NUMBER 41

Public Schools to Open Sept. 2 With New High Enrollment of 625; Record 325 in High School

Freshman Class of 109 New High; Hire 27 Teachers, 8 New

300 EXPECTED IN GRADES;
NEW DEPARTMENT ADDED

The Kewaskum Public Schools will open on Tuesday, Sept. 2, at 9:00 o'clock, with a record enrollment of approximately 625 students expected. The grade and high school cafeteria will start on Wednesday, Sept. 3. Lunches for the remaining three days of the week will be 75c and must be paid for on Tuesday, the first day of school.

A record freshman class of 109 is already registered. The high school enrollment is expected to reach a new high of approximately 325 students, about 30 more than last year.

Eight new teachers, five of whom are replacements, will be added to the public school faculty staff, it was announced by Principal Clifford Rose. Several teachers have been employed to replace people who were on the staff last year, and others have been employed to take care of the increases in enrollment in both the elementary and high school. The high school staff and the areas in which they will be teaching follows:

Walter Bade—Physical Education, Science, Coach.
Donald A. Beyersdorf—English.
Margaret E. Browne—Commercial.
Earl A. Buswell—English, Social Science.
Anna Mae Delfeld—Library, English.
Esther Hanselman—Mathematics.
Eugene D. LaMarche—Biology, History.
Betty Loppnow—Physical Education, Social Science.
Ernest Mitchell—Science, Guidance, Coach.
Bernard Murray—Vocational Agriculture, Science.
Ralph K. Poelling—History, Social Science, Debate.
Mary Lou Porinsky—English, Spanish.
Theodore W. Sinclear—Music.
Edward J. Slegler—Mathematics, Science.
Mary Alice Weber—Homemaking.

Howard Zemlicka—Industrial Arts, Science.

Mrs. Robert Stohacker will be teaching all of Miss Browne's commercial subjects until she returns to teaching. The school regrets that Miss Browne was involved in an automobile accident making it necessary for her to spend a number of weeks in the hospital and at home recuperating.

Due to the increase in enrollment in the grades which will have about 300 pupils, or about 25 over last year, a new teacher has been employed to teach a split grade made up of second and third graders. This addition will bring the elementary school staff to eleven,

as follows:

Kindergarten—Methelda Evans.
First grade—Sylvia Schultz.
Second grade—Eileen Caldwell.
Third grade—Angela DeWitt.
Combination second and third grade—Hope Miller.
Fourth grade—LaVerne Hron.
Fifth grade—Helene Miller.
Sixth grade—Richard D. Guse.
Seventh grade—Rebecca Erber.
Eighth grade—James C. Morrissey.

Special education—Geraldine Sinclear.

A new department for the education of exceptional children will be opened for the first time this fall under the supervision of Mrs. Geraldine Sinclear. This group will meet in the former music room in the old building.

The new people in the elementary school are:

Mrs. C. E. Evans, West Bend, replacing Beatrix Larson as the kindergarten instructor. Mrs. Reuben Schultz, who for the past two years has been teaching in Campbellsport, replaces Mrs. Genevieve Frahn. Mrs. Angela DeWitt, who has been teaching at Babcock, Wis., replaces Mrs. Geraldine Sinclear, who will be in charge of the special education room. Hope Miller, who for the past two years has been teaching in the schools of Richland Center, will teach a split grade made up of second and third graders.

The new people in the high school are:

Mary Weber, a graduate of Alverno College, replaces Violet Gorkam as the homemaking instructor.

Howard Zemlicka, a graduate of Wisconsin State College at Platteville, replaces Leland Rose as the industrial arts instructor.

Edward Slegler, a graduate of Carroll College, has taught several years in Illinois and Wisconsin high schools. Mr. Slegler has come to the school directly from Sauk City and has been employed to teach mathematics and science.

Ralph Poelling, a graduate of Northern Illinois University, who taught in the high school at Somonock, Illinois, comes here from the University of Wisconsin where he has just obtained his master's degree. Mr. Poelling will teach history and social science and coach debate.

It is the hope of the administration that parents will insist that their children be in regular attendance. It is only through regular attendance that children maintain a high interest in school and school activities. Regular attendance usually reflects a higher degree of performance. State aids to elementary and high school are based upon average daily attendance, so the greater the average daily attendance, the greater the aids received from the state department.

At the time of registration of kindergarten students last spring a determination was made whether or not the children would report to the morning or afternoon ses-

50th Wedding of St. Kilian Couple

Their golden wedding anniversary was celebrated Saturday, Aug. 16, by Mr. and Mrs. Peter Hurth of St. Kilian. Planned by their children, the event began with a 9 a. m. Mass of Thanksgiving read for the couple by Father John Reichel in St. Kilian's church. A dinner was served at Krueger's hotel, Theresa, and a reception was held from 2 to 5 p. m. for 75 guests at the Joseph Batzler home, St. Kilian.

