, for the county trunk highway system in the county, but the actual amount will not be known until the close of the fiscal year, June 30, 1954.

BE IT RESOLVED: That the County Highway Committee is authorized and directed to expend the said sum to the extent required, to match and supplement Federal Aid for construction, right of way, and other costs on any Federal project located on the County Trunk Highway System of said county, which are not recovered from Federal Funds, and to expend any balance for reconstructing, repairing and maintaining such county trunk highway system and the bridges thereon, including snow and ice removal and control, as directed in Section 83.19 (1) of the Statutes, and to reimburse the general fund for any expenditures that may be made therefrom, pursuant to Section 83.01 (6) of the Statutes.

SECTION III STATE TRUNK HIGHWAY ALLOTMENT.

WHEREAS: The State Highway Commission has estimated that the sum of Ninety Thousand and no/100 Dollars (\$90,000.00) will become available from the appropriation of the fiscal year ending June 30, 1954, under Sections 20.49 (4) and 84.03 (3), to be allotted and expended by the State Highway Commission in accordance with the provisions of Section 84.06 for the construction, reconstruction and improvement of the state trunk highway system and connecting streets upon projects which have been approved by this county, but subject to the provisions of Section 84.03 (4) relative to the retirement of bonds, and

WHEREAS, there has been received from the State Highway Commission its determination as to the proposed projects and the proposed allocation of such sum,

BE IT RESOLVED: that such projects and the allocation of such sum be approved as hereinafter set forth:

1. The sum of Ninety Thousand and no/100 Dollars (\$90,000.00) previously advanced pursuant to Section 84.03 (5) Statutes, for the improvement of U. S. Highway No. 41 between the South County Line and the West County Line.

SECTION IV. WHEREAS: It appears that certain additional highway improvements in the county are necessary and warranted.

BE IT RESOLVED: That the County Board does hereby appropriate the following sums for the purpose hereinafter set forth:

1. For administration, including salaries, per diem, office and travel expense of the County Highway Committee, the County Highway Commissioner, his clerks and assistants not paid from construction maintenance funds, the sum of Twenty Thousand and no/100 Dollars (\$20,000.00).

2. For snow removal and snow, drift, and ice prevention on the County Trunk Highway System, the sum of Fifty Thousand and no/100 Dollars (\$50,000.00).

3. For repair of bituminous roads on the County Trunk Highway System, the sum of Sixty Thousand and no/100 Dollars (\$60,000.00).

4. The sum of Nine Thousand Five Hundred and no/100 Dollars (\$9,500.00) for the improvement with a bituminous surface on County Trunk Highway "W" from County Trunk Highway "T" south one mile and east one mile to the East County Line.

5. The sum of Fourteen Thousand Two Hundred Fifty and no/100 Dollars (\$14,250.00) for the improvement with a bituminous surface on County Trunk Highway "W" from County Trunk Highway "D" north to County Trunk Highway "H", approximately 3.0 miles.

6. The sum of Nine Thousand Five Hundred and no/100 Dollars (\$9,500.00) for the improvement with a bituminous surface on County Trunk Highway "S" from State Trunk Highway "28" north to the North County Line, approximately 2.0 miles.

7. The sum of Twenty Three Thousand Seven Hundred Fifty and no/100 Dollars (\$23,750.00) for the improvement with a bituminous mat on County Trunk Highway "H" from State Trunk Highway "55" west to County Trunk Highway "W", approximately 5.0 miles.

8. The sum of Fourteen Thousand Two Hundred Fifty and no/100 Dollars (\$14,250.00) for the improvement with a bituminous mat on County Trunk Highway "WW" from State Trunk Highway "33" north to junction with County Trunk Highway "W", approximately 3.0 miles.

9. The sum of Two Thousand Three Hundred Seventy Five and no/100 Dollars (\$2,375.00) for the improvement with a bituminous mat on County Trunk Highway "S" from junction of U. S. Highway "41" east to County Trunk Highway "W", approximately 0.5 miles.

10. The sum of Two Thousand Three Hundred Seventy Five and no/100 Dollars (\$2,375.00) for the improvement with a bituminous mat on County Trunk Highway "DW" from U. S. Highway No. 41 west to the County Line, approximately 0.5 miles.

11. The sum of Twenty Three Thousand Seven Hundred Fifty and no/100 Dollars (\$23,750.00) for the improvement with a bituminous mat on County Trunk Highway "M" from Newburg northerly to junction with State Trunk Highway "84", approximately 5.0 miles.

