## Santa Claus Coming Saturday, Dec. 17, for Christmas Party

### To Arrive Here at 1:30; Free Treats, Movie for Kiddies

Santa Claus will pay his annual visit to Kewaskum next Saturday, Dec. 17, for a big Christmas party for all the kiddies of the village and surrounding community at the local theatre. Santa's arrival and party is made possible by the Kiwanis club.

Santa is scheduled to arrive from the North Pole at 1:30 p. m., when he will be picked up by the Kewaskum fire engine and escorted through the main streets to the theatre. The theatre doors will open at 1 p. m. and children are urged to come early as old Santa has promised to be here right on time.

Santa will greet all the little tots and present each with a treat of free popcorn and candy. After he has had time to visit with all the kiddies and hand out their goodies in the lobby, the party will continue in the theatre where free movies will be shown starting at about 2 p. m. A feature movie for the youngsters and six hilarious cartoons will be shown to delight the small fry.

All parents are urged to bring in their little ones for a real enjoyable afternoon of entertainment and treats. While the kids are having a "ball," Mom and Dad will have an excellent opportunity to do their shopping in the local stores, which are loaded with bargains for your Christmas giving. You can purchase any and all of your holiday merchandise in Kewaskum, where you will receive personal attention. Most merchants will co-operate by putting your purchases aside until Christmas and some even offer gift wrapping. Many wonderful gift ideas can be found in the complete stocks of local stores. Take advantage of them.

Come in and bring the children on Saturday, Dec. 17, to spend the day with the friendly merchants of Kewaskum and take in the Christmas party. And let our ads guide you in your shopping and remind you of the variety of items carried in the stores.

Mr. and Mrs. Kohl and son, who conducted the business for approximately the past year and a half, have moved to Silver Creek where they will make their home for the present. Their plans for the future are indefinite although they expect to take an extended vacation in Florida.

## Surfacing of Hwy. 28 in Village Listed Among '61 State Hwy. Projects

State highway improvement projects for Washington county at an estimated cost of \$102,600 are included in the 1961 construction program submitted last week to Gov. Gaylord Nelson by the state highway commission. Projects proposed include \$12,600 for surfacing Hwy. 28 in the village of Kewaskum.

Four other county projects are included in the state highway commission preliminary engineering and right-of-way acquisition program with an estimated cost of \$7,098,600 for 1961. Included in the program are paving Hwy. 144 in Slinger at a cost of \$90,000, STH 33 from Hwy. 175 to West Bend, a distance of 10 miles; STH 60 from the west county line to Hartford, 1.1 miles, and STH 60, in the city of Hartford, a distance of .53 miles.

The proposed construction represents only that phase of the project which is to be committed during 1961. Many of the projects represent first stages of improvement of such magnitude that several years will elapse before final completion while others represent final stages of projects initiated several years ago.

The total state-wide 1961 program of \$112.7 million is approximately 35 per cent more than the 1960 program. This increase is due in a considerable measure to the release of federal funds due the state, but which had been retained in the Federal Highway Trust fund as a result of the imposition of "reimbursement planning."

### CLUB TO SPONSOR MODEL CAR CONTEST, CAR WASH

The Valve Burners Hot Rod club is sponsoring a model car contest, which will be held at Jack's Appliance, Kewaskum. All entries will be 50 cents per car and are to be brought in on Dec. 28. The judging will be held at 7:30 p. m. on Friday, Dec. 30. All entries must be removed on Saturday, Dec. 31.

The club also is sponsoring a car wash to be held on Saturday, Dec. 17, from 12 noon to 4 p. m. at Honeck Chevrolet. The charge will be \$1.25 per car and \$1.00 with the purchase of gasoline.

### KIWANIS CLUB THANKS CONTEST PARTICIPANTS

The Kiwanis club wishes to thank all those people who graciously cooperated with the "Flowers on the Bridges" contest. Only praiseworthy comments have so far been heard.

It is the Kiwanis club's desire now to accept the applications for next year's contestants and the club is happy to announce that a few more boxes will be available on the east bridge by planting time. Please phone or write Killy, Honeck, phone 111. DO IT TODAY!

### Chevs Edge West Bend In Lakes Thriller, 61-59

LARSON MAKES 29 POINTS AS TEAM MOVES INTO FIRST PLACE TIE

The Kewaskum Chevrolets made it two wins in a row in the Land o' Lakes league when they squeezed out a 61-59 victory over the West Bend Lithias in a scorcher in the home opener Saturday night. The triumph over the Lithias, who upset defending champion Hartford the week before, moved the Chevs into a first place tie with Menomonee Falls and Beaver Dam.

