Largest Crowds In Years Attend Week End Picnic

EVENT IS COMPLETE SUCCESS; THOUSANDS SEE FINEST PARADE IN LONG TIME; PRIZES AWARDED

Police and other officials estimated that the crowds which attended the annual firemen and Legion picnic and parade in Kewaskum over the week end were the largest in many years and may have set a record high. Hot and sunny, ideal picnic weather brought huge throngs into the park Saturday evening and both Sunday afternoon and evening. No tabulation could be made of how many thousands of persons attended.

The event was a complete success in every way and the firemen and Legion made out well financially. The gross amount taken in was substantially larger than that in recent years. Although a tired group after the week end, the sponsors were greatly pleased with the huge turnout.

Many comments were received on the parade Sunday noon, which was one of the longest and best held here in years. Spectators said it was the finest they have seen anywhere around this summer for a town of this size. All streets along the line of march were really jammed with people for the parade, which always attracts great numbers locally.

The parade featured four musical organizations, the Kewaskum Legion drum and bugle corps, Little German band, Kewaskum Community High school band, and Blue Knights drum and bugle corps of Menomonee Falls; a number of beautiful floats, many children's floats and specialties, visiting firemen and Legion units and color guards, visiting fire equipment, baton twirlers, horseback riders, auxiliary police, comedy cars, scouts, and many other entries.

The Saturday night crowd, usually smaller than on Sunday, was surprisingly large this year. They were attracted by the water fight and amateur show. The park was a mass of people Sunday afternoon and evening. Head upon head was crowded around the band stand for a far distance out while the acts were on.

The hamburger and bratwurst stands ran out of meat as early as 10:30 p. m. Sunday and had to close although there were still many people present. Some game stands ran out of prizes already in the afternoon. The supply was replenished as much as possible with prizes that could be picked up around town. But these went fast and the stands had to close down again in a short while. Other stands also ran out and had to be re-supplied with merchandise and refreshments. Over 700 pounds of hamburger were eaten up—not far from a half ton.

The water fight Saturday evening between Campbellsport and Eden was won by Campbellsport, which took the cash money. There were nine entries in the amateur show, who put on a good performance. First prize was awarded by the three judges to the Dell Tones of West Bend, a vocal trio of three youths consisting of Tom Haebig. (CONTINUED ON PAGE FOUR)

School Board of New Town Wayne District Meets

BOARD ORGANIZED WITH ART TERLINDEN AS PRESIDENT; MEET AGAIN MONDAY

The school board of the new Town of Wayne school district met on Monday evening, July 15, with the chairman of the adjourned meeting, Paul Moritz, and the board members of the former districts for the purpose of preparing a budget and a general discussion of policy suggestions which will be recommended to the electors for their approval.

Prior to this meeting the school board met in executive session. The board organization is as follows: President, Arthur Terlinden; Clerk, Harry Oelhafen; Treasurer, Ray Kudek; Director, Calvin Schaub; Director, William Coulter.

The school board requests that all electors plan to attend the adjourned meeting at the Strobel hall on Monday, July 22, at 8:30 p. m. In addition to adopting the budget, resolutions establishing board policy will also be presented.

Campbellsport Man Drowns in Winnebago

Rescue workers dragging Lake Winnebago on Wednesday had not located the body of Arnold A. Floeter, 39, of Campbellsport, who drowned late Tuesday night after he stumbled from a boat. The workers were continuing dragging operations.

Floeter, manager of the Brittingham and Hixon Lumber Co. at Campbellsport, was on an outing with Lions club members from Campbellsport Tuesday and was returning on a lake cruiser when he lost his balance and toppled into the lake while descending a ladder from an upper deck.

The drowning happened about four miles off Linden Beach on the east shore of Lake Winnebago about eight miles north of Fond du Lac. The cruiser circled the spot about 45 minutes before putting in to shore after marking the spot with a buoy. The group on the boat was returning to Lighthouse Harbor at Fond du Lac following an outing at Calumet Harbor.

Floeter is survived by his wife and four children. He was also secretary of the Campbellsport Lions club.

MRS. ELIZABETH SCHAEFER OBSERVES 93RD BIRTHDAY

Mrs. Elizabeth Schaefer, a resident of Kewaskum until going to reside with her son-in-law and daughter, Mr. and Mrs. Martin Knickel, at Campbellsport, observed her 93rd birthday anniversary on Sunday, July 7, at the Knickel home. Relatives and friends called on her throughout the day in honor of the occasion.

Births

PLEDL—A son to Mr. and Mrs. William Pledl, Milwaukee, Wednesday, July 10. Mr. Pledl is a son of Chief of Police and Mrs. Roland Pledl of Kewaskum.

Beverly Sue Klein, 13, Dies of Tetanus

Beverly Sue Klein, 13-year-old daughter of Mr. and Mrs. Willard Klein of the town of Wayne, passed away at 11 p. m. Monday, July 15, at St. Joseph's hospital, West Bend, of tetanus.

On Tuesday, July 9, Beverly fell from a hay wagon while helping haul in hay and fractured her arm. She was taken to the hospital and after having the arm set returned to her home. Although tetanus shots had been given her, she was taken back to the hospital early Monday where everything possible was done but she died of the disease the same night.

The girl was confirmed on June 9, 1957 at Zion's Lutheran church. She graduated from the eighth grade this spring and was planning on entering Kewaskum Community high school in the fall.

Surviving along with the parents are two sisters, Patricia, 15, and Diane, 11; her grandmother, Mrs. Anita Kirchner, of the town of Wayne; her grandfather, Ed Klein, of West Bend rural route, and many relatives and friends.

