First Half Champion Kewaskum Chevs to Play Lakes All-Stars In Local Gym This Sunday Night

Thiensville Faces Rivers Stars in 1st Game of Twin Bill

Kewaskum High school's spacious new gymnasium will be the scene of an outstanding basketball attraction this Sunday night, Jan. 19, when the first half champion Kewaskum Chevrolets meet the Land o' Lakes All-Stars and first half titlist Thiensville faces the Rivers All-Stars in the first game of a big doubleheader starting at 7:30 p. m.

Kewaskum was awarded the all-star classic this year as a result of defeating Mayville in the playoff game for the first half title here Sunday night. Had Mayville won the contest the all-star twin bill would have gone to that city. Thiensville clinched the Rivers first half championship by beating West Bend in the final game last week end.

Members of the Lakes all-star squad were selected by the various managers last week and announced by Carl Kuss, West Bend, league director. Stars chosen to the team are as follows:

Griepentrog and Wild, Mayville; Fred Miller and Keil, Beaver Dam; Taylor, Horicon; Don Meisenheimer, John Tessar and Augie Bilgo, Kewaskum; Adams, Cedarburg; Del Renzaglia, Hal Talajkowski and Dick Lorenzen, Hartford, and Smit, Rosendale. Tessar, Taylor and Keil were unanimous choices. Of course, Kewaskum stars chosen to the squad will be playing against them instead of with them in this game.

Players named to the Land o' Rivers All-Star squad include Jim Wiedmeyer, Barton; Ralph Wolf and Buch, Slinger; O'Connell, Witte and Anzia, Thiensville; Dave Engleiter, West Bend; Yerck and Wondra, Campbellsport; Dave Mertzig, Fillmore; P. Madigan, Rosendale, and King and Schutte, Hustisford. Wolf and O'Connell were unanimous choices. The Thiensville players chosen will play against the stars in Sunday's tilt.

Don't miss this annual classic in Kewaskum this year in which you will see the outstanding players in both the Lakes and Rivers leagues perform. A number of them are former university and college players. The first contest will begin promptly at 7:30 and will be immediately followed by the Lakes star game.

Births

Civil Defense Training Planned At Meeting Here

Last Wednesday night at the municipal building in Kewaskum the first in a series of Civil Defense meetings to train CD personnel for Washington county areas was held. The meeting was held to activate a program of training for civilian police for the towns of Kewaskum, Barton, Farmington and Wayne and the villages of Kewaskum and Barton.

Directors in attendance at the meeting were requested to secure volunteers for auxiliary police duty to attend the planned sessions for CD training. The first in the series of training meetings will be held on Thursday, Jan. 23, at 7:30 p. m. to plan the training program and future sessions.

At the meeting here Wednesday it was pointed out that the Civil Defense program is not a "government project," but a civilian undertaking which must be carried on by the people themselves for their own safety and defense and their own survival in the case of an emergency.

Attending the local meeting were Ray Storck, county civil defense coordinator; Marvin A. Martin, CD director of this village; A. W. Juech, CD director of West Bend; Donald A. Koerble, town of Kewaskum; Orville Kern, town of Wayne, and Police Chiefs Roland Pledl of Kewaskum and Carl Mayer of Barton.

Melvin Riley, CD director of the town of Farmington and Robert Rosenthal, director of the town of Barton, were unable to attend.

Driver Rams Into Two Parked Autos

Two cars owned by village residents which were parked on Fond du Lac ave. were badly damaged at about 5 a. m. Friday when they were struck by an auto driven by Carl Saueressig, 23, of 163-A Division st., West Bend, and owned by his mother, Mrs. Helen Saueressig.

Saueressig was southbound on Fond du Lac ave. when he lost control of his vehicle, which crossed the highway and struck two cars parked at the curb on the east side of the street. The autos were owned by Cal Bowe and Ray Skrentny, both of Kewaskum. Damage to the two cars was estimated at \$1,500.

Following the crash Saueressig drove his machine away from the scene. He traveled west on Forest ave. and stopped on the L. Rosenheimer parking lot. Because of damage to his auto he was unable to drive any farther. Later he was arrested for reckless driving.

