"Mike" Gnacinski Receives National Scout Recognition

OTHER LEADERS HONORED AT VERY SUCCESSFUL SCOUT JAMBOREE BALL

The Kewaskum Boy Scout jamboree dance which was held in the high school gym Saturday night, Feb. 2, was very successful and largely attended. Its success was due to the fine co-operation from the people of the village.

The scouts and troop committees want to express their thanks to the people for the enthusiastic support. It will now be possible to defray one-half of the jamboree expense of the scouts who will attend the national jamboree at Valley Forge this coming summer. "It is better to build boys than mend men."

Several persons received scout council recognition at the jamboree ball.

Scoutmaster E. "Mike" Gnacinski was presented with his "Woodbadge Beads." This award was started by Baden Powell of England, the founder of the Boy Scout movement. To complete the requirement a scout leader must live like a member of a scout patrol for eight days and nights. Camping out under the stars with other men he learns the scout skill in the field. When he has done the above he must complete 15 written questions on why, when and where is scouting going. The questions are not an easy lot to finish up.

Then his application must be approved by his council and then the national office. Only one man in our Moraine district has this award. The citation is for adult leadership training with the scouts or a trainer of trainers award.

Women who have served the Cub Scout program for several years and done a swell job are Mrs. Paul (Edith) Landmann and Mrs. Chuck (Elsie) Sparks. They were presented with Norman Rockwell pictures.

Ned Sengpiel was also presented with a Rockwell picture. He serves as assistant scout scoutmaster, has been in scouting in the Milwaukee council, and now is doing a wonderful job for the Boy Scouts of Kewaskum.

CAMPBELLSPORT GUESTS AT HOLY NAME BREAKFAST HERE

Holy Name men from St. Matthew's parish, Campbellsport, will be guests of the Holy Name society of Holy Trinity parish at the third annual joint communion and breakfast in the local church on Sunday morning, Feb. 10. Communion will be received by the members of both societies during the 8 a. m. mass and will be followed by the breakfast. Speaker will be Judge Herb Matenaer of Barton. About 100 members from the Campbellsport society alone are expected and the Holy Trinity men hope to exceed this number, so the attendance will be very large. For this reason parishioners are requested to attend one of the other masses on Sunday.

BIRTH

KELLER—A son to Mr. and Mrs. Alex Keller, R. 3, West Bend, Thursday, Jan. 31. Mr. Keller is a former Kewaskum resident.

Kewaskum Young Men Join Army

Enlistment in the army of two Kewaskum and three Oakfield youths was announced this week by Sfc. Arnold A. Gulley, local recruiter, whose office is located at 19 North Main st., Fond du Lac.

Kewaskum young men signing up for two years of duty were Richard S. Theusch, son of Mr. and Mrs. Walter M. Theusch, R. 3, Kewaskum, and Norman A. Zuehlke, son of Mr. and Mrs. Elmer G. Zuehlke, R. 1, Kewaskum.

Sgt. Gulley announced that all men enlisting for two or more years and all those who have enlisted since Aug. 9, 1955, will have only four years active duty and reserve participation due to a recent change in the reserve forces act. Those who enlist or have enlisted during this period under the six months plan will have five years of active participation instead of eight.

STUDENT TRANSFERS TO ST. OLAF COLLEGE

Miss Thelma Rosenheimer, first semester student at the University of Wisconsin, Madison, has transferred to St. Olaf college, Northfield, Minn., for the second semester. Mr. and Mrs. Henry Rosenheimer and daughter Thelma motored to St. Olaf college over the weekend and visited with their son and brother Mark, also a student at the college. Second semester classes resumed on Tuesday, Feb. 5.

ANNOUNCE ENGAGEMENT OF MISS JOAN ST. MARY

Mr. and Mrs. Raymond St. Mary of Kewaskum announce the engagement of their daughter, Joan Theresa, to Wallace R. Daggett, son of Mr. and Mrs. Winfred Daggett, Jackson. No definite wedding plans have been made.

Miss Chanchuck Wins Award As Top Homemaker

Georgia Chanchuck has been named the Betty Crocker Homemaker of Tomorrow in Kewaskum. She received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating girls in Kewaskum High school.

Her examination paper now will be entered in competition with those of 350 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

Each state winner will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded to the runnerup girls in each state. The school of the state winner receives a set of Encyclopedia Britannica.