The body is in state at Miller's Funeral home in Kewaskum since 2 p. m. Thursday and can be viewed until 11 a. m. Friday when it will be taken to St. Peter's Lutheran church in the town of Addison, southeast of Kohlsville, where it will be in state from 12 noon until the time of services at 2:30 p. m. The Rev. Marvin Volkmann will officiate and burial will take place in St. Peter's cemetery.

LOCAL ARMY RESERVES TRAIN AT CAMP MCCOY

A total of 30 army reservists of West Bend, Company A, 784th Ordinance Battalion, 84th Infantry Division, will begin two weeks of annual summer training at Camp McCoy, Wis. on Sunday, July 21. Several Kewaskum reservists will train with the group.

The local contingent of reserves will be part of 4,000 "Railsplitters" from 113 units in 40 Wisconsin cities who will assemble for rugged field training, putting into practice the lessons learned at hometown armories. The troopers will get individual and unit field training at McCoy. Fundamentals of infantry field operations and leadership will be stressed during the two weeks.

Members of the company who will make the training trip include these from Kewaskum and area: S/3 Donald F. Hammes, R. 2, Campbellsport; Pfc. Edward J. Miller, Kewaskum; Pfc. Charles E. Schaefer, Kewaskum; Pvt. Lloyd A. Bonlander, R. 3, Campbellsport; Pvt. Marvin W. Perkins, Kewaskum; Pvt. Robert W. Becker, R. 2, Kewaskum.

Paul Kohler Dies

Paul Kohler, 95, St. Killian, one of the oldest residents of the area, passed away on Wednesday, July 17. For any information regarding the funeral kindly call Miller's Funeral home, Kewaskum.

HOSPITAL NEWS

Mrs. Oscar Kirchner, Kewaskum R. R., is a patient at St. Joseph's hospital, West Bend.

Discuss Results At Stoffel Grain Plot on July 22

On Monday, July 22, at 7:30 p. m., Maurice Hovland, Washington county agent, and O. E. Behnke, Kewaskum vocational agriculture instructor, will discuss the results of a grain demonstration plot.

The demonstration plot is located on the Nicholas Stoffel farm, two miles west of Kewaskum on Highway 28, just south of the old school house at Schoofs' corner.

Nine oat varieties, which include Clintland, Fayette, Nemaha, Eedee, Sauk, Garry, Ajax and Rodney, will be compared. The men will also discuss five barley varieties, Oderbrucker, Montcalm, Kindred, Moore and Fox, and three wheat varieties, Henry, Russell, and Selkirk.

Those who attend the discussion at the plot will also be able to view the results of wheel track planting of corn and a pole type hay barn on the Stoffel farm.

DiMaggio Sentenced To Ten Years

Samuel Salvatore DiMaggio, 40, one of three Milwaukee burglars who were surprised by local police in an attempted burglary at the L. Rosenheimer store in Kewaskum last Feb. 17, was sentenced to an indeterminate term of not more than 10 years at hard labor in Wau-pun State prison on a burglary charge and not more than three years on a possession of burglary tools charge in connection with the break-in at Eugene's restaurant, 815 E. Wisconsin ave., Milwaukee, Sept. 3, 1956. DiMaggio pleaded guilty before Circuit Judge Elmer W. Roller in a Milwaukee court Wednesday afternoon after a surprise state witness from California shattered his alibi.

DiMaggio and his two accomplices in the Rosenheimer attempted burglary, Nick P. Tarantino, 27, and Frank P. Allota, 25, were arraigned before Justice of the Peace Herbert P. Matenaer at Barton June 7 and were bound over to the September term of the circuit court on the local charge.

Chief of Police Roland Pledl of Kewaskum attended DiMaggio's trial in Milwaukee Wednesday.

JAMES WILLIAM SCHAUB BAPTIZED LAST SUNDAY

The infant son of Mr. and Mrs. Homer Schaub, Kewaskum, was baptized Sunday morning by the Rev. F. C. La Buwi in Holy Trinity church. James William was the name he received and his sponsors were Mr. and Mrs. Larry Check of Mundelein, Ill. Dinner guests were the above sponsors and their children and Mr. and Mrs. John Haas of Milwaukee.

HARRY SCHAEFER ATTENDS FIRE CHIEFS CONVENTION

Chief Harry J. Schaefer of the Kewaskum fire department attended the 29th annual convention of state fire chiefs held at the Hotel Retlaw in Fond du Lac from Monday through Wednesday noon of this week.

Traffic Check in Kewaskum Shows Surprising Total

COUNT SHOWS 5,426 CARS PASS THROUGH THE VILLAGE ON A SUNDAY, 3,784 WEEKDAYS

On June 19-26, 1957, the Wisconsin State Highway Commission made a 24-hour traffic count by hours on Main st. (Hwy. 28) between U. S. Hwy. 45 and the C & NW Ry. tracks in Kewaskum. The number of cars passing through the village during the week of the traffic check far exceeded expectations.

On an average weekday a total of 3,784 cars passed along the street. The count on Saturday, June 22, totaled 4,614 and that on the next day, Sunday, June 23, numbered a surprising 5,426. In the last count in the village taken in 1951 only 890 cars used the street on a weekday and 2,100 on Sunday. In other words the traffic flow through Kewaskum is better than four times greater on a weekday at present than it was six years ago. The Sunday total of 5,426 is one and one-half times greater than it was on a busy Sunday in 1951. In releasing these figures from the highway commission, Chief of Police Roland Pledl said he believed the totals were amazing.

