KEWASKUM WISCONSIN, FRIDAY, OCTOBER 1, 1971

NUMBER 49

Distinguished Flying Cross to Be Awarded Manthei Posthumously

PRESENTATION TO BE MADE AT FOOTBALL GAME FRIDAY FOR HEROISM IN VIETNAM

The Distinguished Flying Cross for heroism with First Oak Leaf Cluster for heroism, the Air Medal for heroism, and the Purple Heart will be awarded posthumously to Warrant Officer James W. Manthei of Kewaskum, who was killed in action in Vietnam on Sunday, March 21, 1971.

A representative of the Commanding General, Fourth United States Army, will make the presentation to Manthei's parents, Mr. and Mrs. Willard Manthei, 306 Third St., between halves of the Kewaskum High School football game with Kettle Moraine tonight (Friday) at the elementary school athletic field. Game time is 7:30 p. m. and it is also Parents' Night.

Manthei, 20, a helicopter pilot and gunner, was the co-pilot and gunner on a military aircraft (helicopter) shot down over Southeast Asia when he was killed March 21. He was sent to Vietnam only a month before he was killed. The Willard Mantheis were notified by the army of the death of their son on March 24.

WO 1 Manthei entered military service Sept. 17, 1969, and completed his helicopter training at the Army Primary Helicopter School at Fort Wolters, Tex. He then received advanced flight training at the Army Aviation School, Fort Rucker, Ala., graduating as a warrant officer and receiving his wings and bars on Nov. 18, 1970. He was transferred to Savannah, Ga. and prior to leaving for Vietnam on Feb. 15 of 1971, spent a leave at home.

He was born May 23, 1950, attended schools in Kewaskum, and graduated from Kewaskum High School in 1968. He was a member of the varsity football and basketball teams, participated in track meets, was a member of the school band, of the homecoming court in his junior year, and in his senior year during the homecoming game ran 75 yards from scrimmage for a touchdown, the longest run in high school football history.

After graduating from high school he enrolled in the E.C.P.I. Computer School in Milwaukee, graduating in 1969. He attended school during the day and was employed on the night shift at Regal Ware. Jim was an Explorer Scout and had received the Eagle Award with bronze and silver leaf.

He is survived by his parents, two brothers, Robert L. and Kim Todd, a sister, Brenda Lea, all at home; his paternal grandparents, Mr. and Mrs. Arthur Manthei, Kewaskum; aunts, uncles, cousins and other relatives. A brother, Lynn, predeceased him.

Funeral services for WO 1 Manthei were held March 30 at Peace United Church of Christ, Rev. Daniel Schowalter officiating. Burial was in the parish cemetery and graveside rites were conducted by the military.

If someone calls you a perfect idiot, don't believe him. Nobody's perfect.

Agnes Muckerheide, Gottlieb Walz Join Regal 25 Year Club

Agnes Muckerheide, 113 Mayer St., West Bend, and Gottlieb "Shorty" Walz, 309 Braatz St., Kewaskum, recently became the forty-sixth and forty-seventh respective members to enter the ranks of the Regal "25 Year Club." Both members started their careers at Regal Ware, Inc., on Sept. 30, 1946.

Miss Muckerheide, who incidentally is retiring on Oct. 1st of this year, has served Regal in many capacities. These have included jobs in brushing and assembling on the aluminum cookware lines, and assembling in the Electrical Department, which is her current position. After retiring, Miss Muckerheide plans to devote more time to her hobbies including crocheting, which she says is her favorite.

Gottlieb "Shorty" Walz

Walz served a tool and die apprenticeship in his native Germany and, prior to joining Regal, spent twenty-four years with the Lakeside Bridge and Steel Company in Milwaukee, Wis., serving in various capacities. He has also studied industrial techniques at the University of Wisconsin and Marquette University. Walz is presently works manager of the Kewaskum plant. He and his wife, Betty have two married children: Norman, who works in the Engineering Department of Regal and a daughter Marian, whose husband also works in the Engineering Department. In addition to occasionally visiting Germany, Walz enjoys golfing and fishing as his favorite pastimes.

Jacob Janz Dies

Jacob Janz, 1616 Fond du Lac Ave., Kewaskum, died Wednesday, Sept. 29, at St. Joseph's Community Hospital, West Bend, at the age of 80 years.

Visitation at the Schmidt Funeral Home, West Bend, will be after 4 p. m. Friday. Funeral services will be held at 2 p. m. Saturday at Trinity Lutheran Church, West Bend.

19th Turkey Shoot Is Held Although Hampered by Rain

ARTIFICIAL TARGETS USED FOR FIRST TIME

After being postponed the Sunday before because of rain, the Kewaskum Kiwanis Club's 19th annual Turkey Shoot was held last Sunday at the Bar-N Ranch even though the sponsors again had to contend with an all-day drizzle and light rain which kept the crowds down and cut the bag of turkeys almost in half from previous years. This was the first time in 15 years the event had bad weather.

Whether it was the rainy weather, the postponement or the fact that artificial targets were used for the first time that was mainly responsible for the smaller attendance will never be known. No doubt it was a combination of all three. Considering the weather and rescheduling, the event went over well and the turnout was surprising.

This was the first year the club didn't use live turkeys to shoot at because the live birds had become controversial over the past few years. Instead partially inflated balloons fastened to a stick were the targets. The marksmen who hit a bobbing balloon using a .22 caliber rifle won a frozen bird, weighing an average of about 11½ pounds.

Marksmen could also win a turkey or trophy in separate trap shooting, pistol shooting and archery events. There were 380 turkeys won Sunday, 230 on the firing lanes and 150 on the other events. Last year about 700 were taken, of which 500 were on the firing lanes. The shooting lanes were never crowded and there was no waiting in line this year.

School Board Debates Third Referendum, Split-Shifting

Firemen to Hold Fire Prevention Week Open House

The Kewaskum Fire Department will have "open house" at the fire station on Monday evening, Oct. 4, from 6:00 to 9:00 p. m. This being Fire Prevention Week (Oct. 3-10) the public is invited to visit the fire station.

There will be firemen present to explain fire prevention and show the department's equipment to you. There will also be a display of fire extinguishers of various sizes which the public may purchase for their home or business.

Coffee and donuts will be served to anyone who will take time to spend a few minutes at the station.

Customer: "Say, this car you sold me can't climb a hill, and you swore up and down it was a good car."

Salesman: "No, I didn't swear up and down. I said on the level it was a good car."

The full results of the financial outcome of the shoot will not be known for some time until all the tickets sold at various points are in. Any tickets not used this year because of the rain will be honored next year.

In spite of the weather and running into other conflicts, all of the cookware offered for sale and all the food was sold. About 200 of the 600 trout in the fish pond were taken. Biggest went to a grade schooler from Cudahy, Debbie Grambow, who caught a 19 inch trout.

Police Chief Cites Need for Third Full-Time Officer to Village Board

By Ruth Held of the Kewaskum Statesman

Police Chief Donald Hlavaty cited the need for a third full-time police officer to the members of the Village Board when they met in adjourned session Monday night.

Hlavaty did not expound on the facts behind his request. But he told the board members if they wish, they may look at his log book. The matter was referred to committee for recommendation. He also presented a proposed schedule under which the three full-time and two part-time officers would work.

Statewide, Hlavaty told the board, the ratio of police officers to persons, is 1.81 men per 1,000 population. In Kewaskum, under the present set-up, the ratio is 1.04 officers to 1,000 persons. That ratio would rise to 1.55 men for every 1,000 persons if another full-time man is added, he said.

He also quoted costs per capita of police protection, based on costs in Wisconsin cities under 2,500 population. The average cost is \$12.89 per capita per year. Presently in Kewaskum, the cost is \$9.03 per capita and with the addition of a full-time man, would

rise to \$12.93. He noted that in some communities, the per capita cost runs as high as \$18.

James Elder, consulting engineer, recommended that the board adopt a definite policy regarding installation of storm sewers in subdivisions and annexed areas with the possible distribution of costs involved between the village and the subdivider or the person seeking annexation.

The board authorized a change order in enlarging project going on at the village sewage treatment plant. Authorized was installation of a new type of phosphorous removal process at an estimated cost of \$8,000. The new device will automatically measure and mix a phosphorous removal substance as it is discharged into waste water.

Also authorized was purchase of a new blower in the treatment plant, after Elder reported its cost of \$3,600 is only within \$30 of what it would cost to have the old one repaired.

The board tabled action on the request of Mrs. Joanne Bohn of Saukville for a liquor store license. Appearing in her behalf was Atty. Walter Swietlik of Port Washington.

By Ruth Held of the Kewaskum Statesman

The Board of Education decided Monday night to call for figures on the tax impact that could be expected from a building expansion program on which it hopes to call another referendum "as soon as we have all the answers—no later than the first of the year."

This will be the third attempt this year to put through a bond issue. A \$2.9 million plan was defeated 2 to 1 on April 6 and a \$2.6 million bond issue lost out by 131 votes Sept. 13.

