Village Board Approves Borrowing Of \$685,000 to Finance Two Projects

By Ruth Held

of the Kewaskum Statesman

Two resolutions that authorize borrowing a total of \$685,000 to finance two municipal projects were given village board approval at an adjourned meeting Wednesday evening.

Included is the sum of \$490,000 to finance additions and improvements to the village sewage treatment plant and \$195,000 to finance sewer and water installations in Bel-Ric Acres subdivision.

The \$490,000 will be borrowed through the Milwaukee company. Municipal notes which the Milwaukee investment firms will issue will bear an average interest rate of 4.8 per cent.

The loan will be spread over a 10-year period with no prepayment privileges. The first year's payment on the principal will be \$40,000 followed by \$50,000 in each of the remaining nine years.

The amount to be placed on the tax roll next year will be \$74,525. In the 10th year, the amount on the tax roll will be \$51,250.

The \$195,000 needed to finance the sewer and water project will be borrowed through the Bank of Kewaskum in the form of promissory notes at 5½ per cent interest. The loan will be spread out over a 10-year period and will have prepayment privileges. On Monday night, the board rejected a five-year repayment plan because it would have made for a greater tax impact.

What effect that loan will have

Carl Mayer Guest Of Lions Club

Special guest at the monthly dinner meeting of the Kewaskum Lions Club Feb. 9, was Carl Mayer, juvenile officer, City of West Bend Police Department. Officer Mayer, a former resident of Kewaskum, gave a very informative talk and demonstration on drugs; included was a 30 minute film of a drug addict. Interest was very keen by the members, since few knew what drugs looked or smelled like. Many questions were asked of Mayer by the members. Everyone appreciated his visit.

A brief announcement was made regarding Wisconsin Lion's Camp at Rosholt, Wis. This is a camp for the visually handicapped, deaf, and mentally retarded.

BOY LOSES FINGERTIPS IN SNOWBLOWER MISHAP

While cleaning a sidewalk at the nearby Harry Koch home during the snowstorm last Friday morning, Bret Warner, 10, son of Mr. and Mrs. Roy Warner, 537 Habeck St., got his mitten caught in a snowblower which pulled his right hand into the blower and severed the tips of three fingers.

Chief of Police Don Hlavaty, Armin Oppermann, fire chief, and rescue squad member, and the boy's father rushed Bret to St. Joseph's Community Hospital, West Bend. Bret returned home the same day following treatment and returned to school on Thursday.

Rubin Ramel Joins Regal '25 Year Club'

Rubin Ramel, R. 1, Kewaskum, has been inaugurated into the Regal "25 Year Club" as announced today by James D. Reigle, president of Regal Ware, Inc.

Ramel, a World War II army veteran, joined Regal Ware on Feb. 4, 1946. He is presently a set-up man in the finish department. He resides with his wife, Ruth, and son in Boltonville. An ardent sportsman, he was for many years an outstanding bowler and softball pitcher. Rubin's present activities include membership in the Boltonville Volunteer Fire Department and Sportsman's Club.

Regal Ware was founded just a little over 25 years ago on Aug. 6, 1945. The original building had only 18,000 square feet of floor space that included all manufacturing and office facilities. Today, Regal Ware, Inc. is the nation's largest independently owned and operated cookware manufacturer.

The first "25 Year Club" gathering was held Aug. 6, 1970, at the Glacier Inn in Kewaskum, where Regal's first employees were guests at a banquet staged to mark the 25th anniversary of the firm's founding. Rubin Ramel now joins the list of twenty-seven employees representing the initial work force of forty-seven people who started on the founding date.

Immunization Clinics Set for Feb. 15 & 17 Here

Family immunization clinics are again being scheduled in Washington County. They are open to all county residents wishing to participate, and all recommended immunizations are available during the coming months, beginning Feb. 15, from 6:30 to 8:00 p. m. at Kewaskum Elementary School Cafeteria.

Tuberculin skin tests will be given free of charge as part of the Washington County Public Health Nursing Service's tuberculosis prevention program. The skin test is part of the pre-school physical exam requirement, and children entering kindergarten in fall are urged to participate. Another skin test at the high school level is also urged. This is preventive medicine. Our goal is to find all citizens who have had contact with tuberculosis so preventive measures can be taken before anyone becomes ill.

On Feb. 17 skin tests will be read and regular measles vaccine will be given to all children needing the protection against this serious childhood disease. All immunizations will cost \$1.00/immunization dose although cost adjustments can easily be made. Children under one year of age will need written permission from their family physician to attend clinics. Certainly, everyone would find it helpful to check with their family physician before attending so accurate information regarding their needs is available to clinic staff.

Dr. R. G. Edwards, Health Officer, is sponsoring these clinics and will be in attendance along with the Washington County public health nurses. Complete schedules of all future clinics will be available Feb. 15 and 17. Remember, Feb. 15 and Feb. 17—6:30 - 8:00 p. m. at the Kewaskum Elementary School Cafeteria.

