WILL TAKE POSITION AS PORTAGE ADMINISTRATOR

By Ruth Held

of the Kewaskum Statesman

Supt. of Schools Marshall H. Boyd formally requested that he be released from his contract with Kewaskum Community Schools when the board of education met in regular session Monday night.

The matter was not discussed in the session open to the public and news media. At an executive session that followed, the board agreed to give Supt. Boyd a conditional release but asked that he be available for advisory purposes after May 1. The board will formally act on his request for release at a future regular meeting. He will become superintendent of schools at Portage.

In a letter addressed to Richard L. Edwards, school board director, Boyd wrote: "I would appreciate it if this release could be accomplished by May 1, 1971."

"In requesting this release I fully realize that several obligations to the children, staff and school board cannot be conveniently cut off at a given date, but I fully expect that proper arrangements can be made. I am willing to forfeit vacation time in order that this district operate smoothly but I would expect to spend several days during March and April working with the school board and staff of the Portage schools.

"In the nearly seven years I have served the children of this area my personal responsibilities have quadrupled in terms of staff, students and budget. It is my belief that the school board should use this opportunity to restructure its administrative organization.

"As a school board you have consistently weighed your decisions in terms of the best interests of children. No educator can pay a higher compliment to a school board.

"My decision to request this release has been carefully considered by me and my family and it is with both a sense of regret and a sense of looking forward to a new challenge that this is submitted."

"Please notice that these canisters have the official Lions Club emblems attached, and are for requested contributions from the village and all the surrounding areas and towns. We ask you to

Set April 6 As Date for Vote on \$2.9 Million School Building Plan

SWIMMING POOL QUESTION BROUGHT UP BY ELECTOR

By Ruth Held

of the Kewaskum Statesman
A formal resolution authorizing borrowing an amount not to exceed \$2,915,000 for a proposed package building program and another resolution setting April 6 as the date when the matter will be submitted to the electorate for a vote won approval of the board of education Monday night.

Also approved was a motion that authorizes working drawings and specifications for an addition to the Wayne School. The proposed building project also calls for additions to the Farmington School and the Kewaskum High School but the Wayne School has the most immediate need for classrooms. Assuming that the voters will approve the package plan, it was noted that it is necessary that working drawings are made now in order to begin work on the Wayne project by next fall.

It was suggested district residents attend one of the informational meetings at which a slide presentation of the proposed building plans will be presented.

Included in the \$2.9 million figure is roughly \$200,000 worth of equipment for the high school. That amount will not be adequate for the open concept type of design that is being planned, it was stated. To offset the cost of equipment it is planned to use interest earned from short term investments of portions of the \$2.9 million.

The question, "are we going to have a swimming pool?" was asked by Raymond Bodden who resides at 1246 Meadow Lane. He was told that a pool is not part of the \$2.9 million package but that a pool will be bid as an alternate.

In view of the fact that the dis-

trict has the \$155,000 that was borrowed for a pool in 1969 and architects have been paid for designing it, would the board put a pool in the proposed high school addition without once more consulting the district voters, Bodden wanted to know.

One board member stated "We can't answer that. We are not in a position to make any commitment now," and then added that Bodden's question was completely out of order and very unfair.

Another board member's comment was that "when bids come in and we find we can put in a pool for the money we have, it would be difficult for the board to say 'no.'"

The board approved holding school on April 8 and 12 (Maundy Thursday and Easter Monday) to make up for two days when schools were forced to close because of snowstorms.

Also approved were the summer school curriculum offerings and a one-year processing contract with CESA Agency 12 for student scheduling and grade reporting at a cost of "roughly \$2 per student."

Daniel Schaefer, son of Mr. and Mrs. Raymond Schaefer, R. 2, Kewaskum, was named to the academic dean's list at Bethany Lutheran College in Mankato, Minn., having earned a 3.5 (B plus) grade point average or better.