John Underwood of the First Wisconsin National Bank of Milwaukee will be asked to give figures on tax impacts of three different plans: (1) The \$2.6 million plan voted down in September, refiguring the tax impact on current interest rates. (2) The \$2.6 million plan minus any cuts that Supt. Floyd Brenholt may be able to suggest and (3) the \$2.6 million plan minus the proposed addition to the Farmington School.

Board member Thomas Gundrum suggested previously that renting the St. Michaels school would eliminate a building program at Farmington for now.

The board spent most of the evening discussing what direction it should take to alleviate overcrowding. And the split shift plan for grades 7-12 got the most attention. Under split shift, students would go to school half days. One shift would probably run from 7 a. m. until noon, the other from noon until 5.

Norbert Dettmann of the Town of Farmington said, "I have two school age children and I want the best education my neighbors and I can afford." He observed that "the people want a building program but not all at one time.

"You call it piece-meal. Why not call it 'phases'—it sounds better." He said he believes no one would object if the board passed a resolution now for borrowing the \$300,000 for the needed addition at Wayne School.

He observed that the people look at West Bend (where a \$10 million package plan went through) and they're not happy there. He said he believes going ahead with Wayne's project now while the price freeze is on would result "in the best prices." To which board member John Jadro responded, "Wayne alone won't solve our problems. The most serious need is in Kewaskum."

Dettmann, a county board member, said, "I have been on building committees. If you build in phases, you will learn from each one, and you won't make the same mistake twice."

He added, telling the taxpayer his taxes will only go up \$30 per year is a song he's heard before. He knows that when the building is staffed, taxes will go up some more.

Board member Gerlad Secor commented that for families with children in school, it would be worth having taxes go up \$200 or \$300. Although he said he realizes farm income "is pretty flat" now.

During the discussion on split-

Local Students in Record Freshman Class at UWWC

A record number of freshmen and full-time students are enrolled this fall at The University of Wisconsin, Washington County Campus, West Bend.

The 237 freshmen from 26 area high schools represent an increase of 14 over last fall and 61 over fall of 1969. The freshman class includes 141 men and 96 women. A total of 223 freshmen are enrolled full-time (carrying 12 or more credits).

The 534 fall semester students include 398 full-time enrollees, an increase of 19 over last fall.

Total enrollment is down 29 from last fall's record 563 students. However, the number of full-time equivalent (FTE) students is slightly above last fall's 442 students. The FTE figure is reached by dividing the total number of credits carried by 15 credits.

In addition to the new freshmen, the fall enrollment includes 35 new special students, 217 continuing students (enrolled last spring), 24 transfers from other colleges, and 21 re-entry students (enrolled prior to last spring).

A total of 300 men are enrolled this fall. Married students number 83. Students come from 43 communities.

The following is a listing of new

freshmen from Kewaskum community and high school:

ADELL: Kewaskum H.S.—Alex Klein, R. 1; Vicki Baumhardt, R. 1; Debra Ketter, R. 1.

ALLENTON: Kewaskum H.S.—Darlene Walls, R. 1.

CAMPBELLSPORT: Campbellsport H.S.—Barbara Mathieu, R. 2; Debra Sklener, 542 E. Main St.; Mark Strobel, R. 3; Bill Meyer, Box 214; Russell Mott, R. 2; Kewaskum H.S.—Niles Erickson, 421 E. Main.

CASCADE: Kewaskum H.S.—Claire Cary, Box 31.

KEWASKUM: DeSales H.S.—Michael Stoffel; Kewaskum H.S.—Michael Semb, 1714 Fond du Lac Ave.; Dennis Horner, R. 1; June Scannell, 1146 Roseland Dr.; Beth Buswell, 1222 Meadow La.; Nancy Backhaus, 319 First St.; Diane Jones, R. 1; Donna Horner, R. 1; Gail Rodenkirch, R. 2; Mary Krause, 261 Clinton St.; Judith Campbell, 1425 Brooklane.

WEST BEND: Kewaskum H.S.—Sue Gundrum, R. 6; Rich Lendosky, R. 6.

CYCLIST INJURED IN COLLISION WITH CAR

A Kewaskum youth, 18, was injured at 7:15 p. m. Monday when the motorcycle he was riding collided with a car on Prospect Dr. about one mile south of Kewaskum.

Eugene L. Schickert of 1176 Western Ave. was removed to St. Joseph's Community Hospital,

West Bend, in the firemen's ambulance. He suffered a fractured leg, a bump on his head and facial cuts.

According to Washington County authorities, Schickert was leaving a private driveway headed east when he drove into the path of a southbound auto driven by Thomas Rodenkirch, 38, of R. 2, Kewaskum.

L. ROSENHEIMER
DEPT. STORE

24 YEARS AGO
1947

Lyle E. Gibson, son-in-law of Mrs. O. E. Lay of this village, a former instructor and athletic coach at Kewaskum High School, and now a professor in the state university at Iowa City, Ia., received his doctor of philosophy degree.

Walter Schaefer, son of Chas. C. Schaefer of this village, who is employed by the U.S. Government as a telephone lineman on Saipan, suffered a broken leg at work recently. Word of the injury was received by Walter's brother Carl here in a letter. Walter was working atop a pole stringing wires. The pole was in soft ground and Walter's weight, together with that of the wires, caused the pole to loose itself from the ground. It began to topple and Walter scrambled down the pole. He got about half way when it fell and he jumped the rest of the way. The pole bounded off a rock and the bottom end struck his leg, breaking it.

Mr. and Mrs. Philip McLaughlin and three children moved from their home on Elm St., which they sold some time ago, to Belgium, where he has a position as a meat cutter.

Hoimer Schaub, village, recently completed a six months course in barbering at the Molar School of Barbering, Chicago, and is spending a vacation at home. Later he will begin serving his 2½ years apprenticeship at a barber shop of his selection.

A change in division affiliation was the most interesting article of news brought back by delegates L. N. Peterson, L. N. Bath and T. R. Schmidt from the Wisconsin-Upper Michigan Kiwanis district convention they attended in Sheboygan. The Kewaskum, West Bend and Port Washington clubs were transferred from the Milwaukee division to the eastern division No. 6.

51 YEARS AGO
1920

F. E. Colvin is excavating for a residence which he will build in the Rosenheimer addition. John Witzig also began excavating for a new residence in the Rosenheimer addition.

Beginning Saturday Charles Muckerheide will grind feed twice a month until further notice.

Free street exhibition at 7:30 every evening for the big western moving picture show which will be staged at the opera house next week.

Frank Sommers and family moved to Milwaukee to make their future home.

John Meinecke, son of Mr. and Mrs. Carl Meinecke, Sr. returned home after a six months' training course in the school of engineering in the U.S. Army at Brownsville, Tex. John was a member of the Rainbow Division in the World War and at the time the division was mustered out of service he re-enlisted. He received his honorable discharge last week.

With the power plant at the malt house being remodeled, preparatory to installing a new engine and generator, Kewaskum was entirely shut off from electric current this week, leaving the village in utter darkness. The change from bright electric lights to kerosene lamps and candles is hard to get accustomed to and reminded villagers of a time long ago when this form of light was in use. The L. Rosenheimer store and Wm. Schaub garage were lighted with Delco lighting systems. Outsiders found it a difficult task to keep

on the sidewalks. Frequently some individual landed up against a building, telephone pole or in the gutter. The Statesman's type matter was set up by machine through the courtesy of the West Bend Pilot.

Plan Informational Dinner Meeting for Hospital Campaign

Printed invitations have gone out to all adult citizens in the area served by St. Joseph's Community Hospital to attend a complimentary informational dinner to be held at 7:00 p. m., Wednesday, Oct. 6, in the West Bend High School Field House, 1305 E. Decora Rd.

Those in attendance will be told of the critical need that exists for additional area hospital facilities. Proposed plans for meeting the goals set for the St. Joseph's Community Hospital Expansion and Development Campaign will be described in detail as will plans for the new hospital itself.

Purpose of the meeting will be to provide information only. No solicitation of funds will be made at the dinner.

Louis Riesch Passes Away

Louis J. Riesch of West Bend passed away on Sunday, Sept. 26. The son of Mr. and Mrs. Peter Riesch, Sr., he was born Oct. 3, 1889 in the Town of West Bend.

Prior to retirement, Mr. Riesch operated the Cedar Lake Dairy which served the West Bend, Slinger and surrounding lake communities for 33 years.

He married Amelia Dexheimer at Menomonee Falls on May 7, 1913. The couple celebrated their fiftieth wedding anniversary in

1963. Seven children were born to the couple. A son and daughter died in infancy and a son Dr. Kenneth Riesch, of Geneseo, New York, preceded his father in death in January of this year.