SECTION V. WHEREAS: Certain advances have been made from the general fund for the construction of various bridges in the county in accordance with Section 81.38 of the Statutes as follows:

Table with 3 columns: Town, Improvement, Amt. Raised by Local Unit, Amount of County Aid

Barton Dorn Bridge \$2,500.00 \$2,500.00

Germantown Schaezel Bridge 2,500.00 2,500.00

Jackson Town Line Bridge 1,000.00 1,000.00

Richfield Hubertus Bridge 1,250.00 1,250.00

\$7,250.00 \$7,250.00

BE IT RESOLVED, that the sum of Seven Thousand Two Hundred Fifty and no/100 Dollars (\$7,250.00) be appropriated for the County's share for the construction of said bridges said sum to replace a like amount advanced from the general fund.

SECTION VI. WHEREAS: Appropriations are made herein in addition to the amount available in the County under Section 20.49 of the Statutes

BE IT RESOLVED: The County Board does hereby levy a tax on all of the property in the County to meet appropriations as follows:

1. For the various purposes set forth in Section IV hereof the sum of Two Hundred Twenty Nine Thousand Five Hundred and no/100 Dollars (\$229,750.00).

2. For the various purposes set forth in Section V hereof the sum of Seven Thousand Two Hundred Fifty and no/100 Dollars (\$7,250.00)

SECTION VII. WHEREAS: The various highway activities for which provision is made in this resolution are continuous from year to year, and the exact cost of any work cannot be known at the time of making the appropriation therefor.

BE IT RESOLVED: That this Board does hereby direct that any balance remaining in any appropriation for a specific highway improvement after the same shall have been completed, may be used by the County Highway Committee to make up any deficit that may occur in any other improvement, which is part of the same item in the County Budget, for which provision is herein made, and any balances remaining in the end of the year in any highway fund shall remain and be available for the same purpose in the ensuing year.

SECTION VIII. WHEREAS: The exact amount of the funds that will become available from the state for highway purposes in the county under Section 20.49 of the Statutes will not be known until on or after June 30, 1954.

BE IT RESOLVED: That the County Treasurer is hereby authorized and directed to make payments for the purposes for which such funds are to be used, as hereinbefore authorized, from any funds in the county treasury that are not required for the purposes for which appropriated prior to August 1, 1954, and to reimburse Section 20.49 of the Statutes.

SECTION IX. The County Highway Committee and the County Highway Commissioner are hereby directed to carry out the highway construction and maintenance for which provision is made herein, in the manner provided by law, and to employ such patrolmen, laborers, and foremen and to purchase such machinery and equipment as they may deem necessary for such purpose;

SECTION X. The County Highway Committee is hereby authorized to engage such personnel as they may consider necessary to act as officers for the safeguarding and protection of men working on the highways and the traveling public while construction and maintenance operations are being performed, payment for such services to be made from maintenance funds.

RESOLUTION NO. 50

Providing for the Advance or Transfer of Construction Funds in Washington County

WHEREAS: Federal funds have been allotted to Wisconsin for the improvement of highways to be allocated for expenditure by the State Highway Commission with the concurrence of the Bureau of Public Roads and it is desired to take advantage of every opportunity to secure the expenditure of a portion of such funds in this county, and

WHEREAS: Funds must be provided by the state or counties to match the federal funds allotted, and to pay the cost of items which are not recovered from federal funds, and

WHEREAS, other emergencies frequently arise making necessary or desirable the allocation or transfer of funds to or between other authorized construction projects or for additional needed improvements,

NOW, THEREFORE, in order to provide for promptly making available the funds necessary for the purpose hereinbefore mentioned, and to avoid the delay and expense incident to calling a special meeting of this board for such purpose,

BE IT RESOLVED, that the County Highway Committee, with the approval of the State Highway Commission, is hereby authorized to transfer to or between funds authorized construction projects or for additional needed improvements in the county any funds allotted to this county by the state under the provisions of Sections 20.49 and 84.03 (3) and previously allocated by this board to any other project, or remaining unallocated in reserve; and

BE IT FURTHER RESOLVED, that the State Highway Commission be and is hereby petitioned to advance, pursuant to Section 84.03 (5) of the Statutes, upon the filing of a request therefor by the County Highway Committee of this county, which said Committee is hereby authorized to file, such sums as may be required and are not otherwise available, for the purpose hereinbefore mentioned on any authorized construction projects or for additional needed improvements in this county, with the understanding that such advance will be deducted from future allotments to this county for state trunk highway construction under Section 84.03 (3) of the Statutes.

