## Training Course in Civil Defense Will Begin Here Nov. 3

Marvin Martin, Kewaskum Civil Defense director, this week reminded citizens of the village and town of Wayne that a Civil Defense training course will be offered at the Municipal building in Kewaskum, starting at 7:30 p. m. Tuesday, Nov. 3. The class will meet for two hours each Tuesday during the month of November.

Martin stated that the basic Civil Defense course covers Civil Defense organization, planning assumptions, a discussion of radio-active fallout, and the measurement of radio-active fallout intensity, emergency welfare services in Civil Defense including mass feeding, clothing, lodging and information and registration services, and an operational plan for these services. The problems discussed will be focused on the Kewaskum area and the immediate problems which will be facing local residents as well as evacuees who may be cared for in the Kewaskum area.

Martin emphasized the fact that Civil Defense activities become operational on a municipality basis, and for this reason it is necessary to develop a trained core of interested citizens who can take appropriate action if it is ever needed.

He said the course is designed for those who want to continue training and to take an active part in local Civil Defense affairs, as well as those persons who want to know more about how to take care of themselves and their families in a Civil Defense emergency.

Since registration is limited to approximately 35 students for each class, Martin suggests that interested citizens make arrangements for advance registration by calling Mr. Martin at Kewaskum 143, Mrs. Roland Pledl at Kewaskum 160-R or the Kewaskum Municipal building at 94.

Residents in the town of Kewaskum can also contact Donald Koerble, Civil Defense director for the town of Kewaskum, at R. 2, Kewaskum. Residents in the town of Wayne can also contact Orville Kern, Civil Defense director in that township, at R. 3, Kewaskum.

A bachelor is a man who will get married as soon as he can find a girl who will love him as much as he does.

## Sue Weddig Bride Of Allan Martin

In a nuptial ceremony performed by the Rev. John Budde in Holy Trinity church at 11 a. m. Saturday, Oct. 24, Miss Susanne Weddig, daughter of Mr. and Mrs. Edward Weddig, 1404 Park View Dr., Kewaskum, became the bride of Allan F. Martin, son of Mr. and Mrs. Joseph Martin, 230 S. 7th Ave., West Bend. The Holy Trinity adult choir, of which the bride was a member, sang the "Ave Maria" during the placing of the bouquet on the Blessed Virgin altar.

The bride chose a gown of de-lustered satin in Empire waist style, fashioned with a "wedding bell" chantilly lace bodice, sabrina neckline and long sleeves. Leaf design rosettes held her French illusion veil. She carried a cascade of American Beauty roses.

Mrs. Carl Kaiser was her sister's matron of honor, while Miss Joanne Martin, sister of the bridegroom, and Miss Mary Weddig, sister of the bride, served as bridesmaid and junior bridesmaid respectively. All of the attendants wore Peau d' sole sheath dresses with tulle overskirts in American Beauty shades and matching headpieces. They carried bouquets of white carnations and pom poms with a cascade of French carnations. The little flower girl, Jacque Martin, sister of the bridegroom, wore a white frock with American Beauty trim and a wreath of lace and sweetheart roses for a headpiece. She carried a white basket with sweetheart roses and white carnations.

Vernon Martin attended his brother as best man while John Weddig, brother of the bride, served as groomsmen. Guests were placed by Lee Weddig and David Martin, brothers of the bridal couple.

Dinner was served and a reception held at Holy Trinity parish hall for about 200 guests. A wedding dance was held at the Kewaskum Opera House.

The young couple left on a honeymoon trip to San Antonio, Tex., where the bridegroom is stationed with the U. S. Army. He is a graduate of West Bend High school. The bride, a Kewaskum High school graduate, was employed in the office of the West Bend Aluminum Co. before her marriage.