Mr. Riesch is survived by his wife, Amelia; his daughter, Dr. Anna Lou Owen, of Boulder Colo.; his sons, Otis of Menomonee Falls, Rev. Louis Riesch of West Bend and Dr. John Riesch of Menomonee Falls. He is further survived by a brother, William Riesch, of Sturgeon Bay; 12 grandchildren, two great-grandchildren, cousins, nieces and nephews and friends.

Louis Riesch was a member of St. John's United Church of Christ, Slinger. Visitation was at the Tolzman Funeral Home, Slinger, on Tuesday, Sept. 28, from 3 to 9 p. m. Complete services were conducted at the funeral home on Wednesday, Sept. 29, at 2 p. m.

Memorials to go to the Cedar Lake Home or Community Memorial Hospital at Menomonee Falls.

My grandson really is a genius. When I told him the story of Cinderella, he asked: "When the pumpkin turns into a beautiful golden coach, is that figured as straight income or capital gain?"

Minutes of Village Board Meeting

Regular Meeting
September 13, 1971
8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session in the Council Room of the Municipal Building.

President Wieter presided and all Board Members were present. L. L. Rosenheimer and Fred Spoerl conferred with the board in reference to future street planning and the subdivision of land owned by them in the western portion of the village.

RRESOLUTION NO. 71

BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the certified Survey Maps numbered 423 and 431 of the Bel-Ric Subdivision be and the same are hereby accepted and approved.

Introduced by Trustee Elmer Yoost

Motion for adoption by Trustee Charles Miller

Motion for adoption seconded by Trustee Raynor Herriges

Roll Call Vote — 7 "aye" 0 "naye"

David Skrentny notified to the Board a plat of survey of land owned by him in the Town of Kewaskum, west of the village, said plat being presented for the purpose of obtaining approval of Roadway Layout. The Board approved the layout on condition that Mr. Skrentny reserve the east 68 feet of the land owned by him for the possible future extension of the proposed roadway.

The claims of Edwin Grosklau and George Chesak for damages to their property because of the installation of a sewer force main were tabled pending a conference with the claimants.

The proposal of the O'Brien Manufacturing Co. for the rental-purchase of a sewer rodding machine was tabled pending receipt of proposals from other manufacturers. Motion by Trustee Behnke, seconded by Trustee Kral and duly carried.

The Commissioner was authorized to make joint payments to Harold E. Mueller Excavating and J. L. M. Contractors, Inc. in the amount of \$7,490.00 and to Clow-Wis., Inc. and J. L. M. Contractors, Inc. in the amount of \$5,340.39. Motion by Trustee Yoost, seconded by Trustee Herriges and duly carried.

Upon motion by Trustee Miller, seconded by Trustee Behnke and duly carried, the Board decided to meet on Monday evening, Sept. 27, 1971, for the purpose of reviewing Dr. Raymond Kipp's proposed ordinance for the revision of the sewage service charges.

The Commissioner was authorized to make a formal request to the Wisconsin Electric Power Company for a street lighting layout in the Bel-Ric Acres subdivision.

The Library Board was authorized to present to Rose Schaefer a suitable gift as a token of appreciation for her many years of service on the Library Board. Motion by Trustee Herriges, seconded by Trustee Nigh and duly carried.

Marvin Martin was authorized to attend the Disaster Conference upon motion by Trustee Miller, seconded by Trustee Kral and duly carried.

The Board granted permission to use the Library Room for the 7th and 8th grade girl scout meetings on Thursdays from 6:00 to 7:30 p. m.

Building permits as follows were approved:

Schulz Realty—a one family residence on Lot 4, Bloc 5, Bel-Ric Acres and seven (7) one fam-

ily residences on the lots shown on certified Survey Maps numbered 423 and 431 in Bel-Ric Acres. Motion by Trustee Herriges, seconded by Trustee Kral and duly carried.

Merlin Luedtke — a one family residence on Lot 6, Block 4, Roseland Hills addition No. 1. Motion by Trustee Behnke, seconded by Trustee Yoost and duly carried.

David Nigh — a one family residence at 339 Braatz Drive, Country View Estate. Motion by Trustee Yoost, seconded by Trustee Herriges and duly carried.

Richard Yahr — a one family residence at 1165 Hillside Drive. Motion by Trustee Behnke, seconded by Trustee Yoost and duly carried.

Norman Walz — addition to existing garage at 320 Third Street. Motion by Trustee Miller, seconded by Trustee Nigh and duly carried.

Ralph Rimmel — replacement of stoop and extension of stoop roof at 1444 Bilgo Lane. Motion by Trustee Kral, seconded by Trustee Behnke and duly carried.

The totals of all claims, approved by the Finance Committee, were as follows:

Village General Fund	\$109,819.87
Water Dept. Fund	784.16
Sewage Dept. Fund	1,191.13

Payment of claims as recorded in the official record, was allowed

upon motion by Trustee Miller, seconded by Trustee Behnke and duly carried.

Upon motion by Trustee Herriges, seconded by Trustee Behnke and duly carried, the Board adjourned to 7:00 p. m. September 27, 1971.

William Martin, Commissioner

Woman's Club Will Hold Fall Luncheon

The Kewaskum Woman's Club will hold its traditional fund-raising fall luncheon at 1:15 on Saturday, Oct. 9 in the social rooms of Peace United Church of Christ. During the luncheon, there will be a dress review by members of 4-H. Various card games will round out the afternoon.

Guests are most welcome and may make reservations with Mrs. O. E. Behnke at 626-2441 no later than Oct. 6. All club members not planning to attend must also notify Mrs. Behnke by that date or they will be responsible for the cost of a luncheon ticket.

Committee in charge is Mrs. Behnke, Mrs. Vincent Groh, Mrs. Ralph Rimmel, Mrs. C. M. Rose, Mrs. Ray St. Mary and Mrs. Elton Liepert.

It pays to advertise in the Statesman.

School Board

(Continued from page 1)
 shift, Supt. Brenholt said it would result in more bussing. We would try to hold a bus run to 45 minutes from pick-up to arrival at school. "I have talked with all of the staff; we have looked at some schedules. We would have to run them through a computer to detect any conflicts."

Principal Edward Connors observed that the educational opportunity for high school students would remain the same and increase for the junior high pupil.

Asked what reaction there had been from the faculty, Brenholt stated most would probably feel, all things considered, they would prefer not to have to go on it, but they would be willing to give it a try. The total time teachers would spend at school would probably be the same; the day would not be shortened, just re-arranged.

Connors said "we would have six 45-minute classes instead of the seven 53-minute classes we now have" and added he would anticipate some scheduling conflicts.

Board member Richard Theusch suggested the board meet with a board of a school that has switched to split shift and get the complete picture of what it is like. Brenholt said he would like to have some outsiders, possibly a citizens committee, involved in the study.

Gundrum and Theusch suggested "a look into year round school." But Connors said it has never been tried on a secondary level. He said 85 per cent of the students are bussed within the Kewaskum district and over a 140 square mile area.

Secor commented "I don't like to see giving up the individualized instruction which the proposed building plan would offer." Board member Allen Tessar said he cannot imagine students in school at 7 in the morning and he believes split shift would result in undue tardiness and absenteeism. "May-

be you want to run it 8 a. m. to 6 p. m.," said Brenholt.

Tessar said he also saw households being upset by the split shift plan. In some families, children will be going to school on both shifts.

Elementary Principal Richard Zarling commented that "we have 400 more pupils now than when we went K-12 and we have added no permanent buildings." He said "it is a crying shame" the junior high does not have adequate library space.

Connors said the junior high program here is one that was taught in the 1930's. "They are truly suffering," he added. "There is a lack of responsibility on the taxpayer's part to provide an adequate junior high program. The people have not been willing to put forth the dollar that is put forth elsewhere," he stated.

Theusch suggested to build in Kewaskum—you can build one school cheaper than three, he said; then bus some to Kewaskum. On leaving Farmington out of the proposed building plan, Dettman stated "we would want some assurance we will get an addition if it is needed."

MAYER SPEAKS AT DINNER MEETING OF SECRETARIES

Plans were made for the coming year at the first dinner meeting of the season for the Kettle Moraine Chapter of the National Secretaries Association (International) after hearing a very informative and educational program by Carl Mayer, juvenile officer for the City of West Bend, on drugs.

The coming programs are: Octo-

ber, Janet Kaiser of the Fond du Lac Chapter will show slides and give highlights of her trip to the International Convention; November, Mr. Bury of St. Joseph's Hospital; December, Christmas program; January, General Telephone Company of Wisconsin "Lazer Beam"; February, International Program of the Year; March, Attorney Schloemer of West Bend "Trials of Christ"; April, Mr. Dlugapowske of Chrysler Corporation "Loyalty"; May, annual closed meeting for elections; June, Installation of Officers.

The various committees gave their reports. Five guests were present: Marilyn Gust, Lynn Jackinon, Mary Oelhafen, Sue Schmitt, Kay Winninghoff.

