Kewaskum, Bells Win Tourney Openers, Meet for Sub-District Championship Friday Evening

Indians Swamp Random Lake in Meet Here, 71-28

WINNER WILL ADVANCE TO
DISTRICT TOURNAMENT
AT WESTFIELD

Kewaskum and Campbellsport won opening games in the W.I.A.A. sub-district tournament play in Kewaskum's new high school gymnasium Tuesday night and will meet for the sub-district championship at 8:30 p. m. Friday night. The winner will advance to the district meet at Westfield next week.

The Bells defeated Lomira, 50-44, in the opening game of the tourney and Kewaskum ran wild over Random Lake of the Kettle Moraine conference in the nightcap, 71-28. The losing Lions and Rams will face each other in the first contest at 7 p. m. Friday for consolation honors.

The spacious gym was pretty well packed for the tournament games, the first in history to be played in Kewaskum. The bowling students and fans of the four schools had the gym rocking with racket as they went all out for their teams. Although Kewaskum, the host school, naturally had the largest crowd of followers, there was more noise in the first game. This was close, while the Indians were so far ahead of Random that cheers were not necessary.

The crowd should be larger and even noisier Friday with the Indians meeting their rivals for the championship. They split with the Bells in the two meetings during the regular season, each winning the home game. Kewaskum tied for second place in the conference standings while Campbellsport ended up in fifth. So the Indians should be rated a slight edge, although anything might happen.

The Bells and Lomira put on an exciting battle in the meet opener and Campbellsport had to come from behind to pull the win out of the fire. The Lions led 8-7 at the quarter and scored 16 points to 7 for the Bells in the second period to pull ahead to a comfortable 23-15 advantage at halftime. But the Bells came to life in the second half, tallying 12 points to the Lions' 6 in the third stanza and narrowing the gap to 29-27. In the high scoring final quarter Campbellsport swished in 23 points and Lomira only 15 to lose by 6 points.

Joe Dreikosen scored 18 points for the Bells, followed by Dave Scheid with 14. Bill Ries was tops for Lomira with 13 and Donald John chipped in 11.

With Kewaskum red hot and Random Lake providing little opposition in the second game, the Indians won in a walk-away. Coach Ernie Mitchell's boys couldn't miss and went far ahead right from the start. They led 20-6 at the quarter and 43-11 at halftime, scoring 23 points in the second period to only

Mrs. John Kuehl Of Village Dies

Mrs. John Kuehl, 74, nee Dora Bertha Herman, of Kewaskum passed away at her home on Prospect ave. on Saturday, Feb. 22. She had been ailing for some time.

Mrs. Kuehl was born on Oct. 1, 1885, in the town of Theresa, Dodge county, a daughter of the late Mr. and Mrs. Valentine Herman. Her marriage to John Kuehl took place on Nov. 6, 1906 in that township. The couple came to their present home in Kewaskum 10½ years ago.

Six children were born to the couple, two of whom predeceased their mother. A son Reuben died in infancy and another son Lester was killed in action in 1944 while serving in France during World War II. Surviving together with the husband are three sons and a daughter, Roman of R. 3, Campbellsport, Winona (Mrs. Leroy Stream) of Sheboygan Falls, Marvin of West Bend and Elmer of Campbellsport. She also leaves 12 grandchildren, eight great-grandchildren, one sister, Mrs. Elizabeth Zindahl of Allenton, and one brother, George Herman, of the town of Wayne.

Mr. and Mrs. Kuehl celebrated their golden wedding anniversary on Nov. 6, 1956.

The body was in state at Miller's Funeral home from 2 p. m. Monday until 11 a. m. Tuesday when it was taken to Salem Reformed church, Wayne, to lie in state from 12 noon until the time of services at 2 o'clock. The Rev. Donald Koehn officiated and burial was in the parish cemetery.

5 for the Lakers. With a 32-point cushion to start the second half, the Indians continued on their merry way, scoring almost every time they got the ball. Kewaskum coasted in the second half with substitutes seeing much of the action. They were ahead by 37 points, 59-22 at the end of the third stanza. The Mitchellmen also outscored the Rams in the final quarter, 12-6, to bring the final count to 71-28, a margin of 43 points.

The team played one of their best, if not the best game of the season and it is hoped they have some of it left for Friday, when the points will be needed. The Rodenkirch brothers, sophomore Norm and senior Mark, had outstanding nights scoring 21 and 20 points respectively. Dave Nigh contributed 11 points and Jerry Opgenorth was held to 8, a low for him, but he was busy feeding the other scorers. Top scorers for Random were Ken Kohl with 10 points and Dick Gluck and Jerry Mueller with 6 apiece.

