Electors of Cheeseville Area Oppose Union with Kewaskum School District

FAVOR CONSOLIDATION WITH WEST BEND AT MEETING; NINETY ATTEND

In the neighborhood of 90 electors of the Cheeseville school district jammed their school building last Thursday evening to discuss a school consolidation problem facing the district as a result of a proposal advanced by the Washington county school committee and its Fond du Lac county counterpart.

Members of the Cheeseville school board called the meeting for the purpose of permitting the electors of their district to express their opinions of the county committee's proposal. This provides for the consolidation for high school purposes of the Cheeseville district and other districts in the area with the Kewaskum Union High School District.

Another meeting to discuss this proposal further was called by the county committee for Thursday, Mar. 13, at the Kewaskum High school at 8 p. m. Electors of the various districts involved were notified of the meeting through a notice published by the county committee.

Spokesman for the school board reported that petitions favoring consolidation with the West Bend School District instead of the Kewaskum High School District were circulated at the Cheeseville meeting and received unanimous endorsement by those present. The petitions, in themselves, do not in any way bind the county school committee but they do express the sentiment of the Cheeseville electors toward the committee's proposal.

Cheeseville school board members are Hiram Larson, director, Walter Truebenbach, treasurer, and Arthur Schoedel, clerk. They pointed out that if the Cheeseville district is consolidated with the Kewaskum High School District for high school purposes, some residents of the district would undergo undue hardship. They stated that a number of electors now sending their children a distance of three or six miles to West Bend High school would have to send them 12 or 15 miles to Kewaskum if the proposed consolidation became effective.

Atty. Deane Bascom, West Bend, chairman of the Washington county school committee and chairman of the joint Washington and Fond du Lac county school committee sponsoring the consolidation would not state whether or not a vote on the proposal would be asked for at Thursday's meeting. If a vote were held it would only be advisory in nature and would not bind the county committee in any action it might take.

Bascom also said that if a referendum on the proposal were ordered, a majority of votes in both the rural and urban areas involved would be necessary before the county school committee could issue a consolidation order. The county committee had the authority to issue a consolidation order without asking for an advisory vote or ordering a referendum. He stated that such a procedure is rarely followed.

Area Chairman for Red Cross Drive Appointed

Robert T. Rolfs, West Bend, chapter chairman, announced the appointment of a chairman to direct the northern section of the West Bend chapter area of the American Red Cross in the 1958 annual fund appeal. He is Robert Lisko, town of Wayne, who will join Richard Peel, chairman of the southern section of the chapter area, in directing this year's drive.

The section over which Lisko

The annual Red Cross fund appeal will continue throughout the month of March. Edwin Moore of West Bend is the general financial chairman of this year's event.

KLUEVER GETS DEGREE FROM U. OF MICHIGAN

Degrees were granted to 1,204 students of the University of Michigan, Ann Arbor, who successfully completed requirements at the end of the semester.

Graduation candidates received token diplomas at the university's midyear graduation exercises. Degrees could not be officially granted until examination records were complete and final grades for the semester recorded.

All but two of the university's 16 schools and colleges granted degrees.

Raymond C. Kluever, Kewaskum, master of science, was included among the graduates.

KIWANIS CLUB HEARS CHILD PSYCHOLOGIST

Edwin A. Rautio, clinical psychologist of the Washington-Ozaukee Child Guidance Center, addressed the local Kiwanis club Monday night at their regular meeting held at the Republican Hotel.

He gave a very informative talk as to the function of the center. He illustrated the fact that children need a feeling of security, of being wanted. They also need an endless amount of love and affection. The ages of children being treated are from 2 to 16. It is very important to bring in the children as early as possible thereby making it easier to help them.

85 Donors at Blood Clinic Set Record

TOTAL OF 130 SIGN UP BUT 19 ARE REJECTED, 26 OTHERS CANCELLED

Out of 130 signed up, a record total of 104 donors turned out for the Kewaskum clinic for the Community Blood Donor club last Friday from 1 to 6 p. m. at the Kewaskum Community High school gymnasium.