Conscience is something that makes a kid tell his mother before his sister does.

St. Michael's to Rebuild Church

Father William Bonesho, pastor of St. Michael's Church, St. Michaels, located three miles east of Kewaskum just off Hwy. 28, said "we will rebuild." The church was entirely destroyed by fire, except for the brick walls and tower, in an early morning fire Jan. 4 when it was struck by lightning in a freak mid-winter electrical storm.

Father Bonesho reported that the congregation has designated a building committee and has begun plans for the project. It has not yet been determined whether the congregation will rebuild the old church, using the wall shell of the structure, or construct a new building.

Efforts to contact state engineers to inspect the walls of the old church so far have proved futile. The ruins have been inspected

by a Marquette University engineer but a report on his findings has not yet been received. No insurance settlement on the building has been made and this will have a bearing on the future plans.

For these reasons the possibility of reconstructing the church or tearing it down and building a new one still remains undetermined. Father Bonesho said they should know in about two weeks. Put the pastor said they would rebuild, which decision was reached at a parishoners meeting held shortly after the fire.

The parish was founded in 1846 when a log church was built. In 1855 a stone church was constructed and was later replaced in 1884 by the building which was destroyed by fire early this year.

Board Agrees to Hire Architect for Proposed School Expansion Program

SCHUTTE-MOCHON FIRM CHOSEN FOR BUILDING

By Ruth Held

of the Kewaskum Statesman

The board of education agreed to hire the architectural firm of Schutte-Mochon, Inc., for a proposed building expansion program when it met here Monday night.

Board members also gave their approval to a schedule of events that include a resolution calling for a referendum to be dated Feb. 22, a general informational meeting on April 1 and a referendum on the proposed expansion at the April 6 spring election. Voting will be held in the individual municipalities in the district.

Four architectural firms have been interviewed by the board during the past month or so. The Schutte-Mochon firm was chosen because of its competence, because it is familiar with the district and because it saved the district about one-half million dollars in recommending that the present high school site be expanded instead of building a new high school on another site.

Schutte-Mochon will review cost estimates they prepared on the proposed building project last June.

An all-risk insurance policy that will provide added coverage to school properties was approved after hearing an explanation by Eugene Bohn, local insurance broker. Annual premium cost will be \$1,130.

The board heard a report of a five-member school faculty drug curriculum committee which attended six weekly classes on drug alert through CESA. Its recommendation was that there be no teaching about drugs in kindergarten through sixth grade but that a program that would teach attitudes toward drugs rather than facts about them should be included in seventh and eighth grade health classes.

The program should teach an understanding about drugs from a personal and social point of view. This will be incorporated in the latter part of the semester.

Casper Renner Dies Wednesday

Casper F. Renner, 71, of R. 2, Kewaskum, passed away Wednesday, Feb. 10, at Community Memorial Hospital, Menomonee Falls.

Friends may call at Miller's Funeral Home, Kewaskum, after 3 p. m. today (Friday). Funeral services will be held Saturday at 10 a. m. at St. Bridget's Church, Town of Wayne.

A complete obituary will be published in our next issue.

STATESMAN TO PUBLISH DAY EARLIER NEXT WEEK

Due to a Sentry Foods promotion, the Statesman will publish a day earlier next week and will be in the mail Thursday morning. We will appreciate your cooperation in getting advertising copy into our office Monday afternoon and news no later than Tuesday afternoon.

Kindergarten 'Round-Up' Set For Feb. 16, 17

This year's annual "round-up" for the parents of either prospective kindergarten pupils or beginning 1st graders who have not attended kindergarten in the Kewaskum school district will be held during the day on Tuesday, Feb. 16, and Wednesday, Feb. 17, from 9:00 a. m. to 12:00 noon, and 1:00 to 3:00 p. m. in the Beechwood, Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday prior to Sept. 1, 1971, and for 1st grade they must have attained their sixth birthday prior to Sept. 1, 1971. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents will be asked to register their children for next year's term and to get the necessary health forms. If you know of any new families in this district, please pass this information on to them.

Richard E. Zarling, Director of Elementary Education, should like to impress upon you the importance of registering your child on either of these two days so that they may plan for them.

Jozel Watson Wins Homemaker Award at KHS

Jozel Watson has been named 1971 Betty Crocker Homemaker of Tomorrow for Kewaskum Community High School. She was chosen on the basis of her score in a Dec. 1 written knowledge and attitude examination for which 650,000 senior girls throughout the country were enrolled. From General Mills, sponsor of the annual education program, she will receive a specially designed award. Additionally, her selection makes her eligible for state and national honors, including one of 102 college scholarships totaling \$110,000.