RESOLUTION NO. 66

WHEREAS, pursuant to Resolution No. 27 heretofore adopted by the County Board of Supervisors of Washington County on October 20, 1953, Robert A. Messmer and Bro., architects, were hired to prepare plans and specifications for the building of a jail, sheriff's residence, garage and auxiliary quarters and County Court combined building under a contract at the prevailing standard rates and that Washington County be given a credit against said charges for the sum of \$2,400 paid to said firm for services previously rendered, and

WHEREAS, pursuant to said Resolution an agreement was entered into, by and between the Chairman of the County Board of Supervisors and the County Clerk of Washington County on behalf of Washington County and Robert A. Messmer and Bro. under date of November 13, 1952, providing, among other things, that the fee should be four per cent (4%) of the total cost of labor and materials according to the contractors' bids as selected by the County Board, and

WHEREAS, it has been determined to abandon the construction of any such building at the present time, and

WHEREAS, Robert A. Messmer and Bro. have submitted to Washington County under date of August 20, 1953 a statement for services in connection with work performed by them on the jail project amounting to \$4,665.44, and

WHEREAS, it has been determined that Robert A. Messmer and Bro. should be paid the sum of \$4,665.44 for services performed by said firm on the jail project providing that Washington County receive two complete sets of plans, details and specifications of the said jail project and providing further that Washington County be given a credit of \$7,065.44 on any new project wherein the jail operation becomes a part of the remodeling and addition to the existing Court House or a new Court House is erected and the said Robert A. Messmer and Bro. have consented to the payment of the aforementioned sum upon such conditions.

NOW, THEREFORE BE IT AND IT IS HEREBY RESOLVED by the County Board of Supervisors of Washington County that there is hereby appropriated from the general fund the sum of \$4,665.44 for the purpose of paying Robert A. Messmer and Bro. for services performed by said firm in connection with a proposed County Jail project, and said payment shall be made to Robert A. Messmer and Bro. upon the following conditions:

1. That Robert A. Messmer and Bro. deliver to Washington County two complete sets of plans, details and specifications of the jail job No. 203, dated March 6, 1953, which have been approved by the Industrial Commission and the Welfare Board of the State of Wisconsin.

2. That in the event the present jail plans, details and specifications, job No. 203, dated as of March 16, 1953, become a part of the remodeling and addition to the existing Court House, or a new Court House is contemplated, the said firm will make an allowance or credit in the amount of \$7,065.44 on any fee due them in connection with plans, details, specifications and supervising such building operation based on a fee of six per cent (6%) on the actual cost of any such project.

BE IT FURTHER RESOLVED, that before payment is made to Robert A. Messmer and Bro. pursuant to this Resolution that the said Robert A. Messmer and Bro. indicate in writing their acceptance of the payment pursuant to the terms of this Resolution.

RESOLUTION NO. 73 LOST

Resolution No. 73 was given second reading. Mr. Bascom, a member of the Salary Committee, explained that such a survey would be good deal of help to the County Board. He further informed that a similar resolution had been presented about a year ago but that no definite action had been taken at that time. Resolution No. 73 was lost on roll call vote. Voting aye: Bascom, Bloedorn, Courtney, Geib, Knippel, Kuhn, Schloemer, and Troedel. Voting no: Bunke, Campbell, Dettmann, Gauger, Helm, Hill, Kuhaupt, Larson, Lofy, Meissner, Peter, Rode, Schmah, Schmidt, Schroeder, Storck, Van Beek, Woldt, Zuern and Romaine. 8 ayes, 20 noes, none absent.

RESOLUTION NO. 73

WHEREAS, the Washington County Board of Supervisors feel that a complete study should be made of all salaries paid to employees of Washington County, either elected or hired, and

WHEREAS, a similar study should be made of all other employees throughout the county so that a more complete picture of job classification can be studied by the Salary Committee for the purpose of setting forth salaries.

NOW THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the County Board of Supervisors of Washington County that the Bureau of Personnel operated by the State of Wisconsin be and is hereby authorized to make a salary survey of Washington County for the purpose of making available to the Salary Committee and to the County Board all necessary information needed for the purpose of setting salaries and that the cost of same be paid out of the general fund of Washington County.

DEANE R. BASCOM

Moved by Mr. Campbell, seconded by Mr. Schmidt that the board adjourn until 9:30 a.m. tomorrow morning. Motion carried. Meeting adjourned.

Minutes of Meeting Held November 17, 1953

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m.

The clerk called the roll and all members reported present except Supervisors Geib and Larson.

