NUMBER 3

Station Wagon Is Struck By Train at Main St. Crossing

Milwaukee Man Escapes Injury In Crash Sunday

In a crash at the Main st. railroad crossing in the village at 12:50 p. m. Sunday, Anthony Stusek, 54, of 2461 N. 16th st., Milwaukee, narrowly escaped death or serious injury when his 1952 Chrysler station wagon was struck by southbound Chicago and North Western train No. 240.

Stusek, who is single, has a cottage at Long Lake and was returning to Milwaukee from the lake when the crash occurred. Stusek was traveling west on Main st. and almost made it across the crossing when his station wagon was struck in the right rear side by the right front end of the train. He was alone in the car.

The wagon was tossed and skidded sideways westward on Main st. for a distance of about 78 feet before coming to a halt on the sidewalk in front of Heisler's tavern. The vehicle veered into the Heisler building damaging a door and front of the tavern. Eggs which Stusek was carrying in the rear of his wagon were splattered in the street and slush and mud were thrown up against the Marx IGA store and Heisler tavern. The snow covered pavement is believed to have saved the man's life as the car skidded instead of tipping over when struck by the train.

Engineer William Uhlich of Milwaukee said he saw the car on the tracks but was unable to stop the train which was traveling about 70 miles per hour at the time the engineer noticed the auto on the crossing. Stusek suffered from shock but was otherwise uninjured. Stusek told Chief of Police Roland Pledl that he did not see the flasher signals at the crossing operating. Engineer Uhlich said the signals were operating. Chief Pledl had the engineer back up the train and then again approach the crossing to determine if the signals were in working order and they functioned properly, he said.

The conductor of the train, which was made up of 12 passenger cars and was carrying about 1,000 passengers, was John J. Kearney of Milwaukee. The train was crowded with passengers returning home after the Thanksgiving vacation. Luckily it was Sunday and there were no people walking on the street or other cars waiting at the crossing at the time.

The accident was the second at the crossing within the past six months. Fortunately there were no fatalities in either crash.

In another mishap a short time later, at 1:20 p. m. Sunday, three members of a Barton family were injured on Hwy. 45 about 1/4 mile south of Kewaskum when a car driven by Victor E. Brodzeller, 28, of Barton skidded on the icy pavement and went off the highway and struck a mail box belonging to Chuck Beckhaus and an electric pole. Injured were Jeannette Brodzeller, 29, cut right arm; Sharon Brodzeller, 7, bump on head, and Brodzeller, bruised right knee and skinned knuckles.

Discontinue Two Trains Thru Here

Two Chicago and North Western railroad trains passing through Kewaskum will be discontinued after Saturday, Dec. 1, it was announced on Wednesday by the local station agent.

Making their last runs will be train No. 149, northbound, stopping in Kewaskum enroute to Fond du Lac at 10:01 a. m. and train No. 210, southbound, stopping here enroute to Milwaukee at 11:18 a. m.

One other change in the schedule will be made starting on Monday, Dec. 3, when northbound train No. 151 will stop in Kewaskum at 12:21 p. m. and will continue to stop here thereafter daily except Sunday.

Legion Aux Meets, Plans Yule Party

AWARDED FIRST PLACE IN STATE FOR HISTORY BOOK

The regular monthly meeting of the Ladies' Auxiliary of the American Legion was held at the Legion clubhouse on Tuesday evening, Nov. 20. Plans were made for the annual Christmas party and pot luck supper to be held on Saturday evening, Dec. 15, at 6:30 p. m. All Legionnaires, wives and families, or girl friends are invited to attend.

There will be an exchange of gifts for the adults, gifts for the children and Santa will be there to distribute them. There will also be an amateur hour in which the children are invited to participate, and a very interesting Christmas film will be shown.

Information was received at this meeting that the auxiliary had been awarded first place in the state for having the winning history book. The historian who compiled this history is Mrs. Laura Miller.

After the meeting a delicious lunch was served by the hostesses, Mrs. Ruth Eggert and Mrs. Annabelle Tessar.

THE KEWASKUM 4-H'ERS

Our meeting was held on Nov. 14 in the Kewaskum High school, at 8:00 p. m. Our president, Diane Becker, called the meeting to order. We all joined in the pledge to the flag and the 4-H pledge. The main business of the evening was the presentation of achievement pins and the returning of record books which were judged for Washington county achievement awards. Our county achievement award winners were David Schaefer in the poultry project and Aldwin Seefeldt in entomology.

Anyone that is interested in 4-H work and would like to join a club, now is the time. You have to be enrolled before Jan. 1. We hope there are a lot of you, because we would like to see more members in our club, both rural and from the village. Our next meeting will be held Dec. 12 at 8:00 p. m. in the high school.

