Regal Plans Open House at New Administration Center

Residents of the area are invited to attend an "Open House" at the Regal Ware, Inc. Administration Center on Sunday, Oct. 24, 1971 between 1:30 and 5:00 p. m.

The "Open House" will commemorate the completion of the ultra-modern Administration Center which is located on Reigle

Drive in Kewaskum across from the community high school athletic field.

The new complex is comprised of four levels, housing Regal's entire administrative staff. The facility will centralize the company's management functions under one roof and enable it to collectively

guide its nationwide sales organization and manufacturing facilities.

Officials of the cookware manufacturing firm pointed out that the Administration Center was architecturally designed to complement the surrounding picturesque Kettle Moraine area. This

was done through a tasteful blend of brick, mortar and glass set off by a reflecting pool complete with decorative water jets. Highlights of the building itself include a fully equipped test kitchen, a stunning "show case" display room plus the latest in functional office design and appointments.

Plan Homecoming At High School

Homecoming at Kewaskum High School will be on Oct. 22. The senior class has selected the theme, "A Time to Remember" for the dance and parade.

A pep rally on Friday afternoon will begin the weekend, with a parade following at 6:30 p. m. The football game against the Pewaukee Pirates will start at 7:30 p. m.

"Incognito," a band from Milwaukee, is hired to entertain at the dance from 9 p. m. to midnight. The grand march will be at 10 p. m.

2,380 Attend Dinner To Kick Off Big Hospital Campaign

A big community undertaking was kicked off last Wednesday evening at the biggest dinner ever held in the community. The dinner was attended by 2,380 people at the new West Bend high school field house and the purpose of it was to launch a \$2.4 million campaign for a \$5.1 million expansion and development of St. Joseph's Community Hospital. Guests at the dinner included members of the press and radio of the surrounding area.

Bart Starr

Following the dinner (donated by an anonymous person who had also made a hospital pledge), Bart Starr, star quarterback of the Green Bay Packers, was the keynote speaker at the program for the evening. The event was organized by Alan Kieckhafer, with dinner arrangements by Fred Bardele of the school system. Other speakers included Drive Chairman Bernard C. Ziegler, Dr. Alvin Grundahl, Fred Bury, Reuben Schmah, Norman Schowalter. Entertainment was provided by the University of Wisconsin Singers. Rev. Fr. Edmund Haen delivered the invocation and Rev. Harry Baumer the benediction.

Ziegler announced that more than half of the goal for the four-floor addition to the hospital had already been met through advance contributions from individuals, corporations and foundations.

Starr also did the holding for Mike Marks, a fourth grader at St. Frances Cabrini School and winner of a recent punt competition. The football, donated and autographed by Starr, sailed out into the audience as the formal kick-off for the drive. Marks is the son of Mr. and Mrs. Earl Marks and grandson of Mr. and Mrs. Bill Ruth of Kewaskum.

Ziegler said the \$2.4 million (Continued on page 2)

Board to Mail Questionnaire for Electors' Opinions on Building Plan

By Ruth Held
of the Kewaskum Statesman

In view of the fact that electors of the Kewaskum Community Schools District have turned down two referendums for a proposed package building plan, the Board of Education decided Monday night to mail a questionnaire to ask electors' opinions on what direction they feel the building plan should take.

The elector will be asked if he favors the package plan; if he favors a plan that would exclude an addition at Wayne; if he favors one that would exclude a Farmington addition; or if he favors no building project at all.

The feelings of the voters will help the board decide what should be included in the next referendum which will probably be held in early December.

Supt. Floyd Brenholt said "we hope to get the questionnaires in the mail by the end of the week." Electors may mail or drop off the completed questionnaire at any of the schools; they may send it with their students or they may give it to any board member.

Brenholt reported that the architects estimate the \$2,605,000 voted down Sept. 13 will have increased by about two per cent, or

to \$2,660,000 by December. The proposed plan without the Farmington addition would cost \$2,445,000; the one excluding Farmington and Wayne additions would cost \$2,230,000.

