Senator Wiley Warns Scouts at Moraine District Meeting Here

COMPARES THEM WITH SOVIET 'PIONEERS' AT ANNUAL DINNER MEET MONDAY ATTENDED BY 200

American Boy Scouts are engaged in a "competitive co-existence" with the Soviet Union, Senator Alexander Wiley warned Monday evening. He spoke at the annual leaders' dinner meeting of the Moraine district of the Badger Boy Scout Council in the Holy Trinity church hall, Kewaskum. Approximately 200 persons attended the affair, starting at 6:30 p. m.

Presentation of awards and the selection of new officers and committee members of the Boy Scout district headlined the dinner. Elected were Harold Koehler, West Bend, chairman; George Dodge, Hartford, vice-chairman; C. J. Kleinhans, Campbellsport, and Edward Karcheski, Hartford, both representatives to the executive board, and Owen Leffler, West Bend, commissioner.

Senator Wiley declared that Scout leaders must prepare their scouts for a world in which Russia is deterred from starting a war only because of American alertness and military preparedness. Russia is supporting an organization similar to the scouts, he said, called the Pioneers.

However, the senator warned, Soviet youths are taught atheism, disrespect for families, informing on friends and families, allegiance to the state and not parents, need for dying for communism, and hatred of other nations.

"The test of the second half of the Twentieth century is whether the Boy Scouts and similar elements of the great youth movement of America can turn out finer, abler, and stronger minds and bodies than the Soviet youth movement." Although the U. S. faces a serious juvenile delinquency problem, the Russians have even more to worry about, Sen. Wiley added.

Thomas Beggs, scout executive from Fond du Lac, told the leaders about the 1955 program. Jack Hopper, chairman of the awards committee, presented Norman Rockwell pictures to leaders for their services. Certificates of appreciation were given to den mothers and other leaders. Special scout statuettes were awarded outstanding leaders.

Committee members and district-at-large representatives were appointed. The district includes West Bend, Barton, Richfield, Germantown, Hubertus, Allenton, Kewaskum, Campbellsport, Slinger and Hartford.

Kewaskum President James Reigle delivered the words of welcome. Howard Bauman, West Bend, Badger Council president, delivered the president's message. The report of the nominating committee was given by Harlow Roate, Campbellsport Boy Scout leader.

Moraine district committee chairman nominated and approved for next year include Jack Hopper, West Bend, camping; Dr. Robert Schacht, West Bend, health and safety; Frank Smith, Hartford, leadership training; Robert Barber, West Bend, finance; Atty. Henry Schowalter, West Bend, advance-

Lakes Five Scores 106 Points Beating Horicon

Horicon didn't give Kewaskum much of a battle in a Land o'Lakes game played here Sunday night and the Chevrolets ran up a score of 106 points compared to the visitors' 78, a margin of 28 points. The win gave the Chevs a third place tie with Hartford with a record of 2 and 1. West Bend remained unbeaten and took over first place as a result of upsetting previously undefeated Beaver Dam Sunday, 87-74.

John Tessar had one of his big nights of old by dumping in 31 points, to pace all scorers by far. Tessar ran up his total on 12 field goals and 2 free throws. Augie Bilgo, with 15, and Ellie Ramthun, with 14, were next best scorers for the winners. Leading point man for Horicon was Bartelt with 21. R. Wruke chipped in 17 and C. Lange 15.

Kewaskum took the lead from the start and it was no contest thereafter. At the intermission the Chevs were ahead 49-33 and almost double the margin in the second half when they turned the game into a rout.

The Chevrolets play another home game this Sunday night with Rosendale supplying the opposition. Kewaskum should win judging by the Dalers' record to date. They hold down the cellar with three straight setbacks but always prove troublesome.

Scores last week end—Kewaskum 106, Horicon 78; West Bend 87, Beaver Dam 74; Hartford 91, Campbellsport 87; Mayville 73, Rosendale 70.

Games this week end—Saturday: Beaver Dam at Hartford, West Bend at Mayville; Sunday: Rosendale at Kewaskum, Campbellsport at Horicon.

Four High School Students in Crash

Four Kewaskum Community high school students and one graduate, three of whom were injured slightly, were involved in a collision Tuesday evening on County Trunk "W," a half mile south of Wayne, when a car skidded into a ditch and was struck by another vehicle.

Barbara Walters, 15, of R. 3, West Bend (Kohlsville) and Richard Dreher, 18, of Kewaskum were injured in the crash at 7:35 p. m. Tuesday when a car driven by Gilbert Hammer, 17, of Kewaskum skidded on the icy road and struck a car driven by August F. Kirchner, 17, R. 2, Kewaskum.

