Referendum for Wayne School Addition Fails by 3 Votes

Electors Approve \$2,176,794 Budget at Annual Meeting

GUNDRUM ELECTED BOARD OF EDUCATION CHAIRMAN

By Ruth Held of the Kewaskum Statesman

Electors of the Kewaskum Community Schools district were asked to indicate in an advisory referendum here Monday whether \$200,000 should be borrowed to build and equip an addition to the Wayne Elementary School. They voted 265 in favor and 268 against borrowing. The 533 votes cast between 7 a. m. and 8 p. m. represented only about 10 per cent of the district's potential vote.

The proposed addition is part of a package plan turned down by electors three different times last year.

At a May meeting, the Board of Education voted to move two relocatable classrooms from Kewaskum to Wayne for use next school year but a group of electors followed with a petition asking instead that a referendum be held on borrowing for the proposed addition and that moving be held up until the wishes of the electors are known. If Monday's vote failed, it was to mean that the classrooms would be moved.

However, announcement of the voting results during the annual district meeting Monday night touched off a spirited discussion and there were some strong feelings that the classrooms should not be moved and Wayne should get its addition, instead.

Norbert Dettmann of the Town of Farmington introduced an advisory motion against moving the classrooms. A secret ballot was asked for and the results were 69 voted not to move the buildings, 45 voted to move them and 5 voters abstained. The board of education must now decide what to do and will make that decision during a meeting at 8 p. m. next Monday at the high school.

During the discussion, two electors made pleas for unity in the district, alluding to the fact that voters turned down three separate package building plans last year. One said, "It is time we realize we are a district." The other commented, "We are not hanging together as a district; we are hanging in pieces" and he stated that until such time as the district can work together as a unit, it is his hope that each of these piecemeal building proposals will be turned down.

In rebuttal, another elector said that the package plans were denied only because the taxpayer felt he could not afford them.

One woman who felt strongly that Wayne should get its addition asked if it is possible to now call a special meeting to borrow the needed money. Atty. Roger McKenna reminded the 135 electors present that Monday's referendum was only advisory and that the board must decide what is their next action. He added that the board has the power to vote to borrow any amount of money

for any building program and the electors then have the right to petition for a referendum.

During the annual meeting electors approved a budget of \$2,176,794 calling for a tax levy of \$1,404.891 and a tax rate of \$18.844 per \$1,000 equalized valuation. Of the total levy, \$1,220,200 is for district operating expenses and capital outlay and \$184,690 is for debt retirement. Last year's budget of \$1,832,906 called for a tax rate of \$19.727. Increased property values accounts for the drop in the tax rate.

There was a motion from the floor asking that the new budget be refused and cut but it was lost for want of a second.

Dr. Charles Ogi reported on the recommendations of an advisory council he headed on career and vocational education. He said his group met periodically over the past three years and developed a five-year plan which the board adopted in May. Copies are available at the high school.

He said that inasmuch as only about 20 per cent of the Kewaskum High School graduates go on to college, his group felt they should provide adequately for

Chamber of Commerce Here?

Businessmen of Kewaskum are cordially invited to attend a meeting to hear a talk about and discuss the possibility of organizing a Chamber of Commerce in Kewaskum.

The meeting will be held at the Wigwam at 8 p. m. next Wednesday, Aug. 2. The speaker will be Ken Haagensen, Executive Vice President of the Wisconsin State Chamber of Commerce. A light lunch will follow the meeting.

Most of us are concerned about the growth of our business and community. Today the types of growth and their anticipated effects on the community should be considered and controlled. Cooperation among and organization of the business community may assist us individually in promoting ourselves and our community. These are only a few of the reasons why businessmen or their representatives are asked to find out what a Chamber of Commerce can do for you and Kewaskum and what you can do for a Chamber by attending this meeting.

GREETINGS FROM NORWAY

Kewaskum's first AFS student, Walborg Pettersen Krosshaug of Oslo, Norway, sends her warmest greetings and good wishes to her many Kewaskum friends. Walborg has a position with the Social Services Department in Oslo and her husband, Leif, is with the Conservation Department. Their daughter, Anne, celebrated her third birthday while her American grandparents, Mr. and Mrs. Charles Miller, of Kewaskum were in Norway recently. The Millers report their holiday in Norway was truly a "once-in-a-lifetime" experience. They also observed their 35th wedding anniversary in Oslo.