More than 300,000 young women in 11,636 of the nation's public, private and parochial schools participated in the third annual search sponsored by General Mills. The program is designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

The national winner will be named May 2 at the American Table Banquet in the Waldorf Astoria Hotel, New York City. The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. This year for the first time girls who rank second, third and fourth in the national finals will receive \$4,000, \$3,000 and \$2,000 scholarships respectively.

Science Research Associates of Chicago prepared and scored the examinations.

BAPTISM OF CHRISTINE ANN STAEHLER SUNDAY

The little daughter of Mr. and Mrs. Robert Staehler, Kewaskum, was baptized Sunday in Holy Trinity church by the Rev. F. C. La Bawi. She received the name Christine Ann. Sponsors were Aloysius Staehler, Jr. of Kewaskum and Miss Kathleen Staehler of Chicago. Mrs. Aloysius Staehler, Jr. acted as sponsor by proxy for Miss Staehler.

Guests entertained for the occasion included the maternal grandparents, Mr. and Mrs. Leo Gill of Cascade, the paternal grandparents, Mr. and Mrs. A. M. Staehler, Sr., Mr. and Mrs. Daniel Staehler, Mr. and Mrs. Aloysius Staehler, Jr. and family, all of Kewaskum.

RITA SCHMIDT NURSE IN FLORIDA HOSPITAL

Miss Rita Schmidt, daughter of Mr. and Mrs. Theodore R. Schmidt, Kewaskum, nurse at Wisconsin General hospital in Madison for several years, is now employed as a registered nurse in Holy Cross hospital, Fort Lauderdale, Florida.

Badger Firemen's Banquet at Random Lake on Mar. 10

Meeting at Random Lake recently, officers of the Badger Firemen's association set the date for the annual mid-winter meeting and banquet. The date is Sunday, March 10, and will be held at the Random Lake auditorium.

The afternoon meeting at this annual conference will be attended by chiefs and delegates of the various fire departments, who will convene at 2 o'clock to select the site of the annual Badger Firemen's summer tournament and also the place for the 1958 bowling tournament. The banquet for all firemen will begin at 6 p. m.

The Badger association has 20 member departments from Ozaukee, Sheboygan, Washington, Waukesha and Milwaukee counties. Kewaskum is one of the 20 members.

Present at the officers' meeting were Carl Peters, West Bend chief, president; Erwin Arndt, Random Lake chief, and vice-president, and Allen Bruederle, Cedarburg secretary, who is also secretary-treasurer of the Badger association.

POLIO DRIVE IN COUNTY EXTENDED

Because total contributions are lagging somewhat behind last year's receipts, Herbert Matenaer, polio drive chairman for Washington county, announced this week that the extension of the drive is Feb. 15. Cannisters will remain in business places until that date and area chairmen are requested to complete their individual campaigns by that time.

"Occurrence of a heart attack need not prevent a return to productive activity," according to the Wisconsin Heart association. "The pessimism and misconceptions of the past are receding rapidly under the pressure of reality," reports the organization.

Mothers' March In Kewaskum Nets \$372.09

Total receipts of the Mothers' March on Polio, conducted in the village Wednesday evening, Jan. 30, amounted to \$372.09 it was reported Tuesday by Jack Koehn, Kewaskum March of Dimes drive chairman.

Contributions from persons who were not at home or were otherwise missed, be it residential or business places, are still being accepted. Those who wish to make a donation are requested to send it to March of Dimes, Box 156, Kewaskum.

Chairman Koehn would like to extend his sincere appreciation to all the members of the Woman's club and their co-chairmen, Pat Morrissey and Edith Koerble, and above all to the residents and business people who contributed to this year's appeal.

As of this writing all the receipts from the various chairmen are not in as yet but should be by the time of next week's issue of the Statesman.

PLAN IMMUNIZATION CLINICS FOR COUNTY GRADE SCHOOL PUPILS

Nurse's Scholarship Offered By County Medical Auxiliary

For the sixth year, the Washington-Ozaukee County Medical Auxiliary will offer a nurse's scholarship, officials of the organization announced the past week.

This scholarship has been established to stimulate interest in nursing as a profession and to enable girls of fine character in need of financial assistance to enter this field.

The scholarship consisting of financial aid amounting to \$100 with payment to be made directly to the school of nursing, is open to high school graduates from both Washington and Ozaukee counties. Any girl from either county who has been accepted in an accredited school of nursing is eligible to receive the award.