Pearl Lund, 25, of R. 1, Kewaskum, sustained a knee injury and Sandra Lund, 5, suffered a head injury in a two-car collision at 12:30 p. m. Sunday on a town road about a half mile west of the Club 44 in the town of Barton. The accident happened when a car driven by Angèle Leo Hayes, 57, Manitowoc, made a left turn directly in front of a car driven by Max Lund, 30, R. 1, Kewaskum.

Jac. Schaefer, Others Pass On

Jacob Schaefer, 75, of 1009 Summer st., West Bend, a salesman for the West Bend Lithia company for 20 years before his retirement about six years ago, passed away at St. Joseph's hospital, West Bend, at 2:30 a. m. Thursday, Jan. 9. He had been ill since November of last year.

Born in the town of Kewaskum Nov. 4, 1882, he spent his entire lifetime and was well known in this area. Mr. Schaefer and the former Ella Butzlaff of the town of Kewaskum were married at Peace E and R church in Kewaskum on May 8, 1909.

Surviving are the widow, three sons, Leroy of Clearwater, Fla., Ellsworth and Earl, both of West Bend; three grandchildren, two great-grandchildren, and a brother, August Schaefer of Kewaskum.

The Rev. W. P. Sauer officiated at funeral services in St. John's Lutheran church, West Bend, at 2:30 p. m. Saturday, Jan. 11. Burial took place in Washington County Memorial Park, West Bend. The body was in state at the Techtman-Myrhum Funeral home from 2 p. m. Friday to 10 a. m. Saturday and at the church from 11 a. m. to the time of services.

CHARLES F. RAMTHUN

Charles F. Ramthun, 79, a Kewaskum native, died suddenly at his home at Shawano at 4 p. m. Wednesday, Jan. 8.

Mr. Ramthun was born Dec. 7, 1878 in the town of Kewaskum and went to Shawano in 1899 to work for his brother-in-law, Herman Heller. He also worked at the Wolf River Paper and Fiber Co. for more than thirty years, retiring in June 1949.

On Jan. 1, 1908 he was married to (CONTINUED ON PAGE TWO)

GILBERT REINDL TO OPEN APPLIANCE REPAIR SERVICE

After taking a course through a correspondence school, Gilbert Reindl received his diploma from the National Radio Institute, Washington, D. C., and will open an appliance repair service at his farm home 1 1/2 miles southwest of Kewaskum.

He will be able to repair all portable appliances such as electric toasters, irons, mix masters, hot plates, coffee makers, fry pans, fans, waffle irons, vacuum cleaners, roasters, clocks, small electric tools and electric table, bed, dresser, desk and heat lamps.

FARM GARAGE-SED DAMAGED IN BLAZE

On their first call in 1958 the Kewaskum firemen were summoned to the Schmitt Brothers farm on Hwy. 28 about eight miles west of Kewaskum at about 12:40 p. m. Sunday to put out a threatening blaze.

The fire caused approximately \$1,000 damage to a combination garage and shed on which about half of the roof was destroyed. Members of the fire department extinguished the flames and remained at the scene over two hours keeping the fire from spreading to nearby buildings.

Village Has Only 4 Fire Calls, No Property Damage

BYRON MARTIN RETIRES AS ACTIVE FIREMAN, PLACED ON HONOR ROLL

At the regular monthly meeting of the Kewaskum fire department Thursday evening Chief Harry Schaefer disclosed that the department had only 12 fire calls throughout the entire year of 1957 and only four of these were in the village. There was no property damage at all in the four local fires.

This is a new low in the number of fire calls during a full year's time and an outstanding record for a village of the size of Kewaskum. The department has been commended by the state fire rating bureau for its excellent record. The community is also to be congratulated for its caution in preventing fires.

Byron Martin retired as an active fireman after being a member of the department for the past 32 years. It was unanimously decided to place him on the department's honor roll. There are two other living members on this honor roll at present, namely August Buss and John H. Martin.

Other business at the meeting included the annual payroll to the firemen, arrangements for the Badger Firemen's Association bowling tournament at Grafton in February, and organizing a firemen's basketball team to play the Kiwanis club in the preliminary game to the Texas Cow Girls—Kewaskum Chevs contest on Feb. 8. The association's annual banquet will be held at Random Lake in March.

