### **Beverly Ramthun, Miss Thull Brides**

Married by the Rev. F. C. La Buwi in Holy Trinity Catholic church during a 9:30 o'clock ceremony on Saturday morning, June 29, were Miss Beverly Jane Ramthun, daughter of Mrs. Kathryn Ramthun, Kewaskum, and the late Otto Ramthun, and William Kober, son of Mr. and Mrs. Christ Kober, Jr., Kewaskum.

Given in marriage by her godfather and uncle, Paul Halfman of Campbellsport, the bride wore a gown of white styled with a bodice of rose point lace finished with a carved scoop neckline and long sleeves tapered to points to her hands. The billowing floor length skirt of misty nylon tulle was worn over a shimmering skirt of tulle and kace. A clip hat of lace, pleated tulle, pearls and orange blossoms secured her fingertip veil of sheer imported French illusion. Her flowers were a cascade of white carnations and gardenia foliage.

The bride was attended by Miss Betty Kober, Kewaskum, sister of the bridegroom, as maid of honor. The bridesmaid, Mrs. Norman Krueger, Lomira, sister of the bridegroom, and the junior bridesmaids, Mary Halfmann, Campbellsport, and Judith Ramthun, Kewaskum, cousins of the bride, wore gowns of aqua lace designed with a molded bodice, bouffant floor length skirt of lace with net ruffles. The gowns were worn with a cap sleeve, lace shrug covering the shoulders and a matching clip hat of horsehair braid and pearls. They carried red roses and small blue filler flowers in a colonial style bouquet. The little flower girl, Linda Krueger, Lomira, niece of the bridegroom, wore a frock of white with a fitted lace bodice, round neckline with ruffle trim, short puffed sleeves and full floor length net skirt with lace insert. A white net poke bonnet completed her attire. Her flowers were a miniature copy of the bride's flowers.

Otto Ramthun, Kewaskum, brother of the bride, served as best man, while Norman Krueger, Logroom, acted as groomsman. Guests were seated by Charles Halfmann, Campbellsport, and Elmer Ramthun, Jr., Kewaskum, cousins of the bride. Master David Ramthun, Kewaskum, brother of the bride, was the ring bearer.

Dinner was served and a reception and wedding dance held at Forest Lake resort.

Following a wedding trip to Flothe young couple will be at home after July 15 in Kewaskum. Both Mr. and Mrs. Kober are graduates of Kewaskum high school. He is employed as a patternmaker

### **Meisenheimer Pitches** 1-Hitter As Chevs Beat Port in 10 Innings, 2-1

The Kewaskum Chevs got off to an auspicious start in their first home game of the season under the lights Sunday night when they nosed out Port Washington, 2-1, in 16 innings in a terrific ball game played before a good crowd. The win was their fifth against three defeats and keeps the team among the leaders. Because the field was not in shape following a face lifting all previous tilts had been played away.

Star of the victory was Don Meisenheimer, ordinarily a second baseman, who was called in to pitch by Manager "Cisco" Backhaus, The manager really unveiled a "find" in Meisy who came through with a one-hit performance as he had Port eating out of his hand with some of his Stu Miller slants. Meisenheimer hadn't pitched for several years but went the full 10 frames. He seemed to get stronger as the contest went along. Whether "Cisco" had a hunch or what his reason was we don't know as he had both regular pitchers, Dave Mertzig and John Tessar available.

J. Lutzen in the third inning, a single. After that Meisenheimer pitch. ed 7 scoreless frames. However, their run was scored in the 7th inn. ing on a walk, sacrifice, passed tall and an infield out. Kewaskum tallied its initial button in the 6th on Bob Staehler's two bagger and an error. The winning run in the 10th was pushed across when pitch. er Meisy started it off with a single. Pee Wee Stenman forced him at second. Then Pee Wee stole second, Adell Fellenz, Erwin Radtke and stole third, and scored on Stachler's second hit. Bob was the hitting

ace in the victory. Not only did he bat in both runs but also was the only player with 2 hits.

F. Busch of Port also hurled an excellent game and lost a tough one. He gave up only four hits, struck out 7 and walked but 3. Meisenheimer fanned 5 and allowed 5 bases on balls.

On July 4 the Chevrolets played at Cedarburg and this Sunday, July 7, they play an afternoon game at home against Mequon.

DON'T BUY ANY CAR BEFORE YOU DRIVE A CHEVY . . . ITS BEST SHOWROOM IS THE ROAD.

# Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable roadability, the crisp precision handling that has posted an entirely new standard for cars in every price class. You can't read about that . . . but you can feel it in one minute on the road!

Good drivers know roadability is the single thing that means more driving satisfaction for more thousands of miles than anything else. More safety, too, for it grants greater stability on curves, greater traction on wet roads, better "bite" under hard braking, more accurate steering. There are reasons for all this, of course: Chevrolet's balanced weight distribution that takes excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's

a car specifically designed for beautiful motion-you have to travel in this one to know just how terrific it is. Try it, this week!

Don't forget to attend your district school meeting Monday night, July 8. The Braves aren't playing that night so there's no excuse. The school budget may seem high but the board is not responsible that the kids are here and must be educated.

The baseball season is about half over but the Kewaskum team has all of its home games remaining except one. They are having season tickets printed which will go on sale next week to help pay the cost of the team and lights. Lend them your support because we want to keep baseball alive in town. We have a good team that is up among the leaders in the Lakes league even though they played all but one game away from home. That 2 to 1 win over Port Washington in 10 innings in the home opener Sunday night was a real humdinger. The club is arranging to play more Sunday night contests at home. We think this is a good night so let's get out and see these games.

That smoke and aroma drifting over town late Sunday night wasn't caused by something burning. It was the hungry baseball team (after 16 innings) satisfying their appetites with bratwurst barbecue-

Cigarettes and liquor and some other "necessities" took another jump in price on July 1. It's getting so prices go up so fast these days that a dollar saved is 50 cents lost

### **Attend Your Annual School Meeting July 8**

All electors in Washington county should reserve the evening of Public Notice is Hereby Given Monday, July 8, for attending the That the Board of Review for the annual school district meeting in their respective district, urges Harry D. Sheski, county superintendent of schools. Everyone should be interested in the educational welfare of their children and should voice this interest in the discussions on the various topics which will be presented by the school board.

School boards prefer the vocal approval and suggestions given at the meeting rather than the "silent treatment" even though the inattendance could be considered as a by law. concession that the work of the board is being well done.

Education today is a big business, and a growing business. It needs constant interest and attention throughout the year. The school board members in this county are all well aware of their duties and are doing a fine job of administering. However, they through their County School Board association, solicit your sincere support and participation this "once" in a year on Monday, July 8.

Let's have a record breaking attendance-no ball game, no wrestling matches on TV, but everyone in the schoolhouse for the meeting.

Is anyone too old to remember with longing, those good crisp ice cream waffle sandwiches - everybody's favorite at the fairs when we were kids? Today's version, a slice of your favorite ice cream between two waffle squares, pleases the whole family.

Take that handy package of pancake mix from the cupboard shelf and in minutes stir up a batch of tantalizingly good waffles for these modern ice cream sandwiches.

#### GOLDEN WAFFLES

Makes 5 servings

2 cups pancake mix 2 eggs

2 cups milk

1/2 cup melted butter

Place all ingredients in a bowl and beat with a rotary beater until fairly smooth. Bake on a hot waffle iron until steaming stops. Serve at once.