Form 2nd Auxiliary Police Class Here

A second civil defense auxiliary police class is being organized in Kewaskum according to Chief of Police Roland Pledl. Enrollment and the first meeting of the class of 10 auxiliary policemen was held on Thursday evening of this week in the municipal building.

These auxiliary policemen will be used in case of any disaster, evacuation or other emergency. The village will now have a total of 20 auxiliary policemen, another class of 10 having been organized about a year ago. Six classes will be held for the new members.

The new class consists of the following men: Jack Koehn, Milton Maedtke, Paul Blumer, Roger Strack, Clark Werner, Ralph Raether, Albert Hron, Jr., Cyril Wieter, Ray Keller and Al Zehren.

Adult Farmer Classes Begin

The adult farmer evening sessions have begun for the two groups at the Kewaskum high school and Washington rural school in the town of Farmington.

O. E. Behnke, vocational agriculture instructor at Kewaskum high school, extends an invitation to all farmers in the surrounding area to attend these meetings whenever they can.

The sessions start at eight p. m. and are held at the high school agricultural room on Thursday night and on Monday night at the Washington rural school. These meetings will be held each week through the first week in March.

Subjects that will be discussed are: "What's Ahead for Families on Small Farms?" "The Farm Picture for 1957," the soil bank program, dairy herd improvement, and field crops.

BIRTHS

WEDDIG—A son to Mr. and Mrs. Leon Weddig, Milwaukee, Sunday, Nov. 25. The paternal grandparents are Mr. and Mrs. Ed. Weddig of Kewaskum.

PETERMANN—A son to Mr. and Mrs. Orville Petermann, 2918 S. 97th St. West Allis, recently. The grandparents are Mrs. Lorina Petermann of the town of Auburn and Mr. and Mrs. James McElhatton, Kewaskum.

MISKE—A son to Mr. and Mrs. Edgar Miske, R. 3, Kewaskum, Sunday, Nov. 25.

Christmas Seals are suggested as colorful and unusual additions to holiday packages.

Train Kills Local Man's Brother, 39

Roman Kaschner, 39, of Kirchhayn in the town of Jackson, brother of Kenneth Kaschner of the town of Kewaskum, was instantly killed shortly before 8 a. m. Wednesday, Nov. 21, when the light panel truck he was driving was struck by a North Western railroad freight train at the Hwy. F crossing northeast of Germantown.

The accident apparently occurred when Kaschner skidded on the wet pavement as he tried to stop for the northbound train. His truck showed skid marks of approximately 120 feet. The impact was so severe that the body of the truck was torn from the frame and both were dragged about 900 feet north of the crossing. Kaschner's badly mangled body was thrown about 50 feet north and east of the crossing.

Kaschner, father of four children, was employed by the Boehlke Hardware Co. at Friestadt and apparently was on his way to work at the time of the mishap. Apparently Kaschner's truck was almost across the tracks when it was hit.

Kaschner's death was the 22nd highway fatality in Washington county this year compared to a total of 17 for the entire year of 1955. The 23rd fatality occurred the next day, on Thanksgiving Day, when James F. Bonerz, 20, Brookfield, was killed when his auto skidded on a curve and crashed into a ditch about 1 1/2 miles south of Germantown on Hwy. 145.

Funeral services for Kaschner were held Saturday in the town of Jackson. He is survived by his wife, the former Ruth Heidtke; four children, Ruthanne, William, Roger and Diane, all at home; his parents, Mr. and Mrs. Arthur Kaschner; his brother Kenneth of the town of Kewaskum, and two sisters, Mrs. Viola Seifert of Thiensville and Mrs. Geraldine Ciriacks, R. 4, West Bend.

Woman's Club Christmas Program

The Kewaskum Woman's club will meet on Saturday, Dec. 8, at 3 o'clock in the library. A special Christmas program will be presented. The fourth grade of the public school will present Bird's Christmas Carol under the direction of their teacher, Mrs. A. Hron, Jr.

There will be no exchange of gifts among the members this year, but everyone who attends is asked to put into the table collection the usual 50 cents she would have spent for a gift plus the amount usually given to the penny lunch fund. The amount collected will then be used to buy gifts for the residents of the Washington County Home at West Bend.

Hostesses will be Mrs. T. J. Rohlinger, Mrs. L. P. Rosenheimer, Mrs. Gilbert Seil, Mrs. John Koehler, Mrs. Earl Buswell and Mrs. Wm. F. Schultz.

