New Fane Church to Celebrate Its 100th Anniversary Sunday

St. John's Lutheran church of New Fane is celebrating its 100th anniversary with three centennial services of thanksgiving on Sunday, Aug. 21.

The Rev. C. H. Gutekunst of Waterloo, Iowa will preach in the morning service at 9:00 a. m., the Rev. E. J. Zanow of New Holstein in the afternoon service at 3:00 p. m., and the Rev. C. C. Gutekunst of Monticello, Iowa in the vesper service at 8:00 p. m. Rev. C. C. is a son of the late Rev. C. J. Gutekunst, former pastor of the parish and Rev. C. H. Gutekunst is his grandson.

The Rev. Arthur A. Haupt, pastor of St. John's, will be the liturgist for all three of the services.

Dinner will be served by reservation to all parishoners, past and present, in the Kewaskum High school gym at noon.

The church was built in 1870 of native boulders which members of the parish hauled themselves from the local area and they also donated their labor in the construction of the church. The land on which the church stands was donated by the late Henry Heberer. A parsonage of stone was also built later.

Pastors throughout the 100 years of the parish's existence were as follows: Revs. P. Dicke, Theodore Krumseig, A. C. Brosberger, G. F. Schilling, Theodore Brauer, C. J. Gutekunst, Elmer J. Zanow and the present pastor Rev. Haupt.

WHEEL CHAIRS WANTED! OLD TIMERS TO PLAY SATURDAY

It may not be a terrific ball game but it should be a terrific show when a team of Kewaskum old time baseball players will get together to play a team of Random Lake old timers this Saturday night under the lights at Random Lake at about 8 o'clock.

Some of these old time stars who used to be the scourge of the cripples of the diamond. But like a Random Lake writer says, the batters will be battier, the pitchers' offerings offer and the tempers tempered but you can be sure that when it comes time for the refreshments they will prove that experience has kept them in the best of shape.

Lee Burmesch is organizing the Random team and will serve as player-manager. Any Kewaskum old timers interested in playing should contact Norman Held. Bring your own wheel chairs and crutches, benches will be furnished.

It seems this whole batch began brewing at some class reunion.

The bride chose a gown of imported embroidered tulle over taffeta. The pointed basque bodice was fashioned with short sleeves and a Sabrina neckline. Elaine Bruessel, daughter of Mr. and Mrs. Clarence Bruessel, R. 2, Kewaskum, and Judy Oelhafen, daughter of Mr. and Mrs. Harry H. Oelhafen, R. 3, West Bend, will be at the State Fair Aug. 22 through 25 to give a demonstration in the Youth Building. The first demonstration will be given on Monday, Aug. 22, at 3 p. m.

They also gave it at the District FHA Demonstration contest at Horicon and received an "A" rating there, too, which entitled them to give the demonstra-

tion at the Wisconsin State Fair.

Each of the girls made a basic sheath dress in the neutral color, navy. They chose navy because it harmonizes well with any color. To this basic dress, they added different accessories for almost any occasion.

Henry Oppermann, town of Auburn, met with a serious accident while unloading hay at the Edw. Krewald farm near Lake Fifteen. He was cranking a tractor, which was in gear, and it started up, pinning Oppermann between the barn and tractor. His chest was crushed and he was rushed to the Fond du Lac hospital where his condition is very serious.

During the night Monday vandals broke into Louis Heisler's tavern on Fond du Lac ave. and made away with two slot machines. Nothing else was missing. Entrance was made through a window. It is believed this is the same party who broke into the Wm. Bruhn and Clarence Kudek filling stations recently.

A truckload of sugar bound for Neenah was seized by three hijackers Sunday and two men were held captive for five hours on Hwy. 55, a mile north of Barton. This is the third raid on sugar trucks in Dodge and Washington counties this year.

The Fred Reeths players will open a four day engagement Monday in their big tent theatre on the lot next to the Bank of Kewaskum.

Frederick Miller, son of the Edw. F. Millers, left for Fort Sheridan, Ill. to spend several weeks at the military training school.

Mrs. Louis Schaefer and Mr. and Mrs. P. J. Haug attended the recital of Frances Flaherty's piano pupils at West Bend. Rosemary and Carroll Haug participated in the recital.

Campbellsport had a disastrous fire early Wednesday. Two oil tank freight cars exploded and burned with their contents. The fire spread to the depot, which burned to the ground. Two county highway workers and three Campbellsport firemen were injured in fighting the blaze. Firemen from Fond du Lac, Eden, Kewaskum and Campbellsport fought the blaze several hours and for a time the entire village was threatened. The fire also spread to other oil tank cars and started to burn the Conroy potato warehouse nearby. The flames leaped 100 feet high and could be seen for 25 miles.

FIFTY YEARS AGO

While John Kohn of New Fane was in the village Tuesday his

horse broke loose from Joe Eberle's stable. When he wanted to return home the animal was gone. The next day John made a search for the horse and found it four miles west of Wayne.

Sparks from a locomotive set fire to a field of standing barley on the Chas. Backhaus farm north of the village and destroyed a large portion of it.

Arnold, son of Mr. and Mrs. Wm. Prost, suffered a double fracture of his leg when he was kicked by a horse.

Arthur Eichstedt of the town of Auburn had his leg broken by being kicked by a horse while raking hay. Arthur was knocked off the seat and fell under the rake but managed to get away before the team ran away.

A band of gypsies was in the village Monday.

Corn borers last year took the smallest bite out of the corn crop that they have for seven years.

IN MEMORIAM

In loving memory of our beloved son, brother and grandson, Reuben F. Schultz, who passed away one year ago, Aug. 21, 1959:

God knows how much we miss him, He counts the tears we shed, And whispers, 'Hush, he only sleeps,

Your loved one is not dead." Some day, some time, our eyes shall see

The face we loved so well. Some day, some time, his hand we'll clasp,

And never say farewell.

Sadly missed by his parents, brother, sister and grandparents.

"These trails would shake the cab off an ordinary truck...but not our Chevy"

Few trucks are subjected to the body-wracking beatings that are part of a day's work for this Chevrolet Series 60 pulpwood hauler. It's owned by J. E. Fox, North Carolina logging contractor. As Bobby Fox, a partner in the business says, "Loaded with pulpwood, we drive over stumps and potholes you'd think would tear the truck to pieces. These trails would shake the cab off an ordinary truck, but not our Chevy. We can average an extra load a day . . . make \$45 to \$50 a day more with this Chevy than we can with the others."

In every weight class these Chevies are doing more work at less expense than trucks have ever done before. Drive one at your Chevrolet dealer's. It's an experience that could pay you big dividends.

"That 6-cylinder engine really performs," says Bobby Fox. "It's got the lugging power we need in the woods and walks right along with a full load on the highway."