Mrs. Haack Heads County Drive for Retarded Children

It was officially announced by William Fuller Madison, president of the Wisconsin Association for Retarded Children that Mrs. Robert C. Haack, R. 2, West Bend, would be Washington County's

1971 Friendship Campaign chairman.

"I hope every citizen in each county can be reached with the message that retarded persons are more like normal persons than unlike them. Each one has special traits and abilities," said Mr. Fuller.

Mrs. Haack is now recruiting a corps of local chairmen to man the campaign in each town and village in the county. Serving as county coordinators with her are Mrs. Ted Thomas, West Bend, publicity chairman; Robert W. Schoenke, West Bend Marine Bank, treasurer.

"I would be most happy to hear from anyone who would like to help with the campaign in his or her neighborhood," Mrs. Haack said.

The trouble with staying home from work is that you have to drink coffee on your own time.

JR. CLUB COMPLETES HEARING SCREENING

Members of the Kewaskum Jr. Woman's Club have recently completed hearing screening at both grade schools in Kewaskum, also the Farmington and Wayne schools. All children in grades 1, 3 and 6 were tested.

Women assisting were as follows: Holy Trinity—Shirley Gruber, Shirley Perkins and Gloria Rodenkirch; Kewaskum Elementary—Charleen Keller, Betty Mertzig, Shirley Perkins and Bonnie Koepke; Wayne—Carol Oelhafen and Gloria Rodenkirch; Farmington—Karen Staehler and Ann Enright.

When you're average you are as close to the bottom as you are to the top.

It's harder to teach the kids their alphabet these days. They all think V comes right after T.

HANDICAPPED WEEK—OCTOBER 3-9

HE CAN BRING A LOT TO THE JOB!

President Nixon has proclaimed October 3-9, National Employ the Handicapped Week.

There are 18 million handicapped men and women of working age, with more than a third employed full-time. About 225,000 are disabled Vietnam veterans.

Our handicapped population grows at the rate of half-million a year because of birth defects, illness and injury.

Both private industry and government, through rehabilitation and vocational training programs, have successfully tapped this reservoir of dependable help. However, much more needs to be done to assist the efforts of the disabled to join the work force.

Harold Russell, Chairman of the President's Committee on Employment of the Handicapped, says, "We must encourage employers and helping agencies to improve and enlarge existing programs for the poor and handicapped."

This is one campaign which deserves the backing of the entire community.

Mrs. Rumsey Attends Auxiliary Session

Mrs. Howard L. Rumsey of Kewaskum attended the thirty-eighth annual convention of the Women's Auxiliary which opened on Sept. 23 at the Holiday Inn in Eau Claire. The convention continued for three days in conjunction with the Wisconsin Chiropractic Association convention, attended by Mr. Rumsey.
Main speaker of the convention was Jacquie Davison of Kingman, Arizona, who presented Fascinating Womanhood, a guide for marriage and motherhood. She has appeared on national television and traveled extensively in the name of H.O.W. and Fascinating Womanhood.
The new officers were installed at a noon luncheon on Friday.

In The Service

SGT. WHITE IN VIETNAM

HQ XXIV CORPS (10) DANANG — Overlooking the A Shau Valley atop Hill 300, one of several hundred in the mountainous area of northern Military Region I, lies Fire Support Base Barbara, a small, compact compound. Besides American advisors, a battery of XXIV Corps Artillerymen reside here, supporting allied forces operating in the treacherous A Shau Valley and along the Lactian border.

Sergeant Daniel White, son of Mr. and Mrs. Douglas White, Random Lake, is assigned to the 1st Battalion, 39th Artillery at Fire Support Base Barbara. He entered the army in September, 1969, and completed basic training at Ft. Campbell, Ky. He arrived in Vietnam in September, 1970. Sergeant White attended Kewaskum Community High School.

The men who maintain and fire the 175mm howitzers and 8 inch guns are supplied by Chinook helicopters that fly in ammunition, powder, food, mail, and all other items essential to the artillerymen. A road does lead to the compound but it is a hazardous trip. The Vietnamese combat engineers are not able to minesweep continuously.

The men on Barbara have not seen the intensive enemy action

that their sister units have further north, but they are susceptible to attack at any time, and take precautions accordingly. The Vietnamese guard the perimeter that rings the hillside, while the Americans post guards on top their bunkers. Alertness is the key factor in thwarting a ground attack.

The Americans on Fire Support Base Barbara are among the last U.S. troops in northern Military Region I. They are anxious to go home but the men expressed a sense of pride in being the last remaining GIs in these northernmost reaches of Vietnam.

Ambulance Calls

Monday, Sept. 27, 7:10 p. m.—Eugene Schickert, 1176 Western Ave., Kewaskum, removed to St. Joseph's Community Hospital, West Bend, with injuries suffered in a motorcycle-car crash on Prospect Drive, one mile south of Kewaskum.

Tuesday, Sept. 28, 11:45 a. m.—Alfred Schultz, R. 1, Kewaskum, removed from his home to St. Agnes Hospital, Fond du Lac.

Tuesday, Sept. 28, 6:45 p. m.—Jacob Janz, 1616 Fond du Lac Ave., Kewaskum, removed from R. 1, Adell, to St. Joseph's Community Hospital, West Bend.

Drive carefully.

EDWARD ENGELMAN, PROP.

Christie Heberer Is Bride

Large red and white feather flowers decorated St. John's Lutheran Church, New Fane, for the 3:30 o'clock nuptial ceremony on Saturday afternoon, Sept. 11, in which vows were exchanged by Christie L. Heberer, daughter of Mr. and Mrs. Roland Heberer, R. 1, Kewaskum, and Peter T. Breaker, son of Mr. and Mrs. Henry Breaker, 3775 N. 100th St., Wauwatosa. The Rev. Arthur Haupt performed the ceremony.

The bride chose a light ivory organza gown fashioned in the Empire style with sheer yoke and sleeves. Pearl embroidered hand clipped lace accented the dress, which was completed by a detachable lace trimmed train. A custom made court length Mantilla headpiece completed her ensemble. She carried a feather bouquet of red and white roses.

The bride was attended by her sister, Mrs. Hilary Martin, as matron of honor. Mrs. Gary Olson, Miss Sue Hintz and Mrs. Paul Reindl served as bridesmaids. The matron of honor's Empire gown

was designed with green velvet top, floral design skirt and navy bow at the waist. The bridesmaids wore similar gowns with navy velvet top, floral design skirt and green bow at the waist. They wore feather headpieces and carried a large feather of red and white feathers.

The bridegroom chose his brother, Mike Breaker, as best man, while John Brecker, Hilary Martin and Vern Seifert served as groomsmen. Ushering duties were performed by Roger Sauter and Donald Tendick.

Immediately following the ceremony a 6 o'clock dinner and dance were held at the Alpine Village.

After a wedding trip to northern Wisconsin, Mr. and Mrs. Breaker are now at home at Scenic Drive in West Bend. The bride, a graduate of City College of Cosmetology, is employed at The West Bend Co. Her husband attended UW-M and is employed by the August Wolf Co.

Nature Center to Hold Open House

Riveredge Nature Center, Newburg, will hold an open house for residents of Washington and Ozaukee counties Sunday, Oct. 3, from 1 to 5 p. m. Tours of the center will begin at 1:15 p. m. A teacher-naturalist will conduct a new tour every half hour, ending at 4:45 p. m.

Special tours at 2:45 and 3:45 p. m. will include a hike of the new farm tract, recently purchased by the center. The Riveredge resident naturalists, Andy Larson and Glenn Welles, will show slides and give talks on the purpose and functions of the center throughout the afternoon.

Riveredge Nature Center is located a quarter mile north-east of Newburg on Y. The non-profit corporation owns 145 acres of meadow, marshy and wooded moraine and along the Milwaukee river. In addition to providing programs for its members, one of the main functions of Riveredge is to offer an environmental education program for the schools in Washington, Ozaukee and Milwaukee counties. Hundreds of children from these schools attend classes at the center each year. Among the schools participating in the program are West Bend, Port Wash-

ington, Germantown, Cedarburg and Mequon.

Junior Girl Scouts Hold First Meeting

On Thursday, Sept. 23, the Junior Girl Scout Troop 53 had their first meeting of the year. The leaders, Mrs. McClain and Mrs. Harlow, had a busy time organizing the girls into patrols.

The newly elected patrol leaders are: the Boulder Patrol, Janine Prost; the Indians, Kris Dreher, and the Seven Scrambling Skunks, Jeanne Scannell.

Troop scribe is Jacky Coulter, treasurer is Nancy Kaehne and Coulter is Kelly and Jenny Coulter.

Selecting what the girls like to

do was the best part of the meeting. Some of the activities that were chosen are skating, sewing, hiking, baking and helping people. Our first project of the year is making canvas tote bags to carry our Girl Scout equipment. At the end of the meeting we ran races between the patrols.