Of the 104 donors reporting, 19 were rejected and the remaining number contributed 85 pints of blood for use in the club. In addition, 26 other potential contributors were cancelled out because of colds or for other reasons.

Officials reported the response at Friday's clinic was greater than ever before at a local clinic. They were highly pleased with the results. Henry Rosenheimer was chairman of the event, with Mrs. Edward (Pat) Miller serving as co-chairman.

Telephone campaign callers included Meses. O. Behnke, H. Backhaus, R. G. Edwards, M. Gnacinski, A. Hron Jr., H. Koch, D. Koorble, P. Landmann, R. Kroncke, E. LaMarche, M. Martin, C. Miller, J. Morrissey, C. Schaefer, A. Tessar and V. Pledl and Miss Louise Martin.

Mrs. Henry Rosenheimer was in charge of checking in and was assisted by helpers Mrs. E. Mitchell, Miss Louise Martin, Mrs. Ned Sengpiel, Mrs. K. William Haebig and Mrs. Harold Marx. Mrs. J. Schwartz, R. N., was in charge at Regal Ware, Inc.

The Ladies' Guild of Peace E and R church, with Mrs. Milton Borchert in charge, prepared and served refreshments to the donors.

A list of the blood donors who turned out for the clinic follows:

Arnold Amerling, James Andrae, Phyllis Bade, Oscar Boegel, Norbert Broecker, Robert Becker, Hil-da Becker, Willard Bartelt, Lloyd Backhaus, Orval Behnke, August Bilgo Jr., Donald Binder, Elmer Budrecki, Earl Buswell, Ivan Buss, Arthur Buss, Glenway Backhaus, John Battaglia, Ed. Girl Scout, Brownie Award Nite Dinner

On Tuesday evening, Mar. 11, the Girl Scouts and Brownies had their annual award night dinner. This year it was held at the Peace E and R church parlors.

After a fine meal, Mrs. E. Mitchell spoke about scouting and the need of more help for the leaders. The Brownie color guard presented the colors and both Brownies and Girl Scouts repeated their promises.

Brownie wings were presented to Kathleen Simon, Mary Kronecke, Deane Schmidt, Karen Groh, Patty Mitchell, Dorothy Buczek, Donna Merkt, Jeanne Reindl and Linda Gnacinski. Patty Mitchell, Dorothy Buczek, Donna Merkt and Pauline Battaglia were presented their Girl Scout pins. Pauline also received her World Pin. Badges were awarded to Sue Marx, Karen Groh, Patty Mitchell and Diann Ramel.

Musical selections were played by Patty Mitchell, Jeanne Reindl, Diann Ramel, Carolyn Maedke, Nancy and Colleen Held, after which the Girl Scouts gave a short play.

The Brownie leaders are Mrs. Robert Kroncke and Mrs. Harry Koch. The Girl Scout leader is Mrs. Mike Gnacinski.

Ninety some Girl Scouts, Brownies and their parents attended the dinner and program.

Win A Ratings in League Forensics

The following students of Kewaskum High school received A ratings in the league forensic contest held at Rosendale on Mar. 11 and will participate in the district forensic contest to be held at Wisconsin State college at Oshkosh on Mar. 29:

The local committee in charge of the clinic wishes to thank everyone who helped make it an outstanding success.

Death of Mrs. John Amerling

Mrs. John Amerling, 87, nee Magdalena Kudek, who made her home with her son and daughter-in-law, Mr. and Mrs. Arnold Amerling, R. 2, Kewaskum, passed away on Wednesday evening, Mar. 12, at St. Joseph's hospital, West Bend, where she had been a patient for five days. Mrs. Amerling had been ailing for the past 15 months.