The meeting was followed by the firemen's annual party, with members of the local auxiliary police units, police and traffic officers, village board members and a few others as guests. A delicious spread of roast turkey, baked ham, roast beef and raw beef, and refreshments were served. About 70 random shot pictures were taken during the party by several camera bugs in attendance.

Many valuable prizes donated by businessmen were given away to the lucky firemen whose names were drawn. The firemen wish to thank the firms and business places who donated prizes as well as the taverns and individuals who donated refreshments.

LANDMANN INSTALLED AS F & A. M. OFFICER

Paul N. Landmann, Worshipful Master, of Kewaskum, headed a list of officers installed at a joint program of the West Bend Chapter No. 73, Order of the Eastern Star, and the West Bend Lodge No. 138, F. and A. M. at the Masonic Temple in West Bend last Thursday evening. Officers were installed by both organizations.

Hospital News

Earl Manthei, Kewaskum, entered St. Joseph's hospital, West Bend, Thursday, Dec. 9, and underwent a major operation on his leg Friday. He will be confined to the hospital another week or two.

Holstein Breeders of County to Meet Jan. 21

Washington county Holstein breeders will hold their annual meeting in the city of West Bend, Jan. 21. This is the meeting at which time they will have information, subjects, elect officers, have a lunch, and in general a get-together for the good of everybody concerned. The main speakers on the program this year will be Robert Niedermeier, research worker at the University of Wisconsin; Charles Brace, fieldman of the National Holstein Breeders association; and a "look back and ahead" at the Holstein sire program in Washington county.

The Holstein breeders of Washington county would like to extend an invitation to any Holstein breeder who is at all interested in becoming a member of this organization. They feel that any person who has a purebred cow or is thinking of going into purebreds, will want to become a member of this organization and take part in as many activities that are conducted during the course of a year. Other breed owners are also cordially welcome to come in and take part in this annual meeting. The present officers are: President, Edward Melius; secretary, Albert Kuenzi.

They will serve a free lunch to those who attend following the meeting. The meeting will be in the Wisconsin Electric Power Company meeting room, 337 N. Main St., West Bend. (Please use the Division street entrance.)

Our Police Chief Says

In 1957 Kewaskum had 33 traffic accidents in which there were 9 injuries and \$6,320.00 in property damage to automobiles. In the previous year of 1956 there were 27 accidents totaling \$6,650.00 in property damage. Although there were more accidents in 1957 the property damage was lower than the year before. Let's resolve to improve on these records in 1958. Drive carefully, slow down and live.

Deaths

(CONTINUED FROM PAGE ONE)

Anna Mahl of Shawano, who passed away March 29, 1953. He was a member of the Peace Evangelical and Reformed church of Shawano, where funeral services were held at 2 p. m. Saturday, with Rev. Warren Mueller officiating. Burial was in Woodlawn Cemetery, Shawano.

He is survived by one daughter Elfrieda (Mrs. Allen Koepke) of Fond du Lac and many relatives and friends from this vicinity.

Those who attended the funeral on Saturday were: Mr. and Mrs. Harvey Ranthun and son Harvey, Mr. and Mrs. Myron Perschbacher and Miss Amalia Seefeldt of Kewaskum; Mr. and Mrs. Arnold Klug and Mrs. Fred Bassill of West Bend and Mr. and Mrs. Edwin Klumb and son Elmer of Kohlsville.

MRS. JOHN JANZ, SR.

Mrs. John Janz, Sr., nee Wilhelmina Mueller, 90, formerly of West Bend, died at Slinger Friday, Jan. 10. She was a step-mother of Jacob Janz of Kewaskum.

Mrs. Janz was born at Cedarburg on Sept. 30, 1867 and later was a West Bend resident for 36 years. She married Mr. Janz in the town of Polk on June 12, 1905 and he died in 1922. They were the parents of three children, one of whom, Arthur of Barton, survives. Two other step-children, four grandchildren and a great-grandchild also survive.

Dr. Harry Baumer officiated at funeral services in Immanuel E and P church, West Bend, at 2 p. m. Monday. Burial was in Union cemetery there.

Cheese has been an American favorite since the days of the Pilgrims, says Helen Strickland, nutritionist of the Wisconsin Department of Agriculture. She says natural cheese is a colorful and flavorful food, but also very versatile. It is equally at home in casseroles, with meats, salads, or desserts. In fact, many old favorite recipes become a gourmet's delight by adding a bit of cheese.

