Village Told That Incinerator Does Not Meet Air Pollution Standards

RECONDITIONING OF WATER TOWER OK'd

By Ruth Held
of the Kewaskum Statesman

The Village of Kewaskum has been told by the Department of Natural Resources (DNR) that its present incinerator does not meet the new air pollution emission standards. And members of the Village Board, in regular session July 5, discussed what to do about it. No decision was reached.

The village has three alternatives. It can install another incinerator that meets the state standards; it can go to a sanitary landfill, or it can contract with a commercial hauler for regular pickups and disposal of refuse. Unless the village files an alternate plan with the DNR by Aug. 1, it must abandon the present incinerator Oct. 1.

It was pointed out that the existing incinerator is not adaptable to installing the scrubbing equipment necessary to meet the new standards. Peter Albers, superintendent of the village facilities, said he has set up a meeting with the Cleaver-Brooks firm of Milwaukee on July 11 at which time he and any board members who wish to go along will see an incinerator assembled and in operation.

The figure of \$100,000 was mentioned as the cost of a new incinerator. It would become necessary to build an addition to the present building to fit a new unit in. The project could be done with a federal grant of from 50 to 80 per cent aids, it was noted.

The village was to have submitted a plan showing its intentions to the DNR by July 1 but has received a one month extension.

Board members considered going to a commercial hauler several years ago when the village needed a new garbage packer but ultimately decided to purchase a new packer.

In official action, the board approved entering into contract with the Water Tower Service Co. of San Antonio, Texas to recondition the village water tower at a cost of \$14,700. Included is sandblasting of the interior; welding of all rivets and seams and reconditioning the badly pitted interior; new plates; plus removing all rust and loose paint from the exterior and painting the exterior. All work carries a five-year guarantee. Work was to have begun July 6.

The decision came after board members Wednesday took a look at the interior via closed circuit television provided by the company. The 75,000 gallon tower was drained and cameras were placed inside. A representative of the company said the tower can be back in service by July 17 when Regal Ware resumes production after vacation shut-down.

Referred to the plan commission was a petition bearing 46 signatures and submitted by Roger Schmitt of 310 Braatz Drive asking that the village refuse to issue building permits in the area north of Country View Estates unless access is provided by a road to Highway 45. The petition stated

all traffic going to and from that area would have to go via North Street and Western Avenue and they are not adequate to handle the traffic. Schmitt was informed that the area has not yet been platted. Therefore, no building permits can be issued at this time.

Authorization was given to purchase a copy machine for the village commissioner's office at a cost of \$620 cash. For its trade-in, the village will receive \$50 worth of paper and duplicating supplies. Village Commissioner William Martin reported he has looked at and priced other machines. This one is being tried out and is satisfactory, he said. It is a six-month old salesman's demonstrator that sells for \$795 new.

Robert Zarling of 1221 Hillside Drive, was approved as chairman for the plan commission's board of appeals. Village President C. N. Wieter made the appointment from five names submitted by board members. A zoning administrator for the village is being sought. Applications will be received until July 15.

Operator's licenses were approved for Mitchell Ogi, Roy Schaefer and John Thorn, all of Kewaskum. Also approved was a building permit for an addition to Kewaskum Frozen Foods, pending state approval of plans and inspection by the village building inspector.

Groundbreaking For New Bank Building Monday

A groundbreaking ceremony for the new Bank of Kewaskum building on Fond du Lac Ave. will be held around 3 p. m. Monday. Excavating work for the new structure was started on Monday of this week.

The new bank will be of contemporary design with 6,200 square feet of space per floor in the basement and on the first floor. The bank will have eight teller windows and two drive-in windows, a spacious lobby area, three offices and four conference rooms. The basement will house a community room, lounge, storage and utility space.

Extensive use will be made in the building of pre-cast concrete which allows a span of 68 feet in the lobby without the use of posts. It will be of brick exterior and some brick interior. The windows will have all bronze tinted glass and frames.

The lot will cover over 52,000 square feet with off-street parking for a minimum of 42 cars.