The deceased was born on Feb. 10, 1871, in the town of Wayne and made her home in that township many years. She had resided with her son and daughter-in-law for the past several years. Her marriage to John Amerling took place on Oct. 25, 1892 at St. Bridget's parish. He predeceased her on Mar. 19, 1937.

Surviving are four daughters and two sons, Kathryn (Mrs. Ben Werner) of Jackson, R. R., Sophia (Mrs. Wendel Petri) of West Bend, Agnes (Mrs. Arnold Hawig) of the town of Wayne, Priscilla (Mrs. Adam Kozlowski) of Milwaukee, Edwin on the homestead in the town of Kewaskum; 24 grandchildren, 14 great-grandchildren, two sisters, Mrs. Catherine Campbell of the town of Wayne and Elizabeth Kudek of Milwaukee; two daughters-in-law, three sons-in-law, and many other relatives.

Mrs. Amerling was a member of the Ladies' Altar society of St. Killian's church, St. Killian.

The body is in state at Miller's Funeral home since 2 p. m. Friday. Funeral services will be held at 9:30 a. m. Saturday at Holy Trinity church, the Rev. F. C. La Burwt officiating. Burial will take place in the St. Killian parish cemetery.

HUGO LANDVATTER

Funeral rites for Hugo Landvatter, 65, a resident of West Bend and the town of Barton all his life, brother of Mrs. William Techtman of Kewaskum, were held at the Techtman-Myrhum Funeral home, West Bend, at 2 p. m. Monday, Mar. 10, the Rev. R. W. Groth officiating. Burial was in Washington County Memorial Park.

Missing from the Mermac hotel, West Bend, where he lived, since last week Tuesday, Landvatter's body was found by police and members of the sheriff's department in a wooded area on the Landvatter homestead farm in the town of Barton Friday morning. County Coroner Dr. James Albrecht termed the death a suicide. The death apparently occurred Tuesday afternoon. The deceased was not married.

Surviving also are five other sisters and three brothers.

RENNERS AND ENRIGHTS, TWO YOUNG COUPLES MOVE

Mr. and Mrs. Bobby Renner recently moved from the upper apartment of the Elmer Moldenhauer home on East Water st. into the apartment in the C. F. Renner home on R. 2, Kewaskum. Mr. and Mrs. Gerald Enright, newlyweds, have moved into the apartment in the Moldenhauer home vacated by the Renners.

There is only one thing people like that is good for them: a good night's sleep.

Five of our young men were hailed into Justice of the Peace Wm. S. Olwin's court, charged with counts of disorderly conduct and destroying property. The offense was committed while the dance following the home talent play, "The Blue Bag" was in progress at the opera house. Two of the young men pleaded guilty and were fined \$5.00 and costs.

Gust Konitz is holding a big Easter shoes sale with huge reductions on the latest spring styles in ladies' and gents' rubbers and shoes.

At the administrator's sale of the Wells estate Saturday morning the Kewaskum Creamery was sold to the creditors. Only one bid was made. As soon as the approval is secured, the creditors will meet and incorporate. Officers and a board of directors will be elected. There is no question but that the new organization will be an asset to the village and farmers.

The two stolen slot machines taken from the Simon Strachota store at St. Killian last week were found in a damaged condition near the former Albert Buss farm in the town of Kewaskum, east of the Louis Schaefer bridge, Thursday. The machines, wrapped in burlap bags, were found by Miss Mondloch, who was walking home from the Roden school. Herr parents notified Deputy Sheriff George Kippenhan. The burglars had removed the change. Other articles taken in the robbery were found on the highway north of St. Killian. Mr. Strachota has offered a \$50 reward for information leading to the arrest of the burglars.

The village board has extended the time for payment of real estate taxes to June 1. Village Treasurer John Marx reported that he has collected about \$22,000 in taxes. The total amount of the tax roll is \$27,300, leaving over \$5,000 to be collected.