The 1971 Betty Crocker All-American Homemaker of Tomorrow—the national winner—will be awarded a \$5,000 educational grant. She will be selected this spring from 51 senior girls representing each state and the District of Columbia during an expense-paid educational tour by these State Homemakers of Tomorrow—each accompanied by a school adviser—of Washington, D. C., and Colonial Williamsburg, Va. Second, third and fourth place winners nationally will receive \$4,000, \$3,000 and \$2,000 scholarships. The other state winners will be awarded \$1,500 grants.

**Two Accidents in
Village Reported**

Two mishaps, one of which occurred near the high school and the other near the elementary school, were reported by Kewaskum police this week.

Autos driven by James Schrauth, 16, of R. 3, Campbellsport, and Daniel J. Stoffel, 19, of R. 2, Kewaskum, collided at 3:20 p. m. on Tuesday at the high school parking lot 75 feet west of Bilgo Lane. Stoffel was westbound on the parking lot and Schrauth southbound on the lot preparing to turn right. He lost control of his vehicle on the ice and his car struck the Stoffel auto. The left front of the Schrauth car and right front door of Stoffel's vehicle were damaged.

In another mishap at 8:10 a. m. Wednesday on Third St., 125 feet east of Reigle Drive, autos operated by Carole E. Dreher, R. 2, Campbellsport, and Dolores A. Werner, Riverview Dr., Kewaskum collided. The Werner vehicle was eastbound on Third St. when the Dreher car backed out of a driveway at the elementary school into the Werner machine. The right rear of the Dreher car and right side of Mrs. Werner's auto were damaged.

**COUNTY DEMOCRATIC PARTY

on the tax rate is dependent on how soon the property owners in the subdivision pay their individual sewer and water charges which are based on a per foot basis, according to the frontage of each lot.

After formal billing by the village, a property owner may pay up in full immediately or he may defer payment until Dec. 1, 1971, or he may spread equal payments over a four-year period, with interest at 8 per cent.

Scheduled for next year's tax roll is \$30,225, but payments from property owners will be applied against and lessen that amount.

A total of \$57,346.64 from Metropolitan Builders Association of Milwaukee, for 50 homes five Milwaukee firms have committed themselves to build, is being held in escrow and will be turned over to the village within 15 days after formal billing on completion of the sewer and water project. The project is expected to be completed in about two weeks.

Bids for the sewage treatment plant expansion were let on Jan. 4. The contract calls for completion in 365 days after signing of contracts. They are presently being finalized. Westra Construction Co., Waupun was low bidder for general construction.

The plant is overloaded due to population and industrial growth. New equipment will be installed to bring the level of treatment up to standards set by the Department of Natural Resources.

Originally built to handle 450,000 gallons of sewage per day, the enlarged facility will have a one million per day capacity. An application for government aids has been approved.

State judging centers on the performance of school winners in the Dec. 1 test, with personal observation and interviews during the tour added factors in national selections. In addition to the awards for school, state and national Homemakers of Tomorrow, second-ranking girls in each state receive \$500 scholarships, and schools of State Homemakers of Tomorrow are awarded complete sets of Encyclopaedia Britannica by Encyclopaedia Britannica, Inc.

**County GOP Caucus
Slated for Feb. 23**

Richard T. Becker, Washington County Republican Chairman, this week announced that the annual Washington County Republican Caucus will be held at the Moose Hall in West Bend on Tuesday, Feb. 23, starting at 8 p. m. The agenda for the meeting will be announced later.

In announcing the caucus Becker also announced that he would not be a candidate for reelection as county chairman. He stated that he had served four years in that capacity and had recently become very active in the hospital situation at Hartford which did not leave him the time to continue as GOP chairman. The Executive Committee of the Washington County Republican Organization was told of Becker's decision not to seek reelection to the county office prior to last November's general election. Becker stated that the results of that election had nothing to do with his decision.

The decision not to seek reelection by Becker will mean that one of the high points of the 1971 Caucus will be the selection of a new chairman. A committee consisting of District Attorney Robert Kauffman, Aldwin Seefeldt and Allan Kieckhafer was appointed last fall to serve as a nominating committee. The committee at this point has no comment on possible nominees.

The public is invited to the caucus. As is traditional, lunch and refreshments will be served after the close of the business meeting.

Mrs. John H. Martin, "Tommy" Quandt Pass On

Mrs. John H. Martin, nee Elizabeth Klumb, 94, who made her home in Kewaskum most of her life, and was one of the oldest residents of the area, passed away Monday, Feb. 8, at the Samaritan Home and Hospital, West Bend.

She was born Dec. 8, 1876 in the Town of Barton, a daughter of the late Nicholas and Elizabeth Richter Klumb. Her marriage to John H. Martin took place at St. Peter's Church in the Town of Addison, Washington County, on Oct. 29, 1898. He preceded her in death on Nov. 12, 1961.

Mrs. Martin was a member of St. Lucas Lutheran Church, Kewaskum, over 70 years and a member of the Ladies' Aid of the church. She was also a member of the Rural Mail Carriers Auxiliary. Her husband was a rural mail carrier out of Kewaskum for many years.