Girl Scout Scribe,
Jacky Coulter

Indians Defeat Grafton, 18-6, to Run Win Streak to Nine Straight

In another Saturday afternoon game away from home, the Kewaskum Indians again came through with a victory on a cool, cloudy and blustery day at Grafton, 18-6. The win gave the Indians a 2-0 mark and tie with Mayville for first place in the Scenic Conference. It also extended Kewaskum's win streak to 9 in a row over the past two seasons (3 of them this year).

Mayville had a very narrow squeak Friday in keeping pace with the Indians, edging Kettle Moraine by a single point, 21-20. The Cardinals also defeated Grafton the week before and in comparing scores they did it by a bigger margin, 28-6. However, Mayville had the advantage of the home field and two of their touchdowns were made possible by Grafton mistakes.

The Indians stole the show and put the game on ice at Grafton in the first half, in which they scored all of their points to lead at the intermission, 18-6. That is how the score remained as both teams were held scoreless in the second half. Kewaskum scored the first three times the offense had the ball, 6 points coming in the first quarter and 12 in the second. Grafton also tallied its 6 points in the second period, even though the Indian defense held them to 49 yards.

After winning the toss, Kewaskum elected to take the wind in the first quarter. This choice paid off as the Blackhaws fumbled on the second play on their own 38 yard line. Mitch Ogi recovered for the Indians and they moved it in for the touchdown. Quarterback Dale Luedtke carried it in on a 6 yard run. The 2 point conversion attempt failed.

Grafton came back with one first down but then the defense held and they were forced to punt. Starting from their own 38 yard line, the Indians moved deep in to Grafton territory as the quarter ended. Kewaskum gained 90 yards in the first period compared to their opponents' 15.

Luedtke scored again on the first play of the second quarter and once more the try for extra point failed to make it 12-0. A short time later Kewaskum forced the Blackhaws to punt again and on a bad pass from center Jeff Czerwonka and the rest of the Indian defense buried the

punter and Kewaskum took possession on the Grafton 40. With the line opening big holes, Luedtke, Jim Gaffke and Terry Backhaus took turns in lugging the ball in for another TD to make it 18-0. Gaffke scored the touchdown on a short plunge. The conversion was good this time on a 2-pointer but a penalty nullified the play and the second attempt was no good.

Late in the second quarter, Grafton got its only score. After Brian Bliese completed a 25-yard pass to Dave Weber. Kim Visselman carried it over on a 4-yard run. Their try for conversion also failed.

With the wind at his back in the final period, Bliese went all out for quick scores by firing numerous passes, most of them long bombs, keeping the Kewaskum defense busy. With some real fine defensive plays they kept the Blackhaws from scoring on passes around the end zone. The Indian's also pretty well bottled up Grafton's running plays. One of Bliese's passes was intercepted by Doug Schacht to stop a drive but the Indians gave the ball back on a fumble. Gaffke and Mark Reindl made sparkling plays in breaking up 2 of Bliese's passes.

After a good first half the Kewaskum offense bogged down in the second half but they had a pretty safe lead. All-conference tackle Kim Rodenkirch had another great game and Luedtke and the entire Indian defense did bang-up jobs.

In other conference games, all played Friday, Mayville shaded Kettle Moraine, 21-20, as mentioned earlier; Germantown (the team Kewaskum beat the week before) showed the power we cracked them up to have by rolling over Hartland Arrowhead, 36-6, and Slinger lost to Pewaukee, 16-10.

Tonight, Friday (Parents Night), the Indians play their first conference home game after 2 victories on the road. They will run headon against a Kettle Moraine team that has come on surprisingly strong, winning their first contest over Pewaukee and losing to Mayville by just one point last week. This game could be rated a toss-up but we'll give a slight edge

Kewaskum Awarded Trophy for Best Overall Sports Record in Conference

REGIONAL CHAMPIONSHIP BASEBALL TROPHY ALSO AWARDED TO INDIANS

The student body of Kewaskum High School will be presented with two trophies today (Friday), Oct. 1, during a pep assembly.

The first is a baseball trophy awarded the school team for capturing the Regional Tournament title at Random Lake. The defeat of Cedar Grove and Mayville in two very exciting games gave the Indians the trophy and the chance to play in the Sectionals at Port Washington.

The Scenic Moraine Athletic Director's trophy, decided on last fall, will also be presented to Kewaskum. This is the first year for the traveling trophy, awarded to the school with the best overall sports record. The athletic directors of the conference decided it would be very significant in emphasizing the importance of the overall sports program. Each sport has equal status according to the trophy.

The trophy is based on the lowest number of points a school has obtained in conference standings. Kewaskum and Mayville each had a total of 23.5 points. Kewaskum rated as follows:

- Football — 2nd
- Cross Country — 5th
- Basketball — 2nd
- Wrestling — 4th
- Track — 5th
- Golf — 3rd
- Baseball — (tied for 2nd) 2.5.

Mayville held conference championships in football, basketball and baseball but did not do as well in other sports. Kewaskum did a consistent job as runners-up in many sports, thereby tying Mayville for the trophy. The a-

to Kewaskum with the familiar home surroundings, crowd and all for the first time. Add the fact that we also think they have a better team.

	Won	Lost
Kewaskum	2	0
Mayville	2	0
Kettle Moraine	1	1
Hartland Arrowhead	1	1
Germantown	1	1
Pewaukee	1	1
Grafton	0	2
Slinger	0	2

Harriers Easily Beat Random Lake

In cross country action this past week, Kewaskum upped its record to 5-9 by winning its fourth oval of the season Tuesday at Hon-E-Kor. They easily defeated Random Lake, 18-37.

Kewaskum's harriers came in with a strong one-two finish. Sophomore Randy Backhaus won the race in 14:07. A strong breeze prevented him from matching his own course record of 13:52 which he set last week. The Indians' Mike Backhaus, a junior, placed second and Rod Schroeder of Random Lake was third.

Other finishers for Kewaskum included Perry Nigh, fourth; Kurt Schmidt, fifth; Craig Carr, sixth, and Daryl Wendel, 13th.

Freshman Mark Kauper won the JV race, in which Random Lake did not have enough runners to qualify. Other placers for the Indian JV's were Mike Faber, second; Alex Flynn, fifth; Jon Sieger, sixth, and Jim Schaub, seventh.

The Indians have a busy schedule coming up with three meets next week and two the following week, including the conference meet Oct. 15, being held this year at Kewaskum.

School Menus

- Week of Oct. 4-8**
- MONDAY, OCT. 4 — Barbecued beef on a bun, tri-taters, carrot sticks, apricots, bread, butter, honey and milk.**
- TUESDAY, OCT. 5 — Mock chicken legs, potatoes & gravy, buttered green beans, lemon chiffon pie, bread, butter, jelly and milk.**
- WEDNESDAY, OCT. 6 — Creamed turkey over baking powder biscuit, jellied cranberry sauce, cheese sticks, fruit, bread, butter, peanut butter, and milk.**
- THURSDAY, OCT. 7 — Beef stew (using all fresh vegetables), spiced apple rings, dream pudding, bread, butter, honey and milk.**
- FRIDAY, OCT. 8 — Buttered noodles with toasted bread crumbs, jello vegetable salad, scrambled eggs, sliced cheese, cherry crumble square with hot cherry sauce, bread, butter and milk.**
- Menus subject to change**

ward will remain at Kewaskum for the first semester and then go to Mayville the second semester.

5 Local Students Involved in Flag Football at UWWC

Flag football began at West Bend, Sept. 24, launching the fall intramural sports program at The University of Wisconsin, Washington County Campus.

A total of 56 students from 13 communities are involved plus 7 faculty members. Two leagues are competing: a five-team men's league and a two-team women's league. Men play a double round robin tournament with each team playing every other team twice. Games are every Tuesday and Thursday. Women play each Friday until one team has three games. Competition ends Oct. 29.

Flag football differs from regular football because instead of tackling flags (cloth strips) are pulled from a ball carrier's belt to stop play. Eight players from each team are in action instead of 11.

Trophies will be awarded to winning teams. Officials for all games are Pat Coy, R. 1, Slinger, and Dean Kelley, 209 Beech, Grafton.

Flag football players, by communities in the Kewaskum area, are:

- ADELL: Tom Steuerwald, R. 1.
- ALLENTON: Dennis Heinecke, P. O. Box 1; Mike Westerman, R. 1; Sue Seyfert, R. 1; Elaine Bingen, R. 1.
- CAMPBELLSPORT: Mark Strobel, R. 3; Russ Mott, R. 2; Niles Erickson, 421 E. Main.

KEWASKUM: Glenn Staehler, 1270 Brooklane; Beth Buswell, 1222 Meadow; Nancy Backhaus, 319 First; Chris Thull, R. 2.; Doug Senn, R. 2.

Other players are from the communities of Cedarburg, Grafton, Hartford, Hubertus, Juneau, Milwaukee, Port Washington, Slinger and West Bend.

Life may begin at 40, but so does arthritis, lumbago, and the habit of telling a story three times to the same person.