Mr. and Mrs. Hurth were married at St. Mary's church, Lomira, on Aug. 18, 1908, by Fr. Frank Burg. Mrs. Hurth, the former Susan Kraemer, was born at Lomira on Feb. 22, 1888. Mr. Hurth was born in the town of Ashford on May 31, 1883. He is a retired farmer and since retiring from their farm near St. Kilian 10 years ago they have lived in St. Kilian.

The couple has five daughters, Mrs. Mary Dietsberger of Hartford, Mrs. Joseph Batzler of St. Kilian, Mrs. Reynold Bonlander of Allenton and Mrs. Ralph Kern of Kewaskum, and seven grandchildren. Mr. Hurth has a brother John and three sisters, Mrs. Nic. Uelmen, Mrs. Al Herriges and Mrs. Bernard Wondra. Mrs. Hurth has two sisters, Mrs. John Hurth and Mrs. Elizabeth Fischer.

Guests present at the celebration included the four attendants at the wedding 50 years ago. They are Anna Weber and John Weber of Milwaukee, Mrs. Elizabeth Fischer of Fond du Lac and John Hurth of Boyd.

The Hurths received many beautiful gifts, flowers and cards on the occasion. In addition to neighbors and close friends, guests came from Durand, Mayville, Milwaukee, Kewaskum, Barton, West Bend, LeRoy, Fond du Lac, Boyd and Campbellsport.

FISHERMAN SUFFERS HEART ATTACK AT CROOKED LAKE

Otto Pischke of 4705 N. 148th st., Brookfield, was taken to St. Joseph's hospital, West Bend, in the Kewaskum ambulance Saturday morning when he suffered a heart attack while fishing on Crooked lake northeast of here. Pischke was brought to a local physician's office and then taken to the hospital for treatment.

NEWLYWEDS, FARM WOMAN MOVE TO EGERER BUILDING

Mr. and Mrs. Myron Prost, recent newlyweds, have moved into the lower front apartment of the Elroy Egerer building on Main st.

Mrs. William Ereseman of the town of Kewaskum has moved into the rear upper apartment in the Egerer building.

Unstable land means an unstable agriculture.

Directions for kindergarten. Those kindergarten students assigned for the afternoon session should report at 1:00 o'clock.

The kindergarten and grades one, two and three will be housed in the new grade school building. Grades four through eight will be meeting in the other building.

Indians Get Set to Open Play in New Scenic Moraine League

3 Killed, 5 Hurt in Crash Near Barton

A Barton young man and two members of a Milwaukee family were killed in a two-car crash on Hwy. 14, one-half mile northeast of Barton at approximately 8:35 p. m. Friday, Aug. 15.

Killed were Wayne Fuller, 20, of Barton, Robert Lemanczyk, 41, of Milwaukee, and Ruth Lemanczyk, 10, his daughter.

Taken to St. Joseph's hospital, West Bend with injuries were Mrs. Margaret Lemanczyk and three other children, all passengers in the northbound auto. The children are Paul, 6, Judy, 3, and Tom, 15. The passenger in the Fuller vehicle, Peter Geib, 23, of Barton, also was removed to the hospital. In critical condition were Mrs. Lemanczyk and her daughter Judy.

Authorities said that Lemanczyk was killed at the scene, and his daughter died at 3 a. m. Saturday at the hospital. Fuller died at 4:40 a. m.

Sheriff Alvin Schmidt determined that the Fuller vehicle was moving in the left lane of traffic at the time of the impact.

Tiny Wins Plane Trip And Week End in North

"Tiny" Terlinden, past commander of Robert G. Romaine American Legion Post 384, won a free plane trip and week end for two in the northern part of the state as a Legion membership drive prize awarded by Second District Commander Harry Chapman of Plymouth. The names of all the commanders of posts in the district who went over the top in the membership drive were placed in a hat and Tiny's name was one of the winners drawn.

Tiny, accompanied by a friend and Legion buddy, Donald Seil, took the trip last week end. They were picked up in Fond du Lac by Wayne Carpenter, who owns and operates a flying service at Waukegan, Ill., and flown to Carpenter's Rainbow Lodge on the Chippewa River at Ojibwa. They spent from Friday afternoon to Sunday evening there when they were flown back to Fond du Lac.

REV. HAMMEN PREACHES AT STATE FAIR WORSHIP ON TV

Many local viewers saw the Rev. Clarence Hammen, pastor of Peace E and R church, Kewaskum, give the sermon, "The Mission of the Church" in the TV worship service sponsored by the Wisconsin Council of Churches on Sunday morning, Aug. 17. Rev. Hammen is president of the council. The telecast originated from Radio Hall at State Fair park.

Roy Rogers and Dale Evans, famous stars currently appearing nightly at the State Fair, also participated in the service. They spoke on what Christ, the Bible and deep Christian faith meant to each of them.

Play First Season Of 11-Man Football; 9 Lettermen Back

The Kewaskum High School Indians are getting set for their first year of competition in the new stronger Scenic Moraine conference and first full season of 11-man football. A large squad of players turned out on Thursday morning of this week for their physical examinations and practice will begin late next week. Ernie Mitchell is beginning his 17th year as head coach.