Application blanks, which must be in the hands of the auxiliary's scholarship committee by Apr. 1, may be obtained from high school principals, guidance counselors, or from a member of the scholarship committee.

In Kewaskum, Mrs. R. G. Edwards may be contacted for application blanks and further information on the scholarship program.

RETARDED CHILDREN'S ASS'N. TO SPONSOR FILM

A movie entitled "A Class for Tommy" will be shown at McLane school recreation room, West Bend, on Feb. 11, at 8 p. m., sponsored by the Washington County Association for Retarded Children.

This movie should prove to be of interest to all parents of slow learners, their families and friends. It will show admission procedure and daily activities for a period of

a week of a retarded child which includes arts, crafts, health, habit training, outdoor game participation, value of music, and individual expression.

Parents are shown how developing more desirable behavior patterns early in life help the child to lead more normal happy lives with a sense of security and personal worth.

This film is approved by the National Association for Retarded Children and rented to the county group through the Wisconsin Council for Retarded Children.

This film should be of interest to

all parents who are interested in improving their special class program and it is ideal for student teachers.

Following the film there will be a discussion regarding special education classes for 1957 and 1958.

The Boy Scouts of America was incorporated at Washington, D. C., Feb. 8, 1910.

The 50,000 campers expected at the Valley Forge National Scout Jamboree in July 1957 will make it the largest gathering of youth in history.

Chevs Top Own Scoring Record, Bury Beavers 126-86 in Wild Contest

CALL 71 FOULS, MAKE 90 FREE THROWS, 8 PLAYERS EJECTED, ARGUMENT TAKES PLACE; TESSAR SCORES 47

Kewaskum's Land o' Lakes Chevrolets continue to win basketball games and continue to set records. After setting a record by scoring 120 points against Rosendale the week before the Chevs topped their own record by making 126 points last Sunday in burying Beaver Dam, which ended up with 86. The contest, played on the Beavers' floor, was one of the roughest, wildest and woolliest ever played with everything possible happening.

The fireworks began even before the game ever started between these two rivals. An unjustifiable game-time delay of 15 minutes by Beaver Dam ignited an argument between the teams and officials. Some pretty strong language was used before the trouble subsided. As a result James Schlicher, business manager of the Beavers, sent a letter of apology to the Kewaskum team this week, which read in part, "I feel very strongly that I owe you and your team an apology. In the heat of anger directed at the two officials I am sure I said things that I should not have."

A total of 71 personal fouls were called on the two teams, 40 on Beaver Dam and 31 on the Chevs. This total should also establish a new high. Six Beavers were put out of the game for having five personals, three others quit at halftime and when the game ended that team had only two players left on the floor. Two Kewaskum cagers were ejected on fouls and three others came close to it by being charged with four apiece.

Eighty free throws were made by the two teams, 44 by Kewaskum and 36 by the losers. John Tessar made 21 free throws alone, together with 13 field goals for 47 points, one of the highest totals of the season in the league. His 47 points moved him well ahead of Fred Miller of Beaver Dam in the individual scoring race. Miller was held to only 10 points by the Chevs. The rest of the Kewaskum scoring was more evenly divided with George Hanrahan and Bob Dreher second and third with 15 and

13 points respectively. Top scorers for the Beavers were Kiel with 23 and Paul Cloyd with 22.

The Chevs figured on strong opposition from the Beavers. The tilt was very close in the first half but Beaver Dam fell apart in the second half and when they began losing players on fouls the Chevs ran wild over them. Kewaskum trailed at the quarter, 27-20 but moved ahead by two points, 48-46, at the intermission. The winners made 33 points in the third period to their opponents' 21 and took an 81-67 advantage. The Chevs scored almost at will in the final stanza, running up 43 points while the Beavers' broken up lineup could make only 19.

The win was the league leading Chevs' fourth in a row without a defeat in the second half. The team scored 246 points in the last two games. This Saturday night Kewaskum plays at Hartford and is expected to meet stiff competition from the strong Stammers. The Chevs and Hartford tied for first half title and Kewaskum won the playoff.

RIVERS TEAM DEFEATED AT THIENSVILLE 75-49

After winning their first game the week before, the Kewaskum Rivers cagers resumed their losing ways at Thiensville last Sunday, 75-49. The setback was their third compared to one victory. They now hold 7th in the standings.

