

Barbara Borchardt Weds Donald Dei

NEWLYWEDS OF SATURDAY HONEYMOONING IN FLORIDA; OTHER COUPLES MARRIED

Spending their honeymoon in Florida are Mr. and Mrs. Donald Walter Dei, who were married Saturday afternoon, April 16, in a 4:30 o'clock ceremony performed by the Rev. A. C. Decker in Christ Lutheran church at Jackson. Mrs. Dei, the former Barbara Elane Borchardt, is a daughter of Mr. and Mrs. Ernoch Borchardt of Jackson. The bridegroom is a son of Mr. and Mrs. Walter Dei, Kewaskum.

During the service special music was provided by Wallace Cudnoski, who sang "The Lord's Prayer." White carnations, snapdragons and gladioli decorated the church for the nuptial rite.

The bride was attractive in a gown of imported corded lace styled with a lace fitted bodice with a Queen Ann collar detailed with beads and sequins. The gown had long, traditional sleeves and the full skirt of lace was augmented with accordion pleated nylon tulle and fell gracefully to the floor as did the full train of lace. A beautiful tiara held her fingertip veil of French illusion which was scalloped and had a finished edge. Her flowers were white carnations, hydrangeas centered with white orchids.

Attending the bride as matron of honor was Mrs. Gene Gronewald. She wore a dotted blue marquisette ballerina gown with a headpiece to match and veil attached. Her flowers were pink carnations. The bridesmaids, Misses Diane Uemmen and Darlene Dei, wore dotted pink marquisette ballerina frocks with headpieces to match and veils. Both carried yellow carnations. The junior bridesmaids were Patricia and Susan Lane, who were attired in matching pink marquisette. They carried colonial bouquets of yellow carnations and roses.

Byron Dei served as best man for his brother, Richard Borchardt and Earl Dreher, Jr. ushered the guests to their places.

A buffet supper was served and reception held for many guests at the Linden Inn, Big Cedar Lake.

The bride is a graduate of West Bend High school and the Accredited School of Beauty Culture. She had been employed as a beautician. The bridegroom graduated from Kewaskum High school and the Milwaukee School of Engineering.

BEINE-THEUSCH

Miss Lorraine Theusch, daughter of Mr. and Mrs. Walter Theusch, R. 3, Kewaskum, and Ervin Beine, son of Mr. and Mrs. Alois Beine, R. 3, Hartford, exchanged wedding vows in St. Bridget's church, St. Bridget's, in a 9 a. m. ceremony on Saturday morning, Apr. 16. The Rev. F. C. La Bui presided.

The bride chose a gown of chantilly lace and nylon tulle worn over satin. It was styled with a lace bodice with a wing collar. The bouffant skirt had lace inserts and ended in a long train. Her fingertip veil of illusion was gathered to a cap of seed pearls and sequins and her flowers were a cascade of red and white roses with tiny streamers of satin ribbon and rosebuds.

Elmhurst Choir to Give Concert Here

The Chapel choir of Elmhurst college will present a concert of sacred music on Sunday morning, April 24, at Peace Evangelical and Reformed church at 10 a. m.

The primary function of the Chapel choir is to assist with the musical portion of the chapel services that are held at the college. During the present school year, however, the choir will sing in churches and schools throughout Iowa, Minnesota, Northern Illinois and Wisconsin.

Having a sacred repertoire, the Chapel choir is a chorus of 40 mixed voices. Its music ranges from 17th century Palestrina to 20th century music of Berger, Holst, and Schumann.

T. Howard Krueger is serving his fifth year as choir director; he also heads the Elmhurst college school of music.

Rev. F. L. Rodenbeck has invited the public to attend.

Members of the church are invited to bring a potluck dinner.

Dinner was served and a reception held in the Holy Trinity church parlors, Kewaskum. In the evening a wedding dance was held at the Zivko-Goring ballroom at 351 Cedar Lake.

The newlyweds left on a honeymoon through the southern states, following which they will be at home at 8 1/2, Hartford. Mr. Beine is employed at the P. A. Mueller company in Hartford. His bride had been employed at Regal Ware, Inc. in Kewaskum prior to her marriage.

BOWE-AYRMAN

Daytona Beach, Fla., is the honeymoon destination of Callen E. Bowe, son of Mr. and Mrs. E. F. Bowe, Kewaskum, and his bride, the former Miss Barbara Ann Ayrman, 407 Walker street, Fond du Lac, who exchanged nuptial vows in a 9:15 a. m. double-ring ceremony Saturday at St. Joseph's church, Fond du Lac, the Rev. John Litner officiating. The bride is the daughter of Mrs. J. W. Trummer, Eau Claire.

Bouquets of pink gladioli and Easter lilies blanketed the altar of the church. Miss Ruth Hauer was at the organ.

Presented in marriage by her grandfather, Joseph Darnick, Sr., the bride was attired in a white linen suit with white accessories. Her corsage was fashioned of red roses and white hyacinth bells.

Miss Joan Schingen, maid of honor wore a blue linen suit with white accessories. Yellow roses and white hyacinth bells formed her corsage.

John Bowe attended his brother as best man. Guests were escorted to their places by Robert Darnick and Laurence Swenson.

The Hobnob, Fond du Lac, was the setting for a dinner and afternoon reception.

After returning from their wedding trip, the newlyweds will reside in West Bend where the bridegroom is associated with the Beaccon Realty company. Mrs. Bowe was formerly employed by the La Resista Corset company, Fond du Lac.

PANZER-HALLMAN

A 7 p. m. ceremony was performed in the Peace E and R church, Kewaskum, by the Rev. F. Rodenbeck on Saturday, April 16, in which Miss Anne Hallman, of New York, became the bride of Eugene Panzer, son of Mr. and Mrs. Herman Panzer, R. 1, Kewaskum.

Hirsigs Celebrate Golden Wedding

Mr. and Mrs. Rudolf Hirsig, Edward Dobke, Oscar Hirsig and Felix Hirsig. They also have one daughter-in-law, three sons-in-law and six grandchildren. Mr. Hirsig is employed at the Heinemann Dairy in Kewaskum.

Senior Class Play at High School Apr. 29, 30

The 1955 senior class of Kewaskum Community High school will present their annual class play, "One Foot in Heaven," by Hartzell Spence, next Friday and Saturday evenings, Apr. 29 and 30. The play will take place in the school auditorium and will start at 8 p. m. each night.

The play is a real life drama of the actual experiences of the author and his family. The play dramatizes the difficulties encountered when the father establishes a parish in a new community.

WOMAN INJURED WHEN AUTO ROLLS OVER NORTH OF TOWN

Mrs. Anita Flynn, 25, of R. 3, Campbellsport, sustained a bump on the head, bruised knees and a possible chest injury early Saturday morning on Hwy. 45 a short distance north of the overhead bridge a half mile north of Kewaskum. She lost control of her car and it left the road and rolled over. The car broke off two guard rail posts in running off the highway. The auto was damaged.

CARDS AT ST. MICHAELS

The Altar sodality of St. Michaels, will sponsor a card party Sunday afternoon, May 1, at 4:30 p. m. All games played. The public is cordially invited. Lunch served. Door prize. 4-22-55

KLUGE-KAHR

United in marriage at 3 o'clock on Easter Sunday afternoon, April 16, at Trinity Lutheran church in Dundee were Miss Anna Kahrs, daughter of the Rev. and Mrs. Harvey Kahrs of Dundee, and Charles Kluge, son of Mr. and Mrs. Theodore Kluge of Menasha. Rev. Kahrs, father of the bride, performed the double ring ceremony.

The bride wore a white suit with orchid and white accessories. She wore an orchid corsage. Her only attendant was her sister, Betha Kahrs. She wore a pink suit with navy and white accessories. Her corsage was of white feathered carnations.

David Kluge, brother of the bridegroom, served as his only attendant.

A six o'clock dinner was served at the Empire Hotel in Theresa for the immediate families.

The bride graduated from Winnebago Lutheran academy in Fond du Lac and attended Martin Luther college in New Ulm, Minn. At present she is teaching at Trinity Lutheran school in Neenah.

Mr. Kluge is a graduate of Menasha High school. He is serving in the navy and is stationed aboard the USS Wisconsin in Norfolk, Va. After the end of the school term Mrs. Kluge will join her husband in Virginia.

Final Results in March of Dimes Drive in County

TOTAL OF \$996.31 CONTRIBUTED IN VILLAGE, \$15,045.22 IN COUNTY

The 1955 March of Dimes campaign in Washington county was termed "highly successful" this week, with net contributions to the drive amounting to \$15,045.22.

The results of the campaign were announced by Alan E. Pick, chairman of the drive in the northern portion of the county, and Francis Jeffords of Hartford, southern portion chairman.

In issuing their report Pick and Jeffords expressed their sincere appreciation to all who worked with them to make this year's drive so successful, particularly praising the generosity of county residents, whose contributions made the 1955 campaign the second most successful ever conducted in the county. The all time high record of contributions was set in 1954, when total contributions amounted to approximately \$15,600.

"The year 1955 has been a history making one in the battle against crippling polio," the chairmen pointed out. "With the discovery of a safe and effective vaccine, a great advance has been made toward the time when this disease will be completely conquered. Residents of Washington county can feel justly proud of the fact that they played a part in making the discovery of the life-saving Salk vaccine possible, since it was their contributions and those of their fellowmen throughout the nation which supported the research program and brought about its discovery. On behalf of all who have benefited in the past from the March of Dimes, as well as those who will continue to benefit through continued care in the future, we thank the residents of Washington county for their generous support of the 1955 campaign."

Contributions according to town, village and city reports were as follows:

Towns—Addison, \$391.75; Barton, \$265.53; Erin, \$287.30; Farmington, \$441.38; Germantown, \$110.59; Hartford, \$222.75; Jackson, \$265.15; Kewaskum, \$151.35; Polk, \$223.88; Richfield, \$278.80; Trenton, \$441.85; Wayne, \$93; West Bend \$169.20.

Villages—Barton, \$419.47; Germantown, \$177.56; Jackson, \$223.80; Kewaskum, \$996.31; Slinger, \$111.67; Newburg, \$125.70.

Cities—Hartford, \$2,615.57; West Bend, \$6,143.09.

Unclassified contributions from the southern portion of the county totaled \$405.51, while county school contributions amounted to \$555.01.

Contributions in the city of West Bend were divided as follows: Parking meters, \$65; industry, \$1,335; radio show, \$70; organizations, \$760.78; coin collectors, \$424.55; schools, \$599.55; Mother's March, \$2,643.70, and miscellaneous, \$163.50.

Expenses for the campaign amounted to \$192.95, with 191 going for supplies from the National Foundation for Infantile Paralysis and \$1.95 being expended for stickers for the parking meters.

Of the net amount collected here, 50 per cent or \$7,522.61 has been forwarded to the National Foundation. The remainder is kept in the county for the support of the local polio chapter.

BETROTHAL ANNOUNCED

Mr. and Mrs. Gerhard Jungmans of Jackson announce the engagement of their daughter Nancy to Herman Panzer, Jr., son of Mr. and Mrs. Herman Panzer, Kewaskum.

EXPRESSES THANKS

I wish to thank all those who sent cards and gifts and visited me while I was a patient at the hospital. It was appreciated very much.

West Bend Beats Indians in Opener

VETERAN LOCAL TEAM OUT-HITS BADGERS BUT LOSES 6-3 TO BEGIN EIGHT GAME SCHEDULE, 51 CANDIDATES REPORT

The Kewaskum Community High school Indians opened their baseball season with a practice game at West Bend Saturday afternoon. Although they outbit the Badgers, 6-3, they lost by just the reverse score, 6-3. Scheduled for last Thursday, the tilt was postponed until Saturday because of rain.

The Indians' pitchers, Doug Wierman and Dave Mertzig were tough but they lacked control. They gave up only 3 hits and struck out 10, but walked 7 batters. West Bend scored all 6 runs in the first three frames while Kewaskum bunched all of theirs in the fourth. Although held in batting, West Bend took advantage of good fielding, walks, and other opportunities.

Dick Beth hurled the first 4 innings for the Badgers. He was touched for 4 hits, fanned 3 and walked 2. Paul Gumm pitched the last stanzas and was nipped for 2 hits, whiffed 3 and walked none.

Wierman and Stenman opened Kewaskum's 3rd inning with singles but were stranded as the next 5 batters fanned and Tassar fied out. Singles by Rosbeck and Wierman, an infield error and a walk accounted for all of the Indians' 6-hit attack with two bingles.

There are 11 lettermen back on Kewaskum's squad this year, giving them a veteran lineup in the 71-County conference race. The city regular lost is Carl Koepke, a good outfielder.

The team was scheduled to open the conference race Monday at Hustiford but the contest was rained out. Hustiford is a member of the loop only for baseball. On Thursday of this week the Indians played at Oakfield. Rosendale will play the first home game Monday.

Doug Wierman was the No. 1 hurler last year and should be improved this season. Two sophomores, David Mertzig and Dave Ecker, are other mound prospects. All are right handers.

Other lettermen are Ira Heberer, second base; Robert Sipple, shortstop; Mark Rosenheimer and Tom Peterson, first base; Tom Tassar third base; Walter Koepke, Chuck Dryher and Norbert Rosbeck, outfield; Barney Skrentny, catcher, and Gil Hammer, outfield or catch.

Promising infielders are Bob Straman and Jerry Nigh. Other fair prospects are Bob Struobing, Carl Meyer and Don Bradge, outfielders.

Walt Bade succeeds Ernie Mitchell as the Kewaskum baseball coach this spring. Mitchell was coach for the past 13 years and will continue to serve as football mentor.

Here is the team's schedule for the campaign: Apr. 16—Kewaskum at West Bend; Apr. 18—Kewaskum at Hustiford; Apr. 21—Kewaskum at Oakfield; Apr. 25—Rosendale at Kewaskum; Apr. 28—Lomira at Kewaskum; May 2—Kewaskum at North Fondy; May 5—Campbellsport at Kewaskum; May 9—Kewaskum at Brandon.

It is also planned to schedule a few games for the "B" squad. A total of 51 candidates reported for baseball.

COUNTY DEMOCRATIC PARTY TO HOLD MEETING APRIL 26

CANADA JAY, WHISKEY-JACK CAMP ROBBER

CANADA JAY
 © 1954 National Wildlife Federation

Perisoreus canadensis

There is no question but that these birds are reasonably well known within their range to almost anyone who has camped out in relatively wild territory. They are even well known in some of our state and national parks where they may be found in reasonable abundance around camp sites that are in use or which have been recently abandoned by careless campers. The name Camp Robber is possibly more appropriate than any of the other common names since the birds will hang around a camp site and remove spare bits of food whenever opportunity presents itself. Sometimes they assist in providing the opportunity.

Canada Jays are about a foot in length with a tail about half as long as the total length and a wingspread of about 17 inches. The female is somewhat smaller than the male. The overall appearance is that of a large gray bird with a dark cap, with white forehead and neck and throat and with the under parts a lighter gray than is found on the upper areas. To some, the bird suggests a long-tailed crow or a greatly overgrown chickadee except of course in each case for the amount of white on the head.

The birds unquestionably possess more than their share of nerve. To some they seem to have a delightful sense of humor unless of course their humorous acts affect one's convenience. The sexes are colored alike and the young birds are darker and almost slate-colored.

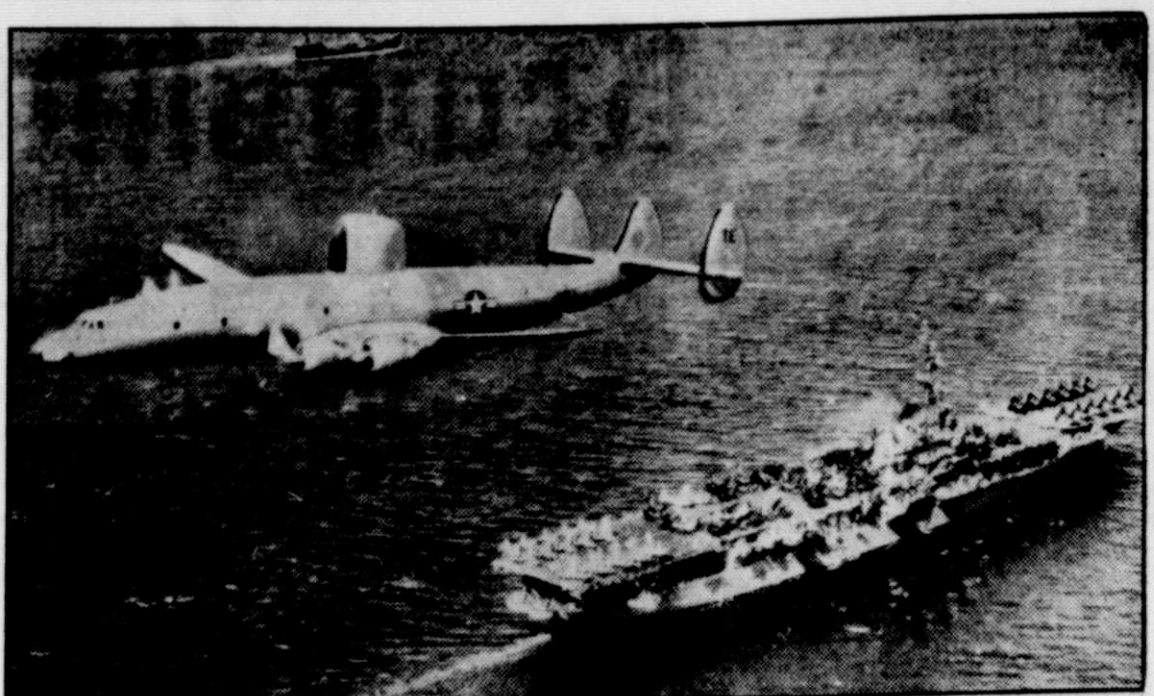

Canada Jays are members of the Jay family and as such are closely related to the crows and ravens. They are represented by three subspecies, the Canada, the Rocky Mountain and the Alaska jays. The Canada jay breeds from Alaska and northern Mackenzie to Labrador and south to central British Columbia, northern Minnesota and northern New York. The Rocky Mountain jay ranges south to Arizona and New Mexico.

Canada jays nest in evergreen forests for the most part but may be found nesting in swampy areas also. The nest is large and neatly built of twigs with a lining of grasses and soft plant materials. From 3 to 5 grayish or yellowish eggs are laid. Incubation lasts from 16 to 18 days. Breeding begins early in the spring and there

is but one brood a year. The birds commonly travel in pairs or in small family groups.

The food of these birds is highly varied and includes almost anything that is edible. The stomach of one bird was found to contain almost 1,000 eggs of tent caterpillars but other foods found have been tooth paste, fish, eggs, meat and general garbage. Mice and beetles have been found to be used as food. On the whole, qualified observers consider the birds are more helpful than injurious to man's interests.

Somehow it is difficult to try to evaluate seriously a bird that seems to have such a good time around a camp site and which provides such amusing companionship to human beings who for one reason or another have chosen to spend a portion of their lives roughing it. It is doubtful if many who know the bird wish for its elimination. The National Wildlife Federation welcomes the opportunity to introduce you to the bird.—E Laurence Palmer.

PATCH HOLES IN PLASTERED WALLS

SMALL HOLES

- 1-Clean all loose plaster from the hole or crack to be repaired.
- 2-Mix plaster according to directions on the box. Mix only small amount at a time. To slow down setting time add a little vinegar to the water.
- 3-Dampen plaster around the crack or hole.
- 4-Fill hole or crack more than level with the wall with patching plaster using a putty knife or trowel.
- 5-Sand level with wall surface when dry.

LARGE HOLES

GYPSUM LATH
ROUGH PLASTER
FINISH PLASTER

HOW DO YOU PATCH PLASTER CRACK

You do not have to be a plasterer to patch those small or medium sized holes in your plastered walls. The time required for a professional plasterer to get set up for job is more than the job is worth. A reader asks this question.

QUERY:

We have to redecorate the house we have just bought. I believe we can handle everything but patching the holes in the plaster. Have tried patching plaster, but it shrinks and cracks around the edges when it dries.

Is there some special way to prevent this? Should we use patching plaster for the larger holes?

—D. K.

ANSWER:

Small holes in a plastered wall, between 1/2 inch and 4 inches in diameter, should be filled with patching plaster. Smaller holes should be filled with Swedish putty as described in a previous article.

Clean out all loose plaster with a trowel, putty knife or chisel. Undercut the edges so that the plaster patch will form a key when set. Brush out all dust.

Wet the edges of the plaster around the hole. This is very important. When the dry plaster absorbed water too rapidly from the patching plaster, a crack may open up around the edges of the patch.

Cracks may also be the result of shrinkage when patching the

larger holes. When the patch does crack, simply fill the crack with more patching plaster or with Swedish putty.

Mix the patching plaster according to directions on the box. Mix only a small quantity at a time, and be prepared to use it the minute you get it mixed. It sets quickly and will lose its hardening qualities if you attempt to remix it with water.

A little vinegar added to the water will slow down the setting time.

Use a putty knife or small pointing trowel to fill the hole. The hole should be filled slightly more than level with the wall because of the tendency of the patching plaster to shrink.

When the patching plaster has dried, level the patch with the surrounding plaster with sandpaper. If you have a lot to remove use coarse sandpaper at first, and finish off with finer sandpaper.

It is possible to mix several small batches and fill the holes, by working from the outside edges toward the center.

A better method is to use regular plaster. The steps in preparing the hole are the same as for patching plaster.

Buy a bag of rough plaster. Brown coat, fiber plaster, or sanded plaster may be used. Mix according to directions on the bag.

Fill the hole within 1/16 inch of the surrounding wall surface. Do not fill the hole completely. Test with a straight edge to be sure. Scratch the surface to leave it rough.

Use finish plaster to fill the hole even with the wall, after the first coat has dried. This may be troweled easily.

Seek Guidance for Problem Children

Many of us as parents at times wish there was someone we could turn to for help and advice with some behavior problems we are having with our child. And such help is readily available for parents—at Child Guidance Centers located in a number of communities throughout our state.

Here, in these centers, is help for those who request it—help not only for children who have serious troubles, but for any child who is unhappy. Working on the theory that the physical and mental well-being of the child are closely associated, a trained staff stands ready to work out your problems with you.

Preventive as well as corrective assistance is available. Just as intelligent parents do not wait 'til their children get pneumonia before taking them to a doctor, so too in cases of behavior problems parents are learning that an ounce of prevention is worth a pound of cure.

Behavior problems are symptoms—an outward sign that the child is reacting against something in his life situation. It is his attempt to solve a problem. Granted, it may be a poor solution in our eyes; but we must recognize it as a symptom which has meaning which needs understanding.

Symptoms in themselves do not tell us what is wrong. Unhappy children show their unhappiness in many ways. Early indications may show up in infants through their feeding, elimination, sleep disturbances, or irritability. Preschool children may suck their thumbs, be overactive, fearful, or have temper tantrums. One child shows disturbances in one way, another in an entirely different way.

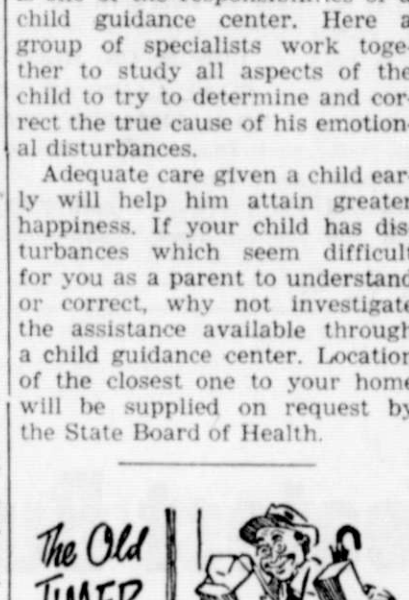

Often only by individualized study and diagnosis can we come to understand why he behaves as he does. Without knowing the cause, no cure is possible. This is one of the responsibilities of a child guidance center. Here a group of specialists work together to study all aspects of the child to try to determine and correct the true cause of his emotional disturbances.

Adequate care given a child early will help him attain greater happiness. If your child has disturbances which seem difficult for you as a parent to understand or correct, why not investigate the assistance available through a child guidance center. Location of the closest one to your home will be supplied on request by the State Board of Health.

Sarah Anne's COOKING CLASS

Spareribs 'n' Sauerkraut

Braised spareribs and sauerkraut are a homey, old-fashioned combination destined to delight the whole family. You'll like them with baked potatoes and a crisp Waldorf salad.

Nutrition experts say we should serve potatoes at least once a day because they are an inexpensive source of certain minerals and vitamins. Here are some of the many ways to serve them.

Potato Pancakes

6 medium sized potatoes
2 tablespoons flour
1 teaspoon salt
1 teaspoon baking powder
2 well beaten eggs
Pepper
Shortening, salad oil or bacon drippings

Peel and grate potatoes, grate enough to have 1 1/2 cups drained of liquid. Sift flour, salt and baking powder together and add to potatoes. Mix well and add eggs. Add a little pepper. Heat fat in a frying pan, don't have much fat in pan. Drop spoonfuls of potato mixture in the fat and fry on both sides until brown. Turn only once. Drain on absorbent paper. They should be crisp and brown. Best results are obtained by grating and preparing the pancakes as near serving time as possible.

Potato Cakes

6 large potatoes
6 tablespoons hot milk
3/4 cup chopped onion
2 tablespoons butter
Salt and pepper
1 beaten egg

Cook and mash potatoes. Beat up and add hot milk. Sauté onions in butter until golden. Mix with potatoes. Season with salt and pepper. Add egg. Chill. Shape in small flat cakes. Roll slightly in flour. Brown on both sides in bacon fat or butter.

Alphonso Potatoes

1 green pepper seeded
2 cups cold potato cubes
1/2 teaspoon salt
3/4 cup milk
1 1/2 tablespoons grated Parmesan cheese

Cook pepper 6 minutes in boiling water. Drain and mince. Add to potatoes. Add milk and salt. Simmer 15 minutes. Put in a buttered baking dish. Sprinkle with cheese. Bake 10 minutes in an oven (400 degrees).

Scalloped Potatoes with Pimientos

4 diced potatoes
1 bell pepper chopped
2 pimientos
Salt and pepper
1 teaspoon chopped onion
1 cup grated cheese
2 cups white sauce

Cook potatoes and onion 10 minutes in boiling salted water, covered. Drain. Add the bell pepper and pimientos. Add salt and pepper. Put in a buttered baking dish. Cover with cheese sauce. Bake 40 minutes in an oven (350 degrees).

Salt Codfish Cakes

6 medium potatoes cooked and mashed
1 cup packaged shredded codfish
1/2 cup milk
1 egg beaten
3 tablespoons fat

Combine the mashed potatoes, codfish, milk and egg. Form into 12 cakes. Sauté in the fat until golden brown on both sides.

Cabin Casserole

6 pork chops, cut 1/2 inch thick
2 cup sliced potatoes
2 tablespoons flour
Salt and pepper
2 cups milk
1 tablespoon chopped parsley

Brown the chops on both sides in a frying pan. Place 3 of the chops in a greased casserole. Sprinkle with salt and pepper. Cover with sliced potatoes, sprinkle the flour over the top. Place the remaining pork chops on top. Sprinkle with salt, pepper and parsley. Pour the heated milk over it. Cover and bake 1 1/2 hours in an oven (350 degrees). Uncover the last half hour of baking.