Strachota Awarded \$3,000 Scholarship

Thomas G. Strachota, who will graduate in June from St. Mary's Springs High School, Fond du Lac, was the winner of the Giddings & Lewis Foundation Scholarship. He will receive a \$3,000 scholarship to attend an accredited university of his choice.

Tom is the son of Mr. and Mrs. Orville Strachota, R. 3, Campbellsport. In addition to being an honor student and member of the National Honor Society, he has been active in athletics and other high school activities.

He participated in varsity football and track, science club, chorus, Junior Classical League, was president of the freshman class, president of the student council and vice president of the letterman's club. He won second place in the Optimist Club Oratorical Contest and was register of deeds at Badger Boy's State.

Dan is also president of the student body and was elected to the Homecoming Royalty Court. Bethany is a Lutheran liberal arts junior college offering courses leading to a bachelor's degree in almost all fields.

Accidents Occur in Village, Town Wayne

Three cars were involved in a mishap which occurred at 10:40 a. m. Monday on Main St., 325 feet east of Fond du Lac Ave. Local police reported that autos owned by Bernard L. Sarauer, 51, R. 2, Campbellsport, and Joseph H. Schwind, 60, 205 Forest Ave., Kewaskum, were properly parked at the curb facing east when another car driven by Harolyn Conn, 20, of 1325 Fond du Lac Ave., Kewaskum, which was eastbound, struck the Sarauer vehicle, the impact causing it to hit the Schwind car. Both vehicles were moved several feet. The right front of the Conn car, left rear and right front of Sarauer's auto and right rear of Schwind's vehicle were damaged.

When his eastbound car went out of control on CTH H about 3 1/2 miles west of Kewaskum in the Town of Wayne, and left the roadway and crashed, Thomas G. Behring, 21, of R. 1, Kewaskum, suffered head injuries at 10:30 p. m. Sunday.

Lester Francke, publicity chairman of the club, added, "all of these glasses and parts are sent from Lions Clubs to most reliable media for distribution to the handicapped and poor. There are those unfortunate ones who want to see a little, rather than not to see at all. So we ask everyone to clean out those old desk and dresser drawers, look around just a little, we are sure you can help. Take those old glasses and parts to any of the stations listed below and nearest to you. We also ask that if you can't get to any of these stations, please call a Lions Club member, and we'll get them. Be sure. We want everyone to know that this event is another of the nationwide drives sponsored by Lions Clubs throughout the U. S."

Six focal points in Kewaskum where you will find the canisters for donations are as follows: Bank of Kewaskum, Rosenheimer's Department Store, Regal Ware guard house, Homer's, Jacobs' and John's Barber Shops.

Jr. Club Sponsors 'Penny-A-Meal for Concern' Campaign

The Kewaskum Junior Woman's Club is sponsoring a "Penny-A-Meal for Concern" campaign at the Kewaskum Community High School starting March 1 through March 5.

Dr. James W. Turpin, president and founder of Project Concern, the non-profit medical relief and education program in South Vietnam, Mexico, Hong Kong and Tennessee/USA, says, "At long last a process has been developed to change a relatively inexpensive metal to a very precious substance. No alchemist ever dreamed a more remarkable vision than copper pennies transformed into the 'gold' of health, nutrition, education and hope. How often have you fumbled and fussed among your coins separating the seemingly worthless pennies from the silver? Please don't anymore. One penny can provide a nutritious meal for a starving child, a day's treatment for intestinal parasites, a mother's supply of twenty-four hours freedom from becoming pregnant again."

The Kewaskum Juniors plan to

give to the freshman, sophomore, junior or senior class with the "most" pennies a special award for the school trophy case.

Containers will be provided at the school cafeteria to contribute 1c per meal to bring freedom from hunger and disease to the less fortunate.

Project Concern operates seven medical clinics and hospitals with a staff of 147 doctors, technicians and student trainees in the war-torn Central Highlands of South Vietnam, the refugee shelters of Hong Kong, the poverty-filled colonies of Tijuana, Mexico, and the Appalachian Mountains of North Central Tennessee, USA.