The strong Thiensville five led all the way after the first quarter which ended 12-8 in Kewaskum's favor. At halftime the winners went

ahead 31-21 and by the end of the third stanza it was still close, 41-36. Thiensville scored 34 points in the final period to Kewaskum's 13 to win going away.

Top point men for the losers were Russ Rodenkirch with 21 and Gil Hammer with 16. Leading Thiensville were D. Schober with 28 and J. O'Connell with 14.

This Sunday the Rivers cagers play at Barton.

Meeting on Mow Drying Of Hay at Wayne Feb. 12

Washington county probably has more hay driers per size of the county than any other county in the nation today. Since there is a lot of interest in mow drying of hay, meetings will be conducted to inform others how the drier works and to keep those who are using driers aware of new developments and techniques in the mow drying program.

Two meetings have been arranged to do this job of advising farmers and dairymen of the techniques in this mow drying program. The first meeting will be held at the Elmer Happel farm in the town of Polk on Tuesday, Feb. 12, at 1:30 p. m. On this farm a mow drying program was held last June, when the hay was cut in the field, hauled in and

placed on the drier. This farm is now feeding the hay that was dried last summer, and it will be this hay that will be looked at on that farm during the time of the meeting on Feb. 12. People who were at that mow drying meeting and others who heard about it may wish to come in and see the results of the drying process on that particular hay.

The second meeting will be held in Strobel's hall in the town of Wayne on the night of Feb. 12, at 8:00 p. m. Here several farmers, who have driers, will bring in samples of hay to be looked at and compared with other varieties by people who come to the meeting.

Generally the program that will be followed will be this: (1) Analyzing the quality of the mow dried hay, (2) relation of the drier to milk production, (3) cost of drying,

(4) over-all techniques of mow drying of hay, (5) new techniques developed in mow drying, (6) a discussion of the advantages of cutting hay early.

George Werner of the University of Wisconsin will be along to give his experiences with mow drying of hay during the past many years. Persons who are interested in purchasing mow driers, who are curious about mow driers, and who have any inclination of installing one in the next few years, may have questions to ask of these people who have some mow drying experience.

Diseases of the heart and blood vessels were responsible for 53 percent of all death in the United States in 1955, according to figures compiled by the Wisconsin Heart association from official sources.

Around The Town

The first step (after surveying) in preparation for the repaving and widening of Hwy. 45 through Kewaskum this summer was taken this week when the electric company engaged the Asplundh Tree Expert Co. to remove the trees on the west side of Fond du Lac ave. The tree trimmers began cutting down the trees along the roadside on the north end of town and at this writing had nearly all of the trees removed to the south end. The trees on the east side of the highway are not being taken down as yet. Kind of a shame to lose the line of beautiful trees along the street but progress must be served. The big trees stood and were admired for many years and it will seem barren without them, especially in autumn when they colored so prettily.

February is a big month for birthdays and anniversaries. Feb. 6-12 is Boy Scout Week and it marks the 47th anniversary of their founding on Feb. 8, 1910. Then there's Lincoln's birthday on the 12th, St. Valentine's day on the 14th, and Washington's birthday on the 22nd. Men, if you like candy, don't forget the little woman on Valentine's day. February also is Heart Fund drive month so keep your purse handy.

We wrote about the Kewaskum Chevrolets team being filled with Wheaties and atomic energy when they set a new scoring record two weeks ago with 120 points. Now we don't know what to say. That was only a sample. They broke their own record last Sunday by scoring 126 at Beaver Dam in one of the roughest, wildest and unusual exhibitions in the books, in which they downed the Beavers by 40 points. John Tossar took over the league scoring lead with 47 points, 21 of them free throws. Now Kewaskum has scored 246 points in two games. All we can say is wow!

After those 14 sub-zero days we went through in January the mild days of this week when the temperature hung around the high 30's and low 40's during the daytime made it feel like spring. Sure is a relief to see the snow melting and water running in the streets. The days are getting longer, the sun is getting higher and warmer and it won't be too long now—we hope.

Now we can breathe easier again. The state entomologist's office announced that the 1957 grasshopper outlook for Washington county is for a light infestation.

Here's one our second grader hooked us on this week: "Why did the little boy put his father in the refrigerator?" "Because he wanted cold pop."

OUR POLICE CHIEF SAYS;

Two-hour parking restrictions are in effect since Thursday, Feb. 7, on Second st., immediately south of the Regal Ware, Inc. plant. Signs have been posted to this effect. The reason for these restrictions is to eliminate the hazard caused by cars parked on both sides of the street for school buses and other vehicles to pass through.