Four Tri-County conference teams also competed in sub-district meet at North Fondy Tuesday. Rosendale nosed out North Fondy, 51-48, and Oakfield shaded Brandon in overtime 64-59. The winner there will also go to Westfield.

Need More Donors For Blood Clinic Here Next Friday

GOAL 100 PINTS FOR MOBILE
UNIT'S VISIT TO HIGH
SCHOOL MARCH 7

Many more donors are still needed for the blood clinic when the mobile unit visits Kewaskum next Friday, Mar. 7. Volunteers are urged to register as soon as possible as the time is getting short. It is hoped that local residents can match the success of the recent mobile unit in West Bend.

The blood clinic here will be held between 1 and 6 p. m. in the new Kewaskum High school gymnasium, it was announced this week by Henry Rosenheimer, chairman of the event, and a director of the Community Donor club. Goal for the unit will be 100 pints of blood.

Patients who are residents of the Kewaskum community have used 140 pints of blood from the Community Donor club "bank" since the last mobile unit was held in the village in August of 1957, it was pointed out. All residents of the area are automatically entitled to the service of the blood program.

The Kewaskum Woman's club is assisting with the campaign and the women's group of Peace E and R church will prepare and serve refreshments to the donors.

Donors may make appointments for the mobile unit by phoning Mr. Rosenheimer, Kewaskum 29; Mrs. Roland Pledl, 160-R, the municipal building 94, or any woman's club member. Donors should also state what time would be convenient for them to give blood. To reach the goal of 100 pints, at least 125 to 150 signers will be required.

Repeat donors and as many new ones as possible are being sought.

Donors who were originally scheduled to contribute at the mobile unit in West Bend on Jan. 31, then had to cancel appointments because of colds or other reasons, have been urged to register for the Kewaskum clinic. West Bend area residents may register for the Kewaskum unit by calling Gordon Ohlroge at FE 4-4448.

F. Gottsleben Dies

Franklin C. Gottsleben, former North Western railway station agent in Kewaskum many years, died Wednesday, Feb. 26, at Berkeley, Calif. He formerly resided at 2605 N. Palmer st. in Milwaukee. He was the father of Alvin and Adela Gottsleben. His wife was a Klumb girl from West Bend. Mr. Gottsleben was well known here. The Zwaska Funeral home, Milwaukee, is in charge of funeral arrangements. Further details will follow.

DR. RUMSEY TO MOVE CHIROPRACTIC OFFICE

Effective on Monday, March 3, the Kewaskum chiropractic office of Dr. H. L. Rumsey will be located on the first floor of the Bowe building, one door north of the drug store, formerly occupied by Dr. Koehler, dentist. Dr. Rumsey's office had been located in the Maaske building on North Fond du Lac ave.

Rev. Hammen New President of State Council of Churches

The Rev. Clarence F. Hammen, pastor of Peace Evangelical and Reformed church of Kewaskum, has been named as the new president of the Wisconsin Council of Churches.

Rev. Hammen believes that the most pressing problem facing the council is the feeling of defeatism in 18 northern counties in the state where, he says, 50 per cent of the young people leave their homes to attend college and never return. As a result the older people feel that the young leadership has left forever, Rev. Hammen states.

About 44 per cent of the people in the affected area are unchurched and there is a loneliness among the people, the clergy and persons who do not support the church program.

The plight of the northern counties will be discussed Mar. 11 at Beaver Dam when executives of the 11 denominations comprising the state council meet. The migrant workers' problem will also be discussed at the Beaver Dam session.

DON GITTER TRANSFERS TO LOCAL POST OFFICE

Harry E. Koch, acting postmaster, announced this week that Donald Gitter of West Bend transferred from the West Bend post office to the local post office as clerk. Gitter, a former patron of Kewaskum rural route two, worked in the Minneapolis Railway Transportation Service before his service in the West Bend post office.

Gitter has a wife, the former Catherine Martin of St. Bridgets, and two children. In the near future the Gitter family will move to this village. Donald and Mrs. Gitter have relatives and friends living in and around Kewaskum.

DONALD QUASS FAMILY MOVES TO WEST BEND

Mr. and Mrs. Donald Quass and family moved to West Bend Saturday into the new home which they purchased. Mr. and Mrs. Oliver Eichstedt and family moved into the farm home vacated by the Quass family.

