MARRIAGE LICENSES

Nov. 18—Harlen C. Johnson, R. 2, West Bend, and Darlene M. Grueschow, Kewaskum.

Edward Miller Jr., 20, son of Mr. and Mrs. Edward E. "Pat" Miller, Kewaskum, had a narrow escape from serious injury shortly after 7 a. m. Saturday when the station wagon he was driving on County Trunk S (River Road) just north of the Washington-Fond du Lac county line, left the highway, rolled over and caught fire.

The station wagon clipped off several small trees and a wire fence before rolling over and coming to a halt on its top in a plowed field. Luckily Miller was thrown from the damaged vehicle and was lying near the burning machine, in a stunned condition, when Earl Etta, a nearby farmer, arrived and pulled Miller away.

The Kewaskum ambulance was called to the scene and removed Miller to St. Joseph's hospital, West Bend. The fire department also was called to put out the minor blaze. The driver suffered cuts, bruises and shock and was released from the hospital this week.

Miller was deer hunting with a local party of young men when he became cold and was returning home to get warmer clothing when he apparently lost control of the station wagon on the wet blacktop.

James Horner, 18, R. 1, Kewaskum, suffered a bump on his head and William Kaver, 16, incurred bruises on his right leg when a car driven by Horner went into the ditch when the driver lost control on loose gravel on a town road about four miles west of Kewaskum and south of Hwy. 28.

Raymond Gremminger, Kewaskum, was injured in an auto accident Thursday night on Hwy. 28 west of St. Michael's and was removed to St. Joseph's hospital, West Bend, in the firemen's ambulance but details on the mishap were not reported.

Claver Simon Wins \$100 Bonus Friday

After continuing for several weeks without being claimed by a winner, the big \$100.00 bonus night cash prize went out last Friday when the person whose name was called was present in one of the participating business places.

The winner was Claver Simon of this village, who collected the 100 green backs. Claver, who is employed by the village, was very happy and thrilled to receive the bonus prize, which, he said, will help provide a very Merry Christmas for his family.

Winners selected for the \$100 bonus the past five Friday nights before it was won by Simon included Wilmer Hawig, R. 1, Allenton; August Bilgo, Jr., Kewaskum; Leo Fellenz, R. 1, Kewaskum; Mrs. Carl Gruendeman, Boltonville, and Miss Gertrude Lawrenz, Kewaskum, but none of these were present to claim it.

As the result of having a big winner last week, the bonus will revert back to \$25.00 again this Friday night to begin building up once more. Anyone in the Kewaskum shopping area may win so take no chances. Be here Friday evenings.

Businessmen Meet, Buy School Debaters Christmas Decorations Do Well in First Meet in West Bend

The monthly meeting of the Kewaskum Business association was held in the municipal building Monday evening with about 23 members present. President Jack Koehn reported that the association now has a membership of 52 business and professional men, with some other eligible members still to be heard from.

Main business of the meeting was the purchase of additional Christmas decorations for the village from the Spiegelbauer Co. New decorations to be placed at each of the entrances to Kewaskum were purchased, together with an illuminated star for the intersection of Fond du Lac ave. and Main st. as well as greens and bows to wrap around the electric poles.

It was decided to keep the stores open evenings for the convenience of Christmas shoppers starting on Dec. 15 and continuing until Christmas Eve when they will close at 5 p. m. It is planned to hold special bonus nights on some of the evenings that the stores will be open before Christmas.

Decals will be ordered to be posted in the windows of all participating members of the Business association.

No meeting of the association will be held in December because the stores will be open on the evening the meeting would be scheduled, Dec. 15. The next meeting will be held on the third Monday in January, which is Jan. 19.

Many Hunters Bag Deer in Area, North

48 DEER KILLED IN COUNTY SO FAR; 33 REGISTERED AT MAUTHE LAKE

The deer hunting season has been a good one this year with most hunters being successful in bagging a buck or at least shooting a deer of some kind on their party permit during the first few days of the season.

The hunting was surprisingly good in the area right around home where hunters had a "field day" over the week end. The deer kill in the surrounding area almost reached the proportions of the northern counties. A total of 48 deer were reported killed in Washington county up to Wednesday, 45 of these already being taken over the week end. Clyde A. Smith, area supervisor of the Kettle Moraine forest, reported a kill of 33 deer registered at the Mauthe lake station. Of that number 16 were shot in the town of Osceola. Seventeen of these were does shot on the party permit.