It was a tight battle all the way with the lead changing hands several times. Trailing 14-13 at the quarter, the Chevs moved ahead by 3 points, 30-27, at half-time. They were still on top, 47-45, at the third period's end and took a 6-point advantage at one stage in the final quarter but the Lithias closed the gap and came within 2 points of knotting the count.

Center Tom Larson played a terrific game and dumped in 29 points for the winners to top all scorers. He made 19 of these in the second half despite the fact that he had four personal fouls hanging over him most of the half. The big point man for West Bend was Al Tennes with 19. He only made 4 field goals but swished in 11 free throws out of 21 tries. It sounds unbelievable for one man to get 21 free throws but Tennes did. It seemed he was being fouled all the time on all kinds of fouls all over the floor. Other high point men for the visitors were the Giombetti brothers, Bob and Tom, with 15 and

12 points respectively. Their shooting wasn't sharp from the field but the Lithias almost won on free throws, making good on 25 out of 44 attempts while Kewaskum sank only 9 in 23 tries. The Chevs bested their opponents in field goals 26 to 17 but the visitors dropped in 16 more charity shots.

Larson also played a fine defensive game and a pass interception in the closing seconds prevented a possible tie score. The tilt was hotly contested and some words were exchanged between the players and officials. West Bend missed big Al Peters in their line-up.

This Saturday night the Chevs travel to Menomonee Falls where they will play the nightcap of a twin bill at 8:45. The loser will drop out of the undefeated ranks and first place tie.

### Indians Whip Slinger In Scenic Opener, 67-48

After losing two pre-season tuneup games, the Kewaskum Indians made an about face in their Scenic Moraine conference opener here Friday evening with a neat 67-48 victory over the Slinger Owls.

Behind the 20 point effort of Bill Koepke, Kewaskum stretched a slim one point margin over Slinger at halftime into a rout with a basket spree in the second half. The Indians trailed, 19-17, at the quarter but squeezed ahead, 29-28, at the intermission. A big 24-8 edge in the third period gave the winners a safe 53-36 advantage going into the final quarter. Kewaskum also slightly outscored the Owls in the final stanza.

Four players scored all but 3 of the Indians' points. Following Koepke's 20 were Kons Sadownikow with 13 and Bob Berg and John Thorn with 12 apiece. Top swishers for Slinger were Youngbauer with 15 points and Geldnich with 11.

This Friday night Kewaskum takes on defending champion Campbellsport there. This looms as a close game, although the Bells lost much of last season's team. Campbellsport was upset by Grafton last week, which came from behind in the last quarter to win, 53-48. Tuesday the Indians play host to this Grafton squad.

In other openers Friday North

Fondy led all the way in edging Random Lake, 60-56, but their margin was cut to 2 points in the closing seconds and a Germantown rally fell short in the last period to give Pewaukee a 60-57 win. Every game except the Kewaskum-Slinger affair was very close.

Parents, uncles and aunts are being urged this year to buy safe toys for children—toys that are not likely to cause fire, shock or explosion. The National Board of Fire Underwriters points out that miniature rockets, airplanes and automobiles that use kerosene, gasoline, or carbide for fuels, may be hazardous for the very young. Parents should supervise all play with electrical toys, or those using fuels and chemicals.

### Vandalism at New Prospect, Lake 15

More vandalism in Fond du Lac county was reported last week. Orville Galligan, operator of the Everglades tavern at New Prospect, notified the sheriff's department that someone Monday broke a large window in his establishment. He believed that the 36 by 54 inch window was broken by someone pushing against it. The tavern was not entered.

Herbert J. Schmidt, R. 2, Campbellsport, notified the department that someone broke into his farmhouse on County Trunk DD at the creek on Lake 15 over the week end, broke windows and stole a pin-up lamp. The intruders burned paper in the sink and used a brick to break the windows. A sewing container was taken from the house and then discarded outdoors. Clues were left at the scene.

Christmas tree lights should be turned off when the family is away from home.

**Both Girls and Boys Eligible for Cookie Decorating Contest**

A goodly number of girls turned out for a demonstration at the Electric company last Monday night. They were interested in learning how to decorate cookies for the company's annual contest for organized youth groups.

If sister's intuition is right, there will be some brothers interested in entering the contest too. The rules for this year state only that contestants must be a member of 4-H of Washington county, Pioneers or Scouts of West Bend, Barton, Kewaskum or Campbellsport, any of whom are in grades 5 to 8 in school. Both boys and girls are eligible. Boys in these organizations are given some training and practice in providing their own meals.