Surviving are three children, Mrs. Celesta Koerbl, Marvin A. Martin and Elizabeth (Mrs. Carl Johnson), all of Kewaskum; one daughter-in-law, one son-in-law, one sister-in-law, nine grandchildren, 22 great-grandchildren, two great-great-grandchildren, nieces, nephews and other relatives and friends.

Funeral services were held at 2 p. m. Thursday in St. Lucas Lutheran Church, Pastor Paul Hoenecke officiating. Burial took place in Lutheran Memorial Park in Kewaskum. Visitation at Miller's Funeral Home was from 3 p. m. Wednesday until 11 a. m. Thursday and at the church from 12 noon until the hour of services.

RAYMOND "TOMMY" QUANDT

Raymond "Tommy" Quandt, 69, a retired painter, and resident of Kewaskum most of his life, passed away on Sunday, Feb. 1, at the Samaritan Home and Hospital, West Bend. He died just six days after his sister, Erna (Mrs. Walter Braum), whose death occurred Feb. 1.

He was born Oct. 30, 1901. in

the Town of Auburn, a son of the late Frank and Louise Puschel Quandt, grew up and spent most of his life in Kewaskum. "Tommy" was employed by the L. Rosenthaler firm several years before taking up the painting trade. He never married.

The only survivors are one nephew, Don Schowalter, and one brother-in-law, Walter Braum, of Kewaskum.

Funeral services were conducted at Miller's Funeral Home, Kewaskum, at 8 p. m. Tuesday. Visitation was from 7 to 8 p. m. Tuesday. The Rev. Dan Schowalter officiated and burial took place in Lutheran Memorial Park, Kewaskum.

MRS. GEORGE PAMPERIN

Mrs. George Pamperin, 74, nee Schwartz, of the Town of Wayne died Sunday afternoon, Feb. 7.

She was born June 9, 1896 at Lewiston, Minn., and moved to Mayville with her parents at an early age. She married George Pamperin on Nov. 12, 1919 at St. John's Lutheran Church, Mayville. The couple observed their golden wedding on Nov. 12, 1969.

Mrs. Pamperin is survived by her husband, four children, Mrs. Donald Sterr of Mayville, Mrs. Armand Czoschke of Mayville, Miss Adela Pamperin of West Bend, and Arthur Pamperin of R. 1, Allenton; a brother, Herbert Schwartz of Mayville and nine grandchildren. Two sisters preceded her in death.

Funeral services were held

Wednesday at 2 p. m. at Zion Lutheran Church, Town of Wayne, Rev. Wayne Bartelt officiating. Burial was in the church cemetery. Visitation at the Beck Funeral Home, Theresa, was after 3 p. m. Tuesday and at the church from 12 noon until the hour of services on Wednesday.

Secretaries Given Charter, to Hold Initiation Here

Fond du Lac Chapter of the National Secretaries Association (International) is presently making plans for the presentation of the charter to the Kettle Moraine Chapter of the National Secretaries Association (International). Initiation of 16 members and installation of officers will be held at the Glacier Inn, Kewaskum on Feb. 23. Members will be from the communities of Campbellsport, Hartford, Kewaskum, Mayville and West Bend.

Installing officer at the meeting will be Miss Patricia O'Shea, CPS, Milwaukee, Wisconsin Division President, assisted by Miss Eunice Schwarze, CPS, Fond du Lac, Wisconsin Division Chapter Procurement Chairman.

Miss Janice Stratz, membership chairman of the Fond du Lac Chapter, will preside at the meeting. Members and officers of the Fond du Lac Chapter and other Wisconsin Division Chapters are

planning to attend. Miss Jeanette Kaiser, president of the Fond du Lac Chapter, pointed out that reservations by members and friends for the 7 p. m. dinner may be made up to Feb. 16 by contacting Mrs. George Rottman, Jr., 173 South Park Ave., Fond du Lac or Mrs. Rose Ketter, Kettle Moraine Chapter president at Regal Ware in Kewaskum.

The man who has done the most to arouse the working class is the man who invented the alarm clock.

MAIL CURTAILMENT ON WASHINGTON'S BIRTHDAY

Postmaster Harry E. Koch announces that mail will be curtailed on Washington's Birthday, Monday, Feb. 15. The regular dispatches of mail will be made both incoming and outgoing, lock box section will be open as usual. There will be no window service or rural delivery service.

When doctors go into conference, the patient is either very sick or very rich.

25 YEARS AGO 1946

Harvey Techtman, who was discharged from the army recently, after 40 months in the service, has returned home with his wife to again take charge in conducting the Techtman Funeral Home in Kewaskum which he established before the war.