Among those endorsing the Project Concern Program are US Congressman John McCormack, Asia TIME-LIFE correspondent Frank McColloch and Charles Schultz, creator of "Peanut-Snoopy."

The Kewaskum Juniors plan to take part in the campaign until their March 11 meeting. Any community citizens interested in taking part in Project Concern efforts contact Miss Honora Ann Norton, federation chairman of the Kewaskum Junior Woman's Club.

Jr. Woman's Club to Promote Campaign To 'Write Hanoi'

WILL OBSERVE PATRIOTISM TO POWs, MIAs WEEK MAR. 7-14

In conjunction with the March 7-14 week proclaimed by Governor Patrick Lucey in tribute to the American prisoners of war and missing in action held in Southeast Asia, the Kewaskum Junior Woman's Club, under the direction of Mrs. Edwin Fickler, Kewaskum, mother of a missing Marine pilot and a member of the National League of Families of American Prisoners and Missing of Southeast Asia, plans to "reach-out" to the people of Wisconsin and promote a state-wide letter campaign to "Write Hanoi" for humane treatment of more than 1,600 members of the U. S. Armed Forces being held against the ratification of the Geneva Convention. Wisconsin alone has more than 20 men listed as POW's or MIA's.

In observance of the week, the club will ask churches to set aside March 14 as a day of prayer, encourage communities, high schools and other organizational groups to participate in voicing their individual opinion by writing Hanoi for better treatment of American POW's.

Voice your concern to Hanoi — not because of your political conviction, for or against the war in Vietnam or in empathy for the families — but because of the strong belief that your letter will be heard and that it can help the captives, so that they will once

again be able to communicate with their loved ones and feel as a human being should and must feel — FREE!

Sending your letter could prompt North Vietnam and its allies to release a complete list of prisoners being held, to allow impartial inspection of prison camps, to allow prisoners free exchange of mail with their families, to release injured and sick prisoners and to give prisoners proper diet and medical care, all of which they have refused to comply with.

Your "patriotism" towards our servicemen held captive and so brutally mistreated will mean a stronger spiritual faith, a fuller sanity and a better America — for them. We have heard their cry for help, we must as Americans, help those who have lost what they so honestly loved — their freedom.

Letters should be brief and to the point. They should not be abusive. Letters may be addressed to either:

The Honorable Ton Duc Thang, Democratic Republic of Vietnam, Hanoi, North Vietnam, (Air Mail postage 25 cents).

The Honorable Xuan Thuy, Delegation of Democratic Repub-

lic of Vietnam, 8 Avenue General Leclerc, 94 Choisy - Le Roi, Paris, France (postage 20 cents).

If perhaps you are not keen in writing letters, send a news clipping about the American POW's. It will help move Hanoi to action and also express your wishes.

After POW's and MIA's week, please continue to "Write Hanoi."

National FFA WEEK February 20-27

**involved
in
America's
future**

132 Members of Kewaskum Chapter Plan Activities to Celebrate Week

Members of the Kewaskum FFA Chapter are aware of the need to get "Involved in America's Future." They join FFA members everywhere to celebrate National FFA Week, Feb. 20-27.

Throughout the week chapter members are planning activities to illustrate their involvement in preparing to meet future challenges of agribusiness in America.

"We want our community and the nation to know that, as FFA members, we are concerned with the challenging problems we will face in our lifetime. In the FFA we learn to work together to accomplish worthwhile objectives."

Kewaskum FFA members feel that their involvement in the future of agriculture is vital to the nation and its objective to feed an ever growing population. "If this nation is to continue to satisfy demands for low-cost, high-quality agriculture products, we must continue to train responsible men and women to fill the thousands of jobs both on and off the farm."