Kewaskum played only two 11-man games last season, one with Campbellsport and the other with North Fond du Lac as members of the Tri-County conference. Otherwise the Indians have played all 8-man football in recent years because of the smallness of some of the schools in the old conference. Because the school and fans alike wanted regulation 11-man football was one of the reasons for pulling out of the Tri-County loop. North Fondy, Campbellsport and Kewaskum, the three large schools, all left the loop to organize the new Scenic Moraine conference along with Slinger, Washington Union High school of Germantown and Grafton. The enrollment in all six schools is increasing rapidly. Germantown, only in its second year as a high school, has increased its enrollment this year by 85 students, including 90 freshmen.

The Indians should be strong contenders this season. The return of nine lettermen and many promising young prospects paint a bright picture for the team. In addition the 109 freshmen registered include a number of promising prospects for the future. The Indians open the 1958 campaign at home against Grafton on Sept. 19.

Returning lettermen include Ralph Herriges, defensive tackle last year; Wayne Coulter, line-backer; twins Bruce and Pat Muckerheide, guards; "Butch" Rodenkirch, junior quarterback who stood out as an exceptionally fine prospect his sophomore year; Ken Theusch, Tom Smith and Ray Wiedmeyer, ends, and Danny Coulter in the backfield. Smith, who weighs over 200 pounds also plays tackle.

After wounding his hand in a gun mishap early last season, Glen Rempel, a good prospect, will be back in the thick of play this year. Three bright sophomore backfield prospects include Bob Berg, Konstantyn Sadownikow and Richie Puerling. Ken Johnson, a junior, should come along fast, as well as several other possibilities. The squad has many young, underclassmen who should develop into stars and make for strong teams in the next few years.

Linemen who indicated last year that they should prove themselves this season include Don Theusch, sophomore, and a trio of seniors, Eddie St. Mary, Jim Marx and Joe Klahn. There could be others who

The Kewaskum Statesman
Aug. 18, 1933

Sheriff George Freund of Fond du Lac county has issued orders that all roadhouses and taverns in that county must get rid of women employees or face arrest. Following complaints several raids were made Monday night by deputy sheriffs. It is claimed that most of the women are strangers and are connected with a "ring" which furnishes women entertainers, with headquarters in Chicago and Milwaukee. A number of places had as high as four "hostesses" to increase their business.

Stanley Arazny and Mrs. Alma Huntzinger returned from Minocqua where they enjoyed several days fishing. They brought home a 30 pound musky, caught by Arazny, which measured 43 inches.

Dr. Leo Brauchle, Jack Andrae, Elwyn Romaine and John Van Blarcom spent Sunday fishing at Townsend. They hooked 16 good sized northern pike.

Mrs. S. E. Witzig is getting along nicely after suffering a stroke recently.

Deaths: Rev. John C. Frohne, 63, Milwaukee, former pastor of Peace E and R church in Kewaskum; Mrs. Math. Hahn, Campbellsport; Casper Straub, 81, of St. Kilian; Mrs. Alex O'Donnell, Crilton, sister of Edw. F. Campbell of the town of Kewaskum; Mrs. Wm. Riley, 94, town of Farmington; Ignatz Schiller, Barton, former town of Kewaskum resident; Anton Kuddek, 89, town of Wayne.

Carl Bruessel, Jr., 16, of West Bend was instantly killed when a truck in which he was riding with his employer, Jos. Matenaer, and Jerome Biersack tipped over in a ditch 3 1/2 miles east of West Bend. Bruessel landed underneath the truck. The others were not injured. Carl was born in the town of Wayne. He was a brother of Clarence and Herbert Bruessel of Kewaskum.

The picnic sponsored by the Washington County Milk Pool Sunday at Schoenbeck's Grove south of West Bend was attended by 6,000 farmers. Walter M. Singler, president of the state organization, was the principal speaker.

Members of the 21st Ward Socialist Party, Milwaukee, and their families enjoyed their annual basket picnic at Wm. Wunder's place Lake Fifteen.

Allen Zahn and family will move into the late John Muehleis home on Main st., having rented it from the owners, Rev. and Mrs. John Frohne.

County Chairman N. W. Rosenhelmer spent a few days serving on the Washington County Mediation Board.

The treasury department at Washington invites bids for the construction of a new postoffice at West Bend. The limit of the cost of construction is \$94,500.00.

Agent A. P. Schaeffer received

30 souvenir admission tickets to the World's Fair selling at 50c each. These tickets sell for 75c at the gate. When you go to the Fair get your tickets from Tony.

REINDL TO ATTEND FINAL CAMP WAWBEEK SESSION

The summer's final group of campers will arrive at Camp Wawbeek Aug. 24. With the close of the season on Sept. 6, almost 600 physically handicapped Wisconsin residents will have enjoyed two week vacations at the unique camp in Wisconsin Dells.

Although severely disabled, the 60 campers in this last session will enjoy most camp activities, espec-

ially the greatly needed fellowship afforded them through this experience.

From this area the Wisconsin Easter Seal society announces that camp reservations have been made for Gilbert Reindl, R. 2, Kewaskum.