Veterans discharged included the following from Kewaskum and area: Elsie Bruhn, Wilmer Hawig, Ralph L. Kohn, Wilmer H. Ramthun, Albert P. Schaeffer, Frederick W. Buss, Ralph A. Krautkramer, Alex P. Kudek, Clifton J. Pierce, Harold H. Bunkelman, Clyde A. Darmody, Franklin F. Heisler, Ervin H. Ramthun, John E. Petri, Edwin W. Tosch, Thomas R. Green, Earl J. Kohler, Helmut G. Lubitz, Donald R. Mertes, Donald B. Seil, Harvey W. and William Techtman.

The Rev. R. G. Beck, who served as pastor of Peace Evangelical and Reformed Church nearly four years, tendered his resignation to the congregation to accept a call to become a pastor of the First E. and R. Church in Burlington, Iowa, a very large congregation.

Girls, make this beauty test. If complexion makes your complexion muddy and takes the sparkle out of your eyes try this old-fashioned herb laxative — Hollister's Rocky Mountain Tea. Graf's Drug Store.

The first public card party sponsored by the American Legion Post and Ladies' Auxiliary in the new clubhouse was attended by 125 players in spite of bad weather. Winners of first of prizes were Helmut Lubitz, Jr. in Sheephead, Mrs. Mike Skupniewitz in 500, Ray Klein in Skat, Mrs. D. M. Rosenheimer in Bridge, Mrs. Howard Mayer in Bunco, and Miss Elsie Bruhn in Schmeer.

Miss Rosemary Haug, who was employed in Milwaukee, has resigned to accept a teaching position in St. Scholastica High School in Chicago, a private Catholic school.

Service news: Sgt. Werner Bruhn returned to Kewaskum after five years in the service. He received an honorable discharge at Ft. Sheridan, Ill. A veteran of over three years of duty in the Southwest Pacific, Sgt. Bruhn

served overseas in Australia, New Guinea, on Saipan and Luzon in the Philippines. Pfc. "Bud" Korth returned to the states after eight months of duty in the European theater. He served in France, Belgium, Luxembourg, Germany and Czechoslovakia with an infantry unit of General Patton's 3rd Army.

50 YEARS AGO 1921

Mrs. John F. Schaefer had her tonsils removed at St. Agnes Hospital, Fond du Lac. She stood the operation well and is now on her way to recovery.

A number of large timber wolves have been seen several miles southeast of West Bend. With these dangerous animals so close at hand and remembering the experience of Nick Gindt, Lomira farmer, who had 12 pigs killed one night last week, our readers are warned to be on the alert.

Albert Wesenberg, industrious farmer of the Town of Auburn, had the misfortune of having the forefinger on his right hand amputated below the second joint. He was in the act of pumping water when his hand got caught in the pump jack.

Rumor has it that Rev. Mohme, who for the past 13 years was pastor of the Ev. Peace congregation, contemplates leaving here. It is expected he will tender his resignation Sunday to accept a pastorate in the Town of Herman, Sheboygan County.

West Bend has another new industry, known as the Carl Piel Company. The product to be manufactured on a large scale is the "universal" joint, an improved automobile knuckle or joint. The object of this new product is to strengthen automobile joints so they can stand the heavy strain when traveling over rough roads. Mechanical engineers speak very highly of this new invention.

Yeggs have again been busy in Campbellsport. For the second time in three months the Seering & Curan store was mysteriously robbed. Thirteen pairs of shoes were taken and the empty boxes left on the shelves so that the robbery was not discovered until several days later.

Heart Fund Drive Volunteers Will Canvass Village

GOAL IS TO TOP LAST YEAR'S CONTRIBUTIONS OF \$622.75

The Kewaskum Heart Fund Drive will reach its high point during the last two weeks of February. Volunteers from the Kewaskum Woman's Club will be visiting the residential and business districts for your Heart Fund contribution during this time. The local Heart Fund chairman is Mrs. Robert Schmidt, assisted by Mrs. Marshall Boyd.

Kewaskum's goal is to top last year's contributions of \$622.75. Residents are urged to be generous in their support of the Wisconsin Heart Association.

The performance record of the Heart Association in the fight against heart and blood vessel diseases has established it as being worthy of our community's full support.

The facts speak for themselves. Since the onset of massive heart research programs in 1950, following the first Heart Fund campaign in 1949, there has been a decline of about 20 per cent in the cardiovascular death rate for Americans under 65.

The improved mortality picture grows chiefly out of a dramatic reduction in the death rate from high blood pressure and the heart disease it causes, as well as in the death rate from stroke. It is

an overall improvement. In heart attack, the number one killer of our time, the improvement has been only about 2 per cent since 1950.

Yet let no one assume that victory is close at hand. Heart and blood vessel disease at all ages is responsible for about 53 per cent of all deaths in the United States.

Your Heart Association has become the world's largest non-governmental sponsor of research that is now paying off. Its work in the field of education and community service is bringing the benefits of new knowledge to every citizen. So be generous!

Kathryn Hansen Accompanies Lakeland Students on Study Tour in Mexico

The people of Mexico are making their own rainbows.