Creamed Fish

Thinly sliced cooked potatoes
2 lbs. boiled fish
1 cup cream sauce
Juice of 1 lemon
1/2 cup sour cream
Parmesan cheese

Cover the bottom of a baking dish with the slices of potato, then lay pieces of fish. Add the lemon juice to the hot white sauce. Let this boil but a few minutes. Add sour cream and pour over the fish. Sprinkle with Parmesan cheese. Bake 10 minutes in an oven (350 degrees).

Cherry Alaska

2 tablespoons cornstarch
1/2 cup sugar
2 1/2 cups canned red cherries
1 pint vanilla ice cream
8 baked tart shells
4 egg whites
1/8 teaspoon cream of tartar
1/2 cup sugar

Mix cornstarch and sugar, stir in cherries and juice. Cook slowly about 10 to 12 minutes. Chill. Just before serving, place 2 tablespoons ice cream (frozen firm) and 2 tablespoons of cherry mixture in each tart shell. Cover completely with meringue. Bake at 450 degrees until lightly browned, about 5 minutes. Serve at once.

Meringue

Beat egg whites until stiff with the cream of tartar. Beat in sugar gradually and continue beating until it makes a very stiff meringue.

FOOD... through the ages...

534 YEARS AGO

CARAVANS CROSSED EASTERN DESERTS WITH COSTLY SPICES FOR THE WEDDING FEAST OF ENGLAND'S HENRY V AND CATHERINE OF FRANCE.

TRANSPORTED AT FABULOUS EXPENSE, THESE SPICES, MIXED WITH SHREDDED MEAT AND FRUITS, PRODUCED MINCE PIE, MOST EXOTIC FOOD OF THE DAY.

SO PRECIOUS WERE THE PIES THAT THE KING DETAINED ARMED KNIGHTS TO GUARD THEM FROM THIEVES.

TODAY, AMERICANS BUY AT A MERELY NOMINAL PRICE, THE ONCE PRICELESS MINCEMEAT, WITH ITS 21 INGREDIENTS, CONDENSED IN PACKAGES, OR READY-TO-USE IN GLASS JARS.

OUR DEMOCRACY

MAPPING THE WAY

AFTER A CENTURY OF HAPHAZARD SURVEYING—OF TREE BOUNDARIES AND WHEEL OR PACE MEASUREMENT—THE U.S. GEOLOGICAL SURVEY WAS ESTABLISHED 75 YEARS AGO, TO EXPLORE AND MAP THE COUNTRY'S RESOURCES WITH SCIENTIFIC ACCURACY. EVEN NOW, MUCH OF THE WORK REMAINS TO BE DONE—SO THE AGENCY IS STILL PIONEERING IN A SENSE.

WE AMERICANS, IN A YOUNG AND VIRILE COUNTRY, HAVE JUST BEGUN TO REALIZE THE POSSIBILITIES, SO VAST AND RICH ARE OUR RESOURCES. INITIATIVE, ENTERPRISE AND THRIFT, AND THE CARE WITH WHICH WE MAP OUT OUR PLANS, HELP US IN ATTAINING OUR GOALS. WHETHER WE'RE EXPLORERS, FARMERS, FACTORY WORKERS, SCIENTISTS, OFFICE PEOPLE—WE'RE ALL STILL PIONEERING.

THAT "CATCH IN THE BACK"

Spring is the time of the year when so many are badly crippled by a sudden "catch in the back" upon twisting or lifting. It is very painful especially upon exertion. This condition may be due to a present injury or from one which may have occurred many years before. This "catch" is apt to re-occur periodically unless the cause is removed.

The pain is most generally referred to as rheumatic neuritis, and is caused by highly inflamed and irritated nerves. If the condition is of long standing degeneration of the nerve itself may have taken place. Because Chiropractic adjustments remove the cause, they are very beneficial in these cases.

TEACUP TOPICS

Colors, real colors, are the news this spring. They are delightful to feminine instinct, says Betty Ann.

Colors are fairly bursting in accessories. Avocado, pink, mauve, yellow and turquoise tumble over each other in store windows like flowers in a basket.

And manufacturers have erased the picture of a woman clutching a new hat in the shoe department. They've co-ordinated accessories with an imaginative richness that sings a siren song to the purse.

Hats, handbags and belts, shoes, gloves, stockings, neckwear and jewelry can all be mixed and matched with a lavish hand because they all seem to have had a nodding acquaintance with each other in the dyer's mind.

Gloves, fabric and leather, plain and fancy, are wealthy in color and decoration.

In neckwear, the great big collar makes a happy return. Its washable pastel lights up a sedate dress. Miracle fibers move into the scarf field to make floaty dainties stay eternally fresh with frequent sudsing.

Stockings are colorful, too. Powdery blue, mauve, apricot, amber and pink. They can go with pastel shoes or contrast.

And whoever saw such shoes? The colors leather turns up in this spring put nature in the shade.

So have a fling at bright pastel accessories. Toss a handful to your spring suit for this year's look.

Sweater and mothballs once. Sweaters and mothballs once. But with the advent of orlon, the sweater girl doesn't go into retirement when the thermometer goes up. Sweaters have truly become a year around fashion particularly since this season they are being designed specifically to coordinate with other spring and summer fashions. Under a suit, topping a skirt, paired with pedal pushers, over a bathing suit, the sweater will have a right look.

All this is proved to its prettiest point in spring and summer collections featuring primrose yellow (jauntily stepping into the color lead for the first time in years), melon, baby pink and blue, violet, white and black.

Soft little waistlength slipovers, concentrate on necklines to make the news: U shaped scoops with wide bands of ribbing to give form and pattern, flattering V's flared with soft shawl collars, high tiny turnover collars with crocheted edging, to be worn back or front. Deliberate steals from the men's department are V necked slipovers to wear with shirts and shorts.

It's rosebuds for romance. Little evening tops with cool, scoop necklines, or the abbreviated cardigans are sometimes strewn with delicate little satin rosebuds in pretty pastel colors. The full fashioned, long sleeve cardigan hopes to play the "little mink" role of summer evening jackets.

Some have a new look with tracings of satin and lace touches or detailed with grosgrain ribbon. Even the wonderful little bulky jackets, an exciting contrast with light summer clothes, are made heavy enough for a coolish day or evening, but never too warm to wear.

Spring is time to be on the go and what travels better, washes easier, dries faster, than orlon sweaters and tops particularly when all trimmings and colors are screened for washability.

The middy dress, tucked all over and with a deep collar front and back, will be worn spring through summer this year.

To make perfume last longer, when it comes in a big bottle, take some out for a small bottle and seal the big one back up with paraffin and store it in a cool, dark place.

One of the most pronounced trends in footwear today is toward lighter weight, softer leather shoes, in response to popular demand. The answer from the leather industry is glove soft leathers that can be tanned myriad colors for use in building really easy on the feet footwear.

Fluffy steamed rice tossed with sliced toasted almonds and sautéed mushrooms is positively elegant to serve with oven fried chickens.

That Kind

Clerk — These are especially strong shirts, madam. They simply laugh at the laundry.

Customer — I know that kind. I had some come back with their sides split.

It takes ten tons of falling water to generate one kilowatt hour of electricity.

Health & Beauty

Any woman whose skin presents a fine, velvet bloom is lucky beyond words. Women born with this great asset are few. There are many today who cultivate and create a lovely complexion through proper diet, powder and powder-blended foundations.

The proper diet requires a little self control at times but the end results in face and figure more than compensate. Eat foods that are high in vitamin A. These include almost all vegetables, especially green, leafy ones almost all fresh fruit, especially citrus fruits—dairy products—be sure to drink at least one pint of whole milk each day. If you must diet, use skim milk and watch the amount of fat you eat.

Exercise and fresh air will benefit both your complexion and figure. Poor circulation is often the cause of a muddy, tired looking skin.

The skin deep part of a beautiful complexion can come in the form of loose powder, bottle of powder blended foundation or a cake of cream-blended powder. Which ever you choose, it is important to take your time and buy carefully.

These powders should be chosen for texture as well as color. Some companies design their powders in both light and heavier textures. Heavier powders have more clinging power and absorb more of the skin's natural oils. They are best suited to an oily skin.

Normal and dry skins like lightweight powders. Some very fine grained powders have exceptional cling and become any skin.

Face powder colors belong in three large groups—the pinks, who do wonders for a sallow skin; the neutrals which are best for a ruddy complexion; and the goldens which add warmth to a pale complexion.

A good liquid tinted foundation helps hide imperfections. Foundations shades should be chosen to face powder colors. The new cream blended cakes come in their own neat containers and are just the thing for your purse. There will be no loose particles to fly through the air or spill in your bag.

Repeat

A man telephoned his doctor, asking him to come as quickly as possible. "My wife has appendicitis."

The doctor retorted: Nonsense! I took your wife's appendix out three years ago, and I never heard of anyone having a second appendix."

"To which her husband replied, "Ever hear of anyone having a second wife?"

The SNAPSHOT GUILD

Shooting from the ant's eye view lends charm to this picture by emphasizing the height, the smallness of the kitten, and utilizing the sky as a good neutral background.

Whose Point of View—the Bird's or the Ant's?

Let's stop to consider the point of view we usually take when we line up a picture in the viewfinder. At least nine times out of ten, we shoot the subject straight on. Many times this is the best way to do it, but if we let ourselves get in the habit of doing it all the time, our snapshots can get pretty monotonous.

Look at your subject from various angles. . . think what your subject might look like to an ant who is sizing it from his point of view at a picnic spread on the ground. Then go to the opposite extreme and imagine what your subject might look like to a bird sitting in a tree.

Of course, there may be points in between where the view is better, but don't hesitate to take a look from angles just that extreme. After all, you are only looking in the viewfinder, and that doesn't cost a thing.

Looking up, or down, on your subject often times helps you

Pack and Carry Luncheons

Here's a pack-and-carry lunch that does itself proud by way of a yardstick of good nutrition and Good Eating—sandwiches (these are right from the freezer) that are protein-rich with fillings of meat, chicken, cheese.

A vegetable is a must—here are lettuce and carrot sticks wrapped with olives and cubes of Cheddar cheese for relishing nibbles. Fruit and a cup cake for the bit of sweet, with refreshing cold milk in the thermos. The gay little basket-purse serves well as a carrier for school or white-collar girl.

How to Freeze Lunch Box Sandwiches

Have on hand: 1. A variety of breads, enriched white, whole wheat or cracked wheat, rye, raisin bread, your own homemade nut and fruit loaves. These are a bread to complement every kind of filling—which makes for better sandwiches.

2. Butter: have at room temperature so it may be whipped

3. Fillings—meat or chicken—sliced or chopped; fish; hard-cooked egg (finely chopped—avoid slicing of egg); cheese mixtures; cheese spreads; peanut butter and jelly or honey. Do not add celery, carrots or pickles to mixtures. They lose crispness. So too does lettuce. Tomatoes don't like freezing. Add these along with relishes such as pickles and olives to the lunch.

4. Wrappings—These materials should be moisture-vapor-proof. They may be foil, cellophane or heavy waxed papers designed for such purpose. Or pack each sandwich in a sandwich bag, fasten closely with cellophane tape, then wrap together in above-mentioned material the number needed for each lunch or for one day's lunch for several.

Or Anywhere

Tourist: Is it an offense to park on Main Street in this town? Native—No sir, if you can park on Main Street here it's a miracle.

Citizens of any town who perform public service without compensation are entitled to the respect of our people—if they can get it.

up a bit for easy spreading. Mayonnaise, salad dressing, jelly soak into the bread as it thaws. Butter prevents this soaking and, of course, makes for good eating! Spread both slices and to the corners, please!

5. Labels—there should be a variety of sandwiches so it is well to label each package.

What to Put In the Thermos Bottle

This depends upon weather, type of sandwiches and—what the person likes. It doesn't always have to be the same.

1. Milk, as is, good and cold, chocolate or fruit-flavored milk drinks. Malted milk beverages, chocolate-flavored malt drink powder added to milk.

2. Banana Milk Shake—peel, slice and mash a fully ripe banana. Beat until creamy with a hand or electric beater. Add 1 cup milk, a bit of vanilla and 1 teaspoon sugar or 1½ tablespoons chocolate flavored malt drink powder. Mix well.

3. Chocolate Milk Shake—add 1½ to 2 tablespoons chocolate syrup to 1 cup milk. Beat well.

4. Hot Chocolate or other hot milk beverage.

5. Cream Soups—using a condensed canned soup, just add milk and heat.

Factual News About The Eyes

If one eye is injured, the vision of its mate may be affected later on, according to the Better Vision Institute. This is called sympathetic ophthalmia, and may occur as long as ten years after the original injury.

Strabismus is the technical term describing a cross-eyed condition, according to the Better Vision Institute. It is said to come from the Greek strabos, or squinting, which is derived from the Greek strepho, I turn. There is also a story that it is named after Strabo, a prominent citizen of Alexandria who lived during the Roman period and had a pronounced case of crossed eyes. It became the custom to call anyone who had a squint "Strabo."

It's estimated that only about 10 per cent of the people hired in industrial plants are given simple visual tests with the Snellen chart at the time of hiring, and less than one per cent are given any more thorough eyesight check-up than this, according to the Better Vision Institute. A fairly comprehensive screening of every worker for visual skills at the time of employment and at intervals thereafter would be to the advantage of both management and labor.

Anyone with a black eye should get help from an eyesight specialist, says the Better Vision Institute. If none is immediately available cold compresses are a good remedy. Raw beefsteak would help, but only because of its coolness, so we moderns might as well save our money.

AMERICAN DRIVERS

BEST OF ALL, BUT . . . American drivers in the past 15 years have traveled billions of miles—more than any other country's motorists—and have reduced the highway death rate by 50 per cent, asserts the Better Vision Institute.

But, although the present U. S. rate of 7.3 deaths per hundred million travel miles is the lowest for any nation, there's no cause for congratulations, the Institute adds.

In 1953, American traffic accidents brought 38,000 deaths and hundreds of thousands of injuries. A little care and common sense could cut this slaughter down tremendously.

About Your Home

Would you like to start some seeds indoors this spring? This makes a wonderful family project. Children are always interested in growing things.

The seeds, in order to do well, will need certain definite things: warmth, but not too much, and nourishment. Be sure to start early enough to make the effort worthwhile.

The best temperature to start your seedling at is between 60 and 70 degrees—night and day. Start them in a sunny window or under fluorescent lamps. Never allow them to dry out but provide good drainage. Consult seed packets for the best planting time. It will vary according to the section of the country you live in.

It is a good idea to give your young plants a good feeding of liquid plant food a day or two before you move them outdoors.

Use vermiculite or shredded sphagnum to start the seeds in. If you want to use soil, steam it in a pressure cooker. Bring the pressure to 5 pounds for a moment. This is for disease prevention. Use a mild disinfectant dust on seeds.

A good container for growing your seedlings can be made from lining a flower pot with plastic or aluminum foil. Make a tent over the top with Polyethylene held in place with a rubber band.

Sprinkle fine seeds on top of soil or moss. Large seeds should be lightly covered with soil. Place the pot in a pan of water and leave until moisture shows on top. Always water from below.

After the seedlings show their first leaves you can give them a weak feeding of liquid food once a week. Before planting outdoors, place the pots outside for a few hours each day in the shade. This will acclimate them. Transplant after danger of frost is past.

Millionaire Dr. To Serve in Haiti

William L. Mellon, a millionaire as the result of an oil inheritance, reached the age of thirty-eight several years ago and decided he was in a rut. He had plenty of money but he wanted to spend his life doing more good for mankind.

Therefore, at the age of thirty-eight, the Arizonan turned to medicine. That was seven years ago, and today he is a doctor, ready to take up permanent residence in Haiti this June.

Mellon, now forty-five, is currently building a \$1,000,000-hospital on the island of Haiti and he and his wife, who has studied to be a laboratory technician, will do all they can to help 100,000 natives in Haiti who need medical attention.

The hospital is a modern fifty-bed one, and Mellon intends to live with his wife next door to it. He says the idea of going to Haiti and helping natives there originated from his admiration and interest in Dr. Albert Schweitzer, Schweitzer, who has done so much for natives in Africa and who recently turned eighty years old, was in the United States recently and Mellon met him. Schweitzer actually invited Mellon to come to Africa, but Mellon thought he was needed on Haiti and, therefore, he and his wife are going to Haiti this June.

This is a heart-warming story, an inspirational one, and would have been on the part of any American, although the fact that Mellon was a millionaire and could have had all the luxuries he wanted, makes the story even more impressive.

Bad Tooth Habits Easily Damage Teeth

Opening tops of bottles with your teeth may make you the life of the party but it's not a practice recommended by the dentist. People easily damage teeth by using them for things for which they were not intended.

For example, the abnormal habit of biting on the ear part of eye glasses can be an important factor in migration of the teeth, dentists point out.

Bookkeepers, typists and stenographers are often guilty of biting pencils and fountain pens. In many of these persons, dentists have found considerable wear in the teeth.

Biting on matches and tooth picks, abnormal tongue pressure against the teeth, lip biting and cheek biting and continued clenching of teeth to control emotions may all have an adverse effect, dentists say.

Persons in certain occupations are apt to develop bad tooth habits. Upholsterers, carpenters and cobblers who hold nails between their teeth develop typical dental ailments. Seamstresses who bite thread and dressmakers who hold pins and needles between their teeth invariably suffer from bad tooth conditions.

Among children, the habit most detrimental to the teeth is thumb sucking. Most authorities seem to agree the habit will not cause an improper alignment of teeth, however, if it is discontinued by age 4 or 5.

Related to thumb sucking is the use of pacifiers. Dentists recommend that neither pacifiers nor nursing bottles should be used after age 6. They are likely to cause a protrusion of the front teeth and a narrowing of the dental arch.

A sleeping habit, known as pillowing, may lead to incorrect closure of the teeth. This is the condition in which the child sleeps with his cheek on his fist.

Tornado Season

Once again we are approaching the tornado season. More than half the tornadoes which occur all year occur in a short period of time between mid-March and June.

There has long been some mystery concerning the origin of a tornado. Today, however, it is generally agreed that tornadoes are formed in several ways, usually when warm, moist air is bypassed, above, by cold air—which cold air is usually moving west to east. The moist, warm air usually comes from the South, with a southerly wind pushing it. Tornadoes also result from long lines of thunderstorms, called squall lines.

There is no way known to man to prevent destruction if an ordinary house is caught in the path of a tornado. The tornado's circular winds are much more dangerous than those of a hurricane. The only consolation is that a tornado usually strikes an area only a few hundred yards wide.

This year the U. S. Weather Bureau plans to set up a special research network to investigate tornadoes. This network will consist of ten instruments called variographs. Variographs measure barometric pressure and these measurements may provide valuable clues concerning the formation of tornadoes and rapid barometric changes which occur at this time. However, little is known about tornadoes, even yet, and we suggest that tornado warnings be given complete respect by all citizens.

SPORTS AFIELD

By Ted Kesting

When a man's fly or plug casting is consistently bad, there's a good chance that the trouble lies not with the tackle but with himself—that he hasn't learned the proper technique of casting. But spinning is so intrinsically simple that if after your first couple of hours at it you're still having trouble, it must be the fault of wrong tackle, not of anything you're doing.

The unfortunate fact is that there are on the market some spinning reels, and some rod and reel combinations, of erroneous design. Fortunately, it is a simple matter to avoid buying a misbegotten cross between a spinning and casting reel. Jason Lucas, angling editor of Sports Afield magazine, points out that with a properly designed spinning reel the spool does not revolve in retrieving; there is a device to wrap the line back around the spool in the exact opposite of how it came off, so when the line is all back on it's as straight and untwisted as before you cast. You just make sure, when selecting a spinning reel, that some pickup gadget is wrapping the line back on and that the spool does not revolve.

In spinning reels Lucas prefers manual pickup to automatic. He thinks one with manual pickup is much simpler and more pleasant to use after you get used to it.

As for rods, most who are experienced with this type of fishing seem to prefer the seven-foot length although many advocate shorter ones. The rod must be flexible enough to bend well in casting lures from one eighth to one quarter ounce. Bamboo and hollow glass rods work about equally well for spinning. Solid glass rods are fine in lengths up to around six feet, but in longer

lengths they tend to become top heavy and slow in action.

Some experts maintain that it's a trifle easier to learn spinning with braided line, but practically all that I know now use monofilament. For really good casting with fresh-water spinning lures, one shouldn't use line over four-pound test. But when it's necessary to hold larger fish from dense weeds, snags and boulders, a six-pound test works quite well, and an eight-pound can be used. Anything heavier is just begging for short, difficult casts, snarls and other troubles.

One more important point—proper adjustment of the drag. Set the drag when you have line way out in the water and are retrieving. This way you allow both for guide friction and for a small diameter of line on the spool. Set the drag at what you consider safely below the test of the line. You can get a good idea of what that is by first breaking a piece from the end with your hands.

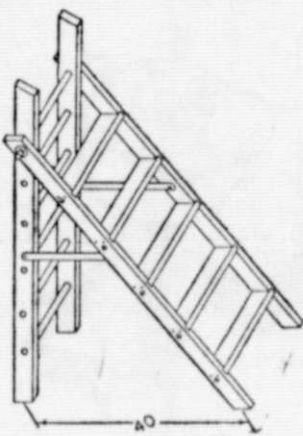

And as ye would that men should do unto you, do ye also to them likewise.—(St. Luke 6, 31.)

None of us wish to be made to feel cheap, inferior, unloved, unwanted. Then why should we not be careful in all ways to keep from making others feel that way? It is so easy, if we'd stop to think it's so easy, too, and so inwardly rewarding, to give love instead of hate—smile instead of a frown.

HERE'S HOW . . .

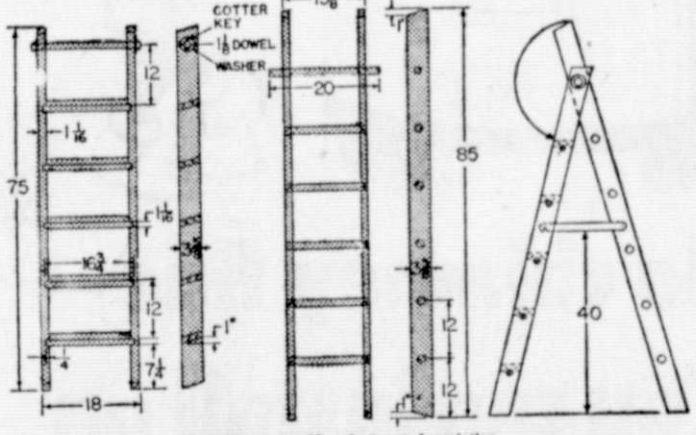

MAKE A STEP-EXTENSION LADDER

A combination step and extension ladder will find many uses.

Details are shown in the drawings. Mark the positions of steps and rungs carefully. Fasten the steps with two No. 8 flathead wood screws in each end. Fasten the end of each rung with one No. 12 wood screw, 2 1/4 inches long. The pivot rung is drilled to take a 2-inch cotter key.

Use 1 1/4 by 4-inch lumber for rails and steps, and 1 1/2-inch dowel for rungs. Draw the step ladder together with 3/16-inch ladder bolts beneath each step, and place angle braces beneath the bottom step. Your lumber dealer should be consulted as to the best woods for the job.

The HUNGRY SPORTSMAN

By Eddie Meier

SPORTSMAN'S RYE BREAD
To my way of thinking this is the best rye bread in the world and if, after making it from the exact ingredients and in the exact manner prescribed, you don't agree . . . I'll welcome your recipe for a better one!

Naming it "Sportsman's rye bread" is my own doing. To Marie Heikila of Ely, Minn., from whom I got the recipe while on a fishing trip to the border lakes region several years ago, it's just rye bread. But she could hardly bake enough at the resort at which she presided as head cook to satisfy the fishermen, guides and lodge hands, and so we think the name fits it well.

Mix 2 cups rye meal (not rye flour, rye meal!) You may have to dig to get it, but that's what it takes, 1 cup whole wheat flour, 4 teaspoons salt, 1 teaspoon caraway seed and 1/2 cup brown sugar in a bowl. Pour in 6 cups boiling water gradually and let it stand until cool. Dissolve and add 1/2 cake yeast, then enough white flour to make a stiff dough. Knead very well and as you are kneading it, gradually work in 1/2 cup bacon grease. Let rise to double in bulk; form into loaves; then let rise to double in bulk again. Bake 15 minutes at 400 degrees and 45 minutes at 375 degrees.

Unless you are a trapper or are on especially friendly terms with one, you stand little chance of ever eating one of the finest meats in Mother Nature's cupboard—beaver! But should one ever come your way, here is what to do with it. Fry and serve with fried onions!

As with coot, the fat of the beaver is disagreeable and must be entirely removed. Soak meat overnight in salt water, cut into serving pieces and parboil 30 minutes in water to which 2 bay leaves and 3 or 4 cloves have been added. Roll in seasoned flour and fry in equal parts of butter and bacon drippings until brown. Serve with generous portions of fried onions.

Dollars and sense lay the foundations for big fortunes.

Lower Auto Insurance Rates

The reduction in automobile liability insurance rates, which took place in 39 state a few days ago, was largely because of the safe-driving records of women under 25. Another factor was the high school or college drive-training courses, which have influenced insurance companies to change their rates slightly.

Those who benefit from the lower rates are: Drivers of non-business family cars, with women operators under 25, drivers of non-business cars of married couples with children, where the husband is over 25 and the wife under 25, non-business cars of married couples without children where the wife is under 25, and cars of married couples without children where the husband is under 25.

In explaining the reductions, insurance officials said women drivers under 25 have proven very good risks and, therefore, the lower rates were justified. Officials said that young men should not feel that this is an insult to their ability, since young women usually are not driving cars as often at night, and are more often accompanied by adults when they do drive. The males are just more exposed, and driving more during the night hours one official said.

Nevertheless, the change in rates is a compliment to the driving abilities of women under 25, and considerable reductions are being made because of this record. The rate reductions range all the way from 32 per cent down to 9 per cent and many of them are over 20 per cent. These reductions signify progress in the field of driver-training and the driving abilities of youth.

Girl Scouts

Early in March, 1912, Daisy Gordon and ten other girls, gathered in a stable in Savannah, Ga. That meeting resulted in the organization of the first patrol of Girl Guides.

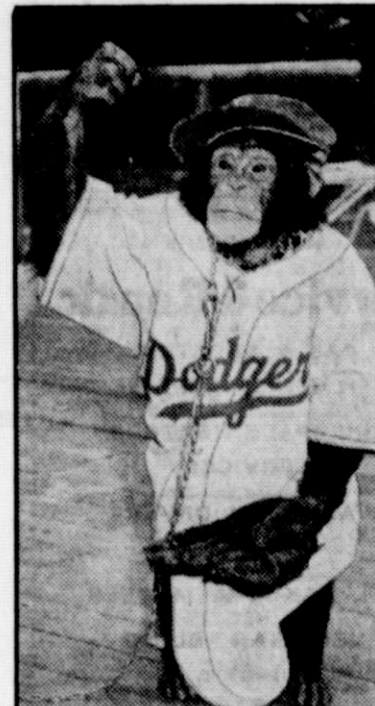

The Girl Guides, in time, became the Girl Scouts. The Girl Guides was begun at the suggestion of Mrs. Juliette Low, who married an Englishman and who had become acquainted with the beginning of the Girl Guides in England.

Mrs. Low maintained a home in Savannah, Ga., and in London, and, therefore, she became acquainted with Sir Robert Baden-Powell, the founder of the Boy Scouts. Thereafter, she likewise became interested in the Girl Guides and when the Girl Guides headquarters was moved to Washington, D. C. the name was changed to Girl Scouts.