If you plan to refrigerate cut flowers, put them in a plastic bag for better preservation.

School Dist. Sells Bonds for Less Than 3%

Despite a decline in the National Bond Index to a year's high in interest rates, joint school district No. 1 of the village of Slinger and the towns of Addison, Hartford, Polk and West Bend sold bonds under 3 per cent, Harry Sheski, county superintendent of schools, has announced.

Nine bidders met in Sheski's office at the courthouse in West Bend on Friday, Aug. 8, to take part in a public auction of \$105,000 school district refunding bonds. Representatives of four Chicago, three Milwaukee, one Madison, and one New York brokerage firms were on hand for the auction.

The low bid of the Harley-Haydon Co., of Madison, was accepted following the bond sale. The successful bid of 27/8 per cent, plus a cash premium of \$251, produced a net interest cost to the district of 2.84 per cent. The Investors Service Co., Milwaukee, a municipal finance service, handled the preparation and sale of the bonds.

The funds received from the sale of the bonds will be used to repay several school district loans. Members of the school board expressed complete satisfaction with the sale. It was found that this method of financing gave the district an opportunity to obtain

funds to meet current needs through these loans, and later consolidate them into a bond issue to take advantage of its benefits and low interest rates. In this issue, a 1/8 per cent saving in interest is equal to \$1,010.

Members of school board and supervisor for the district are Jacob Oelhafen, director; Albert C. Theil, clerk; Jerome P. Faust, treasurer; Tom Weinert and Albert Funk, members, and Gus C. Boll, superintendent.

Vocational School To Hold Open House

LOCATED IN NEW QUARTERS OF ADDITION TO WEST BEND HIGH SCHOOL

The Vocational School of West Bend, located in their new quarters of the recent addition of the high school, announces their open house on Saturday and Sunday, Aug. 23 and 24. The public is cordially invited to attend from 2:00 to 4:00 p. m.

There will be a number of interesting displays to acquaint the public with various types of classes offered each year on the night school program.

All the homemaking classes that were formerly located in the Masonic Temple, downtown, have been moved into the new section for greater convenience.

Teachers on the West Bend Vocational School staff will be present throughout the afternoon to serve as guides and to answer inquiries regarding subject matter and requirements for registration in the courses. Anyone who would like to register may do so at that time.

As has been customary in previous years, the night school classes will resume in October.

NOTICE

In a letter, recently received by the Village of Kewaskum from the State Board of Health, the village citizens were severely criticized for their lackness in observing the rules regarding the preparation of garbage and rubbish for collection.

All citizens are hereby reminded of the basic rules governing garbage and rubbish collections.

1. All garbage must be securely wrapped in several layers of paper (the more the better) and placed in a metal container of not more than 20 gal. in size nor may container weigh more than 70 lbs. Container must be fitted with a tight fitting cover. Containers should be washed and aired after each collection. All household refuse which is burnable should be considered as being garbage. Garbage is collected each Monday and Friday and it is suggested that containers be placed at the curb the evening previous to the collection day.

2. All rubbish (non-burnable household refuse) must be in separate metal containers. The size and weight limitations are the same as for garbage containers. Rubbish is collected every other Wednesday and again it is suggested that containers be placed at the curb the previous evening. It is also suggested that all tin cans be rinsed with water before being placed in container. Such items as tree limbs, garden weeds and plants, grass, corn husks, apple rakings, etc. should be considered as rubbish and will be collected as such. Any person failing to observe the above basic rules will be reported to the Health Department and collection service will be refused until conditions are corrected.

New Dessert Surprise

Angel food cake and ice cream, summer's popular dessert combination go together in new form in Angel Cream Loaves which you can make ahead of time, and freeze until needed. The whipped cream "frosting" and strawberry garnish are added at the time of serving.

Packaged loaf angel food cake from your grocer's ready-to-eat cake department and ice cream are your basic ingredients. And when put together, you may package for future use either in complete loaf form, in "twins" (cut in half), or if your family is very small, the completed loaf can be cut into servings for two and packaged.

Try Angel Cream Loaves for a family dessert, and one to prepare ahead of time for guests. It's one that will wait while your last minute attention is given to vegetables or some other part of the menu.

Angel Cream Loaves

1 packaged un-iced angel cake loaf 1 pint strawberry ice cream
1 pint chocolate ice cream Sweetened whipped cream

Fruit Garnish

Slice cake crosswise into three even layers (use toothpicks in sides of cake as markers for even slices). Soften ice cream slightly. Cut chocolate ice cream into 4 even slices. Arrange on bottom layer of cake. Cut strawberry ice cream into 4 even slices. Arrange slices on second layer of cake. Spread to cover cake. Cover with top layer. Cut bar in half or into smaller portions. Wrap securely in foil or other self-sealing material. Store in freezer. Before serving frost with sweetened whipped cream, or if preferred, slice and serve with sweetened strawberries. Makes 10 to 12 servings.

Fun for everyone...