The former Otto Stark blacksmith shop will be re-opened. Ernest Haegler, an experienced horse

shoer, blacksmith and wagon-maker, will be in charge.

We take this occasion to extend our compliments to Franklin D. Roosevelt, the new President of the United States, and to wish him the greatest possible measure of success in his effort to lead the nation out of the slough of despond. It is a Herculean task which Mr. Roosevelt and the new Congress face. Only Lincoln's time was confronted with such perils.

Catholic Charities Drive Opens Sunday

ARCHBISHOP MEYER TO OPEN APPEAL WITH TELEVISION ADDRESS SATURDAY

The annual Catholic Charities and Seminary Fund campaign which will be conducted from Mar. 16 to 30 this year, seeks \$854,380.00 to provide the minimum funds necessary to maintain the 21 Catholic charitable institutions and agencies in the archdiocese of Milwaukee and retire the indebtedness incurred by the urgently needed building program at St. Francis Major seminary, completed in 1956.

His Excellency, Archbishop Albert G. Meyer will make a direct and personal appeal on behalf of the poor and needy in the archdiocese and the seminary building fund in a television address over WTMJ-TV (channel 4) Saturday, Mar. 15, at 12 noon. The archbishop's talk, which will be addressed to all Catholics in the ten counties of the Milwaukee archdiocese, will signal the opening of the campaign beginning Sunday.

Parish captains have completed organization of their committees of campaign solicitors. It is estimated that 10,000 volunteer laymen and women aid in the collection of the funds.

The archbishop's address will be

broadcast on most of the radio stations in the archdiocese at different times on Saturday and Sunday. A schedule of Milwaukee radio stations and broadcast time follows: WEMP, Sunday, 12 noon; WISN, Saturday, 12:30 p. m.; WOKY, Sunday, 6:45 a. m. Station WBKV, West Bend, will transcribe the address on Sunday at 8:15 a.m.

Locally the quotas are \$1,550 for Holy Trinity and \$450 for St. Bridget's mission. Holy Trinity parish chairman Ralph Remmel will be assisted by T. J. Schoofs, L. Hron, A. Kral, R. Schmidt, W. Lettow, A. Muckerfiede, E. Theusch and A. Zeimet. St. Bridget's chairman Harold Westerman will be assisted by R. Kudek, J. Ruplinger, A. Hawig, Jr., G. Hanrahan, L. Boegel, R. Sippel and Allen Thill.

The above workers will be on hand before and after each mass on Sunday in the hall at Kewaskum and the school at St. Bridget's to accept your donations or pledges. Parishoners who do not appear at the designated places Sunday will be contacted by personal call as the archbishop has requested that every adult person be contacted.

Wisconsin farmers lose well over one hundred million dollars a year during the forage harvest season, says Vic Burcalow, University of Wisconsin agronomist. Loss comes in protein that never makes it from field to barn.

Dairy Day Event to Be Held at Slinger, Alice In Dairyland to Appear

A committee of interested persons in the area of Slinger have taken upon themselves to sponsor a big dairy day to promote good dairying in the area, and to create a lot of interest on the part of a lot of people in the business of producing and selling dairy products.

The date of the big program will be Tuesday, March 25. The location will be in the Slinger High school gymnasium starting at 1:00 p. m. The afternoon program will be designed primarily to acquaint dairymen with techniques in the art of dairying. The evening program will be a family program. Both afternoon and evening programs have been designed accordingly.

There will be exhibits placed in the gymnasium by the businessmen in the Slinger area for everybody to come in and look at. These exhibits will feature various kinds of produce that these people have for sale. A complete list of the exhibits is not as yet available but to date they include: Wisconsin Electric Power company, Strupp Implement, Elmer Happel, Thiel Mill, Malsack Electric, Held and Kramer Hardware, Gundrum Meat Market, Roth-

enbach Furniture, Zwald's Mill, City Service, Joe Gundrum. There will be others on hand for the public to visit during the time of the program.

