## \$200 in Cash, Checks Taken in Day Burglary At Rosenheimer Mill

Burglars obtained about \$165.00 in cash and \$35.00 in checks in a daring day-time case knife burglary at the L. Rosenheimer feed mill at 133 Second st. at about 12:30 p. m. on Monday.

Henry Weddig, Sr., manager of the mill, had been unloading feed at the rear of the building. As he walked toward the office he saw two men leaving through the office door. One of them asked Weddig how to get to Boltonville. He gave them the directions and the pair left in a hurry.

Weddig went to the office desk and found the cash box open and empty with the money and checks missing. Chief of Police Roland Pledl reported that the office had been locked but the door was opened with a case knife.

Weddig described the burglars as being between 20 and 30 years of age. One of them was about 5 feet, 5 inches tall, of chunky build, with dark hair and full face. He was wearing a blue shirt and was bareheaded. The other was about 5 feet, 8 inches tall, slim and weighing about 150 pounds. He was of light complexion with brown hair and was bareheaded and wearing a plaid shirt.

Chief Pledl believes that a third party, waiting in a getaway car, was involved in the burglary as someone in the area reported seeing two men come from the mill and enter an auto parked about a block away.

One suspect was picked up by police for questioning but was released awaiting further investigation.

## Mrs. Wm. McCarty, 41, Dies of Heart Attack

Mrs. William McCarty, 41, nee Josephine Venturo, died unexpectedly of a heart attack at her home at 1140 Roseland drive, Kewaskum, at about 2 p. m. Wednesday, Oct. 5.

The firemen's ambulance was rushed to the McCarty home and attendants administered oxygen to Mrs. McCarty but she was dead on arrival and their efforts to revive her were futile.

Friends may call at Miller's Funeral home after 2 p. m. Friday, Oct. 7. Funeral services will be held at 9:30 a. m. Saturday at Holy Trinity church, the Rev. John T. Budde officiating.

A complete obituary will be published in the next issue of the Statesman.

The property formerly occupied by the house has been sold to the Texaco Oil Co., which will build a new service station on the lot. Work on same is expected to get underway this fall.

## CAR HITS BOLTONVILLE HOUSE, YOUTH INJURED

Daniel J. Schladweiler, 16, of R. 1, Kewaskum, a Kewaskum Community High school student, was injured but a young companion escaped unscathed when the car driven by the former ran into the home of Eugene Brabender at Boltonville at about 12:15 a. m. last Thursday. Schladweiler suffered injuries to his face, mouth, chin and teeth, while his passenger, James Heinen, 17, was unhurt.

The auto, traveling south on a town road, left the roadway on the west side on a curve north of the Brabender home, struck an apple tree, sideswiped a telephone pole, ran over several small spruce trees and sideswiped a poplar tree before hitting the house.

Measurements showed the vehicle traveled 225 feet from the place it left the road to the point of impact with the house. Shrubbery, the foundation and front porch of the residence were damaged and plaster was knocked off a bedroom wall.

# HERE! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10 1/2 inches lower.

**IN MEMORIAM**

In loving memory of our dear husband and father, Edward Schiltz, who passed away October 11, 1959.

When evening shadows are falling,  
And we are sitting all alone.  
To us there comes a longing  
If you could only come home.  
Oft and oft our thoughts do wander,

To a grave not far away  
Where we layed our darling father  
Just one year ago today.  
Sad and sudden was the call,  
You were so dearly loved by all.  
God took you home, it was his will,  
But in our hearts you linger still.  
Sadly missed by his wife,  
Martha Schiltz and daughter.

### Grafton Scores TD In Last Minute to Edge Indians, 7-6

The Kewaskum Indians lost a real heartbreaker under the lights here Friday night when Grafton scored a touchdown in the last minute of play and made good on the extra point to edge them, 7-6, in a Scenic Moraine conference tilt. The setback dropped the Indians into a fourth place tie with Slinger.

Bill Eckart's extra point with only 47 seconds to play provided the margin of victory for Grafton. The extra point came after a 10 yard touchdown pass from Jim Doheny to John Jungers.

Kewaskum's score came in the first quarter on a 35 yard pass play from Tom Bartelt to Terry Theusch. That ended their point making for the night. The Indians have scored only 26 points in three games but nearly all of the

contests in the conference have been close and with low scores so far.

The week before the Indians upset defending champion Campbellsport but they don't seem to be able to beat the weaker teams.

In other games Friday North Fondy won its third in a row over Campbellsport, 20-6, to take over the lead. Previously unbeaten Pewaukee was upset by Slinger, 6-0, and Random Lake won its first game by outlasting Germantown, 34-25.

This Friday night Kewaskum will host Washington High of Germantown at 8 p. m. Germantown has lost three straight without a win but can be tough. The Indians hope to improve on their 1-1-1 record.

## The sense and nonsense of 1960 politics . . .

Are You going to let Jimmy Hoffa dictate to you? That's what he is trying to do—now!

Out of all of Wisconsin's Congressmen in Washington, Hoffa has singled out your 6th District Congressman, Bill Van Pelt, as his special target in the infamous Hoffa "purge" report you've heard about. What does that mean in relation to you and the November 8th election? Simply this: Hoffa wants Van Pelt defeated—replaced by his opponent who for the past two years has been and is now a "field representative" on the payroll of the Wisconsin State Democrat party at a lucrative yearly salary plus a handsome monthly expense account. Doesn't this job make him a fulltime "professional candidate?" Doesn't this mean Hoffa wants him elected so as to have another puppet on the Hoffa string?

Is there anyone who doesn't know what Hoffa stands for? Isn't it nonsense to vote for him through a professional political candidate and, at the same time, vote for a Welfare State? It makes good sense to keep Van Pelt on the job and vote for a Sound Economy—and show Jimmy Hoffa he can't dictate to you!

More people, 313, were killed in multi-motor-vehicle collisions in Wisconsin last year than in any other type of traffic accident. The second deadliest type of acci-

dent was the "non collision—ran off roadway" type in which a total of 242 persons lost their lives.

The third most dangerous type of accident in 1959 involved vehicle collisions with pedestrians.