Chocolate Milk

Around the Town

How about that beautiful rain Wednesday evening? It rained steadily and pretty heavy for several hours, really soaking up the ground and saving the remaining parched crops. For once there was little wind and no damaging hail with it. It was about the best rainfall we've had all summer and was badly needed. Even many creeks were drying up and rivers very low. Some years we complain of too much rain and this year it makes the farmers jump for joy it is so rare.

The deer hunting group known as "Buckshot's Buccaneers," and wives and families held their annual backwoods barbecue in Buckshot's highland hideout Sunday afternoon and except for a few bee bites the affair was enjoyed by all. Usually held around the spring (don't know what they would need water for) this year's affair was moved to high ground and held in the woods at the top of the big hill. The gang was so high they claimed they could see Barton. Must have used mountain goats to haul the steak and equipment way up there.

These new cars come with all kinds of accessories and equipment but Sunday night was the first time

we saw one with a garbage can on top of it, garbage and all. Hope this isn't standard equipment on the new models, Billy.

Thanks to Ed Theusch for the generous sample of his sweet corn he brought in Thursday morning and which he has for sale. That's really sweet corn, Eddie!

Remember when "Yes, We Have No Bananas" was No. 1 on the hit parade? You're getting old if you do. Then there was "Ain't We Got Fun," and "Jimmy Had a Nickel" and others. We thought the modern music was bad then but since that time it has really gone a long way—down. Now the hit songs have such pretty melodies and romantic words like "Ya, ya, ya, da, da, da, yuk, yuk, boom, boom, boom, la-de-dah, ah, ah, oh boy, let's go, do, do, do, ba, ba, ba," etc. The song writers who used to earn their money would turn over in their graves if they heard the 1953 versions. There actually is no words or music to the songs—just a blast and some uttering they make all through them, sort of like a moan or cry of terror.

Former resident Andy O'Connell of Greenbelt, Md. sends his renewal and a note reading: "Sorry we didn't get out to Kewaskum when we were up there in Wisconsin last month but we'll make it

next time. Best wishes."

We've heard of people sleeping in all kinds of strange places but Tuesday night was the first time we learned of someone sleeping on his car horn. It aroused the neighbors who in turn aroused the driver.

Although many cities and plants are going through a so-called recession period at present we are happy to report that Regal Ware, Inc. here is going strong now. Two shifts are working, all former employees have been called back, and the company has been advertising for more help. A convention of Regal Ware salesmen from all parts of the country was held here several days last week end. Our big-

gest trouble now is the shortage of homes. We've had at least seven inquiries for places to live the past week in our shop from out-of-towners.

The 4-H Corner

BY BOB STODOLA

Washington County 4-H Club Agent

August 16-24 are the State Fair dates. Besides the clothing and livestock exhibitors we have several 4-H members from Washington county taking part. Ralph Mayer a member of the State Junior Leaders Council will be an attendant at the Youth Building for part of the fair. Aldwin Seefeldt of Kewaskum will participate in the

state 4-H band. Sally Bernhard will work in the crafts booth and demonstrate the basketry crafts there. Barbara Flasch is the delegate from Washington county in the demonstration program. Mary Muth and Susan Kissinger are the girls selected for the State Fair dress revue. We are mighty proud of all of these who have done excellent jobs and are selected for participation in the State Fair.

ANNOUNCE BETROTHAL

Mr. and Mrs. Lester Butschlick, Campbellsport, announced the engagement of their daughter Patricia Mae to Ronald Loomis, son of Mr. and Mrs. Stan Porubcan of Long lake. Loomis was recently released from the air force.

A NUTRITIOUS LUNCHEON PLEASER

Make luncheon as pleasant as any other meal, whether it's for hubby and the youngsters or as a solitary repast for yourself. It's not a meal to be skipped or brushed over lightly in an attempt to lose a pound. Here is a chance to gain plenty of vim, vigor and vitality along with vitamins.

A fruit salad with cottage cheese, homemade nut bread sandwiches and chilled buttermilk is a menu everyone will enjoy. Buttermilk, that year-round favorite beverage, goes into the making of this nut bread, giving a moist loaf with a delicate flavor, characteristic of buttermilk made bread and cakes.

Nut Bread

3 cups sifted all-purpose flour
 1/2 teaspoon salt
 1/4 teaspoon soda
 2 teaspoons baking powder
 1 cup brown sugar, firmly packed
 1 cup coarsely chopped walnuts
 1 egg
 2 tablespoons molasses

1 1/2 cups buttermilk
 3 tablespoons melted butter

Sift together the flour, salt, soda and baking powder. Add sugar and walnuts. Beat egg until thick and lemon-colored; add molasses and buttermilk. Combine with first mixture along with melted butter. Stir only to blend ingredients. Do not beat. This will be very thick.

Spoon the mixture into a well-buttered loaf bread pan, 9x5x3 inches, making slight hollow in center. Let stand 20 minutes before baking. Bake in a moderate oven (350 degrees) for about 60 minutes or until a wooden pick thrust into the center comes out clean. Turn out of pan onto wire rack to cool.

Don't let it bother you if the loaf cracks across the top during the baking. Most all of them do!