The expected completion date for the new bank building is April of 1973. General contractor is A. J. Despins & Sons, Inc. of Green Bay.

Howard Backhaus Dies of Injuries Suffered in Fall

Howard Backhaus, 53, of 1550 Riverview Dr., Kewaskum, passed away early Thursday morning, July 13, at Hartford Memorial Hospital of injuries he suffered on June 29 when he accidentally fell 25 feet through an opening in the roof while at work on the Chrysler building addition in Hartford. He was employed as a construction worker with the W & B Corporation of West Bend. Backhaus suffered internal injuries, a broken pelvis, fractured ribs and a broken wrist in the fall and had been hospitalized since.

Visitation at Miller's Funeral Home will be from 3 p. m. today (Friday) until 11 a. m. Saturday and at St. Lucas Lutheran Church from 12 noon until the time of services at 3 p. m. Saturday. The Rev. Paul Hoenecke will officiate.

At 2:30 p. m. there will be benediction at the church, following which those who wish may continue the picnic. This first picnic is sponsored by the Holy Name Society, which will furnish refreshments and prizes. Parishoners attending are asked to bring a dish to pass.

Mrs. Muckerheide Annual Picnic Also Dies, Second Is One of Most Successful Held

Mrs. Sylvester Muckerheide, Sr., 58, of 528 N. Indiana Ave., West Bend, the former Lucille Heberer of New Fane, also died Tuesday, July 11, at 10:45 p. m. as a result of injuries she received in a two-car crash that took the life of her husband on July 2.

Mrs. Muckerheide had been hospitalized at St. Joseph's Community Hospital in West Bend since the accident with severe head lacerations, hip and possible internal injuries. The two vehicle crash took place on Hwy. 45, several miles south of Kewaskum. Her husband was pronounced dead at the scene of the crash which occurred at 2:48 a. m. Mrs. Muckerheide was scheduled to undergo surgery Wednesday but passed away the night before.

The Muckerheides were southbound on Hwy. 45 when an auto operated by Scott A. Waranius, 22, of 592 Main St., Kewaskum, traveling north, reportedly veered over the center line and collided almost head on with the Muckerheide car. Waranius reportedly suffered a broken collar bone, leg injuries and lacerations and was also hospitalized. He apparently fell asleep at the wheel. Both cars were demolished.

Mrs. Muckerheide's death raised the county highway traffic toll to 11 for 1972. Her death was the fifth in 10 days in the county in highway accidents.

Mrs. Muckerheide, nee Lucille Heberer Stenschke, a beautician most of her life, having operated a beauty shop in West Bend a number of years, was born Dec. 20, 1913, at New Fane, a daughter of the late Mr. and Mrs. Adolph Heberer. She was an area resident all her life. She was married to Otto Stenschke, who also lost his life in an auto accident together with her parents, and after his death she married Sylvester N. Muckerheide on Oct. 3, 1959 in Kewaskum.

Surviving children are Robert (Sharon) Stenschke, R. 5, West Bend, Barbara (Kenneth) Grebe, Plymouth, Bruce (Sandy) Muckerheide, R. 3, West Bend, and Sylvester (Sharon) Muckerheide, Jr., West Bend. She also leaves a daughter-in-law, Mary (Stephen) Jansen, West Bend, 13 grandchildren; one sister, Malinda (Ervin) Seifert, New Fane; one brother, Roland (Nelda) Heberer, New Fane, and other relatives and friends.

Mrs. Muckerheide was a member of St. John's Lutheran Aid Society and the Ladies Guild, West Bend.

Funeral services will be held Saturday at 1:30 p. m. at St. John's Lutheran Church, West Bend, with Rev. George Mumm officiating. Burial will take place in Washington County Memorial Park, West Bend. Visitation at the Techtman-Myrhum Funeral Home, West Bend, will be from 4 until 9 p. m. Friday.

Those who wish may give memorials to their favorite charity.