The minutes of the meeting held November 16th were read by the clerk. Supervisor Bascom stated that the discussion regarding Resolution No. 66 should include several additional points as omitted in the proceedings. He stated that he had asked District Attorney Goring for an opinion regarding the correctness of the claim filed by Mr. Messmer. Mr. Goring stated that in opinion he could not state whether this claim was correct or incorrect because no actual bids had been received so that an actual fee as authorized could be arrived at.

REPORT NO. 34

Report No. 34, a report of the Budget and Finance Committee regarding the claim of the City of West Bend for street improvements was read to the board. Mr. Woldt, chairman, explained that his committee wished for the approval of this claim to be made by the County Board as a whole. District Attorney Goring stated that it was his opinion that there was nothing in the law which would compel the County to pay for these improvements. He further stated that there was nothing in the statute that would not allow the county to pay this claim if the County Board would see fit to do so.

REPORT NO. 34

This committee having brought before it a statement and letter dated August 17th, 1953 concerning the costs chargeable to Washington County for hot sheet asphalt placed on the roadway adjoining the County Home and Asylum properties and the Courthouse and Jail properties by the City of West Bend.

We, as a committee, having studied the matter make the report as follows:

We feel that this matter should be brought to the attention of

the County Board as a whole unit and that each member of the County Board should voice his or her opinion as to whether or not Washington County should make any payments to the City of West Bend.

The above is our recommendation. Dated this 9th day of November, A.D., 1953.

MINUTES OF MEETING HELD FEBRUARY 24, 1954

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a.m.

The clerk called the roll and all members reported present except Supervisors Bascom and Kuhaupt.

The minutes of the meeting held November 17, 1953 were read and the same were approved as read.

Mr. Lionel Bull, Clerk of the Village of Slinger, appeared before the Board and read the resolution adopted by the Village Board pertaining to street improvements, and the failure of street improvements to give satisfactory results. The net result being that the Village of Slinger had requested that an adjustment be made on the charges made against the Village of Slinger by the Washington County Highway Department. Moved by Mr. Woldt, seconded by Mr. Kuhn that this request made by the Village of Slinger be referred to the Washington County Highway Commission and the State Highway Commission jointly, for their consideration and a report is to be made to the County Board at a future meeting. Motion carried.

MOTION REFERRING SLINGER REQUEST FOR STREET IMPROVEMENT TO HIGHWAY COMMISSION.

Eugene Brumm, Public Welfare Director presented report No. 36, an annual report of his department, to the County Board. He explained briefly the organization and County Board authorization as it applies to his department. He further explained the various accounts, appropriations and disbursements and balances as they existed as of December 31, 1953. He stated that the relief disbursements made by local municipalities has shown a tendency to be on the increase due to present unemployment conditions. He further stated that all municipalities could expect increased expenditures in this category if present conditions continue regarding unemployment conditions. Moved by Mr. Schmidt, seconded by Mr. Dettmann that report No. 36 be adopted and filed. Motion carried.

REPORT NO. 36

ANNUAL REPORT OF THE WASHINGTON COUNTY PUBLIC WELFARE DEPARTMENT

To: The Honorable Chairman and Members Washington County Board of Supervisors

We respectfully submit herewith the Annual Report of the Washington County Public Welfare Department for the fiscal year 1953.

Your Public Welfare Department is an administrative agency of county government, and its primary concern is the administration, within Washington County, of all Public Welfare and Social Service Laws as defined by the laws of the State of Wisconsin, together with such rules, regulations, and policies as were established by the State Department of Public Welfare.

The department was established by County Board ordinance in November 1935, and operated during 1953 in accordance with the provisions of Section 49.50 and 49.51 of the Wisconsin Statutes. In brief, the administration chart is as follows:

- 1. State Department of Public Welfare
Division of Public Assistance
SUPERVISION

- 2. An Administrative Board at local level, consisting of three lay members, who may not be members of the County Board, but who were each elected by the County Board for three

- year terms.
3. A Director who is responsible to the State Department and the three member local lay board, who administers the department, bonded for \$15,000.00.
4. A staff consisting of two clerical workers, and two case workers or investigators.
5. An Assistant District Attorney as legal counsel for the department.

The entire personnel of the Public Welfare Department hold their respective positions by virtue of having satisfactorily completed written examinations under the jurisdiction of the State of Wisconsin Bureau of Personnel (Civil Service), and the State Department of Public Welfare, Division of Public Assistance.