HOSPITAL NEWS

Mrs. John Wahnschaffe, Kewaskum, was a patient at St. Joseph's hospital, West Bend, from Monday to Thursday of this week.

25 Deer Reported Killed in County As Season Closes

The total number of deer shot in Washington county during this year's hunting season which closed Sunday climbed to 25 early this week when the latest bucks were registered. Hunters closed a very successful season in this area's "deer country." The registration deadline was at midnight Wednesday and more late reports may have come in.

The names of more local hunters who were successful in shooting a deer in Washington county were reported. Roman Otten, R. 2, Kewaskum, registered a deer which he shot in the Kewaskum swamp on Friday. On Saturday Arnold Bier, R. 2, Kewaskum, reported the buck he killed in the Kewaskum public hunting grounds. Two more were registered Sunday by Fred Dorn, R. 2, Kewaskum, who hunted in the Wayne swamp, and Wallace Geidel, Kewaskum, who got his buck in the town of Kewaskum, Donald Bingen, Barton, brought down a buck in the Kewaskum public hunting grounds and Allen Kertscher, R. 1, Kewaskum, felled a buck near Little Kohler. These two were registered Monday.

William Vorpahl, West Bend, shot an 8-point deer in Sheboygan county about eight miles north of Beechwood just two minutes before the season ended Sunday.

Many hunters were successful in the north woods but few reports came in to this office. One party of eight which hunted on the Apostle Islands in Lake Superior, returned with eight deer, five of them does, which they could shoot there. This group included Marvin Tackes, R. 1, Kewaskum, and Ralph Stern, R. 2, Kewaskum.

Oscar Ortman, son DuWayne and Emil Yeadeke returned home with one buck, shot by DuWayne.

Harry Koch and Fred Wesenberg shot a buck on the opening day in the north woods. Both hunters shot at the same time at the deer and each hit their mark. The animal had two bullets in the neck so who gets the deer?

Wm. F. Schaefer and "Booby" Bohn hunted together in the north. Schaefer bagged his buck but Bohn was unsuccessful.

One local party of nine hunted in the Eagle River area and returned with two deer. The successful hunters were Allen Tessar and Charles Sparks. Others in the group included Ronald and Jim Reigle, Harvey Jandre, Dick Edwards, Walter Dei and sons Byron and Donald.

Barney Strobel of Wayne, Harold Westerman, Walter Schmidt and Roger Reidel were unsuccessful in their invasion of the north. They only hunted the opening week end.

These were the only reports turned in to this office although there were hundreds of hunters who led their buck around home or in the north. Some hunters who failed to get a deer up north were successful in this area after returning home.

Two more deer were also killed by cars in the county the past week, one near the intersection of Hwys. 41 and 144 and the other on Hwys. 41 and 28. One was an 8-point buck and the other a large doe.

Mrs. Kath. Backhaus, Others Pass Away

Mrs. Katherine Backhaus, 71, of 250 S. 7th ave., West Bend, died unexpectedly at her home at 4 a. m. Saturday, Nov. 17.

Mrs. Backhaus, the former Katherine Roecker, was born in the town of Barton on July 21, 1885, and married Edward A. Backhaus of Kewaskum at St. Peter's Lutheran church, town of Addison, on June 22, 1907. The couple made their home in West Bend.

Mr. Backhaus preceded his wife in death Mar. 8, 1948. Surviving is a son, Edward C. Backhaus, West Bend; a daughter-in-law, a granddaughter, Lynn Backhaus; three sisters, Mrs. Christina Napgazek, Milwaukee, Mrs. Philippina Butzlaff, West Bend, and Martha (Mrs. Art Bunkelman, Sr.) Campbellsport; two brothers, Leonard and Walter Roecker, both of West Bend, and a sister-in-law.

Mrs. Backhaus was a member of St. John's Lutheran church Ladies' Aid and Ladies' Guild, West Bend Town and Country club and American Legion auxiliary.

Funeral services were held at St. John's Lutheran church, West Bend, at 2:30 p. m. Tuesday, the Rev. W. P. Sauer officiating. Burial was in Union cemetery.

HERMAN MOLKENTINE

Herman Molkentine, 87, formerly of the town of Auburn, R. 2, Campbellsport, died at the Milwaukee County General hospital Wednesday, Nov. 21, after a long illness. A retired farmer, he had been a resident of Milwaukee since 1950.

He was born at the Molkentine farm in Auburn on Oct. 14, 1869 and lived there all of his life with the exception of the past few years.

He was married to the former Ernestine Gatzke, who preceded him in death. Four children also predeceased him. Surviving is a son, Walter of Sheboygan, two grandchildren and a brother, William Molkentine of Milwaukee.

