Our meeting was called at the home of Mrs. David Hanrahan on Jan. 11. Despite the bad snowstorm we had eleven members present.

A new member, Mrs. Charles Wilke, was accepted, even though she was unable to attend. We accepted the resignation of Mrs. Calvin Rauch and we were sorry to see her leave the club.

It was decided to extend an invi-

tation to our center chairman, Mrs. Art Terlinden, to visit one of our spring meetings. Our next meeting is Feb. 15 at the home of Mrs. Leland Schaub.

Our project on fabrics was presented by Mrs. Allan Stoffel as Mrs. Arnold Amerling was snowed in.

We were all reminded to read our labels, and all of us having children were interested in spot removal.

A delicious torte was served by Mrs. Hanrahan.

"I take it that it is best for all to leave each man free to acquire property as fast as he can. Some will get wealthy. I don't believe in a law to prevent a man from getting rich; it would do more harm than good. So while we do not propose any war upon capital, we do wish to allow the humblest man an equal chance to get rich with everybody else. When one starts poor, as most do in the race of life, free society is such that he knows he can better his condition; he knows that there is no fixed condition of labor for his whole life."

He Started A Paper Empire

The history books don't even record his first name, and he was a stranger to the people he met at Kaukauna in 1872. But he liked the town and the townsmen, so he started a little mill.

Colonel Frambach's factory was the first Wisconsin mill to use the wood-pulp method of making paper. From his pioneer plant has grown the empire that is the Wisconsin paper industry today. It takes 60,000 boxcars a year to haul Fox River Valley paper around the world.

There may be a stranger like Colonel Frambach in our town today, looking over our community as a possible site for a new plant, or prospecting for a place to make investments.

What sort of impression will he get? That depends on all of us. Community development isn't the mayor's job or a committee job. It's a job for all of us. We're all community representatives and community spokesmen. Let's pitch in to spruce up and talk up our community. That's the motto of this paper.

BOY SCOUTS OF AMERICA

Boy Scouts Observe 50th Anniversary

Members of the Kewaskum troop, Boy Scouts of America, are observing their 50th anniversary year during Boy Scout Week, Feb. 7-13. A wide range of activities mark the golden milestone in cities and villages throughout the nation as more than five million boys and leaders seek to bring new levels of understanding for the movement so that more boys will join, more volunteer leaders will serve, and more adults will support its work.

Locally, in observance of Boy Scout Week, the Scouts and Cubs have a display in the L. Rosenheimer store window, which they invite the public to view. On Sunday, Feb. 7, the opening day of Boy Scout Week, the Scouts and leaders attended church services together in uniform.

Many elementary, junior high and senior high schools are observing the anniversary in school assemblies, flag ceremonies, acts and stunts by Cub Scouts, Boy Scouts and Explorers. Some are exhibiting Scout handcraft, Scout motion pictures, or having demonstrations of Scouting skills or talks by Scouts. There are unit parents' night meetings, reunions, dinners, Scoutercraft exhibits, window displays and courts of honor.

A new four-cent U. S. commemorative postage stamp marking the 50th anniversary was issued on Feb. 8.

National Scout leaders report that 50.1 per cent of all Scout units—and there are over 128,000 of them—are sponsored by churches and synagogues. Civic groups make possible 28.6 per cent of the units and schools sponsor 20.6 per cent of them.

Indians Beat Slinger, Routed By Bells Again

The Kewaskum Indians split two games the past week, giving them fifth place with a 4-6 record in the Scenic Moraine conference. Playing at home last Friday they shaded last place Slinger, which has still to win a game this season, by a 50-47 score. Playing at Campbellsport Tuesday they were routed for the second time by the undefeated, loop leading Bells, 56-52.

The victory wrapped up the second straight conference championship for the Bells, who have a season's record of 10-0 in loop play and an amazing overall record of 14-0 for the season. They are ranked eighth in the state's Little Sixteen ratings.

The Indians and Slinger played on pretty even terms Friday. After falling behind, 11-7 at the quarter, Kewaskum outscored the Owls, 17-11, in the second period to take the lead at halftime, 24-22, and hold it.

Slinger gained a point, 13-12, in the third stanza but the Indians bested them in the final quarter, 14-12, to win by 3 points. The victory was won largely on free throws, Kewaskum sinking 16 to Slinger's 9. Bill Koepke, with 13 points, and Kons Sadownikow with 12, paced the winners. The Slinger scoring was evenly divided with Held's 10 being high.

The Indians never had a chance at Campbellsport as the conference champs outscored them by large margins in every period. The Bells were on top 30-17 at the quarter and 50-27 at halftime. They scored 21 points to Kewaskum's 15 in the third quarter, to make it 71-42, before coasting to a win in the final stanza with substitutes in the game. High scorers for the Bells were Don Weber with 24 points and Dick Kleinhaus with 18. For Kewaskum Koepke had 13 and Tom Bartelt 12. Koepke, only a sophomore, has been coming along fast as the season progresses and has taken scoring honors in the last two games. Next year may be a different story as Campbellsport loses most of their veteran team through graduation, while the young Indians have only one senior on the squad. All the rest will be back, older, bigger, more experienced and improved. They also have a good "B" team coming up.

Tonight the Indians will host Greenfield High of Milwaukee in a non-conference game. They were

defeated by Greenfield in an earlier game there.

HANK DERLETH, WISCONSIN FOOTBALL STAR, TO PLAY WITH VISITORS

The Kewaskum Chevrolets made a long trip to Berlin Sunday afternoon and came up with a victory by a score of 85-79, giving them a 1-1 record in second half play in the Land o' Laker circuit.

The Chevs stayed ahead of Berlin during the contest but most of the time by only a few points as the losers stayed within catching distance. Kewaskum led by five points, 40-35, at the intermission.

The big wheels in Kewaskum's scoring were Augie Bilgo with 26 points, Tom Larson and Don Melsenheimer with 19 each, and Frankie Krueger with 13. The offensive aces for Berlin were Foruman with 26 points and Van Sistine with 21.

This Saturday night the Chevs will have a major task on their hands when they entertain the strong Beaver Dam cagers. The Beavers placed second in the first half race, losing only one game, and that to the champion Hartford Muellers in overtime. The powerful Beaver Dam lineup boasts such stars as Fred Miller and Paul Cloyd both former University of Wisconsin varsity players, and now has added another ace in Hank Derleth, junior regular end on Wis-

consin's Big Ten championship football team last fall, which played (?) in the Rose Bowl at Pasadena, Calif.