Today there are hundreds of thousands of Girl Scouts and they are organized into troops, as are the Boy Scouts. Girl Scouts must go through the usual stages to become Golden Eaglets, the highest Girl Scout award. Before a young girl can become an Eaglet, she must move from Tenderfoot classification to that of a second-class Scout. To be promoted to a first-class Scout, she must be able to make maps, judge distances, send code messages, swim and pitch a tent, and go on overnight hikes into the country.

In addition to all these things, merit badges are given in the Girl Scouts for archery, athletics, bird knowledge, cooking, care for children, dress-making, life-saving and so on. Girl Scouts are expected to a good turn for someone every day and are generally one of our most inspiring organizations for youngsters.

We salute them on their recent anniversary of their founding and urge all citizens to support the Girl Scouts.

Drawer for Linens
DRAWERS built into an ordinary closet to make of it a handy linen closet are a feature of the plan illustrated. Under the shelves is room for a tank type vacuum cleaner, adjacent to which is a portable clothes hamper.

Build the drawers according to standard construction methods, with snag-proof bottoms of 3/16" Preswood. They ride easily on hardwood drawer slides. The hamper has a spring hinged door. The bottom and front are made of Masonite "Peg-Board" panels, which provide ventilation. Behind The Scenes in American Business

By Reynolds Knight

If Americans didn't cut such good figures in bathing suits perhaps the figures in the Federal budget wouldn't be so far in the red. For example, 1954 consumption of wheat was a mere 195 pounds per person, while in the five years from 1910 to 1914—before weight-consciousness was so popular—we ate 302 pounds a year apiece.

Butter use, too, has declined to 9.3 pounds per person from 17.1; and the rising use of margarine falls by two pounds to offset this decline.

Both wheat and butter are among the foodstuffs on which huge sums are spent by government in price supports.

Further influence of the emphasis on staying slim is evident in the meat and egg figures. Meat has about stood still in per capita use since 1910, while eggs, also a favored source of protein, have risen from 305 per person per year to 399.

Citrus fruit, with the popularization of vitamins, has soared from fewer than 20 pounds per person in 1910 to more than 80 in 1954. Much of the rise has come postwar with more freezing of juice, but the original impulse was the national craze for fooling one's stomach into thinking it had eaten, when the pound-creating calories had not been ingested.

JET MAGIC—An almost unbelievable aircraft protective system that "beats a bullet to the punch" has been unveiled by a leading aviation company. The system can see a bullet entering an airplane at 2000 miles an hour, and set off a fire extinguisher before the enemy missile has penetrated 11 inches.

The idea of the quick action—measured in millionths of a second—is to put out fires and explosions before they start. The device will be built into the jet planes turned out by the company, which builds fast fighter-bombers, capable of carrying an A-bomb, for the United States and its allies' air forces.

The mechanism comprises a tiny photo-conductive cell which sees the very beginning of an explosion, an electronic relay switch, and a plastic capsule containing extinguishing fluid and a small gunpowder charge, which is set off by the relay to blanket the danger area with a fine mist of the fluid.

Three years of research went into the device.

THINGS TO COME—A new word game, described as "being to Scrabble what Calypso is to gin," has been developed by a California toy maker. It's called "Qu Ebla." . . . A rubber stamp that will make thousands of imprints without being touched to an ink pad comes in standard or made-to-order letterings. . . . You can now get the Lone Ranger and his horse in 9-inch plastic shapes. . . . A new plastic paint for marking traffic lines on streets is claimed to wear five times as long as the ordinary kind. . . . A new portable plastic drawing board weighs only eight ounces, and is translucent, an aid in making tracings.

NEW WISH-BOOK—In rural communities of the South and Southwest, catalogs used to be known as the wish-book. Today the whole nation has an official wish-book: the Federal Reserve Board-University of Michigan annual survey of consumer buying intentions.

Just released by the FRB, this year's wishes center on houses and automobiles. Home-buying intentions were harbored by 9.6 per cent of those queried. A year ago it was 6.9 per cent, in 1953 8.8 per cent (although more homes were bought in 1954 than in 1953).

Automobile intentions stood about still, in numbers, but the average 1955 wisher was thinking of a \$2800 car. In 1954 the median was a \$2500 car.

Three of every five persons questioned thought 1955 would be a good year. This time last year only two in five were that optimistic.

BITS O' BUSINESS—Steel output in the first two months of 1955 was 2.3 million tons greater than in the like period of 1954. . . . Paper and paperboard production both moved up a notch in the week of March 5 from the week before, to 97.5 per cent of capacity for paper and 96 per cent for board. . . . An SEC survey found corporate spending for plant and equipment in 1955 planned at \$27 billion.

KEWASKUM, WISCONSIN — APRIL 1955

SECTION ONE

Organization Meeting of the Washington County Board of Supervisors April 20, 1954

MINUTES OF MEETING HELD APRIL 20, 1954

The organization meeting of the Washington County Board of Supervisors was held April 20, 1954. The meeting was called to order by E. M. Romaine, at the courthouse in the City of West Bend pursuant to Section 59.04 (1) (B). The clerk read the certificate of membership of the Washington County Board of Supervisors as follows:

CERTIFICATE OF MEMBERSHIP

To The Honorable Board of Supervisors:
Washington County:

I, Anton P. Staral, County Clerk in and for Washington County, Wisconsin, do hereby certify that the following is a true and correct list of the members of the Washington County Board of Supervisors as certified to me by the various town, village and city clerks:

Addison T.	Louis Kuhaupt
Barton T.	John Van Beek
Erin T.	Alfred Rode
Farmington T.	Harvey Dettmann
Germantown T.	William Kuhn
Hartford T.	Frank Zuern
Jackson T.	Reuben Schmahl
Kewaskum T.	Ed. J. Campbell
Polk T.	Adolph Schmidt
Richfield T.	Adolph Lofy
Trenton T.	Emil Gauger
Wayne T.	George Peter
West Bend T.	Guido Schroeder
Barton Vil.	Alvin Bunke
Germantown Vil.	Edwin Helm
Jackson Vil.	H. B. Woldt
Kewaskum Vil.	E. M. Romaine
Slinger Vil.	Ray Storck
Hartford C., 1st Ward	Jacob Hilt
Hartford C., 2nd Ward	Jens E. Larson
Hartford C., 3rd Ward	William Meissner
Hartford C., 4th Ward	Mrs. Norma Courtney
West Bend C., 1st Ward	Albert Bloedorn
West Bend C., 2nd Ward	Joseph Knippel
West Bend C., 3rd Ward	Fred Troedel
West Bend C., 4th Ward	Fred C. Bammel
West Bend C., 5th Ward	Deane R. Bascom
West Bend C., 6th Ward	Leo P. Geib

On roll call vote all members were present.
The first order of business was announced by Mr. Romaine to be the election of chairman and vice-chairman. The chair appointed Fred Bammel and Adolph Schmidt as tellers. The first informal ballot cast for the chairman resulted as follows:

E. M. Romaine 23
Guido Schroeder 5

Romaine was declared elected chairman of the board. Mr. Romaine expressed his appreciation for the honor and assured the board that he will continue to serve to the best of his ability.

ROMAINE ELECTED CHAIRMAN

The board proceeded with the election of vice-chairman for one year. Supervisor Schroeder moved that the rules be suspended and the chair cast an unanimous ballot for Mr. Henry Woldt as vice-chairman. Seconded by Mr. Helm. Motion carried unanimously. The ballot was so cast and the chair declared Mr. Woldt elected as vice-chairman. Mr. Woldt expressed his thanks to the board and pledged himself to continued service of the board.

WOLDT ELECTED VICE CHAIRMAN

Discussion followed regarding the rules of order to be adopted by the board for the ensuing year. It was felt that since all members have had experience with county board rules in previous years and there being no suggested changes, it would not be necessary to read the rules to the board. Moved by Mr. Woldt, seconded by Mr. Bloedorn that the rules of order as adopted by the board for the 1953-1954 session, likewise become the rules of order to be adopted for the 1954-1955 session. Motion carried.

RULES OF ORDER ADOPTED

The minutes of the meeting held February 24, 1954 were read and the same were approved as read.

Resolution No. 1 was given first reading and laid over for second reading.

Ordinance No. 1 was given first reading and laid over for second reading.

Correspondence from the Wisconsin Highway Commission was read. The subject being the estimated 1955 allotment for State Trunk Highway system.

CORRESPONDENCE STATE HIGHWAY COMMISSION

Joe Knippel, chairman of the sheriff's committee, informed the board that his committee had purchased five (5) cars with interceptor motors for the traffic officers. Delivery had been promised on May 1 but the committee had recently been informed that delivery would be made shortly after May 1. Each present traffic officer would be furnished with a car and related police equipment.

Correspondence from the Wisconsin County Boards Association was read. This letter indicated to the board that the 1953 legislature did authorize the creation of an industrial development committee. In order that the committee could function properly it was recommended that each county board at its Spring Meeting appoint a special county board committee to be designated as the Industrial Development Committee or to delegate such authorization to an existing committee of the county board. The purpose of such committee being to review existing zoning ordinances relative to control of industrial sites for future development. The chair suggested that the board of adjustment would probably be the best qualified to act on an industrial development committee since they do work with the park commission and other governing bodies in the administration of the Washington County Zoning Ordinance. Supervisor Schroeder added that Washington County through the activities of the park commission had been considering additional areas for industrial development, and was presently revamping the zoning map of Washington County. Moved by Mr. Woldt, seconded by Mr. Schmahl, that the board of adjustment be authorized to act on the Industrial Development Committee of the Washington County Board, and they are to work with the Washington County park commission in making recommendations relative to industrial development. Mr. Bascom inquired regarding the membership of the board of adjustment and the park commission and suggested that it would be well to have supervisors from the cities on this committee. Mr. Schroeder moved that the aforesaid motion be amended by including one member of the board from the City of Hartford and one member from the City of West Bend on this committee, said members to be appointed by the chair. Motion seconded by Mrs. Courtney. Motion carried. The previous motion as amended was likewise carried by vote of acclamation.

MOTION INDUSTRIAL DEVELOPMENT COMMITTEE

Henry Renard appeared before the board and stated that a resolution had recently been adopted by the various veterans' organizations, wherein they had asked that any employee of Washington County should not be deducted for time off in attending a military funeral. Moved by Mr. Knippel, seconded by Mr. Gauger that the District Attorney be authorized to draft a resolution with the assistance of Mr. Renard which would approve the request made by the veterans' organizations. Motion carried.

APPEARANCE HENRY RENARD

Discussion developed regarding the resolution presented by the Village of Slinger during the February session wherein a request had been made for an adjustment in a billing for street improvement. Correspondence from the Village of Slinger was again read by the clerk to the board. Albert Rettler, bookkeeper for the highway department, explained that no part of this billing was for work done on State Trunk Highway 144 since this is a county and state obligation. The billing was for work done on the various auxiliary streets in the Village of Slinger. Mr. Lofy, present chairman of the highway committee, both informed the board that this claim had been considered by each of their committees and it was their recommendation that no adjustment could be made, since many conditions other than material might cause faulty street construction. Mr. Rode informed the board that no one could guarantee a road for any length of time. He again suggested that it might be well for the county to avail themselves of a service which could check the contents of a tank car to see whether it meets certification that they

manufacturer. It was decided to recess at this time and to continue the deliberation on the Slinger request after recess.

Moved by Mr. Geib, seconded by Mr. Bloedorn to recess until 1:30 p. m. Motion carried. Board recessed.

RECESS

AFTERNOON SESSION

The board reconvened at 1:30 p. m. Chairman Romaine presiding. The board continued the discussion on the Slinger petition. Mr. Lofy, chairman of the highway committee, asked that the board as a whole consider this request. Moved by Mr. Schmidt, seconded by Mr. Van Beek that a roll call vote be taken on the Slinger claim. Motion carried. Result of vote as follows: voting aye—Bammel, Bascom, Bunke, Larson and Storck. Voting nay—Bloedorn, Courtney, Dettmann, Gauger, Geib, Helm, Hilt, Knippel, Kuhaupt, Kuhn, Lofy, Meissner, Peter, Rode, Schmahl, Schmidt, Schroeder, Troedel, Van Beek, Zuern and Romaine. Absent—Woldt and Campbell. 5 ayes, 21 nays, 2 absent.

General Claims report No. 2 was read to the board. Discussion followed regarding the claim of the City of West Bend for street improvements on the courthouse block as well as the street improvements on Division Street near the hospital and home. The claim indicated that the city of West Bend had assessed the County in the amount of \$1,768.33 for courthouse block street improvements and \$5,890.70 for Division Street improvements. The General Claims Committee chairman, Mr. Meissner, indicated to the board that this committee had not taken any action on this claim but it was their wish that this claim be acted upon by the entire county board. Mr. Bascom explained the reason for this claim and likewise informed the board that even though this is allowed to be paid the city of West Bend would bear approximately 1/2 of the cost on an equalized basis. Moved by Mr. Hilt, seconded by Mr. Bascom that a vote be taken to decide whether or not the city of West Bend claim should be included in the General Claims Report. Discussion followed on whether or not a vote should be taken separately on the courthouse claim and on the Division Street claim. Moved by Mr. Geib, seconded by Mr. Bloedorn to amend the previous motion to provide for a separate vote on the courthouse claim and the Division Street claim of the City of West Bend. Motion carried. Result of vote on courthouse street improvements in the amount of \$1,668.33 as follows: Voting aye—Bammel, Bascom, Bloedorn, Bunke, Geib, Knippel, Schroeder and Troedel. Voting no—Courtney, Dettmann, Gauger, Helm, Hilt, Kuhaupt, Kuhn, Larson, Lofy, Meissner, Peter, Rode, Schmahl, Schmidt, Storck, Van Beek, Zuern and Romaine. Absent Campbell and Woldt. 8 Ayes, 18 Noes, 2 Absent. West Bend claim denied on courthouse street improvement. A roll call vote was taken on the claim of the City of West Bend for Division Street improvement in the amount of \$5,890.70. Result of vote as follows: Voting aye—Bammel, Bascom, Bloedorn, Bunke, Geib, Knippel, Schroeder and Troedel. Voting no—Courtney, Dettmann, Gauger, Helm, Hilt, Kuhaupt, Kuhn, Larson, Lofy, Meissner, Peter, Rode, Schmahl, Schmidt, Storck, Van Beek, Zuern and Romaine. Absent Campbell and Woldt; 8 Ayes, 18 Noes, 2 Absent. West Bend claim denied on Division Street improvements.

Supervisor Kuhaupt, chairman of the General Claims Committee, explained that dog claim of Walter Nicolaus in the amount of \$29.00 was allowed in full because the dog had caused the damage was known. State Statutes provide that in such cases claims should be allowed in full and the District Attorney is authorized to make collection from dog owner.

Moved by Mr. Kuhaupt, seconded by Mr. Hilt that the rules be suspended and the Board take up the second reading of Resolution 1 and 2 and Ordinance 1. Motion carried. Rules suspended.

Resolution No. 1 was given second reading. Chairman Romaine vacated his chair to District Attorney Lee Gonring and then proceeded with an explanation of the work to be done as authorized by this resolution. He stated that the Good Luck 4-H Club had pledged itself to develop this road-side stand after the grading had been done. Moved by Mr. Hilt, seconded by Mrs. Courtney that Resolution No. 1 be adopted. Motion carried on roll call vote as follows: 26 ayes, no noes, Campbell and Woldt absent. Chairman Romaine returned to the chair.

RESOLUTION No. 1

WHEREAS, Washington County is interested in the activities of its youth and the promotion of youth projects; and
WHEREAS, the Agricultural Committee of the County Board of Supervisors of Washington County has recommended that Washington County underwrite the cost of grading and excavating of a wayside project located at the intersection of a Town road of the Town of Barton with County Trunk D in Section 33 of the Town of Barton, said project to be conducted by and under the supervision of the Good Luck 4-H Club of the Town of Barton; and

WHEREAS, the cost of such grading and excavating has been determined to be not in excess of Three Hundred (\$300.00) Dollars and a firm bid covering such costs has been received from the Joe Jaeger Excavating Company, Incorporated;

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the Board of Supervisors of Washington County, that there be and here by is appropriated from the General Fund to the 4-H Club Agent Account, the sum of Three Hundred (\$300.00) Dollars for the purpose of providing funds to pay for the cost of excavating and grading an area for the wayside project referred to in the preamble of this resolution.

Dated this 20th day of April, 1954.

Resolution No. 2 was given second reading. Mr. Gonring, District Attorney, explained that Section 81.38 provide that a bridge must cost at least \$200.00 before a town could request bridge aid. Since the Town of Jackson bridge would cost more it would meet with this requirement. Moved by Mr. Gauger, seconded by Mr. Peter that Resolution No. 2 be adopted. Resolution No. 2 adopted on roll call vote of members from towns as follows: 12 ayes, no noes, Campbell absent.

RESOLUTION No. 2

WHEREAS, a petition has been filed with the County Board by the Town Board of the Town of Jackson for aid in construction of a bridge described as lying wholly in the Town of Jackson on a town road between Sections 19 and 30, bridge is estimated to cost \$1,200.00, and

WHEREAS, the Highway Committee and the Highway Commission feel that said bridge is necessary and the County should aid them under Section 81.38 of the Wisconsin Statutes,

THEREFORE, BE IT RESOLVED, that the sum of \$600.00 which is 50% of the total estimated cost be and hereby is appropriated from the General Fund of Washington County, said fund to be reimbursed by appropriation in November. The Highway Committee and the Highway Commissioner are hereby instructed to carry out the construction of said bridge.

Ordinance No. 1 was given second reading. Mr. Bascom spoke for this resolution in view of the fact that many violations did exist on the lakes during the summer season. Moved by Mr. Knippel, seconded by Mr. Troedel that Ordinance No. 1 be adopted. Motion carried unanimously on roll call vote as follows: 26 ayes, no noes, Campbell and Woldt absent.

ORDINANCE No. 1

The County Board of Supervisors of the County of Washington, State of Wisconsin, do ordain as follows:

AN ORDINANCE RELATING TO THE OPERATION OF MOTOR BOATS ON LAKES, RIVERS AND OTHER BODIES OF WATER IN WASHINGTON COUNTY, is amended so that Section II and Section IV thereof heretofore enacted shall read as follows:

"SECTION II. Any person who violates Section I of this ordinance shall be fined not less than \$25.00 nor more than \$50.00 and, in case of failure to pay said fine, shall be imprisoned in the County Jail not exceeding ten (10) days.

SECTION IV. Any person who violates Section III of this ordinance shall be punished by a fine not less than \$25.00 nor more than \$50.00 and, in case of failure to pay said fine, shall be imprisoned in the County Jail not exceeding ten (10) days."

This amendment shall take effect and be in force from and after its enactment and publication.

Dated at West Bend, Wisconsin, this 20th day of April, 1954.

Moved by Mrs. Courtney, seconded by Mr. Lofy that the Board return to the rules. Motion carried. The Board proceeded on rules.

Mr. Lofy, chairman of the Highway Committee, informed the Board that the highway shop of West Bend was in need of a larger stock room. He stated that this stock room could be laid out in the present highway building and would be approximately 60 feet long and 40 feet wide. This stock room would leave enough space above

it to provide for a meeting room for the employees of the highway. The cost of such improvement would be approximately \$7,000.00 and no additional appropriation would be needed since the entire cost could be taken out of the machinery fund. He asked for an expression of the Board regarding this improvement. Moved by Mr. Zuern, seconded by Mr. Rode that the suggestion of the Highway Committee as submitted by Mr. Lofy be approved. Motion carried.

MOTION TO EXTEND SHOP STOCK ROOM

Mr. Lofy also informed the board that it would cost approximately \$28.00 per railroad car to have contents laboratory tested. He asked for an expression from the board regarding this expenditure. Mr. Rode informed the Board that certain testing companies do provide this service at the point of shipment. Moved by Mr. Bascom, seconded by Mr. Larson that the County Board recommend to the Highway Committee that it provide for a service furnished by testing laboratories to check on the contents of all oil shipments. Motion carried.

MOTION AUTHORIZING OIL TESTING

Moved by Mr. Knippel, seconded by Mr. Rode that the Board adjourn subject to the call of the chairman. Motion carried.

Respectively submitted,
ANTON P. STARAL, County Clerk

MINUTES OF MEETING HELD MAY 19, 1954

The meeting was called to order by E. M. Romaine, Chairman of the Washington County Board of Supervisors at 10:00 a. m.

The clerk called the roll and all supervisors reported present except supervisors Mr. Storck and Mr. Schmidt.

The minutes of the meeting held April 20, 1954 were read and the same were approved as read.

The chairman informed the board that copies of committee assignments for the year 1954-1955 were found on each desk of all the supervisors.

Petition No. 4, a petition from the Park Commission, requesting the authority to study zoning map and ordinance was read. Moved by Mr. Schroeder, seconded by Mr. Meissner that petition No. 4 be adopted and filed. Motion carried.

PETITION No. 4

To the County Board of Supervisors of Washington County, Wisconsin: The undersigned hereby petition the County Board of Supervisors for authority to make a general study of the present Zoning Ordinance and its accompanying map for the purpose of determining the advisability and necessity of general revisions thereto.

MINUTES OF MEETING HELD JULY 21, 1954

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a. m. The clerk called the roll and all supervisors reported present except Supervisor Storck.

The minutes of the meeting held May 19, 1954 were read and the same were approved as read. Chairman Romaine reminded Board members of the forthcoming County Fair and asked all members to attend if at all possible.

Mrs. B. C. Ziegler Sr., an officer of the Historical Society of Washington County appeared before the Board. She explained the work of the society as well as projects planned for the future. She stated that in order to preserve the wonderful history of our county it would be well if some individual in each town, city and village would assume the responsibility of writing a history of his locality which would include the important historical facts pertaining to his district. She stressed the need of storage space for files and materials where such records could be kept and preserved.

APPEARANCE MRS. B. C. ZIEGLER SR.
Henry Renard appeared before the Board and explained that the County American Legion was planning a "Veterans Chow" to be held in Washington County. He stated that it was planned to have about 500 members present. He also informed the Board that the only building large enough to accommodate this group in Washington County would be the first floor of the new highway shop. He stated that he had contacted the highway committee and that the chairman of the highway committee, Mr. Lofy, asked that he appear before the county board for permission to use the new highway building. Moved by Mr. Bascom, seconded by Mr. Geib that this matter be referred to the Highway Committee with recommendations that they co-operate with the veterans organization in making arrangements for this occasion and furthermore that the Legion group would provide self insurance for complete liability and property damage protection. Said insurance coverage to be filed with county prior to the date of this meeting. Motion carried.

ORDINANCE 654
An Ordinance to Regulate Traffic Upon the Highways in Washington County, Wisconsin
The County Board of Supervisors of the County of Washington, State of Wisconsin, do ordain as follows:

Section 1-Citation. This ordinance shall be known and may be referred to and cited as the Washington County Traffic Ordinance.
Section 2-Traffic Regulations. The following enumerated Sections of the Wisconsin Statutes of 1953 are hereby adopted by reference and made a part and portion of this ordinance for the County of Washington, relating to traffic regulations on state and county highways within said County of Washington with the same force and effect as though set forth herein verbatim:

Sections: 85.01 (1); 85.06; 85.08 (3); 85.08 (34); 85.08 (38); 85.08 (39); 85.09 (32) (a); 85.10; 85.11; 85.12; 85.13; 85.14; 85.141; 85.15; 85.16; 85.17; 85.171; 85.175; 85.176; 85.177; 85.18; 85.19; 85.20 (1); 85.21; 85.22; 85.23; 85.24; 85.25; 85.26; 85.27; 85.29; 85.30; 85.31; 85.32; 85.33; 85.34; 85.35; 85.36; 85.37; 85.38; 85.39; 85.395; 85.40; 85.44; 85.56; 85.59; 85.62; 85.63; 85.64; 85.65; 85.66; 85.665; 85.67; 85.69; 85.75; 85.81; 85.831; 85.91; 85.92; and 348.35

Section 3-Penalty. Any person who shall violate any of the provisions of this ordinance shall, upon conviction thereof, be punished as follows:

If for a violation of any provisions of this ordinance enacted by reference to any section of the Wisconsin Statutes, by a forfeiture in like amount of money as the fine provided by such section itself or as provided in Sections 85.91 and 348.35 of the Wisconsin Statutes of 1953, to which extent said portion of said Sections 85.91 and Section 348.35 of the Wisconsin Statutes of 1953 are hereby adopted by reference plus the costs of prosecution; and in default of payment of the forfeiture and costs of prosecution, shall be imprisoned in the county jail until said forfeiture and costs are paid, but not to exceed six months.

Section 4-Right to Stipulate Guilt; Procedure. In the event of violation of this ordinance, persons charged therewith may enter a stipulation of guilt as provided in Section 85.331 of the Wisconsin Statutes of 1953. In cases where violation of this ordinance would result in mandatory revocation or suspension of an operator's license, before bail is accepted, a stipulation shall be signed by the violator and one copy of the same shall be given to him and one copy shall be filed with the Court as provided in Section 85.08 (24b) of the Wisconsin Statutes of 1953.

Section 5-Procedure. (a) Prosecution for violation of this ordinance may be commenced by complaint and summons or warrant as well as by summons and complaint.
(b) All fines, forfeitures and receipts collected under and by virtue of this ordinance shall be paid to the County Treasurer of Washington County and shall be credited to the general fund of the County.

Section 6-Severability. The provisions of this ordinance and amendments hereafter made are hereby declared severable and in the event any provisions herein are declared invalid by a Court of competent jurisdiction, such declaration of invalidity shall not affect the validity of the remaining portions of this ordinance.

Section 7-Repeat of Former Ordinances. This ordinance shall constitute the only effective Washington County Traffic Ordinance and all Ordinances and amendments thereto heretofore enacted are hereby repealed.

Section 8-Effective Date. This ordinance shall take effect and be in force from and after its passage and publication.

Resolution No. 13 was given second reading and unanimously adopted on roll call vote of supervisors from towns. 13 ayes, no nos, none absent.

RESOLUTION No. 13
Town of Germantown Bridge Construction
WHEREAS, a petition has been filed with the County Board by the Town Board of the Town of Germantown for aid in construction of a bridge described as lying wholly in the Town of Germantown on a town road in Section 33, bridge is estimated to cost \$10,000.00, and

WHEREAS, the Highway Committee and the Highway Commissioner feel that said bridge is necessary and the County should aid them under Section 81.38 of the Wisconsin Statutes,
THEREFORE BE IT RESOLVED, that the sum of \$5,000.00 which is 50% of the total estimated cost be and hereby is appropriated from the General Fund of Washington County, said fund to be reimbursed by appropriation in November. The Highway Committee and the High-

way Commissioner are hereby instructed to carry out the construction of said bridge.

Resolution No. 14 was given second reading. Mr. Kuhn, chairman of the Town of Germantown, explained that the Town of Germantown felt that there was a need for a more complete zoning ordinance and therefore had adopted one that would suit their particular needs. Arthur Snyder, counsel for the Town of Germantown, appeared before the Board and briefly explained the zoning ordinance as adopted by the Town of Germantown. At this time the clerk read portions of the minutes of the Park Commission meeting held July 8, wherein was stated that the ordinance had been examined by the Park Commission and recommendation was made that it be approved by the County Board. Moved by Mr. Kuhn, seconded by Mr. Schmah that Resolution No. 14 be adopted and filed. Motion carried.