Sweet, smooth and sassy—that's Chevrolet all over. Above, you're looking at the Bel Air Sport Coupe.

Clings to the road like a stripe of paint!

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

Come on in and take a turn at the wheel of a new Chevrolet.

100 Attend Annual Meeting of Wau-Bun Girl Scout Council

BOARD MEMBERS, DELEGATES AND COMMITTEES ARE ELECTED

"We're a healthy yearling," decided adult members of the Wau-Bun Girl Scout council at their annual meeting last week in Hartford. About 100 members attended the session in which they surveyed their service to nearly 3,000 girls.

The Wau-Bun council was chartered just one year ago to bring the scout program to girls in the area of eastern Dodge, Washington, Fond du Lac, and Green Lake counties. More and better training for troop leaders and other volunteers, plus a stronger outdoor program for girls—including an established camp—were the major objectives of the new council.

Miss Florence Reichart, executive director, pointed to the record of 59 leaders at outdoor-skills workshops last spring, and 142 leaders enrolled in the basic 16-hour leadership courses last fall.

There were 677 girls at the day camps run by the council last summer, while 295 girls did some camping with their own troops, a patrol of eight seniors went to the National Senior Roundup camp in Michigan for two weeks, and 78 others enrolled for sessions in the established camps of other Wisconsin councils.

Mrs. George Fleck, Fond du Lac, chairman of the Red Granite campsite development, reported the completion of a topographical survey of the 180 acres. And an expert in planning camps for the best use of the land has finished his work. A large map of his proposal for the development was displayed.

The council has \$9,000 in its camp development fund and hopes to add another \$9,000 from the March cookie sale. A capital funds drive will not be scheduled for another year until buildings have been blueprinted and costs estimated, said Mrs. Fleck. But a road and well may be finished this summer, making it possible for troops to do primitive camping on the site.

Katherine Zarling and Mary Ulrich, Horicon, entertained the group with accounts of their sometimes hilarious, sometimes deeply inspirational experiences at the National Senior Roundup. "We made fast friends with the girls from all corners of the U.S.A., working and playing within the frame of the Girl Scout laws and promise," the girls summarized. Some 5,000 girls attended this first nation-wide event for Girl Scouts.

Three board members were re-elected and two new ones were named in the annual election. Mrs. Dan Crowley, Fond du Lac, was named secretary; Mrs. George Stube, West Bend, was elected chairman of Washington neighborhood, and Mrs. G. W. Greene, Waupun, was elected to the board and appointed to the public relations post. These all served last year in the

same roles.

Mrs. Russell Johnson, Waupun, was elected to a new position, that of second vice-president. Miss Fanny Britelle, Barton, was named to the board and appointed chairman of the staff and office committee.

President Mrs. M. E. Monroe, Hartford, and vice-president, Mrs. Carl E. Suckow, Ripon, were elected delegates to the national convention to be held next fall in Philadelphia.

Two were elected to the membership-nominating committee; Mrs. Lewis Schwandt, Campbellsport, and Mrs. Norman Schweder, Marke-

san.

FAT WOMEN INVITED TO JOIN TOPS CLUB

A TOPS club has been organized at Campbellsport and new members

are being sought in this area. The club is known as Kettle Moraine Losin' Susans and members meet at the Campbellsport High school library at 8 p. m. every Monday night. Anyone interested is welcome to the meetings.

TOPS stands for "Take Off Pounds Sensibly." The purpose of it is primarily to help the overweight who are interested in losing pounds sensibly. It is based on the principle of "group therapy," getting together a group of people who have a problem in common and discussing it frankly without fear of being laughed at or misunderstood. TOPS is not a course of a few weeks or months duration. It is a well planned, continuing program dedicated to helping the overweight.

INCOME TAX FACTS No. 3

Tax Hints for Car and Home Owners

(This is one of a series of articles on federal income tax filing. These articles are based on information provided by the American Institute of Accountants, and the Wisconsin Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

Your home and you car may be the source of deductions that will lower your federal income tax. It is important to check all possible deductions because of the savings involved. If you are in the lowest bracket—20%—each \$5 you can find in deductions may mean a dollar in your pocket. For persons with higher incomes the possible savings are even greater.