Board Appoints Zarling Zoning Administrator

LET BIDS FOR CURB, GUTTER; DISCUSS REFUSE DISPOSAL; GRANT BUILDING PERMITS

By Ruth Held of the Kewaskum Statesman

The Village Board appointed a zoning administrator, let bids for about 3,000 feet of curb and gutter and heard alternatives in refuse disposal when it met here in adjourned session Monday night.

Richard E. Zarling, 524 Keller St., will assume the newly created post of zoning administrator just as soon as the village adopts its new planning and subdivision control ordinance, hopefully during August. Zarling will serve part-time with pay. No salary figure has been set. He is also director of elementary education for the Kewaskum school district.

Renhach Construction Co., of R. 1, Reeseville was awarded the contract for curb and gutter, to be installed in various parts of the village, at \$2.37 per foot. The bid was low among three.

The Village of Kewaskum has been told by the Department of Natural Resources (DNR) that its incinerator does not meet the new air pollution emission standards and must be abandoned by Oct. 1. It has advised the DNR that it will use its incinerator right up to the Oct. 1 deadline and then deposit its refuse at a licensed landfill site. Whether the village crews will pick up refuse or whether a commercial hauler will be contracted with is yet to be decided.

At the invitation of James Elder, consulting engineer, a Menomonee Falls village engineer together with a representative of the A-1 Disposal Service appeared before the board. The Menomonee Falls man does monitoring for Acme Disposal which operates a licensed site in the Town of Polk, Washington County.

The A-1 Disposal Service would give complete house to house pick-up along with "normal amounts" from commercial firms for \$1,280 per month. Industries would be billed directly by the disposal service.

If the village decides to haul its own refuse it will probably haul to the one in the Town of Polk because the one the village uses now for its non-burnables is not licensed. Obtaining a licensed site and needed equipment of its own would come to a prohibitive figure.

Another alternative offered is for village crews to collect refuse and place it in a compacting station for pick-up by a commercial hauler.

Board members, along with facilities Supt. Peter Albers looked at three types of incinerators and have been told the cost of installing a new one would be not less than \$75,000. The DNR has indicated that it does not believe federal funds would be available for incinerators of any type so it would be a cost burden of the village.

Building permits were approved for a new facility for the Board of Kewaskum; for three one-family dwellings for Jos. Schneider of

Labor Council Parade, Picnic Here on Sept. 3

The Washington County Central Labor Council's annual Labor Day event scheduled this year for Kewaskum on Sunday, Sept. 3, is nearing completion. According to the parade chairman the event this year promises to be "bigger than ever before."

The parade is scheduled to start promptly at 12:30 p. m., after which there will be a prominent speaker and plenty of country and western music and refreshments at the village park.

Anyone or organization wishing to enter a float in the parade is requested to contact any of the parade committee as soon as possible: Kewaskum, Robert Wietor or Robert Schultz; West Bend, Sylvester Stern; Slinger and Hartford, Jacob Weinert.

Further announcements pertaining to the Labor Day parade at Kewaskum will appear at a later date.

Town Wayne Home Looted by Thieves In \$500 Robbery

According to the county sheriff's department, almost \$500 in loot was obtained in a theft at the Herman Bartelt home at 5859 Highway D in the Town of Wayne some time last Wednesday.

Items taken from the residence included an outboard motor, deer rifle, binoculars, a wrist watch and an army camouflage hat.

Chief Deputy Allen Becker said the Bartelt's son, James, found a window open when he returned home and discovered the thefts.

The sheriff's department is investigating. Anyone who may have seen strangers in the area or noticed anything amiss is requested to notify the sheriff's department.

McGOVERN BEATS NIXON IN CRAZY DAZE MOCK ELECTION

The League of Women Voters of Washington County wishes to thank the people who came to Krazy Daze and voted in the "mock election." Votes cast for George McGovern totalled 584 and those for Richard Nixon were 506.

