Sen. Panzer Talks To Kiwanians On Improving Hwy. 45

Speaking before a meeting of the Kewaskum Kiwanis club and members of the West Bend Kiwanis club and guests, State Senator Frank E. Panzer of the 13th district, representing Washington and Dodge counties, Monday night summed up the situation on the possible repaving or improvement of Hwy. 45 in Washington county.

Members of the West Bend and Kewaskum Kiwanis clubs are leading a crusade to improve Hwy. 45 through the county and it is hoped that their support will bear much weight in securing the approval of authorities at Madison for the project. Residents have long been concerned about improving Hwy. 45 between West Bend and Kewaskum, where it is in bad shape.

Sen. Panzer said that the action to be taken on the road depends upon what the residents of the county want and do to promote action on the project. "It's the squeaking wheel that gets the grease," Sen. Panzer said, and the "more noise" you make on this project the more apt you are to get results. He was informed from the audience that it was the wish of residents of the county not to relocate the highway but to retain the present road, improve it, resurface it, improve or eliminate some of the curves and improve the shoulders. The senator strongly urged continued support for the project and that delegations be sent to Madison to encourage immediate action.

Sen. Panzer stated that it is up to you to decide whether you want a route through town or if you want the highway to by-pass your towns. He said that he believed residents of the county are entitled to a little additional consideration as far as highway allotments are concerned over and above the approximate \$150,000 that they are now receiving for highway work. The senator promised that he would be more than glad to give the county his support.

Panzer pointed out that the new Hwy. 41 is already carrying far more traffic than was anticipated with present traffic counts on the new road already coming up to the figures which had been anticipated in 25 years from now. He said he believes Hwy. 45 will be considered before the continuation of the second lane on Hwy. 41 is attempted.

President Pat Miller of Kewaskum presided at the meeting. He introduced the guests present and then called upon Assemblyman Elmer Schowalter to introduce the speaker of the evening. A good representation attended the meeting.

BIRTHS

RAMTHUN—A 9 lb. son to Mr. and Mrs. Eldon Ramthun, Jr., Kewaskum, Wednesday, Sept. 28.

JUSTMAN—Last week in reporting the birth of a son to Mr. and Mrs. Harold A. Justman, R. 5, West Bend, we mentioned that Mr. Justman was a son of the Herbert Justmans, Kewaskum. It should have been a son of the Russell Justmans, West Bend.

Woman's Club Has Opening Luncheon

EIGHT NEW MEMBERS JOIN CLUB, MEMBERSHIP NOW TOTALS 67

Autumn flowers attractively arranged in pumpkins furnished the centerpieces at individual tables as forty members and nine guests enjoyed the opening luncheon of the Kewaskum Woman's club at the Republican Hotel on Saturday, Sept. 24. Place cards and tallies also carried out the autumn motif. During the business meeting presided over by the president, Mrs. Clyde Smith, the annual reports of the secretary and treasurer were presented and the achievements of the club during the past year were heard.

The members and guests spent the remainder of the afternoon at cards. Honors in Bridge were won by Mmes. L. N. Peterson, C. E. Mitchell, L. P. Rosenheimer, Harry Koch, Charles Miller and H. B. Rosenheimer. Mrs. Roland Pledl was the winner at Canasta.

Eight new members were welcomed into the club and they include the Mmes. Roland Pledl, Earl Buswell, Theodore Sinclair, John Tessar, Jr., Robert Dreher, Gilbert Seil, Willard Bartelt and Miss Lillie Schlosser. The membership now totals 67.

The theme chosen for this year is "Look not thou down but up," a quotation by Robert Browning.

Plans Completed for Turkey Shoot

The Kewaskum Kiwanis club has recently announced that its plans are now complete for the holding of its third annual live turkey shoot at the Bar-N-Ranch, 7 miles northeast of Kewaskum, on Sunday, Oct. 9, from 9:00 a. m. in the morning until 6:00 p. m. in the afternoon. The shoot will in part be much the same as last year's event, in that the contestants will shoot at the moving heads of live turkeys protruding over a log at the far end of the firing range. There will also be shotgun trap competition and deer rifle target.

The Kiwanians are also giving away \$500.00 worth of prizes. These prizes are being given away at no extra charge, however, the only persons eligible will be those who have purchased advance tickets from the Kiwanis club. The \$1.00 ticket will be good for three shots which is the regular rate that in addition will be good for prize competition. All those interested, please contact a Kiwanian in Kewaskum, or write to the Kewaskum Kiwanis club, and enclose your remittance.