This year's theme "Involved in America's Future" portrays FFA activities designed to involve members in constructive action. FFA members throughout the nation are involved in agriculture.

involved in community action, involved in leadership development, and involved in working cooperatively to achieve goals.

Each year FFA WEEK is observed during the week of George Washington's Birthday. Although Washington is usually recognized as a Revolutionary War General and our first President, it is not generally known that his first love was the farm.

Membership in the FFA is made up of high school students in vocational agriculture. The organization's activities are designed to help develop leadership and good citizenship and to stimulate student interest in high achievement. While for many years the FFA has devoted its main efforts toward establishing young men in farming, it also is working to train and develop men for thousands of jobs which support the nation's farmers and provide consumer services.

The Kewaskum FFA chapter has 132 members. Officers are: David Dorn, President; Fred Wilkens, Vice-President; Jerome Herman, Treasurer; Bob Krueger, Secretary; Alan Thull, Sentinel; and Jim Steffel, Reporter. Nationally the FFA has ap-

proximately 450,000 members with 9,000 chapters in 49 states (Alaska has no FFA program), Puerto Rico, and the Virgin Islands.

The Kewaskum Chapter appeared on Fond du Lac TV on Saturday afternoon, Feb. 20, to point out the FFA work activities for the week.

re-elected at a recent meeting. They are: Assistant Chief, Arnold Martin; Secretary, George Koerble; Treasurer, A. P. Schaeffer; Foreman, Clifford Stautz; Assistant Foreman, William Martin. Harry Schaefer, who is appointed to office, holds over as fire chief.

Service news: Pfc. Jerome J. Herriges won high commendation from his company officers for his action while serving with the 24th Infantry Division on Mindanao. Charging into Japanese machine gun fire to bring out a wounded buddy who lay within a few yards of the gunner, Pfc. Herriges shouted "Get me if you can, you dirty so-and-so." He came out unscratched with the wounded man slung over his shoulder but his clothes and pack were shot full of holes. Several attempts had been made to reach the man by the army-taught creep and crawl method without success. Using his own system, Herriges jumped up, presenting a full target to the enemy, rushed in and picked up the wounded man, then raced to cover behind a rock.

Alpha Beta Chapter Meets in Kewaskum

Alpha Beta Chapter of The Delta Kappa Gamma Society, an international organization of women in education, held its February meeting, Feb. 10, in the Kewaskum High School Library with vice-president, Mrs. Lucille Kala-

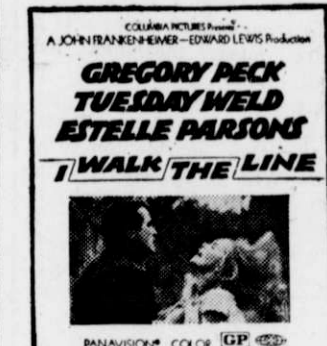

her, presiding. After a short business meeting, Mrs. Glen Peters gave a very informative and interesting program on "The Ecological Status of Washington County." Excellent slides showed that even in the heart of our priceless and unique kettle moraine area there are many spots where pollution has become "the way of today." Stressed especially was the seepage into our once safe rivers and streams -- for example, cars in a parking lot, each leaving just a few drops of oil per day, may cause serious contamination. What can we do about it? Notice the little things as well as the big ones, and tactfully help the people who don't ordinarily pay attention to such things.

Hostesses were Mrs. Rebecca Erber, Mrs. Marlene Erickson, and Mrs. LaVerne Hron.

Discussion is an exchange of knowledge. Argument is an exchange of ignorance.

Indians Edged in Final Game, 60-59, But Finish 2nd

FACE CAMPBELLSPORT IN DISTRICT TOURNAMENT AT MAYVILLE TONIGHT

After winning 10 games in a row and holding on to a first place tie with Mayville most of the season, the faltering Kewaskum Indians finished the season with a three game losing streak to see their chances of repeating as Scenic Moraine champion go flying out the window. However, they wound up with a 10-4 record, good for undisputed second place.