Featured on the afternoon program will be information on "ventilating dairy barns," and a very fine program on "farm safety" presented by university engineers. Also on the afternoon program will be Gavin McKerrow of the Golden Guernsey Cooperative, Milwaukee, as he talks about "Dairying Looks Ahead." A.D.A. will have a representative in the afternoon.

In the evening the program will get underway at 8:00 p. m. with Alice in Dairyland appearing on the program. There will be other information on utilizing dairy products. A complete program will be listed in this paper next week. Plan now to attend the first annual

dairy day in Slinger on March 25. "Alice in Dairyland" represents the Wisconsin Dairy Industry. As wholesome as can be with a charming personality, who could be more representative of the dairy industry or the Wisconsin population.

She was recently crowned "Queen for a Day" in California, and has traveled throughout the entire nation telling people about the fine Wisconsin dairy products available to them.

She will be on the program to tell about her experiences as "Alice" and to talk with other boys and girls about the importance of good wholesome activities that have been her good fortune for the past year.

Around the Town

Did you miss us last week? Bet you never even noticed this column didn't appear!

Our congratulations to Manager "Cisco" Backhaus and members of his Chev's basketball team for winning the grand championship in the Land o' Lakes northern division for the fourth straight year and the seventh time in nine years. It's getting to be a habit with them. Our community should feel proud in having such a fine team and of the enviable record they have established in a very strong league, boasting many former college players. Remember, Kewaskum is the second smallest town in the league and won their laurels in competition against much larger cities like West Bend, Beaver Dam, Hartford, Horicon, Mayville and Cedarburg. The players also deserve a big pat on the back for sticking together season after season and keeping Kewaskum on the basketball map with a topnotch, veteran, title-winning team. Special congratulations also to Johnnie Tessar, perennial individual scoring champion in the Lakes, for copping top honors again this year.

While in a congratulatory mood we also want to take our hat off to Coach Ernie Mitchell and his high school Indians, who had a very successful season, before ringing down the curtain on another basketball year. The Indians, not conceded to be a contender in their conference at the start of the season, came along fast to tie for second place in the standings. They also won the sub-district tournament championship and as a result advanced to the district meet at Westfield. Although defeated in their opening game at Westfield, that was as far as they could be expected to go, except possibly for a victory over Oakfield in their first contest.

The W.I.A.A. could do a lot of improving on their schedule arrangement for district tournament games. This year Kewaskum had to travel all the way to Westfield (near Portage) for tourney play. Last year they competed at De-

Forest (near Madison). It doesn't make much sense for teams like Kewaskum and Oakfield, only about 20 miles apart, to both travel about 80 miles out of their way to face each other. Sub-district meets were held at Kewaskum, Slinger, North Fond du Lac and Kohler. Why couldn't the winners in each of these tournaments or others nearby be pitted against each other in a district meet at some central point closer to home?

Being host to a sub-district tourney for the first time this year, Kewaskum Community High school handled the event very thoroughly and made a big success of it. Regardless of how teams turn out during the regular season, a feverish pitch is always reached by the

players, students and even the adults for the red hot tournament games to climax the season. When all the sub-district, district, sectional and regional meets are completed, only eight teams in the entire state still survive for the state championship tourney at Madison. These tournaments are really colorful, somewhat like the World Series in baseball on a small scale, with the crowds and noise, the competitive spirit, the desire to win, the peppy cheerleaders, the decorated gyms, and so on. For once this year our spacious gym (seating 1,400) provided plenty of room for everyone to have a good seat for the tournament games. Our thanks, too, to the school for recognizing the

day and we couldn't let that great day pass without mention. While in season here's a little Irish joke to go with it:

"Pat, what's this I hear about ye joining up with the communists? Be ye daft, man?"