DiMaggio Gets Five Years for Local Break-In

ADDITIONAL SENTENCE IS
IMPOSED FOR ENTERING
ROSENHEIMER STORE

Milwaukee convict Salvatore (Sam) DiMaggio, 41, received an additional five years in Waupun State Prison as a result of conviction Wednesday night in a more than year-old Kewaskum burglary case.

DiMaggio, who before going to prison lived at 1536 N. Franklin 17, in Milwaukee, was found guilty by a circuit court jury at West Bend after a three-day trial on a charge of breaking and entering at the L. Rosenheimer Department Store here on Feb. 17, 1957.

Judge William C. O'Connell imposed a five-year sentence to be consecutive with a 10-year term DiMaggio is serving for an attempted burglary at Eugene's Restaurant in Milwaukee Sept. 2, 1956. DiMaggio received the sentence last Aug. 6.

Chief of Police Roland Pledl and County Deputies David Backhaus and Forest Brown of Kewaskum foiled a safe-cracking attempt at the Rosenheimer store because of a tip from a neighbor, Nick P. Tarantino, 27, who lived at 727 E. Michigan st., Milwaukee, was arrested near the store the same night but two other men fled amid gunfire. DiMaggio and Frank P. Allota, 25, of 408 N. Jefferson st., Milwaukee, subsequently were charged with being the other participants in the offense.

Tarantino pleaded guilty last Oct. 24 to an attempted burglary charge in connection with the Rosenheimer store affair and was sentenced to four years in prison. Allota, who has pleaded innocent, has not yet gone on trial.

DiMaggio's counsel, Thomas O'Meara of West Bend, tried to convince the jury that Dist. Atty. Leroy Goring had not proved conclusively that DiMaggio was in Kewaskum the night of the burglary.

DiMaggio's trial began Monday morning when a jury of 12 members was selected from a panel of 20. He was present at the beginning of the trial, during which he was held in the Washington county jail. Members of the jury visited the scene of the attempted robbery in Kewaskum Monday afternoon. The court room was crowded with spectators Monday.

Hearing in the case was continued after the state rested its case on Tuesday afternoon following testimony by seven witnesses for the state and one for the defense on Monday and Tuesday. Action in the case was postponed to permit disposition of several other cases scheduled for Wednesday morning and to permit the appearance of Tarantino, who was brought in from the state reformatory at Green Bay. Sentence was imposed Wednesday evening.

AUTOS IN COLLISION

Cars driven by Sylvester N. Groff, 40, of Barton and Peter Dehler, 21, of R. 1, Kewaskum, collided at 3:07 p. m. Sunday on Main st. in the village of Barton. Only property damage resulted.

Deaths

HERMAN GROESCHEL

Herman Groeschel, 91, retired farmer of the town of Farmington, died at the home of his daughter, Mrs. August Becker in that township on Sunday, Feb. 23.

Born on Mar. 16, 1866 in the town of Farmington, he was married to Clara Kirmse on Oct. 22, 1891, at Fillmore. She preceded him in death on June 20, 1944.

Surviving are two daughters and a son, Nelda (Mrs. Edwin Gerner) and Corinda (Mrs. August Becker), both of the town of Farmington, and Edward Groeschel of Chicago; 13 grandchildren and 26 great-grandchildren.

Mr. Groeschel served as a member of the church board and the Farmington town board during his younger years and was a member of the Farmington Turner society.

The body was in state at Miller's Funeral home, Kewaskum, from 2 p. m. Tuesday until 11 a. m. Wednesday and at St. John's E and R church, Boltonville from 12 noon until the time of services at 2 p. m. Wednesday. The Rev. E. F. Menger officiated and burial was in East Union cemetery at Fillmore.

4-H Club News

THE KEWASKUM 4-H'ERS

The meeting of the Kewaskum 4-Hers was called to order by Vice-President David Schaefer on Feb. 13. President Aldwin Seefeldt was attending a district Junior Leader's conference in Waukesha. The pledge to the flag and the 4-H pledge were recited.

Reporter Mariel Seefeldt read the article that appeared in the newspaper about last month's meeting and showed a picture of the new officers of the County Leader's association, of which Mr. Stoffel is a member.

Ann Schoenbeck then gave a report on the progress made by the window display committee. Ann Schoenbeck, Ann Schaefer, Mariel Seefeldt, and Merrill Haug are on the committee. Our theme will be "Let's Do Away with Tooth Decay." The display will be located in the Lay Lumber Co. window from March 1 to 8.