Funeral arrangements had not been announced at this writing.

FRANK DIENER

The Rev. L. Messerschmidt officiated at funeral services in United Brethren church, Batavia, at 2 p. m. Friday, Nov. 23, for Frank Diener, 76, well known resident of Batavia many years. Burial was in the parish cemetery.

Mr. Diener was born in the town of Scott June 7, 1880 and spent most of his life in that vicinity. Since the death of his wife in 1945, he lived with his daughter Mrs. Leroy Rilling prior to going to the Becker home.

Thé deceased was married to Emma Emely at Beechwood on Nov. 15, 1906. They were the parents of six children, Harvey of Weyauwega, Harold of Sheboygan, Herbert of West Bend, Levi of Oshkosh, Ellis of Milwaukee and Norma (Mrs. Rilling) of Hartford. He also leaves 15 grandchildren and a great-grandchild and two sisters.

PLAUTZ GRADUATES FROM NAVY RECRUIT TRAINING

Gordon R. Plautz, son of Mr. and Mrs. Walter H. Plautz of R. 2, Kewaskum, graduated from recruit training Nov. 17 at the Naval Training Center, Great Lakes, Ill. The nine weeks of 'boot camp' included drill and instruction in seamanship, gunnery, life saving, sea survival, boat handling, and the use of small arms.

Following two weeks leave, graduates report to shipboard duties or

service schools depending on the qualifications each has demonstrated.

There are some 400,000 persons in the United States today with active TB. About 150,000 of these persons are unknown to health authorities and may not even know that they are sick.

Board Purchases Five Dedication Plaques For Village Buildings

Regular Meeting
November 5, 1956

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session with President Reigle presiding and all board members present.

The minutes of the previous meetings were approved as presented upon motion by J. Stellpflug, seconded by C. Schaefer and duly carried.

The application of Edwin Spradau for a Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License was reviewed. Applicant was present. Upon motion by J. Eberle, seconded by J. Stellpflug and duly carried, said application was approved and the Commissioner was authorized to issue the proper license upon payment of the required fee and the surrender of the license held by Charles Vander Hoek.

The request of Walter Giese for the moving of a fire hydrant was referred to the proper committee.

Chief of Police Pledl volunteered to attend the Governor's Safety Conference to be held in Milwaukee on December 5.

Upon motion by J. Eberle, seconded by A. Merwin and duly carried, the Commissioner was authorized to place an order for five (5) dedication plaques for the various village owned buildings for the sum of \$310.00 from the Schwaab stamp and Seal Co.

The Supt. of Public Works was instructed to improve the alley leading to the Sinclair Refining Co. bulk plant.

Upon motion by J. Eberle, seconded by A. Merwin and duly carried, all claims and wages, as recommended and approved by the Finance Committee, were allowed for payment.

Bundle Week in Public Schools for the Needy

Picture a young child going to school shabbily dressed, wearing no shoes, and braving all kinds of inclement weather. This scene takes place in this country and in countries overseas.

It's a little hard to believe, isn't it? Yet, it does happen. What can you do about it? Well, if you have youngsters in public school you

can give them all the clothes that your family no longer needs or wants. They are collecting garments this week for the bundle day collections sponsored by the Save The Children Federation.

If you have no children pass the clothing along to a neighbor's child who will be glad to take your contribution to school for collection.

By giving to this worthwhile project you will be helping to clothe a child or its family. Your donation may make it possible for this child to go to school. Won't you help?

Remember this week is Bundle Week in public schools. It is a week in which you can help bring happiness to a needy child.

Wisconsin farmers suffered a crop loss of approximately three million dollars in 1956 to grain rust, according to estimates of the USDA plant pathologists, the Wisconsin Department of Agriculture announced this week.

Around The Town

We received several compliments from local merchants on last week's item urging residents to do their Christmas shopping in Kewaskum this year. Thank you kindly, and we hope the item does some good. We did a little browsing around some of the stores the past week and noted that they are really stocked with merchandise for the holiday season.

But it isn't only the shoppers who should do their part by buying at home. Kewaskum merchants and organizations should do something to bring the people into town to shop. In one neighboring city merchants are giving courtesy tickets to the local theatre to persons who buy in their stores. In another neighboring village the Lions club is giving free Saturday afternoon movies to bring the kiddies (with their parents) into town. Many cities are having Santa Claus appear and give away goodies. And there are many other ways to make shoppers want to visit your town. Now would be the time for an organization like the Kiwanis club or businessmen individually or as an organization to take action along this line.

Guess our little squib about getting the Christmas decorations up also did some good as the street decorations were set up this week. Next in line should be the business places and private homes with their holiday decorations.