As usual all proceeds from this event will go to the youth benefit programs.

FFA PAPER DRIVE ON LAST SATURDAY OF EACH MONTH

The Kewaskum FFA chapter will conduct a paper drive on the last Saturday of each month. The paper should be tied in bundles and placed at the curb by 10 a. m. where it will be picked up by the FFA boys.

Kewaskum School Electors Approve Added Bond Issue

VOTE TO BORROW ADDITIONAL \$200,000 TO MEET CONSTRUCTION COSTS

At a meeting held in the assembly room of the Kewaskum High school Monday night, electors of the Kewaskum Union High School District unanimously voted to give the school board of the district authority to borrow an additional \$200,000 to meet construction costs for the new high school to be erected in the district.

Originally the school district had approved a bond issue of \$450,000 for the high school project, but bids on the project have come to approximately \$585,000 in round figures and it was necessary to raise additional funds to meet the higher costs of construction.

Equipment for the new school will be purchased with the surplus funds of approximately \$65,000 raised by the new bond issue. It was expected that the bids for the school project would be awarded this week.

Ed Hinns Buy Home Here, Others Move

Mr. and Mrs. Eugene "Mike" Gnacinski and family, who sold their home in the Stark addition to Mr. and Mrs. Edward Hinn of the town of Scott, recently moved into the apartment above Heisler's tavern on Main st. The Hinns, who discontinued farming and held an auction on their farm, moved into the former Gnacinski home. Mr. Hinn will be employed by A. G. Koch, Inc.

Mr. and Mrs. Harlan Gruber recently moved from the K. A. Honneck, Jr. farm home southwest of Kewaskum into the apartment in the John Gruber home on East Water st.

Mr. and Mrs. Nic Schiltz moved from the John Dobke home in the Stark addition into one of the apartments in the Fred Klein, Sr. home on the corner of Main and West Water sts. Mr. and Mrs. Lester Schaub moved from one of the apartments of the Paff residence on Fond du Lac ave. into the Dobke home vacated by Mr. and Mrs. Schiltz.

Mr. and Mrs. Earl Manthel and child moved from the Oscar Krueger upper apartment on Elm st. into an apartment in the Elmer Schaefer home on North Fond du Lac ave.

PEACH TREE BEARS BIG FRUIT IN SCHULTZ YARD

A four-year-old peach tree located in the back yard of the Henry Schultz home on East Main st. is bearing fruit of a size seldom seen in this state. There are a number of peach trees in Wisconsin but it is rare to see them grow fruit so big and plentiful.

The tree grew from a peach stone in the Schultz garden and developed rapidly. This is the first year that it has had fruit. It is believed that the hot summer may have helped the crop.

Services Held for Edward Krewald

Funeral services were held at 2 p. m. Sunday in Trinity Lutheran church, Dundee, for Edward Lawrence Krewald, 25, son of Mr. and Mrs. Walter Krewald of the town of Auburn, who died Friday, Sept. 23, following an illness of eight months with carcinoma. The Rev. H. Kahrs officiated at the rites and burial was in the parish cemetery.

An employee of Regal Ware, Inc. in Kewaskum before his illness, the young man was born April 23, 1930 in the town of Auburn and lived with his parents there all of his life except for three years which he spent serving in the U. S. Army. He was a veteran of the Korean war.

Besides his parents, Eddie is survived by three sisters, Dorothy (Mrs. Donald Heinecke) of Barton and Marcella and Ruth Krewald at home; four brothers, Alvin of New Prospect and Melvin, Elmer and Myron at home.

The young veteran was a member of Robert G. Romaine Post 384, American Legion, Kewaskum, and the Kettle Moraine Post of the Veterans of Foreign Wars.

Prior to the funeral the body was in state at Miller's Funeral home, Kewaskum, from 2 p. m. Saturday until 12 noon when it was taken to the church to be in state until the hour of services.

BYRON BRANDT

Word was received from Nettie Kludt Witten, a former resident, that Byron Brandt, 64, of 845 Deerfield Rd., Highland Park, Ill., a native of Wayne and a former resident of Kewaskum many years, died Sunday, Sept. 11 of a heart attack. He was well known here and had many relatives in this community, a number of whom attended his funeral.