Joanne Jaeger related the events that took place at the 4-H Activity Night program held Jan. 23 at West Bend.

Mrs. Schoenbeck, our health leader, gave us some information on what the county has planned for our 1958 health program. She also gave some good ideas for speeches on health for the county speaking contest to be held in March.

Mr. Stoffel then gave a short talk on the conservation project and showed us an herbarium as a sample of conservation work in 4-H.

Terry Shaske, David Zehren, Mary Zehren and Diane Ramel were chosen to be on our food committee for the next meeting. Ann Schoenbeck and Mariel Seefeldt will take care of the recreation.

The meeting was followed by fun with musical chairs and refreshments.

Reporter, Mariel Seefeldt

WASHINGTON COUNTY KETTLE MORAINE OLDER 4-H COUNCIL

The Washington County Kettle Moraine Older 4-H Council met in

the recreation room of McLane school at West Bend on Feb. 19. During the meeting, Norrita Oelhafen gave a report about the day, she, Elaine Boeker and Ralph Mayer spent at Farm and Home Week. This was a special day, devoted to the youth of Wisconsin.

The officers of the council attended a district meeting on Feb. 13. Aldwin Seefeldt reported on this meeting, and Mary Ann Goeden led a game the officers had learned.

"What is the job of the junior leader?" was the topic for the night. Mr. Stodola, the county club agent, and Myra Fierek, the county home demonstration agent, put on a skit to help illustrate how a junior leader can help the general leader of a club. Miss Fierek played the part of the junior leader, whose name was Myrtle, and Mr. Stodola was the general leader.

Some of the points that Mr. Stodola and Miss Fierek brought out in the skit were that a junior leader should have a definite job for the year, and that he should keep his records up to date. They also showed how to make out the junior leader record book.

The members of the council then went into groups to discuss the duties of the junior leader.

After the meeting, Connie Schlarfer led square dancing, and refreshments were served.

Susan Kissinger, Reporter

KETTLE MORAINE 4-H CLUB

The Kettle Moraine 4-H club met Feb. 3 at the home of Carol Ann Erdmann. A skating party was held from 7 to 8 p. m. at the Kewaskum skating rink and each member could bring a guest for the party.

At the meeting the pledge was given and song were sung. A demonstration was given by Carol Ann on her project, "Cameras and How to Use Them." It was very interesting.

We are going to put up a window display at Rosenheimer's store in keeping with National 4-H Week from Mar. 1-8. Rachel Petermann, Barbara Nigh, Allen Bales, Carol Ann Erdmann and Billy Grubbe are on that committee. We observed parents night and we were happy

to have our parents at this meeting. A delicious chili lunch was served by Mrs. Ralph Erdmann, assisted by Mrs. L. Petermann and Carol Ann.

The next meeting will be at the home of Barbara Nigh on Mar. 3.

The 4-H Corner

BY BOB STODOLA

Washington County 4-H Club Agent

In spite of the cold weather, quite a few of the members in the beginning conservation project attended the first project meeting at the West Bend High school on Feb. 17. There were also two leaders, Mrs. Clarence Becker of the Kirchhayn Trotters club and Ted Schoofs of the Kewaskum club there. Perhaps the most interesting part of the meeting was getting and putting together herbarium. Every member in the conservation project gets a herbarium. It is something like a large scrapbook, where they can keep specimens of trees, shrubs, pictures of birds, insects and other things that they collect and study in their project during the year. During the spring and summer, the members will be making field trips to study wildlife and take specimens which they will be mounting in their herbarium.

Marlowe Nelson, extension dairyman from the University of Wisconsin, conducted a dairy project leaders meeting on Feb. 17. He gave the leaders a lot of good tips on how they can conduct project meetings and teach the project members about their dairy project. He pointed out that not only is it important to learn how to judge animals, but such things as being able to tell one feed from another and being able to judge the quality of hay is also important in the dairy project. There are over 100

members enrolled in the 4-H dairy project this year.

25 Years Ago

Miss Clara Klabuhn, daughter of Mr. and Mrs. Wm. Klabuhn, Sr. of Four Corners, and Walter Lueke, son of Mr. and Mrs. Wm. Lueke of Random Lake, were married Feb. 8 by Rev. Gutekunst in St. John's Lutheran church, New Fane.

A "Fast Nacht" card party will be given by the ladies of Holy Trinity parish in the school hall Feb. 27. A fine lunch served. Admission 25 cents.