Wonder if old Santa is coming to Kewaskum this year? We haven't heard anything. One thing is for sure—he'll be at the L. Rosenheimer store Saturday afternoon, Dec. 8.

The village is taking action with the State Railroad Commission for more adequate signal lights at the Main street railroad crossing. With the high rate of speed that trains travel through here this crossing is a very dangerous one and the present signal lights are unsafe and inadequate. There have been two accidents at the crossing in the past six months. Luckily neither was a fatal one. The village is seeking to have lights like the new ones at the Second st. crossing installed on Main st. These signals have flashing red lights and the bells can be heard for a good distance. While in the process the village might also request signal lights at the First st. or Heinemann Dairy crossing. There are no signals there and vision is obscured.

As much as we dread it, guess winter is here to stay. The river froze over last week and the ice skating season is in full force again. The covering of snow on the

ground and the kids sleigh riding also are reminders that winter is here.

It was surprising to see such large numbers of deer hunters in this area this year and they really bagged a lot of deer around here. This vicinity is almost reaching a par with the north country as far as deer hunting is concerned. The season brought with it the usual number of tales. We are told one local hunter shot his buck to keep from being run over by the animal. Right Chuck? Two hunters shot at the same buck at the same time and when they examined it found two bullets in his neck. We don't know who gets which half. One hunter in this area last Sunday was so startled when a buck got up from its bed right behind him that he missed from only a few yards away. And on the second shot the gun was on "safe." One nimrod killed two deer but couldn't keep either one; the horns weren't grown out enough. One party of four failed to come home with any deer but they didn't return hungry. They said their meals in one day cost them over \$31.00. Ah, those steaks three times a day. So we are told.

Sure, it was quite a weddin' we were attending on Saturday. In an Irish settlement such as Dotyville it is "kistomary to cuss the bride," or something like that.

Between 50 and 60 million Americans are infected with TB germs.

—Mr. and Mrs. Ralph Hoffmann and children and Mr. and Mrs. Wm. Ryan and children of Milwaukee spent Thanksgiving day with Mrs. Aug. C. Hoffmann.

—Mrs. John F. Schaeffer attended the funeral of Mrs. Edward Ossmann at West Allis Friday afternoon. Mr. Ossmann was a former resident of Kewaskum.

—Mr. and Mrs. Robert Ours and Mrs. Ella Eberle were Thanksgiving guests of Milwaukee relatives.

—Misses Tillie and Margaret Mayer were at Milwaukee for a few days over Thanksgiving.

—A group of about 20 young folks, led by Patty and Gwen Edwards, surprised Darlene Ortman on her 16th birthday Friday night at her home. After a lively jive session a lunch of barbecued hamburgers, cake, ice cream and soda was served.

—Mr. and Mrs. William Harbeck and daughter Carole were guests at the wedding of Miss Marianne Engel and William Timblin Saturday. The wedding ceremony took place at St. Michael's church, Dotyville, the reception was held at the Hob Nob, Fond du Lac, and in the evening a dance was held at Fahn's Kettle Moraine lake resort. Carole Harbeck served as maid of honor for the bride. Other local friends who attended the reception includ-

ed the Misses Mary Jane Falk, Rosalie Below and Dolly Backhaus.

—Mr. and Mrs. Wallace Geldel, Mr. and Mrs. Wm. Bresemann and Mr. and Mrs. Fred Borchert attended the funeral of Dr. Jacob H. Terlinden, 67, of Bonduel, which was held at Campbellsport on Nov. 13.

—Mr. and Mrs. E. T. Clement of Chicago, Mr. and Mrs. Ben Schaefer and daughter Linda, Mr. and Mrs. Aug. E. Koch, son Terry and daughter Barbara, Mrs. Meta Koch and Alex Klug enjoyed Thanksgiving at the Harry E. Koch home.

—Mr. and Mrs. Lawrence Geipel of Milwaukee visited Thanksgiving with Mr. and Mrs. Fred Meinhardt.

—Mrs. William Volm returned to her home on Wednesday after

spending two weeks with her son-in-law and daughter, Mr. and Mrs. Norman Arbogash and family at West Bend where she made the acquaintance of her new granddaughter, Ruth Ann.

—Thanksgiving guests of Mr. and Mrs. Louis Heisler included Mr. and Mrs. Frank Heisler and children of Fond du Lac and Mr. and Mrs. William Harbeck and daughters.

—Mr. and Mrs. Wm. Bunkelman and Byron Bunkelman spent several days last week at Wabeno with Mr. and Mrs. Ed. Rummel and sons and the menfolks also went deer hunting but were unsuccessful.