ON DEAN'S LIST AT LAKELAND COLLEGE

Among 68 students on the spring Dean's List recently an-

The annual Firemen's picnic held in the village park Sunday was one of the biggest and most successful held with gross receipts reportedly exceeding those of the past few years. Dark clouds and a couple sprinkles of rain threatened during the parade but the skies cleared and the day turned out to be a fine one.

Another excellent parade, which lasted 1 1/4 hours, got the activities underway. The parade was highlighted by many drum and bugle corps, bands and other musical organizations, floats, twirlers, drill teams, comic entries, specialties and many other units. Thousands of spectators lined the streets for the parade and also jammed the park for the remainder of the day.

Music by the Two Hits and a Miss and Syl's Polka Dots was enjoyed from the band stand and in the beer garden. The beer garden again proved to be the most popular place and was crowded beyond capacity. There was a variety of games, rides, amusements and refreshments for everyone.

Thirty some half barrels of beer were disposed of in the beer garden alone, not to mention two other beer stands. The hamburger stand was sold out by 10:30 p. m. Approximately 875 pounds of hamburger and 375 pounds of bratwurst were sold.

The evening water fights proved popular with the Allenton firemen's team emerging as the winner. In the first match Boltonville defeated Newburg; 2nd, Campbellsport over Beechwood; 3rd, Allenton over Random Lake; and Fillmore, the odd team, drew a bye and automatic win. In the semi-finals Fillmore beat Boltonville and Allenton won over Campbellsport. Fillmore and Allenton fought it out with Allenton taking the championship. The winning team received \$10 and all others \$5.

The theme for floats in the parade this year was "Salute to the Twenties." Prize winners were: Commercial and senior floats—1. Kewaskum Farm Service; 2. Amerahn, Kewaskum; 3. Honeck Chevrolet, Kewaskum; 4. Ben Franklin Store, Campbellsport; 5. Hennes Tap, St. Michaels. Honorable mention—Bob Flynn's Tap, Dave's Music Center, Jaeger Floral Shop, Paul's Shoe Corner. Junior or children's floats—1. Kewaskum 4-H Club; 2. Kewaskum Cadets-Girl Scouts; 3. St. Lucas Lutheran Girl Pioneers; 4. Kids Train from Campbellsport—Wabash Cannon Ball; 5. Spirit of St. Louis. Honorable mention—B-Mer-E 4-H, Bonnie and Clyde, Gruvy Grubers.

Final figures on the picnic will not be available until all of the bills and receipts are in. Winners of the many merchandise prizes will be announced later. The committee in charge wishes to thank everyone who helped make the event a big success.

announced at Lakeland College, Sheboygan, are Kathryn Hansen, daughter of Mrs. Florence Hansen, 401 Main St., Kewaskum, and Cheryl Wulff, daughter of Mr. and Mrs. Eldon Wulff, R. 2, Kewaskum.

Indians Shaded by Slinger, 3-2, in Rain Interrupted WIAA Regional

In a game delayed by rain, Kewaskum and Slinger hooked up in a tight pitchers duel in the WIAA Regional tournament at Campbellsport at 6 p. m. Wednesday in which the Owls finally emerged the victor, edging Kewaskum, 3-2.

Trailing 2-0, pitcher Tom Theusch put the Indians on the board with a line smash over the left field fence and Kewaskum later tied the score. With the score knotted at 2-2 in the top of the sixth, Slinger had men on first and second with nobody out when the downpour came. It was heavy enough to postpone the contest but obviously Slinger's coach wanted to continue. The umpires called a half hour delay and when the rain stopped it was decided to continue the game although the field was very soupy. The Owls pushed over one of the runners on base, and scored in the sixth, and that was it as the Indians failed to score in the 6th or 7th innings.

When the heavy rain came, four of Kewaskum's players be-

lieved the game would be called and took off for no reason. When play was resumed Kewaskum had only 9 players left and was forced to finish the game with some reserves. The missing players were not located. With them in the lineup the outcome might have been different. Theusch and Lee

Wagner opposed each other on the mound in the duel.

