Round of Free Throws

GAIN FIRST VICTORY AFTER LOSING TO PEWAUKEE LAST FRIDAY

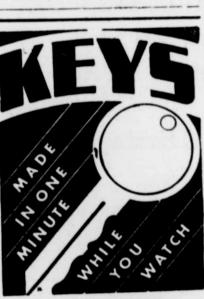

In one of the most closely contested and exciting games in years, the Kewaskum Indians edged Grafton here Tuesday evening, 57-55, in a double overtime and one round of free throws. The thrilling victory was the team's first in three Scenic Moraine conference starts.

Kewaskum almost blew the game when they lost a four-point lead with just 36 seconds of play remaining. Grafton's four-point spurt to knot the score at the final horn was thrilling enough in itself but was only the beginning. It was a 50-50 deal in more ways than one with the contest ending in a tie

In the first overtime period each team scored 2 points, making it 52-52, and necessitating another overtime. With the screaming rooters up on their feet both schools again scored 2 points in the second extra period, which ended with the count still knotted at 54-54. Then a round of free throws decided the victory. Tom Bartelt, Kons Sadown. ikow and Dave Oppermann sank their shots while Tom Kehoe was the only successful shooter for Grafton. This made the final score

Leading their teams in the torrid battle were Otto Ramthun for the winners and Norman for the losers, each of whom poured in 20 points. Sadownikow and Bartelt added 12 and 11 points respectively for the Indians.

Grafton took a 12-11 lead in the first quarter but Kewaskum swished in 20 points to the visitors' 9 in

Ice fishermen were out in full force this past week end. For the information of those who might have forgotten, you may start fishing at 6:00 a.m. and must stop at Sitting in the house or cottage watching TV with tip-ups on the ice could be expensive. The law says you must be with your lines. Dec. 31. The 1960 issue will be available before that time.

Augie Bilgo, with 19 points, and | Deer continue to be killed on the Tom Larson, with 18 were best for highway. Three were hit in the past week.

In early September 1959, a story The Beavers took a 19-13 lead in was circulated to the effect that partment had released a truck load of buck deer in the Green Lake swamp. In early October the number had grown to twenty-four and swamp. During the later part of Dam swishing in 24 points the deer season, a farmer living north of Nenno made the statement that a Soo Line train stopped in the swamp. I wonder what the number will be by April 1.

Your 1959 fishing license expires on Dec. 31 so be sure you buy your 1960 license if you plan to fish after that date. Sportsmen's licenses