Green Bay Packer Star, Doug Hart, and his wife, Marilyn have been named co-chairmen of Wisconsin's 7th Friendship Campaign for Retarded Children which is being conducted throughout the state. Pictured above with Doug and Marilyn is Peggy Tyler, Dallas, the 1971 State Poster Child, representing the 126,000 mentally retarded in Wisconsin. These ap-

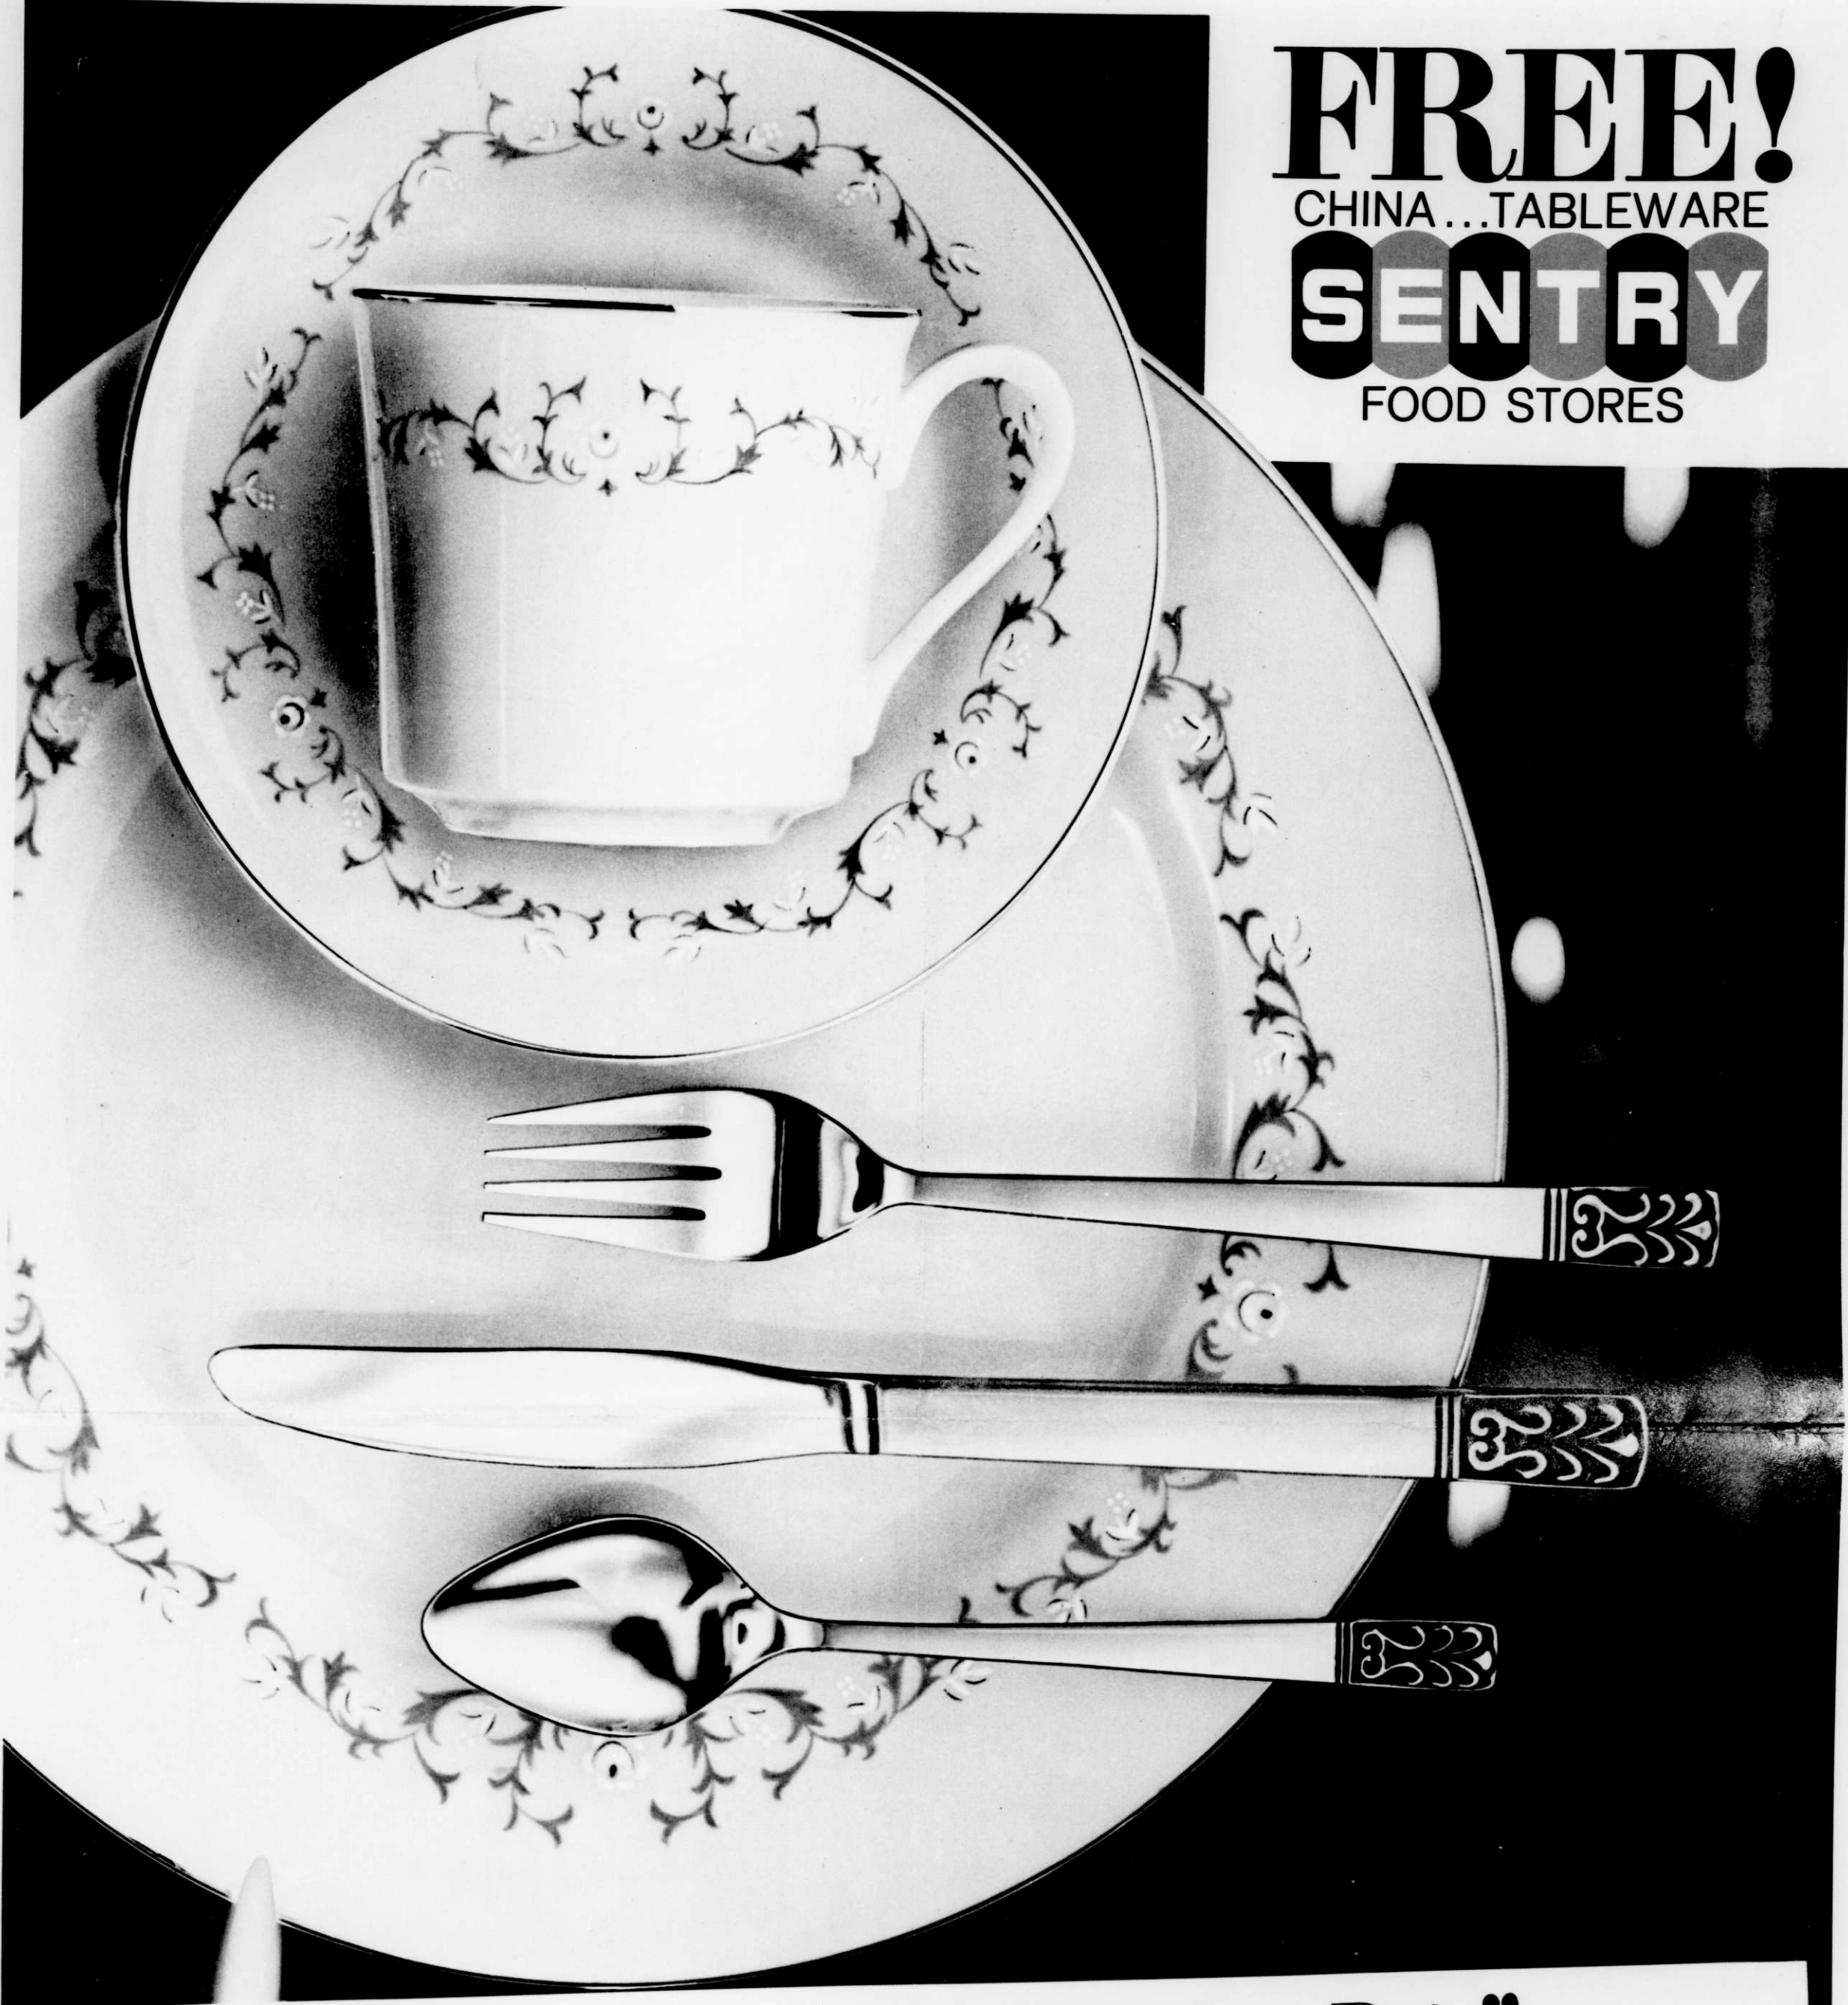

pointments were officially announced by William Fuller, Madison, president of the Wisconsin Association for Retarded Children.

The Association's Friendship Campaign for Retarded Children has two goals — to raise funds to support programs and research for the retarded, and to make the public aware of the multiple facets of mental retardation.

RY

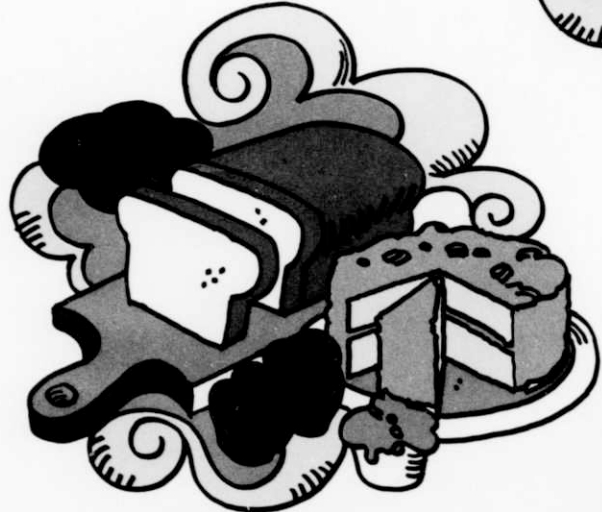

Sentry makes your shopping great.

Our meat man is a pilot.
Because the secret behind top quality meat is being in the right place at the right time. So our meat selector pilots his own plane... goes out of his way for top quality, so you don't have to. He buys only U.S. Choice... sees that it arrives aged just right.

Sentry brands mean extra value.
From grocery items to dairy products the Sentry name on the outside means top quality, top value on the inside. And the purchasing power of 75 stores means the best possible price on Sentry brands... on every brand at your Sentry store.

Your morning rolls were baked last night.
Cookies, cakes, doughnuts... all the bakery goods you buy at Sentry were baked last night at our own Crestwood bakery. It's the best way we could think of to make sure of Sentry's bakery goods. Up all night to be fresh every morning. That's the Sentry way.