Girls and boys have until Dec. 12 to make their cookies, which is the date they are due. They may be brought in after school or during the day.

Each contestant may enter three cookies, to be judged as one entry as he or she is eligible for only one prize. Cookies are to be no larger than 6 inches long or wide, made of a rolled dough. No three dimensional cookies will be accepted.

Each cookie must be wrapped separately in a transparent wrapping and sealed securely. Extra wrapping of two inches should be left at the top of the cookie.

Entries in the 5th and 6th grades will be judged separately. Those in the 7th and 8th grades will be combined. In each of the three groups, the first prize will be a pin-up wall lamp. Additional prizes will be electric table clocks. There will be one prize for each 25 entries in each grade group. In addition, the West Bend Aluminum company has again donated cookie sheets for honorable mention prizes. Each boy or girl entering the contest will be given a souvenir gift.

Cookies entered will be on display on the sales floor of the Electric company within several

days after they are entered. Later they will be distributed to bring Christmas cheer to residents of Washington county institutions and patients of St. Joseph's hospital.

All who enter the contest are invited to the award-presentation party at the Electric company at 7:15 p. m., Wednesday, Dec. 14. Entry blanks for the contest are available at the Electric company.

## Weddings

### LEHMANN-DREHER

Married in Immaculate Conception church, Barton, on Saturday, Nov. 26, were Miss Judith Ann Lehmann, daughter of Mr. and Mrs. Jos. Lehman, Barton, and Floyd J. Dreher, son of Mr. and Mrs. Edward Dreher, Kewaskum. Father O. Ullrich read the 9:30 a. m. mass.

The bride wore a full skirted gown of Chantilly lace and nylon tulle over satin designed with a sequin studded Queen Anne collar, tapered sleeves and a bouffant skirt of nylon tulle with lace panels. A crown of crystal and seed pearls held her fingertip veil and she carried red sweetheart roses and white carnations.

Maid of honor was Miss Joan Lehmann, sister of the bride, in a candy pink dress of chiffon and velvet which was ballerina length and worn with a velvet bolero and velvet cummerbund. A tiny crown of sequins and seed pearls held a circular face veil. She carried a basket of pink carnations and white pom poms. Identical ensembles in Ming blue were worn by the bridesmaids, Sandra Lehmann, sister of the bride, and Judy Martin, a friend. They carried baskets of blue carnations and white pom poms.

Dick Dreher was his brother's best man, while another brother, Jerry, attended as groomsman together with Dennis Bingen, a friend. Ushers were the bride's uncle, Sylvester Neuy and the bridegroom's cousin, Carl Saueressig, Jr.

Dinner and a buffet supper were served and a dance held at the Barton Opera House.

The couple is now at home at Wallace lake following a wedding trip to an undisclosed destination. The bride is an employee of the West Bend Aluminum Co. Her husband, a Kewaskum High school graduate, is employed with the Haug Roofing and Siding firm of Kewaskum.

When putting up the Christmas tree, set it in the coolest part of the room, away from radiators, heaters, and the fireplace. This will not only reduce the possibility of fire, but will keep the tree from drying out.

### WELFARE DEPT. SEEKS YULE CHEER FOR NEEDY

The Washington County Public Welfare Department again wishes to remind local residents that many children will be in need on Christmas. The various civic groups in the county are in a position to help but the department needs to be sure that all families with children in need be remembered to bring them a measure of holiday happiness.

Persons knowing of children who will not have a Christmas are urged to call the welfare department, FEderal 4-3496 which maintains contact with the many organizations throughout the county who will volunteer to help.

The welfare department also

asks that the various organizations wishing to participate in the program call the department at this time to make their specific arrangements.

### SEEFELDT ON TOUR WITH COLLEGE CONCERT BAND

The Lakeland College (Sheboygan) concert band made its eighth annual tour of state high schools in Wisconsin, Dec. 5-8.

Under the direction of Prof. Edgar Thiessen, the 40-piece band and its soloists appeared at Random Lake on Monday morning and Belleville in the evening. Tuesday concerts were at Juneau in the morning and Mayville in the afternoon.

On Wednesday, the college mu-

sicians appeared at Cedar Grove in the morning and Spring Green in the evening. The Thursday morning concert was at Campbellsport and the afternoon performance at Mischicot.

