## Village Board Approves Variances For 16-Unit Apartment Building

By Ruth Held  
of the Kewaskum Statesman

Members of the Village Board have unanimously approved a request from Richard L. Edwards for variances in the village building code so that a 16-unit apartment complex can be built at the corner of First and Railroad Streets.

Their action came Monday night in an adjourned board session which followed a public hearing on the matter. The variances concern setback, side yard and area per housekeeping unit requirements, which were approved by the village plan commission Aug. 22.

Edwards' plans call for cutting down the Remmel Mfg. building and erecting the apartment building to include eight two-bedroom and eight one-bedroom units.

Earlier this year Edwards had state approval for a 20-unit apartment complex on the same site but the village board denied his application on the recommendation of the plan commission. It went on record, however, that it might consider a 16-unit building.

Edwards said that he will now authorize the contractor to draw up plans for the reduced building and submit them for state approval. The village cannot issue a building permit until his plans have state approval.

During the public hearing conducted by Village President Cyril Wietor, Edwards was asked to outline his plans for a drawing. Those persons in favor and those opposed were then allowed to give their views.

Edwards said his re-vamped plans changed the type and size of the structure. The building will have a new foundation on the

## Electors Voice Complaints on Busing to Board

By Ruth Held  
of the Kewaskum Statesman

Some 30 electors turned out for the Monday night meeting of the Board of Education, most of them with complaints on busing. One group of parents complained their children had to walk from their homes to meet the bus. The others were parents of children who are bused to private schools outside the district who said the shuttle busing started this year results in too long a day for the children.

Board members Dr. Charles Ogi and James Oelhafen were appointed to study the problems and make a recommendation at the Sept. 11 board meeting. The shuttle bus will be run until Tuesday followed by a switch-over to a complete run. "Let's give them both an honest run through exact comparison," suggested Supt. Floyd Brenholt.

It was decided to have a representative of Butler Buildings come to the Sept. 11 meeting to outline the type of building, with costs, it could put up at Wayne. Board member Richard Theusch had suggested this earlier to see if the Wayne addition might be built for less than the \$200,000 cost figure given by the Schutte-Mochon architectural firm.

Items approved were: hiring of Steven Mann as a social worker; purchase of a used milling machine for \$655; and acceptance of a bid from Scott Construction for \$2,825 for blacktopping a driveway and walks on the high school site.

### 25th Reunion Held by KHS Class of 1947

Members of the 1947 graduating class of Kewaskum High School held a 25th reunion at Heidel's at Jackson, Saturday night, Aug. 19. A cocktail hour was held at 6:30 followed by a delicious family style dinner, program and hours of reminiscing.

Fifteen of the twenty-one members attended. One member, Donald Wierman, is deceased.

Guests of honor were Mr. and Mrs. Ernest Mitchell.

Wedding pictures and other pictures of class members were displayed for everyone's viewing. The program brought back memories of the old school days. Everyone followed through fun exams in Math, Chorus, History and Art.

Prizes were given to Norbert Klumb for solving the Math problem first, and Mercedes Hetebrueg for the History exam. Prize for the best sculpture in Art went to August Bilgo. Girls who were in the high school chorus sang the class song. The lady with the lowest neckline, Bernice Scannell, was presented with a neck scarf. The man with the longest hair, Alan Stoffel, was presented with a scissor, and the couple who arrived in the oldest car, Mr. and Mrs. Lester Schaub, received a can of oil.

The door prize, which was a beautiful 19 x 24 inch solid oak door, with printing in gold, was won by Robert Hetebrueg. A surprise gift of a bottle of Cold Duck was won to Annatta Keller. An original athletic planter was presented to Mr. and Mrs. Ernest Mitchell. It was a pair of old athletic shoes made into a planter and filled with flowers. According to parade chairman, Robert Wietor, the parade is expected to be the best and largest to be seen throughout the county this year. In addition to industries in the county and local unions affiliated with the council, numerous other units have expressed a desire to enter this year's parade. Among the various entries some of the bands and marching units are: Kewaskum High School Band, Windjammers of Port Washington, Sheboygan Youth Band of Sheboygan, Cardinal Cadets Youth Band of Butler, El Toros of Appleton, Allegro Aries of West Allis, West Bend Patriots, Georgie Girls, Robinetts and Holiday Corps of Menomonee Falls. All units are to begin to assemble no later than 11:45 a. m. at the high school parking lot with the parade to begin promptly at 12:30 following the regular parade route.

Following the parade the event will continue at the village park with musical selections and standstills by the various marching units. This will be followed by the introduction of various guests and speakers by AIW Region 9 Director, Robert Schaefer.

west and north and will be set back farther from the street. He said there will be 1½ parking stalls for each two bedroom unit and one for each one bedroom unit. If one are needed along adjoining properties, they will be installed he said.

Garbage cans will sit in two separate parking stalls behind a six-foot fence. The area will be properly sloped for proper water drainage. Roof water will be drained toward Railroad St., Edwards said.