Most of them are poor, money-wise, but look at their ornate Catholic Church in town. And get a load of fathers and sons in the park, mothers and daughters washing clothes in the stream.

The average Mexican makes maybe \$600 a year, not the lowest for Latin America. But these are the rich of the world—their families the closest, their church one the same, their countrymen united through intermarriage.

Last month, 27 Lakeland College (Sheboygan) students and three of their instructors spent 20 days applying interdisciplinary study inside Mexico. Also on the tour were four students from Carthage College, Kenosha.

Lakeland and Carthage both offer a one month term in January called the "Winterim." It allows the students to take only one course on or off the campus. "Interdisciplinary Mexico" was a joint off-campus venture set by both schools.

Donald Koch, assistant professor of Spanish at Carthage, was the guide for the group, which also included Miss Ernestine Eager, assistant professor of Spanish at Carthage, and three Lakeland instructors—Ron Ertel, instructor of biology; Dr. Robert Riles, assistant professor of history, and Allan Wangemann, assistant professor of biology.

The Lakeland students on the trip to Mexico included Kathryn Hansen of Kewaskum. Other students from this area accompanying the group were Thomas Krief, West Bend; James Sinner, Plymouth, and David Wilk, Random Lake.

The students related their major study to Mexico. For example, a biology major wrote about vegetation at different altitudes, taking notes in Acapulco at sea level and Mexico City at 8,000 feet.

They were also graded on how they conducted themselves. Prof. Koch reported that they all were "highly motivated with a tremendous amount of enthusiasm" and that the "spirit of cooperation was very high among professor and student."

It all began with a New Year's Eve celebration at the home of Mariano Hernandez in Mexico

City, the tenth largest city in the world. Senor Hernandez is a friend of Miss Jaime Pedrazza, a Lakeland junior.

Here was their first glimpse of Mexico. The party of 36 strummed on guitars and sang until 4:30 a. m. The whole city was bright with billboards lending holiday themes and buildings dressed in gay-colored lights.

The following day, Prof. Wangemann lectured at the National Museum of Anthropology, and Dr. Riles spoke at Chapultepec Castle, once the imperial residence of Maximilian and Carlotta, now housing the National Museum of History.

They saw all the sights—the Ballet Folklorico, 2,100 acre Chapultepec Park, the monuments to heroes and the magnificent National Museum of Mexico, founded in 1551 by charter of the King of Spain.

But their favorite stops were not here, not at Acapulco, one of the world's fine harbors, nor Taxco, the great silver center, where most of the tourists in the country will go.

For them it was Guanajuato, Páezcuaro and Uruapan "where the charm could not be equaled anywhere in the world," according to Robert Stack, a Lakeland senior.

Most seemed to enjoy Guanajuato, a mining town with subterranean streets where cars and buses drive. There was a bandshell at the park where older men were playing national songs as well as several of the popular marches by Sousa.

Here could be found the European influence—almost all young middle class women wore high heels and stockings, the men with dress shirts and ties.

The Lakeland students were encouraged by their guide to meet the opposite sex—and some did wind up having dinner with a daughter's family. "We listened to records, played chess and cards," said David Wilk. "Then we shook hands goodnight."

Prof. Koch arranged for the group to stay in mostly small middle class hotels, occupying every room in some cases. They also lived in boarding houses where they were forced to speak Spanish.

Justice is swift in Mexico where they don't pamper the criminal element. Prof. Ertel said two drivers left 12 children to drown in an overturned school bus. The drivers were taken by the police and were never seen again.

One contradiction in Mexican character would appear to be the popularity of the bullfights, where huge crowds chide the matador for cowardice in the face of death. For David Wilk, who went to one of the fights in Acapulco, it was a nightmarish experience. He described it:

"The crowd boomed lustily at the novice matador who was gored while running away. The second man in the ring was knocked to the ground by a raging bull that then flung him into the air and stabbed him in the leg with his horn."

But the bullfight is not created for death. "The people want the matador to get as close to the bull as possible without being brushed or gored," said Ertel.

Ertel saw Senor Marrinez, one of Mexico's best, kill three of seven bulls in the ring. "It was with a grace and cunning that you can't express in words," recalled Ertel.

Perhaps the bullfight is no more than escapism for a humble life for most Mexicans. After all, as Charles Peth remarked, "the people are extremely intelligent because what little they have they utilize better than we do." And this ability is realism at best.

"We feel at Lakeland College that this experience in Mexico on the part of our students is a step

in the direction of expanded understanding of our neighbors," explained Dr. John B. Morland, president of the college.

4-H Club News

WAYNE CRUSADERS 4-H CLUB

The February meeting of the Wayne Crusaders 4-H Club was called to order on Feb. 2. Roll call was answered by a 3x5 card with your name, fire number and address on it.

A talk was given by Jack Kern on "Smog." Demonstrations were given by Lelani Stoffel on how to make a conservation jar and by Linda Faber on how to make carmel corn.