"It's the truth, Mike. I signed up last week. The doctor told me I had but ten days to live and 'tis better one o' thim communists die than a good Irishman."

And following right on the heels of St. Pat's day will be the first day of spring next Thursday, Mar. 20.

Just pennies a load is all you pay to dry the CLEAN, SAFE, FAST Electric Way

*Electric clothes drying
gives you more for your money
than any other automatic drying*

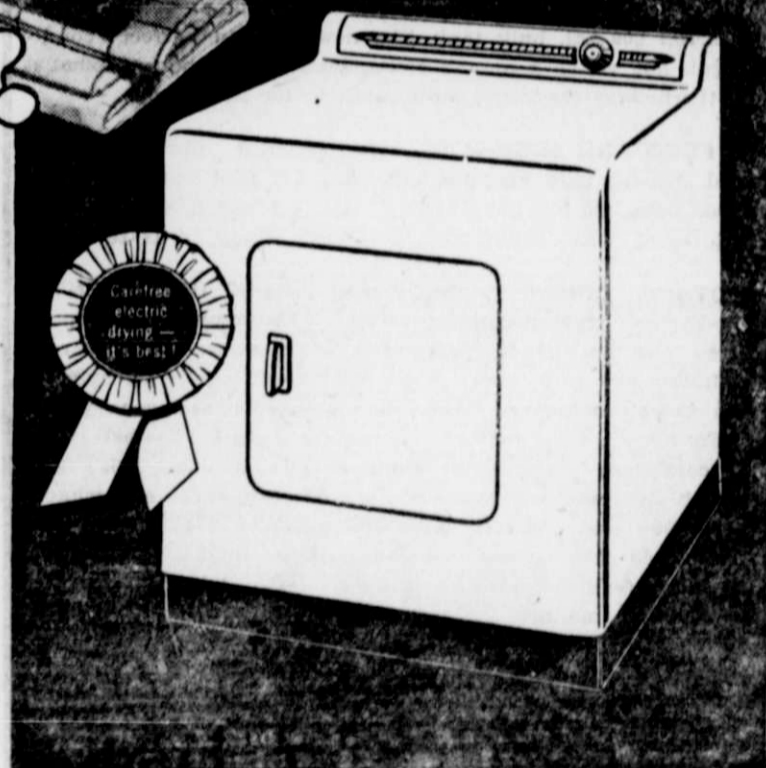

Economical The heating element in an electric dryer is simple, rugged, fool-proof. It's a single unit, and because electric heat is simple to control, few parts or controls are needed. That's why an electric clothes dryer costs less to buy — as much as \$30 to \$50 less, depending upon the model. Fewer parts mean less things to go wrong. That's why electric dryers require less service and maintenance than other types.

Clean Your clothes are dried in clean, radiant, electric heat, as clean as electric light. Because there are no flames or fumes, there are no products of combustion. Clothes come out soft and sweet-smelling — with whites white and colors bright. Clothes last longer — look better.

Safe Clean electric heat adds no impurities to the air — there are no products of combustion. It is the only type of heat that does not consume the oxygen of the surrounding air. You're safe and sure with air that's pure.

Fast The electric clothes dryer is fast — but it does not sacrifice drying quality for unnecessary speed. No waiting for the dryer to catch up with the washer. You can really run a production line.

Kewaskum Chevs Win Lakes Championship Again, Defeat Beaver Dam Five in Overtime

Title Is Fourth In Row, Seventh In Nine Years

TESSAR SCORING CHAMPION AGAIN WITH 432 POINTS, 30.12 AVERAGE A GAME

Hail the champions! The Kewaskum Chevrolets won the Land o' Lakes northern division championship for the fourth year in succession and for the seventh time in the last nine seasons by nosing out Beaver Dam in overtime there Sunday afternoon, 76-74, in the final tilt of the season.