ADMINISTRATIVE BOARD

The Administrative Board of the Public Welfare Department, consisted of Mr. Wm. T. Leins, Chairman; Mr. Carl Schaefer, Secretary; and Mr. R. W. Laubheimer, Member. During the 1953 fiscal year, the members attended a total of thirteen (13) meetings at the request of the Director of the Department. The members received a fee of \$5.00 for each meeting, plus travel expenses. The responsibility of the Public Welfare Board, or Administrative Board, was to supervise the administration of the department as was provided by Section 49.50 and 49.51 of the Wisconsin Statute. They approved all new applications for assistance, they audit claims and authorize their payment from the various accounts created for that purpose, and, in general, function in such a way as to insure the operation of the department in accordance with State and Federal regulations, with the end result to derive the greatest possible benefits and reimbursements for the county, from the State and Federal government.

APPOINTING AUTHORITY

The Administrative Board also constitutes the Appointing Authority for the department, as provided by Rule No. 2, Regulation No. 1 of the State Department of Public Welfare. As such, they approve the selection of Personnel for the Department from the State Civil Service list, and regulate salaries for the Personnel of the department within the State Department salary schedule, subject to the approval, of course, of the State Department of Public Welfare and the State Bureau of Personnel.

LEGISLATION

A great deal of legislation affecting public assistance was enacted by the 1953 Wisconsin legislature. In brief, the following is a listing of some of the new bills, and their purpose in the field of Public Assistance Administration.

- 1. Removal of the \$5,000.00 limitation of real property which may be owned by an applicant for Old Age Assistance.
2. Old Age Assistance liens shall also attach to house trailers. Formerly only applied to real estate.
3. Real property transferred prior to two (2) years preceding date of application for Old Age Assistance shall not be considered in determining eligibility for aid. (Previous law provided that any real property transferred, without justification, to a relative, was a bar to eligibility.)
4. Clarification of the statutes with respect to the duties of the District Attorney, the Courts, the Agency in matters of enforcing support by responsible relatives.
5. Permits public inspection of Social Security Aid payrolls, for justifiable reasons, in accordance with certain rules and regulations of the State Department and the law.
6. Clarification of this law with respect to furnishing general relief to persons who have legal settlement in another state.
7. May have \$500.00 in liquid assets, the first \$300.00 to be transferred to the agency for burial expenses, and the amount remaining, not to exceed \$200.00, retained by the client for an emergency fund, free and clear of agency control.
8. Cash or loan value of life insurance may not exceed \$500.00. (Formerly \$1,000.00). Policy must be cashed in or assigned to the agency as a condition of eligibility. If cashed in, conditions of Paragraph 7 apply.
9. Section 49.50 and 49.51 repealed, and 46.22 created. This law provides for a uniform system of County Welfare Department throughout the state, exclusive of Milwaukee County. The Washington County Board of Supervisors, in regular meeting on September 21, 1953, adopted Ordinance No. 38, thereby providing for the compliance of the Welfare Department with the provisions of Chapter 46.22, Laws of 1953. The ordinance was effective January 1, 1954, and is now in operation since that date.

Mr. Woldt, chairman of the Finance Committee, informed the Board that a summary sheet giving details of lapsed funds, accounts overdrawn, and excess revenues over anticipated budget revenues, was found on each desk. He stated that the lapsing funds had yielded considerably more than was anticipated in the 1954 adopted budget.

Chairman Romaine told the Board that the Waukesha Conservation Office had mailed a soil conservation report to each individual County Board member prior to this meeting.

Mr. Robert Stodola, 4-H Club Leader, appeared before the County Board. He stated that his club would stress conservation of natural resources this year. Along this thought he informed the Board that one club under the leadership of Paul Cypher had done a good deal of work in the forest planting project. He stated that Mr. Paul Cypher was present and would be happy to explain a proposed project for a road side stand. Thereupon Mr. Romaine introduced Mr. Paul Cypher to the Board. Mr. Cypher stated that the forestry project developed by his club had been a success and at the present time it was being developed into a road side park. Immediately across the road from this forestry project was a wedge of land owned by Washington County which would have the possibilities for a wayside. He stated that his club would develop this wayside if Washington County would furnish the equipment for moving some surplus ground. Then his club would plant trees, build fire-places and erect tables for the convenience of the traveling public. Adolph Lofy, chairman of the Highway Committee, explained that the commissioner estimated the cost of moving this ground at about \$1,500.00. Moved by Mr. Schroeder, seconded by Mr. Larson that this matter be referred to the Agriculture Committee for further study and consideration. Motion carried.