Mr. Brandt was born Sept. 18, 1891, at Wayne and lived in the Kewaskum area until 1923 when he moved to Highland Park. He was married to Lillian Kludt, who predeceased him in 1953.

Surviving are one daughter, Esther Huebsch, of Mundelein, Ill.; one granddaughter, Karen Gail Huebsch; six brothers, John Brandt of Highland Park, Otto of Milwaukee, Ervin of Saukville, Noah of Hartford, Oscar of Plymouth and Edgar of Kalamazoo, Mich., and one sister Myrtle (Mrs. Louis Backhaus) of Kewaskum.

Funeral rites were held at 2 p. m. Thursday, Sept. 15, at the Kelley & Spalding chapel, Highland Park, the Rev. William H. Remmert presiding.

SPORTSMEN'S ASSOCIATION TO MEET TUESDAY NIGHT

A meeting of the Kettle Moraine Sportsmen's association of Kewaskum will be held at the Woodmen hall Tuesday, Oct. 4, at 8 p. m. Several business issues will be decided upon and members are asked to attend. Lunch and refreshments will be served.

The tax levied on each acre of farm land in Wisconsin was \$1.90 in 1954. In 1953, it was \$1.81 per acre. That shows an increase of five per cent.

Pure Milk Local Elects Directors At Meeting Here

The annual meeting of the Kewaskum Local of Pure Milk Products Co-operative was held Thursday, Sept. 22, at 8 p. m. at the Kewaskum Opera House. The meeting was called to order by Arnold Rosenthal of West Bend, outgoing president. Directors were elected and regular business transacted. Entertainment was provided and lunch served.

The new board of directors is as follows:

Arthur De Cramer, president, R. 1, Eldorado; Orrin Peters, vice-president, R. 5, West Bend; Howard Proeber, secretary, R. 3, West Bend; Carl Herriges, director, R. 3, West Bend; Arnold Rosenthal, director, R. 3, West Bend.

Herriges, Kopp, De Cramer, Rosenthal and Peters will be delegates to the annual convention in Fond du Lac on Oct. 25.

Ira Oelhafen was nominated as a candidate for the state board, the election being held at the convention.

Herbert Stillman, membership director of Pure Milk Products, was the main speaker. He warned that we must watch with a critical eye the imports of dairy products into the United States. He pointed out that federal milk orders stabilize the fluid milk market. Dairy plants may pay more than the order calls for but never lower. He also explained the dairy self help plan, if this plan is adopted the surplus milk would be taken off the market and sold out of this country or given to the needy in the U. S.

A discussion of the parity program followed. If dairymen want 90 or 100% of parity they must accept rigid control of their production.

Hawley Donaldson, field director of PMPC, gave some important facts for dairymen to consider about bulk milk tanks and handling.

POLIO BENEFIT BASEBALL GAME AT BARTON SUNDAY

The second annual benefit polio baseball game for the Washington county polio fund will be played at 1 p. m. Sunday, Oct. 2, at the Barton village park. Teams opposing each other will be Bill Dricken's Barton Old Timers vs. Al Theusch's St. Michaels Old Timers.

The only admission to the game will be a donation to the polio fund to help fight polio in Washington county. The entire proceeds go to the county polio fund. A public address system will be set up and all proceeds from the commercials also will be contributed to the polio fund. Refreshments will be served.

President Tony Otten of Barton will throw out the first ball and Tony Staral, chairman of the Washington County Chapter for Infantile Paralysis, will be the catcher. Gloria Zander will sing the national anthem and four umpires will handle the game in typical big league fashion.

Serious outbreaks of jack-pine budworms have taken a severe toll of young evergreens in the state during the past two years.

Boden-Westerman Wedding Is Held

During a 9 o'clock nuptial mass read by the Rev. F. C. La Buwi in St. Bridget's church, St. Bridgets, Saturday morning, Sept. 17, Lorraine Barbara Westerman, daughter of Mr. and Mrs. Walter Westerman, R. 3, Kewaskum, became the bride of Richard J. Boden, son of Mr. and Mrs. Math. Boden, R. 4, West Bend.

A reception at the home of the bride's parents followed the ceremony and supper was served in the Holy Trinity church parlors, Kewaskum. In the evening a wedding dance was held at the Zivko-Gonring ballroom, Big Cedar lake.