The interest on a mortgage is deductible on your federal tax return. In most cases, payments to a bank include both interest and principal; as the mortgage is reduced the interest is less and a larger portion is applied to the principal. Only the interest is deductible in the case of your residence.

Real Estate Taxes

Sometimes the monthly payment also includes an additional amount which the bank holds for the payment of taxes, insurance, etc. In this case the bank is acting as your agent in paying tax on your property. Real estate taxes paid by the bank for you are deductible as if you had paid them directly.

If your home had been damaged by fire, storm or flood, your loss not covered by insurance is deductible. The amount of the loss is calculated by comparing the fair market value of the property just before and just after the casualty. This loss, or the cost of the property, whichever is lower, is reduced by any insurance recovery to determine the loss for tax purposes.

When large amounts are involved it may be wise to have an expert appraisal made immediately after the casualty.

When You Sell a Home

You are not allowed to deduct any loss you may suffer on the sale of your personal residence. However, you may be required to pay tax on a gain resulting from selling the house at a profit.

If, however, you buy and occupy another home within one year, before or after the gainful sale of your former home, you are not taxed on the gain at the time of the sale. Alternatively, you can start construction of a home within a year and occupy it within 18 months after the sale of your old home. If the new home costs as much as you received for your old one (with allowances for certain "fixing-up" expenses), you are not taxed on the gain. If your new home costs less, the gain is taxable to the extent of the differences. In any

event, you are required to submit information concerning any sale of your home at a profit, whether or not the gain is taxable.

When you buy a home you generally agree with the previous owner on a schedule of adjustments for taxes, insurance, water rates and similar items. However, you and the previous owner can deduct this real estate tax in proportion to the number of days of the property tax year that each of you held the property—whether or not you have agreed to apportion the tax. You are considered to have paid your share of the tax when you bought the home. This applies to any real estate you may have purchased during 1956.

Deductible Auto Expenses

From the time you buy an automobile you begin to have other expenses which are deductible on your federal income tax return. Any state or local sales tax you paid on the car purchase is deductible. So is the cost of your license plates, state inspection fees and interest on an auto loan.

A common deduction in many taxpayers' returns is for state gasoline tax. It is best to keep a record of your gasoline purchases during the year, but if you don't have such a record you can still make a reasonable estimate.

If you had a collision, you may be able to deduct for the damage to your own car not covered by insurance. Although driving may have been faulty, you are entitled to the deduction if the accident was not due to your negligence.

Such a loss, or loss from fire, theft or other accidents is determined in the manner described above in connection with damage to a house.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult a properly qualified advisor if you decide to seek outside help.

IN MEMORIAM

In loving memory of our dear mother and grandmother, Mrs. Alma Becker, who passed away one year ago, Feb. 11, 1956:

One year has passed, our heart's still sore;

As time goes on we miss her more and more.

Her cheerful voice, her welcome face;

No one can take our dear mother's place.

Her memory is as dear today

As in the hour she passed away,

When days are dark and friends are few,

Dear mother, how we long for you.

Sadly missed by her son-in-law and daughter, Mr. and Mrs. Joseph Schwind, and daughters.

Soil Bank Meeting In Kewaskum Feb. 13

Farm owners and operators in Washington county are greatly concerned about the Federal Soil Bank program as outlined by Congress in 1956. How does it affect the farming industry in Washington county is the question most often asked.

The county ASC (agricultural stabilization & conservation) committee, Christ Hoffmann, chairman, Fred Schroeder and Milton Miller with County Agent Maurice J. Hovland, and Soil Conservationist Harold Ryan, have developed two meetings to acquaint farmers with this soil bank program.

Meetings will be held at: Richfield—Firemen's hall, Monday, Feb. 11, 8:00 p. m.

Kewaskum High School—Wednesday, Feb. 13, 8:00 p. m.

At these two meetings the program will center around these subjects:

1. Intent of soil bank program.
2. Two programs are available: Acreage reserve, conservation re-

serve.

3. Facts on how to qualify on conservation reserve.

4. Good land management.

Deadline for sign-up on soil bank is March 15, 1957.

These will be the only explanation meetings on soil bank in Washington county scheduled by the administrative agency.

Indians Easily Beat Campbellsport, Move Into Third Place Tie

The Indian uprising continued as Kewaskum defeated rival Campbellsport surprisingly easy here last Friday night, 62-48. The win was the Indians' fourth in a row and gained them a tie for third place with Hustisford. Each has won 7 and lost 5. The Bells dropped into a tie for fifth with Oakfield.