In the opening game of the tournament Tuesday evening West Bend West (10-1) easily defeated Campbellsport, which had established a 19-1 record for the season, 7-2. West and West Bend East were scheduled to meet in the semi-finals Thursday evening. The winner will face Slinger in the Regional finals Saturday evening.

VEGETABLE GROWERS

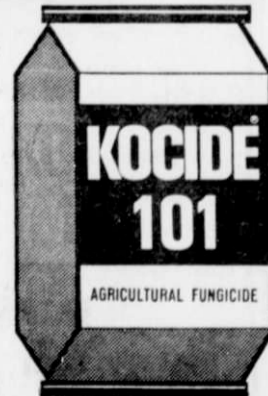

Here's why you should use KOCIDE® 101—the remarkable copper from Kennecott—for vegetable disease control!

KOCIDE® 101 controls vegetable crop diseases with less material, less labor, less water than any copper in history. It can be used in any ground sprayer, high or low volume concentrate, and with most other spray materials. Mix it in the same tank. Spray it at the same time. And KOCIDE 101 is the ONLY copper specially designed for aerial application. It won't clog nozzles or corrode equipment. There are no residue tolerance restrictions in KOCIDE 101's EPA clearances. You can use it right up to harvest—feed plant tops

to your animals. With these savings and KOCIDE 101's effective control of disease, higher yields result and vegetables wind up as money in your pocket. KOCIDE 101 is THE vegetable fungicide!

EPA clearances have been granted for use on celery, tomatoes, peppers, potatoes, beans, sugar beets, cucumbers, cantaloupes, muskmelons, honeydews and carrots. Check with your local extension service, university or your KOCIDE 101 dealer for rates and schedules applicable to your crops.

Indians Win 2, Lose 2, End Up With 8-6 Record

The Kewaskum Indians wound up the season with another busy week of baseball, playing 4 games, winning 2 and losing 2 of them (besides playing for the 3rd night in a row in the WIAA tournament at Campbellsport Wednesday evening). Kewaskum finished the season with an 8-6 mark.

Last Wednesday the Indians shut out Germantown there by a lopsided 13-0 margin as they pounded out 12 hits. Gary Marx pitched a 3-hitter. Freshman Mike Koepke, brought up from the JV's, hit a homer with two on and a single. Marx, Tom Theusch and Jeff Koth also collected 2 hits for the winners. Kewaskum put the game out of reach with 5 runs in the 4th.

The tables were turned the next night (Thursday) as the Indians were blanked by champion Pewaukee here, 3-0. Their pitching ace, Bill Beno, struck out 17 batters in the 7 innings (all but 4 of the batters he faced), and allowed just 1 hit, that a bunt single by Jim Gaffke. It was not like the first meeting between the 2 teams when Kewaskum upset Pewaukee and Beno, 5-2. Not a ball was hit out of the infield against Beno. Theusch also did a fine job for the losers, giving up just 4 hits but errors hurt him and 2 of Pewaukee's runs were unearned. The Indian JV's won, 6-5.

Returning to action Monday at Grafton after the weekend, Kewaskum was upset, 5-2, although out-hitting their opponents, 7-6. Previously Grafton had a 2-10 record. Lack of clutch hitting and loose play cost the Indians the game. Gaffke and Theusch each got 2 hits and the former also stole 3 bases. A 4-run 4th inning wrecked the Indians' chances, and in this frame Grafton got 4 of their 6 safeties off Theusch, who whiffed 9 batters. Schmitz was the winning pitcher. The local JV's won again, 9-2, to bring their record to 8-5.

The Indians ended their regular season by hosting Hartland Arrowhead Tuesday night and winning 4-2. Marx hurled another 3-hitter to bag the win, while he and his mates lashed out 9 hits. Marx, Theusch and Tom Behnke all got 2 hits for the victors. Hartland got both of their runs in the 2nd inning, topped by a double by their pitcher. Three doubles all had a big part in Kewaskum's scoring in 3 of the innings. The Indian JV's also won, 10-0, on Scott Koth's no-hitter and ended up with a 9-5 record, including 5 straight to wind it up.