Members of the Lakeland band include Aldwin Seefeldt, son of Alfred Seefeldt, R. J. Kewaskum and several others from Washington county.

Keep the tree outdoors until just before Christmas. It will stay fresher in the cold air, and once you have it up, it will stay green longer. And keep it standing in a pail of water.

Watch that nozzle! Carry your gun safely. Keep the safety on until ready to shoot.

### GIRL SCOUT NEWS

We started our Girl Scout meeting at 3:45 with the pledge of allegiance and Girl Scout promise. On Monday evening, Nov. 28, the Girl Scouts went to West Bend for the cookie contest. We should have our cookies at Mrs. Koerble's Monday, Dec. 12, at noon. On Dec. 13 we are having our Christmas party. Next week Karen Groh will bring the treat. For our glass badge we etched a design into glass. It is a Christmas present for our mothers. We ended our meeting with taps.

## MAKING CHRISTMAS COOKIES A FAMILY AFFAIR

Making cookies for Christmas is the most fun when it's a family affair. Children love the excitement of getting ready for this important holiday and they want to take an active part in cookie making.

Your youngsters will enjoy pressing the pecans on the butterscotch pecan cookies described here. Or they'll like to place the cut chocolate cookie on the baking sheet.

The Christmas tarts can be varied with different kinds of fillings; such as the instant chocolate or vanilla pudding; prepared canned blueberry or cherry pie filling, or cherry or raspberry jelly. A lemon filling is delicious—the recipe for this is given.

This recipe is prepared in three parts. First the dough for the shell is made and chilled. Then preparations for the filling and meringue can be made ready to add to the shell after it has been formed in the tart pan.

Each of these cookie recipes depends on real butter as its key ingredient. Butter's natural flavor gives cookies a special goodness that's impossible to obtain from any other ingredient.

Now for the recipes for buttery Christmas treats: butterscotch pecan cookies, chocolate refrigerator cookies, Christmas tarts and holiday fruit cakes.

### Butterscotch Pecan Cookies

4-5 dozen cookies  
375° oven 6-8 minutes  
1 cup butter  
1 cup brown sugar, firmly packed  
¼ cup milk  
½ teaspoon vanilla  
2 cups sifted flour  
2 teaspoons baking powder

### Pecan halves

Cream butter and brown sugar. Add milk and vanilla and mix well. Add dry ingredients which have been sifted together. Chill in the refrigerator for one hour. Shape into balls and place on an ungreased cookie sheet. Press a pecan half into the center of each cookie and bake in a 375° oven for 4-8 minutes.

### Chocolate Refrigerator Cookies

5 dozen cookies  
375° oven, 8-10 minutes  
1½ cups sifted flour  
½ teaspoon salt  
¼ teaspoon baking powder  
1 cup butter  
1 cup sugar  
1 tablespoon heavy cream  
½ teaspoon vanilla  
½ cup finely chopped pecans  
3 ounces semi-sweet chocolate, grated

Sift dry ingredients together. Cream butter and sugar. Add cream and vanilla and mix well. Add sifted dry ingredients gradually, then add chocolate and nuts. Form into small rolls, 1" in diameter and chill in the refrigerator for several hours or overnight. Slice thin and place on an ungreased cookie sheet. Bake at 375° for 8-10 minutes.

### Christmas Tarts

1½ inch tart pans 3 dozen  
325° oven, 20 minutes  
Pastry:  
¾ cup softened butter  
½ cup sugar  
3 egg yolks, beaten  
2 cups sifted flour  
Cream butter and sugar. Add beaten egg yolks and blend. Add flour, half at a time, mixing well after each addition. Chill pastry in refrigerator for 30 minutes.

**Filling:**  
Use prepared, canned cherry pie or blueberry filling or instant chocolate or vanilla pudding, or the following lemon filling.

### Lemon Filling

1 cup sugar  
2½ tablespoons flour  
Grated rind 2 lemons  
¼ cup lemon juice  
1 egg  
1 teaspoon butter  
Mix sugar and flour, add lemon rind and juice and egg. Melt butter in a small saucepan; add egg mixture and cook and stir until it boils and thickens.

### Meringue Topping

3 egg whites  
¼ cup finely chopped blanched almonds  
1½ cups sifted confectioners sugar  
Beat egg whites until stiff. Fold

in chopped almonds and confectioners sugar.