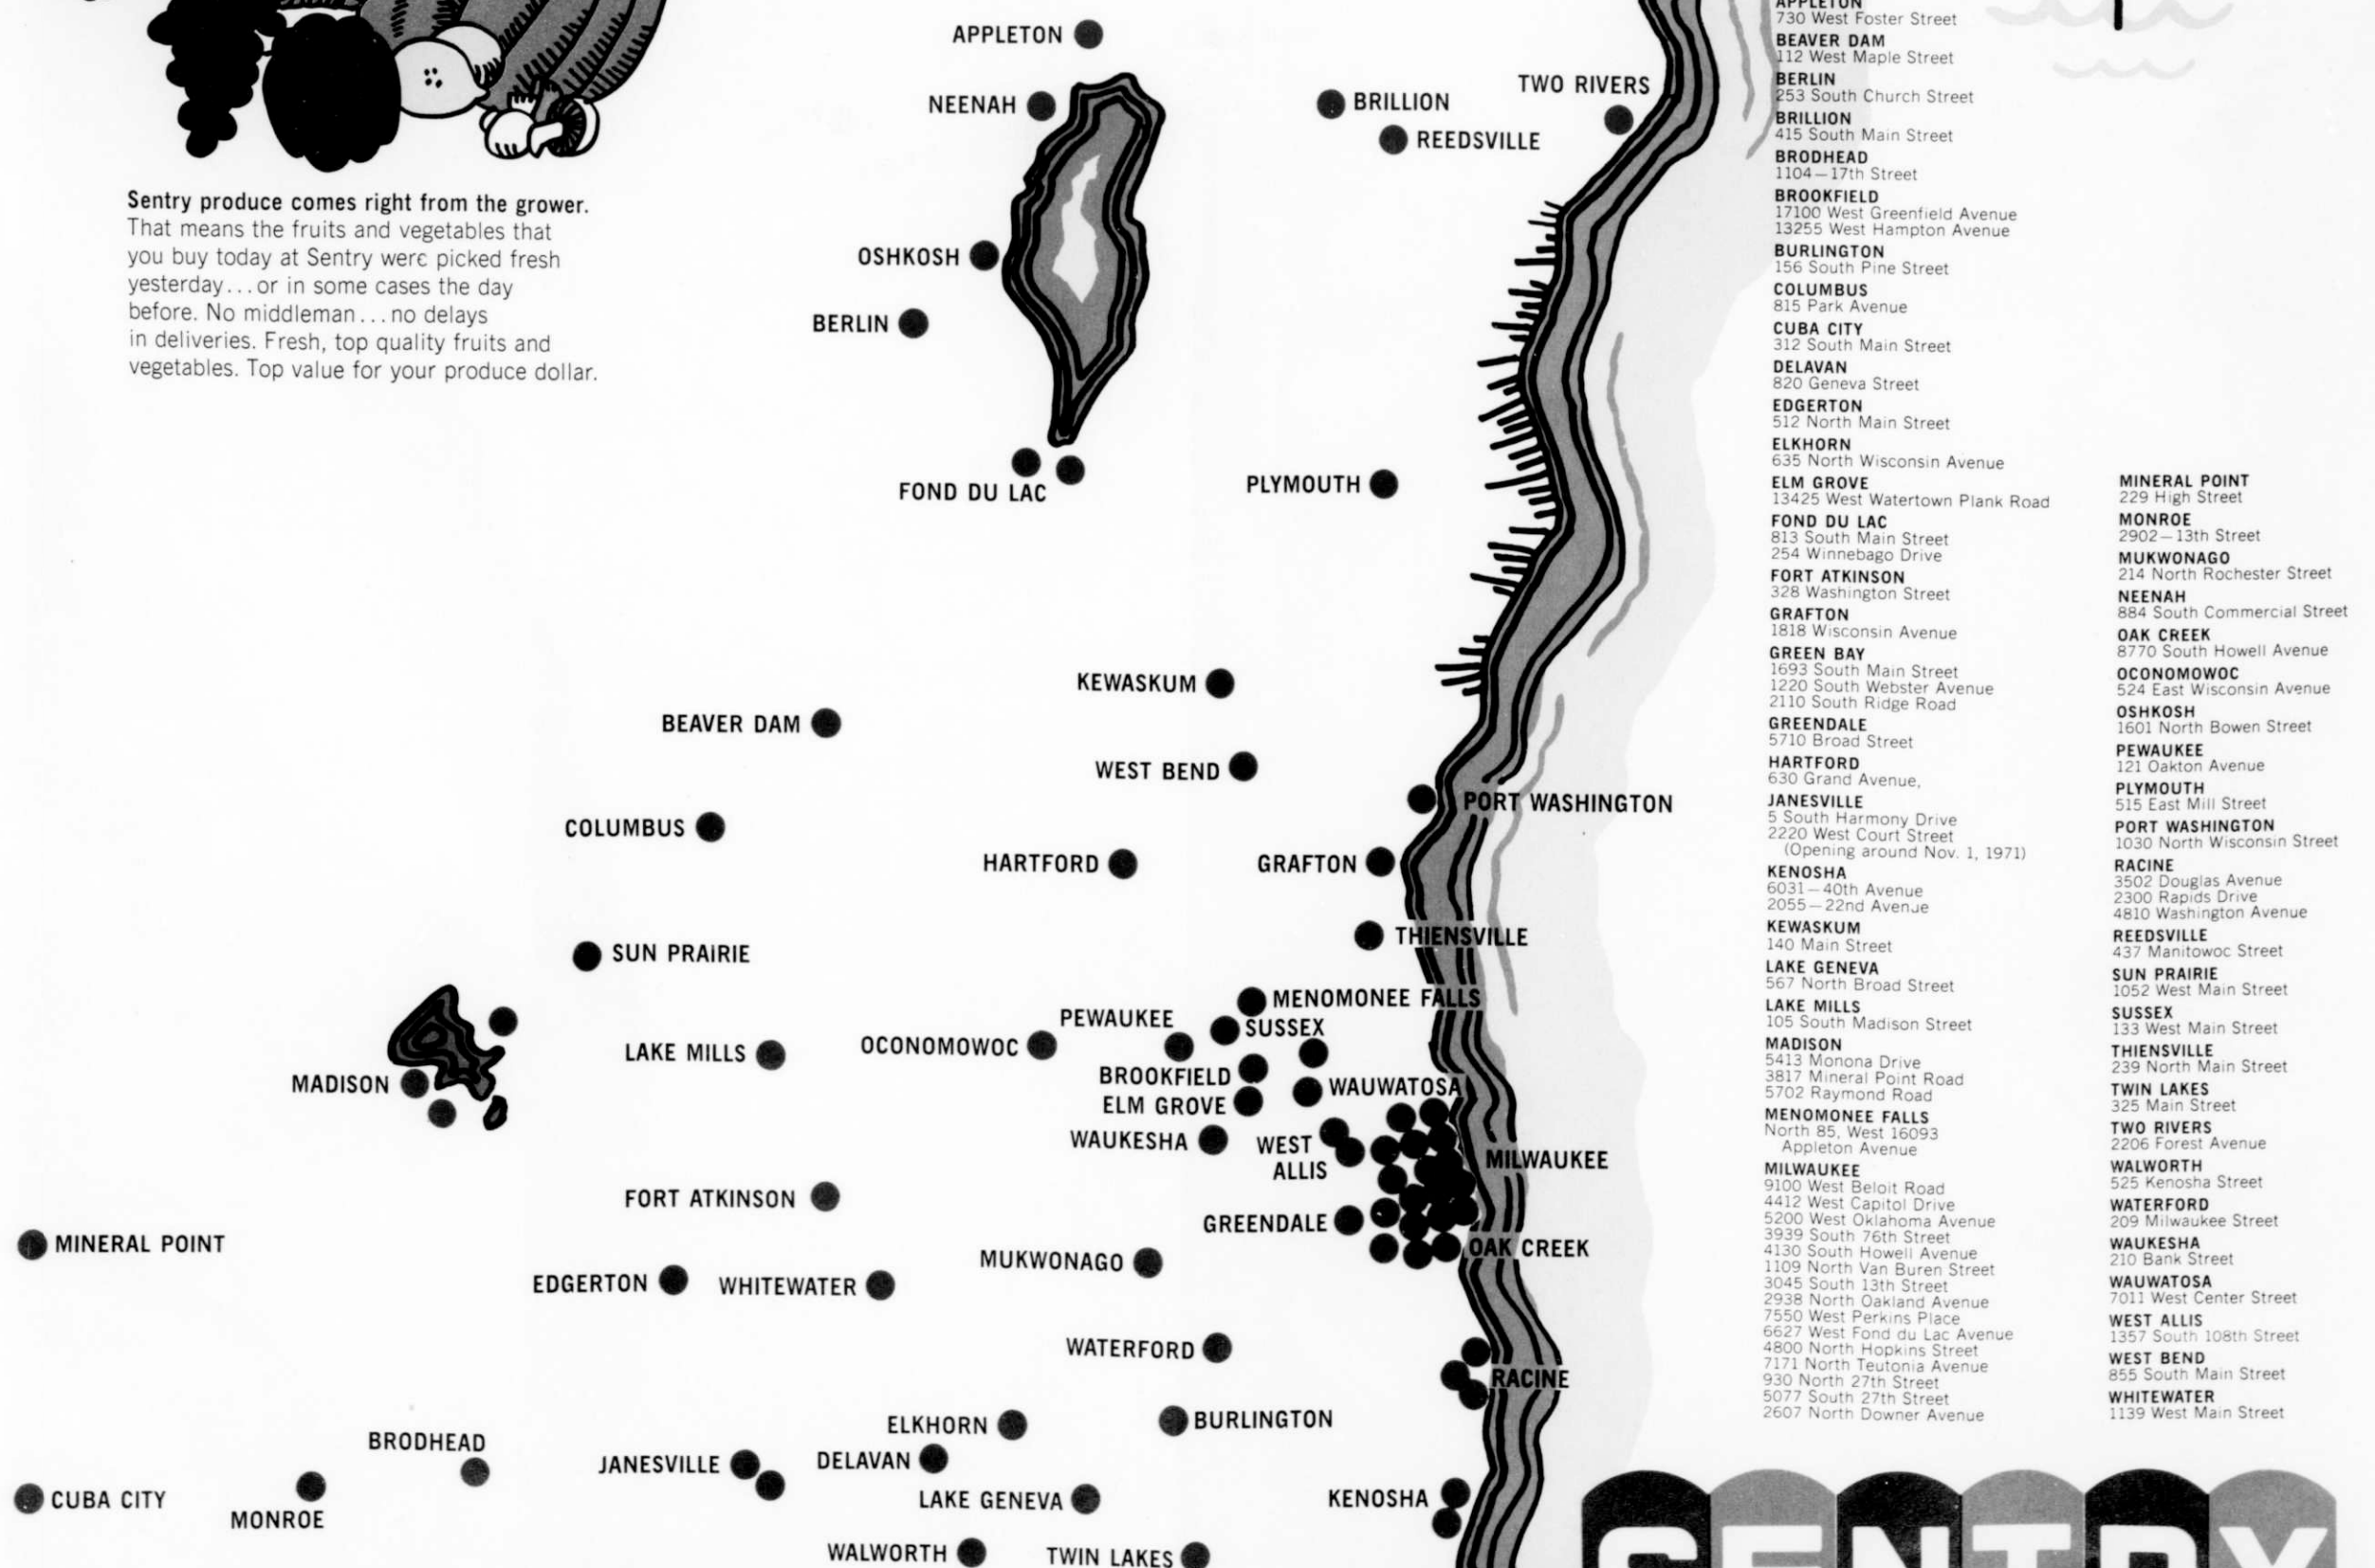

Sentry eggs are country fresh.
And that's what makes the difference in eggs... freshness. We know ours are fresh, because they get to you fast... from our own farm right here in Wisconsin. It's the most modern facility around for the fastest possible delivery to the Sentry store near you.

Sentry produce comes right from the grower.
That means the fruits and vegetables that you buy today at Sentry were picked fresh yesterday... or in some cases the day before. No middleman... no delays in deliveries. Fresh, top quality fruits and vegetables. Top value for your produce dollar.

Value and convenience. That's the Sentry way of doing things.

Sentry is people who are there to make things as easy for you as possible. To help you find what you're looking for... to check a price... to change a tire. Sentry's pricing per ounce lets you see exactly what you're paying. And a special price at a Sentry store is a special price all week long... at every Sentry store. That's what you'll find at the Sentry store near you... value, quality, convenience. Because the last word in Sentry is try. We never stop trying.

Sentryland Convenience shopping
for more than 80% of Wisconsin's people.