The money is used to inform the people of Washington County of all candidates qualifications for public office. The League has a policy of non-partisanship and in the future hopes to keep the people alert to the needs of the community. Three Young Men Hurt Saturday in Car-Train Crash

Three young men, two of them from Kewaskum, were taken to St. Joseph's Community Hospital, West Bend, by Kewaskum ambulance following a car-train accident at approximately 10 p. m. Saturday. The mishap occurred on Ashford - Auburn Road about three miles north of Kewaskum at the Chicago & North Western Railway track near County Trunk V.

Removed to the hospital were Kenneth K. Kreif, 19, of 1150 Western Ave., Kewaskum, with bruises and lacerations; Jeffery Broecker, 19, R. 1, St. Cloud, lacerations to the back and stomach; and John E. McElhatton, 19, R. 2, Kewaskum, who was the most seriously injured with a cracked pelvis, ruptured spleen and other injuries. He underwent surgery at the hospital Tuesday and is expected to be confined there about two weeks. Kreif and Broecker were released from the hospital.

Kreif said that he came over a hill, down into a hollow and then started up the hill where the tracks are located. He told Fond du Lac county traffic police that he saw the train, applied his brakes but realized that he would be unable to stop in time to avoid the collision. He turned the steering wheel to the right, striking the train on the automobile driver side.

LeRoy W. Heider, 18, of 1254 Park Ave., West Bend, was injured in an auto accident Friday evening on his way to work at the West Bend News. Heider apparently lost control of his car about 2½ miles north of Kewaskum on County Trunk G. The car rolled over in a ditch before coming to a stop. The Kewaskum ambulance took Heider to St. Joseph's Community Hospital, West Bend, with a dislocated hip and a fractured pelvis.

'Stardust' to Be Presented by KHS Summer Theatre

The Kewaskum High School Summer Theatre will be presenting its third annual production on Friday and Saturday, Aug. 4 and 5 in the high school gymnasium at 8:00 p. m.

The play chosen for this summer is "Stardust" by Walter Kerr, a comedy about life in a New England school for dramatics. As in previous summers, the play will be presented "in the round." The cast includes Dana Acker, Maggie Roeder, Robin Bier, Sandy Bauer, Rick Zarling, Tom Henslak, Tim Ryan, Perry Nigh, Beth Faber, Ann Stoffel, Mary Beisbier, JoAnne Garman, Dick Butz, Katie Roeder, Jane Krueger, Jeanne Karl, Debbie Strigenz, and Jane Zehren.

The set is designed by Ron Reigle.

The play is directed by Clyde Brehm. Admission is \$1.25 for adults and \$0.75 for students. KCHS students will be admitted with their activity card.

Dystrophy Carnival To Be Held Saturday

A neighborhood carnival against dystrophy will be held on July 29 at Johnson's Trailer Court, Lot 16. Susan Schoedel, daughter of Mrs. Darlene Schoedel will serve as ringmaster, assisted by Jodi Ronn.

The carnival, which begins at 12:30, will feature such games as pick a prize, sponge game, money pitch and bottle ring and all proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

The children got the idea for staging their event while watching TV personalities Howard and Rosemary Gernette, who are promoting carnivals on their "Dialing for Dollars" children's show seen on station WISN.

Last year, in cooperation with Muscular Dystrophy Associations of America, 22,136 Carnivals were held by children across the country, and over \$506,886 was raised for MDAA's research and patient service programs.

Petri Confers With Butz, Steiger

Atty. Thomas Petri (center), Republican candidate for the State Senate, met this past week with Secretary of Agriculture Earl Butz (right) during his visit to the area and with Congressman William Steiger (left).

Petri, who served as a White House aide during 1969 and 1970, called for the creation of a Wisconsin College of Veterinary Medicine. "All of our surrounding states have vet schools," Petri said, "and we badly need one here in Wisconsin."

Petri said that in 1971 only 23 Wisconsin applicants were accepted in other vet schools though he estimated there were several hundred applicants. Petri pointed out that other states have a quota for out-of-state students and that on-

ly a small percentage of our students return to Wisconsin when they graduate with Doctor of Veterinary Medicine (D.V.M.) degrees from schools in other states.

"If elected to the State Senate," Petri said, "I pledge to introduce legislation and to vote for the creation of a Wisconsin College of Veterinary Medicine."