"Home Again," a story written by Miss Mildred Stoffel, senior class member of Kewaskum High school, was awarded first honors as the best story submitted among the 14 seniors. The story will be published in its entirety in the Statesman, the first installment appearing elsewhere in this issue.

Mrs. Gertrude Rodenkirch, 72, nee Laubach, a former resident of the towns of Auburn, Farmington and Kewaskum, died at German town at the home of her daughter.

County Clerk M. W. Monroe has issued a marriage license to Ludwig Gross, town of Farmington, and Laura Weasler, town of Auburn.

The "milk strike" of the Wisconsin Milk Pool went into effect on Feb. 15. In an interview with Anton Wiesner, president of the Kewaskum Local, he stated that 99 per cent of the members of the local responded to strike orders and did not ship milk that morning. He said none of the milk was dumped or wasted but all surplus milk was fed to pigs, chickens and calves. The strike is statewide. The Milk Pool is asking for \$1.40 per for milk of 3.5 test. Membership of the Kewaskum Local is 200. A meeting of the local will be held at the

Opera House Feb. 18.

Ed Weddig motored to Madison. He was accompanied home by his brother Fred, who completed a three month course in dairying at Wisconsin university.

Karl Kreif, 16, son of Mr. and Mrs. Albert Kreif, New Fane, who on Feb. 2 suffered three broken bones in one of his legs when the horse he was riding fell and rolled upon him, is getting along nicely at present.

Taxes are being paid slowly. According to Village Treasurer John Marx approximately \$5,000 have been paid so far. There still remains to be collected over \$22,000. Only two more weeks remain in which to pay taxes without a penalty.

A would-be assassin at Miami, Fla. fired five bullets into the party of President-elect Franklin D. Roosevelt, wounding five. It is thought that the shots were intended for the President. Among those wounded was Mayor Anton J. Cermak of Chicago.

CARD OF THANKS

My heartfelt thanks are expressed to relatives, friends and neighbors who extended comforting sympathy and help in my time of sorrow, the death of my dear husband, William Breseman. We've been doing a lot of complaining about the bad weather so with the beautiful, balmy, spring-like weather of the past week we have to do a little praising, too. Quite a difference with the temperature in the 40's and 50's than it was the week before with a drop of from 10 to 15 degrees below zero.

Most of the snow gone, the ice breaking up and melting on the river, kids roller skating, flying kites, playing marbles and jumping rope, the ice and snow cleaned off the streets, crows cawing and the warm weather would indicate that spring can't be far away. You folks in Florida can come home now. Afraid it's too early to be true though. February is just ending and March may still hold much winter in store. No reports on the first robin yet.

We weren't alone with the cold weather. Publisher T. M. McKnight of the Mooresville, North Carolina, Tribune sent us a copy of the front page of his paper dated Feb. 20. The page carried a 5-column heading on the snow and cold wave. The city had a 6-inch snowfall, the heaviest in years, and the thermometer dropped to 4 above zero. Mind you, this was in North Carolina.

We are told that one of our service station operators almost got pulled in by the police last Thursday night for entering his own place of business. The story we got was that the operator and several friends were out cruising around in an older model car. They stopped at the station to put air in one of the tires at a late hour. Just as they left the station, jumped into the car and drove off a squad car passed by and spotted them. The officer was suspicious of the characters with work clothes on. He gave chase and forced them to a halt just outside of town. Then he recognized the "gang" and don't know whose face was the reddist. Anyway it showed the police were on the ball. Moral of the story is put on the lights when you enter your place of business with old clothes on at a late hour of night.

It sure was a wonderful and heart-warming gesture the way friends, neighbors and relatives pitched in to help the Leo Fellenz family, whose farm home was completely destroyed by fire on Feb. 14. Mr. and Mrs. Fellenz, their 12 children and Mrs. Fellenz's mother, Mrs. Mary Schneider, were forced to flee from their burning home. Left without shelter friends and neighbors provided lodging until the family secured living quarters in the former Morrie Gahlman home about 1 1/2 miles north of their Orchard Grove home. Articles of furniture and clothing were contributed to them. A benefit dance at St. Michaels and a benefit card party at Boltonville were held for them. Co-workers of Fellenz at a factory raised funds to assist the family and the company donated an entire set of kitchenware to replace their lost utensils. The Red Cross and other welfare agencies also came to their assistance.