More than half of the deer taken in the county were of the "any kind" variety on the party permit. The season closes Sunday at sundown in this area and many more deer are expected to be shot before then out of the growing county herd. County Clerk Anton P. Staral reported that close to 2,000 licenses and tags were sold in the county.

Next week we will list the names of all local hunters who reported the outcome of their deer hunting.

LOCAL TEAM COMPETES WITH 750 STUDENTS, 29 SCHOOLS IN STATE'S LARGEST MEET

On Saturday, Nov. 15, the Kewaskum Community High school debate team traveled to West Bend to compete with twenty-nine other schools in the largest debate meet ever held in the state. The debates were held in the classrooms of the high school, three grade schools, and two parochial schools. Altogether, 750 people were in attendance.

Kewaskum's first year of debate got off to a good start as the teams won six decisions as compared to five losses. The affirmative team of Aldwin Seefeldt and Robert Kroncke won both of their debates as did the affirmative team of Sue Sengpiel and Diane Hoepner. The affirmative team of Nancy Held and Martina DuCharme split even in two debates as did the negative team of Margo Weiss and Judith Rinzel. The negative team of Diane Becker and Judith Oelhafen failed to win a decision.

The debate question was, "Resolved that the United States Should Adopt the Essential Features of the British Educational System." This will be the question debated in all scholastic competition this year. Conference debating will begin in January.

Ralph Poelling, the debate coach, is doing a fine job with the young people who have reported to him for this very important activity.

Adeline Ketter Bride Of Charles Halfmann

Holy Trinity Catholic church, Kewaskum, was the setting at 10 a. m. Saturday, Nov. 15, for the nuptial mass during which Miss Adeline A. Ketter, daughter of the late Mr. and Mrs. Lawrence Ketter of Kewaskum, became the bride of Charles J. Halfmann, son of Mr. and Mrs. Paul Halfmann, Sr. of Campbellsport. The Rev. John Budde officiated.

For the ceremony large white mums and red roses were at the main altar with palms on the sides of the high altar. Red roses and white mums were on both side altars and miniature bouquets were placed on the inside aisles of the pews. The mass was sung by the children's choir and Gloria Schaefer sang "On This Day, O Beautiful Mother" as the bride and bridegroom placed a bouquet of red roses on the altar of the Blessed Virgin Mary.

The bride's floor length gown of white rose point lace and tulle over satin was designed with a lace panel front, scalloped square neckline with iridescent trim and long lace sleeves. The bouffant skirt of five tiers of lace trimmed tulle had side paniers and a lace peplum. Her finger tip circular veil was trimmed with lace applique and fell from a crown of pearls and iridescents. She carried a cascade bouquet of miniature red roses and white stephanotis centered with five white orchids.

Miss Dolores E. Ketter was maid of honor for her sister. She and the bridesmaids, Miss Carol Rohlinger, a friend, and Miss Mary Halfmann, sister of the bridegroom, were identically attired in emerald

green velveteen, waltz length gowns with Sabrina neckline, cap sleeves and an empire bodice trimmed in matching satin with bow and streamers in the back. They wore matching velveteen mitts and crown with dotted veil. All carried red roses and white mums cascading from a bamboo bird cage. The flower girl, little Debra Anne Gloede, niece of the bride, wore a miniature copy of the gowns worn by the other attendants but floor length. She carried a miniature bamboo bird cage with roses and mums.

Richard Halfmann served as his brother's best man, while Frank Serwe, a friend, and Paul Half-

mann, Jr., another brother, acted as groomsmen. Ushers were Ralph Ketter, brother of the bride, and Harold Schlosser, uncle of the bridegroom. Douglas James Polzean, nephew of the bride, carried the rings on a heart shaped satin pillow.

Dinner was served to 36 guests at Bauer's hotel, Campbellsport, and a reception held and supper served to 350 guests at Kettle Moraine resort, where a wedding dance was held in the evening. The Top Hatters furnished music.