This bread may be served warm or cold. To slice thinly for sandwich making, it is better to have it a day old.

NOTE: One-half to three-fourths cups chopped figs, dates or raisins may be added along with the nuts.

NOW... Double convenience and economy

...with a space-saving combination

Electric REFRIGERATOR-FREEZER

A modern combination electric refrigerator-freezer gives you double convenience and economy.

You get two appliances in one—a refrigerator and a freezer in one space-saving unit. It's the modern way to stretch a small kitchen or make a big one extra convenient. Saves shopping trips, meal planning and food preparation time.

Enjoy the convenience and economy of a new combination electric refrigerator-freezer. See any electric appliance dealer for prices and models.

Our Police Chief Says

Complaints have been coming in on dogs howling at night in the village. Anyone having a dog that howls should keep it inside buildings during the night.

If a quart or whole milk per person were purchased each day, much of the daily food requirement for the average person would be obtained. Half of the protein, all of the calcium, and nearly all the riboflavin needed by the average adult are in a quart of milk. In addition, significant amounts of vitamin A and thiamine would also be included. Milk is indeed an economical food to buy.

Watermelon—Iced Tea Punch

A watermelon is an ideal base for a do-it-yourself punch bowl. And a tea concentrate is just perfect as a base for a variety of fruit punches.

Watermelon Tea Punch

- (Makes 36-40 punch cup servings)
- 4 cups boiling water
 - 1/2 cup loose tea
 - 1/2 cup crushed mint leaves
 - 1 cup sugar
 - 1 can apricot delight
 - 1 cup pineapple juice
 - 1/2 cup lemon juice
 - 1/2 watermelon, cut lengthwise
 - Watermelon meat, cut in cubes
 - 1 quart chilled sparkling water
 - Mint leaves

Bring water to a full rolling boil in a saucepan. Remove from heat. Immediately add tea and crushed mint leaves. Brew 5 minutes. Stir and strain into container. Add

sugar. Stir until dissolved. Cool. Add fruit juices and watermelon cubes. Chill. When ready to serve, place block of ice or ice cubes in watermelon shell. Pour punch over ice. Add sparkling water. Serve in punch cup with sprig of mint.

Royal Tea Punch

(Makes about 25 servings)

- 2 cups boiling water
- 1 tablespoon tea
- 4 cups grape juice
- 2 cups grapefruit juice
- 4 cups gingerale or club soda
- Sugar to taste

Bring 2 cups water to full rolling boil in saucepan. Remove from heat. Immediately add tea. Brew 4 minutes. Stir and strain into pitcher holding remaining ingredients. Add sugar to taste. To serve, pour over block of ice in punch bowl.

Cool Off With Iced Tea

Iced tea is a real boon to the woman who watches her budget and her figure. Next to water iced tea is the most economical beverage available, and it has practically no calories—except for what you put in it. Because it is non-filling and non-fattening you can drink all you want.

There's a brand new way of making iced tea by the pitcherful—in an open saucepan. The new method requires less utensils, less ice cubes and can be kept out of the refrigerator, thus leaving more room for perishable foods.

It was especially designed for women who like to do their summertime cooking in the morning. By using the new method, you can make iced tea by the pitcherful and keep it 5 or 6 hours without any appreciable loss of flavor or quality. It also makes it possible to have plenty of iced tea handy to serve your family any time of day.

Iced Tea—Open-Saucepan Method

(Makes about 2 quarts)
Bring 1 quart of freshly drawn cold water to a full rolling boil in a saucepan. Remove from heat.

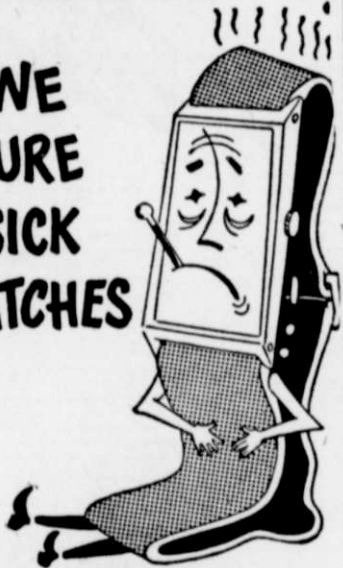

Immediately add 1/4 cup loose tea (or 15 teabags). Brew 5 minutes. Stir and strain into a pitcher holding 1 quart of cold water. To serve, place 2-3 ice cubes in a tall glass. Fill with tea. Add sugar and lemon to taste.

Concentrated Lemonade Tea Base

- 2 cups fresh lemon juice
- 1 tablespoon grated lemon peel
- 1 1/2 cups sugar
- 2 cups boiling water
- 7 teabags

Combine lemon juice, grated peel and sugar stirring well to dissolve sugar; set aside. Pour boiling water over the teabags. Cover. Brew tea 5 minutes. Remove teabags. Pour tea into lemon juice mixture. Cover tightly, keep cold. For each serving pour 1/4 cup of this base into large glasses. Add ice cubes, fill with water.