MOTION TO MOVE SURPLUS GROUND ON 4-H PROJECT TO AGRICULTURE COMMITTEE

Moved by Mr. Bloedorn, seconded by Mr. Troedel that the board recess until 1:30 p.m. Motion carried. Board recessed.

The board reconvened at 1:30 p.m. Chairman Romaine presiding. The chair informed the board that Mr. Skalsky, County Agricultural Agent, had been confined to the Madison General Hospital and asked that a get-well greeting that was being circulated amongst members be signed and would then be forwarded to Mr. Skalsky.

Report No. 39 regarding the public welfare directors' bond was read. Moved by Mr. Woldt, seconded by Mrs. Courtney that Report No. 39 be adopted and filed. Motion carried.

REPORT NO. 39

County Board of Supervisors, Washington County, Wisconsin

This is to inform you that the office of the County Clerk has received and filed Bond No. 2055322 from the Fidelity and Casualty Company of New York in the amount of \$15,000.00; behalf of Eugene A. Brumm, Public Welfare Director of Washington County. The premium on the same is \$75.00, paid on December 1, 1953, by Check No. 1909. The bond is effective November 1, 1953 to November 1, 1954. Said bond has been checked and approved by Leroy J. Goring, District Attorney of Washington County, on November 27, 1953.

Report No. 42, a statement of the County Treasurer, was read. Moved by Mr. Schmah, seconded by Mr. Knippel that Report No. 42 be adopted and filed. Motion carried.

REPORT NO. 42 BONDS PURCHASED BY WASHINGTON COUNTY

The maturity value on Treasury Savings Notes in Series D, three year bonds, to December 1st, 1953 was \$191,629.88. Of this amount \$183,800.00 is the principal and \$7,829.88 is the accrued interest. The County bought \$185,000.00 in five year bonds due October 1st, 1948 for the net amount of \$180,356.21 which was reinvested in United States Surety Notes. The difference of \$11,273.67 was deposited into the General Account, which is the interest earned by the bonds, \$7,829.88, and the balance of the principal \$3,443.79.

Moved by Mr. Schloemer, seconded by Mr. Peter that Mr. Bascom be marked present for this session. Motion carried.

Resolution No. 75 was given first reading and laid over for second reading.

Resolution No. 76 was given first reading and laid over for second reading.

Resolution No. 77 was given first reading and laid over for second reading.

Report No. 38, an annual report of the Highway Department, was presented to the Board by Albert Kettler, bookkeeper of the Washington County Highway Department. He explained in detail the various accounts, their appropriations and expenditures as they existed at the end of the fiscal year. Mr. Rode suggested that it might be advisable for the County Highway Committee to demand a test of all bituminous materials used on county roads so that the county would be assured of good substantial road materials. It was thought that this procedure would be good assurance to be followed by Washington County on future bituminous purchases. Moved by Mr. Hilt, seconded by Mr. Troedel that Report No. 38 of the Highway Committee be adopted and filed. Motion carried.

Mr. Storck, chairman of the Institutions Committee, informed the members of the Board that the minutes of the meeting of the Institutions Committee meeting jointly with the state auditor, district attorney, trustees of the hospital and home, and the superintendent of the hospital and home, were found on each desk and he explained briefly the contents of the same. Mr. Bascom inquired regarding expenditures of surplus revenues at the hospital and home and the authorities for such expenditures. District Attorney Goring expressed belief that the regulations regarding expenditures of profits of farm would apply to the expenditures of surplus revenues of the hospital and home.

Report No. 44 of the Washington County Retirement Fund and the contribution to the social security fund during the last quarter of 1953 was read. Moved by Mrs. Courtney, seconded by Mr. Storck, that report No. 44 be adopted. Motion carried.

REPORT NO. 44

REPORT OF WISCONSIN RETIREMENT FUND (66.90 Statutes)

Washington County, by a resolution dated November 17, 1946, began participating in the Wisconsin Retirement Fund for elected and appointed officials and employees as of January, 1947. By the same resolution, the Director of the Public Welfare Department was appointed as the agent to represent the County Board of Supervisors in all matters pertaining to the Retirement Fund for Washington County, as liaison to the Retirement Office.

Individual employment records for each employee and participating official are maintained by your agent. The Highway, County Hospital and Home, and the County Clerk submit copies of semi-

monthly payroll for employees, to the Agent, from which are completed necessary monthly reports required by the State Office. These reports, when completed, are submitted to the County Clerk who then issues two checks at the end of each month, payable to the State Retirement Office, one for the employer's contribution, and the other for the employee's contribution. Financial records for this account are maintained in the office of the County Clerk.