RESOLUTION No. 14

WHEREAS The Town Board of the Town of Germantown did on the 16th day of July, 1954 adopt a zoning ordinance and zoning district map; and

WHEREAS said zoning ordinance and zoning district map appear to suit the needs of the said Town of Germantown; and

WHEREAS The County Board of Supervisors of Washington County concurs with the Town Board of the Town of Germantown that it is desirable for the said Town to have and administer its own zoning ordinance separately from the Washington County zoning ordinances; and

WHEREAS the approval of the Washington County Board of Supervisors is necessary to make the zoning ordinance of the Town of Germantown operative;

WHEREAS, the Washington County Park Commission has studied the said Town's Zoning Ordinance and District Map and at a meeting of said Commission on July 8, 1954 approved the same.

NOW THEREFORE BE IT RESOLVED BY THE COUNTY BOARD OF SUPERVISORS OF WASHINGTON COUNTY, WISCONSIN, That the said County Board does hereby approve the zoning ordinance and zoning district map as adopted by the Town Board of the Town of Germantown on the 16th day of July, 1954.

Moved by Mrs. Courtney, seconded by Mr. Geib that the Board return to the rules. Motion carried. Board proceeded on rules.

Supervisor Schmidt inquired regarding access to parcels of land abutting on new Highway 41 as they apply to the zoning ordinance. He was informed that this was strictly a matter for the State Highway Commission to decide and that the zoning ordinance had no jurisdiction in this matter.

Supervisor Lofy informed the Board that an appropriation of \$2300.00 had been made last year to black top a piece of road in the Town of Addison. Since that time the Highway Commission has examined this road and found that it was in need of grading before the black top could be applied. Moved by Mr. Schroeder, seconded by Mr. Kuhaupt that this matter should be left to the discretion of the Highway Commission who are to use their best judgment in the construction of this road. Motion carried.

Moved by Mr. Knippel, seconded by Mr. Bammel that the Board adjourn subject to call of the chairman. Motion carried. Meeting adjourned.

PETITION No. 7

Petition for Amendment of Zoning Ordinance
To the County Board of Washington County:

The undersigned hereby petition the County Board to amend the zoning ordinance of Washington County as follows:

That the boundaries of the Agricultural zone in the town of Richfield be changed as follows to a Commercial zone.
That parcel of land lying along County Highway Q, in the Town of Richfield, Section 32, T 9 N, R 19 E, being in the SE 1/4, and running a distance of 585.75 feet along County Highway Q, in a westerly direction commencing at the Southeast corner of the cemetery property of the St. Columba Church and for a depth of approximately 374 feet.

Respectfully submitted,
EDWARD C. BREDEL

Resolution No. 15, referring Petition No. 7 to the Park Commission was given first reading and laid over for second reading.

Supervisor Schroeder made inquiry regarding the present status of the revised zoning ordinance of Washington County. He was informed by the clerk that the State Planning Division had recently informed his office that the revision was about completed. As a result of this information the Park Commission had scheduled a meeting for Thursday of this week. Supervisor Schroeder also suggested the possibility of a seepage test in making lot size requirements in the new zoning ordinance. The clerk suggested that this might be a good recommendation to be made to the Park Commission and he asked Supervisor Schroeder to attend the Park Commission meeting to be held on Thursday.

Supervisor Woldt informed the Board that the Budget Committee will hold hearings on budget proposals of the various departments on October 25. He asked that the various departments be instructed to submit proposals as of that date.

Moved by Mr. Storck, seconded by Mr. Woldt that the Board recess until 1:30 p. m. Motion carried. Board recessed.

AFTERNOON SESSION

The Board reconvened at 1:30 p. m. with Chairman Romaine presiding.

Ted Simester, council for the West Bend School District, appeared before the Board and explained that a certain 20 foot strip of land was deed restricted only for schools and street purposes in the Fair Park Addition. Since the execution of the deed the street had been narrowed from 100 feet to 80 feet by city planning engineers and therefore caused a twenty foot strip of land to remain adjacent to the new proposed street. He asked that this deed restriction as it applies to the twenty feet, be corrected so that the School District could execute a merchantable title to the future lot owners. Several Board members inquired regarding change in street width. They were told that the plans for major street programs were changed in the City of West Bend for some reason unknown to the speaker. Supervisor Bascom stated to the Board that in his opinion no error had been made causing the change in street width and he suggested that West Bend engineers be consulted regarding the new proposal.

Correspondence from the State Highway Commission informing the Board regarding supplementary highway aid for County Trunk Highways was read.

Chairman Romaine reported to the Board that certain liquidation sales had been conducted in various parts of the county and had met with opposition from local merchants and dealers. Because of these sales a petition, signed by dealers and merchants, was filed with the clerk expressing an opposition to this type of merchandising. The chair informed the Board that this petition had been referred to the District Attorney for study and recommendation. District Attorney Lee Goning proceeded to explain the section of the State Statutes that applies to such sales. He stated that it was not legally possible for a county to adopt an ordinance prohibiting liquidation sales. He suggested that each municipality should check its existing ordinances and proceed with an action of proper measures to regulate such sales.

Moved by Mr. Lofy, seconded by Mr. Bammel that the rules be suspended and the Board take up the second reading of Resolution No. 15 through No. 21 inclusive. Motion carried. Board proceeded off rules.

Resolution No. 17 was given second reading, Supervisor Storck explained to the Board that there was a great need for these improvements before the cold weather would set in. He stated that some windows, sills, gutters, etc., were in very poor condition and it was a question of replacing storm windows of the conventional type or installing combination windows which could be installed from within the building. Supervisor Bascom inquired regarding the cost of replacing the conventional window as compared with the cost of installing combination storm windows. Mr. Goning, Superintendent of the Hospital and Home, stated that they had obtained no exact figures of the cost of the conventional windows since it was impossible to know just how much work would have to be done on repairing, caulking and so forth. Moved by Mr. Hill, seconded by Mr. Campbell to adopt Resolution No. 17. Result of roll call vote, 24 ayes, Bammel, Bloedorn, Bunke, Campbell, Dettmann, Gauger, Geib, Helm, Hill, Kuhaupt, Kuhn, Lofy, Meissner, Peter, Schmah, Schmidt, Schroeder, Storck, Troedel, Van Beek, Zuern and Romaine; 1 noe, Bascom; absent, Courtney, Knippel, Larson, Rode and Woldt. RESOLUTION No. 17

WHEREAS it has been determined that it would be advisable to obtain Combination Storm and Screen Windows, paint valleys, decks, and trim, apply putty and caulking work and make other necessary repairs to the windows of the County Home and Hospital buildings wherever the Trustees determine such repairs necessary, and

WHEREAS, it has been estimated that the cost of the work hereinabove referred to will approximate Twelve Thousand (\$12,000.00) Dollars and the money to pay said costs being presently available in the County Institutions own funds and,

WHEREAS, the Trustees have advertised for bids on such project and are presently considering such bids, and

WHEREAS, the Trustees have determined that in view of the extensive nature of the work, it would be desirable to submit the project to the County Board of Supervisors of Washington County for its approval.

NOW THEREFORE BE IT RESOLVED by the County Board of Supervisors of Washington County, that the expenditure of the approximate sum of Twelve Thousand (\$12,000.00) Dollars for the project referred to in the preamble of this resolution be and the same is hereby approved.

Resolution No. 19 was given second reading. District Attorney Lee Goning informed the Board that the two claims involved had been for injuries sustained in the employ of the Highway Department and had been studied by the Industrial Commission who had requested the payments to be made. Since each claim was in the excess of \$500.00 they were being submitted to the County Board for approval. Each of these claims represented a percentage disability as doctor's examinations had revealed. The District Attorney stated that it would be well to have on record a County Board recommendation regarding matters of this type. Supervisor Schroeder stated that he was chairman of the Board at the time of the adoption of the original resolution on self insurance for workmens' compensation and it was his thought that each department should approve claims presented for injuries. The District Attorney informed the highway committee that it was entirely correct to instruct injured employees to go to another doctor in addition to the family doctor for examination. The Board asked that all new employees should be required to present a physical examination certificate before being employed. The Board approved the referral of all claims in excess of \$500.00 to the insurance committee who would pass upon the claims and make recommendations to the County Board. The Board also went on record to the effect that the insurance committee should act as the determining body in cases not determined by kinds of departments. RESOLUTION No. 19

WHEREAS, the County Highway Committee of Washington County has received a claim for compensation from Aloysius Muckerheide in the sum of Two Thousand and Four Hundred Thirty-nine and 09/100 Dollars (\$2,439.09) representing a Fifteen per cent (15%) disability and other accrued, unpaid compensation, and

WHEREAS, the County Highway Committee of Washington County has received a claim from Leonard Klunke in the sum of One Thousand Seven Hundred Eleven and 25/100 Dollars (\$1,711.25) for Five per cent (5%) disability, and

WHEREAS, it has been determined that the injuries resulting in such claims were injuries which occurred on the job and the industrial commission of the State of Wisconsin has determined the amount of the claims pursuant to the Statutes in such cases heretofore made and provided.

NOW, THEREFORE BE IT RESOLVED, by the County Board of Supervisors of Washington County, that the claims of Aloysius Muckerheide and Leonard Klunke referred to in the preamble hereto, be and the same are hereby allowed.

Resolution No. 20 was given second reading. Correspondence from Judge William C. O'Connell was read. District Attorney Lee Goning stated that he had received an opinion that the Undersheriff could collect dance supervision fees but he could not collect court officer fees and if the Board felt that he was entitled to compensation as bailiff the Board could increase the salary proportionately at the present

time. The Board suggested that the salary resolution be amended for 1955 to include compensation for the undersheriff when he serves as a court officer. Moved by Mr. Bammel, seconded by Mr. Schmidt that the Board return to the rules. Motion carried. The Board proceeded on rules.

District Attorney Lee Goning related to the Board that he had received correspondence from a private contractor that some municipality had been selling merchandise and furnishing use of machinery and labor to private individuals which was in violation of State Statutes. He recommended that such practice be discontinued as long as such statutes are in effect. Moved by Mr. Schroeder, seconded by Mr. Van Beek that the Washington County Board of Supervisors request that the law prohibiting the sale of materials and the use of county machinery and labor be changed to allow the sale of materials and the use of machinery for private work. Also that the County Board chairman be instructed to attend the meeting of the County Boards Association at Marinette to make every effort to express the wish of the County Board at that meeting. Motion carried.

The chair informed the board that he will attend the convention at Marinette and he invited any other member who would find it possible to attend.

REPORT No. 15
Report of Park Commission to County Board on Hearing
On Petition to Amend the Zoning Ordinance

To the County Board of Washington County:
 Re: Petition for zoning change filed by Mr. Ed. C. Bredel.

The Park Commission of Washington County, having considered the petition to amend the zoning ordinance filed by Ed. C. Bredel on the 16th day of August, 1954, having held public hearings thereon pursuant to sec. 59.97 (3), Wisconsin Statutes, notice thereof having been given as provided by law and being duly informed of the facts pertinent to the changes proposed and duly advised of the wishes of the people in the areas affected hereby recommends as follows:

THAT THE PROPOSED AMENDMENT BE MODIFIED AS FOLLOWS AND APPROVED AS MODIFIED: That the parcel of land lying along County Trunk Q in the Town of Richfield Section 32, T. 9 N. Range 19 E. being in the SE 1/4 and running a distance of 175 feet along County Trunk Highway Q, in a westerly direction commencing at the Southwest corner of the cemetery property of the St. Columba Church, and for a depth of approximately 374 feet, be changed from an agricultural area to a commercial area.

Moved by Supervisor Knippel, seconded by supervisor Lofy that the Board return to the rules. Motion carried. Board proceeded on rules. The clerk was instructed to request the various department heads to place their reports on the desks of the supervisor before appearing before the Board. It was suggested that copies could be placed on the counter in the clerk's office in order that supervisors could acquaint themselves before reports are given.

Moved by Mrs. Courtney; seconded by Mr. Van BEEK that the Board open the regular fall session of the Board on Nov. 4, and continue with sessions on the 5th of Nov., 8th of Nov., 9th of Nov., 15th of Nov., 16th of Nov., and close the session upon completing business in the days following. Motion carried.

MOTION TO ADVANCE FALL SESSION

Mr. Lofy, chairman of the Highway Committee, reported on purchases of new equipment since the last meeting. Moved by Mr. Troedel, seconded by Mr. Meissner that this report be filed with the clerk. Motion carried.

Mr. Meissner, chairman of the General Claims Committee asked all members of the Board to file claims not later than Nov. 12, so that all claims could be acted upon.

The Chair informed the Board that a Child Guidance Movement had been in progress for several months which was to be sponsored by

joint participation of Washington and Ozaukee Counties. He introduced Mrs. Dunwiddy, a member of the steering committee of this Child Guidance Group, and she presented the work that had already been done by the committee. She expressed the need for such a program. It was hoped that with this program many children could be kept from going astray and thereby save the cost of special institutions for future treatment and care. Mr. Bardwell, principal of the McLane school of West Bend also appeared and stated that at the present time many children need this care and no one is able to help them. Mrs. Scia, of West Bend also stressed the need for individual cases of emotional health. They stated that a resolution would be forthcoming in the November session to provide for child guidance work.

Moved by Mr. Campbell; seconded by Mr. Gauger that the meeting be adjourned subject to call of the chairman. Motion carried. Meeting adjourned.

Respectfully submitted,
 ANTON P. STARAL, Clerk
 Washington County.

MINUTES OF MEETING HELD NOVEMBER 4, 1954

The meeting was called to order by E. M. Romaine, chairman of the County Board of Supervisors at 10:00 A. M.
 The clerk called the roll and all supervisors reported present.
 The minutes of the meeting held October 26, 1954 were read and the same were approved as read.

The chair informed the board that it was customary practice to set the date for election of officers elected during the November session on the opening date of the regular fall meeting. Moved by Mr. Dettman, seconded by Mr. Bammel that the County Board elections be held on Monday, November 8 at 10:00 A. M. Motion carried.

Chairman Romaine informed the board that the public hearing on the 1955 Budget would be held on Tuesday, November 9 at 2:00 P. M. as per public notice.

The chair informed the board that the members of the board of supervisors had been invited to a luncheon program and a conducted tour of County home and hospital properties on Tuesday, November 9.

Mr. E. Skaliskey, County Agent appeared before the board and presented report No. 17 on the 1954 4-H County Fair. He briefly commented on the highlights of the Fair and expressed complete satisfaction with the attendance and general exhibits of this activity. Moved by Mr. Geib, seconded by Mr. Troedel that report No. 17 be adopted and filed. Motion carried.

REPORT No. 17
THE WASHINGTON COUNTY FAIR, 1954

The Honorable Board of Supervisors
 Washington County, Wisconsin
 Ladies and Gentlemen:

The 97th Annual Washington County Fair was held July 29 to August 1 inclusive. It was the 17th Fair to be held on the Highway Grounds at Slinger.

Seven other counties in Wisconsin also held their Fair during the same week-end. Fair dates are usually set to secure a desirable mid-way. Smaller Fairs in this area of the state usually have earlier dates.

34 Tents House Displays
 A total of 29 tents were erected by the R. Laacke Company of Milwaukee to house the commercial displays. 5 additional tents were supplied by and erected by private exhibitors. The number of those who displayed without using a tent was small. Most of these were in the vicinity of the barn and displayed no perishable products.

One of the feature attractions of the Fair was a display of a new type poultry house 28 feet wide and 48 feet long. This was erected by a West Bend concern and was for display purpose only. This building was an added feature to the Fair and drew many visitors.

Attendance Estimated at 35,000
 The attendance of the Fair was estimated to have been larger than any previous Fair held at Slinger. Estimates place the attendance at a figure close to the 35,000 mark.

Children's Day—12,832 Tickets Sold
 Most Fairs have what is known as a children's day. This is a day when children's tickets for the rides are reduced to 10c and when the programs are of special interest to children. The office of the midway informs us that 12,832 children's tickets were sold between 1:00 and 5:00 o'clock on Saturday. This set a new record for the Slinger Fair.

New Midway for Farm Machinery Proves Satisfactory
 In the farm machinery arrangement a so-called "machinery row" was established. By machinery row is meant that a midway is established and all machinery is exhibited to face that midway. Recommendations for this was made by local machinery exhibitors and Warren Cowley of West Bend gave cooperation to help lay out the exhibit assignments. Fair visitors had direct access to each implement dealer's exhibit.

Added Roadway Helpful
 A new permanent midway was laid out and which ran from the south border of the Fair grounds to the barn area. This midway was to give machinery exhibitors and service supply cars a chance to travel to any part of the fairgrounds. It also provided a good outlet in case of an emergency. This midway was surfaced with gravel.

Stone dust was also spread on the floor of each of the five barns to fill in and level the floor.

Milk Sales Stressed
 Efforts were made to boost the consumption of milk in connection with the holding of the Fair. With the cooperation of the County Farm Bureau, two milk dispensers were in operation. Also milk was sold by the 4-H refreshment stand. It proved to be a problem to keep up with the supply of milk in the dispensers at all times.

Exhibitor's Data
 This year there were 201 adult exhibitors in the Open Class Department. These displayed 911 exhibits and will receive \$870.40 in premium awards.

The Junior division of the Fair had 478 exhibitors. These were made up by 4-H club members, FFA members of the high school agricultural departments, and FFA (future homemakers). These junior exhibitors displayed 2,474 exhibits and will receive \$3,637.65 in premium awards.

Here are the number of entries made at the Fair:

Respectfully submitted,
 E. E. SKALISKEY,
 County Agricultural Agent and
 County Fair Secretary.

Mr. Skaliskey, County Agent likewise proceeded with the presentation of report No. 18, a report of the county agent's office. Mr. Skaliskey listed some of the newer projects in his discussion and also briefly itemized other activities of his office. Moved by Mr. Bammel, seconded by Mr. Lofy that report No. 18 be adopted and filed. Motion carried.

REPORT No. 18
1954 ANNUAL REPORT
WASHINGTON COUNTY AGRICULTURAL AGENT

E. E. Skaliskey
 To The Honorable Board of Supervisors
 Washington County, Wisconsin
 Ladies and Gentlemen:

I assumed the office as your County Agricultural Agent on June 8, 1936. Hence, this is my 18th report to your Honorable Board.

In these 18 years I have seen many changes in the Agricultural Extension work. Much of our work in those early days was done by driving down the road and answering the farmers questions and helping him with his individual problems. Today because of the greater demand upon the Extension agent's time, farmers more frequently come to the office for this help. In this way the agent can give information to more farm folks on a daily, weekly, or monthly basis.

Milk is the chief major source of farm income. It represents, according to the Wisconsin Crop and Livestock Reporting Service, 54.1% of the gross farm income. Other income is from livestock and livestock products other than milk which accounts for about one-third of the remaining gross income. The remainder largely comes from the sale of cash crops such as canning crops, barley, potatoes, fruit, etc.

Agricultural Extension work covers a wide variety of activities. It serves the urban as well as the rural areas of the county. This report to your Honorable Board is not intended to discuss all of the projects worked upon, but only a few of the more important and newer ones. These are given as follows:

LIVESTOCK PROGRAM
Breed Association Activities
 There are two active breed associations in Washington County. These hold annual meetings and have definite association programs. The associations are the County Holstein Breeders Association and the County Brown Swiss Breeders group. Some individual Guernsey Breeders have expressed a desire to form a Guernsey Breeders Association, but as yet nothing definite has been done.

Hold Twilight Meeting for Holstein Group
 For many years the County Holstein Breeders Association have held a summer twilight meeting which annually is attended by 300 or more dairymen. This year the meeting was on the Guido Schroeder-Egbert Muth Farm and drew in excess of 350 persons.

The principal speaker at the meeting was Laton M. Henderson, who is sales manager for the Doughboy Industries of New Richmond, Wisconsin. He spoke on the subject of the "Magic of Milk."

Sponsor Sire Raising Project
 Each year for the past 10 years the Holstein Breeders organization has sponsored an annual young bull sale. Usually 20 young bulls are selected for the project. These are drawn for and raised by 4-H and FFA boys on a share-basis with the breeder. The young bulls are sold at auction in late October.

Brown Swiss Breeders Association
 The Brown Swiss Breeders Association, too, is active in promoting the interest of their breed. Like the Holstein Breeders they have been organized for many years. Last July 10th, they exhibited 59 head at the county show. The group also held the annual state picnic in connection with the county show at Slinger. About 250 Brown Swiss Breeders from many sections of the state were present.

State Red Poll Meeting
 The State Red Poll meeting was held last June 5 on the J. B. Ahlers & Son Farm, Route 5, West Bend. The writer of this report attended and addressed the meeting.

Dairy Improvement Activities
 DHIA—A Dairy Herd Improvement Association Laboratory has been maintained in the county since 1944. 2 fieldmen, 1 laboratory technician and 1 part-time bookkeeper are employed. At present they are rendering service to the following herds:

24 — standard type herds.
 16 — combination type herds.
 97 — owner sampler herds.
 10 — HIR herds.
 2 — advanced registry herds.

Breeding Rings
 The use of artificial insemination in livestock breeding is commonly accepted by dairymen. 4 such breeding rings have made their services available to Washington County dairymen.

It is impossible to present any definite data as to the number of cows bred by these rings. An estimate would place the percentage above 50%.

Bang's Disease Control Program
 According to information received by our office from the state veterinarian's office 76.2% of the cattle of Washington County have passed the necessary number of Brucellosis tests and are classified as plan A herds.

Under the Wisconsin Brucellosis Control Program the state is attempting to place all counties under a plan A basis, and free itself of this disease. 4 Wisconsin counties have already reached this goal.

To qualify for plan A service, more than 75% of the cattle owners of a county must petition the Wisconsin Department of Agriculture for this service. The program requires that all cattle will be ring tested every 6 months. Then all herds reacting positive to the ring test will be blood tested. All reactors disclosed by the blood test will be sent to slaughter within 30 days.

American Dairy Association
 The agent cooperated with Mr. Wilcox of the Wisconsin Dairy Association in planning a number of meetings in the cheese factory area of the county to raise funds to carry on the work of dairy advertising. Meetings of the Boltonville and Kohlsville groups were held.

Dairy Progress Show
 Cooperation was given the Hartford Times-Press in the planning and holding of their Dairy Progress Show at Hartford.

Other Dairy Meetings
 Other meetings on dairy programs include 3 livestock disease control meetings, 2 livestock feeding and management meetings, and 2 TV broadcasts over WTMJ-TV. In addition the writer prepared news items, gave radio talks over WBKV, and cooperated with the dairymen of the county in dairy improvement programs.

POULTRY AND EGG PROGRAM
 Washington County ranks 22nd in the state in egg production with the county producing more than 40 million eggs per year. The white leghorn and the white rock have been the main egg laying breeds. In recent years however, the tendency has been towards a hybrid bird.

The agent made a number of farm calls to diagnose poultry disease problems and give assistance on poultry management.

FARM CROPS PROGRAM
Oats
 The oat crop was above average this year. However, the rainy weather preceding and during the harvest period brought on much rust and made harvesting difficult.

The Sauk, Branch, and Clintland varieties of oats were usually more free of rust than other varieties. Bonda and Clintafe varieties showed reasonable resistance to leaf rust as compared to the Clinton and other related Bond varieties.

About 50,000 acres of oats are annually grown in Washington County.

Barley
 Barley growing in the county is going to be on the decrease next year according to reports from many who grew the crop this year. Harvest season during the past 2 or more years have been quite unfavorable for the growers.

The county "better barley growing" contest had 92 contestants. Oederbrucker and Kindred varieties were highest prize winners in the barley contest.

Blue Ribbon winners were as follows:
 Ewald Rauch, Route 3, West Bend.
 Wilmer Fisher, Route 2, Kewaskum.
 Erwin Russell, Route 1, Hartford.

Red Ribbon winners were:
 Walter Pamperin, Route 3, West Bend.
 Ray Hoefert, Route 1, Slinger.

Corn
 The corn crop was a big one in 1953 and 1954. The extra warmth of the fall months helped ripen the crop. Under the program sponsored by the College of Agriculture special recognition is being given to corn growers who grow more than 100 bushel per acre. These growers must enroll, before the corn is planted, in what is known as a "pacemaker 100 bushel corn contest."

A prescribed fertilizer application program based on the test of the soil must be followed. When the corn is to be harvested yields must be checked by the Extension office and a sample sent to the College of Agriculture where it is dried to 15% moisture and bushel yield computed.

Forage Crops
 Better than 50,000 acres of tame hay are grown annually in the county. It is estimated that 40,000 acres are alfalfa or alfalfa brome mixtures.

Alfalfa is subject to wilt and various root diseases which causes it to winter kill or die in two or three years. For several years Ranger alfalfa has replaced a portion of the Grim variety formerly very popular in the state. This variety is now being replaced with the Vernal variety which has superior qualities over both the Grim and Ranger types. Limited amounts of seed of Vernal alfalfa will be available in 1955.

The common spittlebug has been an enemy of the alfalfa crop. It stunts the growth of the alfalfa plant by sucking out the juices of the plant.

Hay Driers
 One meeting to explain the use of mow hay driers was held. This was attended by about 60 interested farmers. A trip to the Guido Schroeder-Egbert Muth farm concluded the meeting. The Wisconsin Electric Power Company reports there are more mow hay driers in use in this county than most other counties.

Clover and Alfalfa Seed Production
 To the best information of the writer there was a limited acreage of white clover, Ladino clover, alsike clover and alfalfa seed produced. Lower prices and unfavorable weather were largely responsible for this greatly decreased acreage.

Grassland Farming Program
 For a number of years Wisconsin has sponsored a contest to select the best grassland farmers. 6 farms are in the contest this year. They are:

Stephan Bros. — R. 1, Richfield.
 Roman Foerster, R. 3, Kewaskum.
 Clarence Jung — R. 3, Kewaskum.
 Reuben Fritz — R. 3, Kewaskum.
 Lawrence Stephan — R. 1, Richfield.
 Robert Held — R. 1, Slinger.

Robert Held of Slinger has been named area winner on two separate occasions.

FORESTRY
 Washington County has 2500 farms and 1822 have some acreage of woodland upon them. The Wisconsin Conservation Department reports the purchase of 54,675 trees for planting on private land. In addition 4-H and FFA boys received 34,500 free trees.

Armin O. Schwengel, District Game Manager, reports the planting of 17,674 trees and shrubs for wildlife protection and feeding.
 Harold Berndt, Security Building, West Bend, is our area forester.

WOODLAND TAX LAW
 Under Wisconsin Statutes owners of less than 40 acres of woodland may apply for special tax classification. Forms for making such application may be obtained from the County Extension Office. When registered under the woodland tax law an annual tax of 20c per acre only need be paid.

If a tract of land contains more than 40 acres the owner may apply for entry under another law known as the Forest Crop Law.

FARM ORCHARDS
 Each year a one-day fruit management school is held in Jackson for county fruit growers. The purpose of this school is to discuss orchard care, management and spraying programs. About 100 fruit growers and members of their families usually attended the school. A spray chart is mimeographed and sent to all members of the

assistance to these farmers another 101 cooperators were given assistance in revising or improving their conservation plans.

Conservation practices applied on cooperators farms: Contour farming 15 acres, Contour strip cropping 25 acres, Pasture renovation 61 acres, Tree planting 4 acres, Protected woodland 17 acres, Open drainage ditches 1200 ft, Tile drains 400 ft, Diversions 530 ft, Constructed waterways 2500 ft.

The Agricultural Stabilization and Conservation program also received help in determining needs and layout of conservation practices. 176 farmers who were not soil conservation district cooperators had assistance from the district farm planner on various conservation needs.

Report No. 19 of the Clerk of Circuit Court was presented by Lawrence Berend. He summarized the work of his office and his report indicated expenditures incurred and payments made through his office.

REPORT No. 19 OF THE CLERK OF THE CIRCUIT COURT To The Honorable, The Board of Supervisors of Washington County, Wisconsin.