Whether being dumped by Mayville and Pewaukee took the heart out of them or whether they took the game too lightly with second place wrapped up, the Indians were upset by fifth place Grafton here Friday by the narrowest of margins, 60-59. Actually the outcome of the contest had no bearing on the standings as far as Kewaskum was concerned and they played accordingly.

Coach Williams chose to start all seniors in this last game at home and this later cost them the contest. The seniors fell far behind, 17-8, in the first quarter and this deficit proved too much for the regular starters to handle. True, they did finally catch up and go ahead by several points but ran into a cold spell in the closing minutes, while Grafton hit, and that was it. With the first stringers in the lineup all the way, the Indians no doubt would have had a big enough lead to survive the Blackhawks' late surge.

Kewaskum was leading 59-53 with less than a minute left on the clock. Brian Bliese of Grafton was given two free throws on what the officials called an intentional foul and he calmly sank both of them with just a half minute left to put his team ahead by one point. The Indians had a final chance to win on an in-bounds pass to Clark Eichstedt with seconds remaining, but he was tied up in a corner and an offensive foul was called on him to end the game.

After trailing 17-8 in the initial quarter, the Indian regulars entered the game and held Grafton to five points in the second period but they still trailed at halftime. Kewaskum kept hammering away, finally catching up and going ahead and everyone thought they would win going away again. Just when it appeared like they had the win pocketed, they suddenly cooled off and Grafton outscored them 20-14 in the last quarter to win with a late rally.

Clark Eichstedt, the conference second high scorer, just couldn't find the range. He missed quite a few shots plus free throws, on which he normally is very accurate. As a result he wound up with only 11 points, one of his lowest totals of the season. Bob Mertz, on the other hand, had one of his best nights with 19 points and a large share of rebounds. Glen Eichstedt was right behind Mertz with 17 points.

The Indians led Grafton in rebounding by a wide 48-31 margin. These statistics show they had to be missing a lot of shots. The victory was Grafton's first over the Indians in a long time and they were quite jubilant about it.

Kewaskum ended up the regular season with an overall record of 14-4.

Tonight (Friday) Kewaskum enters WIAA District tournament competition at Mayville. The host Cardinals meet North Fond du Lac

in the opener at 7 p. m. and this will be followed by the Kewaskum-Campbellsport game in the night-cap. The Indians beat the Cougars earlier in a non-conference contest. Winners will meet for the district title Saturday night at 7:30 and the champion will advance to regional play. If the Indians can return to their mid-season form, they stand a chance of winning it, but it won't be easy.

5th and 6th Grade Basketball Playday To Be Held Sunday

The boys' intramural basketball program for the 5th and 6th grade students of the Beechwood, Farmington, Kewaskum Elementary and Wayne Schools will end soon with the annual all-school playday. This year the playday is scheduled for Sunday, Feb. 28, and will again be held at the high school gymnasium in Kewaskum.

The first games will begin at 1:30 p. m. and due to a new format of games, it is hoped that the final game will be concluded by 4:30 p. m. A total of 8 teams representing each of the four respective elementary schools will play a total of 7 games during the single elimination tournament, i.e., a team will be finished as soon as it suffers one loss.

Parents and friends are encouraged to attend the playday and observe the results of these past 8 weeks of practice sessions.

As in the past, it must again be emphasized that the program has stressed the idea of giving EVERYONE an equal chance to play and learn the basic skills of basketball; the program offers no prizes, medals, ribbons, or other awards to any team or individual.

Identical Twins Who Underwent Identical Heart Operations Again The Nation's 'Heart' Symbols

TEN YEARS AGO, in February, 1961, the very first ceremonial reception presided over by the nation's First Lady was one for Debbie and Donna Horst of Chester, Penna., identical twins whose lives were saved by identical heart operations. Starting their second tour of duty as America's Heart Fund twins, they are shown against a photo-mural from the White House ceremony. At 16, they're still ardent Heart Fund boosters.