The game was more lopsided than the score indicates. Kewaskum was ahead by 21 points at halftime and by 28 at the end of the third period. The Indians have shown a lot of improvement since starting out the season in last place and moving up to a third place tie. They appear stronger with each outing. North Fondy, which team won their 12th straight Friday, already has the title clinched.

Kewaskum toyed with the Bells during the first three quarters, outscoring them in each stanza. The Indians got off to a whirlwind start and went way ahead in the first period which ended 23-6. Fourteen points for the winners and 10 for the Bells made it 37-16 at the intermission. The Mitchellmen increased their margin to 52-24 with 20 points in the third quarter compared to Campbellsport's 13. A good final period, with subs playing much of the time, narrowed the score as the Bells outscored the locals, 24-10. The victory avenged an earlier loss at Campbellsport.

Gerry Oppenorth was main scorer for the winners with 20 points, followed by Rodenkirch with 16 and

Mertzig with 14. Joe Dreikosen connected for 22 tallies for the Bells to take top honors.

Kewaskum can move into undisputed third place this Friday night when they play at Hustisford to settle the tie with that team. A win will clinch third and give the Indians a chance for the second spot as they are almost sure to defeat winless Lomira in the final contest Feb. 15.

TRI-COUNTY STANDINGS

Kewaskum Represented By Six Students at MU

Kewaskum is well-represented in the record enrollment of 10,393 students at Marquette university in Milwaukee this year with six from this community included in the student body.

They are: Richard A. Keno and Barnabas J. Skrentny, business administration; Raymond F. Skrentny, Jr., Elmer H. Terlinden and Roger J. Wierman, liberal arts, and John P. Van Blarcom, engineering.

All 48 states, the District of Col-

umbia and more than 30 foreign countries are represented in the Marquette student body this semester. The university is now well into the first year of its fourth quarter-century, and is continuing its great post-war building program.

An alumnus, the Very Rev. Edward J. O'Donnell, S. J., is the president of Marquette.

FISHING JAMBOREE SUNDAY AT KETTLE MORAINÉ LAKE

TOM TESSAR AND ALLEN COULTER GET TOGETHER

Mike Coulter received a letter from Allen R. Coulter, who is stationed in Djakarta, Indonesia. He was recuperating after being sick and had a leave of a couple of weeks which he spent in a mountain resort about 60 miles from Manila. While there he met Tom Tessar of Kewaskum, whose ship put in at port at Subic Bay for a few days. Allen and Tom spent three days together playing miniature golf and shuffle board and went horseback riding one day. Allen is the son of Mr. and Mrs. Ervin Coulter and is stationed with the marines in Indonesia.

UNITED CHURCH WOMEN OF COUNTY ORGANIZE

The organizational meeting of the United Church Women of Washington County was held at St. John's E. and R. church in Slinger recently. Mrs. H. Spears of Hartford led the devotions.

Plans were made for several World Day of Prayer services to be held on Mar. 8 throughout the county.

The purpose of this organization is church women working together on problems and issues of mutual concern. In November women from the state U.C.W. explained how it could be accomplished. Officers elected for the coming year were Mrs. Harry Baumer, pres-

ident; Mrs. Warren Cooley, vice-president; Miss Elsie Tranholm, secretary, all of West Bend, and Mrs. Milton Reich of Hartford, treasurer.

Inadequate traction can be a real troublemaker for the wintertime motorist who ignores the facts on safe winter driving. Stopping distance is lengthened considerably for vehicles being operated over slippery road surfaces. The most important rule is SLOW DOWN. Even with the real help provided by tire chains, the luxury of speed should be dispensed with on snow or ice.

Each year more than 14,000 Boy Scouts attain the coveted Eagle Scout rank.

"FINER MEATS SINCE 1879"

JACK JOYCE and his trained camels will be seen in a most unusual and rigid military routine at the Shrine Circus to be held at the Milwaukee Arena, Feb. 18-24, when Tripoli Temple sponsors the Hamid-Morton professional circus. Never before has there been a group of camels trained for this type of performance. They appear in beautiful harness and elaborate wardrobe, and move in precise formations. Without question a most outstanding act.

PASSENGER CAR STYLING comes to the trucking business in Ford's 1957 Style-side Pickup. It typifies revolutionary changes in new Ford trucks which Ford dealers display February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1957 Ford line which ranges upward to huge extra heavy duty models. *