Our Casualties in the Korean conflict are as follows: Missing in Action 1, Died of Disease 1, Died of Accident 2, Killed in Action 14, Died of Wounds 2, Total 19.

Fourteen bodies have been returned to their homes for reburial. Washington County has had nineteen deaths in the past year, as follows: World War I 14, World War II 4, Reburial Korean 1.

Washington County population at King was increased by one. There are now three widows and three veterans. Thirty-two Veterans have received Housing Loans from the Wisconsin Department, with an average of \$3,040.00, our quota was exhausted on July 21, 1954.

Eight Rehabilitation Loans have been granted and two are still pending. Several changes have been made in legislation the past year, which affects all veterans. Applications for hospitalization must now be accompanied by a financial statement by the veteran. Pensions however have increased slightly in all categories.

Our housing loan fund for second mortgages from the State of Wisconsin became exhausted on July 21, 1954, after a total of \$381,050.00 was loaned to veterans of Washington county. One hundred and twenty-seven of our veterans benefited thereby, averaging a trifle over \$3,000.00.

We wish to extend our sincere appreciation for the cooperation extended to our office in the past year. We have tried to serve the veterans of our county faithfully and again invite your comments and criticism. We only hope that if any problems, complaints arise, that you call upon us to discuss these problems with you.

Respectfully submitted: GEORGE A. KOLB, Veterans Service Officer Washington County.

Veterans Service Committee: LEO GEIB, Chairman WILLIAM KUHN

VETERANS SERVICE COMMISSION November 1, 1954 To The Honorable Chairman and Members Washington County Board of Supervisors: Gentlemen:

Herewith is presented the report of the Washington County Veterans Service Commission for the period of November 1, 1953, through October 31, 1954. The Commission held three meetings as follows: April 21 and Sept. 1, Oct. 13, 1954.

Table with 2 columns: Item and Amount. Rows include Cash on hand January 1, 1954 \$3,000.00, Expenditures: Subsistence \$739.33, Hospital \$119.00, Fuel \$40.85, Rent \$123.50, Medical Care \$528.36, Adm. Per Diem and Mileage \$1,550.71, RR \$86.60, Commitments made for balance of year \$505.00, Total Expense \$2,134.31, Amounts received from the Wis. Dept. of Veterans Affairs \$500.00, Total Expense to Washington County \$1,584.31.

Sixteen applications for assistance were accepted, four of which were referred to the Wisconsin Department of Veterans Affairs, of which \$550.00 was accepted by them.

As in the past year we have had no applications for assistance due to unemployment. Each case was the result of the Veteran being ill or confined to a hospital, and the family or Veteran were in need of additional funds for Medical treatment or subsistence.

Our largest requests come from Widows, who experience illness, which requires medical care which cannot be paid from the amount of her pension. Washington County has been very fortunate in not having much unemployment in the Veterans population. We are not aware of any unemployment other than that which is caused by illness.

Respectfully submitted: GEORGE A. KOLB, Executive Secretary.

Committee: DR. J. GREG HOFFMANN, Chairman ELMER EBERHARDT, Member THEODORE SCHMIDT, Member

Moved by Mr. Geib, seconded by Mr. Helm that the board recess until 2:00 P. M. Motion carried, Board recessed.

Resolution No. 24 was given first reading and laid over for second reading. Resolution No. 25 was given first reading and laid over for second reading.

Resolution No. 26 was given first reading and laid over for second reading. Resolution No. 27 was given first reading and laid over for second reading.

Sheriff, George Brugger presented report No. 22 of the sheriff's department. He commented briefly on the summary indicating the cost of traffic officer cars for each month and the miles traveled by each officer. This report commencing with May 15 when Washington County put into operation cars owned by the county. Moved by Mr. Woldt seconded by Mr. Kuhn that report No. 22 be adopted and filed. Motion carried.

REPORT No. 22 SHERIFF'S REPORT — 1954 November 1, 1954 To The Honorable Board of Supervisors of Washington County, Wisconsin:

I, the undersigned Sheriff of Washington County, State of Wisconsin, hereby submit to your honorable body the report of the Washington County Sheriff's Department from November 1, 1953 to October 31, 1954.

There were registered in the County Jail 243 men, women and juveniles. There were committed and conveyed to various institutions as follows: 31 to the State Hospital at Winnebago; 2 to the State Reformatory at Green Bay; 9 to the Wisconsin School for Girls at Oregon; 3 to the Wisconsin School for boys at Waukesha; 1 to the Wisconsin Home for Women at Taycheedah and 1 to a private institution.

There were received a total of 3445 complaints, reports and inquiries. Of this number 943 were investigated and placed in our file for future reference. The balance were answered at our office. Calls pertaining to the City of West Bend were referred to the Police Department.

The Traffic Patrol investigated a total of 556 accidents in which 9 persons lost their lives. The patrol traveled a total of 162,181 miles and made 490 arrests. There were collected in fines by various Justices \$8,444.60.

The Police Radio is in operation 24 hours per day and averages about 180 transmissions during these hours. Read Nov. 4, 1954. Respectfully submitted, GEORGE BRUGGER, Washington County Sheriff

Report No. 21 of the County Treasurer's office was read to the board by Paul Justman, County Treasurer. He explained the monthly

receipts and expenditures of Washington County for the last fiscal year. He also stated that the County would have to meet interest payments and bond payments on the new highway building improvements. He reported that bonds in the amount of \$67,500.00 had become due as of November 1 of this year and the county would realize approximately \$18,000.00 in earned interest because of this bond maturity. He suggested that it would be well to invest this money in bonds at this time, so that interest could be earned on this money. Moved by Mr. Bammel, seconded by Mr. Meissner that the matter of investing the money realized on bond maturity be referred to the Budget and Finance Committee, who are to make a recommendation to the board before the close of the session. Motion carried.

Moved by Mr. Schroeder, seconded by Mr. Zuern that report No. 21 be adopted and filed. Motion carried.

REPORT No. 24 OF THE HONORABLE BOARD OF SUPERVISORS OF WASHINGTON COUNTY Gentlemen:

This is to advise you that I have received during the preceding year, by virtue of my office, no monies for fines, recognizances, forfeitures, penalties, or costs. Dated this 4th day of November, 1954.

LERROY J. GONRING, District Attorney in and for Washington County, Wisconsin.

Report No. 23, a report of the County Clerk on Zoning Ordinance 7-54 coming into effect was read. Moved by Mr. Gauger, seconded by Mr. Peter that report No. 23 be adopted and filed. Motion carried.

REPORT OF THE COUNTY CLERK ON THE ZONING ORDINANCE COMING INTO EFFECT To The County Board of Washington County and To The Town Board of the Town of Richfield.

PLEASE TAKE NOTICE that the requirements of sec. 59.97 (3), Wisconsin Statutes, having been met, the amendatory ordinance to the zoning ordinance, passed by the County Board on the 26th day of October, 1954, a copy of which is attached hereto, went into full force and effect on the 3rd day of November, 1954. Dated: November 4, 1954.

ANTON P. STARAL, County Clerk. Mr. Lofy, chairman of the Highway Committee extended a cordial invitation to all members of the board to attend the dedication of the new county highway shop addition on Saturday, November 6. He expressly stated that if anyone did not get an invitation he was invited to be present.

Mr. Bammel suggested to the board that it would be well to have an open house program at the county highway shop to which the general public of Washington County would be invited.

Moved by Mr. Helm, seconded by Mr. Van Beek that the meeting be adjourned until 10:00 A. M. tomorrow morning. Motion carried. Meeting adjourned.

Respectfully submitted, ANTON P. STARAL, Clerk of Washington County. MINUTES OF MEETING HELD NOVEMBER 5, 1954

The meeting was called to order by E. M. Romaine, Chairman of the County Board of Supervisors of Washington County at 10:00 A. M. The Clerk called the roll and all members were present except Supervisor Mr. Geib.

The minutes of the meeting held November 4, 1954 were read and the same were approved as read. Report No. 25 of the Public Welfare Department was presented to the Board by Eugene Brumm. His report included receipts and expenditures incurred by each of his accounts. Supervisor Bascom inquired regarding the advisability of drawing on surplus funds to the extent of decreasing balances to a point where balances would be depleted. He was informed that State Auditors had made recommendations a few years ago where they reported balances were more than adequate and therefore decreased appropriations had been made in the last few years. Supervisor Troedel inquired regarding the nature of per diem and mileage costs as listed in the administration account. Mr. Brumm explained the expenses included in this account. Moved by Mr. Schmidt, seconded by Mr. Kuhn that report No. 25 be adopted and filed. Motion carried.

REPORT No. 25 This is a preliminary report. Not included in proceedings. Report No. 26 of the Register of Deeds office was presented by Edwin Pick. Moved by Mr. Hill, seconded by Mr. Campbell that report No. 26 be adopted. Motion carried.

Respectfully, EDWIN PICK, Register of Deeds of Washington County, Wis.

* The office of the Register of Deeds, because of Statutory provisions, does not receive pay for items marked with an asterisk. (*) Report No. 30 was given a reading. Moved by Mr. Lofy, seconded by Mr. Rode that report No. 30 be adopted and filed. Motion carried.

REPORT OF THE COUNTY CLERK ON THE ZONING ORDINANCE COMING INTO EFFECT To The County Board of Washington County and To The Town Board of the Town of Hartford.

PLEASE TAKE NOTICE that the requirements of sec. 59.97 (3), Wisconsin Statutes, having been met, the amendatory ordinance to the zoning ordinance, passed by the County Board on the 26th day of October, 1954, a copy of which is attached hereto, went into full force and effect on the 2nd day of November, 1954. Dated November 5, 1954.

ANTON P. STARAL, County Clerk. Resolution No. 28 was given first reading and laid over for second reading.

Report No. 29 was read to the board. Moved by Mr. Woldt, seconded by Mr. Kuhn that report No. 29 be adopted and filed. Motion carried.

REPORT No. 29 To The Honorable Board of Supervisors, Washington County, Wisconsin. This is to inform you that the office of the County Clerk has received and filed Bond No. 2055322 from the Fidelity and Casualty Company of New York in the amount of \$15,000.00; in behalf of Eugene A. Brumm, Public Welfare Director of Washington County. The premium on the same is \$75.00, paid on October 29, 1954, by Check No. 2429 of the Public Welfare Department. The Bond is effective November 1, 1954 to November 1, 1955. Said bond has been checked and approved by Leroy J. Goring, District Attorney of Washington County, on November 5, 1954.

ANTON P. STARAL, County Clerk. Resolution No. 28 was given first reading and laid over for second reading.

Report No. 28, a report of the County Judge was presented by Judge M. L. Meister. His comments dealt briefly on his report stressing certain juvenile cases and proceedings brought before him. He stated that the juvenile problem had grown in such proportions that the Federal Government had recognized it as a national problem and had provided for a study of this problem on a national scale. Likewise the State had made an assignment to an interim committee to make a study on a state-wide basis. Each of these studies brought out the fact that the problem was a serious one and should be recognized and every effort should be made to properly cope with the matter. He stated that the juvenile problem had grown because of urban organization of the southern section of our county and automobiles and teenage gangs were likewise contributing factors. He stated also that employers were more and more concerned about qualifications of employees and because of that relief costs were increasing all over the county. He stated further a child guidance clinic might be of some help in many of these problems.

Moved by Mr. Bammel, seconded by Mr. Helm that report No. 28 be adopted. Motion carried.

REPORT No. 28

To the Honorable, The Board of Supervisors of Washington County, Wisconsin.

I hereby report to your Honorable Body that the following actions and proceedings were had before me during the period beginning November 1st, 1953, and ending on November 1st, 1954, in which the County has become liable for costs, with the names of the parties in each matter and the nature and results of the same, to-wit:

I. MENTAL CASES

Report lists forty-seven proceedings. Twenty-seven were committed to the Winnebago State Hospital; three were voluntarily admitted to Winnebago State Hospital; one committed to the Winnebago State Hospital as an Ozaukee County charge; one was committed to the Mendota State Hospital by Milwaukee County District Court; two were committed to the Washington County Hospital; three were committed to the Southern Colony and Training School; one State-at-Large case was dismissed; one committed to the Winnebago State Hospital and later committed to Southern Colony and Training School but taken direct to Washington County Hospital; one re-examination and found to still be mentally ill and ordered to remain at Central State Hospital, Waupun; one found not mentally ill and discharged; and there are six matters pending.

- A. — Wisconsin General Hospital — Twenty-nine applications. Twenty-five admitted, three cases denied, and one case pending.
- B. — Milwaukee Children's Hospital — Two applications. One admitted.
- C. — Wisconsin State Sanatorium — Five admitted.
- D. — Rocky Knoll Sanatorium — Five admitted.
- E. — Muirdale Sanatorium — One admitted.

The State pays one-half of the cost of all Wisconsin General and Wisconsin Orthopedic Hospital cases in the County on the basis of two patients per 1,000 people. Washington County would be entitled to about 60 patients on that basis. When the limit is reached the County pays the entire charge.

III. JUVENILE COURT MATTERS

For the period beginning November 1st, 1953, and ending November 1st, 1954, a total of sixty-four juvenile cases were filed; of these four were alleged to be dependent; sixteen were alleged to be neglected; six were alleged to be dependent and neglected; and forty-one were alleged to be delinquent. A total of six were committed to the Catholic Social Welfare Bureau; nine were committed to the State Department of Public Welfare; three were committed to the Wisconsin School for Boys; and six were committed to the Wisconsin School for Girls.

A. Marriage License Dispensations

To the Honorable, The Board of Supervisors of Washington County: I, MILTON L. MEISTER, County Judge in and for said County of Washington, do hereby report that during the preceding year by virtue of my said office, I have received from the following persons, the total sum of Fourteen Dollars for fees for marriage license dispensations in accordance with Section 245.14 of the Statutes:

LOFY ELECTED TO HIGHWAY COMMITTEE
An informal ballot was cast for a second member to the Highway Committee. Result of ballot: Schmahl 15; Helm 9; Gauger 3; and Dettmann 1. Schmahl was declared elected by the chair.

SCHMAHL ELECTED TO HIGHWAY COMMITTEE
A nominating ballot was then cast for a third member to the Highway Committee. Result of ballot: Helm 23; Gauger 5. Mr. Helm was declared elected.

HELM ELECTED TO HIGHWAY COMMITTEE
The Board proceeded with the election of a member to the Veterans Service Committee. Moved by Helm; seconded by Lofy that the rules be suspended and the Clerk be instructed to cast a unanimous ballot for Mr. Geib as a member of the Veterans Service Commission. Motion carried. The ballot so cast and Mr. Geib was declared elected.

GEIB ELECTED TO VETERANS SERVICE COMMITTEE
The Board proceeded with the election of a member to the second position on the Veterans Service Committee. Moved by Lofy; seconded by Gauger that the Board suspend the rules and the clerk be instructed to cast a unanimous ballot for Mr. Kuhn on membership on the Veterans Service Committee. Motion carried. The ballot so cast and Mr. Kuhn was declared elected.

KUHN ELECTED TO VETERANS SERVICE COMMITTEE
An informal nominating ballot was cast for the third member of the Veterans Service Committee. Result of ballot: Bascom 1; Bunke 4; Rode 4; Hilt 1; Larson 13; Gauger 1; Campbell 1; Troedel 1; Peters 1; Dettmann 1. The next ballot was a formal ballot cast for three highest candidates, namely Larson, Bunke and Rode. Result of ballot: Larson 18; Bunke 6; Rode 4. Larson was declared elected.

LARSON ELECTED TO VETERANS SERVICE COMMITTEE
The chair informed the Board that the next offices to be voted upon would be for the membership to the County School Committee, a member from the Towns for three years; and a member from the Villages and cities for a period of three years. Moved by Rode; seconded by Woldt that the rules be suspended and the clerk be instructed to cast a unanimous ballot for Mr. Arnold Lepien to represent the Towns for a period of three years, on the County School Committee. Motion carried. The ballot so cast and the chair declared Mr. Arnold Lepien elected to the School Committee.

ARNOLD LEPIEN ELECTED TO COUNTY SCHOOL COMMITTEE
Moved by Mr. Zueri; seconded by Mr. Helm that the rules be suspended and the clerk be instructed to cast a unanimous ballot for

Mr. Tom Manning to membership on the County School Committee from the cities for three years. Motion carried. The ballot so cast and the chair declared Mr. Tom Manning elected.

TOM MANNING ELECTED TO COUNTY SCHOOL COMMITTEE
Chairman, Romaine informed the Board that the next office to be voted upon would be the Veterans Service Officer. An application filed by Geo. Kolb was read. Result of first informal ballot as follows: Kolb 23; Manning 1; Brumm 1; Hilt 1; and Blank 2. The chair declared Mr. Kolb elected.

KOLB ELECTED VETERANS SERVICE OFFICER
The chair announced the appointment of Mr. Lester Buckley to the Civil Service Commission. Mr. Buckley's present term to expire Dec. 31, 1954. Moved by Mr. Woldt; seconded by Mr. Helm that the Board approve the appointment of Lester Buckley to membership on the Civil Service Commission. Motion carried.

LESTER BUCKLEY APPOINTMENT TO CIVIL SERVICE COMMISSION

Honorable Board of Supervisors, Washington County, Wisconsin. We, the undersigned, the members of the Town Board of the Township of Germantown, Washington County, Wisconsin do hereby petition your honorable body as follows:

That a portion of the Town Road beginning at the intersection of County Trunk "Q" and State Trunk Highway "175" between section 33 in the town of Germantown and section 4 in the town of Menomonee in Waukesha County, and extending Easterly a distance of approximately one and one-half (1 1/2) miles, more or less, to a junction with County Trunk Highway "G" between section 34 in the Town of Germantown and County Trunk Highway YY and section 3 in the Town of Menomonee in Waukesha County, be added to the County Trunk Highway System of Washington County.

Signed, WM. KUHN, Chairman
RURIC WETTERAU, Supervisor
GEORGE HAUSER, Supervisor.

Dated this 8th day of November, 1954. Read Nov. 8, 1954. Referred to Highway Commission.

Report No. 34 was presented by Miss Cook, County Nurse. She told the Board of the many duties a nurse is called upon to perform, and conducted the Board through a days work in her office. Since her report was not completed, they asked her to complete her report after recess.

Moved by Mr. Helm; seconded by Mr. Geib that the Board recess until 2:00 p. m. Motion carried. Board recessed.

AFTERNOON SESSION

The Board reconvened at 2:00 p. m. with chairman Romaine presiding. Miss Cook continued with her report. She went into further detail on special projects conducted through her office such as tuberculosis cure and prevention, care of the sick in the home, and she concluded her report by adding that a good share of her work was to help people to help themselves. Moved by Mr. Bammel; seconded by Mr. Geib that report No. 34 be adopted. Motion carried.

REPORT No. 34
1954 ANNUAL REPORT
WASHINGTON COUNTY HEALTH SERVICE
West Bend, Wisconsin
November 8, 1954

To the Honorable Chairman and Board of Supervisors of Washington County Gentlemen:

The Washington County Nurse presents this annual report for the period of Nov. 1, 1953 to Nov. 1, 1954.

The guidance and cooperation of the Health Committee, the members of the Medical and Dental professions, and the co-workers in the field of health has been greatly appreciated.

Respectfully submitted,
MARY COOK, R. N.,
County Nurse.

"If you give a man a fish, you satisfy his hunger for one day — if you teach him how to fish, you satisfy his hunger for many days."

This quotation of unknown origin expresses in many ways the underlying philosophy of public health which is helping people to help themselves. All of the activities of the public health nurse as teacher and nurse are directed toward assisting the individual and the community in recognizing and meeting their own health needs.

The public health nurse continuously attempts to serve the physician, family, school and community in working toward the threefold objective of public health:

- Care and rehabilitation of the sick and disabled.
- Prevention of illness.
- Promotion of healthful living.

The Medical and Dental professions, the Health Committee, school personnel, interested and informed individuals and organizations, as well as the public health nurse work toward these objectives in our County.

The functions of the nurse in the public health program are:

- The actual giving of care to the patient under the direction of the physician.
- Teaching the family or other responsible person how to give care to the patient.
- Assisting the family in arranging for medical, hospital, social, financial, educational and other services as indicated.
- Interpretation of the physician's recommendations, and instruction of the family in good health practices.
- Participation in community planning for the conservation of the health of every individual.

The manner in which the public health nurse must carry out her program is very necessarily influenced by the total area and population served as well as other existing health agencies within the particular area. The public health nurse in a county situation must work toward understanding and meeting the needs of the community as a whole and yet always consider and respect the needs of the individual and his family. Group activities and mass programs must continuously be combined with family visits and individual teaching in an effort to reach the greatest number of people.

In Washington County we attempt to carry out a generalized health program. By this we mean a program which is directed at meeting as many health needs as possible of the people of this County within the various age groups.

The following report will attempt to point out our various activities of individual, family and community health service.

ADMINISTRATIVE AND EDUCATIONAL ACTIVITIES

Staff education conferences	5
Official Health Committee meetings	6
Other group meetings	22
Program planning with Physicians and Dentists	5
Conferences with others	215
Public lectures and talks	25
Total attendance	920
Movies, film strips or slides	41
Newspaper releases	17
Public exhibits or displays	1

MATERNAL AND CHILD HEALTH
The maternal and child health service provides the nurse great opportunity for the prevention of health problems through health guidance and parent education. The public health nurse with the guidance of the physician can be helpful in teaching parents basic principles of good emotional and physical health. Well informed parents who are interested and secure in their feeling as parents can more readily handle the responsibilities involved in raising a family.

The individual and community approaches are used in furthering health education in this area. Parents classes are probably the most effective means of group education in this field. A series of mothers classes are being held at the present time at St. Joseph's Hospital, Hartford. The total enrollment is 14.

SERVICE TO THE HANDICAPPED
The function of the public health nurse lies in guiding families to the resources which can aid in physical, emotional, educational and social rehabilitation of the handicapped individual.

The physician, Bureau for Handicapped Children, Vocational Rehabilitation Division, educational facilities and other agencies have special responsibilities in the field of the handicapped. The county nurse works closely with the physician and other agencies in an effort to gain total rehabilitation for our handicapped people.

Admissions to service 44
Field visits 96

CONTROL OF COMMUNICABLE DISEASE
The control of communicable disease is an area where responsibility is shared with several other official and unofficial agencies. These include the State Board of Health, the local health officers, the family physician, the parents, and the teacher and school administrators.

Programs in the control of communicable disease which have been carried out in the County in the past year:

better understanding of the value of fluoridation. The film "A Drop in the Bucket" was shown and the benefits of this preventive measure discussed.

Special needs as yet unmet in the school health program are:

- 1. Plans for preschool health examinations.
2. Resources for emotional problems.
3. One High School in the county has not as yet accepted the goiter prevention program. We are hopeful to promote participation of all schools next year.

SUMMARY

Table with 2 columns: Service, Visits (Field & Office). Rows include Maternal and Child Health, Handicapped, Communicable Disease, Adult Health, School Health, TOTAL VISITS, TOTAL HOMES VISITED.

FUTURE PLANS

- 1. Continued series of Mothers or Parents Classes.
2. Promotion of health examinations for school children through P. T. A. organizations, School Board Committees and teachers' groups.
3. County wide immunization program - Spring, 1955.
4. County wide hearing conservation program - Fall, 1955.

Report No. 33 of the County Supt. of Schools was presented by Mr. Sheski, County Supt. He explained the need for additional schools especially in the more heavily populated portions of the County.

He stressed the importance of proper display of school signs as required by state law, and the removal of such signs where schools are no longer in operation. He also reported on the work of the County School Committee thus far and some of the future plans as are hoped for.

Mr. Bascom, chairman of the County School Committee commended the members of the School Committee for their general cooperation and faithfulness.

He spoke of the accomplishments and plans of the committee for future re-organization of the county. Thereupon Mr. Sheski introduced Miss Schuh, speech teacher to the Board. She presented a general schedule of her work, for the week; number of pupils needing such attention and the progress she had made thus far.

Mrs. Hestekin, supervising teacher was then introduced to the Board. She stressed the importance of guidance responsibility of each teacher and she concluded her brief remarks by stating that she had found the pupils generally happy in the schools and the teachers cooperative and hard working in the county.

APPEARANCE MISS SCHUH AND MRS. HESTEKIN
Moved by Mr. Schmidt, seconded by Mr. Campbell that report No. 33 be adopted. Motion carried.

REPORT No. 33

1954 ANNUAL REPORT
COUNTY SUPERINTENDENT OF SCHOOLS
EDUCATION COMMITTEE—Harvey Dettmann, Chairman
Mrs. Norma Courtney, Frank Zuern

Honorable Chairman and Members
of the Board of Supervisors:
Pursuant to Section 39.10 of the Wisconsin Statutes, I hereby make my report on the schools of Washington County which are within jurisdiction of the office.

Several years ago, the annual report contained data on out of office activity of your superintendent. This year, I thought it proper to list statistics on the "in office" activity. The figures below illustrate the volume of activity based on a monthly average. The out of office duties are carried on in addition to these.

Table with 4 columns: Tel. Calls, Mail Rec'd, Mail Sent, Mileage. Rows include Monthly Ave, Yearly Total, Monthly Ave, Yearly Total.

As you will note from the county school committee report, the committee averaged more than 4 meetings per month, at least one each week. Most of these meetings were evening meetings.

In addition to the above statistics, the office is called upon to complete many reports, some to the state, some to the Wisconsin Education Association, others to the National Education Association, and to the University of Wisconsin.

Being secretary to the county school committee does not mean taking only the minutes of the meetings. It means compiling the preliminary statistical reports, revising them into final form for public hearings as well as making wall type charts which illustrate the proposed plans with which the committee is working.

These facts are cited in order to fundamentally establish the aspect of the present county superintendent's functions as being one of general administration as well as that of the specific supervision aspect which more exactly exemplified it years passed.

SCHOOL DISTRICT PROGRESS

There is much activity in evidence to demonstrate to the people of this county that the schools and the children of this county are being considered by the people and their administrative officers. A few are hesitant because of pending district re-organization.

The following districts have taken the following steps to improve their educational picture within the year:

- 1. Hartford Elementary Joint 1—A new building on a new site.
2. Barton State Graded—4 classrooms and a gym addition.
3. West Bend Joint 2—New 3 classroom building.
4. Slinger Joint 1—Music room addition.
5. Allenton No. 10—Reopened after being closed. Toilet facilities and a heating unit addition.

In addition to these building activities other districts have committees studying the building problem. These are Jackson Village, Willow Creek of Germantown, Slinger Village, and the Kewaskum Union High School District.

Many districts made provisions for new heating units, drilled wells, installed indoor toilets, built on storm entrances, and redecorated the buildings. Yet, others have purchased new sites in anticipation of the building program.

All of the above illustrate that the people of this county are conscious of the need of making improvements and most of them are doing something to meet that need.

A special problem is presenting itself at this time. This situation is caused by the newly constructed super-highway. People from the city of Milwaukee are now purchasing lots in the new sub-division areas and constructing homes. Such an influx has created an elementary as well as a high school building need. The school boards and the county school committee are keeping pace in its study of this situation and some action will be taken which will directly effect a solution.

COUNTY LIBRARY

The county library is being used more and more each year. Not only public school pupils and teachers use it, but, also, the parochial pupils and their teachers.

One of the library services is the providing of strip films. This is an audio-visual aid which really is the T. V. of the classroom. There are over 700 such film strips in the library. The non-breakable records of today furnish another teaching aid which is growing in service.