Speaking for the proposed building, L. N. Peterson said he feels the building is "well located." Teachers have had problems finding places to live and the apartments are of a size that will be easily rented. Referring to the present building as an eyesore, Peterson added that the new building "will dress up and beautify the corner—I like it."

A spectator asked what the village receives taxwise on the present building and what can be expected on the new one. He was told the present property brings

in about \$640 yearly and about \$8,000 or more is anticipated.

Robert Zarling also spoke in favor saying that the apartment dweller who will live in the building, in many cases, will be the type who will walk to local business places to shop rather than drive out of town for their needs.

Opposition came from Daniel Schmidt who presented what he called "a letter of recommendation" signed by 7 out of 11 persons who live in the immediate area. He said they felt "complete dissatisfaction" over the proposed building, that is too large for the area. They also cited "traffic congestion" due to its location which could be a great variance. Would the village grant variances to outsiders who might make such requests in the future, Schmidt wanted to know.

He said he talked to many townspeople who said they hoped the variances would be denied and to business people who said they didn't want to get involved. He urged the board "to get involved and cast your vote according to your true beliefs." Edwards said he also talked to persons living within 100 feet of the proposed

building and that he has their signatures indicating they are not opposed.

**Kathleen Kroncke,  
Gregory Allord Wed**

Kathleen Kroncke, daughter of Mr. and Mrs. Robert Kroncke, 1407 Fond du Lac ave., Kewaskum, and Gregory Allord, son of Mr. and Mrs. Lawrence Allord of Middleton, Wis., were united in marriage during a 7 o'clock ceremony on Friday, Aug. 18, at Peace United Church of Christ, Kewaskum. The bride chose a candlelight chiffon gown styled with Empire waist, pearl trim and train. A three-quarter length soft illusion veil fell from a headpiece of pearl trim to match the dress. She carried white roses.

The bride was attended by her sister, Mary Sundstrom, as ma-

tron of honor, while Stephanie Kennedy and Julie Allord acted as bridesmaids. They wore identically styled gowns in pale orange, yellow, green and white daisy print. They carried baskets of daisies to match their gowns.

Paul Kennedy served as best man for the bridegroom, while Robert N. Kroncke and Dean Radtke acted as groomsmen.

Decorations at the church were predominantly white with baskets of daisies in pale orange, yellow and white.

A reception at the new Holiday Inn, West Bend, followed the ceremony.

The newlyweds will reside in Madison where both are students at the University of Wisconsin.

### Junior Woman's Club Part of National Program for Environmental Quality

#### PLAN SMOKEY BEAR CONTEST AND 'WOODSY OWL' PROGRAM

Concern for the environmental quality of our community is the basis for an all-out effort of District No. 6 of the Wisconsin Federation of Women's Clubs.

Mrs. Ethan Etta of R. 3, West Bend, Sixth District Conservation Chairman and Sixth District Conservation Education Chairman and member of the Kewaskum Jr. Woman's Club, today announced that she anticipated all clubs in her area would involve residents of their communities and especially the youth in programs of beautification, education, legislative action, or structural development. Such projects are part of a national effort by the General Federation of Women's Clubs to improve and enhance the environment. Clubs across the country are engaging in environmental conservation efforts.

In accordance with the Wisconsin Federation's theme for this biennium, we want to LET THE PEOPLE KNOW what they can do and how they can improve our environmental quality, Mrs. Etta said. According to her, the program provides a challenge and opportunity for our women's clubs to show respect and responsibility toward our natural resources through group action that will lead to cleaner air and water, and wiser use of the land in their communities. She expressed hope that such projects would be fully supported by each community's leaders.

This is the second year that the Shell Oil Company is co-sponsoring this program. Clubs judged to have conducted the most effective projects will receive state and national awards from Shell totaling

\$55,000 a year. All awards money must be used to further the club's environmental projects.

The Kewaskum Junior Women will hold their annual poster contest in the grade schools in the Kewaskum School District promoting Smokey the Bear. They also hope to have Smokey visit each school.

They will also begin a new program promoting "Woodsy Owl" who's slogan is "Give a Hoot — Don't Pollute." They also have many other plans for the coming year involving the youth of the community.

**IN MEMORIAM**

In loving memory of Anna Backhaus, who passed away, one year ago, August 31, 1972:

**LOVING MEMORIES**

Your gentle face and patient smile  
With sadness we recall  
You had a kindly word for each  
And died beloved by all.

The voice is mute and stilled the heart

That loved us well and true,  
Ah, bitter was the trial to part  
From one so good as you.

You are not forgotten loved one  
Nor will you ever be,  
As long as life and memory last  
We will remember thee.

We miss you now, our hearts are sore,  
As time goes by we miss you more,

Your loving smile, your gentle face,  
No one can fill your vacant place.

Sadly missed by her husband and children, Otto A. Backhaus, and family.

**THANK YOU**

My sincere thanks and appreciation to all my thoughtful relatives and friends who remembered me with cards, gifts, visits, phone calls and flowers while I was a patient at the hospital and convalescing at home. Special thanks to Father Ziegler, Father Bonesho, Father Budde and Msgr. Hausmann.