County-Wide Meeting of Farm Bureau Announced

The Farm Bureau of Washington county recently announced a county-wide meeting to inform dairymen on exactly what's happening in the dairy field research program as it pertains to marketing of milk.

Recently a lot was heard about a new product being developed at the University of Wisconsin. This is a milk concentrate that may be sold without refrigeration. Dairymen are interested in this kind of thing and interested in more information about their marketing program, and what they as individuals can do about it. The Farm Bureau board of directors recently made the decision to set up a meeting in Washington county and invite the entire farm population of Washington county to come in and take part in this session.

On the program will be information on Farm Bureau insurance, Farm Bureau mill, a look at farmer owned and operated cooperatives, and the main topic of the evening—The Milk Sterile Concentrate.

Whether you are a Farm Bureau member or not makes no difference, you are still welcome at this meeting and the Farm Bureau board of

directors would like to take this opportunity to invite every farmer and dairyman to this meeting to find out for himself what is going on in the research field.

The meeting will be held in the Jackson town hall, Jackson, Tuesday, Jan. 28, at 8:00 p. m.

IRON FIREMAN CO. ACQUIRES TIMKEN, DEALER ANNOUNCES

The Timken Silent Automatic Division of Scaife Company, Pittsburgh, Pa., has been acquired by Iron Fireman Manufacturing Co., Cleveland, O., effective Jan. 1, 1958. It was announced Saturday, Jan. 11. This equipment is distributed locally by Comfort Heating, headed by Erich F. Jeske, owner.

Under this new arrangement, Iron Fireman will manufacture and

market the Silent Automatic line of equipment, which includes residential oil and gas-fired burners, furnaces and boilers. The Iron Mfg. Co., established in 1923, is a leading manufacturer of residential, commercial and industrial heating and power equipment with plants in Cleveland, Portland, Ore. and Toronto, Canada.

Commenting on this new development, Lewis J. Cox, Iron Fireman president, said, "We are very pleased that we were able to acquire the Timken Division from the Scaife Co. Their products are well established and enjoy an excellent reputation in our industry. Their experienced dealer organization is well qualified to serve users and prospective users of Silent Automatic equipment."

The use of money is all the advantage there is in having it.

Indians Tip Hustisford, Maintain 1st Place Tie

A four-way tie for first place was broken in the Tri-County conference Friday night with Oakfield being upset by North Fondy while Rosendale, Campbellsport and Kewaskum posted victories to remain deadlocked for the top spot in the jammed standings. Each has won 4 and lost 1.

The Indians won at Hustisford, 52-36. The margin of victory was too big considering that Hustisford is the last place and has not won a game to date. Kewaskum won with two big quarters, the first and third. They built up a comfortable 16-5 advantage in the initial period but Hustisford played them on even terms in the second stanza as each scored 11 points. This brought the half-time count to 27-15.

The winners went well ahead in the third quarter by outscoring the opponents 13-4 and making the score 40-20. But the losers rallied some in the final period, accounting for 16 points to Kewaskum's 12 to

bring the final outcome to 52-36, a margin of 16 points.

Jerry Oppenorth and Mark Rodenkirch were the big point makers for the Indians with 16 and 15 respectively. Nigh chipped in 10 and Norm Rodenkirch 7. The Hustisford scoring was evenly divided with top honors going to Grulke who made 9 points. The losers sank 18 free throws and Kewaskum 13.

On Friday night of this week the Indians entertain fifth place Lomira which has won 2 and lost 3. Next Tuesday they have a tough one at North Fondy, which team has an identical record.

TRI-COUNTY STANDINGS

	Won	Lost
Kewaskum	4	1
Rosendale	4	1
Campbellsport	4	1
Oakfield	3	2
Lomira	2	3
North Fondy	2	3
Brandon	1	4
Hustisford	0	5

Scores last Friday—Kewaskum 52, Hustisford 36; Campbellsport 65, Brandon 51; North Fondy 86, Oakfield 67; Rosendale 50, Lomira 49.

INDIAN FRESHMAN TEAM NOSED OUT BY WEST BEND

The West Bend High school freshman basketball team, nosed out the Kewaskum frosh in a game last Wednesday afternoon, 36-34. West Bend had a tough battle all the way and had to play one of their best games of the season to squeeze out a win.