INDIANS

(CONTINUED FROM PAGE ONE)
will make the first team.
The Kewaskum grid schedule follows:
Sept. 19—Grafton at Kewaskum.
Sept. 26—Kewaskum at North Fond du Lac.
Oct. 3—Kewaskum at Slinger.
Oct. 10—Campbellsport at Kewaskum.
Oct. 17—North Fond du Lac at Kewaskum.
Oct. 24—Kewaskum at Campbellsport.
Oct. 31—Slinger at Kewaskum.
Because of previous commitments, Grafton and Washington Union High will not compete for Scenic Moraine conference laurels yet this fall.
The Indians will probably practice on the new high school grounds but play their games on the established, lighter athletic field.

St. Lucas Team Is Cross Country Champ

The St. Lucas Lutheran church team of Kewaskum has won the undisputed championship in the Cross Country Softball league with a record of 9 wins and 2 losses for the season. They clinched the crown by beating Cascade 8-6 Monday night at Adell.
On Wednesday night members of the St. Lucas team played in the all-star game at Adell in which the western division stars defeated the eastern stars, 6-4, in a game that was called by rain after five innings. Western teams represented in the game were Kewaskum, New Fane, Kohlsville and Town Scott.
Don Meisenheimer starred by hitting two fence clearing home runs. Other Kewaskum players on the star team included Dick Edwards, catcher; Bud Korth, centerfield; Augie Bilgo, first base; Eugene Muench, pitcher; Orv Behnke, manager, and Roger Schlef, 1st base coach.

Yanks Blast Braves 30 To 13, Cubs Win One

LITTLE LEAGUE

	Won	Lost
Yanks	7	0
Cubs	3	4
Braves	3	4
White Sox	1	6

The Cubs finally won after 4 defeats in a row in Little League play when they beat the White Sox 4-3 last Thursday. Wietor was the winning pitcher. The hitting star was the Cubs' Ewert. The Sox slugger was Oppermann with 2 home runs.
The undefeated Yanks trimmed the Braves by "3 touchdowns" 30-13 in a real slugfest. It was the largest score the Yanks, who have clinched the championship of the league, ran up. Kral with 2 homers was the star for the Yanks and for the Braves it was Rossow.
The last games of the season will be played Monday, Aug. 25. The Yanks will play the Cubs at 6:30 p. m. and the White Sox meet the Braves.

BELLS MEET EDEN ON LOCAL FIELD SUNDAY

The Campbellsport Bells, currently tied with the 2 other top teams at games in the lost column, will meet Eden here Sunday.
A victory in each of 3 remaining games would assure the Bells of at least a tie for the lead. Their other 2 games will be Brownsville here Aug. 31 and at Horicon on Labor Day.
Last Sunday the Bells lost a chance to sew it up as Brownsville dumped them 5 to 2.

New Prospect

Mrs. Chas. Rauch of Milwaukee and Mrs. A. Schlaefel of Campbellsport called on Mr. and Mrs. Jos. P. Uelmen Saturday. On Sunday Mrs. A. Krueger and Mr. and Mrs. Gordon Krueger and family of Milwaukee were callers on Mr. and Mrs. Jos. P. Uelmen.
Mrs. Andy Janous was a guest of Edith Meyer on Sunday.

Kenny Foundation Sponsoring Probe of Neuromuscular Ills

Minneapolis, Minn.—Medical research into the cause and possible cure of a number of neuromuscular diseases and disorders, including polio, continues as one of the prime objectives of the Sister Elizabeth Kenny foundation, according to Marvin L. Kline, national executive director.

Now in its 15th year, the Sister Kenny foundation recently set up an auxiliary organization, the American Rehabilitation foundation, headed by Dr. Frank H. Krusen, of the Mayo clinic, Rochester, Minn.

Kline

Among the efforts of the American Rehabilitation foundation is a project to develop educational seminars for physicians and other health workers that offer training for such persons so that they may provide better care for the handicapped.

The committee also plans to publish and distribute widely a series of abstracts of important papers on the rehabilitation of chronically-ill and disabled persons, according to Kline.

Dr. Paul M. Ellwood, Jr., national assistant medical director of the Kenny foundation, is serving as executive secretary of the new ARF. Advising on activities of the ARF is a committee of medical experts in the rehabilitation of the disabled from leading medical centers across the nation.

The Kenny foundation has made grants for medical research to universities and individual doctors throughout the country. Such grants, Kline pointed out, are made possible by public support of the annual Kenny fund appeal, such as the one now under way. The projects include a study of employable convulsive persons, cleft palate rehabilitation, medical problems of the chronically crippled and basic studies of muscle function in health and disease.

Among the nationwide Kenny-sponsored projects are: physical therapy, University of Pennsylvania hospital, Philadelphia, Pa.; rehabilitation of children with congenital heart disease, Children's hospital, Oakland, Calif.; study of virus in sewage, University of California, Los Angeles, Calif.; study of brain reaction in epilepsies, Montreal Neurological institute, Montreal, Canada; child rehabilitation, University of Colorado, Denver, Colo.; central nervous system disturbances, Johns Hopkins hospital, Baltimore, Md.; muscle-testing techniques in neurological diseases, Biophysics laboratory, Bethesda, Md.; micro-chemical techniques, Washington University school of medicine, St. Louis, Mo.; surgery for Parkinson's disease, Bellevue Medical center, New York, N. Y.; rehabilitation techniques, University of Washington, Seattle, Wash.; brain function investigation, University of Wisconsin, Madison, Wis., and the study of cerebral sclerosis, University of Oregon, Portland, Ore.