SPEECH THERAPY

As you might recall, last year at this reporting time, I solicited your support for a speech therapy program within the county. You were most cooperative in this respect, and I am happy to report that such a program is now being had. Miss Janette Schuh is the county speech therapist. Her weekly program is as follows:

Table with 2 columns: Day, Attendance Center. Rows include Monday A.M., Monday P.M., Tuesday, Wednesday A.M., Wednesday P.M., Thursday, Friday A.M., Friday P.M.

This program does not meet the needs of all of the children, but it is a beginning. Teachers are being consulted and are helping in this program, too.

Miss Schuh will personally report to you on the progress of her work.

FINANCIAL REPORT

Your superintendent is most happy to report that since taking over the office in July 1949, the annual reports have not shown any deficits. It is our consistent policy to follow a balanced budget.

The following data pertains to the expenditures of this office for the first 8 months, with an anticipated expenditure for the remaining portion of the year:

Table with 2 columns: Actual Expenditures for the First 8 Months, Anticipated Expenditures. Rows include Administration, Library, New Equipment, County Supervisor, County Speech Teacher, County School Committee, Administration, Library, New Equipment.

Table with 2 columns: Position, Amount. Rows include County Supervisor, County Speech Teacher, County School Committee.

WASHINGTON COUNTY SCHOOL BOARD ASSOCIATION

The following people constitute the board of directors of the county schoolboard association, which is in its third year of existence:

Table with 2 columns: Name, Position. Rows include Jacob Oelhafen, George Schlee, Ray Bast, Alfred H. Seefeldt, Harold Fischer, Arthur Nohr, Arthur Schoedel, Paul Nicolaus, Howard Klumb, Harry Oelhafen, Harry Oelhafen, Arthur Schoedel.

Of the above directors, these have been elected as executive officers:

Table with 2 columns: Name, Position. Rows include Ray Bast, Harry Oelhafen, Harry Oelhafen, Arthur Schoedel.

The total number of schoolboard members is being decreased considerably because of school district reorganization. This year alone 51 members already have been lost, with 9 more pending because of the suspended school district law. Such a change has created a problem, and the board of directors is proposing the revision of the constitution so as to allow other means of representation in the association.

SUPERVISION

Because of the added administrative duties being assigned to the superintendent, the responsibility of supervision rests primarily on the county supervising teacher. Miss Mary Meyer retired in June, and as her replacement the county has Mrs. Vera Hestekin. Mrs. Hestekin has had a vicarious career in education service, having taught in all types of schools; including the Industrial School at Waukesha. In addition to the actual teaching experience, she has had many years of supervisory work. The past year she supervised in several reorganized districts of a northern county.

Washington County is pleased to have such a qualified person in this important position. She will personally give you a resume of her functions and responsibilities.

SCHOOL SAFETY

Since so many school districts have been reorganized recently, we now have the problem of highway school signs not being removed from such school areas. Permitting these signs to remain creates a problem of disregard for all signs by the general public and thus endangers the lives of the children. Not only is there a need for removing signs, but also, one of replacing disfigured ones. Most of the old red, white, and blue ones are faded and cannot be read at all distances. I am asking for your cooperation in having all new signs in the entire county as soon as possible so that all children will be protected from all traffic hazards.

I trust that the report meets with your approval.
HARRY D. SHESKI
County Supt. of Schools.

1954 REPORT

COUNTY SCHOOL COMMITTEE
Committee Members
Deane R. Bascom, Chairman
Mrs. Florence Hartmann, Vice-Chairman
Haven Kolpfenstein, Arnold Lepien
Frederic Mehre, Thomas Manning

The Washington County School Committee has continued to follow and practice its philosophy of school district reorganization. That philosophy being that as much control as is possible, should be left at a local level, and that all unnecessary transportation problems should be avoided as such long distance travel, especially on the elementary level, causes undue hardships on the child.

During this past year, the committee spent most of its time and efforts on the high school level. However, it did strengthen several elementary districts as well.

The committee acknowledges the fact that the municipal boards of the towns, villages, and cities are helping in this work, and many thanks are extended to them for such fine cooperation.

During these past 8 months of 1954, the committee held 33 meetings. This averages more than 4 meetings per month. Certainly, this data reflects an active program by the committee.

ELEMENTARY DISTRICT DATA

At the beginning of the year there were 19 suspended school districts. Today, only 3 remain. In 2 of these, public hearings already have been held, and orders are pending. The third being a county joint district, requires meeting with another county committee, and a tentative date for December has been suggested. When these districts will all have become attached, one of the main causes for the county school committee being, will have been eliminated. The other being that of placing all county territory into some high school district.

The committee held 9 meetings during these first 8 months on elementary district matters. Two orders on such districts were issued. One being that of creating the Kewaskum Elementary district, and the other being one which added territory from Fond du Lac County to this Kewaskum district.

HIGH SCHOOL DISTRICT DATA

This committee as did the previous committee, maintains the philosophy that the Union High School district is the type which the people of this county will most readily accept as it affords them local control of the elementary districts. To date, the committee has not registered any opposition to this kind of district. In contrast, it has been approached by many citizens requesting that the committee see fit to place their property into such a district.

During these first 8 months the committee held 22 meetings in which it dealt directly with high school district reorganization and 2 meetings on high school tuition and transportation matters. Most of the above listed meetings pertained to the creation of the Kewaskum Union High School District, and the expansion of the Hartford Union High School District. The board might be interested in knowing that the total cost to the county of creating the Kewaskum High School District was \$1,610,13, including the referendum charges.

As of January 1, 1954 this was the picture in Washington County:

Table with 2 columns: Assessed, Full. Rows include County Valuation Not In A High School District, Valuation Put Into High School District in 1954, Net Valuation Yet Remaining Unattached.

In other words, the committee placed into some high school district 24.9% of the assessed valuation, and 22.6% of the full valuation.

IMMEDIATE PROBLEMS TO BE UNDERTAKEN

The most immediate problem for the committee to undertake is the one which it has been studying for some time and one which preliminary data is being computed. This problem is that of creating a union high school district in the southeastern section of the county. It is this section which is, literally speaking, growing by leaps and bounds because of the recent real estate purchases and projects of subdividing which currently are underway. A preliminary study shows that some 235 high school students reside at this time in an area composed of the whole of the town of Germantown, the village of Germantown, the lower 1/2 of Jackson township, the southeast 5 or 6 sections of Polk Township, and the eastern half of Richfield Township to about county trunk "J". By the time such a district is formally organized and a school built, this area could contain more than 350 students. The influx of the Milwaukee city population makes this a most serious problem on the elementary as well as the secondary level, and one which needs immediate attention. The committee feels that if these large subdivisions were organized as separate elementary districts, the major portion of this elementary problem would be solved.

GENERAL COMMENTS

Possibly, a bit of general information as to how the committee handles the creation of a high school might be in order at this time so that the readers would appreciate the magnitude of such an undertaking and why a budget such as is being requested is necessary.

These steps are the usual ones practiced by this committee:

- 1. Gather data on proposed plan, such as census county, elementary pupil load, parochial attendance, valuation, assessed and equalized or full, and special trends or economic factors, such as the recent highway construction.
2. Meeting with municipal boards of area involved.
3. Meetings with elementary district boards.
4. Informal meetings in area, sometimes on elementary district level or of neighborhood groups.
5. Appointment of boundary committee by town boards and village boards.
6. Joint meeting with the boundary committees and town or village boards.
7. Revise statistical report to conform with boundary committee recommendations.
8. Hold formal public hearing.
9. Issuance of an order with or without a call for a referendum. The committee has not issued any orders until the electorate has been fully informed on the issue, and the people have had an opportunity for a personal expression to the committee.

The committee assures the county board of supervisors that it

fully appreciates the splendid support of the board, and that it will continue to democratically carry on in its functions.

MINUTES OF MEETING HELD NOVEMBER 9, 1954

The meeting was called to order by E. M. Romaine, chairman of the County Board of Supervisors at 10:00 a. m.

The clerk called the roll and all supervisors were reported present. The minutes of the meeting held November 8th were read and the same were approved as read.

Report No. 35, a report of the 4-H Club, was presented by Robert Stodola, 4-H Club leader. He stated that club membership and achievement reports of members were on the increase in the county. Such qualities were desired and the results in Washington County were encouraging. Slides of 4-H Club activities were shown by him and the same were very interesting. Moved by Mr. Meissner, seconded by Mr. Van Beek that Report No. 35 be adopted and filed. Motion carried.

REPORT No. 35

ANNUAL REPORT
COUNTY CLUB AGENT, 1954
Robert A. Stodola

To the Honorable Board of Supervisors
Washington County, Wisconsin
Ladies and Gentlemen:

This is a brief report of the work done by the club agent from November 1, 1953 to October 31, 1954. A detailed report of the work and how it was carried out is on file in the County 4-H Office and the State and Federal Extension Offices. You are welcome to see this report at any time.

The club agent's job is to give useful information to our youth, and to develop leadership and character in the boy and girl. This is done mostly through 4-H clubs. The club agent works with the local leaders to plan what is to be done and helps coordinate the yearly program. The educational value to the 4-H members comes from their work in the various projects and in their participation in the various club activities. Most of the project instruction is given by the agent, University specialist, or other extension agents in this county to the leaders or junior leaders. These in turn give these instructions to their own club members. There were 89 adult local leaders helping with

Organization
There were 497 members organized into 25 local clubs. One of these is a new club started this year in the Kewaskum area. The true value of club work lies in the development of the individual, and in the amount of useful information they gain through their work. This is impossible to measure. However, some idea of the value of the program can be gotten from the number of boys and girls that achieve; which means selecting a project, doing the required work, making a public exhibit and keeping a record. 473 or 95% of the members achieved or completed their work this year.

Adult Work

This agent is not responsible for any adult work. However, 14 days of his time was spent working with adults. This was mainly assisting the agricultural agent carry out his program by helping check corn yields, entering samples for the barley contest, working on adult work at county fair, conducting meetings planned by the agricultural agent which he was unable to attend, or answering calls from farmers when the agricultural agent was not in the office.

Conservation

At the program planning meeting at the beginning of the year, the leaders suggested that "conservation" be the main activity of club work this year. By activity is meant work done, often as a group, in addition to their regular project.

With the help of Mr. Don Niendorf, Erosion Control Agent, for this area, a committee of leaders and this agent set up a program of things to do along the lines of nature and conservation. A copy of this program was sent to each leader so that they would know what is going on at the county level and also, there were suggestions for clubs to use. This was explained at a leaders' meeting with movies and slides to illustrate it.

Twenty-one clubs reported doing some group conservation activity, such as planting trees, building a wayside, starting wildlife areas, putting up displays or giving conservation talks. Ten clubs ordered evergreen trees which they planted as a project, either on individual farms or as a single project. One club built a wayside, two clubs started wildlife areas, and two clubs started tree plantations. One plantation, which was started 17 years ago was continued.

Clubs encouraged giving conservation talks at every meeting. An estimated 300 talks were given by members in this way. Each club was allowed two contestants each in a junior and senior division of the County Conservation Speaking Contest. Thirty-two speakers participated in the contest, most of them being picked in local club contests.

This agent made the movie "You're in the Land" available to the clubs. He showed it to 23 clubs that requested it. It gives a good story on the need for conserving our soil, water, trees and wildlife, and it is hoped that it will incite conservation mindedness into the members that will result in action in the future. This agent also showed some colored slides showing the need for conservation in this county.

A county conservation tour was planned and conducted with the help of soil, forestry and wildlife conservation men in the county. About 140 members, leaders and parents attended this all day tour. Points of conservation interest, such as forest management, wildlife areas, soil erosion and erosion control were visited and explained, as well as points of scenic interest such as Lizard Mound State Park where the group stopped for lunch.

Other things done in connection were:
18 window displays by clubs
—many conservation exhibits by clubs at county fair
—7 club conservation scrapbooks at county fair
—conservation skits at club meetings

Summary

While it is the club agent's responsibility to supervise club work, it must be acknowledged that much help is gotten from the county agricultural agent and also the county home agent who does most of the instruction in the home economics projects. Credit must also be given to the local leaders, who carry most of the responsibility in their community.

Following are some figures to help give an idea of what was done in club work in the county:

Table with 5 columns: Year, Number of clubs, Number of members, Boys, Girls, Number of members achieving, Percent achievement, Number of adult leaders, Men, Women, Number of junior leaders, Enrollment in Projects.

Agricultural Projects

Highlights of 1954

20 bulls raised by 4-H and FFA members in Sire Calf Project
7650 trees planted by 30 club members and 10 4-H clubs
18 window displays devoted to conservation during National 4-H week

6 plays given in County 4-H Drama Festival
9 teams in 4-H softball league
32 talks given in County 4-H Conservation Speaking Contest
48 members attended 2 1/2 day County Camp
75 members attend officer training school
14 members attend week long State Club Week
25 demonstrations given in county contest
2474 exhibits by junior exhibitors at county fair
32 exhibitors at Junior State Fair
500 attend county 4-H Achievement Night program
175 attend 4-H Semi-Formal Dance

This Year the Club Agent Has:
—devoted 258 days to 4-H club work; 8 days to young men and women's work; 14 days to adult work.
—traveled 6107 miles in the county; 2493 miles outside the county in the conduct of his duties.
—made 202 farm and home calls.
—had 291 callers in the office
—made or received 451 telephone calls.
—wrote 71 news articles.
—prepared or delivered 58 radio broadcasts.
—distributed 845 bulletins.
—held 4 leader training meetings.
—held or attended meetings related to
adult work — 9
young men & women — 8
4-H — 110
—served as chairman of the Junior State Fair Committee.

I believe that the 4-H club work is a very worthwhile project that does much to improve the productivity of the county, and more important, molds our youth to be better citizens of their community. I hope the County Board of Supervisors will continue to give it their full support.

Respectfully submitted,
ROBERT A. STODOLA
4-H Club Agent

Report No. 36 of the Hospital and Home was covered by Mr. Roy Gonnering, Superintendent of the Hospital and Home. His report as submitted included a financial report of the Hospital, Home and Farm, the inventories and general population and cost statistics. He concluded by asking all members to attend the luncheon meeting and he encouraged all present to take in the conducted tour which was planned. Moved by Mr. Schmidt, seconded by Mr. Bammel that Report No. 36 be adopted and filed. Motion carried.

REPORT NO. 36 FIFTY-SIXTH ANNUAL REPORT OF THE WASHINGTON COUNTY HOSPITAL AND HOME AND FARM For the Year Ending June 30, 1954 ORGANIZATION OF THE WASHINGTON COUNTY HOSPITAL, HOME AND FARM

Board of Trustees: Louis Frey, President; R. 2, Hartford; Ed. J. Krieger, West Bend; Joseph Kowanda, R. 1, West Bend. Institutions Committee: Ray Storck, Chairman; Slinger; H. B. Woldt, Jackson; Joseph Knippel, West Bend; Mrs. Norma Courtney, Hartford; William Kuhn, R. 1, Richfield. Officers: Roy W. Gonnering, Superintendent; West Bend; Mrs. Thecla Gonnering, Matron; West Bend; Dr. Philip M. Kauth, Visiting Physician; West Bend; Dr. A. Carl Marth, Visiting Dentist; West Bend.

Fifty-sixth Annual Report of the Washington County Hospital and Home - Trustees, Superintendent and Matron To the Honorable Board of Supervisors, Washington County, Gentlemen: The trustees, Superintendent, and Matron of the Washington County Hospital and Home herewith present to you their Annual Report and Financial Statements per State Audit.

Our remodeling of the patient's bathrooms and toilet rooms and the kitchens with tiling and fixtures, has been completed, which included a new kitchen range and storage cabinets. We appreciated the help given us by the County Board and Institutions Committee in this project, and all during the year. We now plan to have Combination Storm and Screen windows installed, redecorate the wards, have more lighting and furnishings installed, and make some needed general repairs to the buildings.

Our farm operations have continued as in the past with the herd showing nice improvement. A milk cooler has been added to the milking equipment, and a new roof put on the hog house.

At the Home, a new basement fire exit has been built, new dining room furnishings, refrigerator, and a household food freezer installed. We also plan to have Combination Storm and Screen windows installed, and make some general repairs to the Home Building.

We have retained during this past year the same excellent medical and dental attention to our patients needs that Dr. P. M. Kauth, and Dr. A. C. Marth have faithfully given in the past, and the service of our fine group of employees. We wish to express our thanks to the Clergy for the time they donated for our patient's spiritual welfare; to the Police Department; to the Junior Chamber of Commerce, Woman's Club, Barber Shop, Quartette Society, and all the other various organizations, who have contributed to us so generously at Christmas time, and throughout the year.

Respectfully submitted, ROY W. GONNERING Superintendent MRS. THECLA GONNERING Matron

ANNUAL PHYSICIAN'S REPORT Of the Washington County Hospital and Home To the Honorable Board of Supervisors, Washington County, Gentlemen:

The general health of the Hospital and Home patients has been good during the past year. At the Hospital, we had 15 deaths, the same number as last year:

- 10 - Cardiacs
3 - Cancer
1 - Post Surgical Shock
1 - Diabetic Coma with Complications

At the Home we had only three deaths; all cardiacs, which I think is notable considering their relatively old average age. The WATA mobile X-ray unit again made a T. B. survey, which resulted in only one definite finding.

I feel that the fine supervision rendered by the Superintendent and Matron, and the prompt attention given to complaints, makes my work here so satisfying.

Respectfully submitted, P. M. KAUTH, M. D.

ANNUAL DENTIST'S REPORT Of the Washington County Hospital and Home Honorable Board of Supervisors, Washington County, West Bend, Wis. Gentlemen:

In the past year considerable time has been taken for the examination of patients for the purpose of removing teeth that might be the origin of systemic infections. Removal of such infected teeth may often keep the patient in future good health and from becoming a bed patient with the usual extra medical and attendant expense.

Acute dental discomforts are relatively few and are promptly reported by competent, observant attendants. Correction of these cases always results in improved dispositions.

Dental cavities are small in number, which is truly the result of having wholesome, well balanced, nutritious foods, mostly from the County Farm.

Dentures are provided for those who do physical labor on the farm, in the barns, and in the laundry.

Mention should be made of the ability of the Superintendent and the Matron to select exceptional people as assistants. Kindly co-operation in all the work to be done is an outstanding factor in my willingness to do this work.

Respectfully yours, A. CARL MARTH, D. D. S.

Mr. Storck, chairman of the Institutions Committee, reported that his committee had met with Mr. Eugene Brumm regarding the request made in Resolution No. 33, and stated that Mr. Brumm had refused to resign as the Public Welfare Director of Washington County. He stated further that Mr. Brumm wished to appear before the County Board on Monday, November 15th. The chair granted this request and asked that Mr. Brumm appear at 10:00 a. m. that day.

MOTION BRUMM REQUEST

Moved by Mr. Schmidt, seconded by Mr. Geib that the board recess until 2:00 p. m. Motion carried. Board recessed.

AFTERNOON SESSION

The Board reconvened at 2:00 p. m., Chairman Romaine presiding. The chair explained to the Board that this was the time designated by the Budget and Finance Committee as the Public Hearing on the proposed 1955 budget.

The hearing was considered to be the first reading of Resolution No. 36, and the same was conducted by Mr. H. B. Woldt, chairman of the Budget and Finance Committee. Mr. Woldt explained the budget appropriations for each department and compared them with appropriations of the 1954 budget. He explained reasons for any increases and decreases as they were found in the proposed budget. Mr. Romaine called for any suggestions from the floor as well as from the visiting public. Mr. Bascom suggested the possibility of increasing revenues from lapsing accounts as a means of keeping the budget down. Mr. Lofy, chairman of the Highway Committee, stated that highway engineers of the State Highway Department have requested that county aid on bridges should be requested far enough in advance so that such aids could be placed on the budget in the year that bridges are constructed. He stated further that the Towns pay the full cost of the bridge and they make a request for bridge aids. Moved by Mr. Woldt, seconded by Mr. Kuhn that the Public Hearing be closed on the 1955 Budget as presented in Resolution No. 36. Motion carried.

PUBLIC HEARING, BUDGET

Mr. Jos. Huber appeared before the Board in the capacity of treasurer of the Washington County Historical Society, and explained the need for an appropriation from the County Board for this organization. He stated that Washington County was losing much of its historical material, because no place has been found to store these materials. He stated that an appropriation could help to find materials, store them properly and provide personnel to display, prepare and preserve the many valuable items now found in the homes of many residents of Washington County. The chair inquired into the legality of providing funds by a county for such purposes. Mr. Huber stated that he would check with the State Historical Society to see what the possibilities are of such assistance by the county.

JOS. HUBER APPEARANCE

Moved by Mr. Schmidt, seconded by Mr. Dettmann that the meeting be adjourned until Monday, November 15th, at 10:00 a. m. Motion carried. Meeting adjourned.

MINUTES OF MEETING HELD NOVEMBER 15, 1954

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 10:00 a. m. The clerk called the roll and all supervisors reported present. The minutes of the meeting held November 9th, were read and the same were approved as read.

Moved by Mr. Kuhn, seconded by Mr. Meissner that the short-hand reporter, Mr. Norbert Griffin, take the proceedings in the Brumm discussion in shorthand in lieu of having the County Clerk make the record of these proceedings.

MOTION: BRUMM PROCEEDINGS TAKEN IN SHORTHAND

Chairman Romaine then announced that under items of old business, this time was allotted to the Public Welfare Director, Mr. Eugene Brumm to appear before the County Board. Mr. William Marth, attorney for Mr. Brumm, then proceeded to read a prepared statement to the Board regarding Mr. Brumm's request to appear. A copy of said report was filed with the County Clerk for his records. This report briefly explained the history of this case, the newspaper publicity and County Board resolution that made a request for a resignation and the report of the institutions committee. He stated also in his report that the Board of Public Welfare did extend a vote of confidence to Mr. Brumm as the Director of the Public Welfare Department. Petitions signed by citizens of Washington County and one signed by members of the medical profession were read to the Board. These petitions

commended the Board for action taken in a resolution that asked for Mr. Brumm's resignation. Moved by Mr. Knippel, seconded by Mr. Meissner that the petitions be received and filed. Motion carried. The chair then informed all present that the petitions would be on file in the clerk's office and could be inspected by anyone interested. Mrs. Elmer Seefeld addressed the Board and stated briefly that since her name was mentioned in the prepared statement she wanted to add that at no time was she contacted directly for an explanation on her stand in this case. Dr. P. M. Kauth then addressed the Board and gave a short history of the case of the Russian girl involved in the Brumm divorce trial. Dr. Kauth also cited the welfare director's record of keeping expenditures low, and that this necessarily incurred the enmity of those receiving aid.

Mrs. Elmer Seefeld then addressed the Board, outlined her grievance against Mr. Brumm, director of the Public Welfare Dept. concerning the case of one Dale Briggs. She concluded her statement by saying that she wanted to appear before the Board because she felt that the director was no longer effective in the position held by him. Mr. William Marth, counsel for Mr. Brumm, then stated that Mr. Brumm had nothing to do with the legal proceedings that involved Mr. Briggs. Chairman Romaine then called upon Mr. Leroy Gonring, District Attorney, to explain the legal status of the present County Board of Public Welfare in Washington County and any other matters that needed clarification in this case. District Attorney Gonring informed the Board, and he read from a letter received from the State Department of Public Welfare, that Mr. Brumm was an employee of Washington County, certified by the State Department. He added other details regarding the hiring and firing and removal for certain causes of a Welfare Director. He stated that the County Board itself could not discharge the Welfare Director, since this power was delegated to the Public Welfare Board by the County Board. Mr. Gonring read pertinent parts of bulletins covering this subject and filed the same with the County Clerk. Mr. Marth then stated that certain newspaper articles were grossly misinterpreted on a committee concerning the recipients of aid, and that a mutually satisfactory agreement had been set up for handling these cases, and had been working harmoniously for many years. Former County Judge, Hon. Frank W. Bucklin, was then recognized by the chair and he stated that the Board had no power to dismiss Mr. Brumm, that this power was within the discretion of the Board of Public Welfare. He asked that the Board consider this problem from every possible angle, and recommend that the Welfare Board should consider this thing from stem to stern, by providing proper hearings, and will have to be depended upon to exercise proper judgment. The chair hearing no further requests for additional appearances or statements, considered this portion of the proceedings closed.

BRUMM APPEARANCE AND RELATED MATTERS

Resolution No. 47 was given first reading and laid over for second reading.

Report No. 37, a report of the County Home Agent, was presented by Myra Fierek. She stated that Homemakers groups had been organized in many parts of the county and she reported on the many activities conducted by their groups. Moved by Mr. Bammel, seconded by Mr. Geib that Report No. 37 be adopted and filed. Motion carried.

REPORT No. 37

To the Honorable Board of Supervisors Washington County Ladies and Gentlemen:

During the past two years 65% of my working time was spent in the Home Demonstration program with the Washington County Homemakers. Working with them has been an inspiration to me and has resulted in many satisfying experiences. The homemaker's job is not an easy one. Her days are well spent in making her home a pleasant place to live in. She has the greatest responsibility in the home, since she plans and prepares meals, clothes and cares for the children, washes, mends and irons all the family clothing, cleans and furnishes the home, sews, does gardening and other outside work.

If one were to hire someone to perform all these duties in the home day after day, it would cost an average of \$10,000 a year. So it is quite easy to see that the homemaker has a big job. Sometimes her jobs get tedious and monotonous and she needs a little help and a few new ideas to give her inspiration and help her to save time and energy. One of the objectives of the Home Demonstration Program is to help these homemakers accomplish their tasks and do a good job.

The Washington County homemakers started their organization of small groups in 1936. The home agent would plan meetings in various areas of the county where she would give demonstrations in the different subjects of homemaking. This program was well accepted by the women in the county who attended these various educational demonstrations. Soon small clubs began to organize in different areas of the county. There were 109 members in nine groups in 1939. Once the program was started, it grew rapidly into all parts of the county.

At the present time we have five centers in the county. Thirty-six clubs are distributed in these five centers: Richfield, Germantown, Hartford, West Bend, and Allenton. Women in these clubs receive their project information through leader training meetings each month. Each month a club sends two leaders to a center meeting which is conducted by the home agent. At the meetings the leaders receive information about a phase in homemaking. These leaders exchange many ideas with each other while they learn new ideas and methods of doing their homemaking activities.

The 36 clubs in Washington County have a membership of 609 women at the present time. They hold their meetings once a month, usually in their homes, during the evening. They have a regular business meeting and are free to participate in many activities including their monthly project. Clubs average from 10 to 26 members in each, the majority being rural women. Home Demonstration clubs are open to any woman in the county and membership is completely voluntary.

The majority of my time during the summer months is spent working with 271 4-H girls in their Home Economics projects.

On the following pages are some of the main projects and activities with which I have been working. For more information about my work, you are welcome to stop in my office at any time to look over a complete annual report. I appreciate the fine co-operation which I receive from the club agent, county agent, and our State Extension office. I would also like to say that much of the success of the program is a result of the work and interest of the people right in the county. It is a privilege to present my report to you.

Respectfully submitted, MYRA FIEREK County Home Agent

FOODS AND NUTRITION

Keeping the family well fed is one of the homemakers biggest jobs. Many times she seeks new ideas and methods to improve food cooking. This year there were two foods projects with 70 leaders taking information back to 575 homemakers.

FOODS AND NUTRITION A. Homemakers' Projects:

"Deep Fat Frying" was one of the foods projects in which homemakers studied (1) food value of fats and use of fats in meals, (2) relation of eating high fuel foods and overweight, (3) method of home rendering lard, (4) demonstration on frying foods in fat and use of correct temperatures and methods. Homemakers indicated the point of most interest to them was that foods fried in deep fat are no more fattening than other methods used, if they are prepared according to correct methods and temperatures.