On the following chart we submit figures showing monthly employer's and employee's contributions to the Retirement Fund for the 1953 fiscal year:

| | | |
|------------------------------|-------------------|-------------------|
| | Employer's | Employee's |
| January | \$3,090.15 | \$1,852.60 |

Rules of Order of the Board of Supervisors of Washington County

Section 1. The Board shall choose by ballot one of their members to occupy the chair. He shall be styled "Chairman of the Board" and shall hold this office during one year, or during the time that said board was elected to serve. He shall take the chair at the hour to which the Board is adjourned and call members to order, and if a quorum be present he shall direct the minutes of the preceding day to be read and mistakes if any, corrected. He shall preserve order and decorum, and shall decide questions or order, subject to an appeal to the Board. He shall, unless otherwise directed by the Board appoint all committees; he shall vote on the calls of yeas and nays. The Board shall also elect one of their number as vice-chairman. In the absence of the chairman and vice-chairman the Board shall appoint a chairman pro tem.

Section 2. Any two members may make a call of the Board and require absent members to be sent for; but a call of the Board can not be made after the voting has commenced, and the call of the Board being ordered and the absentees noted, the doors shall be closed and no members permitted to leave the room until the report of the sheriff shall be received and acted upon, or further proceedings under the call be dispensed with by a vote of the majority of the members elect.

Section 3. All questions shall be put in this form. Those who are of the opinion (as the case may be) say "aye," those of the contrary opinion say "no," and in doubtful cases any member may call for a division.

Section 4. When a motion is made and seconded it shall be stated by the chairman or clerk previous to debate. If any member requires it, all motions, except to adjourn, postpone or commit, shall be in writing. Any motion may be withdrawn by consent of the Board before the decision for amendment.

Section 5. Every member present when a question is put or when his name is called, shall vote unless the Board shall, for special cause, excuse him; but it shall not be in order for a member to be excused after the Board has commenced voting.

Section 6. A motion to adjourn shall always be considered in order and not be debated, and a call for the previous question and a motion to lay on the table, shall be decided without debate; but a motion to adjourn shall not be received when the Board is voting on another question.

Section 7. When any members is about to speak in debate, or deliver any matter to the Board, he shall arise from his chair and respectfully address himself to the chairman and shall confine himself to the question under the debate and avoid personality.

Section 8. When two or more members shall arise at once, the chairman shall name the member who is to speak first.

Section 9. No committee shall absent themselves by reason of their appointment during the sitting of the Board without special leave.

Section 10. Every resolution or other matter shall be introduced on leave and referred to the appropriate committee if considered necessary. All resolutions shall be laid over for a second reading before voted upon. All resolutions carrying an appropriation shall after the first reading be referred to the budget committee for their recommendation as to its effect upon the same day that it is introduced except by suspension of the rules.

Section 11. When a motion or question has once been made and carried in the affirmative or negative, it shall at any time on the same or succeeding day be in order for any member of the majority, or when the Board is equally divided, for a member who voted in the negative to move for a reconsideration thereof.

A motion to reconsider being put and lost shall not be renewed.

Section 12. No member or officer of the Board shall be permitted to read newspapers or magazines within the bar of the Board, while the Board is in session.

Section 13. All resolutions brought in by any member or committee shall be endorsed by the member of the committee bringing the same.

Section 14. When a member is called to order he shall sit down and shall not speak except in explanation, until the chairman shall have determined whether he is in order or not; and every question or order shall be decided by the chairman, subject to an appeal to the Board by any member, and if a member be called to order for words spoken, the exceptional words shall be taken down in writing, that the chairman and the Board may be better enabled to judge.

Section 15. A majority of all the members elected to the Board must be present to constitute a quorum for the transaction of business; and three of their number, however, can adjourn from time to time and have a power to compel the attendance of absent members.

Section 16. Any committees required to or entitled to report upon a subject referred to them may make a majority and minority report.

Section 17. All appropriations of money shall require the affirmative vote of not less than a majority of the members present and shall be voted for by the roll call vote, and entered among the proceedings of the Board. In all resolutions where a roll call vote has been requested, or is required, the names of all members voting thereon be published in the annual report and that said report show which members voted for or against said resolution.

Section 18. The following standing committees shall be appointed by the chairman of the County Board and each committee shall consist of the number of members and its duties shall be as follows:

COURT CLAIMS—To audit all circuit court, county court, sheriff's and justices of the peace accounts; to consist of five members.