SCHOOL MEETING

that 80 per cent whose interests are in technical and career areas. Industry, farming, professions and labor unions had representation on his committee.

Dr. Ogi said that in checking the curriculum and building needs

for career and vocational education at the high school, "we found we have plenty of equipment" but that "we were absolutely amazed at the lack of space." He referred to the lack of space as "an intolerable situation."

He said his committee recommends that the career and vo-ed department needs a simple building of between 9,000 and 10,000 square feet. It would house most of the equipment it now has plus some that is needed. Also recommended is establishing a career guidance department for the lower grades to accomplish career guidance from kindergarten through Grade 12.

Faculty member Paul Schoenberger who also served on Ogi's committee observed that "some of our students spend 12 years in school and have no idea of what they want to do when they graduate. Some are not aware of their talents. The purpose of our high school is not clear and we want to correct that situation. We want to make the student aware of his abilities."

He stated "we are not trying to take the place of the vocational school," but noted that the West Bend vocational school is not comprehensive. Auto body, metals and business education are its only study areas.

Following the annual meeting the new board of education reorganized itself and Thomas Gundrum of the Town of Farmington was unanimously elected chairman. He succeeds Richard L. Ed-

wards. Also unanimous were election of James Oelhafen as clerk and re-election of Gerald Zimmel as treasurer.

The board accepted the resignation of art instructor Hugh Greathouse who has accepted a position with the Watertown, (Wis.) school system.

Hon-E-Kor Tuesday Nite Men's League

The low gross award this week was won by Dick Edwards and Earl Conley. Low net award was won by Jim Westphal.

The league leaders, Doc's Wild Ones, had another fine team effort from Bud Rumsey, Tom Larsen, Bill Wuebben, and Jim Westphal, scoring a net one under par 143. Looks like Doc Rumsey will make "manager of the year."

The blind bogey was divided among these golfers: Ike Melius, Don Baierl, Don Theisen, Buck Weaver, Tom Larsen, Earl Potter and Clayton Stautz.

Team standings: Doc's Wild Ones, 10-1; Sentry Foods, 8½-2½; T-Bones, 8-3; Zehren's A & W, 7-4; Mike & Evie's, 7-4; Goofballs, 6½-4½; Handi Cappers, 6-5; Divot Diggers, 5-6; Duey's Bar-X, 5-6; Little Club, 5-6; Hon-E-Kor, 5-6; Bill's Slicers, 5-6; Frank's Baloneys, 5-6; Darrom's Dusters, 4½-6½; Par-Nons, 4-7; Schober's, 4-7; Winnies 3-8; Glacier Inn, ½-10½.

Gaffke, Theusch, Marx Named To Scenic All-Conference Team

Scenic Moraine coaches met last week to select their all-conference baseball team and it wasn't easy as there were 15 candidates who had .300 or better batting averages and 7 pitchers with 50-50 records or better.

The conference champ, Pewaukee, had 2 first team and 3 honorable mention picks but it was third place Kewaskum with the most first team selections—three. The Indians placed catcher Jim Gaffke, pitcher Tom Theusch and shortstop Gary Marx (who also did some pitching). Gaffke and Marx are only juniors and will be back next year.

Gaffke is an all-around athlete at Kewaskum. He made the first all-conference team in football on both offense and defense, the all-conference golf squad, and now the baseball team. He was also a starter on the varsity basketball team. Gaffke was 4th in conference batting with a fat .345 average. Jim's father, Ray Gaffke, was also quite a baseball player with the Milwaukee Firemen's team.

Marx wound up batting .326 with 10 runs batted in and was a leading base stealer. His pitching record was 2-2. Theusch had a 4-4 pitching record but some of his losses were by one run and he hurled two one-hitters. He was second to Bill Beno of champion Pewaukee, who had a 6-1 mark, with his only loss coming against Theusch. Tom had an excellent .92 earned run average and was 2nd in strikeouts with 67. He pitched varsity ball for 3 years.

Dan Heim of Mayville led the conference in batting with a .487 average with 19 for 39 and teammate Dave Hartwig was 2nd with .391. Heim also won the scoring title in basketball. Pewaukee dethroned Mayville for the title. Kewaskum was 3rd in team batting with a .233 mark.