Mrs. Leonard Theusch

If you are going to teach a child the value of a dollar, you have to do it awfully fast these days.

**"GOOD NEWS"**

Last week our theme was on the Love which comes from God. I believe this small poem portrays a beautiful understanding of this kind of love.

Where there is no love, put love.

Love wasn't put in the heart to stay,  
for love isn't love til you give it away.

Give love away but get some in return

The greatest gift God gave us was love!

(so) Smile, God Loves Ya.

May "The Lord direct your hearts into the love of God, and into the patient waiting for Christ." II Thessalonians 3:5 (KJV).

"And so faith, hope, love abide; (faith, conviction and belief respecting man's relation to God and divine things; hope, joyful and confident expectation of eternal salvation; love, true affection for God and man, growing out of God's love for and in us), these three, but the greatest of these is love." 1 Cor. 13:13 (Amplified Bible).

**Schowalter, Reigle Associate Directors With County Council on Alcoholism**

Rev. Dan Schowalter and Ronald Reigle of Kewaskum have joined the Washington County Council on Alcoholism, Inc. to increase public understanding of the chemical dependency on alcohol, specifically its nature and treatment. There are over 2,000 alcoholics and problem drinkers in Washington County. Every alcoholic affects three other people; his family, an employer and often the law. Alcoholism is a treatable illness and early treatment can result in an additional \$6,500,000 to county business and industry. The main concern of the W.C.C.A., Inc. is to provide information, education and a referral center for early identification of persons suffering from alcoholism.

The Washington County Council on Alcoholism, Inc. has received tax exempt status, is a member of the Wisconsin Association on Alcoholism and Other Drug Abuse, Inc., is involved in the Driver Improvement Program with the Guidance Center, has applied for membership in the National Council on Alcoholism, Inc. and has held an Industrial Seminar. Father Ziegler, Dr. Bush and Dr. Albrecht, three members of the Board of Directors went to Waukesha Memorial Hospital to study the possibility of an alcoholism unit in the West Bend Hospital.

The playlet "Lady on the Rocks" and a panel discussion will be held Oct. 4, 1972 at the University of Wisconsin-Washington County Campus to kick off an individual membership drive. The W.C.C.A., Inc. will try to raise \$1,400.00 to open a part time information and referral center in September. An additional \$7,800 will be raised by Dec. 1, 1972. It may be matched by an additional \$22,000 in state funds through the Hughes Bill. The W.C.C.A., Inc. then would have an office staffed with a full-time executive direc-

tor and secretary which would provide information and services to the family, the alcoholic, industry and schools and to coordinate all private and public facilities for the treatment of the illness of alcoholism. If you would like additional information, please write: Washington County Council on Alcoholism, Inc., P. O. Box 274, West Bend, Wisconsin 53095.

The Indians lost the championship in the final game here with Mayville, 14-0, mainly as the result of 6 fumbles. Germantown wound up in a tie with Kewaskum for second, followed by Pewaukee 3½-3½, Hartland Arrowhead 3-4, Kettle Moraine 3-4, Slinger 2-5 and Grafton 1-6.

In a special football section published with the Milwaukee Sentinel recently, forecasting the 1972 outlook for the Green Bay Packers, University of Wisconsin, UW-Milwaukee and Milwaukee area high school teams, including the Scenic Moraine, Kewaskum was the choice of conference coaches to wrest the football title from Mayville this year.

The Indians were picked to win it but the defending champion Cardinals and Pewaukee are not being counted out of the picture. There's also an opinion that Germantown could muscle its way into the title race.

Coach Joe Harlow of Kewaskum has 10 veterans returning, including four offensive backfield men. The keynoter should be Jim

Gaffke, a 5-10, 170 pound tailback, who led the conference in rushing. Dale Luedtke will be back at quarterback with Gary Marx and Jeff Koth being counted on to bolster the running game. Harlow insists, however, a great deal of work must be done in the line, both on offense and defense. Missed most of all will be big 6 ft. 2 in., 235 pound tackle Kim Rodenkirch, team captain, a unanimous all-conference choice, now a member of the University of Wisconsin freshman team where he received a football tender.

"Gaffke, who was all-conference both ways, could just be the best football player in our league," Harlow added.

Mayville should again be tough if they can find some help at a couple of spots (quarterback and the offensive line). The Cardinals have 8 regulars back. Germantown lost 9 members of its starting offensive unit and 7 from the defense but should have more speed and be more hostile. Pewaukee has 10 veterans back and figures on a good running game as well as a solid defense. Slinger has experienced players in both the line and backfield but quarterback and offensive end loom as trouble spots. A backfield with depth and a fair line returning intact should enable Grafton to improve upon its 1-6 record. Kettle Moraine's success will depend upon developing a quarterback and the interior line. Defensively

they will be stronger.

Conference play opens Sept. 15. Kewaskum's complete schedule follows:

Sept. 1—Kewaskum at Campbellsport (non-conference).

Sept. 8—Random Lake at Kewaskum (non-conference).

Sept. 15—Grafton at Kewaskum.