Both teams shot poorly from the free throw line. West Bend made only 2 of 16 free throws while Kewaskum sank but 6 of 18. Mike Weber led the winners with 12 points. Point leaders for Kewaskum were Sadownikowa with 14 and Johnson with 8.

Other Kewaskum freshmen included Falk, Berg, Koch, Bartelt, Fickler and Cooke.

RED CROSS TO HOLD CLASS ON MOTHER AND BABY CARE

An evening class on mother and baby care will begin on Tuesday, Jan. 28. The course is being offered by the Red Cross chapter and the class will meet from 7:00 to 9:00 o'clock in the West Bend Library building, second floor. Mrs. Harold Fischer, R. N. will be the instructor.

There are six lessons in the series and the class will decide on the

evenings most convenient to them for the remaining five sessions. Discussion of infant and maternal care and demonstration of the baby bath will be part of the content of the course.

Parents, mothers, grandmothers, and any one interested in the care of the mother and baby may register by calling the Red Cross office, Fed. 4 - 5687 or Mrs. Fischer, Fed. 4 - 2175, West Bend.

Wisconsin's 1957 potato crop had a farm value of nearly \$13,000,000, according to the Federal-State Crop Reporting Service for Wisconsin.

Around the Town

The holidays are now officially over. Village trucks hauled away the discarded Christmas trees this week. Christmas trees should not be kept up long as every day the tree gets drier and the fire hazard becomes greater.

We were sorry to learn of the passing of Jac. Schaefer the past week. Congenial Jake, a town of Kewaskum native who married a Kewaskum girl, was a retired West Bend Lithia Co. salesman. Thinking of him always brings back the days when he would come to town early each month to make collections for the brewery and spread cheer in the taverns. Residents for miles around made it a point to be in town the day Jake was coming. Some would follow him from saloon to saloon (excuse the expression but that's what they were called in those days) and say "prosit" all day, whatever that means.

The Kewaskum dance class made quite a hit in their appearance on television Saturday afternoon on "Dance Party" over channel 6, Milwaukee. The 40 or more dancers did very well and even the announcer referred to them as an exceptional dance group. The view of the young people was real clear and they were easy to spot. During the program each couple was introduced at close range to the camera providing an excellent view for those who couldn't identify them while dancing or otherwise. Some of the group participated in a contest and others had an opportunity to dance with Arthur Murray instructors who gave dancing exhibitions on the hour-long program. Those kids can really dance, whether it is the stroll, the hop, the cha cha or what have you? All of the young people are those who took ballroom dancing lessons from Mr. and Mrs. Ned Sengpiel last year. The Sengpiels did a remarkable job and cannot receive enough credit for giving up their time and effort gratis in teaching our teenagers to become fine dancers. Our only regret was that they weren't interviewed and publicly thanked on TV. Not only

most local viewers but a television audience from throughout the area and entire state watched the program. A job well done.

If you saw a bunch of odd looking characters with great big heads running around last Friday morning (or afternoon) they weren't men from Mars. Just firemen and auxiliary police members who survived the fire department's annual party Thursday night. Of course, we're kidding now. The party was a real wing-ding affair—as usual. Roast turkey baked ham, roast beef (and raw beef for the real he-men) were served. Chefs Stelplflug and Weddig really pushed out the food. There wasn't such a variety of refreshments but they were more plentiful. The food was out of this world and some of the firemen almost were the next day. Many dozens of pictures were taken at random (and we really mean random) of the goings on by four shutterbugs who brought along their cameras and sneakily flashed away. We'd like to see these pictures and so would the wives. Heard the slides will be shown at the February meeting. To get on the good side of the wives we suggest the firemen also throw a party for them once a year, say before Christmas, like many neighboring departments do. Another suggestion is that the party be changed to Saturday night.

See where President Eisenhower

presented to Congress Monday the highest budget in peacetime history—73 billion, 934 million dollars. At least it's in round figures—no pennies involved. At the same time a 39 billion, 779 million dollar defense spending budget was sent to Congress. The above figures were taken in stride and created no alarm but when Ike also asked for a 5 cent postage stamp on letters to replace the 3 cent stamp that was termed as the biggest surprise in history's budget.