Our firemen who bowled in the team events Saturday night and singles and doubles Sunday afternoon in the Badger association tournament at Grafton didn't make out so hot. But they didn't have many misses in the bar room. If they're to win any prizes they probably will have to be good fellowship awards. Unless they give booby prizes as Chief Schaefer had

somewhere in the neighborhood of a 240 series.

If you haven't done so yet, grab your phone and sign up for the blood donor clinic here on Mar. 7. Goal is 100 pints and many donors are still needed.

Why is it opportunity doesn't knock often but temptation seems to pound away every day?

Talk about a predicament! A while back a woman stopped to make a call in the local outside phone booth. She left her little boy outside of the booth. While watching Mommy call he stuck his tongue against the door and it froze tight. Mother couldn't slide open the door without sliding him along or at least ripping the skin off his tongue. Our daughter just happened to be on her way to the show and saw the predicament. She came into the house and got some cold water to pour on the tongue. This pried him loose but he lost a little blood.

BACKHAUS, OTHER OFFICERS TAKE FINGER PRINT COURSE

Deputy David Backhaus of Kewaskum, a member of the county sheriff's department, and Police Chief George (Smokey) Weinert and Assistant Chief August Zell of the West Bend police department are attending a finger printing school being conducted by the FBI at Milwaukee this week.

The police officers are receiving information on the proper procedure in reading, identifying and taking and "lifting" finger prints for use in their police work. Additional emphasis on finger print training is given the officers to help speed solution of crime on the West Bend city and county level.

It's 90% of the politicians who give the other 10% a bad name.

TAKES TRIP TO MONTANA BEFORE OPENING TAVERN

G. W. Forester, former owner of Forester's Garage & Hardware in Wayne, was on a trip to Dawson county, Mont. where he checked the former Herbel estate.

On a postcard sent to the Statesman, Forester wrote that the oil wells look due, the steers are fat, there is plenty of feed, the weather is swell at 55 above today (Feb. 22), there is no snow nor frost in the ground, and the roads are fine.

After returning from the trip Forester will open his newly purchased tavern south of West Bend on Mar. 1.

Our Police Chief Says

Many complaints are being received of dogs being permitted to run at large. Dogs running loose will be picked up and taken to the dog pound. Owners will have to pay for the dog's board and be charged a service fee for return of the dog. If the dog is not called for in three days the animal will be sold.

Chevs Rout West Bend, 110-79, to Clinch Tie For Second Half Title

CAN SEW UP FLAG BY BEATING MAYVILLE IN FINAL HOME GAME SUNDAY NIGHT

Kewaskum's perennial champion Chevrolets, powerhouse of the Land o' Lakes league, clinched at least a tie for the second half title in the circuit by running wild over the West Bend Lithias in the McLane school gym there Sunday night, 110-79, a margin of 31 points. The team already has the first half championship pocketed and needs only one more win in its two remaining games with Mayville and Beaver Dam to sew up the grand championship.

Sunday's game was not like the usually close Kewaskum - West Bend battles. Ordinarily the Lithias give the Chevs a rough time, regardless of their position in the standings, but this time Kewaskum was hot and poured it on. The Chevs were on in their shooting and it seemed they couldn't miss, no matter where they shot from. West Bend had a 3-1 record going into the tilt and a win would have given them a first place tie. The victory was Kewaskum's fifth in succession in this half without a setback.

The Chevs raced to a big 58-32 halftime lead and gradually increased that margin during the second half. No team in the loop could have come close to them that night. The Lithias outscored Kewaskum on free throws, 25-20, but that didn't mean a thing.

Jumping John Tessar, the league's outstanding scorer, pumped 44 points through the hoops to run away with top honors. This total widened his individual scoring lead in the league. He made good on 16 baskets and 12 free throws. Next in line, were Don Meisenheimer with 17, Augie Bilgo 15 and Bob Stenman 14. Frank Krueger 9 and George Hanrahan, back in the lineup for the first time since getting out of the service, 8 points. Substitutes had an opportunity to play a good portion of the tilt.

Center Jim "Spider" Kieckhafer was top point maker for the Lithias with 27, followed by Ilo Raus-

cher with 16 and Pee Wee Johnson with 15.

Kewaskum plays its last home game Sunday night by entertaining Mayville. Mayville, you will remember, tied the Chevs for first place in the first half but Kewaskum beat them in a playoff tilt. These two always engage in tight battles and this one should be no exception. Get out to see the season's home finale and show a great Kewaskum team you are behind them and appreciate their efforts.