Following their wedding trip to an undisclosed destination, the newlyweds will be home in the Elmer Moldenhauer house on River

View drive in Kewaskum. The bride, a graduate of Kewaskum high school, is employed in the law office of Schloemer, Stoltz & Merriam at West Bend. Her husband, a Campbellsport high school graduate, is employed by the Superior Trucking Co. of Kewaskum.

Jan Koch Christmas Seal Sale Manager

Mrs. Harry E. Koch will serve as manager of the 1958 Christmas Seal sale in Kewaskum, the Wisconsin Anti-Tuberculosis association announced.

The 1958 sale will start in Kewaskum on Nov. 28 and will continue through December. It is conducted by mail and provides almost the sole support of the voluntary TB control movement. Ninety-four cents of each dollar remain in Wisconsin to support the program on the local and state level.

The balance, six cents, supports medical research and other TB control work carried on by the National Tuberculosis association.

An extra effort will be made to increase this year's sale to help finance a new mobile chest X-ray unit. This is in addition to the funds needed to continue work in

medical research, social service, health education, rehabilitation and case discovery.

TB control programs financed by Christmas Seal contributions include chest X-ray and tuberculin skin testing clinics to help find unknown cases of tuberculosis.

The 1958 Christmas Seal, symbol of the fight against TB, has an educational theme as it pictures two bright-eyed, colorfully dressed children lettering their message "Christmas Greetings" on a blackboard. The seal was designed by Alfred Guerra, a New York freelance artist, and was selected in the annual contest for all artists conducted by the National Tuberculosis association.

FERBER-KIECKHAFER

Joanne Mary Ferber, daughter of Mr. and Mrs. Edward Ferber, R. 2, Campbellsport, became the bride of James William Kieckhafer, 136 Edgewood Lane, West Bend, during a nuptial mass read by the Rev. John Budde in Holy Trinity church, Kewaskum, at 10 a. m. Saturday, Nov. 8. The bridegroom is a son of Mr. and Mrs. Clarence Kieckhafer.

A reception at Forest Lake resort followed. A graduate of Kewaskum high school, the bride is an office employee at Gehl Bros. Mfg. Co. in West Bend. Her husband is a graduate of West Bend high school and Marquette university. He is an accountant. The couple will be at home in West Bend following their return from a wedding trip to Colorado.

The bride wore a floor length gown of white taffeta with a torso bodice, long tapering sleeves and a Sabrina neckline formed by jeweled rosepoint lace. A clip hat held her veil of illusion and she carried a prayer book with streamers of pink baby roses and white feathered carnations.

Her attendants, Beverly Johann, the maid of honor, and the bridesmaids, Mrs. Leroy Bier, sister of the bride, and Mrs. Alvin Kissinger, were gowned alike in crayon green taffeta gowns which were waltz length and styled with a full skirt of unpressed pleats, a pointed basque and V neckline with Alencon lace trim. Their bow clip hats were of matching material. All carried pink baby roses and feathered carnations.

John Kieckhafer served as best man for his brother, while Edward Ferber, the bride's brother, and Ilo Rauscher acted as groomsmen. Guests were placed by John Kieckhafer and Edward Ferber.

Indians Place 7 on Conference All-Star Teams; Tackle Tom Smith Tops Balloting

Slinger, after winning the first Scenic Moraine conference football championship, also dominated the all-conference team, the first such honor squad to be instituted in the new loop.

While the loop champs paced both offensive and defensive squads by filling 11 positions altogether, second-place Kewaskum filled a total of seven positions on the team. Selections for the all-conference team were made by members of each team as they named an all-opponent team.

Standouts on the offensive team were Ken Theusch and Tom Smith of Kewaskum and Herb Kingsbury and Dick Ellis of Slinger, who were named to the squad unanimously. On defense, too, Smith was named on every one of his opponents' ballots along with Luke Hunt of North Fondy, Dave Mezera and Florian Strupp, both of Slinger.

Bruising tackle Smith took the limelight by being named on both teams with no dissenting votes, while others selected as outstanding both defensively and offensively were Hunt, Theusch, Strupp, Kingsbury, Bob Boll and John Walter. Ketter, Campbellsport tackle, barely missed being named to the first team, but was forced out of the position by both Smith and Kingsbury, who were named to every ballot.