At this writing champion Pewaukee was a semi-finalist in the WIAA state baseball tournament being played at West Bend, together with West Bend West, Plymouth and Lincoln-Alma. Pewaukee defeated Homestead in its

meet opener, 7-1.

ALL-CONFERENCE TEAM

Pitchers — Beno, Pewaukee; Theusch, Kewaskum. 1st base—Mike Maryarski, Kettle Moraine. 2nd base—Steve Schoofs, Germantown. 3rd base—Heim, Mayville. Short—Marx, Kewaskum. Outfield —Bill Behnke, Pewaukee; Hartwig, Mayville; Jim Kratz, Slinger. Catcher—Gaffke, Kewaskum. Kewaskum did not place any players on the honorable mention squad.

STANDINGS

Pewaukee 10-3, Kettle Moraine 9-5, Kewaskum 8-6, Mayville 7-6, Hartland Arrowhead 7-7, Slinger 6-8, Germantown 4-10, Grafton 3-11.

JV standings — Hartland 11-3, Pewaukee 9-4, Kewaskum 9-5, Grafton 8-6, Kettle Moraine 6-8, Slinger 5½-8½, Mayville 3-10, Germantown 2½-11½. Kewaskum's 3rd place finish came mainly as the result of a 5 game winning streak late in the season.

Horseshoe League

The Wednesday night Horseshoe League standings are still tight after last week's action. Two teams remain deadlocked in first place. The Bud Weinand-Dick Hartwig team took all three games from the Bob Struebing-Jim Boegel team, a team that had been coming on strong after a poor start. Bud and Bob shot tough against each other, sometimes having 3 ringers out of their four shoes. Dick also shot well in supporting the team.

Remaining tied for first place was the Lloyd Gatzke-George

Martin team who also beat their opponents, Merle Luedtke-Jim Rindt, in all three games. The first match found the league co-leaders winning by only 3 points in a very close match.

In the other match of the night the Fierkes returned to their winning ways after a cold spell, taking 2 of 3 matches from the Bernie Baldwin-Jerry Loomis duo. It looked like the cold shooting Fierkes would be in trouble again as Vern and Mike dropped the first game. Then they rebounded and shot well in winning the last two games to regain third place in the league standings.

Standings	Won	Lost
D. Hartwig B. Weinand	14½	3½
L. Gatzke-G. Martin	14½	3½
V. Fierke-M. Fierke	11	10
J. Boegel-B. Struebing	10	11
B. Baldwin-J. Loomis	9	12

Mr. and Mrs. Philip McLaughlin sold their home on Elm St. to Mr. and Mrs. Wm. Umbs of the Town of Wayne. The McLaughlins and their three children will move to Lake Geneva where he is employed.

A home run in the last of the 7th inning by Don Wierman won the championship for Kewaskum High School in the WIAA baseball tournament held on the local field. The finalists, North Fondy and Kewaskum, battled to a 0-0 tie until the final inning when Wierman's smash broke up a pitching duel between Johnny Tessar and Chapman. With Bobby Dreher pitching Kewaskum had reached the finals by walloping Campbellsport, 19-3, in the opening forenoon game. Kewaskum also won the Tri-County title with a 7-1 record. The tournament championship gave Kewaskum a clean sweep in the conference this year as they won the football, basketball and baseball titles.

New officers were elected by the Holy Name Society of Holy Trinity Church. Fred Miller was elected president to succeed Frank Felix; Louis Bath, Jr. was named secretary to succeed Leo Rohlinger; Wm. Martin was elected treasurer to succeed John Stellpflug.

Don Cramer, who had been serving as chef at the Kewaskum Chief Hotel, and his wife and two children left for Madison.

Recent weddings in June and July; Irma Monroe, R. 1, Hancock, and Roger Reindl, Kewaskum; Adeline Volm, R. 3, Kewaskum, and Richard Weis, Allenton; Barbara Tebo, Milwaukee, and Roger Bilgo, Kewaskum; Edith Miller, West Bend, and Donald Koerble, Kewaskum; Lucille Schoofs, R. 2, Kewaskum, and Nathan Nigh, Plymouth; Danica Shubat, Mason, Wis. and Peter Schmitt, R. 3, Kewaskum; Jeanette Harns, Town of Cedarburg, and Eugene M. Gnacinski, R. 2, Kewaskum; Eunice Manthei, Kewaskum, and Emil Yeadeke, West Bend; Colleen Crogan, West Bend, and Ralph Krautkramer, R. 3, Kewaskum.