The bride's gown of lace and net was floor length and had a small pointed collar with pearl trimming, a sheer yoke and long fitted sleeves. Lace and flower applique trimmed the bouffant skirt and a panel of accordion pleated net added fullness to the skirt. Her finger tip veil fell from a lace pill box with pearl and rhinestone embroidery. She carried a white orchid and carnations fastened to a heart shaped net ruffle, with streamers of gold, coral and blue carnations.

Mrs. Joe Fell attended her sister as matron of honor. She wore a cottillion blue crystalette gown with a net trimmed bodice and bolero. The bodice had cap sleeves and was gathered to a full skirt with net ruffle trimming. She carried a heart shaped bouquet fashioned of blue net and ribbon with raspberry colored carnations. Identical gowns in raspberry and gold crystalette were worn by the bridesmaids, Mrs. Roy Butz and Mrs. Robert Metternich, sisters of the bridegroom. They carried heart shaped net ruffles to which gold and blue carnations were fastened. Tiaras of braided horse hair with silver trim completed their ensembles.

The bridegroom was attended by Robert Metternich, a brother-in-law, as best man, while two brothers of the bride, Richard and Lloyd Westerman, served as groomsmen.

Ushers were Ralph Peter and Earl Peters.

Mr. Boden, a graduate of West Bend High school, is employed by the Heinemann Dairy in Kewaskum. His bride is employed as a waitress at Johnson's restaurant. The couple will reside in Kewaskum.

The little son of Mr. and Mrs. Ronald Vorpahl of Allenton was baptized Sunday, Sept. 25, at Sacred Heart church there. He received the name Ronald Anthony and his sponsors were Anthony and Theresa Vorpahl of Kewaskum. Guests entertained other than the sponsors were Mr. and Mrs. John Vorpahl, the paternal grandparents, and son John, Jr. and Mr. and Mrs. Allen Kertscher and son of Kewaskum.

MISS HENSEN HONORED AT SHOWER ON SUNDAY

The Misses Joan St. Mary of Kewaskum and Joyce Butchlick of Campbellsport were hostesses at a surprise linen shower given Sunday afternoon, Sept. 25, in St. Matthew's church basement, Campbellsport, in honor of Miss Joyce Hensen of that village. She will become the bride of James St. Mary of Kewaskum in the near future.

Officers Elected at Annual Meet of Red Cross Chapter

JUDGE MEISTER RE-ELECTED CHAIRMAN; OTHER OFFICIALS NAMED

At the organization meeting of the board of directors of the West Bend Chapter, American Red Cross on Wednesday evening, Sept. 7, Judge Milton L. Meister was elected to a new term as chairman of the chapter. Vice chairman will be Robert T. Rolfs. Mrs. Walter Sprinkman was elected secretary and Edwin Moore treasurer.

In addition to the officers the executive committee will consist of Egbert Muth, H. C. Bennalack, Mrs. Robert Berger, Dr. James Baumgartner, Roger Bardwell, Marvin Husar, Dr. R. Kauth, and Mrs. Charles Weinreich.

Other members on the board include Roman Breit, Mrs. Edwin Fickler, Norbert Reetz, Mrs. Allen Kieckhafer, Mrs. Victor Bauer, Carl Schneiss, Mrs. Robert Dunlop, Leonard Dricken, Charles Stracka, Mrs. Edward Duenkel, David Rolfs, Rev. H. W. Baumer, Fred Miller, and Mrs. Clem Mayer.

Guest at the meeting was Miss Lisette Anderson, Red Cross field representative who acted in the capacity of resource person for topics discussed on federated drives, group insurance and social security for local paid staff.

Judge Meister reported on the Red Cross Flood Disaster fund stating that \$371.83 had been contributed without personal solicitation. The amount from the chapter includes \$500.00 making a total of \$871.83 forwarded to the midwestern area headquarters.

The chairman read the telegram that he received on Saturday, Sept. 3. "Wish to advise you that through the generosity of the American people our chapters have today, Saturday, reported in Contributions and pledged gifts to the Red Cross Flood Disaster Fund more than \$10,000,000.00 This assures us of sufficient funds to meet adequately Red Cross requirements in eastern states flood relief operation. You are therefore authorized to inform the people within your chapter jurisdiction in whatever way seems proper

to you that with funds available, contributed and pledged, no further contributions are necessary. Chapter leadership in this effort has been outstanding and we are grateful for your support. Please take this opportunity to thank all those who have so willingly contributed to this disaster fund and the chapter and community leadership which has made this magnificent effort possible."