"Meats in Our Meals" was another project studied by county homemakers. Main points at the leaders' meetings included (1) food value of meats and their importance in the daily diet, (2) methods of cooking various cuts of meat were demonstrated, (3) preparing less tender and inexpensive cuts of meats in attractive ways.

B. 4-H Foods Projects:

23 4-H leaders attended two meetings in preparation for the 4-H girls projects of "Meats in Our Meals" and "It's Fun to Cook." These leaders used this information in working with 136 4-H members.

36 4-H girls were enrolled in the Food Preservation project. A training meeting was held for leaders in preserving fruits, vegetables and meats.

C. Dairy Promotion:

A district meeting was attended at which surrounding counties reported on activities in promoting dairy products. Two similar meetings followed in Washington County. The Farm Bureau gave the home agent a flannelgraph to use in illustrating the value of a quart of milk. The agent used the flannelgraph at various meetings in the county including homemakers, 4-H clubs, Farm Bureau meeting, and county rural day.

Homemakers set up 25 window displays emphasizing the value of dairy foods. At the county spring and fall council meetings, they prepared and served foods made with dairy products. A dairy questionnaire was sent to all homemakers to check on dairy products used most, and on dairy products served in schools.

This agent had the privilege of planning and appearing on a 45 minute television show over WTMJ-TV. The subject used was "Using Non-Fat Dry Milk" - 6 casserole dishes were prepared and the value of dairy products was emphasized. The main purpose was to show homemakers how to get additional food value in their meals by including dry milk in cooking.

1954 - 55 COUNTY BOARD PROCEEDINGS

KEWASKUM, WISCONSIN — APRIL 1955

SECTION TWO

D. Apple Dessert Contest:

Washington County has quite a number of apple orchards with many apples available during the apple season. To help promote the use of nutritious apples in cooking, and to provide a wholesome county-wide activity, an Apple Dessert Contest was held in August. Much newspaper, radio, and other publicity was given the contest which turned out to be a success. Each of the 16 entrants demonstrated making her favorite apple dessert. Mrs. Allan Yahr was the county winner who took her demonstration of "Surprise Apple Dumplings" to the state contest, and also won first prize there. Recipe sheets of all contestants' desserts were made available to everyone. Over 350 requests were received for the apple recipes.

FAMILY ECONOMICS

Four leader training meetings were held for the homemakers on "Wills and Property Transfer." There was a need for homemakers and other family members to realize the importance of making a will. Different ways of owning property, why make a will, and steps to take in making a will were emphasized. It was surprising to find the low percentage of people who have made wills. At the meetings only 8-12% of the group indicated that they had wills drawn.

A county-wide background meeting was held in preparation for the present homemaker's topic of "Town Government." Mr. Bruce Cartter of the State Extension staff, led the group discussion of background information concerning town government. Project leaders and a number of the town and village officials attended the meeting.

HOME FURNISHINGS

A. Furniture Refinishing:
To help homemakers save money in making her home attractive, a special interest meeting was held on "Refinishing Furniture." 52 homemakers attended meetings at which they removed the finish from an old piece of furniture. Discussion of various finishes to use, and different types of wood, proved of wide interest to the women. They attended a second meeting at which they sanded, steel wooled, and applied a new finish to their article. This proved to be a helpful and satisfying project because they restored old furniture into attractive and useful articles to be used in their own home.

B. 4-H Home Furnishings:
Home furnishings is a fairly new project for 4-H members and is gradually growing in the county. 21 leaders and members attended a project training meeting in preparation for the activities. There were 41 4-H girls enrolled in the home furnishings project.

Four meetings were held before the county fair to give 4-H girls training in judging various classes set up in home furnishings.

FAMILY LIFE

A. "Good Manners" Study:
Homemakers devoted one of their monthly projects to studying various problems and questions concerning manners. Making introductions, eating out, traveling, serving meals, being a hostess and shopping manners, were some of the topics covered at the meeting. The home agent spoke to a group of high school girls on "good manners."

B. Homemakers Achievement Day:
Each year the county homemakers spend a day together at an annual Achievement Day.

COMMUNITY DEVELOPMENT

A. County Fair
The county fair is one of the main activities worked on during the summer months. The 4-H members are busy completing their projects for exhibit at the fair. There are a number of activities in which the members participate in at the fair. In preparation for these activities, radio talks, news items, letter, meetings, and home visits are planned.

1. Judging Contests:
Girls enrolled in foods, clothing or home furnishings projects are encouraged to enter judging contests at the fair. Four district meetings were held during July to give these girls tips and suggestions on judging classes of articles. At the county fair, 73 girls entered the judging contests set up by the home agent.

2. Demonstrations:
Special emphasis was placed on encouraging more 4-H members to take part in giving demonstrations at the county fair. 27 girls participated in giving demonstrations. Patricia Massick won the county contest with her demonstration on "Flavored Butter Spreads." She received a second placing at the state fair.

3. 4-H Dress Revue:
165 girls participated in the county fair dress revue. They modeled clothing which they sewed in their clothing project. This county fair dress revue gives the girls an opportunity to show the public what they learn and accomplish in their clothing project.

4. County Fair Exhibits:
The home agent works with the fair superintendents in revising and planning changes in the Home Economic exhibits at the county fair. In 1954, there were 342 exhibits in 4-H clothing, and 293 in open class clothing. The foods exhibits were the largest with 396 in 4-H and 141 exhibits in open class. Food preservation exhibits totaled 196 with 112 in home furnishings.

B. 4-H County Camp:
Ozaukee and Washington counties sponsor a 4-H camp held for 2 1/2 days at Camp Awana. 135 boys and girls from the two counties attended the camp conducted by the club agents and home agents. The 2 1/2 day program is planned to give 4-H'ers a chance to get together in wholesome teamwork and activities. During the program the boys and girls attend sessions in handicraft, sports, music, conservation, and forestry, with evenings spent in recreational activities.

C. 4-H Achievement Night:
At the annual 4-H Achievement Night, the home agent presents awards to the outstanding 4-H girls in the home ec. projects.

D. FHA Leadership Meeting:
A talk on "Developing Leadership" was prepared and given to a group of girls from surrounding county high schools at their annual FHA meeting held in Kewaskum.

E. Homemakers Scholarship:
Washington County Homemakers Association presents scholarship of \$50.00 to a high school graduate planning to study Home Economics or Nursing. Miss Renita Renfro, Hartford, received the 1954 scholarship.

F. Officer Training Meetings:
Two meetings were held to give both 4-H officers and homemakers officers assistance in their duties as officers. 70% of the homemakers groups were represented at the training meeting.

G. Farm and Home Week:
The agent attended a day's program of Farm and Home Week, with five homemakers.

H. 4-H Leaders' Association:
Four 4-H Leaders' Association meetings were attended by the agent at which plans of 4-H work in 1954 were discussed.

Moved by Mr. Dettmann, seconded by Mr. Bloedorn that the Board recess until 2:00 p. m. Motion carried. Board recessed.

Resolution No. 41 was given first reading and laid over for second reading.

Moved by Mr. Bascom, seconded by Mr. Geib that the following amendments be added to Resolution No. 41: On page one, third paragraph, the word "recently" in the second line be deleted. Second, on page three, first line at top of page the word "is" be changed to "are" and Third, on page three, seventh line, there be inserted following the words "Resolved Further That" these words "subject to the control of the directing committees designated and referred to just above" and that the second word of the line following the word "shall" be changed to "May". Motion carried.

Former County Judge, Hon. F. W. Bucklin, appeared before the Board and gave a detailed explanation of the need for a child clinic. He stated that this clinic is calculated to save people especially youngsters. He stated further that the clergy, educators, medical men and fathers and mothers were much in favor of establishing a child guidance clinic. Mrs. Sacha then gave each member a circular showing a tentative budget for such a proposed clinic.

Report No. 38, a report of the coroner, was read by the clerk. Moved by Mr. Van Beek, seconded by Mr. Bunke that Report No. 38 be adopted and filed. Motion carried.

REPORT No. 13

Town of Farmington Bridge

Honorable Board of Supervisors
Washington County, Wisconsin

We, the undersigned, Town Board of the Town of Farmington, Washington County, Wisconsin, do hereby petition your honorable body as follows:

That a bridge lying on a town road in Section 22 in the Town of Farmington, commonly known as Grubbe Bridge, is in poor condition and in need of replacement, cost of said replacement to total approximately Ten Thousand Dollars (\$10,000.00).

We therefore petition your honorable body for aid in replacement of said bridge in accordance with Chapter 81.38 of the Wisconsin Statutes.

Mr. Goring, District Attorney, asked the chair for permission to restate the position of the Board in the Brumm matter and he also requested any further questions that members of the Board might have. He stated that it was very important that every member of the Board might have a clear understanding regarding this matter for the purpose of public information. He again stated that the Board could not discharge the present director of Public Welfare, that this power was vested in the Public Welfare Board by action of the Board. Supervisor Schroeder inquired whether there had been any statement on record, made by the Welfare Board regarding this matter. Being none, Mr. Schroeder asked the District Attorney to obtain this statement of the Welfare Board and part of proceedings of their board. Said statement to be placed on file with Board proceedings. Mr. Goring stated that he would obtain such records for the Board.

Moved by Mr. Schroeder, seconded by Mr. Storck, that the meeting be adjourned until 10:00 a. m. tomorrow morning. Motion carried. Meeting adjourned.

MOTION TO INCORPORATE MINUTES OF WASHINGTON COUNTY WELFARE BOARD MINUTES—COUNTY BOARD OF PUBLIC WELFARE

November 8, 1954

A special meeting of the Public Welfare Board of Washington County was held at 7:30 p. m. on November 8.

A roll call disclosed all members, Mr. Leins, Schaefer and Laubheimer, present. Mr. Renard, attorney for the board, and Mr. Ray Storck, chairman of the Institutions Committee, were also present.

The minutes of the October 29 meeting were read by the secretary. There being no corrections or additions, the same were approved as read.

The chief purpose of this special meeting was to consider the adverse publicity which Mr. Brumm received in Sunday's Milwaukee Sentinel, in connection with his divorce obtained October 25. Mr. Brumm appeared with his attorney, Mr. Wm. Marth of West Bend. Mr. Marth had a transcript of the testimony of the divorce, which was examined by them and Mr. Renard, their attorney. All agreed the news item contained only testimony advantageous to Mrs. Brumm, and submitted by her, and probably had been carefully selected and cleverly written for that purpose, with emphasis on inferences. The item contained no testimony by Mr. Brumm.

The chairman ordered the board into executive session, requesting Mr. Brumm and Marth to leave the room.

Later, Mr. Brumm and Mr. Marth were called back, and were informed that insofar as the Board of Public Welfare were concerned, a vote of confidence had been voted Mr. Brumm, and that they would support him completely.

Meeting adjourned until 9 a. m., November 9, by unanimous vote of the members. At that time they will meet with the institution committee, to whom this matter of this adverse publicity had been referred by the County Board.

I, CARL F. SCHAEFER, SECRETARY OF THE WASHINGTON COUNTY BOARD OF PUBLIC WELFARE, DO HEREBY CERTIFY THAT THE FOREGOING IS TRUE AND CORRECT ACCOUNT OF THE MEETING OF THE COUNTY BOARD OF PUBLIC WELFARE HELD IN THE OFFICES OF THE PUBLIC WELFARE DEPARTMENT OF WASHINGTON COUNTY ON NOVEMBER 8, 1954, AT 7:30 P. RESOLUTION No. 23
WHEREAS, the appropriation of funds to be used by the Public Welfare Department of Washington County for the Public Welfare Administration (Account 5610) for the 1954 fiscal year will be insufficient to meet the needs of the department,

AND WHEREAS, the fund for the use of the Public Welfare Department of Washington County of monies for Old Age Assistance (Account 5601) is more than adequate for presently anticipated needs,

NOW THEREFORE BE IT RESOLVED, by the County Board of Supervisors of Washington County, that One Thousand (\$1000.00) dollars be transferred from the Old Age Assistance Account (5601) to the Public Welfare Administration Account (5610) to be used in a manner as directed by the Public Welfare Department of Washington County for the balance of the 1954 fiscal year, and

BE IT FURTHER RESOLVED, that the County Clerk and the County Treasurer be hereby instructed to complete the necessary transfers of funds, effective upon passage of this resolution.

Resolution No. 35 was given second reading. Mr. Bascom inquired regarding bids submitted on printing. Discussion followed regarding the possibility of shortening lengthy reports in the proceedings as published. Since all complete reports were filed in the clerk's office it was the opinion of several members that portions of long reports could be omitted and thereby cut costs of publishing the proceedings.

Moved by Bunke, seconded by Mr. Meissner that the clerk, and the district attorney, and the head of the department meet as a committee, and delete portions of lengthy reports from the proceedings to be published. All complete reports to be kept on file in the clerk's office. Motion carried.

MOTION TO DELETE PORTIONS OF LENGTHY REPORTS

Moved by Geib, seconded by Lofy that Report No. 35 be adopted and filed. Motion carried on roll call vote of members present. 27 ayes, no noes; Dettmann absent.

WHEREAS, the proposed project requires similar and simultaneous action by both County Boards and involves an out-lay of \$5,000.00 per year for each County to be expended under the direction of legal statutory committees through an advisory committee representing both counties as authorized by Section 141.10 of the Statutes; and

WHEREAS, the project appears to have real merit and offers our County an opportunity, at a relatively small cost, to determine the value of such a clinic and the advisability of continuing it after the demonstration period of two (2) years is past;

NOW, THEREFORE BE IT RESOLVED, by the Washington County Board of Supervisors at its annual 1954 session, That the Board approve the establishment of a mental health clinic, as a joint undertaking by Ozaukee and Washington Counties on a demonstration basis for the two (2) years, 1955 and 1956, under the provisions of the Wisconsin Statutes;

RESOLVED FURTHER that such clinic shall be located within one (1) of the two (2) counties each year;

RESOLVED FURTHER that in compliance with Section 141.10 of the Statutes, the Chairman of the County Board, the County Superintendent of Schools, the County Judge, the lay member of the County Health Committee and the physician designated by the County Medical Society to advise with such Health Committee, shall be and are hereby designated to constitute the committee (of five) contemplated by said Section 141.10 to represent Washington County, to co-operate with such committee as Ozaukee County shall name and designate in the matter of applying the expenditure of funds and directing and supervising the conduct of the clinic;

RESOLVED FURTHER that, subject to the control of the directing committee designated and referred to just above, the actual detailed operation of the clinic may be under the management of an advisory committee consisting of not fewer than twelve (12) members, an equal number from each county, who shall serve without salary, fees or any financial compensation of any kind;

RESOLVED FURTHER that such advisory committee members for Washington County shall be selected and named by the statutory committee under Section 141.10;

RESOLVED FURTHER that the committees designated and referred to and representing the two (2) counties shall have full power and authority to carry out the purposes contemplated by the law and this authority for the two (2) year period specified, in the proper operation of the said mental health clinic;

RESOLVED FURTHER that upon advice received by the County Clerk of Washington County from the County Clerk of Ozaukee County to the effect that a resolution similar to this one has been passed and duly adopted by the Board of Ozaukee County, and the delivery of a copy of such resolution to said Clerk, and upon the approval of the same by the District Attorney and the County Judge, this resolution shall become binding and in effect and shall be certified to the State Board of Health;

RESOLVED FURTHER that by the passage of this resolution and a similar one by Ozaukee County Board, and the acceptance thereof in writing by the State Board of Health directed to the County Clerk, the sum of \$5,000.00 be and is hereby appropriated to be applied to the purposes herein set forth for the year 1955 and that a like sum is hereby pledged for the year 1956;

RESOLVED FURTHER that there shall be and there is hereby levied a tax in the sum of \$5,000.00 for each of the years 1955 and 1956, on the taxable property of the County, for the purposes of and to be expended for the establishment and operation of the mental health clinic herein mentioned and authorized;

RESOLVED FURTHER that the committee named under Section 141.10 shall report to this Board on the activities of the clinic near the end of the year 1955 and again for the year 1956, and that any unexpended monies at the end of the year shall revert to the general fund and that any property belonging to the clinic shall be at the end of 1956, be disposed of equitably between the two (2) counties as they may agree upon.

RESOLUTION No. 42
Providing for the Advance or Transfer of Construction Funds in Washington County

WHEREAS Section 84.03 (5), Wisconsin Statutes, provides that the State Highway Commission and a county board, or a county highway committee when authorized by the county board, may agree upon the advance of one or more future year's allotments for such county under Section 84.03 (3), to be expended on selected improvements on state trunk highways or connecting streets within such county to the extent so agreed, and

WHEREAS occasions frequently arise when it is necessary or desirable to provide for the advance, allocation or transfer of construction funds to or between previously authorized or additional needed construction improvements on state trunk highways or connecting streets in this county,

THEREFORE, in order to provide for promptly making available the funds necessary for such improvements and to avoid the delay and expense incident to calling a special meeting of this board for such purpose,

BE IT RESOLVED that the State Highway Commission be and is hereby petitioned to advance pursuant to Section 84.03 (5), Wisconsin Statutes, upon the filing of a request therefor by the County Highway Committee of this county, which said Committee is hereby authorized to file, such sums as may be required and are not otherwise available, for any such previously authorized or additional needed construction improvements in this county, with the understanding that the amounts thus advanced will be deducted from future state allotments for state trunk highway construction in this county under Section 84.03 (3) of the Statutes, and

BE IT FURTHER RESOLVED that the State Highway Commission be and is hereby petitioned, upon the filing of a request therefor by the County Highway Committee of this county, which said Committee is hereby authorized to file, to transfer to or between any such previously authorized or additional needed construction improvements in this county, any funds allotted by the state under the provisions of Section 84.03 (3) Wisconsin Statutes, and previously allocated to any other improvement or remaining unallocated in reserve.

Resolution No. 44 was given second reading. Several questions were raised regarding this resolution as far as roads classified, as secondary roads, and state regulations that affect such improvements. Mr. Rettler agreed to appear before the board tomorrow morning with more information on secondary roads and pertinent regulations on

matching funds. Therefore it was agreed by the Board that discussion be continued on Resolution No. 44 as the first order of business tomorrow.

Moved by Mr. Van Beek, seconded by Mr. Troedel that the Board adjourn until tomorrow morning at 9:00 a. m. Motion carried. Meeting adjourned.

Respectfully submitted,
ANTON P. STARAL, Clerk
Washington County

MINUTES OF MEETING HELD NOVEMBER 17, 1954

The meeting was called to order by E. M. Romaine, chairman of the Washington County Board of Supervisors at 9:00 a. m.

The clerk called the roll and all supervisors reported present except supervisor Mr. Dettmann.

The minutes of the meeting held November 16th, were read and the same were approved as read.

Petition No. 17, a joint petition presented by the Village Board of the Village of Slinger, and the Town Board of the Town of Polk; and requesting a County Trunk Highway extension for a combined total length of three-fourths of a mile was read. Moved by Mr. Schmidt; seconded by Mr. Bunke that petition No. 17 be referred to the Highway Commission. Motion carried.

Resolution No. 56 was given first reading and laid over for second reading.

Report No. 27, a report of the insurance committee, was presented to the Board by Chairman, Romaine. He stated that the insurance committee had met with the officers of the Washington County Underwriters, and examined the report as presented. A recommendation by the underwriters to the effect, that a new appraisal of county properties be made was considered by the insurance committee. The former appraisal was obtained in 1944, and it was felt that an up-to-date appraisal would be helpful and practical. He informed the Board that the insurance committee did go on record requesting the Underwriters to receive as many bids as possible from appraisal firms for providing an appraisal of county properties, and to present this information to the committee when it is available. Moved by Mr. Woldt, seconded by Mr. Bammel that report No. 27 be adopted and filed. Motion carried.

REPORT No. 27

WASHINGTON COUNTY UNDERWRITERS ASSOCIATION

West Bend, Wisconsin, October 30, 1954

The Insurance Committee
Washington County Board
West Bend, Wisconsin
Gentlemen:

The undersigned committee, members of the Washington County Underwriters Association, are again pleased to submit for your consideration a report of insurance coverage for the County properties. We wish to do this efficiently and economically with a minimum disturbance to busy County officials.

Since our last report, a survey reveals that building construction costs are on the same level as they were at that time. This is possibly due to stabilization of building materials and labor costs.

Our study takes into consideration the increased values since the appraisals made in 1944 by the Rau Appraisal Company on the following properties of Washington County:

COURT HOUSE FORM

	Insurance presently carried as of October 30, 1954
1. Court House (Building)	\$109,000.00
2. Radio Equipment	100.00
3. Contents	40,000.00
4. Sheriff's Dwg. and Jail	42,000.00
5. Contents	900.00
6. Radio Broadcasting Equipment	5,500.00
7. Garage	3,500.00
	\$201,000.00

80% Co-insurance applies to Items 1 and 4 above.

HOSPITAL FORM

	Insurance presently carried as of October 30, 1954
1. Asylum Building & Addition	\$230,000.00
2. Contents	10,000.00
3. Personal Property	1,000.00
4. Recreation Building	13,000.00
5. Contents	1,000.00
6. Engine & Boiler House	23,200.00
7. Contents	2,500.00
8. Laundry	11,500.00
9. Contents	1,500.00
10. Root House	5,500.00
11. Greenhouse	1,800.00
	\$300,000.00

90% Co-insurance applies to Items 1, 4, 6, 8, 10.

COUNTY HOME FORM

1. Home	\$103,500.00
2. Contents	5,000.00
	\$108,500.00

Since the considerable upward trend of building material, labor, and other construction costs since the last appraisal was made, we suggest a new appraisal be made on the various County buildings to bring the values up to date. The last appraisal was made in January, 1944, by the Rau Appraisal Company. This appraisal could be brought up to date for a consideration much less than the cost of a new appraisal.

WASHINGTON COUNTY HIGHWAY BUILDINGS

According to information furnished us, no appraisals have been made on the following properties of the County. The Association having been informed that the County is content to rely on the original cost of these buildings plus estimate of appreciation due to rise in building costs. In the opinion of the Association an appraisal of these properties would constitute a preferred basis for insurance.

Insurance presently carried as of October 30, 1954

1. West Bend Highway Shop	\$272,500.00
2. Contents	50,000.00
3. Slinger Highway Shop	12,000.00
4. Contents	500.00
5. Storage Building (concrete block)	15,000.00
	\$350,000.00

ROAD OIL TANKS

	Insurance presently carried as of October 30, 1954
1. Barton Oil Tank Station	\$ 11,500.00
2. Slinger Oil Tank Station	14,000.00
	\$ 25,500.00

The policy is written using the Oil Distributing Station form which provides coverage to "real and personal property both above and below ground including underground tanks, contents of tanks, piping and connections, petroleum products, awnings, signs, and metal smokestacks."

4-H CLUB BARN

	Insurance presently carried as of October 30, 1954
1. Barn No. 1	\$ 4,800.00
2. Contents	600.00
3. Barn No. 2	6,000.00
4. Contents	6,000.00
5. Barn No. 3	6,000.00
6. Contents	6,000.00
7. Barn No. 4	7,000.00
8. Comfort Station	500.00
	\$ 24,900.00

No Co-insurance

The insurance on these barns and contents is written without co-insurance. As indicated above, we have no way of determining whether the amounts of insurance are reasonably adequate. We presume that your Committee may secure information regarding the value of contents from heads of various departments.

The insurance on the farm buildings and personal property provides fire and extended coverage. The present amounts now covering the buildings and personal property are shown as follows:

FARM BUILDINGS

	Insurance presently carried as of October 30, 1954
Barn, tile, iron-clad combustible	\$ 17,500.00
Barn, 36 x 70	4,600.00
Horseshoe Barn, 40 x 60	2,750.00
Silo, concrete 16 x 44	2,940.00
Hog house	7,500.00
Implement Shed, 28 x 128	1,800.00
Machine Shed, 28 x 50	900.00
Milk House	800.00
Grain, Seeds, etc.	2,200.00
Hay, Straw, Fodder	2,000.00
Machinery, Implements, Tools, etc.	12,600.00
Power and Light Poles (2 @ \$100)	200.00
Horses (@ \$100)	300.00
Cattle (@ \$300)	19,500.00
Swine (@ \$50)	3,360.00
Herd Sire	1,000.00
Hay Keeper	2,750.00
	\$ 81,800.00

The Farm insurance is also written without co-insurance.

PUBLIC LIABILITY INSURANCE

This coverage has been broadened and is now written in one Comprehensive General Liability policy. For a very small additional premium it covers even unknown hazards. It was formerly written in two policies and covered only certain named hazards.

The premium is separated so the proper amount can be charged to each unit by the County.

	Personal Injury Per Person	Limits: Per Accident	Property Damage Per Accident	Boiler Explosion Per Project
Contractor's Liability covering highway operations and Owners' & Tenants Liability on all county real estate and buildings and teams including				
Automobile Liability	\$25,000	\$50,000	\$25,000	\$50,000

Boiler Explosion
All Boilers and compressed air tanks are insured in the amount of \$100,000 for damage to county property and the property of others, and for personal injury to the public, excluding employees who are covered under Workmen's Compensation.

Automobiles and Trucks
The County's investment in passenger cars is covered for full value under the comprehensive form. Trucks are fully covered against loss by fire only. Windstorm and Hail damage may be added, if desired, at a rate of 10¢ per \$100. This coverage applies regardless of where the loss occurs. The total insurance on the automobiles and trucks of the County is in the amount of \$255,500.00.

Other Highway Equipment
This equipment is fully covered under a floater policy against loss by fire, lightning, windstorm, flood, collapse of bridges, collision, etc. regardless of location. This equipment is insured for \$416,280.00. Theft is covered subject to a 25.00% Deductible Clause.

Radio Equipment on Cars, Guns, Cameras
There is a floater policy covering radio equipment in the amount of \$5,000 on sheriff's and police cars for full value, substantially as above. There is also a floater policy covering guns of the sheriff's department in the amount of \$645. Camera equipment of the sheriff's department is insured for \$385 under a floater policy.

Bonds
Bonds for County Officials and employees are properly filed for the statutory amounts.

Money and securities of the County are now covered in the amount of \$3,000 with a limit on money of \$2,000 while in the premises or being carried by a messenger. To meet the additional needs during tax collection time, these limits are increased during the month of March to \$8,000 with a limit on money of \$7,000.

It is always a pleasure to work with your Committee and it is our desire to give the County Board the best insurance service possible.

Sincerely yours,

MEMBERS OF THE WASHINGTON COUNTY UNDERWRITERS ASSOCIATION

Resolution No. 44 was again considered as authorized by minutes of the previous session. Mr. Rettler, Highway bookkeeper, appeared before the Board and posted a map of Washington County that indicated the secondary highway system of the county as presently approved. He stated that certain specifications must be met before they are accepted. It was his opinion that C. T. H. F. would not meet with this approval. Supervisor Schmahel suggested that if estimates on costs of road improvements on the secondary highway system were available. It would be helpful to the Highway Committee and to the Board.

Discussion followed regarding the advisability of making available matching for road improvements. Moved by Supervisor Schroeder; seconded by Supervisor Schmidt that action be held up on resolution No. 44 until after action is taken on resolution No. 45. Motion carried.

Resolution No. 45 was given second reading. Mr. Lofy, chairman of the Highway Committee informed the Board that the Board could provide matching funds in an amount less than the Fifty-seven thousand dollars specified in resolution No. 44. Moved by Supervisor Kuhaupt; seconded by Supervisor Bammel, that resolution No. 45 be adopted. Motion carried, on roll call vote as follows: 27 ayes; no noes; Dettman absent.