Arthur Koch, Louis Guth and Dr. N. E. Hausmann, members of the local school board, motored to Pewaukee and Menomonee Falls where they inspected the high school buildings, in view of getting an idea of the plans of a new high school to be built in this village. The present high school building has been condemned and a new one will have to be erected. The new school and chapel of St. Matthew's Congregation, Campbellsport, was dedicated. Rev. Philip Vogt of this village assisted as deacon at the Solemn High Mass. The chapel has a capacity of 200 people.

A meeting of the Girls' Club was held Thursday evening. The program included roll call, a vocal solo by Viola Casper, a current event topic by Isabella Miller and a piano solo by Grace Krahn. Miss Camilla Driessel left for Milwaukee where she is taking up a course in nursing at Trinity Hospital.

Mr. Yelle of Fond du Lac has been engaged by the Kewaskum Aluminum Co. as salesman to demonstrate the efficiency of their brand of excellent aluminum ware along the western coast. H. J. Koch of Campbellsport

was appointed acting postmaster of the New Cassel post office to fill the vacancy caused by the death of William Pool.

A resolution passed by the county school superintendents of the state at their annual convention at Madison will do away with all jazz music in all Wisconsin rural schools. It was agreed that all phonographs will be watched closely for fear that uncensored syncopation might be broadcasted among the students.

Theusch Notches
Second Lakes Win

Young Tom Theusch, who received Scenic Moraine All-Conference honors playing with the high school team this summer, made his second start for the Land o' Lakes team here Sunday and notched his second straight win as Kewaskum shaded Thiensville-Mequon, 4-3. Theusch shut out Barton, 4-0, the week before. These two victories were the team's first since the season's opener.

In other weekend games, Saukville remained in first place by edging out West Bend, 6-5, in 12 innings. Grafton kept pace by trouncing Port Washington, 11-12, and Barton nipped Cedarburg, 3-2.

Lakes standings: Saukville 8-2, Grafton 7-2, West Bend 4-5, Thiensville - Mequon 4-5, Cedar-

burg 4-5, Port 4-5, Barton 3-6, Kewaskum 3-8.

This Sunday Kewaskum travels to Cedarburg.

We would like to take this opportunity to thank our many lovely friends who gave so willingly donations to help to feed the strays and unwanted dogs and cats at Puppyland. May our good Lord bless every one of these wonderful people who help for a wonderful cause. So far for the last 20 years Puppyland was run by boarding dogs and sales of animals and by donations by our lovely friends. Not one cent from our county, which promised they would help. But promises don't get you anywhere. We feel that some of the dog tax money should go to feed the strays. We are all taxpayers.

Shelly Omodt gave a talk on "Drugs and Their Users." Kevin Wulff talked about "Judging Horses and Ponies." Luann Stoffel talked about "Butter and Its History." Renee Enlich gave a talk on the foods and nutrition classes. Joanne Garman and Shirley Schmidt gave a demonstration on identifying different kinds of birds.

There was a foods meeting at Mrs. Terlinden's home on July 5. There was a conservation meeting June 29 at 7:00 at Mrs. Miske's home.

The next meeting will be our annual picnic. We chose to go to Ridge Run Park on Aug. 8. The committee for the picnic is Shirley Schmidt, Joanne Garman and Donna Rasmussen. The members will be contacted when a time is decided.

The committee for our club's booth at the fair was also chosen. They are Joanne Garman, Donna Rasmussen, Kathi Peter and Shirley Schmidt. The meeting was adjourned and refreshments were served.

Becky Brehm, 1216 Meadow La., Kewaskum, was among 1,370 students from 11 states and Washington, D.C. who participated in the University of Wisconsin Summer Music Clinic for high school students held on the university's Madison campus this summer.

A total of 59 teachers from 13 states do the teaching in the clinic.