The count showed that on a weekday the heaviest flow of traffic is between the hours of 5 and 6 p. m. when the average was 330. On Saturday the most cars passed through between 12 noon and 1 p. m. when the number was 354, followed closely by 11 a. m. to noon with 350. On Sunday the most traffic was between 3 and 4 p. m. when the number was 459, followed by 11 a. m. to 12 noon with 444.

The traffic check was taken at the request of the village through its attorney, Steve O'Meara, in a move to have the railroad take action to install new and more adequate signals at the Main st. crossing. Attorney O'Meara is now petitioning the Public Service Commission of Wisconsin for Griswald signals at the crossing and for a speed limit for trains passing through the village.

FAMILY FROM INDIANA MOVES TO KEWASKUM

Mr. and Mrs. Karl Bauer and child of Indiana have moved into the Joe Gruber home on Kewaskum st., formerly occupied by Mr. and Mrs. Sam Young and family, who moved to Port Washington. Young is with the state traffic department. Bauer holds a position with the Washington-Ozaukee Child Guidance Center.

Mr. and Mrs. Jerome Schmidt and daughter Lu Ann moved Saturday from the upper flat of the Ray-Klug farm residence, R. 1, Kewaskum, where they resided the past three years, into the former Elmer Garbisch home at Beechwood, which they purchased recently.

ATTENTION

Second period swimmers be at the high school at 8:45 a. m. sharp on Monday, July 22.

Wayne Rimmel, Recreation Director

Miss Zuehlke Awarded U.W. at M. Degree

Mariene Zuehlke, R. 1, Kewaskum, daughter of Mr. and Mrs. Elmer Zuehlke, was awarded a Bachelor of Science degree in lower elementary education and was graduated by the University of Wisconsin-Milwaukee in commencement exercises at 3:30 p. m. Sunday, June 16. The ceremony, which marked the end of the first year of operation of the UW-M, was held out-of-doors at the Kenwood campus stadium grounds.

More than 300 students completed work for their first and higher degrees this June. Since there was no mid-year commencement ceremony, February graduates were invited to attend the June exercises. Candidates for degrees to be awarded at the close of the 1957 summer session in August were also invited to

attend. Dr. Edwin B. Fred, president of the University of Wisconsin, delivered the charge to the graduating class and conferred degrees. Dr. J. Martin Klotsche, UW-M provost, delivered a welcome address. Charles D. Gelatt, Eau Claire, president of the university Board of Regents extended greetings from the regents.

The UW-M band and choir participated in the program and there was an alumni reception at the union immediately following the exercises.

Our Police Chief Says

Has your driver's licence expired? Check at the upper right hand corner for expiration date. Of the last 10 drivers' licenses we checked, we found 2 had expired. Renewal applications can be obtained at the Police Station.

At this time politics is on vacation—but even so, considerable bait is being dug.

Subscribe to the Statesman.

If you catch a tagged fish anywhere, keep the fish and turn the tag over to any Conservation Department employe or send it to the Conservation Department. The returned tags help establish needed facts, such as fish movement and abundance, important in fish management.

Tomatoes and potatoes are in for some tough going this summer unless you dust to protect them from late blight, says Earl Wade, University of Wisconsin plant pathologist.

Chevs Beaten By League Leading Sheboygan 9

Kewaskum's chances of gaining in the Lakes standings received a severe jolt in a night game here Sunday when the league leading Sheboygan Kingsburys romped over them to the tune of 12-3. The trouncing dropped the Chevs from 3rd to a tie for 3rd with Random Lake and gave them a 6-5 record on the season.

The Sheboygan heavy hitters clobbered Kewaskum pitchers Don Meisenheimer and Dave Mertzig for 13 hits in scoring a dozen runs. Six walks and five errors helped them run up a score. The Chev pitchers got six batters on strikeouts.

Gill went the distance on the hill for the visitors and held Kewaskum to five safeties, while walking only two and fanning a large total of 13 batters. He hurled an outstanding game and would have had a shut-out with good support. All three of the Chevrolets' runs resulted from errors. The first one was scored in the 2nd inning on a walk, sacrifice and miscue. The other two came in the 9th and final frame when Gill filled the bases with a single and two hit batters. With two out an error by the second baseman let two runs cross the plate. Meisenheimer started out good and held Sheboygan scoreless until the 4th when they pushed across 4 runs. They added another in the 5th, 3 in the 7th and 4 in the 9th.

Leading the onslaught for the Kingsburys was right fielder Gutschow, who lined out 4 singles in 4 times at bat. Catcher Dorman contributed 3 for 4 and Lindich and Wegner each poled triples. Before being forced to leave the game with an ankle injury, Tessar connected for two hits to be the only Chev batter with more than one safety. His injury and outfielder Bob Staehler being out with a broken arm leaves the team in a crippled condition for the stretch drive.

On Thursday night of this week the team was scheduled to play Belgium under the lights here and the Chevs will return the visit Sunday afternoon when they have a make-up contest at Belgium, postponed earlier in the season.

KEWASKUM LOSES TO WEST BEND PUDDLES STARS, 6-4

The Kewaskum Puddles team took on the all-stars of the West Bend Land o' Puddles league in a game at West Bend last Thursday afternoon and lost to the stars by a 6-4 score although the winners got only 2 hits by Steve Werner and Dave Kumrow). Thirteen walks given up lost the game for Kewaskum at Regner city park field.