Brenholt reported "the architects say these costs are difficult to project now since the effects of the wage-price freeze are difficult to assess. Also, no one knows yet what phase II of the freeze will be like. But the architects feel the two per cent figure is one they can live within."

He also said tax impact figures show that there would be a difference of \$8 in taxes on a property with an equalized value of \$20,000, between the package plan and the one minus Farmington and Wayne additions.

The total package includes a new elementary school for 600 in Kewaskum, plus additions to Farmington and Wayne schools and to the Kewaskum High and junior high buildings.

Board member Richard Theusch said he is in favor of building only in Kewaskum. Bussing another of Wayne's grades, the sixth grade, to Kewaskum would eliminate need for the Wayne addition, he said.

Local Boy Shot in Hunting Accident Two Escapees from Boys School Taken Into Custody Here

A Kewaskum boy suffered a gunshot wound in a hunting accident in the area Sunday afternoon.

Dale Flynn, 14, of 204 Main St., was reported in good condition at St. Joseph's Community Hospital, West Bend, Tuesday morning after suffering what was termed as a "shoulder-chest area" wound.

Details of the incident were under investigation earlier this week but it was reported the youth was struck by a .22 calibre rifle bullet, fired by a juvenile companion, which ricocheted after hitting another object.

The sheriff's department initial report indicated two men, John Geittmann of Belgium and Jeff Broecker of R. 2, Kewaskum, took the injured youth to the hospital. The accident occurred on the Glacier Trail north of CTH H in the Town of Kewaskum.

SCHOOL MUSIC DEPARTMENT TO PRESENT FALL CONCERT

The music department of Kewaskum Community Schools will present a fall concert on Wednesday evening, Oct. 27, at 8 p. m. Performing in this concert will be the junior high band and choir and the high school band and choir. The groups will be directed by Mr. and Mrs. John Rindo, Gary Gerhartz and Clyde Brehm.

Two Escapees from Boys School Taken Into Custody Here

Washington County Juvenile Officer Hugh Carpenter reported on Wednesday morning that a search for two 17-year-old boys who escaped from the Kettle Moraine Boys' School near Plymouth early Tuesday had ended.

One of the boys was apprehended about noon Tuesday one mile east of Kewaskum on Hwy. 28. The other turned himself in to the Washington County Sheriff's Department in West Bend about 1:30 a. m. Wednesday after asking an area resident to drive him to the sheriff's department.

The search was conducted by 8 to 10 men from the sheriff's department Tuesday, a helicopter was put into use to help search for the second boy over an area southeast of Kewaskum and Police Chief Don Hlavaty of this village also assisted in the search. When the youths saw a county squad car Tuesday afternoon they fled, but one boy was captured shortly after that.

(Continued from page 1)
raised by the drive will be combined with \$2.7 million raised by bonding and revenues of the hospital, for a \$5.1 million total. Of that total, \$3,742,670 has been earmarked for the new addition, \$400,000 for renovation of the existing facility and \$960,000 for purchase of the present hospital from the Sisters of the Divine Savior. The large goal will require the help of some 700 to 800 volunteer workers and substantial contributions from everyone in the nine townships, two villages and one city served by the hospital.

The campaign will be based on a

3-year pledge, which for a family earning \$8,000 has been suggested at \$108 per year, or a total of \$325. The schedule of suggested donations progresses upwards to \$1,200 for a person with a \$15,000 income and \$3,500 for a \$25,000 income.

Participating were Sue Dei, Diane Oliver, Mary Fisher, Jeanne Panzer, Roxy Franzen, Debbie Schultz, Janice Panzer and Robin Acker. For some, it was their first year in 4-H but many items had won ribbons at the Washington County Fair in July. Some ad-

vanced to state fair competition.

The girls were accompanied by their general leader, Mrs. Byron Dei and their project leader Mrs. Alvin Panzer. Ranging in age from 11 to 16 years, the young models appeared in several changes that included sleepwear, skirts, jumpers and dresses and knitted sweaters, caps and bedroom slippers.