Our congratulations this week go out to Mr. and Mrs. Ned Sengpiel for their successful dancing class instructions, to Byron Martin for being placed on the fire department's honor roll, to the Kewaskum Land o' Lakes basketball team, league champions for the last three years, for again winning the first half title, to John Tessar, league scoring champion and Donald Sell for catching the most fish on Lake Winnebago (?).

Washington County 4-H Club Agent

4-H means many different things to many different people. To some it means a chance to learn new skills, to others it means a chance to meet new friends, to others it means a chance for fun, still others look upon it as a chance to develop character, citizenship and leadership ability. Yes, 4-H is all of these things. Any boy or girl is able to take part in 4-H. Jan. 11-18 is "Join a 4-H Club Week." That is the time for you to see your 4-H leader or member and find out about joining a club in your neighborhood and getting to take part in all these 4-H activities.

I enjoyed meeting with the officers and leaders of the Kewaskum club last week, to plan their 1958 activities. The officers of the club are: President, Aldwin Seefeldt; vice-president, David Schaefer; secretary, Rosalie Ewert; treasurer, Carol Bier, and reporter, Muriel Seefeldt. Planning ahead like this allows the club to take part in the activities that are of most interest to them and lets them have committees of members work on it in advance so that they get the most fun and good out of the activities they take part in.

If you have an auto accident, the odds are almost even that you were exceeding the posted speed limit at the time, according to the Institute for Safer Living. Too much speed is a factor in nearly 40 per cent of all fatal accidents.

Cereal Cookies 'n Milk

An interesting new way to fill the much-used cookie jar is with cookies made with cereals, such as oatmeal, corn flakes, and wheat flakes. When the cookies are served with tall, cold glasses of milk they are doubly tasty and appetizing.

From the budget angle, cereal and milk make a worthy team, since both are economy foods. For example, in an average breakfast serving the cereal costs about a cent and a half, and the milk costs around three cents.

It is easy to see that milk is a bargain-priced food, for statistics show that 15 cents of the food dollar is spent for dairy products and in return 25 per cent of our food is obtained. Milk's remarkable food values are what make it a bargain food and justify milk being commonly referred to as the "most nearly perfect food" and "nature's best in food."

The whole family will enjoy date-filled oatmeal cookies, corn flake macaroons, and oatmeal-wheat flake cookies served with tall, cold glasses of milk.

DATE FILLED OATMEAL COOKIES

9-inch square pan 3 doz. cookies
 350° 25-30 min.

FILLING:
 1 pound dates, chopped
 1 cup sugar
 ¼ cup water

Cook dates, sugar, and water until of a jelly-like consistency.

CRUST:

1 cup flour, sifted
 1 teaspoon baking powder
 1 cup brown sugar, firmly packed
 2 cups rolled oats, uncooked
 ¼ cup melted butter

Sift flour and baking powder together. Add brown sugar, rolled oats and mix. Pour melted butter over this and blend. Divide into two portions. Pat half of this mixture into the bottom of a 9-

inch square pan. Cover with date filling. Top with the remaining portion. Bake at 350° for 25-30 minutes. Cut into squares immediately after removing from the oven. Cool before removing from the pan.

CORNFLAKE MACAROONS

4 doz. cookies 275°, 1 hour
 3 egg whites
 1 cup sugar
 1 cup shredded coconut
 ½ cup chopped almonds
 1 teaspoon almond extract
 3 cups corn flakes

Beat egg whites until stiff. Add sugar and continue beating until stiff again. Add coconut, almonds, and almond extract. Fold in corn flakes. Drop by teaspoonsful on cookie sheets covered with brown paper. Bake at 275° for 1 hour.

OATMEAL-WHEAT FLAKE COOKIES

6 doz. cookies 375°, 12-15 min.
 1 cup butter
 1 cup brown sugar, firmly packed
 1 cup granulated sugar
 2 eggs

2 cups flour, sifted
 1 teaspoon baking powder
 1 teaspoon baking soda
 ½ teaspoon salt
 2 cups quick rolled oats, uncooked
 1 cup wheat flakes

Cream butter with brown and granulated sugar. Add eggs and mix well. Sift baking powder, baking soda, and salt with flour. Stir into creamed mixture. Add cereals and mix well. Drop by teaspoonsful on a buttered cookie sheet. Bake in a 375° oven for 12-15 minutes or until the cookies are brown.