The losers got 7 hits off West Bend's pitcher, Gerry Schickert, but he gave up only three walks while his teammates made but one error. He struck out only one batter so his fielders were busy behind him. Catcher Tom Weber got on base 4 times, once on an error, and then walked 3 times.

Korst and Opperman collected 2 hits apiece for Kewaskum, which batted nearly around in the first inning but scored only one run. Koch grounded out with the bases loaded to end the threat.

Kewaskum held a 4-1 lead after three innings but West Bend scored 3 in the 4th and 2 more in the 5th to win.

TESSAR, FISHER, DREHER ON LAKES ALL-STAR SQUAD

The Kewaskum Chevrolets will be represented by three players on the Land o' Lakes northern division all-star squad. The northern stars will play the western or southwestern stars at West Bend on Thursday night, July 25.

Chev players chosen to the team include John Tessar, pitcher and outfielder; Herb Fisher, infielder, and Bob Dreher, infielder. Tessar can also play first base and Dreher catch.

Bill Collins, Belgium third baseman, was the only unanimous choice on the squad. The complete all-star team has not been announced by Carl Kuss, league director.

Publisher
Kewaskum Statesman
Kewaskum, Wisconsin
Dear Sir:

In checking Vern Orton's weekly reports on special sections or editions for June Dairy Month promotions or celebrations, I find he has listed The Statesman as having a very fine example of dairy month advertising.

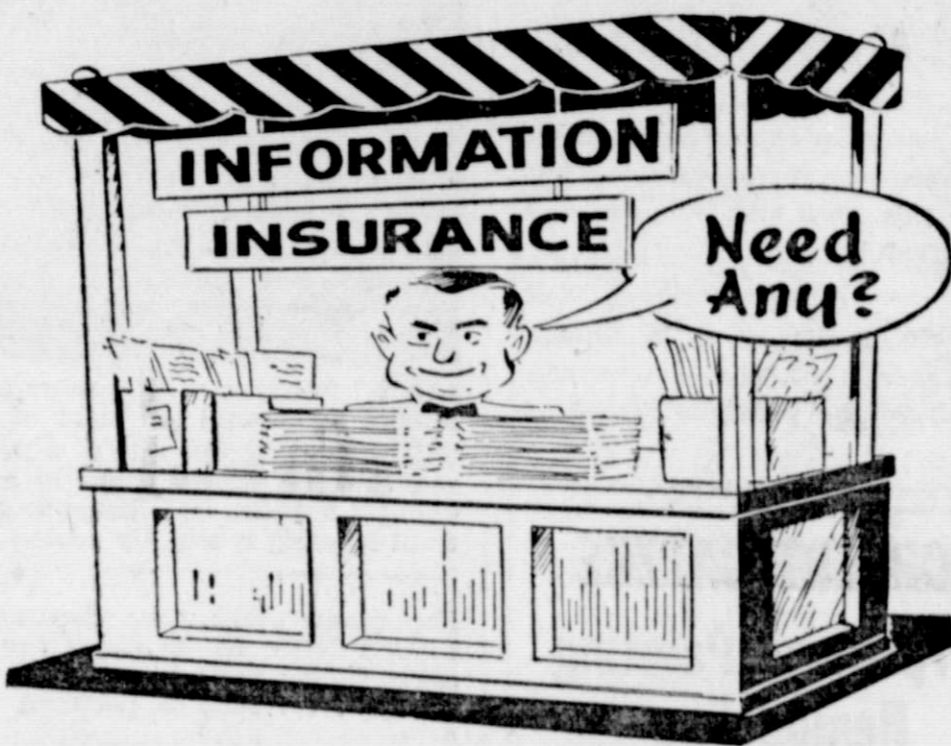

I would like to get a copy or two

of that edition for use in our reports to dairy farmers (who supply the mat service through their American Dairy Association). It will be very useful when we hold our district annual meeting in your area next fall. Then too, we will use it in compiling a final report on June Dairy Month activity in Wisconsin, for next year's planning and for the national report by our Chicago office.

Any suggestions for improvement of the mat service also will be forwarded to our national office.

Preliminary report indicate a tremendous June Dairy Month in Wisconsin and in the nation and we are most gratified by the support given us in the state's press.

Sincerely yours,
AMERICAN DAIRY ASS'N.

PICNIC

(CONTINUED FROM PAGE ONE) Dick Faircloth and Jerry Wardius. They sang popular songs and furnished their own accompaniment.

Other prize winners were: 2nd, Edward and Roger Schneider, drum and concertina duet; 3rd, Frank Moser of Allenton, guitar playing and singing; 4th, Ruth Ann Weddig and Delores Prost, the Five Corners Polka Dots, instrumental duet; 5th, Leroy Gibson, R. 2, electrified harmonicas; 6th, Leroy Schultz, Jr., pantomime; 7th, Colleen Held, pantomime; 8th, Stevie Schaefer, vocal solo; 9th Karen and Kathy Fellenz and Audrey Yeadeke, singing and dancing.

Les Schneider's orchestra furnished music from the bandstands for the remainder of the evening.

Parade prize winners Sunday were: Floats—1st, Kathryn's Beauty Shop; 2nd, Miller's; 3rd Keep Wisconsin Clean; two-wheel bicycle—Susie Marx; tricycles—1st, Wilmer Bunkelman girl, and 2nd, Trinky Edwards; children's floats—1st, Cinderella float, and 2nd, Peter Pan (Fickler and Gruendeman children); walking—1st, Kettle Moraine boys, and 2nd, wedding group of 12.