The event was held in the lounge of Peace United Church of Christ where individual tables were decorated with autumn flowers. Winners at card games that followed were Mrs. Mabel Koch, Mrs. Walter Bade and Mrs. Alfred Johnson.

Hostesses were the Mmes. O. E. Behnke, chairman; Vincent Groh, Ralph Rimmel, C. M. Rose,

Ray St. Mary and Elton Liepert. Proceeds are directed to scholarships and club projects.

Copies of the 1971-72 budget were distributed after preparation by finance chairman Mrs. Earl Buswell. In addition, \$50 is distributed throughout the season to a charity of the month. The club also gives awards to local Helen Mears art contest winners and contributes to Trees for Tomorrow.

It was announced Mrs. Robert Schmidt and Mrs. Behnke will head the Heart Fund drive in February. The club is planning a

theater party later this month. Guests are welcome. Those desiring more information may contact Mrs. Carl Acker at 626-4234.

"Ah Wilderness" to Open Drama Season At UWWC Oct. 15-16

KEWASKUM STUDENTS HAVE LEADING ROLES

Eugene O'Neill's "Ah Wilderness" opens the 1971-72 drama season at West Bend Oct. 15-16 at The University of Wisconsin, Washington County Campus.

Tickets cost \$2.50 for adults and \$1.25 for students and may be purchased at the box office or in advance at UWWC, 400 University Drive, phone 338-1161. Curtain time both nights is 8:15 p. m. in the student union theatre.

A cast of 12, under the direction

of UWWC speech instructor Ralph Russell, will present the comedy about a typical middle-class small-town New England family at the turn of the century.

The play centers in Richard Miller, a would-be poet, who causes his parents much concern because of his desire to marry the neighbor's daughter. Richard is played by Paul Berg of Kewaskum, who has acted in plays at Northwestern Prep in Watertown and was a member of UWWC's "Summer Sequence."

Richard's parents are played by Lou Warnecke and Christina Siplon of West Bend. Warnecke has participated in more than 40 plays and has worked with the Attic Theatre of Appleton, the Beaver Dam Community Theater, West Bend's Musical Masquers, and Milwaukee's Y Playhouse, Pic-A-Pac Child Theatre, and Nicolet Theatre.

Mrs. Siplon, a teacher at Fair Park School with a masters de-

gree in reading, has appeared in high school and college plays and was seen in last season's "Night Must Fall" by the Musical Masquers.

Betty Butz of Kewaskum has the part of Muriel, the girl next door. Last year at UWWC she was in "The Purification," "Night Must Fall," and "The Boy Friend." In high school she played in "South Pacific," "Arsenic and Old Lace," and "My Three Angels."

Tim Bechwar of West Bend is cast as Sid, the humorous drunk. His credits include roles in "Camelot" and "Hello Dolly" at West Bend High School. Bechwar is a drama major at UWWC.

Debbie Ryer of Port Washington, a drama and music major at UWWC, portrays Belle, a young college tart. She has appeared in many high school and recreation department plays in Port Washington.

The other Miller children are played by Jerry Butz of Kewaskum and Cindy Nickasch of West Bend. Jerry, a seventh grader at Holy Trinity, is the youngest member of the cast. He played Jerome in Kewaskum's "South Pacific" and has participated in a summer "Experiments in Dramatics" for children.

Miss Nickasch is a graduate of West Bend East where she was in "Hello Dolly" and "The Curious Savage."

Mary Post of West Bend, a media specialist at the Jackson school, is appearing in her first play as Lilly Miller, a school teacher.

Barbara Fagg of Saukville is cast as Nora, the Irish maid. She is a member of the Mequon Masquers and the Port Recreation Department Theatre Group and has studied at the MATC Theater Workshop in Milwaukee.

Rounding out the cast are George Scharrer of West Bend as the bartender and Steven Stajich of Milwaukee as Wint.