Parents are generally aware of their children's need for milk, but they should not overlook the fact that adults need milk as well. To maintain the body in a healthy condition, milk is necessary in the diet throughout life. Studies show that adults should consume three glasses of milk a day or the equivalent in cheese and ice cream.

Success Story: Thousands of Polio Victims Try Comeback

Blonde little Wanda Bradley, now going on six, has a wonderful success story to tell her playmates these days in her home town of Alexandria, La. It's the kind of success story Americans everywhere can be proud of, for it was made possible by their donations to the March of Dimes.

On June 8, 1956, when Wanda was only four, she was struck down by spino-bulbar polio. Paralysis affected her limb muscles. Worse, she couldn't breathe. Her survival depended on an iron lung, which was rushed to her aid by the local chapter of the March of Dimes organization.

Changes to Rocking Bed

Later, as her lung muscles gained strength, she was graduated to a rocking bed, another device to help her breathe. Still, this kind of survival wasn't enough—not in this day when medicine and research have devised new and advanced techniques to help the polio-disabled stage a comeback to near-normal, happier lives.

Through physical therapy in the hospital and at home, Wanda's leg muscles were re-educated to function again. At first she needed braces. Now she has tossed them aside. She walks and runs again. For Wanda and her family the future now holds great promise.

Wanda is only one of thousands of patients, children and adults, who are making partial or complete comebacks from crippling polio.

More Still Need Help

March of Dimes volunteers, now engaged in the organization's annual fund drive, will tell you that many more remain to be helped. The accent now, with the great decline in new polio cases, is to give these patients all possible

rehabilitation aid. The program is called Operation Comeback.

The March of Dimes will tell you that 300,000 living Americans have had paralytic polio and that one out of three still have disabilities that can be benefited by rehabilitation.

The techniques that have been developed only within the past five or six years could, if they were applied to "old" polio cases, bring relief to many thousands who are now helpless or despairing of ever becoming useful human beings again, the March of Dimes organization believes. Better, more efficient arm-bracing alone, for example, is needed by more than 50,000 past victims of polio. Such improvements can make "all the difference in the world" in the lives of these handicapped Americans.

However, it's not done overnight and the costs are high. Last year, for example, \$21,700,000 in March of Dimes funds were needed to give care and rehabilitation to 57,800 polio victims. Only 4,800 of these were new cases. The others had suffered polio in previous years.

This year the March of Dimes has allocated \$21,100,000 for polio care and Operation Comeback. Until the polio-disabled have been given the maximum aid possible in rehabilitation, it can't be complacently said that polio is a thing of the past.

1 June, 1956: Iron lung keeps 4-year-old Wanda alive.

2 As soon as her lung muscles improve, physical therapy is begun.

3 Therapist helps the child re-educate affected muscles at mealtime.

4 Sept. 13, 1956: Going home!—thanks to the March of Dimes.

**WORLD FAMOUS TEXAS COW GIRLS TO
PLAY KEWASKUM LAKES TEAM FEB. 8**

**Firemen to Take
On Kiwanians in
Preliminary Game**

The Land o' Lakes champion Kewaskum Chevrolets will offer a fabulous basketball attraction in the new high school gym on Saturday night Feb. 8, when they have booked a game with the world famous Texas Cow Girls, champions of the female world.

As an added attraction for this entertaining evening a game(?) has been arranged between the Kewaskum firemen and Kiwanis club in a preliminary to the Cow Girls contest. The first game will get under way at 7:15 p. m. and the feature exhibition will start about 8:30 o'clock.

The Texas Cow Girls are made up of All-American girl players assembled from all sections of the U. S. They excel in speed, passing and showmanship and have defeated some of the best clubs in the country. The ease and finesse with which they handle the ball and score is amazing and they are great crowd pleasers.

Their costumes are made up of the traditional cow-girl attire complete with holsters and six shooters and they can handle the lariat and pistols as well as the ball. The show is very colorful and entertaining. An entire show will be presented during the half-time.