Indians Trim N. Fondy In Final Game, End Up In Second Place Tie

In their final game of the season and the last in the Valley Tri-County conference, the Kewaskum Indians upset second place North Fondy here Friday night by a surprising margin, 60-43.

The setback knocked the Orioles out of undisputed second place and gave the Indians a tie for second place in the final standings with North Fondy and Oakfield. All three ended up with 9-5 records. Rosendale copped the championship with a 11-3 record for the season.

Kewaskum was a giant killer against the top teams in the loop during the campaign but fell down against a couple of the second division clubs. This kept them from finishing at the top of the stand-

ings. Among the top five teams the Indians knocked off North Fondy twice and Rosendale, Oakfield and Campbellsport each once. But they were also upset by sixth place Lomira, which nosed them out by one point, and seventh place Brandon, which shaded them by two points. The difference of just three more points in the two games combined could have earned them a first place tie.

But Coach Ernie Mitchell's squad had a very successful season. They showed steady improvement as the campaign progressed and just reached their peak as the season closed. The Indians proved this by running wild over Random Lake in the W.L.A.A. sub-district tourney opener Tuesday night here, 71-25.

In Kewaskum's 60-43 win over North Fondy Jerry Oppenorth and Norm Rodenkirch set the pace for the victors with 19 and 18 points, respectively. Mark Rodenkirch and Nigh each added 10 points. John Blossmore hooped 16 for the Orioles' high, followed by Rexes with 11.

After being outscored by N. Fondy in the slow first quarter, 9-6, the Indians outscored their opponents in every other period. Kewaskum had a hot second stanza, scoring 23 points to the visitors' 11, to take a 29-20 halftime advantage. The winners tallied 12 in the third period to the Orioles' 6 to gain a sizable 41-26 margin going into the final quarter. In the last stanza the winners made 19 points and the losers 17.

Rural Church Group to Present 'Last Supper'

A colorful Lenten pageant will be presented by St. John's Evangelical and Reformed Men's Brotherhood, of Kohlsville, (two miles north of Allenton) on two Sunday evenings, March 16 and 23, at 8 o'clock.

The cast of some forty will depict varied scenes from the life of Christ and the institution of the Lord's Supper in the Upper Room. The unique pageant is based entirely on excerpts from the Holy Bible and is done in both dialogue and pantomime, including a children's religious dance-interpretation of "the calling of the twelve."

The Women's Guild of the church is designing the men's robes and the men are building the sets for the production. The men who play the roles of the Apostles range in age from 25 to 73 years. The Rev. Louis Riesch, pastor, is director of the sacred presentation.

As St. John's church seating capacity is limited, the Brotherhood is selling one dollar donation passes to assure the public of a reserved seat. Passes may be ordered from Miss May Steckhahn, R. 4, West Bend, or obtained at Schroeder's Jewelry store or Looman's & Hickman T.V. Repair, West Bend. The public is cordially invited to attend this inspirational service wherein the Bible is brought to life. (A nursery for children under the age of eight will be provided).

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow, the illness and death of our dear wife and mother, Mrs. John Kuehl, will always remain with us a precious memory. Our sincere thanks and gratitude for all those comforting acts are extended, especially to Rev. Koehn, organist, choir, donors of floral pieces and memorial tributes, pallbearers, Miller's and everyone who assisted and showed respect in any way.

High School Student Council Holds Bundle Drive, Seeks Clothing

The Student Council of Kewaskum Community High school is again holding a bundle drive as they have had in previous years. This drive is sponsored by Save the Children Federation and is being held at the high school this past week and also next week.

YOU CAN HELP children of disaster. Your clothing, donated through Save the Children Federation's bundle days, brings hope and comfort to war refugees, earthquake and flood victims, people in need overseas.

YOU CAN HELP children of despair. Hundreds of needy rural American youngsters are now able to attend school during winter months because of SCF bundle days. Responsible authorities give clothing free to those families who cannot afford to pay. Clothing is also made available at very low prices—thus enabling a poor but proud people to maintain self-respect.

Perhaps you could contribute some articles of clothing; check your closets! The following list tells you what type of clothing that you could contribute:

Give only clean, wearable clothing, children's or adults'.

Give baby clothes.

Give good, wearable shoes, tied together in pairs, but NOT high-heeled shoes.

Have your gift of clothes and shoes in a paper bag or cardboard carton, call the high school, and a student council member will be most happy to call for your contribution at your home.

The Student Council members of KHS hope that all of you will adhere to this article and help make the bundle drive a success.