GIRL SCOUT TROOP 53

Troop 53's last meeting consisted of a treasure hunt around town which led us back to the meeting place. The treasure was a bag of popcorn and some thirst stopper kool-aid.

Jacky Coulter, Kris Dreher, Margie McClain and Lori Muckerheide were in flag ceremony at the freshmen football game. Then we came back and talked the meeting. There we talked about our big hike which was on the ninth of October. Then after the game they retired the colors.

Saturday was our five mile hike. We met across from the Shell station with the other junior troop. We walked east on 28 and then took the hiking trail south to H. On the trail we were given a list of things, which we were to get. This went to various badges. At the first shelter we ate and made leaf prints. And we are proud to say the only casualty was a bee bit Sue Scannell N. A. She came as a helper. Having only a small first aid kit, baking soda and water was our only hope. It must of worked because she's still alive.

We took the same trail back to town. There the girls were taken home by their parents, or they just walked home. This hike was from 9 o'clock to 2 o'clock.

Girl Scout Scribe,
Jacky Coulter

SCHOOL MEETING

(Continued from page 1)

Allen Tessar answered, "We have to give the people the educational facilities where they live." And board president Richard Edwards said he believes the best long range prospect is the package plan.

A Town of Farmington resident, James Plzak said, "I think most people in my area feel we aren't in need of an addition now but they are sympathetic to Wayne and feel they should get theirs."

Under consideration by the board, since defeat of the last referendum, has been the split shift program. But Brenholt and several board members said they have been told by electors that split-shifting is being used "as a gun to our heads—either we pass a referendum or we'll get split shift."

Noting that "so far we have concentrated primarily on the undesirable aspects of split shift," Brenholt reported that "we have preliminary reports from two schools on it" and they reported advantages and disadvantages.

Racine, on a junior high split shift program, reports: "students are happy; discipline problems are reduced; fewer students are receiving failing grades; and class periods are shorter."

Disadvantages reported are "no flexibility in scheduling; teachers have difficulty accepting supplementary preparation time; and teachers feel students are learning poor study habits outside class."

Brenholt continued that "Winneconne, with a population much like ours but somewhat smaller enrollment, but with growth problems, has gone to split shift. They transport a big percentage of pupils and cover a wide area. The teaching staff there feels the academic classes may be going some what better than under a traditional program but there are some problems in certain areas such as shop and home economics because of short periods."

"Winneconne has apparently had no difficulties in early and late scheduling; breakfast is served for high school and there is a 'snack break' in the afternoon. For a short time over the middle of the day, all students are in attendance together," according to the report.

Brenholt suggested a visit to Winneconne by some Kewaskum staff and board members. "Even though we may try another referendum, it is important we continue to investigate other alternatives," he said, adding that "we do have a committee of teachers working on a split shift program plan, in case we have to go on it. It may not be the perfect solution but it is better than putting pupils in crowded classrooms," he observed.

The Board of Education heard reports from Elementary Principals Mrs. Kenneth Erickson and Timothy Leader on the Minnesota School Facilities Conference they recently attended, when it met Monday night.

Leader said, "no other conference compared with this one. We

heard the top men in education and they stressed first and foremost, "individualized instruction!" We were told "fit the program to the child—don't shove a child into a program. Do for the child what is best for him."

They said they heard speakers say report cards should be made more meaningful; schools should be open physically and academically and that our schools should be humanized.

Supt. Floyd Brenholt reported that "Individually Guided Education" (IGE) has already been adopted by 150 school districts in Wisconsin. The board approved the four elementary principals going to an IGE conference at Wisconsin Dells this month.

The board passed a motion to reduce the tax levy by whatever amount the district will get in additional state aids if the state legislature passes a new budget by Oct. 18. Under the new budget, the Kewaskum district can anticipate approximately \$100,000 in additional aids, Brenholt said.

Because the state had not settled on state aid figures, the

school budget was adopted and the mill rate computed on last year's state aid formula. If the budget is not passed by Oct. 18, the mill rate will not change.