From Ellsworth Bunker, Midwestern Area Headquarters, St. Louis, Missouri.

CONSERVATION DEPARTMENT CONDUCTING ANNUAL FALL AERIAL WATERFOWL CENSUS

As part of a national program to keep better tab on our ducks, geese and coots, the Wisconsin Conservation Department again is conducting census flights over seven established census routes in Wisconsin this autumn. Flights were begun on Sept. 1 and will be continued at two week intervals from now until January. Flights will not be conducted on Saturdays, Sundays, or holidays and should not be confused with the numerous flights made by other individuals. Other states in the Mississippi Flyway will conduct similar flights simultaneously in order to keep track of the southward migration of waterfowl.

Of particular interest in east-central Wisconsin will be flights conducted from Waupun and Green Bay. The Waupun flight will cover Rush, Green, Puckaway, Poygan, Winneconne, and Butte de Morts lakes. The Green Bay flight will cover only the bay proper.

Years of experience have shown conclusively that flights as conducted by the Wisconsin Conservation Department may flush some ducks temporarily but that they will rarely leave the immediate area where they are rafted. Well-meaning hunters occasionally complain that such census flights ruin hunting or drive ducks from the region. Such is not the case; however, decreases in hunting success experienced by many lake hunters in the post-war period are more directly attributable to increased hunter pressure. Hunting concentrations on most areas accessible to the public have doubled in the years since the war. In the case of Lake Puckaway and the Wolf Ri-

ver lakes the problem has been further aggravated by loss of boy and emergent reed beds. Loss of this transition zone between land and deep water means less of the protection and foods which most ducks require. Just as the Wisconsin duck hunter needs more room to hunt and less competition, so do Wisconsin waterfowl need more good protected areas and continued study in these rapidly changing times.

LOCAL MEMBER INITIATED INTO GOLD STAR MOTHERS

The Washington county chapter of American Gold Star Mothers held their September meeting at the VFW hall in West Bend. Four new members were initiated into the chapter, including Mrs. Herbert Justman of Kewaskum. Other members present at the meeting included Mrs. Elwyn Romaine of here.

The late summer and early fall months are the time to start giving old pastures the "shot in the arm" treatment necessary to make them pay off.

The most important production records that hog raisers should keep are breeding and farrowing dates, number of pigs farrowed and weaned, a marketing record, and a record of disease or sickness in the herd says H. L. Self, livestock specialist at the University of Wisconsin.

If there's any yellowish gas around the silo base and in the feed room, air the place out before you go in during silo-filling season. The gas is dangerous to humans, but usually disappears in a few days.

Hovland New County Agent

KEWAUNEE AGRICULTURAL AGENT SUCCEEDS EARL SKALISKEY

Maurice J. Hovland will assume the duties of county agricultural agent of Washington county effective Nov. 1, 1955. At the present time he is county agricultural agent of Kewaunee county, Wis.

Hovland is a native of Wisconsin having been born and raised near Sparta in Monroe county. He is a graduate of the Sparta High school. Following high school he served four and one-half years in military service part of which was served in the South Pacific. After being discharged from the army, he entered the University of Wisconsin College of Agriculture and majored in soils and agronomy.

Upon graduation from the university he worked as 4-H club agent of Polk county. He served in this capacity for one and one-half years. In March 1950, Hovland became county agricultural agent of Kewaunee county and has served in that capacity to the present time.

Hovland is married and has one son four and one-half years old.

The new county agent was appointed at a recent meeting of the county agricultural committee consisting of E. M. Romaine, Kewaskum; Harvey Dettmann, Alfred Rode, Ray East and H. D. Sheski,

county superintendent of schools.

Robert Stodola, county club agent, was not a candidate for the position, preferring to remain in club work in the county.

Hovland was appointed to succeed E. E. Skaliskey, who died recently after serving more than 19 years as Washington county agent.

WING IS NAMED COMMODITY DIRECTOR OF FARM BUREAU

According to Ira Oelhafen, Washington county farm bureau organization director, Frank L. Wing, Madison, formerly administrative assistant in the state animal health division, will take over the post Oct. 1, as commodity director of the Wisconsin Farm Bureau.

Wing succeeds Kenneth K. Heldeman, who resigned last May to work in the American Farm Bureau commodity department.