According to the county sheriff's department the Kirchner car was standing on the west side of the road with the front end in the ditch against a tree and the rear end extending into the road. Hammer lost control of his car and it struck the abandoned machine which was unattended and had no lights. Kirchner reported that his lights did not work and he lost control of the car on the ice. It left the road and struck the tree.

The abandoned auto was struck while Kirchner went for help. Later he returned to the car with his parents. Donald Klein, 17, of R. 2, Kewaskum, a passenger in the Kirchner car, suffered a head cut. All but Dreher, a graduate, are students in the local high school.

Girl Scouts Thank All For Help in Fund Drive

The Girl Scouts and Brownies wish to thank everyone who helped to make their fund drive a success. Perhaps a little explanation is necessary to clarify the reason for this drive.

Up to this time Kewaskum was a lone troop. We were fortunate to have a camp available to send the girls to in summer. We never made any contribution toward this camp but only paid for the board of each girl. Ten dollars came from the troop fund and five dollars was paid by the parents.

Due to the increased number of Girl Scouts in other communities the camps are filled and no outsiders will be able to get reservations.

Kewaskum has now grown enough to join a council. The council covers five counties. The funds received will be pooled to start a new camp and will provide trained counselors and leaders as well.

The money received from the sale of Christmas cards will stay in the troop fund. This fund pays part of the board at camp and covers the cost of running the troop.

Each girl pays five cents a week to cover the cost of materials used in the various craft projects and the cook outs and so on.

Girl Scouting provides wholesome activities for girls, teaches citizenship and builds character. The benefits received are much greater than can be measured in dollars and cents.

Again we wish to say thank you to the people of Kewaskum for giving us their help.

Classes for Young And Adult Farmers Begin at High School

It has been announced by O. E. Behnke, vocational agriculture instructor at Kewaskum High school, that the young farmer and adult farmer classes have begun for the winter months.

The young farmer classes started Nov. 14 and will continue through March 19. These young men meet each Monday night at the high school ag room at 8:00 p. m., and organized instruction is carried on until 9:30, after which the boys do project work or play basketball. The course this year is entitled "Farm Mechanics," including welding, both arc and oxyacetylene, soldering, brazing, cutting, heating and bending metal, and sharpening cutting tools.

All young men between the ages of 16 and 21 are invited to attend as often as they can.

The adult farmers attended their first meetings this week Tuesday and Thursday, and the classes are scheduled to continue through the month of February.

The instructor conducts an adult class at the Washington grade school in the town of Farmington on Tuesday nights and another group at the high school ag room on Thursdays. The adults meet from 8:00 to 10:00 p. m. This year's topics include farm management, farm credit and farm law.

Several outside speakers have been engaged for the adult meetings. Some of these are K. Wm. Haebig, Paul Landmann, W. Schaefer of the Production Credit Ass'n., William Biddick, farm management agent, Ernest Averbek of the National Farm Loan Ass'n., and Maurice Hovland, Washington county agent.

All farmers over the age of 21 should feel that they are welcome to attend these classes, Mr. Behnke stated.

Indians Beat Lomira And North Fondy in Conference Openers

The Kewaskum Indians opened play in the Tri-County conference the past week by winning two games and moving into a first place tie with Brandon and Campbellsport, which also won the first two. Last Friday night at Lomira Kewaskum pryed off the lid by easily downing the Lions, 53-37, and on the home floor Tuesday evening the Indians bested North Fondy, 49-37.

In the Lomira game, after a low scoring first half, the Indians trailed the Lions at halftime, 20-17. At

the end of the third period Kewaskum still was behind by 2 points, 31-29. But the Indians hit their stride in the final stanza, scoring 26 points, while Lomira ran out of steam and scored only 6, giving the winners a 16 point margin. High scorer was Fitzpatrick of the Lions with 18 points. Tom Peterson paced the Indians with 15, followed by Yahr with 11.

In Kewaskum's second win over the North Fondy Orioles here Tuesday, Peterson and Yahr again led the Indians with 16 and 14 points respectively. Yahr is a newcomer on the squad and is developing fast. Papenfuss' 10 points were tops for the Orioles. Kewaskum outscored Fondy in every quarter and lead at halftime 25-20.

This Friday night the Indians

play the defending champion, Brandon, at home. This will be a tough one and the loser will be knocked out of first place.

Scores Friday—Kewaskum 53, Lomira 37; Campbellsport 48, Oakfield 41; Hustisford 49, North Fondy 44; Brandon 57, Rosendale 45.

Scores Tuesday—Kewaskum 49, North Fondy 37; Lomira 54, Hustisford 49; Campbellsport 52, Rosendale 36; Brandon 50, Oakfield 42.

Our Police Chief Says:

December 1st, SAFE DRIVING DAY, there was one fatal accident in Wisconsin, no accidents in Kewaskum.

December 2nd there were 7 fatal accidents in Wisconsin; let's make every day safe driving day.