After the parade entertainment began with the snappy music of the Little German band, which played

in the afternoon and evening. Their music made a big hit. Later a number of selections were sung by the 20-man barber shop chorus of the West Bend-Barton chapter of SPEBSQSA. One of the quartets in the chorus, the Hy-Larks, also sang several songs separately from the chorus.

Next came one of the features of the affair, songs by the Marlene Sisters of the WTMJ-TV Hot Shot Revue. They were well received and received a tremendous hand in the evening when they appeared at 9 p. m. Other acts from the state included a magician and Silent Sam and Gloria, a comedy knockabout act, performing both afternoon and evening.

Three water fights were held at 7:15 p. m. Sunday with Saukville taking the championship and top prize money. Saukville beat Thiensville and Boltonville defeated Barton in the first round. Then Saukville downed Boltonville for the championship.

The firemen and Legion wish to thank everyone who helped make their picnic such an outstanding success, including all those who attended, the helpers, those who donated prizes, and all others who contributed or co-operated in any way.

The prizes on the advance ticket sales were not yet given away but will be this week end. Winners will be notified by mail.

Four-H enrollment in Wisconsin is now over 46,000. That's more than 2,000 above the previous record of 1955.

NANCY HAVEN'S

Recipe of the Month

BUTTERFLY CAKE

For a pretty centerpiece . . . a delicious dessert . . . frost an angel food or chiffon cake with BLUSHING PINK FROSTING. Around the rim of the cake alternate pairs of green and white candy mint patties, set at an angle like butterfly wings; use a long gumdrop for body; colored cocktail picks for feelers. Set small bouquet of fresh or artificial flowers in center of cake.

NANCY HAVEN

BLUSHING PINK FROSTING

- 1½ cups Beet Sugar
- ¼ cup warm water
- 2 egg whites, room temperature
- 1 teaspoon lemon juice
- 3 drops oil of peppermint
- Red food coloring

PLACE Beet Sugar, water, egg whites and lemon juice in the top section of a double boiler, beat with an electric or rotary beater for about 1 minute, stirring around sides and bottom with a rubber scraper. (This pre-cook beating helps to dissolve the sugar and prevent graininess in the completed frosting.)

SET top section of double boiler over boiling water and continue beating until frosting stiffens and holds its shape. (Be sure to use the rubber scraper, occasionally during this cooking.) The beating will take

about 7 minutes, a little more or less depending upon the size of the double boiler and the vigor of beating.

TURN frosting out into a wide-topped bowl and add flavoring, and red coloring, a few drops at a time to get desired shade. Beat for about 2 minutes (this helps to get the frosting to perfect smoothness) until frosting is slightly cooled. Swirl generously on the cake.

For many other cake decorating ideas send for FASHIONS IN FROSTINGS. Its 36 pages are devoted to the art of making good cakes better to look at . . . better to eat. For your copy . . . no charge . . . send a postcard to:

NANCY HAVEN, Western Beet Sugar Producers, Inc., Foshay Tower, Minneapolis, Minnesota.

Biggest Sellers...because they're Biggest Savers!

You can tell from the way they're put together that Chevrolet trucks stay on the job . . . save on the job!

A truck with built-in stamina—that's Chevy. Whether highballing down highways or roughing it across rugged terrain, or doing delivery duty in town, dependable "can-take-it" Chevrolets are cutting

downtime to the barest minimum.

A truck with a choice of ready-to-go power—that's Chevy. From an advanced lineup of eight engines—140 to 210 hp—you can save by choosing the power precisely matched to your job. Thanks to compact weight-saving design, Chevrolet's V8's deliver high power per pound of engine weight—power that works harder for you. Chevy truck 6's are famous for their stay-

ing power. Whichever engine you choose, you know it's got the power to back up every inch of brawn in every Chevrolet Task-Force truck.

A truck for your job—that's Chevrolet, too. From pickups to middleweights to high-tonnage tandems, there's one just right for your job. See your Chevrolet dealer. He'll show you a model that's practically made to order for your kind of hauling.

PICNIC NOTES

It's not always the Irish who are lucky. The firemen and Legion really had their good luck charms working with the perfect picnic weather they had over the week end. It couldn't have been any better and as a result the event was a real big success. All one could see was heads when we looked out from the bandstand during the shows Saturday night, Sunday afternoon and evening as huge throngs filled the grounds. We would judge the attendance was the largest in years.

"Daddy, can I have another 25 cents? Look at the dandy lead pencil I won with the last quarter."

We shudder to think of what would have happened if the weather Sunday would have been like that on Tuesday when it rained steadily all afternoon.

"Daddy, aren't you supposed to hit the canvas when you throw balls at the milk bottles?"

Chairman Herriges really burned the phone wires when he received a call late Wednesday that the Marlene Sisters wouldn't appear. He wore out three phones and four operators getting the matter settled, but good. They sang here and at New Holstein, driving back and forth between performances. When the sisters arrived late we thought for a while we'd have to get Chairman Reindl to entertain with his itching powder.

"Daddy, how come Mommy didn't believe you when you told her you had only three beers?"

Chief Schaefer would like to see the money made on the picnic this year earmarked for improvement in the park. He suggests filling in the big hole or valley at the south end of the park and levelling it off for additional parking facilities, also cutting down the top of the steep hill some, and adding another outlet for cars along the river so that vehicles could make a complete circle around the grounds and leave by another way. Some of the trees would also be moved. Parking is a problem.

"Daddy, look, I won a dime on the jingle board with that last half a dollar you gave me."

With stands running out of food, refreshments and prizes earlier than expected Sunday night because of the crowd, folks left the park earlier and the south beer stand was left with two halves still on tap. So the firemen and Legionnaires cleaning up the park had refreshments Monday night.