Last year, about 16,000 persons in this country died of TB.

TWO GIRLS, A CHEVY AND A RECORD!

*A meaningful achievement
in automobile performance*

Most automobile performance records are pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up an important new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel. It set a new record of less than 57 hours for the run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

When you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ, the true significance of this record run becomes apparent. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal

speeds—and better the existing record for the trip by more than three hours.

And when a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. Come try a Chevy.

CHECKING FOR TB INFECTION — The Tuberculin (skin) test is a quick, easy and harmless check for the presence of TB germs in the body. In the test a germ-free liquid called tuberculin is injected between layers of the skin on the forearm. In 48 to 72 hours a physician "reads" the area where the injection was made for signs of a reaction. Positive reactors are advised to have a chest X-ray. The tuberculin test is used most frequently among school children. Parents and others in the household of the reactor are also urged to be X-rayed to check for the source of infection. Tuberculin skin testing is one of the case-finding services provided by Christmas Seals in Wisconsin.

McKee Talks at Fond du Lac Dairy Meeting

Lyman D. McKee, Madison, prominent Dane county dairy farmer, who is state president and national vice-president of the American Dairy association, will speak at the Cow Palace at Fond du Lac Dec. 7 during the District 5 annual meeting, announces Sam Stanchfield, Eden, district chairman. McKee will headline a program of reports of American Dairy association activities and plans for the future. He will discuss the average dairy farmer's investment in ADA based upon average production figures and how it affects the dairy advertising, merchandising, research and public relations program. Brief reviews of department-

al work and results also will be given in a staff "Sales-O-Rama" presentation.

In the day's session at the Cow Palace that opens at 11 a. m. and ends by mid-afternoon will be included movies, entertainment, a hot lunch and door prizes.

Formal business of the meeting will be the election of three district committeemen and seven voting delegates.

Nominees for the three-year term committee positions are Stanchfield, Elmer F. Berg, Brownsville; Herbert Lepien, Hartford; Donald Gillett, Rosendale; Herman Schreiber, Sheboygan, and Elmer Bruggink, Plymouth. Nominations also will be accepted from the floor before balloting.

Meet Dec. 4 to Discuss Rural Library Service

An open meeting to inform all interested Washington county citizens of facts pertinent to the rural library extension service will be held at the courthouse in West Bend on Tuesday, Dec. 4, at 7:30 p. m. Featured speaker at the meeting will be Miss S. Janice Kee, executive secretary of the Wisconsin Free Library commission.

Federal funds in the amount of \$40,000 will be available this fiscal year to Wisconsin for the further extension and improvement of rural library service, according to Mrs. Ella M. Veslak, Shawano, chairman of the Free Library commission. This sum, which may be spent between Jan. 1 and June 30, 1957, represents the first grant under the Federal Library Service act, which authorizes the appropriation to Wisconsin of \$181,000 each year of the five-year life of the program.

In order for Wisconsin to qualify for the \$40,000, however, the commission is required to match federal money on a 50-50 basis. These matching funds can be computed only from that proportion of the commission appropriation now being expended for public library service in areas under 10,000 population.

In addition to this matching requirement, the commission must submit to the U. S. Office of Education a state plan, in approved form, which will provide the basis on which the federal share of total expenditures is determined.

The plan is now in preparation and will establish the authority, policies, and methods to be used in the state to carry out the intent of the federal act.

NEAL JOHN STOFFEL IS BAPTIZED SUNDAY

The infant son of Mr. and Mrs. Alan Stoffel, Kewaskum, was baptized Sunday afternoon by Rev. F. C. La Buwi in Holy Trinity church. He received the name Neal John and his sponsors were Mr. and Mrs. John Stelpflug.

The largest population of Canada geese ever recorded in fall on Horicon marsh is reported by Laurence Jahn of the Conservation Department. The marsh population estimate includes 56,000 Canada geese and 1,200 blue and snow geese. Feed supplies have continued to hold the birds that arrived earlier in October and additional birds have been moving in.

TB is not inherited, but is spread from person to person. It can be prevented and can be cured.

Chevs Win 3rd Game in Row at Rosendale

BEAVER DAM, THIENSVILLE PLAY HERE SUNDAY

The Kewaskum Chevrolets made it three wins in succession without a defeat in the Lakes league by easily downing Rosendale there Sunday afternoon, 72-59. The Chevs now share the top spot in the circuit with Mayville which team has won four straight without a setback and is a half game ahead.