The new director joined the agriculture department in 1949 as ra-

dio supervisor. Later he became marketing specialist and for two years directed the activities of Wisconsin's famed "Alice in Dairyland."

Wing served as assistant agricultural agent in Richland county following graduation in 1947 from the U. W. college of agriculture where he majored in agricultural economics. During World War II he served three years in air force ground communications work.

A native of Sauk county, Wing was raised on a farm near Baraboo. While a vocational agriculture student at Baraboo high school in 1940 he was elected president of the Wisconsin Future Farmers of America. He is married and has two children, Debra Jean, 3½, and Randall, 8 months.

Farm fire losses in the United States in 1954 are estimated at \$157,000,000. This is an increase of 13 per cent over 1953.

IN MEMORIAM

In loving memory of our dear husband and father, Otto Ramthun, who passed away one year ago, Sept. 30, 1954:

More and more each day we miss you.

Friends may think the wound is healed,

But they little know the sorrow. That is in our heart concealed.

There's many a lonely heartache, There's many a silent tear,

God only knows how we miss you, At the end of this sad year.

Sadly missed by his wife, Mrs. Otto Ramthun, and children.

TIME TO GO *Pontiac*

for a good deal and a good deal more!

Pontiac gives you more beauty, size and power—and record-breaking sales mean record-breaking deals!

When we say a "good deal" we're being plenty conservative. Actually our deals are terrific—and here's why.

Right now, we're reaching for a new sales record in September to match the record-smashing sales of the months past.

We're going all-out to get it done—trading with a freehandedness we've never touched before. In fact, until you get our appraisal, you'll have no real idea how much your present car is worth.

And that line about "a good deal more"—that's another understatement. It's a matter of record that Pontiac combines greater beauty, size, power and

stability than cars priced hundreds of dollars more. It's a tremendous bargain even without benefit of a special deal.

It's the most beautifully distinctive car in America—bar none!

It's a big car! That rugged, shock-proof chassis has a 122- or 124-inch wheelbase—just what it takes for a smooth and steady ride.

And the Strato-Streak V-8 is right out of the future—the newest and most advanced automotive power plant of them all with the most exciting performance you have ever enjoyed.

Come in for the rest of the facts—and the amazing figures that prove how easily you can own a high-powered, high-styled Pontiac.

Make it soon. There's a limit to how long we can keep trading at this rate.

Indians Open Delayed Grid Season Friday

The Kewaskum Community High school Indians opened the belated 1955 football season under the lights Friday night, Sept. 30, at 8 p. m. when they were host to North Fond du Lac in the expanded Tri-County conference. Pollo delayed the Indians' opening practice until Sept. 12 and caused postponement of the scheduled opening game with Lomira on Sept. 23. This contest will now be played on Nov. 7.

Coach Ernie Mitchell's squad has been tabbed as one of the title contenders in the conference along with Lomira and Campbellsport. The team was up against a dark-horse North Fondy team that could be tough.

The league has been expanded to eight teams this year with the addition of Random Lake and Hustisford. Completing the conference are Kewaskum, North Fondy, Brandon Oakfield, Campbellsport and Lomira. The potential of the new teams, Random Lake and Hustisford, is practically unknown although both of them took sound beatings in the opening games played last Friday.

Coach Mitchell is singing the blues after having lost 14 lettermen by graduation and two more moving out of the district. However, he does have nine lettermen from the 1954 squad which finished the season with a fine 4-1 record. Lettermen include Doug Wierman, Bob Stenman, Don Panzer, Tom Peterson, Gil Hammer, Harold Pesch, Del Haack and Ron Petermann.

Following the opener Friday, Kewaskum's remaining schedule is as follows: Oct. 7—Brandon at home at 8 p. m.; Oct. 14—Random Lake there at 2:30 p. m.; Oct. 21—Oakfield at home at 8 p. m.; Oct. 28—Campbellsport at home at 8 p. m.; Nov. 1—Hustisford there at 2:30 p. m.; Nov. 7—Lomira there at 8 p. m.

Brandon is the defending champion and posted a 7-0 record last season. The squad lacks depth this year.

Results of opening games last week were Brandon 33, Random

Lake 0; Campbellsport 26, Oakfield 12; North Fondy 21, Hustisford 6. Games on Friday of this week besides North Fondy at Kewaskum were Lomira at Hustisford, Oakfield at Brandon, Random Lake at Campbellsport.