STATE OF WISCONSIN WASHINGTON COUNTY COURT IN PROBATE

IN THE MATTER OF THE ESTATE OF JENNIE M. MILLER, Deceased.

A petition for probate or administration of the estate of Jennie M. Miller, deceased, late of the Village of Kewaskum, Washington County, Wisconsin, and for determination and adjudication of heirship, having been filed,

IT IS ORDERED:

That the time within which all creditors of said deceased shall present claims against such estate for examination and allowance is hereby fixed and limited up to and including the 20th day of May, 1958;

That proofs of heirship be taken and all claims and demands against the said deceased be examined and adjusted by the Court on the 22nd day of July, 1958, at the opening of the Court on that day, or as soon thereafter as the matter can be heard;

Kewaskum Chapter Observes FFA Week

Future Farmers of America members throughout the nation are scheduling special activities to focus public attention on the work of their organization during National FFA Week, Feb. 22-Mar. 1.

Locally, members of the Kewaskum FFA chapter set up a window display in observance of FFA Week.

Membership in the FFA is made up of farm boys who are students of vocational agriculture in high school. The organization's activities are designed primarily to help develop rural leadership and good citizenship, and to stimulate the boys to better achievement in their study and work toward successful establishment in farming.

The Kewaskum FFA chapter has 44 members. Officers are: Dave Nigh, president; Bob Becker, vice-president; Jim Enderle, secretary; John Heisdorf, treasurer; Ethan Etta, reporter, and Dick Ehner, sentinel. Bernard Murray, vocational agriculture instructor in Kewaskum High school, serves as advisor of the FFA chapter.

The national Future Farmer organization has 380,000 members, with 9,000 local chapters in the 48 States, Hawaii and Puerto Rico. Membership in Wisconsin totals about 14,000.

Future Farmers choose the week of George Washington's birthday each year for the observance of National FFA Week. Although usually recognized as a Revolutionary War general and our first president, Washington's first love was the farm he called Vernon. There, he was one of the first in the nation to practice contour planting, crop rotations, fertilization, and other soil conservation and improvement methods. It was more than a century after Washington's death before general use was made of many of the sound agricultural practices that he advocated.

Conclude County Heart Fund Appeal This Week

This week will conclude the 1958 fund appeal for the Wisconsin Heart association. The appeal was conducted throughout Washington county except in the cities of West Bend and Hartford, and the village of Barton where the Heart association is a member of the Community Chest.

While it is still too early to judge the success of this year's appeal,

MANY FAMILIES MISSED IN LOCAL CANVASS SUNDAY

Although scheduled to conclude this week, the Heart Fund appeal is still very much in progress locally, Dr. R. G. Edwards, village chairman, reported this week. A good 50 per cent of the families were away at the homes contacted Sunday, Heart Sunday, in the door-to-door collection here and were missed. These families are urged to send in their contributions to Dr. Edwards.

Attorney Deane R. Bascom, county chairman of the Heart association, expressed the hope that it would exceed last year's record success. He told the Kewaskum Statesman that the local appeal chairman had conducted far more intensive campaigns than ever before.

The Heart Fund is the only practical channel through which millions of Americans can have a part in the battle against heart disease. Attorney Bascom commented. We cannot enter the laboratory and conduct highly complex scientific investigations, but we can by our contributions to the Heart Fund assist the trained medical scientist making these investigations.

Contributions to the heart fund may be made to any of the following chairman or to the county chairman, Attorney Deane R. Bascom at West Bend:

Elmer Plaum, town of Farmington;

Dr. R. G. Edwards, town & village of Kewaskum; Dr. James E. Albrecht, town & village of Jackson; Mrs. LeRoy Walterlin, town & village of Germantown; Erwin J. Franzel, town of Polk, village of Singer; Florent Isselmann, town of Trenton, village of Newburg.

LEN MEYER ENLISTS FOR 'NIKE' TRAINING

Leonard W. Meyer, son of Leonard W. Meyer, Sr. of R. 2, Kewaskum, enlisted in the regular army air defense command (Nike guided missiles), continental United States, it was announced this week by Sfc. Arnold A. Gulley, local army recruiter. He is a graduate of West Bend High school.

After completion of eight weeks of basic training and at least 10 days at home, he will either report direct to the guided missile school at Fort Bliss, Tex. or be temporarily assigned to a Nike guided missile installation until the next available class opening at the school. At present there are over 4,000 men attending classes at the Fort Bliss guided missile school.