The victory at Rosendale was more one-sided than the 13 point margin indicates. After his team built up a lead, Manager "Cisco" Backhaus used substitutes frequently throughout the remainder of the contest. The Chevs possessed a 21-17 advantage at the quarter and 35-32 lead at the intermission. With the starting five in the game again in the third period the team tallied 23 points compared to only 13 for the Dalers and this made the score 58-45. Each team tallied 14 points in the final stanza.

John Tessar and George Hanrahan combined to score 41 of their team's total points. Tessar was high with 22, followed by big George with 19. Madigan was the top scorer for the Dalers with 20 points. Rosendale bested Kewaskum from the free throw line 21 to 16.

Tessar, individual scoring champion in the circuit last year, now ranks second with 66 points in three contests. Fred Miller, Beaver Dam ace, and former University of Wisconsin player, leads the circuit with 75 points in three tilts. High on average points per game is Del Rengaglia of Hartford with 26.5 per game in two contests.

Local fans will have a chance to see Fred Miller, in action when

Beaver Dam plays at Kewaskum this Sunday night. The Beavers have another ace in Paul Cloyd, a former Wisconsin competitor. After three wins over the weaker teams the Chevs will have their hands full against the high class, dangerous Beaver Dam five here. This should be a close game and will start right after the Kewaskum-Thiensville Rivers contest.

LAND O' LAKES STANDINGS

	Won	Lost
Mayville	4	0
Kewaskum	3	0
Hartford	2	0
Horicon	2	1
Cedarburg	1	2
Beaver Dam	1	2
Rosendale	1	3
Green Lake	0	1
Fox Lake	0	2
West Bend	0	3

Results last week end—Kewaskum 72, Rosendale 59; Hartford 61, Cedarburg 50; Mayville 79, Rosendale 68; Mayville 79, Beaver Dam 75; Horicon 78, West Bend 76.

Games this week end—Saturday: Rosendale at Hartford; Sunday: Beaver Dam at Kewaskum, Cedarburg at Fox Lake, Mayville at Horicon, West Bend at Green Lake.

RIVERS TEAM LOSES 3RD STRAIGHT AT ROSENDALE

After Sunday's game the Rivers team's record is just the opposite of the Lakes. The Rivers cagers dropped their third straight at Rosendale, 55-48. The tilt was fairly close with Rosendale leading 9-7 at the quarter, 26-22 at halftime, and the score was tied at the third per-

iod's end, 36-36. The contest was lost in the last period when the Dalers made 19 points to Kewaskum's 12.

Top point makers for the Losers were Merlin Seefeldt with 17 and Barney Skrentny with 15. Westphal led the Dalers with 13.

Kewaskum is now tied for the cellar with Thiensville, each having lost three. These teams will play here Sunday night in the preliminary to the Lakes game. Slinger holds first place with three wins in a row.

Indians Trimmed By Oostburg in Opener

In their opening exhibition game played at Oostburg Tuesday evening the Kewaskum High school Indians were routed by a strong, veteran team, 71-34.

The Indians with only two lettermen back from last year's championship team, have a lot of rebuilding to do and were no match for the powerful Oostburg vets. After the first period Oostburg pulled away and had an easy time of it. They were ahead 14-8 at the quarter, 31-14 at halftime and 55-21 at the third period.

Forward Hilbelink ran wild for the winners with 27 points. High

for the Indians was Fickler with 13. Kewaskum will play its conference opener this Friday night at North Fondy. The Orioles, with four lettermen back, are picked as one of the teams to beat in the loop.

—Yes, it's Miller's at Kewaskum for quality home furnishings at most reasonable prices. Open daily until 6, Fridays until 9 p. m. Free deliveries.

The earlier TB is discovered and treated, the better are the chances for recovery.

Four Gunmen Plead Guilty in Holdups

Pleading guilty in municipal court last Friday were four gunmen held in Kenosha in a series of holdups in that county and in Washington county. The four were held pending pre-sentence investigation of the robberies.

Entering guilty pleas before Judge Harry V. Carlson were Vernon (Jerry) Schilling, 28, and Howard Zimdars, 19, both of Kenosha; Edward Dummer, 24, Watertown, and James Clark, 23, West Bend. Zimdars is a former Kewaskum resident.

The holdups in Kenosha, which were reported to include robberies of stores, filling stations and taverns, are reported to have netted \$5,000 worth of loot over a period of more than three months.

The gunmen also face similar holdup charges in Washington county. They are wanted here for five holdups which they have admitted. They will be brought to this county for sentencing after Kenosha county authorities are finished with them.

The gang was arrested in Kenosha as the result of a tip by Washington county authorities following the latest holdup of Mr. and Mrs.

Frank Miller at Barton on Nov. 12.