### TO MAKE TARTS:

Butter small 1½ inch tart or muffin pans. Pinch off small pieces of dough and shape into balls. Put each ball in cup or tin and press against bottom and sides with fingers. Put about 1 teaspoon of desired filling in shell and top with about a teaspoon of the almond meringue. If desired, cut out tiny stars from dough which has been rolled out, sprinkle with red and green colored sugar, and place on top of the meringues. Bake in a 325° oven for 20 minutes or until the pastry is done. Let stand in the pans for a few minutes before removing.

### Holiday Fruit Cake

250° oven, 3 hours 9 pounds  
3 loaf pans, 9¼x3¼x2¼  
¼ cup fruit juice  
½ pound chopped, candied fruit  
1½ pounds dark raisins  
1 pound sultana raisins  
¼ pound candied citron, cut up  
1 candied lemon peel, cut up  
1 candied orange peel, cut up  
¼ pound whole candied cherries  
¼ pound pitted dates, cut up  
2 pieces each red, green white candied pineapple, cut up  
1 cup butter  
1½ cups sugar  
6 eggs, well beaten  
½ cup molasses  
1 cup milk  
3½ cups sifted flour  
½ teaspoon baking soda  
2 teaspoons baking powder  
1 teaspoon cinnamon  
1 teaspoon cloves  
1 teaspoon nutmeg

Prepare the fruit and soak it in the fruit juice while preparing the batter. Cream the butter and sugar and add the well beaten eggs. Add the molasses, then the sifted dry ingredients and the milk alternately. Add the fruit. Pour the batter into waxed paper lined pans which have been buttered, lined with waxed paper, and buttered over the paper. Bake at 250° for 3 hours. Remove from the pan immediately. Cool on cake racks. Store in a covered container.

BY BOB LAKE  
Washington County Conservation Warden

Apparently some of the hunters who proudly returned from the north with deer did not take very good care of the meat. The carcasses of deer with the tags removed are now showing up along town roads. Townships have their local dumps, cities have incinerators (USE THEM).

As this is written lakes are not frozen. However, a few bays are covered with a thin coat of ice. They are not safe for ice fishing. The 1961 fishing licenses and regulations are in the hands of the various county clerks. Any changes in regulations will not be applicable until Jan. 1, 1961. This is a new rule. All ice fishing tip-ups must be identified with the name of the owner.

**HOMEMADE CANDY RANKS HIGH AS THOUGHTFUL CHRISTMAS GIFT**

What makes a nicer or more thoughtful gift than a box of homemade candy?

It's not necessary to follow a long, complicated recipe to have good candy. The butter toffee recipe here is surprisingly simple with easy directions. And it's the kind of recipe you can count on to come out right every time.

As the name "butter toffee" implies, real butter is the secret of this candy's goodness. Butter toffee is generously filled with walnuts and almonds. Melted chocolate is brushed over the top when the candy is cool and then more chopped walnuts are sprinkled over the top.

You'll find this candy is fairly hard after cooling. Break it into pieces by striking with the handle of a knife.

**BUTTER TOFFEE**  
3 dozen pieces

- 2 1/4 cups sugar
- 1 teaspoon salt
- 1/2 cup water
- 1 1/2 cups butter
- 1 1/2 cups (1/2 pound) chopped blanched almonds
- 1 cup finely chopped walnut meats

1/4 pound milk chocolate, melted  
Bring sugar, salt, water and butter to boiling; add half the almonds. Cook, stirring constantly, to the hard crack stage, 290° F. Add the rest of the almonds and half of the walnut meats. Pour into a greased shallow pan, 9x13, and cool. When cool brush with the melted chocolate and sprinkle with the remaining walnut meats. Break in pieces.

### Kewaskum Dairy Meets Grade A Requirements

Milk and milk products processed and packaged by the Barton Dairy, R. 2, Kewaskum, continue to qualify for the use of Grade A label. The processing plant and its full of milk products meet the high standards of Wisconsin Grade A requirements.

The Grade A label on milk and milk products is the consumer's assurance that the products used are being constantly checked for quality. This quality starts back on the farm where surroundings, herd health, sanitation and care in production must be in continual compliance with Grade A requirements.

Processing plants are checked regularly. Laboratory checks are made on the producer's milk supplies as well as the finished products at least four times during each six-months grading period. These checks make it possible for the sanitarian to pinpoint difficulties arising in production and thus eliminate products which are not up to Grade A standards until such time as the bacteriological qualify and/or production methods meet Grade A standards.

This constant supervision and inspection by trained milk sanitarians both on the farms and in the plant assures the consuming public that the milk and milk products bearing the Grade A label are produced, processed and packaged under the best conditions possible.