"Daddy, my ice cream fell on the ground but it's all right, I

wanted popcorn anyway."

Good thing there are lots of trees in the park to help some guys regain their balance and straighten them out to get back their forward momentum. Only they should have handles on them. Others missed out at the stands because they only have two hands. Naw, we're just kidding now. It was a good, clean picnic with no trouble of any kind. The only possible exception was the guy who lost his bratwurst while he was putting mustard on the bun. He never even missed it but went right on chewing on the bun. Everything goes at a picnic. Maybe he liked his bratwurst sandwich without meat, who knows?

"Daddy, let's you and me have a cotton candy instead." POW!

Talk about workhorses — Les Schneider's boys played so long Saturday night we thought they were still waiting for a prize in the amateur contest. Think they would be playing yet if nobody would have stopped them. Les must have worn out at least one pipe and we believe the committee should surprise him with a new one.

The chairmen and members of the committee are resting comfortably again now that it's over. All are expected to recover, somewhat grayer but "schmarter."

**CANDIDATE FOR SENATOR
KNOWLES AT WEST BEND**

Lt. Gov. Warren P. Knowles, candidate for the Republican nomination for the office of United States Senator, was at West Bend where he visited business places and met people on the street Friday evening from 6 to 7:30 p. m. A get-together dinner was held at Larry's Supper Club with a fine turnout of 40 persons present.

Prune raspberries every year to avoid disease and insects, says George Klingbeil, University of Wisconsin horticulturist.

It pays to advertise.

**MELVIN MOTHS INVITED TO
VALPARAISO U. CONVENTION**

Melvin L. Moths, Kewaskum, R. I., has been invited to attend the fourth annual campus convention of the Valparaiso (Ind.) Advisory Council July 19-21 as a representative of Immanuel, Town Scott congregation.

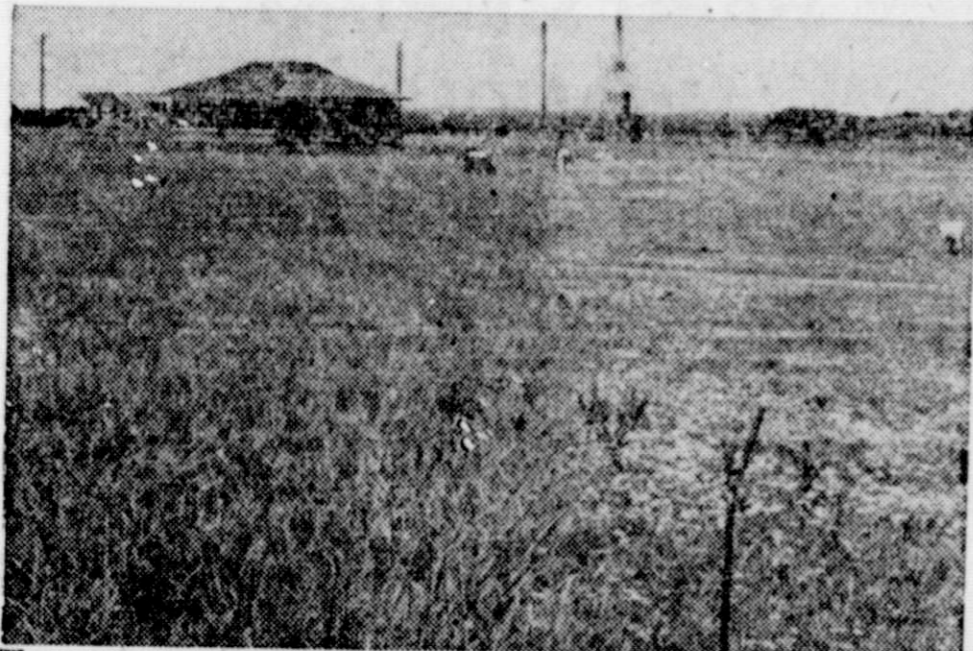

Theme of the convention this year will be, "Why a Lutheran University?" This will be studied by members of the 1750-strong council during the three-day meeting.

From 1946 to 1955 some 491 dairy co-op mergers took place in Wisconsin, reports Leo Garoian, University of Wisconsin farm economist.

—Advertising in the Statesman doesn't cost — it pays!

DRIVE CAREFULLY!

**Chemical and Cultural
Methods of Weed Control**

The pasture on right has been overgrazed and is grown-up with weeds; the deferred pasture on left produced more than double.

In 10 years we have tremendously reduced the time and labor cost of weed control in the majority of crops according to Dr. C. J. Willard of Ohio. In 1952, it is estimated that 9½ million acres of corn and almost 18 million acres of small grain were sprayed for weed control in the United States.

Weed control is not and will not be purely chemical. The fundamental cultural methods of weed control are well-known and will continue to be used.

In addition, methods which depend on competition are extensively used. The control of crabgrass by high-cut, well-fertilized bluegrass, of Bermudagrass by soybeans or cowpeas grown solid, are merely examples. The principle includes practically all crops.

Fertilizers and fertilizer placement here play an important part in weed control. The new band-seeding method of sowing legumes is in part based on fertilizing the crop, not the weeds.

What of the future? In the first place, chemical weed control is a supplement to, not a substitute for cultural methods. Furthermore, with just enough exceptions to "prove the rule," it will

always remain supplementary to cultural methods.

It is clear from this that each growth-regulating chemical will have one kind of action on one plant and entirely different action on the next one. This cannot be overemphasized. Growers have found the failure of many general weed-killing recommendations, made without sufficient checking, an expensive experience.

