Around the Town

ISN'T IT THE NUTS?

Mrs. Art Manthei came in the past week with the nuttiest story of the year.

The story begins with Mrs. Manthei stopping at a local filling station to put gas in her car and have the oil checked before taking a drive. This was done without incident but when the station attendant slammed down the hood a rattling like hailstones hitting the motor came from under the hood.

"What in the h-ll is that?" shouted the attendant and he quickly re-opened the hood to find hickory nuts by the dozens come rolling out from between the hood and fibre glass insulation underneath it.

Where did the nuts come from? Art had some stored in another room of his garage building and apparently a squirrel got into the garage, swiped the nuts, made its way up into the car, and stored them above the insulation for the winter in a real cozy place.

The Mantheis claim they saw no squirrels around their home and there wasn't any opening for them to get into the garage nor from the room where the nuts were stored into the garage proper. So it remains sort of a mystery. Maybe it was just a teensy little red squirrel Art?

So the story ends and all the hard work went for nought as Art lost his nuts, the squirrel lost its nuts and Ollie Staehler wound up with a whole hand full of them which he picked up from his station platform in good faith to give back to Mrs. Manthei. She told him to keep the hickory nuts for all his trouble.

To verify her story Mrs. Manthei lifted the hood once more this week for the editor's benefit and guess what? More nuts rolled out.

will open at 1 p. m. and children are urged to come early as old Santa has promised to be here right on time.

Santa will greet all the little tots and present each with a treat of free popcorn and candy. After he has had time to visit with all the kiddies and hand out their goodies in the lobby, the party will continue in the theatre where free movies will be shown starting at about 2 p. m. A feature movie for the youngsters and six hilarious cartoons will be shown to delight the small fry.

All parents are urged to bring in their little ones for a real enjoyable afternoon of entertainment and treats. While the kids are having a "ball," Mom and Dad will have an excellent opportunity to do their shopping in the local stores, which are loaded with bargains for your Christmas giving. You can purchase any and all of your holiday merchandise in Kewaskum, where you will receive personal attention. Most merchants will co-operate by putting your purchases aside until Christmas and some even offer gift wrapping. Many wonderful gift ideas can be found in the complete stocks of local stores. Take advantage of them.

Come in Saturday to spend the afternoon with the friendly merchants of Kewaskum and bring the youngsters for the Christmas party. The ads in this issue will guide you in your shopping.

Sale of Bankrupt Kohlsville Plant

HEARING ON 3RD OF SECOND PLANT AT ST. KILIAN SCHEDULED

The sale of one plant of the bankrupt Kohlsville Cheese Co. has been approved by Bankruptcy Referee Howard W. Hilgendorf of Milwaukee and a hearing on the disposition of the firm's second plant at St. Kilian has been scheduled at Milwaukee on Tuesday, Dec. 20.

The Grande Cheese Co. of Fond du Lac purchased the Kohlsville property at public auction last week. The firm is one of the largest Italian cheese producers in the state. The Kohlsville plant brought \$25,245 at the auction, with Grande paying \$5,300 for the plant and \$10,100 for some 60 items of equipment, including tanks, vats, a truck and other cheese making equipment.

John V. Di Bella, president of the Fond du Lac firm, was one of the incorporators of the Kohlsville firm and until recently one of its stockholders. During the bankruptcy proceedings he had filed claims for himself and Grande totaling \$97,000, making him one of the largest creditors. Di Bella is also president of Cloverdale Dairy Products, Inc., Fair Water, and is instrumental in the management of Gourmay Cheese Company, Inc. of Lomira. The combined production of Italian style cheeses by Grande, Gourmay and Cloverdale reportedly totaled 2,000,000 pounds in 1948.

The sale of the firm's second plant at St. Kilian was not approved by Hilgendorf at the request of Evan C. Schwemmer, attorney for the trustee. Schwemmer asked that the \$14,232 in bid be set aside on the ground that liens and land contracts outstanding against the plant totaled \$18,000.

The sale of the Kohlsville Cheese Co. was ordered by Hilgendorf on Nov. 7, after Atty. C. J. Schloemer of West Bend, trustee for the bankrupt firm, reported that the operation was not showing a profit. An involuntary bankruptcy petition action was started against the firm by three creditors in December 1959, and Schloemer was appointed trustee in January of this year in an attempt to save the firm.

Yule Lighting Contest

The Kiwanis club of Kewaskum will again sponsor the home lighting Christmas contest. Prizes will be awarded in both the religious and other categories. However, the club wishes to emphasize the real purpose for this most joyous of seasons, namely the birthday of our Savior—JESUS CHRIST.

Judging of the exhibits will be performed on Wednesday evening, Dec. 28.

Success and wealth are often due to will power—especially if willed by a wealthy relative.