At 180 inches, however, the Corvair is more than two and one-half feet shorter, while its 108-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears. Elegance and chassis refinements characterize the larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. —Ghosts will be stalking the streets on Friday and Saturday evenings of this week end, but they'll be real live youngsters out "trick or treating" for Halloween. Goblins in white and witches in black will parade from home to home in their neighborhoods. Small fry will be out on their own and in the excitement of the evening they may forget some of the ordinary rules of caution in crossing streets and walking along highways. Motorists are urged to double their caution for the increased hazards of Halloween. With the business places open, "bonus night" and all, Friday night is the busiest night of the week in the village and streets are crowded with cars. We urge you to warn your youngsters before they go out and keep their costumes as light as possible so they can be seen by motorists.  
—Dinner guests Sunday evening

R. were among the guests entertained at a miscellaneous bridal shower in honor of Miss Alice Krueger, given by Mrs. Sylvester Neuy, Mrs. Frank Snyder and Miss Alice Hoepner at the Neuy home, West Bend, recently. ## Ole Made A Lady Out Of Lizzy

Before Wisconsin's Ole Evinrude began pattering around on Lake Ripley near Cambridge, the outboard motor was a cumbersome, unreliable affair. But after Ole developed a new model in 1909, the outboard became internationally famous as a result of mechanical dependability and the salesmanship of Bess Evinrude, who coined the classic slogan, "Throw Your Oars Away."

Like the development of a reliable outboard motor, community development can hap-

pen anywhere, but it takes time, study, and savvy.

The communities that attract more business and new industry are the communities that get ready for expansion — that look at themselves long and hard, mend their fences, and then sell their "sizzle."

Let's all join hands to show that our town means business — better business. Your community newspaper can help tell the story. All of us can help make a story that's worth telling.

### Germantown Upset By Indians in Rain, 12-7

After three straight setbacks, the Kewaskum Indians came to life last Friday afternoon by upsetting Washington High at Germantown in the rain, 12-7, to spoil the Warhawks' first homecoming. With the win Kewaskum climbed out of the Scenic Moraine conference basement.

Despite the very unfavorable weather, the Indians played some of their best football of the season in stunning the third place Warhawks. Germantown had two good scoring opportunities in the first half, working the ball to Kewaskum's 16 and 8 yard lines, but the Indians held on both occasions and took over the ball. There was no score as the half ended.

Kewaskum scored early in the third period when End Al Govin grabbed a pass and romped about 57 yards for the score. Washington soared back with a 70-yard TD drive, Ed Carroll pushing the ball over from the one and also scoring the extra point to make it 7-6, Warhawks. The Indians won in the last four minutes when Ken Johnson carried over from the one yard line. The extra point was missed, leaving the count at 12-7. Koss Sadownikow halted the final German-

town surge by intercepting a pass in the closing minute.

The Indians will bring their season to a close this (Friday) afternoon at Grafton, the team which has succeeded them in last place. Grafton, which has won none, lost three and tied one game, has yet to taste victory and Kewaskum has no intention of letting them do it in the finale. Playing any kind of ball the locals should take Grafton. This would give them a 2-3 record and a respectable place in the standings.

#### GIRL SCOUT NEWS

On Tuesday, Oct. 20, the Girl Scout potluck was held in the Catholic church basement. It started at 6:30 p. m., having a large variety of food. The new Brownies received their pins and some stars. The Girl Scouts received badges and stars too.

Three Senior Girl Scouts from Hartford showed slides and talked about what they did in Colorado. The meeting was ended about quarter to nine. Everyone left and the leaders were stuck with the dishes.

### 4-H Club News

#### KEWASKUM 4-HERS

The meeting was called to order on Oct. 8 by our vice-president Marial Seefeldt because President Dave Schaefer was absent. We recited the 4-H pledge and the pledge to the flag. Roll call was taken with 15 members present.

Nov. 7-14 is 4-H club week so this is the time of year when we encourage new members to join. At the age of 10 or above they may join.

Mr. Stoffel handed out 4-H record books. Some of the members didn't get their book back so it is going for an award.

Achievement night is on Nov. 6. We are also making plans for our parents night.

Refreshments were served by Carol Seefeldt, Dean Martin and Mary Koerble. For next month Marial Seefeldt and Diann Ramel are on the refreshment and game committee. Our next meeting will be Nov. 12.

Club Reporter, Diann Ramel

#### WAYNE CRUSADERS 4-H CLUB

Mrs. Armand Mertz led us in singing some songs and we displayed our conservation posters which we made last spring.

Everyone had fun guessing how many seeds might be in a pumpkin. Michael Gutjahr won the prize for guessing most accurately. He guessed 346 and there were 352 seeds in the pumpkin.

Cookies, chocolate milk and coffee were served.

The meeting was well attended by parents, brothers and sisters of the members and others who will be new members this coming year.