Sessions of the clinic are organized to give students experience in large and small music organizations with specialized training on individual instruments and voice along with classes in music.

The enrolled students, recommended by their music directors and school authorities, study fundamentals of music, music appreciation, and conducting.

Students in the clinic come from communities in Wisconsin, Alabama, California, Illinois, Indiana, Michigan, Massachusetts, Iowa, Oklahoma, Texas, and Ohio. Prof. Richard Wolf of the University Extension music department directs the summer clinic.

Newly Styled Cookware Featured by Regal

A newly designed set of contemporary styled cookware was featured by Regal Ware, Inc., Kewaskum, at the National Housewares Manufacturers Association Show, held July 10-14 in Chicago.

Newly contoured pans and covers blend with crown design bakelite handles and knobs to top the styling features of Regal's Color Crafted Princess set. With its futuristic design, the Princess set is available in seven and nine piece sets in a choice of polished aluminum and three new hues of Avocado, Flame and Harvest Gold.

The seven piece set consists of one and two quart covered sauce pans, a ten inch open fry pan and a five quart Dutch Oven. A three quart covered sauce pan is included in the nine piece set. Cover for the Dutch Oven also fits the ten inch fry pan, enabling it to double as a chicken fryer.

In addition to its new, tapered shape, the Princess set also is designed with safety and practicality in mind. Handles are equipped with polished aluminum flame guards. Crown shaped bakelite handles and knobs are contoured to fit the hand, giving the user an assuring grip.

The Color-Crafted surface withstands heavy duty use while maintaining its bright finish through years of cooking and washing. Super Hard Teflon II lining the interior of each Princess piece of

cookware, offering convenience with its no-stick, no scour cleaning benefits.

Manufacturer's suggested retail price for the sets range from \$17.95 to \$24.95.

Regal Ware booth numbers at the National Housewares Manufacturers Association Show were 4109-4115.

The nation's leading independently owned and operated manufacturer of cookware, Regal Ware, Inc., produces a full line of stainless steel, aluminum, copper bottom and Teflon cookware. In addition, the company produces a complete line of electric appliances, including coffee urns, coffee makers, fry pans, griddles, corn poppers, can openers, and fondues. Expanding its line of electronics, Regal Ware introduced blender and hand mixer appliances at the July NHMA Show

Minutes of School Board Meeting

Kewaskum Community Schools, Jt. School District No. 2
Kewaskum, Wisconsin 53040

The regular semi-monthly meeting of the School Board of Kewaskum Community Schools, Jt. School District No. 2, was called to order at 8 p. m. on Tuesday, May 30, 1972, in the board room at the high school with all members in attendance. Other persons in attendance were: Mrs. Judy Harlow, Mrs. Ruth Held, Mrs. Sally Breaker, Mr. Richard Zarling, Mr. Kenneth Erickson, Mrs. Janet Hubbell, Dr. C. Ogi, James Oelhafen, Paul Berg and a representative of the League of Women Voters.

John A. Jadro moved and Allen Tessar seconded to approve the minutes of the May 15, 1972 meeting as printed. Motion carried.

Gerald Zimmel moved and Tom Gundrum seconded to approve the ordering of 1972-73 school year general supplies, including such items as texts, workbooks, etc.

Mr. Brenholt asked for the board members' suggestions on an approach to distribute the petition for tax reforms to decrease the local property tax burdens backed by the Wisconsin Association of School District Administrators. The board members agreed to have the local newspapers publicize and to having local business and industry contacted, as well as local clubs, to circulate the petitions.

Mr. Brenholt mentioned that the state self-evaluation forms, sent to all schools, relative to program deficiencies and necessary action to correct the deficiencies are being revised by the state and will be taken up at a future meeting.

Allen Tessar moved and John Jadro seconded to approve general fund invoices, building fund invoices, payroll and debt service totaling \$73,586.50. Motion carried.

The Board accepted the resignations of Helen Spaeth and John Breaker effective the close of the 1971-72 school year upon a motion by Richard Theusch and second by Tom Gundrum. Motion carried.

Discussion was held on providing health insurance coverage for the months of July and August for teachers leaving our system under the school's group policy.