County Teachers Plan Pre-School Meeting

The annual pre-school meeting of the county elementary teachers will be held at the Barton public school on Thursday and Friday, Aug. 28 and 29.

Lloyd Schultz, state supervisor of music, and Orlo Miller, state supervisor of physical education will be in charge of the program.

On Friday morning a bus tour of the Thull farm will be made for the purpose of studying soil types and other conservation practices.

The county agriculture agent,

Maurice Hovland, will be in charge of this program. The programs are held to supply elementary teachers with information which they can use for more effective teaching.

New personnel in the county office will include Miss Dorothea Back, county supervising teacher, and Miss Jacqueline Fenisyn, speech therapist.

Most of the county schools will open on Tuesday, Sept. 2. Library hours will be from 1 p. m. to 5 p. m. daily except Saturday. Mrs. Florence Whelan is the librarian.

Topsoil is the most important in the commodity we know as "land".

MEETING OF WOMEN'S BOWLING ASSOCIATION

A meeting of the West Bend Women's Bowling association will be held on Tuesday evening, Aug. 26, at 7:30 p. m., at Jack's Bowling Alleys in West Bend. It is important that all secretaries be present to pick up their supplies and receive instructions. If the secretary cannot attend, she should send someone in her place.

If there are any girls interested in bowling on a team, they should call Secretary Mrs. Carl Mayer at Federal 4-2549 and she will arrange for them to bowl in a league. There are openings in most leagues for women bowlers.

CHEESE FROSTED BISCUITS

We don't know for sure why men love them so — Cheese Frosted Biscuits—but they do. As a matter of fact, many a woman has been known to forget that extra inch of her waistline because of these tempters. Covered with a counterpane of melting cheese and butter, then baked to a luscious golden brown . . . who could resist? If you're in the market for one of the best biscuits you ever set your teeth into, try our recipe for Cheese Frosted Biscuits.

(16 medium-sized biscuits)
2 cups sifted all-purpose flour

1/2 teaspoon salt
4 teaspoons baking powder
1/2 teaspoon cream of tartar
2 teaspoons sugar, if desired
1/2 cup (1 stick) butter
3/4 cup milk

Sift together the dry ingredients. Cut the butter in, using pastry flaker, 2 knives or a coarse tined fork, until mixture resembles coarse crumbs. Add milk all at once and stir just until dough follows fork around the bowl. Turn out on floured cloth. Knead lightly for a few seconds until smooth. Pat or roll out to 1/2 inch thickness. Cut with 2-inch biscuit

cutter. Place close together in shallow biscuit or cake pan. Just before placing in oven, spread with a Cheese Frosting.

CHEESE FROSTING
Melt over hot water about 1/2 pound (2 generous cups) of shredded or thinly sliced natural or process American Cheddar cheese and 4 tablespoons butter. Whip this up well before topping each biscuit with a spoonful of the mixture. Bake at once in a hot oven (450°) 10 to 12 minutes. If the butter separates a bit, don't mind—pour that on the cheese and between the biscuits.

Deaths

EMMA JUNG

Emma Jung, 69, a resident of West Bend the past 10 years, formerly of the town of Wayne, died Monday, Aug. 18, following an illness of several years.

She was born in the town of Wayne on Apr. 12, 1889. Surviving are five sisters, Alma Jung of Abrams, Wis., Mrs. Ida Hein, Mrs. Frieda Brautigam and Mrs. Ella Rohrnach of Milwaukee and Mrs. Martha Martin of Wayne, and a brother William of Fond du Lac.

The Rev. Tietjens of Milwaukee officiated at funeral services at the Ohrogge Funeral Home, West Bend at 1:30 p. m. Thursday. Burial was in Pine Lawn cemetery, Milwaukee.

MRS. CHRISTIAN LITSCHER

Mrs. Christian H. Litscher, 78, nee Charlotte Schleif, a native and former resident of the Five Corners area in the town of Auburn, died of a heart ailment Tuesday, Aug. 19, at her home, 1908 E. Beverly rd. in Shorewood.

Her husband was a telegraph operator for the North Western road for many years before he retired in 1942.

Surviving besides her husband are three daughters and three sons; two brothers, William Schleif of West Bend and Phillip Schleif of

Oroville, Wash., and four sisters, Mrs. Katherine Giese of Coleman, Mrs. Emma Perschbacher and Mrs. Christine Glass of West Bend and Mrs. Frances Thompson of Ashland, Oreg., and 10 grandchildren.

Services were held at 2 p. m. Friday at the Fass Funeral home, Milwaukee. Burial was in Valhalla cemetery there.