Kewaskum Dairy Meets Grade A Requirements

Milk and milk products processed and packaged by the Barton Dairy, R. 2, Kewaskum, continue to qualify for the use of Grade A label. The processing plant and its full of milk products meet the high standards of Wisconsin Grade A requirements.

The Grade A label on milk and milk products is the consumer's assurance that the products used are being constantly checked for quality. This quality starts back on the farm where surroundings, herd health, sanitation and care in production must be in continual compliance with Grade A requirements.

Processing plants are checked regularly. Laboratory checks are made on the producer's milk supplies as well as the finished products at least four times during each six-months grading period. These checks make it possible for the sanitarian to pinpoint difficulties arising in production and thus eliminate products which are not up to Grade A standards until such time as the bacteriological qualify and/or production methods meet Grade A standards.

This constant supervision and inspection by trained milk sanitarians both on the farms and in the plant assures the consuming public that the milk and milk products bearing the Grade A label are produced, processed and packaged under the best conditions possible.

Locally they were distributed by Marvin Martin, Kewaskum Civil Defense director, assisted by Chief of Police Roland Pledl.

Kewaskum Kitchenettes

On the evening of Saturday, Dec. 3, the Kitchenette Homemakers club entertained the members and their husbands at an 8 o'clock dinner at the Republican Hotel. After dinner games were played and Christmas songs sung.

Door prizes were given to one lucky guest and one member. Marie Hoepner won the member's prize and Harold Krueger the guest door prize.

Each secret pal brought a pre-

sent for the husband of her pal. Many of us thought we maybe knew who our secret pal was during the past year but we were very surprised to find out most of us guessed wrong. Everyone revealed their secret pal and showed the gift they received. Many useful and beautiful gifts were shown.

We wish to thank the committee members, Mrs. Roman Forester, Mrs. Lloyd Backhaus and Mrs. Al Muckerheide, for their time and ideas spent arranging our Christ-

mas party. A wonderful time was had by all. Until next year, your reporter,

Mrs. Harrold O. Krueger

CHRISTMAS IN AN ENVELOPE

Wonderful, isn't it, that we can tuck into an envelope all the warmth and beauty of Christmas we feel in our hearts and send them to the far corners of the earth—or to the folks next door. For Christmas, more than any other occasion during the year, is a time of sharing, a time of caring . . . and the world becomes an exciting place. ■ It takes only moments to send a Christmas card, yet the good wish lives forever. And with every card you write, another friendship has been strengthened. People who select their friends with care know the importance of selecting their Christmas cards in the same manner—cards that will serve as worthy representatives to bear their holiday good wishes across the miles or across the street. ■ When you choose Hallmark cards at our store, you may be sure that among the many Christmas greetings your friends will receive, yours will make a lasting impression. What else costs so little . . . yet means so much!

Menomonee Falls Runs Over Chevs, 107-80

MAYVILLE IN LAKES GAME HERE SUNDAY NIGHT

After two victories in Land o' Lakes league play, the Kewaskum Chevrolets tasted defeat for the first time Saturday night at Menomonee Falls, where they were belted decisively by a 107-80 margin by a very good, very big Falls five.

Falls is a new team in the loop this season and right now looms as the favorite to cop the championship, along with Beaver Dam, also undefeated to date. Falls, with a population of over 18,000 and Beaver Dam with over 13,000 (1960 census figures), compared to a mere 1,572 for Kewaskum, should be represented by stronger teams than towns like Kewaskum, Campbellsport and Horicon, which haven't the population to draw players from.

The Chevs held their own pretty well in the first half but Falls pulled away after the intermission and increased their lead as the game progressed. Kewaskum couldn't keep pace with the giant, accurate shooting Falls cagers, who were able to control both boards. Falls was led by the Timm brothers, Phil, who scored an amazing 39 points, and Paul, who made 23; to pace both teams. In the lineup with these aces, they used their two huge centers, Vrobbel and Huenerbin, at the same time and the Chevs just couldn't reach them. Top scorers for the losers were Don Meisenheimer and Tom Larson with 22 and 21 points respectively, followed by Augie Bilgo with 14.

The Chevs trailed at the quarter only 24-22, but fell behind by 13 points, 50-37, at halftime. The count at the third period's end was 76-52. Fifteen of Phil Timm's 39 points were made on free throws. Kewaskum lost both Larson and Frank Krueger on five personal fouls and this helped the winners pull away in the second half.

This Sunday night at 8 p. m. the Chevs will entertain Mayville. This contest was scheduled for Saturday night here but because of the Christmas dance in the gym that night, it was rescheduled for Sunday. Mayville has lost three straight to date but gave West

Bend a very close run last week end.

Indians Split; Lose To Bells, Tip Grafton

In Scenic Moraine conference action the past week the Kewaskum Indians split two games, being surprised at Campbellsport Friday, 60-48, and upsetting Grafton here Tuesday, 71-64. The team now has a 2-1 record on the season.