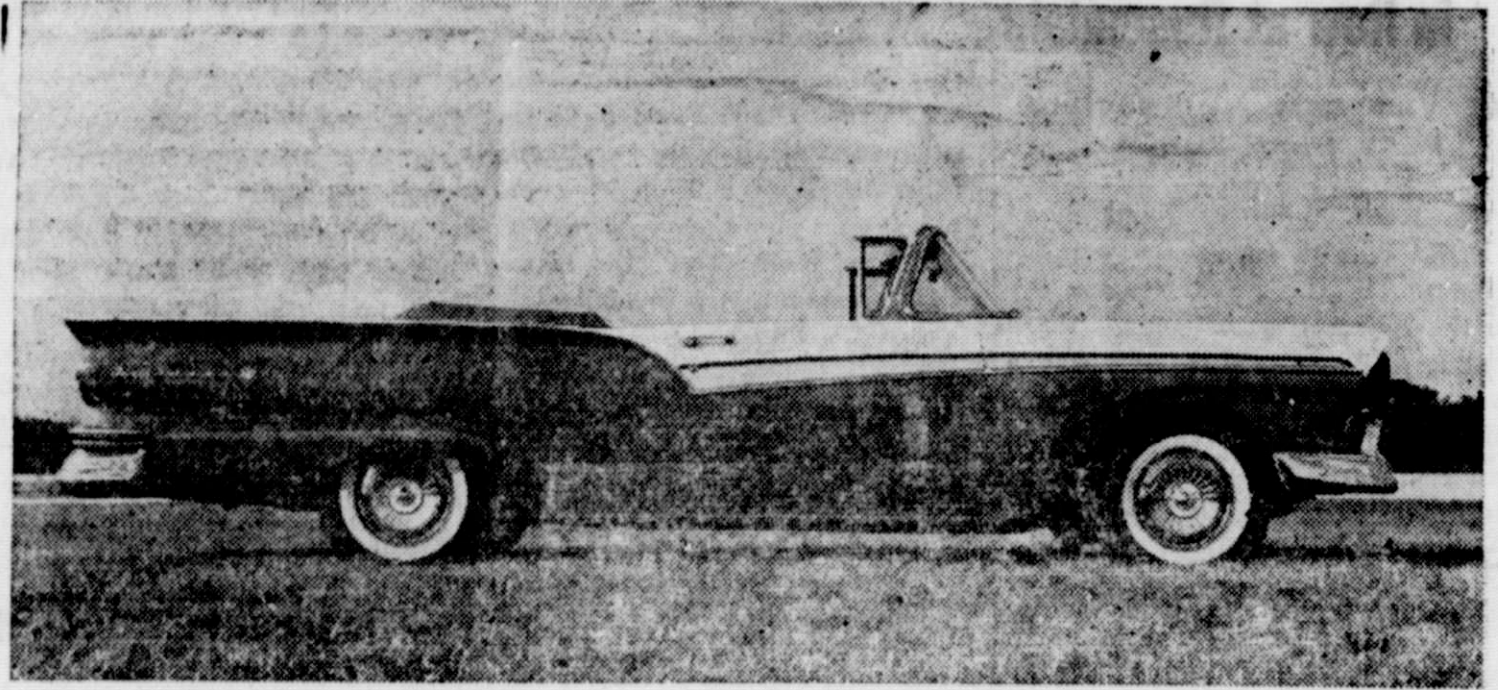

OUR POLICE CHIEF SAYS:

There have been two accidents at the Main st. railroad crossing within the past six months in which motor vehicles were struck by trains. This should be considered a dangerous crossing and extra caution should be used when crossing the tracks at this point.

BOY EXPRESSES THANKS

I wish to thank all my friends, relatives and especially my kindergarten classmates for the many gifts, cards, flowers and visits while I was confined at the hospital and at my home after my accident.

Clifford Kleinke

The longest, lowest Ford convertible ever made is this 1957 Sunliner which is being introduced along with 18 other completely new Ford body styles. The new Fords will offer a broader range of improved engine performance, with the top power plant being the optional 245 horsepower Thunderbird Special V8. The Sunliner is a member of Ford's new "Fairlane 500" series, which will offer a band of gold-colored anodized aluminum side trim with two-tone paint selections.

ANNOUNCING

A 1957 FORD CAR offering the advantages of both the hardtop and the convertible represents the first revolutionary new idea in automotive design since the development of the closed car 40 years ago. To change the hardtop into a convertible, the driver simply presses a button and the all-steel top automatically slides into the trunk where it is completely concealed. It's equally simple to raise the top. The center picture shows the top in operation. Production of the car, a Ford first, will start in January.