There are manifold difficulties in herbicide applications after the weeds and crop have become established (post-emergence spraying). To get away from these, a vast amount of work has been done with the application of herbicides to the soil before either the crop seed or the weeds are up.

However, the most serious problem with most pre-emergence herbicides lies in their behavior where rain or drouth is concerned. Most of them will not kill weed seedlings if they are applied on dry soil and no rain follows until after the weeds are established. On the other hand, many of them will kill both the weeds and the crop if too much rain comes between the time of application and the emergence of the crop.

Dundee

The banns of marriage for Margaret Sponsel and Roger Curtis were published Sunday, July 14, at the Trinity Lutheran church. The wedding will be in the near future.

The Ladies' Aid held their monthly meeting in the Lutheran church basement Thursday, July 11. Mrs. Otto Schmidt was hostess. Mr. and Mrs. Sylvester Majesky and children Monte and Susie left Monday, July 15, for Florida where they intend to make their future home.

Mrs. Ralph Hinmann and daughter Carol left Wednesday for their home in California after visiting the past three weeks with the former's mother, Mrs. Kate Ramthun and daughter Vera and other relatives.

The infant son of Mr. and Mrs. Gerald Ramthun was baptized Sunday, July 14, at the Trinity Lutheran church by the Rev. Norbert Mielke and received the name David Gerald. The sponsors were Lavern Hammen and Norman Kutz.

Little Marie Schmidt had her tonsils removed at the hospital Friday.

Mrs. Erwin Lepp entertained a number of little folks at her home Monday afternoon for the pleasure of her daughter Carol's birthday.

Mrs. Emma Heider and son Harry, Mr. and Mrs. Herbert Heider and son Alan were entertained Saturday afternoon and evening at the home of Mr. and Mrs. Harold Bath near Kewaskum for the pleasure of their daughter Susie's birthday.

Carelessness with fire in the forest country of Wisconsin can be expensive with the Conservation Department now billing many people for fire suppression costs. The state charges a low labor cost, \$1.70 an hour per man, but it can add up.

TESCHENDORF LEAVES ON

SOUTH AMERICAN CRUISE

Richard A. Teschendorf, electronics technician seaman, USN, son of Mr. and Mrs. Richard J. Teschendorf of R. 1, Kewaskum, departed from Norfolk, Va., June 19, aboard the battleship USS Wisconsin on a midshipman cruise to South America.

An annual event for Naval Reserve Officer Training Corps students from colleges and universities throughout the country, the cruise is designed to provide the midshipmen with "on the job training" for their future careers as navy and marine corps officers.

Expected ports of call include Balboa and Cristobal, Panama Canal Zone, and Valparaiso, Chile. The giant battlewagon will pass through the Panama Canal twice.

Prior to her departure the Wisconsin took part in "Fleet Week" in Hampton Roads, Va., June 8-17.

SEEFELDT IN GERMANY

Pvt. Merlin E. Seefeldt, 22, son of Mr. and Mrs. August Seefeldt, R. 1, Kewaskum, is serving in Germany with the Second Armored Division. Seefeldt is now a construction specialist in the division's 67th Tank Battalion. He entered the army in December, 1956, and completed basic training at Fort Leonard Wood, Mo.

HAS ADDRESS CHANGE

Here is the latest address of A/3c Charles F. Dreher, son of Mr. and Mrs. Earl Dreher, Kewaskum: A/3c Charles F. Dreher, 16567929, 24th Bomb Sqdn., Walker AFB, New Mexico.

Annual Meeting of Polio Chapter July 22

The Washington County Polio Chapter will hold the annual meeting at the court house in West Bend on Monday, July 22, at 8:00 p. m.

This year the chapter will stress an intensified patient care program which will include plans for reviewing case histories on all polio victims to ensure that everything possible is being done for them in the light of recent research discoveries in the field of medicine and rehabilitation. A special case contact committee will be appointed to assist in carrying out this program for the care of polio patients. It is hoped that this program will supply valuable information for providing a solution to the problems of all handicapped persons. Parents of polio patients as well as all polio patients are being invited to the coming annual meeting.

Francis Strapp, state representative, has been invited and he will have a message of interest for all those who will attend.

Deaths

GUSTAVE LAVRENZ

Funeral services for Gustave Lavrenz of Campbellsport, former town of Auburn farmer, were held Monday, July 8, at 2 p. m. at the Campbellsport E and R church, the Rev. Donald Koehn of Wayne officiating. Burial was in the Auburn cemetery.

Mr. Lavrenz died Friday afternoon at the home of his daughter, Mrs. Alvin Waldschmidt, with whom he made his home. He died of a heart condition at the age of 80 years.

Born June 21, 1877 in Milwaukee, he married Louise Bohlman on Nov. 24, 1904, and resided on a farm in the town of Auburn until 1938 when he moved to the village of Campbellsport. His wife predeceased him on June 15, 1950.

Surviving besides his daughter, Mrs. Waldschmidt, are two sons, Gustave, Jr. of Campbellsport and Albert of Milwaukee; 17 grandchildren, 10 great-grandchildren and a brother Henry of Fond du Lac.

MRS. GEORGE KISSINGER

Mrs. George Kissinger, 66, nee Clara M. Bassill, of 435 Washington st., West Bend, a native of Kewaskum, died at St. Joseph's hospital in that city at 2:35 a. m. Saturday, July 13. She had been ailing for the last six months.