The Cow Girls are undefeated against female competition, playing regulation men's professional rules. There is a \$5,000 standing offer as a challenge to substantiate the

**Kewaskum Chevs Beat Mayville in
Playoff for First Half Title, 89-80**

**TESSAR STANDS OUT AGAIN
WITH 36 POINTS; LARGE
CROWD ATTENDS GAME**

The Kewaskum Chevrolets, Land o' Lakes basketball champions the past three years, pocketed the 1957-58 first half crown Sunday night here when they defeated a strong Mayville team, 89-80, in a playoff for the title.

A crowd of over 300 fans, one of the largest to see a Lakes game in Kewaskum, attended this important championship playoff game. It was an enthusiastic crowd which included many persons from other cities in the league. There was a very good sized delegation of Mayville followers on hand. The spacious new gym was pretty well filled.

The local crowd was not disappointed as a determined, veteran Kewaskum squad came through like real champions can with the

world's greatest dribbler and free throw champion who challenges a member of the community to shoot in this act.

With clever ball handling, adept shooting and dribbling combined with comedy and laugh getting abilities these girls have won 80% of all their games against good men's teams. The Cow Girls average 40,000 miles of travel per season and play from coast to coast and into Canada. They have played in 36 states in the nation's top arenas and gyms including Madison Square Garden, Convention Hall in Philadelphia, Boston Gardens, Milwaukee Arena and many others. They average 160 games per season.

The girls have played numerous games on the same card as the National Professional Basketball league teams and against many football teams including the Green Bay Packers. Largest crowd they performed before was 13,800 in Madison Square Garden.

This will be a real twin bill basketball attraction you can't afford to miss. The preliminary tilt between the firemen and Kiwanians will also provide comedy antics.

chips down to sew up the title. The win avenged a setback at Mayville the week before which tied up the first half race and necessitated the playoff.

With the first half crown at stake and the opportunity to host the all-star game and play the stars of the league as an added reward, the Chevs were not to be denied. Kewaskum was ahead by 5 or 6 points through most of the tilt although the visitors managed to go ahead by one point momentarily in the third quarter. The Chevrolets led by 7 points, 25-17, at the quarter but Mayville narrowed the gap to 47-42 at halftime. The losers trailed by only 4 points, 69-65, at the third period's end but Kewaskum spurted in the final stanza to cop by 9 points. It was a well played game by both teams.

Although they guarded him as best they could, Mayville's downfall was provided again by John Tessar, the loop's perennial scoring champion. Tessar was sensational once more as he paced his team with 36 points, made on 15 field goals and a half dozen free throws. All of the winners' scoring was done by 5 men, the 4 behind Tessar all contributing much to the total. Augie Bilgo had 15, Bob Stenman 14, Don Meisenheimer 13 and Frankie Krueger 11. Bilgo and Meisy were bearcats on rebounds and Stenman played a fine all-around game.

The scoring leaders for the strong challenging Mayville team were Genzmer, who played ball at Wisconsin, with 19 points, Zimmerman Hawith 18, Griepentrog with 15 and Harvey with 14. The Chevs sank 19 free throws and Mayville 18, so there was little difference in that department.

And now on to the second half which will open a week from Sunday, Jan. 26, with Cedarburg playing

at Kewaskum. This Sunday the between halves all-star contest will be played here with the Chevs meeting the stars of the other teams in the circuit. In the preliminary Thiensville, Rivers first half titlists, will meet the all-stars of that loop starting at 7:30 p. m.

TAP Program at School Underway

STUDENTS WILL SELL BLUE CRUTCHES, HOLD RECORD HOP IN POLIO DRIVE

The Teens Against Polio drive will soon be underway in Kewaskum under the leadership of the local chairman, Pat Edwards.

All of the student council members of Kewaskum High school will sell blue crutches on Tuesday, Jan. 21, at school. Numerous students will be out on the streets all day Friday and Saturday, Jan. 24 and 25, to sell the crutches and accept contributions towards this most worthy cause.

Saturday night, Jan. 25, a gigantic record hop will be held at the new high school gymnasium from 8 to 11 p. m. Admission prices are set at 75 cents per couple and 50 cents a person. This hop is more or less intended to draw just the teenagers from around this area but on Feb. 8 at West Bend McLane school, a large county-wide polio ball will be held. This grand semi-formal dance will be for every couple in the county from teens to oldsters.

Be sure to support the Kewaskum drive with all your heart and generosity so that the local school can be ahead of our four rival schools which make up the Washington County Youth Council.
