## **Peace Church Plans** Erection of \$80,000 **Education Building**

#### CONGREGATION TO LAUNCH BUILDING FUND DRIVE IN OCTOBER

Construction of an education building to be used for Sunday school rooms, music room, a pastor's study and a multi-purpose room is being planned by Peace United Church of Christ of Kewaskum. Cost of the new building, which is to be erected adjacent to the church, is estimated to be about \$80,000.

Beginning of the construction of same will be determined by the success of a visitation of members program which is to be launched on Sunday, Oct. 4. Members of the building finance executive commit. tee under the co-chairmanship of L. N. Peterson and Wayland Tessar are Mrs. Ralph Erdmann, Mrs. Norman Held, Harry Koch, Robert Kroncke, Dr. Charles Ogi, Mrs. Clifford Rose and Lehman Rosenheimer.

At a special meeting of the congregation on June 21 of this year. an overwhelming vote authorized the church council to proceed with the financial canvass for the building fund, to secure an architect to complete detailed plans and to appoint such necessary committees to carry out the action of the congregation for the educational building.

Peace church was organized on June 2, 1898, and five months later a newly erected church was dedicated. Cost of the new structure was the modest sum of \$3,900. In 1901 a parsonage was purchased for the sum of \$2,000 and two years later the lot adjoining the church was acquired. During the years that followed many improvements were made and the congregation continued to grow. In spring of this year the church acquired the Joe Eberle property to the west and south of the church.

In 1957 through the merger with WHEN AUTOS COLLIDE ran off tackle for 30 yards and the the Congregational Christian Chur-**Girl Scout News** Indian's only tally. ## **Powerful Kohler 11 Routs Indians**, 38-7

The Kewaskum Indians received football lesson when they were snowed under by a very big, very fast and very rough Kohler 11 here Friday night, 38-7. in their second tune-up game before opening Scenic Moraine conference play tonight, Friday, at North Fondy. The Indians had blanked Random Lake,

27-0, the week before. Kohler's heavy, tall team towered over the stocky but small Kewaskum 11. The Indian line couldn't contain the big, bad Blue Bombers, who barreled through consistently for gains of 3, 5, 7, or 10 yards. The secondary had to do much of

the tackling as the losers took a pretty good pounding from the bruising visitors.

But it wasn't the Kohler power house's size alone that gave them the one-sided victory. Their terrific speed was the big factor in their rout of the Indians. They had a couple of very fast ends and backs which Kewaskum just couldn't catch or keep up with They sped past and around their defenders and a number of times

broke away from the slower Indians to be in the clear to receive passes. Kohler was good but not as good

as the difference in the score would indicate. Kewaskum couldn't get rolling and it was one of those nights when neither the offense or defense clicked. But there is no doubt that the Blue Bombers are the best team that the Indians will come up against this season. In an account of the game at Random Lake a writer there wrote 'Boy, that Kewaskum team is big. Don't they ever have any small football players?" Wonder what he would think if he saw Kohler's size. They made Kewaskum look small. It was Kohler's best game in three straight wins.

Kewaskum was outplayed from the start by Kohler, which scored in every quarter, Norm Rodenkirch

week at the Dr. F. E. Nolting home. Dr. Uthoff is a cousin of Dr. Nolting. He came to New York on a tour sponsored by the Foreign Dental association for the centennial meeting at New York.

-Mr. and Mrs. Ed. Ahlers of R. , Sheldon, Wis. spent the week end with Mrs. Ahlers' parents, Mr. and

Mrs. John Schuppel, Sr. ond other relatives. Mrs. Ahlers is the former Helen Schuppel.

-Mr. and Mrs. Ervin Bonlender, Jr. celebrated their 10th wedding anniversay at Barney's hall, Wayne, Saturday night with a large number of relatives and friends in attendance.

-Nic Marx of the town of Tren ton, a brother of Katherine Wagner of R. 2, Kewaskum, died on Thursday, Sept. 24. He was a native of the town of Farmington. Funeral services were held Monday morning at Newburg. -Mr. and Mrs. Elmer Moldenhauer spent Sunday at Wautoma with Rev. and Mrs. Gerhard Kan-

-Mrs. Wm. Breseman returned home after spending a week with relatives at Shawano, Bonduel and Mountain.

-Reach for the colorful FOOT-BALL PEACH in Sunday's Milwaukee Sentined for 50-yard line coverage in stories, pictures and statistics of the exciting season ahead. It's great!-adv.

## Local News Items Badger Firemen to Hold Free Chest X-Ray **Fall Meet in Kewaskum**

Officers of the Badger Firemen's association and members of the Kewaskum Fire Department committee met at the Labor Center in the village last Friday evening to formeeting of the Badger association which will be held in Kewaskum this year.

Association officers are Erwin Arndt of Random Lake, president; president, and Allen Bruederle of Cedarburg, secretary-treasurer. The date for the fall meeting was set and will be held at the Labor 2:30 p. m. Center on Sunday. Oct. 25, Further details will be announced at a later date.

## OBSERVE LETTER WRITING

The 22nd annual Letter Writing Week will be celebrated in Kewaskum during the week of Oct. 4 to 10, it was announced Friday by Postmaster Harry E. Koch.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has

to communicate with our fellow human beings. Accordingly, I urge everyone to write today to those away," Koch said.

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and

played on postal vehicles. Postmaster Koch stated that the special week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, fara-

way friends and relatives, and others who will welcome a personal letter.

BOY INJURED SUNDAY

**Mobile Unit Here 3 Days Next Week**

Here's the car that introduces a whole new decade of design -with so much that's new and different the other ones can only hope to come close. It's the superlative '60 Chev-

rolet-with new space in-side, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall ingenerously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle-thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard en-gines—Chevy's famed Hi-Thrift 6 and a part Form Thrift 6 and a new Econ-omy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its easier-toload (and tremendous) luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

America's first and only

modern rear-mounted aluminum engine-a lightweight 6 that's so revolutionary it can be packaged with the trans-mission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

engine!

Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

#### UNISTRUT BODY BY FISHER

Does away with conventional frame, incorporating all structure into a rigid body-frame

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size-some 5 inches lower, 214 feet shorter and 1,300 pounds lighter than conventional sedans-makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the

## The engine's in the rear where it belongs in a compact car!

engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker -almost instantly-from an airplane-type heater \*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your

dealer's the man to see for all the short, sweet details.

#### REVOLUTIONARY TURBO-AIR 6

Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

#### ONE-PACKAGE POWER TEAM

Wraps rear engine, trans mission and differential together into one compact lightweight unit. Takes less room, leaves you more.

unit that gives you more inside room with less weight.

### UNDER-HOOD LUGGAGE COMPARTMENT

Trunk's up front (like an ele-phant's) where it's convenient for groceries, luggage.

### 4-WHEEL INDEPENDENT SUSPENSION

There's no conventional axle-front or rear. Wheels, cushioned by coil springs, take bumps in-dependently of each other, for smooth, road-hugging ride.

\*Optional at extra cost

> The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, groundgaining power packages to choose from. All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.