RESOLUTION No. 45
State and County Aid Construction and Maintenance During the Calendar Year 1955

SECTION I. The County Board of Supervisors of Washington County, Wisconsin regularly assembled, does hereby ordain that such funds as may be made available to the county for highway work in the year 1955 under the provisions of Section 20.49 and Chapters 83 of the Statutes and the additional sums herein appropriated shall be expended as hereinafter set forth:

SECTION II. COUNTY TRUNK HIGHWAY ALLOTMENT.
WHEREAS, The State Highway Commission has notified the County Clerk that a sum of money estimated to be One Hundred Eight Thousand Five Hundred and no/100 Dollars (\$108,500.00) will become available at the end of the fiscal year ending June 30, 1955, under the provisions of Sections 83.10(1) and 20.49(1)(b) of the Statutes, for the county trunk highway system in the county, but the actual amount will not be known until the close of the fiscal year June 30, 1955.

BE IT RESOLVED: That the County Highway Committee is authorized and directed to expend the said sum to the extent required, to match and supplement Federal Aid for construction, right of way, and other costs on any Federal projects located on the County Trunk Highway system of said county, which are not recovered from Federal Funds, and to expend any balance for constructing, repairing, and maintaining such county trunk highway system and the bridges hereon, including snow and ice removal and control, as directed in Section 83.10(1) of the Statutes, and to reimburse the general fund for any expenditures that may be made therefrom, pursuant to Section 83.01(6) of the Statutes.

SECTION III. STATE TRUNK HIGHWAY ALLOTMENT.
WHEREAS, The State Highway Commission has estimated that the sum of Ninety Thousand and no/100 Dollars (\$90,000.00) will become available from the appropriation of the fiscal year ending June 30, 1955, under Section 20.49(4) and 84.03(3), to be allotted and expended by the State Highway Commission in accordance with the provisions of Section 84.06 for the construction, reconstruction and improvement of the state trunk highway system, and connecting streets upon projects

which have been approved by this county, but subject to the provisions of Section 84.03(4) relative to the retirement of bonds, and

WHEREAS, There has been received from the State Highway Commission its determination as to the proposed projects and the proposed allocation of such sum,

BE IT RESOLVED: That such projects and the allocation of such sum be approved as hereinafter set forth:

1. The sum of Ninety Thousand and no/100 Dollars (\$90,000.00) previously advanced pursuant to Section 84.03(5) Statutes, for the improvement of U. S. Highway 41 between the South County Line and the West County Line.

SECTION IV. WHEREAS: It appears that certain additional highway improvements in the county are necessary and warranted.

BE IT RESOLVED: That the County Board does hereby appropriate the following sums for the purpose hereinafter set forth:

1. For administration, including salaries, per diem, office and travel expenses of the County Highway Commissioner, the County Highway Committee, his clerks and assistants not paid from construction or maintenance funds, the sum of Twenty Thousand and no/100 Dollars (\$20,000.00).

2. For snow removal, and snow drift and ice prevention on the County Trunk Highway System, the sum of Fifty Thousand and no/100 Dollars (\$50,000.00).

3. For repair of bituminous roads on the County Trunk Highway System, the sum of Seventy-Five Thousand and no/100 Dollars (\$75,000.00).

4. The sum of Four Thousand Seven Hundred Fifty and no/100 Dollars (\$4,750.00) for the improvement with a bituminous surface on County Trunk Highway "W" from State Trunk Highway "28" north one mile to the North County Line.

5. The sum of Fourteen Thousand Two Hundred Fifty and no/100 Dollars (\$14,250.00) for the improvement with a bituminous surface on County Trunk Highway "M" from State Trunk Highway "143" south to State Trunk Highway "60", approximately 3.0 miles.

6. The sum of Four Thousand Seven Hundred Fifty and no/100 Dollars (\$4,750.00) for the improvement with a bituminous surface on County Trunk Highway "X" from State Trunk Highway "84" north to the North County Line, approximately 1.0 mile.

7. The sum of Fourteen Thousand Two Hundred Fifty and no/100 Dollars (\$14,250.00) for the improvement with a bituminous surface on County Trunk Highway "O" from State Trunk Highway "83" west to West County Line, approximately 3.0 miles.

8. The sum of Nineteen Thousand and no/100 Dollars (\$19,000.00) for the improvement with a bituminous mat on County Trunk Highway "F" from junction of State Trunk Highway "175" east to junction with State Trunk Highway "145", approximately 4.0 miles.

Total authorized in this section \$202,000.00

SECTION V. WHEREAS: Certain advances have been made from the general fund for the construction of various bridges in the county in accordance with Section 81.38 of the Statutes as follows:

Town	Improvement	Amt. Raised by Local Unit	Amount of County Aid
Germantown	Emmer Bridge	\$5,000.00	\$5,000.00
Jackson	Town Line Bridge	600.00	600.00
Kewaskum	Klug Road Bridge	600.00	600.00
Polk	Polk Dairy Bridge	1,750.00	1,750.00
Trenton	Esselman Bridge	450.00	450.00
		\$8,400.00	\$8,400.00

BE IT RESOLVED that the sum of Eight Thousand Four Hundred and no/100 Dollars (\$8,400.00) be appropriated for the County's share for the construction of said bridges, said sum to replace a like amount advanced from the general fund.

SECTION VI. WHEREAS: Appropriations are made herein in addition to the amount available in the County under Section 20.49 of the Statutes.

BE IT RESOLVED: The County Board does hereby levy a tax on all of the property in the County to meet appropriations as follows:

1. For the various purposes set forth in Section IV hereof the sum of Two Hundred Two Thousand and no/100 Dollars (\$202,000.00).

2. For the various purposes set forth in Section V hereof the sum of Eight Thousand Four Hundred and no/100 Dollars (\$8,400.00).

SECTION VII. WHEREAS: The various highway activities for which provision is made in this resolution are continuous from year to year, and

Aid Secondary matching funds for projects off the State Trunk Highway System in Washington County, and

BE IT RESOLVED, that the Highway Committee of Washington County be and it is hereby authorized, at its discretion and in its judgment to transfer the sums appropriated in Section 4, paragraphs 5, 7 & 8 of Resolution No. 45 adopted Nov. 17, 1954, to the Fund created hereby.

BE IT RESOLVED, that the County Highway Committee in cooperation with the State Highway Commission is authorized to select the improvements to be made with the above mentioned funds, and other funds which may be available in the Federal Aid Secondary matching fund account, and

BE IT FURTHER RESOLVED, the County Board does hereby levy a tax on all of the property in the county to meet the above appropriation.

Second Reading: Nov. 17, 1954.
Adopted Nov. 17, 1954.

Resolution No. 47 was given second reading. The chair asked District Attorney, L. J. Goring to explain certain legal and technical problems that had arisen since the first reading of this resolution. Mr. Goring stated to the Board that he had been advised by the State Board of Public Welfare that a simple majority of the Welfare Board of Washington County, could dismiss for certain causes the Director of the Welfare Department. He further informed the Board that any four members of the board could call a meeting. Supervisor Bascom stated the reasons for drafting this resolution, and the need for County Board representation on this branch of county government. William Marth, attorney for Mr. Brumm, asked the chair for permission to make a brief statement to the Board. The chair asked for an expression from the Board in this matter. Moved by Schroeder; seconded by Larson that permission be granted to Mr. Marth to address the Board for thirty seconds. Motion carried. Mr. Marth then proceeded to tell the Board that certain statutes provided for dismissal of certain officers. He cited Section 17-10 sub. 6 as the chapter that would apply, which he said contradicted the information given to the Board. The chair asked the District Attorney, L. J. Goring to read that portion of the statutes to the Board which was done. Mr. Goring stated that he had forwarded information given to him by Mr. Luckas of the State Board of Public Welfare. Mr. Marth again interrupted the proceedings by stating that additional members on the board would add to the expenses of the county and as a taxpayer he objected to this move. Thereupon supervisor Bascom asked that no more interruptions be permitted. Moved by Mr. Bascom; seconded by Mr. Lofy that resolution No. 47 be adopted and filed. Motion carried, on roll call vote. 27 ayes, no noes, Dettmann absent.

RESOLUTION No. 47

WHEREAS the function and activity of the Washington County Department of Public Welfare is of vital interest and concern to the Board of Supervisors of Washington County;

AND WHEREAS the said Board of Supervisors deems it necessary to the work of said Board to be in more immediate association with the function and activity of the said Department of Public Welfare;

AND WHEREAS the Legislature of the State of Wisconsin has recognized the importance of close cooperation and association between the County Department of Public Welfare and County Board of Supervisors by specifically providing in Section 46.22 (2) Wisconsin Statutes that the members of the County Board of Public Welfare shall be elected or appointed from members of the County Board of Supervisors or from the county at large, or both, and that said Board of Public Welfare shall consist of a Board of 3, 5 or 7 residents of the county as determined by the County Board of Supervisors;

NOW THEREFORE BE IT RESOLVED by the County Board of Supervisors of Washington County that the County Board of Public Welfare shall consist of seven residents of Washington County. Three members of such County Board of Public Welfare shall be elected by the County Board of Supervisors from the county at large on the basis of knowledge and interest in Public Welfare and four members of such County Board of Public Welfare shall be elected from the members of the County Board of Supervisors by the County Board of Supervisors on the basis of knowledge and interest in public welfare. The members of the County Board of Public Welfare shall each hold office for a term of three years;

AND BE IT FURTHER RESOLVED that the County Board of Public Welfare members duly elected and in office at the date this resolution is adopted shall be the members of said County Board of Public Welfare elected by the County Board of Supervisors from the county at large for such terms of office or parts thereof as remain to be served by them;

AND BE IT FURTHER RESOLVED that at this session of the County Board the first member of the County Board of Supervisors elected to the County Board of Public Welfare shall be elected for a term of three years, the second member of the County Board so elected shall be elected for a term of two years and the third and fourth members so elected shall be elected for terms of one year each and thereafter as their terms and the terms of the members elected from the county at large expire, members shall be elected to said Board of Public Welfare for three year terms, unless that whenever a vacancy occurs such vacancy shall be filled for the unexpired term.

AND BE IT FURTHER RESOLVED THAT:
1. any provision of any ordinance, resolution or action of this County Board of Supervisors in conflict with any provision of this resolution is to the extent of such conflict superseded by the provisions of this resolution;
2. the county clerk is hereby directed to transmit a certified copy of this resolution to the State Department of Public Welfare;
3. this resolution shall take effect and be in force on and after the date of its adoption;

The chair then informed the Board that the next order of business would be the election of four additional members to the Board of Public Welfare from the membership of the Board of Supervisors as provided in Resolution No. 47. Mr. Bammel and Mr. Larson were appointed tellers by the chair. A first informal ballot was cast for a member for a term of three years. Moved by Schroeder; seconded by Geib that members of the institutions committee be eligible to be members of the Welfare Board. Motion carried. Result of first informal ballot as follows: Bascom 12, Zuern 3, Rode 4, Schroeder 1, Larson 4, Bammel 1; Storck 1, Hilt 1. Mr. Bascom asked that his name be taken from the names to be voted for on the first formal ballot. Result of first formal ballot, Zuern 2, Rode 14, Larson 2, Bascom 7, Schroeder 1, Blank 1.

Moved by Bascom; seconded by Schmidt that the rules be suspended and the chair cast a unanimous ballot for Mr. Rode as the first member to be added to the Welfare Board for a term of three years. Motion carried. The ballot so cast and Rode was declared elected.

RODE, ELECTED TO WELFARE BOARD

The next ballot was an informal ballot for the second member to the Welfare Board for a term of two years. Result of ballot, Bascom 7, Zuern 10, Schroeder 3, Troedel 1, Larson 4, Blank 1, Storck 1. A formal ballot was cast for three members nominated by the formal ballot, namely Zuern, Bascom, Larson. Result of ballot Zuern 21; Bascom 4; Larson 1 and Blank 1. Zuern was declared elected.

ZUERN, ELECTED TO WELFARE BOARD

A first informal ballot was cast for a third member to the Welfare Board for a term of one year. Result of ballot Bammel 6; Kuhn 1; Schroeder 1; Larson 10; Troedel 7; Bunke 1; Storck 1. The first formal ballot was cast for members nominated by informal ballot. Result of ballot, Larson 19; Bammel 7 and Blank 1. The chair declared Mr. Larson elected.

LARSON, ELECTED TO WELFARE BOARD

A nominating ballot was cast for the fourth member to the Welfare Board for a term of one year. Result of ballot, Bammel 21; Troedel 4, and Bascom 1. The chair declared Mr. Bammel elected.

BAMEL, ELECTED TO WELFARE BOARD

Resolution No. 48 was given second reading. Motion by Bunke; seconded by Van BEEK that resolution No. 48 be adopted. Motion carried.

RESOLUTION No. 48

WHEREAS, The Wisconsin Towns Association at its convention at Chippewa Falls on August 28, 1954 adopted the following resolution: "WHEREAS, there are large areas in which private highway equipment is not available; and

WHEREAS, there is no economic justification for prohibiting the utilization of town and county highway equipment for private use providing there is no private equipment readily available; now, therefore be it

RESOLVED, by the State convention of the Wisconsin Towns Association, that the Wisconsin Towns Association favor constitutional and statutory changes to permit towns and counties to utilize their road equipment for private use not exceeding 300.00 for each private project, providing private equipment for such projects is not available, and

WHEREAS the members of the county board of supervisors of Washington County are in favor of such changes.

NOW THEREFORE BE IT RESOLVED by the County Board of Supervisors of Washington County that it does hereby approve and concur in the resolution referred to in the preamble hereto and the County Clerk be and he hereby is instructed to send a copy of this resolution as adopted to the Wisconsin Towns Association.

Mr. Rettler also reported on the costs of the highway buildings at West Bend and Slinger. Said buildings being completed he reported a balance on hand in the Slinger shop fund of \$198.81 and it was recommended by State Auditors that the account be closed by transferring the balance. He also reported that the account of the West Bend Shop had been overdrawn in the amount of \$18,353.30 and he presented each member of the Board with an itemized statement showing this overdraft. He also reported that an appropriate resolution had been presented to the Board to transfer funds from the General Fund of Washington County to provide for funds.

Discussion followed regarding allotments of gas tax monies for future highway improvements. It was agreed that improvements should be made to S. T. H. 60 and S. T. H. 45 before additional allotments would be made for a future lane on New Highway No. 41. It was felt by the Board that the residents of Washington County would receive more benefits from these improvements rather than expending money on New Highway 41. Moved by Mr. Schroeder; seconded by Mr. Bammel that the County Highway Commission be instructed to proceed with making recommendations to the State Highway Commission that the immediate forthcoming allotments be applied to the improvement of S. T. H. No. 60 and S. T. H. No. 45. Said allotments to be made before any further allotments are made for adding a second lane to Highway 41. Such projects to be included in one general overall plan and a report to be made to the County Board at a future meeting. Motion carried.

MOTION, HIGHWAY ALLOTMENTS

District Attorney L. J. Goring presented information pertinent to the joint Health Clinic planned with Ozaukee County. He stated that certain fixed charges as rental had been agreed upon. As yet no employees were engaged and no figures on salaries could be presented. It was the general opinion of the Board that it would be better to have set figures on salaries, etc. before action of the Board would be taken. Moved by Mr. Woldt; seconded by Mr. Campbell that the Board approve the rental payments in the amount of \$57.50 each month and the clerk and the chairman be authorized to make payments for the same. Motion carried.

It was suggested that no salaries be approved until personnel is engaged and such information is presented to the Board.

Mr. Kenneth Duckert, acting director of the Public Welfare Department appeared before the Board and presented the annual report of the Public Welfare Department. Moved by Mr. Woldt; seconded by Mr. Helm that report No. 25 of the Public Welfare Department be adopted and filed. Motion carried.

Mr. Henry Renard, Assistant District Attorney for the Public Welfare Department appeared before the Board and presented an annual report on his work for the department. He cited collections, court hearings on support of legal relatives, insurance credits as some of his activities. Moved by Mr. Knippel, seconded by Mr. Schmahl that this report be accepted and filed with the clerk. Motion carried.

Moved by Mr. Knippel; seconded by Mr. Lofy that Mr. Bammel be marked present for this day's session. Motion carried. Roll call sheet so corrected. The Chair informed the Board that it would be in order to proceed with the election of a Highway Commissioner since Mr. Becker's resignation had been accepted during the forenoon session. District Attorney L. J. Goring explained to the Board that he had done some checking on filling the vacancy in the office of the Highway Commissioner. He reported that it would be proper to elect a new commissioner during this session. The newly elected commissioner would hold office until the first Monday in 1957. Mr. Geib chairman of the Salary Committee stated that his committee feels that the salary of the new commissioner should remain as it has been for Mr. Becker. The Clerk read the applications of Mr. Milton Schaefer and Mr. Wesenberg to the Board as filed. Moved by Mr. Rode; seconded by Mr. Zuern that the name of Albert Rettler be placed in nominations to be considered by the first nominating ballot. Motion carried. The chair appointed Mr. Kuhn and Mrs. Courtney as tellers. Result of first informal nominating ballot. Albert Rettler 13; Walter Wesenberg 11; Al Bohn 1; Blank ballot 1. The first formal ballot was cast for the three highest candidates namely Rettler, Wesenberg, and Bohn. Result of ballot. Rettler 16; Wesenberg 9; Bohn 1. The chair declared Mr. Rettler elected to the office of Highway Commissioner.

RETTLER ELECTED HIGHWAY COMMISSIONER
Mr. Meshnik, district agent for the Soil Conservation Commission appeared before the Board and explained work being planned for Washington County by his department. Moved by Mr. Geib; seconded by Mr. Troedel that this report be accepted and filed with the Clerk. Motion carried.

REPORT No. 41

1954 REPORT OF WISCONSIN RETIREMENT FUND (66.90 Statutes)

Washington County, by a resolution dated November 17, 1946 began participating in the Wisconsin Retirement Fund for elected and appointed officials and employees as of January, 1947.

The County Clerk was named the Deputy Agent, by the same resolution and has been acting retirement agent since Dec. 10, 1954.

Individual employment records for each employee and participating official are maintained by your agent. The Highway, County Hospital and Home, and the County Clerk submit copies of semi-monthly payroll for employees, to the Agent, from which are completed necessary monthly reports required by the State Office.

On the following chart we submit figures showing monthly employer's and employee's contributions to the Retirement Fund for the 1954 fiscal year:

Table with 3 columns: Month, Employer's, Employee's. Rows for January through December, and Social Security (1st, 2nd, 3rd, 4th Quarter).

The rate for 1954 for the municipality (Washington County) was 3.55% for prior service credits, plus the 3% for Wisconsin Retirement, plus 2% for Federal, a total of 8.55%.

During 1955 the rate for the municipality has been decreased to 2.82% for prior service credits, plus the 3% for Wisconsin Retirement, plus 2% for Federal, a total of 7.82%.

During 1953, the municipality's rate for current earnings and prior service credits was 8.34%. Eventually, after all prior service credits have been paid in by the municipality, the County rate will be the matching 3% for Wisconsin Retirement and 2% for Federal.

Respectfully submitted, ANTON P. STARAL, County Clerk.

Rules of Order of the Board of Supervisors of Washington County

- Section 1. The Board shall choose by ballot one of their members to occupy the chair. He shall be styled "Chairman of the Board" and shall hold this office during one year, or during the time that said Board was elected to serve. He shall take the chair at the hour to which the Board is adjourned and call members to order, and if a quorum be present he shall direct the minutes of the preceding day to be read and mistakes if any, corrected. He shall preserve order and decorum, and shall decide questions or order, subject to an appeal to the Board. He shall, unless otherwise directed by the Board appoint all committees; he shall vote on the calls of yeas and nays. The Board shall also elect one of their number as vice-chairman. In the absence of the chairman and vice-chairman the Board shall appoint a chairman pro tem. Section 2. Any two members may make a call of the Board and require absent members to be sent for; but a call of the Board can not be made after the voting has commenced, and the call of the Board being ordered and the absentees noted, the doors shall be closed and no members permitted to leave the room until the report of the sheriff shall be received and acted upon, or further proceedings under the call be dispensed with by a vote of the majority of the members elect. Section 3. All questions shall be put in this form. Those who are of the opinion (as the case may be) say "aye," those of the contrary opinion say "no," and in doubtful cases any member may call for a division. Section 4. When a motion is made and seconded it shall be stated by the chairman or clerk previous to debate. If any member requires it, all motions, except to adjourn, postpone or commit, shall be in writing. Any motion may be withdrawn by consent of the Board before the decision for amendment. Section 5. Every member present when a question is put or when his name is called, shall vote unless the Board shall, for special cause, excuse him; but it shall not be in order for a member to be excused after the Board has commenced voting. Section 6. A motion to adjourn shall always be considered in order and be not debatable, and a call for the previous question and

a motion to lay on the table, shall be decided without debate; but a motion to adjourn shall not be received when the Board is voting on another question.

Section 7. When any member is about to speak in debate, or deliver any matter to the Board, he shall arise from his chair and respectfully address himself to the chairman and shall confine himself to the question under the debate and avoid personality.

Section 8. When two or more members shall arise at once, the chairman shall name the member who is to speak first.

Section 9. No committee shall absent themselves by reason of their appointment during the sitting of the Board without special leave.

Section 10. Every resolution or other matter shall be introduced on leave and referred to the appropriate committee if considered necessary. All resolutions shall be laid over for a second reading before voted upon. All resolutions carrying an appropriation shall after the first reading be referred to the budget committee for their recommendation as to its effect upon the same day that it is introduced except by suspension of the rules.

Section 11. When a motion or question has once been made and carried in the affirmative or negative, it shall at any time on the same or succeeding day be in order for any member of the majority, or when the Board is equally divided, for a member who voted in the negative to move for a reconsideration thereof.

A motion to reconsider being put and lost shall not be renewed.

Section 12. No member or officer of the Board shall be permitted to read newspapers or magazines within the bar of the Board, while the Board is in session.

Section 13. All resolutions brought in by any member or committee shall be endorsed by the member of the committee bringing the same.

Section 14. When a member is called to order he shall sit down and shall not speak except in explanation, until the chairman shall have determined whether he is in order or not; and every question or order shall be decided by the chairman, subject to an appeal to the Board by any member, and if a member be called to order for words spoken, the exceptional words shall be taken down in writing, that the chairman and the Board may be better enabled to judge.

Section 15. A majority of all the members elected to the Board must be present to constitute a quorum for the transaction of business; and three of their number, however, can adjourn from time to time and have a power to compel the attendance of absent members.

Section 16. Any committees required to or entitled to report upon a subject referred to them may make a majority and minority report.

Section 17. All appropriations of money shall require the affirmative vote of not less than a majority of the members present and shall be voted for by the roll call vote, and entered among the proceedings of the Board. In all resolutions where a roll call vote has been requested, or is required, the names of all members voting thereon be published in the annual report and that said report show which members voted for or against said resolution.

Section 18. The following standing committees shall be appointed by the chairman of the County Board and each committee shall consist of the number of members and its duties shall be as follows:

COURT CLAIMS—To audit all circuit court, county court, sheriff's and justices of the peace accounts; to consist of five members.

GENERAL CLAIMS—To audit all other accounts which are not enumerated above; to consist of five members.

FINANCE AND BUDGET COMMITTEE—to audit all vouchers every three months and take care of all matters which come under the heading of finance. The preliminary budget of Washington County is to be presented to the County Board on or before November 1, and the final budget is to be presented to the Board before the end of November session. The committee is to consist of five members.

EQUALIZATION COMMITTEE—To take care of the equalization of taxes of Washington County. All County Board members as a committee of the whole shall act on this committee.

COUNTY INSTITUTIONS — To supervise the welfare of the Washington County Hospital, Washington County Home, and the Public Welfare Department of Washington County; to consist of five members.

SALARY COMMITTEE—To supervise all salaries paid to Washington County officials and employees except those of the highway employees; to consist of five members.

EDUCATION — To provide aid for public schools, supervising teachers, and anything else pertaining to education; to consist of three members.

COUNTY FAIRS—To supervise the county's fairs and take care of the supervision and maintenance of the fair buildings of Washington county; to consist of three members.

AGRICULTURAL—To take care of the agricultural activities and 4-H Club activities of Washington County; to consist of five members.

PUBLIC PROPERTY—To have the supervision of the court house and jail of Washington County and the equipment therein, and the printing of Washington County; to consist of five members.

INSURANCE COMMITTEE — To handle all the insurance of Washington County; to consist of the following five members: chairman of the County Board, chairman of the finance and budget committee, chairman of the highway committee, chairman of county institutions committee, and chairman of the county fairs committee.

SHERIFF'S COMMITTEE—To set hours of work, vacations, compensation, duties and general rules of employment of traffic patrolmen.

THE HIGHWAY COMMITTEE shall be elected as provided by the Wisconsin Statutes, shall consist of three members and shall fix the salary of all employees of the County Highway Department, shall have charge of the supervision and maintenance of all county highway buildings and shall have such further duties and powers as provided by law.

No person shall be appointed to standing committees of the County Board except members of the County Board unless where the law provides that certain other persons shall be appointed.

Section 19. No rule shall be suspended or amended without concurrence of two-thirds of the members present.

Section 20. Any members of the County Board elected to the highway committee shall as soon as he becomes a member of such highway committee be ineligible to act on any other committee; his position on such other committee shall be automatically vacated and the chairman of the County Board shall immediately appoint successors to such vacated positions on the various committees; except for members of the insurance committee, when the board meets as a committee of the whole, or as otherwise designated by the rules of order.

Section 21. No petition shall be considered by the County Board of Washington county unless such petition be sponsored by and signed by a member of such board. No petitions for the construction or repair of roads or bridges in Washington county shall be considered by the County Board of Washington County unless such petition shall be signed by a majority of the members of the town, village or city board or boards where such construction or repair is to be done.

Section 22. After the minutes of the preceding day have been read and opportunity has been given to correct, the following order of business shall be followed:

1. Resolutions may be offered and considered.
2. Reports of committees.
3. Memorials and other documents.
4. After one hour has passed, then the unfinished business on the chairman's table may be taken up and considered.

Section 23. The rules of parliamentary practice comprised in Robert's Rules of Orders shall govern this Board in all cases in which they are applicable and in which they are not inconsistent with the rules and orders made by this Board.

Section 24. The date for the elections by the members of the County Board of Supervisors shall be fixed on the opening day of the November session of said board except as otherwise provided by law.

The following procedure shall be followed for the election of all members of the highway committee and other elections by the County Board of Supervisors. Under this procedure only one office will be filled on one series of ballots.

Nomination shall be made by written ballot. The three men receiving the highest number of votes on such nominating ballot shall be declared nominated and no other names shall be considered or recognized in such election as a candidate.

In the event of a tie, nominees tied shall be declared nominated. If one member receives a majority of all votes cast in the nominating ballot, provided such ballot was a written ballot, he shall be declared elected; if no member receives a majority, a ballot shall next be taken for the election of first committee member, and if one of the three nominees receives more than one-half of all votes, he shall be declared elected. In the event that no nominee receives more than one-half of all votes cast, a third ballot shall be taken on the two candidates receiving the highest total number of votes cast and the person then receiving the plurality of votes shall be declared elected.

In case of a tie on final ballots, lots shall be drawn by the two persons tied.

Section 25. Instead of adjourning at noon, the board shall recess to a definite hour in the afternoon and any member, not answering to roll call, may ask unanimous consent of the board to be marked present and the board may grant such request if just cause is shown.