Ellis, flashy break-away runner, was the only back to be named to every ballot, though Hunt, Machecek and Boll barely missed by one vote. Norm Rodenkirch, junior back from Kewaskum who led the league in scoring, was also a close finisher behind Machecek.

The all-star selections follow:

OFFENSE

Ends—Gene Pieper, Campbellsport, junior; Ken Theusch, Kewas-

kum, senior. Tackles—Herb Kingsbury, Slinger, senior; Tom Smith, Kewaskum, senior. Guards—Florian Strupp, Slinger, senior; John Walter, Slinger, junior. Center—Bruce Muckerheide, Kewaskum, junior. Quarterback—John Machecek, Slinger, senior. Halfbacks—Dick Ellis, Slinger, junior; Luke Hunt, North Fondy, senior.

DEFENSE

Line—Ken Theusch, Kewaskum, senior; Herb Kingsbury, Slinger, senior; Ray Wiedmeyer, Kewaskum, senior; Tom Smith, Kewaskum, senior; John Walter, Slinger, junior; Florian Strupp, Slinger, senior. Backfield—Luke Hunt, North Fondy, senior; Dave Mezera, Slinger, senior; Dick Thoma, Campbellsport, senior; Bob Boll, Slinger, senior; Norm Rodenkirch, Kewaskum, junior.

Indians Bury Random Lake in Opener, 55-12

Changing from football to basketball uniforms, the Kewaskum Indians snowed under Random Lake in the non-conference opener here Tuesday night, 55-12, as Walt Bade made his debut as coach of the team.

The Indians were the only team

to emerge victorious after four Scenic Moraine conference teams opened play. Kohler beat Campbellsport, 46-35; Slinger was badly trounced by Menomonee Falls, 82-41, and Granville took a 50-36 decision from Washington High of Germantown.

Kewaskum toppled Random Lake, using a tight defense. The Rams were checked with only 4 field goals and 4 free throws in the entire game. In all fairness to Random Lake it should be mentioned that three of their players were missing due to deer hunting trips.

Norm Rodenkirch led the scoring with 16 points for the winners, followed by Jim Marx with 10, Glenn Remmel with 7, Tom Smith with 5, Aldwin Seefeldt with 4, Berg, Coulter and Theusch with 3 each, and Bartelt and Koch with 2. Ney scored 7 points for the Lakers, more than half of his team's total.

The Indians led 14-4 at the quarter, 22-9 at half-time, and 37-11 at the end of the third period. Random Lake scored only 3 points in the entire second half.

This Friday night Kewaskum plays another non-conference game at Cedar Grove and Tuesday one at Oostburg.

Lakes League Opens Play This Week End, Chevs at Cedarburg

**KEWASKUM'S DEFENDING
CHAMPS SHOULD HAVE
STRONG TEAM AGAIN**

Basketball teams in the Land o' Lakes league will raise the curtain on the 1958-59 season this week end with a full schedule of games. Kewaskum's defending champions, again managed by 'Cisco' Backhaus, will travel to Cedarburg to pry off the lid Sunday night.

Besides the Chevrolets and Cedarburg, the other six teams rounding out the league include Slinger, stepping up from the Rivers circuit, Horicon and Mayville, Thiensville, also up from the Rivers loop, and Fond du Lac and Fox Lake, new teams. In other Lakes contests Saturday night Thiensville is at Fond du Lac and Mayville at Horicon.

The Lakes teams will each play 14 games. There will be first and second half championships. Kewaskum's home tilts will be played on Saturday nights this season instead of Sunday as in the past.

Kewaskum's perennial champs should have another topnotch team in contention for the title. Practically the same team which won the championship the last few seasons will be back, with one possible exception and a valuable addition. There is still a question whether Johnny Tassar, one of the Lakes circuits' all-time greats, will play. He has been considering giving up basketball to be an official but may still play in some or all of the games, especially against the stronger opponents. Tassar averaged 30-9 points per game last season and led the loop in scoring the past seasons.

The Chevs will have back such capable players as Don Meisenheimer, George Hanrahan, Frank Krueger, Augie Bilgo, Bob Stenman and others, including one new

man who may prove to be quite a star. He is Bob Felix, 6 ft. 3 in. St. Kilian cager, a St. Norbert's college grad, who played on an army service team before his recent discharge.