GENERAL CLAIMS—To audit all other accounts which are not enumerated above; to consist of five members.

FINANCE AND BUDGET COMMITTEE—To audit all vouchers every three months and take care of all matters which come under the heading of finance. The preliminary budget of Washington County is to be presented to the County Board on or before November 1, and the final budget is to be presented to the Board before the end of November session. The committee is to consist of five members.

EQUALIZATION COMMITTEE—To take care of the equalization of taxes of Washington County. All County Board members as a committee of the whole shall act on this committee.

COUNTY INSTITUTIONS—To supervise the welfare of the Washington County Hospital, Washington County Home, and the Public Welfare Department of Washington County; to consist of five members.

SALARY COMMITTEE—To supervise all salaries paid to Washington County officials and employees except those of the highway employees; to consist of five members.

EDUCATION—To provide aid for public schools, supervising teachers, and anything else pertaining to education; to consist of three members.

COUNTY FAIRS—To supervise the county's fairs and take care of the supervision and maintenance of the fair buildings of Washington County; to consist of three members.

AGRICULTURE—To take care of the agricultural activities and 4-H Club activities of Washington County; to consist of five members.

PUBLIC PROPERTY—To have the supervision of the court house and jail of Washington County and the equipment therein, and the printing of Washington County; to consist of five members.

INSURANCE COMMITTEE—To handle all the insurance of Washington County; to consist of the following five members: chairman of the County Board, chairman of the finance and budget committee, chairman of the highway committee, chairman of county institutions committee, and chairman of the county fairs committee.

SHERIFF'S COMMITTEE—To set hours of work, vacations, compensation, duties and general rules of employment of traffic patrolmen.

THE HIGHWAY COMMITTEE shall be elected as provided by the Wisconsin Statutes, shall consist of three members and shall fix the salary of all employees of the County Highway Department, shall have charge of the supervision and maintenance of all county highway buildings and shall have such further duties and powers as provided by law.

No person shall be appointed to standing committees of the County Board except members of the County Board unless where the law provides that certain other persons shall be appointed.

Section 19. No rule shall be suspended or amended without concurrence of two-thirds of the members present.

Section 20. Any member of the County Board elected to the highway committee shall as soon as he becomes a member of such highway committee be ineligible to act on any other committee; his position on such other committee shall be automatically vacated and the chairman of the County Board shall immediately appoint successors to such vacated positions on the various committees; except for members of the insurance committee, when the board meets as a committee of the whole, or as otherwise designated by the rules of order.

Section 21. No petition shall be considered by the County Board of Washington County unless such petition be sponsored by and signed by a member of such board. No petition for the construction or repair of roads or bridges in Washington County shall be considered by the County Board of Washington County unless

such petition shall be signed by a majority of the members of the town, village or city board or boards where such construction or repair is to be done.

Section 22. After the minutes of the preceding day have been read and opportunity has been given to correct, the following order of business shall be followed:

1. Resolutions may be offered and considered.
2. Reports of committees.
3. Memorials and other documents.
4. After one hour has passed, then the unfinished business on the chairman's table may be taken up and considered.

Section 23. The rules of parliamentary practice comprised in Robert's Rules of Order shall govern this Board in all cases in which they are applicable and in which they are not inconsistent with the rules and orders made by this Board.

Section 24. The date for the election by the members of the County Board of Supervisors shall be fixed on the opening day of the November session of said board except as otherwise provided by law.

The following procedure shall be followed for the election of all members of the highway committee and other elections by the County Board of Supervisors. Under this procedure only one office will be filled on one series of ballots.

Nomination shall be made by written ballot. The three men receiving the highest number of votes on such nominating ballot shall be declared nominated and no other names shall be considered or recognized in such election as a candidate.

In the event of a tie, nominees tied shall be declared nominated. If one member receives a majority of all votes cast in the nominating ballot, provided such ballot was a written ballot, he shall be declared elected; if no member receives a majority, a ballot shall next be taken for the election of first committee member, and if one of the three nominees receives more than one-half of all votes, he shall be declared elected. In the event that no nominee receives more than one-half of all votes cast, a third ballot shall be taken on the two candidates receiving the highest total number of votes cast and the person then receiving the plurality of votes shall be declared elected.

In case of a tie on final ballots, lots shall be drawn by the two persons tied.

Section 25. Instead of adjourning at noon, the board shall recess to a definite hour in the afternoon and any member, not answering to roll call, may ask unanimous consent of the board to be marked present and the board may grant such request if just cause is shown.