Roll call for the next meeting will be a poster (14x22, no larger) on our environment. The refreshment committee for next month is the Faber, Kern and Ernise families.

Next month Jack Garman, Cheryl Wulff and Shirley Schmidt will give talks. Karen Williams and Shirley Schmidt will give a demonstration.

Our special guest next month will be Ivan Andrade Apunte, our foreign exchange student from Ecuador. All parents are invited. A 4-H music and drama program will be given on Feb. 20 and 21. If any member wants tickets, they can get them free by

contacting Mrs. Terlinden or Sue Stoffel.

The meeting was adjourned and refreshments were served.

Mary Flynn Bride Of Steven Fleming

In a nuptial ceremony performed at St. John of God Church near Boltonville by the Revs. Mike Scheible and Joe Anderson at 2 p. m. Monday, Jan. 25, Mary Flynn, daughter of Mr. and Mrs. Gerard Flynn, R. 1, Random Lake, became the bride of Steven Fleming, son of Mr. and Mrs. Jon Fleming of Horicon.

The bride wore a white velvet dress made by the bridegroom's mother and a lace mantilla sent by her brother from Spain. She carried white daisies.

Patty Kohler of West Bend attended the bride as maid of honor. She wore a wine colored velvet dress and carried pink daisies. Tom Dibick of West Bend served as best man for the bridegroom.

A reception was held at the home of the bride's parents for 80 guests.

The newlyweds will make their home in Kewaskum. Both are students at UWWC, West Bend.

Indians Defeat Germantown for Tenth Straight

MAYVILLE GAME CANCELLED, WILL BE MADE UP TUESDAY

The Kewaskum Indians ran their winning streak to 10 in a row and held onto their first place tie with Mayville by beating Washington High of Germantown here Tuesday night, 52-43. The Indians are now 10-1.

But it wasn't easy. The scrappy Warhawks surprised Kewaskum and showed much improvement since their last meeting at Germantown. The Indians had their hands full in the first half. In fact they trailed at the end of the half, 23-24.

It was a low scoring contest with both teams showing strong defenses which proved difficult to penetrate. Excessive dribbling by the Indians, especially by the guards, used up some of the clock and caused a number of turnovers. The effects of a 10-day layoff, due to having one game postponed were also felt and the Indians couldn't get going until the second half. They scored only 24 points in the first two periods and fell behind.

Both teams had trouble getting the ball through the tight defensive set-ups and were forced to use a deliberate offense to work the ball inside for shots. The fact that three of Kewaskum's top players, Clark and Glenn Eichstedt and Bob Mertz, all got into serious foul trouble early in the contest really hurt their chances. Clark, the team's leading scorer, had three fouls in quick succession and had to sit out much of the time. As a result he scored only 12 points, far below his 21 point average.

The Indians settled down in the second half, especially in the third quarter, in which the defense played a brilliant game. While Kewaskum was scoring 14 points, they held Germantown to one field goal for a mere 2 points. Great defensive ball by the Indians prevented the Warhawks from getting a shot at the basket for the first 5 minutes. And their only 2 points came on a tip-in with only seconds remaining in the period. Kewaskum also shaded Germantown in the final stanza, 14-13, to win by a margin of 9 points.

Mertz was a bearcat on the boards, hauling in 20 rebounds.

half of the Indians' total. He also scored 8 points but the Eichstedt brothers led the scoring with 12 and 10 points respectively. The colored Henry brothers paced Germantown with 14 points by Wilbur and 10 by Mike.

Each team shot 36% from the floor. The Indians hit on 16 of 29 free throws and Germantown only 7 of 22.

Both Eichstedts are among the top six scorers in the Scenic Moraine. Clark is second with 225 points and junior Glenn is sixth with 154. Clark was only one point behind Rod Barbera of Hartland but the latter scored 17 Tuesday night while Clark was held to 12, dropping him 6 points behind.

The Kewaskum JV's also beat Germantown, 57-51, with Jim Kern sinking 16 free throws in 18 attempts.

Last Friday's big game at Mayville, along with all Scenic games, was cancelled due to the snowstorm and drifted roads. The contest will be made up Tuesday, Feb. 16. The JV contest will start at 6:00 and the varsity game at 7:30. This tilt will settle the first place deadlock and possibly the conference championship. But before looking ahead to this game, the Indians have an important contest at Pewaukee tonight (Friday). The Pirates can be tough. They can score and gave Kewaskum a pretty close run in their meeting here.

Indians Fourth in Scenic Mat Meet; Rodenkirch Wins

Hartland Arrowhead walked off with honors in the Scenic Moraine wrestling tournament held at Hartland Saturday. The Warhawks won easily by scoring 100 points, followed by Grafton with 78. Kewaskum wound up in fourth place with 42 points.