Mrs. Kissinger was born at Kewaskum on Dec. 28, 1890, grew up here, and went to West Bend in 1911. There she was married to George Kissinger on June 23, 1914, in Holy Angels church. The Kissingers made their home in West Bend since that time.

Surviving are her husband, five sons, Leroy of R. 2, West Bend, Alfred, Alois and Robert of West Bend and Jerome at home; nine grandchildren and a brother, Joseph Bassill of Campbellsport. Three other brothers predeceased her.

Funeral services were held at Holy Angels church at 9:30 a. m. Tuesday, the Rev. John Haen, a cousin, officiating. Burial was in the church cemetery.

DRIVE CAREFULLY!

Prices received by Wisconsin farmers for milk sold in June averaged 1 per cent below June last year, according to the Federal-State Crop Reporting Service for Wisconsin. While milk prices showed a slight drop, prices paid by farmers in June continued at the all-time high recorded for April and May.

Modern sprayers and dusters can eliminate all insects in the backyard and add to your family's comfort and enjoyment of outdoor eating.

County Fair to Open July 25

The 1957 Washington County Junior Fair will feature a great many ideas, both new and old, for the public to view. As in the past there will be tremendous numbers of youth exhibits of all kinds in the main exhibit building and they will include clothing, garden material, crops, baking, crafts, fruit, grains and educational booths. In the dairy cattle barns, there will be more cattle than the barns will be able to adequately house. All of these items are cared for during the course of the year by youth members including 4-H clubs, F.F.A. and F.H.A. departments.

This is the opportunity youth waits for during the entire year, to show the public what they have been doing as individuals and as organizations.

Commercial people of Washington county will be bringing in new ideas and techniques as developed during the past year. They will include home appliances, farm machinery, building ideas and gardening ideas, plus a great many oth-

ers. The fair will be showing to the public an all-new electronic oven in the Wisconsin Electric Power company tent. This oven is a new idea that has been brought out by electric manufacturing people, and this will be the first time it has been on display at an event such as this in Washington county.

General Motors is bringing in a big display of General Motors products and ideas sponsored by Butzke Electric company of Jackson. This is a huge display, and will be at the county fair for the public.

Entertainment on the bandstand will include the Hartford American Legion band and the Slinger Community band. It will include a polka band, coming in from north-easters Wisconsin, and will also feature a great deal of local talent in the form of boys and girls of Washington county.

Famous judges will be in the judging rings at the county fair. Harvey Schwartz, nationally and internationally recognized as a dairy cattle judge, will be working in the dairy cattle ring on Saturday and Sunday.

Fred J. Giesler of the University of Wisconsin will be working in the

fat stock judging ring on Friday, and other judges will be at work determining who wins the blue ribbons in the Junior Fair building all during the county fair.

An all new floral show will be in the exhibit building throughout the fair. Home gardeners from all over Washington county will be bringing in their displays to show the public what new ideas have been brought out in designs and what is available to everybody in new plants and flowers.

The Washington County Fair dates are July 25, 26, 27 and 28.

Opening day is on Thursday, July 25. The next three days will be set aside by people of Washington county for fun, new ideas and new information for everybody.

An all new carnival will be at the county fair in 1957.

McKenna's Rides and Amusements will be in operation, with "KIDDIES DAY" scheduled for Saturday afternoon, characterized by

reduced prices for all rides.

A tractor tipping demonstration sponsored by the University of Wisconsin College of Agriculture will appear at the county fair on Sunday, July 28, at 1:30 p. m. The exhibit will show how easily tractors tip over with improper hitches and under improper conditions.

The tractor will be operated at high speed in a circle and will tip over side ways. You will also see the machine tip over backwards on level ground and in conditions similar to ditches on the farm.

The most common cause of tractor fatalities is the tractor tipping over either side ways or backwards. This demonstration shows just how it happens. Jug Head the Dummy smashes his empty glass head at every demonstration.

Jug Head makes sage remarks as he considers the advisability of practicing safety. His career ends when the tractor tips over backwards and smashes his head.

"For Those Backyard Picnics"

PICNICS CAN BE FUN FOR MAMA

Whether you hold them in your own backyard or in front of the fireplace in the living or recreation room, picnics can be year 'round fun. Yes, for Mama too!

Choose a menu for which you can make up most dishes in the morning or even the day before. Then just before picnic time pop food into the oven:

Here's an easy menu that will allow Mom to enjoy the picnic too—ham and cheese stuffed rolls, hot Boston baked or chili beans, buttered corn on the cob (fresh or frozen), relishes, "black cows" for dessert.

CHEESE AND HAM STUFFED ROLLS

- 6 to 8 frankfurter rolls
- 1 cup ground cooked ham or canned luncheon meat
- 1/4 cup chopped sweet cucumber pickles or sliced stuffed green olives
- 1 tablespoon grated onion
- 1 teaspoon Worcestershire sauce
- 6 tablespoons mayonnaise or cooked salad dressing
- 2 cups shredded American Cheddar Cheese

Combine ham with all the other ingredients. Season to taste with salt and pepper. Cut slice off top of each roll, scoop out center (dry for crumbs). Spread with softened butter.

Fill hollow of each roll with mixture. Replace top. Wrap each in aluminum foil, parchment or heavy waxed paper. Refrigerate till needed.

To heat: If rolls are in foil and cooking is being done outside, place on rack over very low coals until roll is heated through. Or with any wrap, place in heated Dutch oven long enough to heat through. Keep over low coals or other heat. Of course, these wrapped rolls may be placed in a moderately slow oven (325 degrees) for heating. Serve in wrappers.