Allen Tessar moved and Tom Gundrum seconded to approve the coverage for Helen Spaeth thru August, as she requested, under the group plan; however the premium is to be paid for by Mrs. Spaeth. Motion carried.

The board asked that schools of the area be polled as to their procedures on providing insurance for July and August for personnel leaving their systems, so that a decision can be made at a future meeting setting board policy on this.

The board had no objection to the request of Tom Larsen to transfer from the position of high school special education teacher to the Grade 5 Farmington position, as well as the transfer of Mr. James Borusky to become the high school special education instructor for the 1972-73 school year.

Mr. Brenholt reported the bids

received from Laubenstein on John Deere lawn mowers and from Myron Perschbacher on Simplicity lawn mowers. Discussion was held and the board asked that new bids be obtained on lawn mowers of the same horsepower listed with a trade, as well as without a trade, from Laubenstein and Perschbacher, and that Kohn Bros. and Lee Honeck be asked to bid also.

Mr. Zarling explained the budget request of 1972-73 for teacher aides, both adult and student, for a more effective individualized instruction program. Because of the high ratio of students to teachers, the administration proposed having some of the present adult aides at a 3 1/2 hour week rather than the 1971-72 thirty hour week, the addition of an aide for the media center at the Kewaskum Elementary School, and the addition of approximately 13 student aides, instead of the recommendation to add four additional teachers to the elementary staff. The board asked for a teacher aide job description and a request was made for studies on the pupil-teacher ratio set up by the state of 25-1. The board tabled the aide proposal for 1972-73 for a future meeting.

Gerald Secor moved to approve the setting up of media centers at Farmington and the Kewaskum Elementary Schools and expansion of the high school library so that it provides A-V equipment and materials as well as books and magazines as proposed for the 1972-73 budget proposal. Gerald Zimmel seconded. Motion carried on a vote of 6 "yes" and one pass by Richard Theusch.

Discussion was held on the 1972-73 budget proposal concerning the high school language lab. Gerald Zimmel moved to approve the remodeling of the language lab at the high school proposing the creation of a third room out of the existing 2 language rooms, 1 lab and 1 regular classroom, by the addition of a wall in order to form 2 classrooms with a lab or media center between at an estimated cost of \$1500.00. John Jad-

ro seconded. Motion carried. Allen Tessar moved and Gerald Zimmel seconded to approve moving present carrels and language lab equipment from the language department to the high school library, as well as purchase of additional equipment such as small cassette tape recorders and players for a cost of approximately \$500.00. Motion carried.

The 1972-73 budget proposal on remodeling at Beechwood Elementary School to open some areas between rooms and to carpet the area at an estimated cost of \$5,000 was approved on a vote of six "yes" and one "no". The "no" vote was cast by Richard Theusch.

After discussion on the proposal to move the carpeting in the Wayne gym to other classroom area within the building at an estimated cost of \$460.00, Tom Gundrum moved to approve the moving of the carpeting provided more bids are obtained. After further discussion, Tom withdrew his motion. The board asked that information on footage on carpeting needed at Beechwood be available at the next meeting, as possibly the Wayne carpeting could be moved to Beechwood.

John Jadro moved to proceed with the proposal to remodel at the Kewaskum Elementary School which includes the installation of a sink cabinet in the proposed kindergarten rooms at a cost of \$150 and remodeling for a doorway between two rooms to provide the media center, as well as carpet the media center, first grade rooms and kindergarten rooms at an estimated cost of \$3,240 for about 540 sq. yds. installed. Gerald Zimmel seconded.

Motion carried. Mrs. Janet Hubbell reported that the long-range planning committee questionnaires were at Regal Ware for the computer and that the members of their committee were visiting the district schools for observation of needs at each location.

Richard Edwards reported that the AFS student for next year will be from Peru.

The board discussed the possibility of an extra meeting for budget discussion but decided to hold the regular June 12th meeting and then if necessary schedule an extra meeting.

Allen Tessar recommended that other items of budget be held for the next meeting.

Tom Gundrum reported on the Washington County Purchasing Banquet he and Mr. Brenholt attended.

Tom Gundrum moved to adjourn to executive session. John Jadro seconded. Motion carried.