Results: 1. Hartland, 2. Grafton 78, 3. Kettle Moraine 76, 4. Kewaskum 42, 5. Germantown 32, 6. Slinger 21, 7. Mayville 14, 8. Pewaukee 6.

With the points awarded in the Scenic meet, along with those already awarded in dual meets, Hartland won the conference championship with a perfect score of 21 points. The Warhawks were followed by: Grafton 17, Kettle Moraine 16, Kewaskum 11, Germantown 8, Slinger and Mayville 5 (tie), Pewaukee 1.

Hartland and Kettle Moraine each came up with 4 individual champions, Germantown 2, Grafton and Kewaskum 1 each. The three other teams were blanked.

The Indians placed five wrestlers in the meet. Kim Rodenkirch was heavyweight champion. Dave Schacht and John Jadro won second places, and Doug Bindrich and Cal Tackes copped thirds. Schacht's loss was in overtime. Top seeded George Muckerheid of the Indians lost in the first round of the meet, which was a disappointment to Kewaskum.

The tournament also featured a court of honor. Debbie Ketter, senior, a rabid wrestling fan, represented Kewaskum.

HOLY TRINITY TEAM RUNS WIN STREAK TO 7

Tom Timblin, Reporter
The unbeaten Holy Trinity School basketball team, leaders in the Kettle Moraine Catholic Grade School League, extended their win streak to seven straight without a loss by defeating St. Mary's of Eden there Tuesday in a make-up contest, 50-36. Paul Petri paced the winners in scoring with 23 points to bring his total for the season to 116. Holy Trinity has a bye in the schedule this Friday.

In the "B" team game Holy Trinity also trimmed Eden, 20-1, holding St. Mary's without a field goal. Almost a shutout in basketball! Mike Perkins scored 5 points for the winners.

HON-E-KOR VALENTINE'S PARTY THIS SATURDAY

The annual Valentine's Party for members of Hon-E-Kor Country Club will be held Saturday, Feb. 13. A rib-eye dinner will be served at 7 p. m., followed by dancing at 9 o'clock, with music by the popular Two Hits and a Miss. A carnation will be presented to each lady. Fee is \$12.00 per couple.

The committee in charge consists of Mr. and Mrs. Frank Wininghoff, chairmen; Mr. and Mrs. Charles McManis, Mr. and Mrs. Robert Simons.

Men. Falls Whomps Lakes Team, 168-71

The Kewaskum Lakes team really took one on the chin at Menomonee Falls Saturday night where they were blasted by the undefeated league leaders, 168-71. The loss was the team's 7th in 8 starts. It was the 7th straight win for Falls.

Falls blasted Kewaskum by better than a 2 to 1 margin, in fact by 97 points, more than most teams score in a game. Totalling 168 points in a single game by the winners must be some kind of a record.

Having a bye in the schedule this weekend, Kewaskum will now be idle until Feb. 20 when they start the second half of play by hosting Cedarburg.

The History of Valentine's Day

Constant reminders surround us these days that we exist in the new age of space, the age of technology, and lest we hadn't heard, are on the brink of the "dawning of the age of Aquarius."

In the midst of the impersonal scientific progress and technical sophistication of our era, and in spite of its confusion, inflation, and generation gaps, one warm reality has endured to reassure us of our human individuality... LOVE!

As long as love lingers, a special day dedicated to it will be praised by poets and plain people all over the world. Still, while computers emerge to give us the answers to almost everything, Valentine's Day remains a mystery, for nobody knows who really started it.

Some sources refer to a Third century cleric in Rome named Valentine who composed a kind note to his jailer's daughter after being imprisoned by the emperor. Thus, the first "Valentine." Others say he was executed for performing marriage rites in defiance of the law. The emperor at that time wanted only bachelors in his army. Indeed, what present day challenger of the "Establishment" could resist this martyr for love?

Another theory places its origin in an old Roman festival. At the feast honoring the god Lupercus, sweethearts were matched by chance as young people drew names of partners for the coming year.

From earliest times, floral gifts also played a part in Cupid's work. The Romans used posies to honor the goddess of love many times during the year, and when chivalry

reigned, flowers and poems were the only gifts exchanged by lovers. Today, even Florists' Transworld Delivery plays a major role in the chubby cherub's act. Electronic computers aside, FTD florists note that love still makes the world go round, and in tribute they've designed a special Valentine arrangement for lovers everywhere. Across the country, their specially designed Valentine's bouquet will be offered throughout the week preceding Valentine's Day, which they have appropriately called the "LoveBundle."

Offered exclusively through FTD florists, the LoveBundle features a lift-out "LoveBug" corsage. The bouquet is a mixed arrangement of pompons, daisies, carnations, roses, statice and leatherleaf fern arranged in a footed compote. The floral Valentine may be ordered early for Valentine's Week with the extra plus of the "LoveBug" corsage to wear on Valentine's Day.

However you observe it, Valentine's Day is a lovely time for the expression of love. And there's no time like the present to bestow the present!—M.M.