The big win at Beaver Dam gave the Chevs the title in both halves of the split season without a play-off. Kewaskum tied Mayville for the first half crown and then defeated them in a playoff for the title. The Chevs then proceeded to win the undisputed title in the second half and cop the grand championship. Kewaskum finished the second half with a 6-1 record followed by West Bend in second with 5-2. Beaver Dam and Horicon, which lost to West Bend Sunday, 95-86, ended up in a tie for third with 4-3.

So it's all over for another season and Coach 'Cisco' Backhaus' Chevs can make room on their display shelf for another trophy. A setback at Beaver Dam would have necessitated one or more playoff games for the crown.

Unstoppable John Tessar, regularly the high scorer in the league, again won the individual scoring championship with the amazing total of 432 points scored in 14 loop games, an average of 30.12 points per game. Tessar did the best in the second half, scoring 231 points compared to 201 in the first half. His top production for the campaign was 44 against West Bend in the second half here. He also scored 43 in the last game of the first half at Mayville. His lowest totals were 16 at Horicon in the initial half and 18 against Horicon here in

the last half. Horicon was the only team to hold him down, limiting John to 34 points in two contests.

Kewaskum won the title at Beaver Dam in great fashion, a very close thrilling battle, typical of the torrid games played in the Lakes circuit. It was a fight right down to the wire with the game ending in a tie and forcing the Chevs into overtime to eke out a win. Appropriately, scoring champion Tessar finished the season in a blaze of glory. His 25-foot jump shot with less than 10 seconds to play in the overtime gave Kewaskum the victory and title. The other teams in the league really go all out and extend themselves to the limit to try and knock off Kewaskum. It seems every team is up for the Chevs.

The situation looked pretty sick for the Chevs in the first half at Beaver Dam. The Beavers got off to a whirlwind start while Kewaskum couldn't get rolling. They trailed at one time in the second quarter by 21 points and were still behind by 14 at the half, 47-33. As has been their style all season, and coming through like true champions, the Chevs came back in the second half to eventually win in overtime. Kewaskum narrowed the gap to nine points, 64-55, in the third period. Then came the last quarter rally in which they tallied 19 points to the Beavers' 10 to knot the final score at 74-74. Tessar's two points in the overtime were the only ones scored.

Tessar was high point maker in the tilt with 28 for the afternoon. His mates gave him a lot of help, Don Meisenheimer scoring 18, Frank Krueger 16, Bob Stenman 9 and Augie Bilgo 4. Top scorers for the losers were Rochwite with 21 points, Wheeler 16, Paul Cloyd 15 and Fred Miller 9. Free throws almost won the game for Beaver Dam. They sank 22 to Kewaskum's 14.

Indians Lose Opener In District Tourney At Westfield, 47-38

OAKS ELIMINATE KEWASKUM; ALSO LOSE CONSOLATION GAME TO ELROY, 61-55

The Kewaskum Indians, who won the W.I.A.A. sub-district championship in tournament play here the week before, advanced to the district meet at Westfield last week and got exactly no place, except for the trip. They were eliminated from the championship running in their first game Thursday night by Oakfield, also of the Valley Tri-County conference, 47-38. In the second game for consolation honors Friday night they lost again, this time to Elroy High, 61-55.

The Indians and Oakfield split in two meetings during the regular season, each winning the home game. In the other opening night game Montello beat Elroy easily, 64-47. Montello went on to down Oakfield in the championship finals Friday, 59-54, and advance to sectional play at Wisconsin Dells.

According to reports from those who attended the tourney, Kewaskum's play against the Oaks was not up to its usual standard, or they might have won. The team got off to a slow start in the first half, scoring 8 points in the first quarter to Oakfield's 10, and only 5 in the second period to 12 for the winners. This made it 22-13 at the end of a light scoring first half. The Oaks maintained their margin as both teams scored exactly the same number of points, 12 in the third

stanza and 13 in the final quarter. Oakfield sank 15 free throws to only 6 for the losers. Each team made 16 field goals. Kewaskum committed 22 fouls and the Oaks only 14.