After a second reading, the board approved a bus route policy which states a student may be picked up or dropped off at places other than his home provided the bus will not have to deviate from its route; that the request during circumstances is made in writing and no bus overload problem will result.

Named to the negotiation committee were Gerald Secor and Thomas Gundrum with Richard Theusch as alternate.

Mother to a small son: "I don't care if our basement wall is cracking, stop telling everyone you come from a broken home."

Slinger Upsets Indians, 13-8, To Snap 10-Game Win Streak

The Kewaskum Indians did not appear to be up, while the Slinger Owls were sky high in their game at Slinger Friday afternoon and as a result the previously unbeaten Indians were upset by the Owls, 13-8, in a defensive struggle.

Not only was it the first defeat for Kewaskum, but the setback snapped a 10-game winning streak and knocked the Indians out of undisputed first place in the Scenic Conference. They are now tied for the lead with Mayville and Germantown, all with 3-1 records.

For the second straight week, Slinger showed little respect for the top teams and winning streaks. The week before the Owls upset previously unbeaten Mayville, 14-0, to snap a 13-game Cardinal streak. They repeated their performance by toppling Kewaskum from the unbeaten ranks last Friday. After losing to two of the weaker teams in their first games, the Slinger "spoilers" stunned the two strongest by upsetting them in their last two outings.

Slinger wasted no time in serving notice right off the bat that it was after another upset triumph. The Owls marched 63 yards the first time they had the ball to score. In the drive the Owls made two crucial fourth down plays. Mark Hauser climaxed the drive going one yard for the touchdown.

The Owls were able to dent the tough Kewaskum defense for only one more first down the rest of the game after their opening drive but still managed to get on the scoreboard once more before halftime. They scored on a 31-yard pass from John Krenn to Brian Schmidt in the second quarter after intercepting a Kewaskum pass intended for Glen Eichstedt. Mueller's extra point kick put Kewaskum down 13-0 at halftime and the stunned Indians spent the remainder of the game trying to catch the Owls.

The Indians came on strong in the second half putting the brakes on the Owls, and got a touchdown back in the third quarter when Dale Luedtke passed five yards to Eichstedt for a score on the second series of downs in the half after going 55 yards to the five. The two point conversion came on a Luedtke pass to Doug Schacht. Kewaskum continued to threaten but a great defensive effort by the Owls held them from scoring again before the game ended. The Indians had a good opportunity to score late in the game but Eichstedt dropped a pass deep in Owl territory to end the threat. Luedtke went to Eichstedt frequently, even though he was double-teamed and at times had 3 men covering him. With that much coverage on one receiver, someone else should be open.

Although losing, the statistics belonged to Kewaskum, which had twice the number of first downs (12 to 6). The Owls were out-gained 206 yards to 137 but still managed to hold off Kewaskum

where it counted—from crossing the goal line. Luck was also on Slinger's side as they fumbled four times and recovered on each occasion. The Indians outgained Slinger rushing, 139 yards to 83.

Heading the Owls' defensive effort was Mike Roeper, who made 11 solo tackles and 6 assists but it was a balanced effort which held the Indians to 8 points.

In other conference games, Mayville bounced back to shade Hartland Arrowhead by a similar score, 13-8, and Kettle Moraine trimmed Grafton, 29-15, Friday, while Germantown beat Pewaukee Saturday, 30-12.

Tonight (Friday) the Indians travel to Hartland (1-3) for a 7:30 game with Arrowhead High and the team should regain its winning ways. Other contests this weekend are Germantown at Kettle Moraine Friday and Slinger at Grafton and Mayville at Pewaukee Saturday.

time of 74:11. Randy Backhaus was Kewaskum's No. 1 runner with a 13:45 which placed him 4th overall. Kettle Moraine's Mark Ardington won his race, setting a new course record of 12:55. Also for the Indians Mike Backhaus had 14:52, Mark Kauper 14:57, Kurt Schmidt 15:18, Glenn Asch 15:21, Craig Carr 15:56 and Perry Nigh 16:32.

Zaborski of Marshall set a course record of 12:56 in winning.