The Indians, with a veteran team, were expected to make a better showing against Campbellsport, which lost all but one member of last year's championship team. But it was one of those nights when the Bells were hot, especially Don Weber, who dropped in 29 points from all over the floor, and the Indians were real cool (meaning cold) and nothing seemed to work.

Weber on the beam was all

Coach Hubie Diekvoss' Bells needed to get back into the race after an opening game loss the week before. A weak first half showing lost for the Indians, who played the Bells on even terms in the second half. Kewaskum trailed 15-7 at the quarter and 31-19 at the intermission and the Bells maintained their margin the rest of the way. The Indians outscored their opponents, 14-13 in the third period and the Bells had the edge in the final stanza, 16-15.

Bill Koepke paced the losers' scoring with 14 points. Stoffel contributed the same total for the winners. The Bells made good on 22 free throws and Kewaskum on 16.

The shoe was on the other foot Tuesday night here when the Indians had a good night and surprised previously undefeated Grafton, 71-64, placing the two in a second place tie. Kewaskum couldn't beat the Bells and then turned around and defeated Grafton, the team that won over Campbellsport the week before.

Bill Koepke had the biggest night of his high school career and was easily the ace of the game with 31 points, almost half of his team's total. Tom Bartelt and Otto Ramthun each chipped in 14. Stifter was Grafton's top scorer with 23 points.

The Indians outscored the visitors in every quarter but the last, when Grafton made 18 to

their 17. At the quarter it was 16-14 and at halftime 35-29. Kewaskum led 54-46 going into the final period. The Indians made good on 17 charity tosses to only 8 for the losers.

This Friday night Kewaskum hosts Germantown, which has a 1-2 record, and next Tuesday the team travels to North Fondy to meet the loop leaders.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Augusta Bröckmann, who passed away one year ago, Dec. 18, 1959:

Somewhere back of the sunset, Where the loveliness never dies, She lives in a land of glory, Mid the blue and gold of the skies,

Gone from us who love her, Into the heaven of rest.

The home of our loving Savior, Sweetly her soul to rest.

Her life is a beautiful memory, Her absence a silent grief,

She sleeps in God's beautiful garden.

In the sunset of perfect peace, Sadly missed by her children,

son-in-law and daughter-in-law.

Every continent, except Europe, has extensive deserts.

U. S. Savings Bonds grow 33 1/3%

A Savings Bond gift gets bigger. And the Bonds you give this Christmas are better than ever. They earn 3 3/4% when held to maturity. That means the gift Bonds you buy now for \$18.75 will be worth \$25.00 in just 7 years and 9 months.

Give Bonds to all the children on your Christmas list—they'll be money-in-the-bank when it's time for college. Bonds are ideal gifts

for people planning for retirement. Held to maturity, they'll be worth 1/3 more than you paid for them. Held ten years longer, they'll return \$1.93 for every dollar you put into them.

U. S. Savings Bonds are so easy to buy—just a brief stop at this bank and your shopping is done. Your bonds are ready to hang on the tree or tuck in a Christmas stocking.

Five More Youths Hurt In Crashes Near Here

The toll of dead (29 to date) and injured in auto accidents on highways in Washington county for 1960 continued to mount over the week end with one more person killed and at least 11 more injured in mishaps. Killed was Ebon Heimerman, 37, R. 1, Hubertus, father of six children, in a crash on a road near the south county line while on his way to work in Milwaukee last Friday.

Among those injured in crashes were five youths who were hurt in two separate accidents in the town of Kewaskum.

A Barton youth was reported in critical condition this week and a West Bend companion was reported improving following an accident early Sunday on County Trunk Hwy. B about 1 1/2 miles south of County Trunk Hwy. H, several miles southwest of Kewaskum.

Robert J. Winckler, 20, Barton, was in critical condition with injuries to his head and left leg. Investigating officers said Winckler apparently lost control of his car as it traveled north on Hwy. B. The vehicle left the highway on the east side, struck a tree, continued on and struck another tree before rolling on its left side,

pinning the driver under it. His companion, Tom Albrecht, 19, West Bend, suffered head injuries, according to the sheriff's report. His condition was reported greatly improved Monday. Both of the injured were removed to St. Joseph's hospital, West Bend, in the Kewaskum ambulance. Winckler's auto was demolished.

The driver and two passengers were injured at approximately 12:45 a. m. Sunday on a town of Kewaskum road when a car operated by Rita M. Weber, 20, West Bend, went out of control and onto the shoulder, then veered across the highway and went through a fence and into a field. The two passengers were thrown from the car when the front door opened. Injured were Miss Weber, leg and back injuries and head bruises; Madeleine Brandenburg, 19, West Bend, head and leg injuries and body bruises; Dana Rae Zaichek, 19, R. 5, West Bend, back and hip bruises.