Vince Huth led Oakfield with 12 points, followed by Joel Ryan with 10, Tom Ryan with 9 and Jerry Schaefer with 8. Mark Rodenkirch was high point man for the Indians with 11 and next were Jerry Nigh with 10 and Norm Rodenkirch 9.

The Indians brought the season to an end by again losing out Friday night to Elroy High, 61-55, in the consolation contest. This tilt was closer than the one the night before against the Oaks as the Indians went down by six points.

WEST BEND, CAMPBELLSPORT
MEMBERS TO BE GUESTS
OF WOMAN'S CLUB

The Kewaskum Woman's club will be hostesses to the members of the Campbellsport Woman's club, the West Bend Woman's club, and Town and Country club on Saturday, March 15.

The program committee has arranged with the Truesdell Fur company of Berlin to present a fur style show with members of the local club serving as models. This will be an open meeting to which the public is invited and will be held in the auditorium of the old high school at 3 o'clock. Club members are reminded that a business meeting will precede the style show and is scheduled to begin promptly at 2:30. On the agenda is election of officers.

Hostesses for the afternoon include Mrs. Ernest Mitchell, Mrs. K. W. Koepke, Mrs. J. D. Reigle, Mrs. H. B. Rosenheimer, and Mrs. C. F. Schaefer.

Householders are shifting more and more from the single quart to the half-gallon container when they buy milk.

A SUCCESS STORY

MADISON, WIS.—Love, courage and determination plus faith in the world and in each other is the unbeatable combination that is helping two severely crippled parents lead a happy married life. They are Mr. and Mrs. Roland Delamater of Madison, Wis., both born with cerebral palsy, who received the coveted "Who's Crippled?" citation from the National Society for Crippled Children and Adults, the Easter Seal Society.

Mr. Delamater

Co-sponsored by the Wisconsin Easter Seal Society, the award was given during the 1958 Easter Seal campaign, which opened March 6 and continues through Easter Sunday, April 6. The citation was presented by Mrs. Marvin Bump, president of the Dane County Easter Seal Society, at a special testimonial dinner held for the Delamater family at Madison's Eagles Club, Tuesday, March 11.

Roland, 28, met Winnie Alton when they attended Camp Wawbeek, the Wisconsin Easter Seal Society's summer camp in the Wisconsin Dells in 1949. They were married the following year, and today they are the proud parents of two healthy little girls, Ronalee, 4½, and Sandra, 6.

Earning a living is not always an easy task for a victim of cerebral palsy as their handicap rules out many jobs. However, Roland takes pride in his work as a maintenance man at the University of Wisconsin. He is also a steward of Local 171, State, County, and Municipal Employees Union.

Winnie, who earned her living by taking care of children before

her marriage, augments the family income by "baby sitting" for a Madison couple who bring their 15-month-old son to the Delamater home each day while they go to work.

Tragedy threatened the Delamater home in the fall of 1954 when both daughters were stricken with polio. Sandra was confined to the Wisconsin Orthopedic Hospital for nearly six months. However, Roland and Winnie never once lost faith or became discouraged, and through their courage, faith and prayers, both girls gradually regained their strength and today show little effect of their illness.

The recovery of both girls served as a challenge to Roland in helping other crippled children when two years ago he headed up a state-wide

volunteer drive among Camp Wawbeek alumni and raised more than a thousand dollars for a new swimming pool at the Easter Seal camp. He later spearheaded a local Madison campaign for more funds as chairman of a benefit sponsored by the Madison Happy Hour Club.

Both Roland and Winnie have been active members of the Happy Hour Club and are outstanding leaders among the Wawbeek Alumni group and in other civic projects in Madison.

They serve as a shining example of how the crippled can become self-supporting and contributing members of society. Roland sums it up when he says, "What makes us very proud is the fact that we are completely independent."
