NUMBER 1

Night Parking Ordinance Goes Into Effect Nov. 1

On Nov. 1, the night parking ordinance will go into effect. In some respects the ordinance has been changed from the one we used last year. This ordinance will be in effect until April 1, 1973. The times for the ordinance to be in effect have been changed to midnight to 7:00 a. m. For example when you go to bed on the 1st of November, you should park on the even side of the street because the time the ordinance begins is midnight, midnight being the start of the 2nd.

The police department will issue warning tickets, which are a courtesy informing you of your mistake in parking for a reasonable amount of time. There is no fine involved with these warnings but their advice should be heeded.

Should any questions arise, call 626-2323 before 10 p. m. and the police dept. will try to answer them.

ALL-NIGHT PARKING REGULATED. When signs have been erected at or reasonably near the corporate limits of the village as provided in s. 349.13, Wis. Stats., no person excepting physicians on emergency calls, shall park a private vehicle on a public street or highway in the Village of Kewaskum for a period longer than 20 minutes, from Nov. 1 to Apr. 1 between the hours of 12:00 o'clock midnight, and 7:00 o'clock a. m., unless such person parks the vehicle in accordance with the following subsection:

- On the even numbered side of the street or highway on those dates which bear an even calendar date at 12:01 a. m.
- On the odd numbered side of the street or highway on those dates which bear an odd calendar date at 12:01 a. m.

Suggestions Given For Safe Trick or Treat Night Oct. 30

Trick or Treat will be held in the Village of Kewaskum on Monday, Oct. 30, from 6:00 to 8:00 p. m. All children must be off the porches by 8:00 p. m. Parents are urged to assist in making this yearly event as safe as possible by following the suggestions listed below:

- Children should have some type of light-colored outer clothing or carry a flashlight to enable motorists to see them better.
- Parents should make sure of the child's ability to see where they are going. Check masks, etc.
- Parents should NOT follow their children in autos. Some youngsters may dart into the paths of autos because of the excitement they experience.
- Anyone who receives any "questionable" treat should contact the Police Dept. at 626-2323 so they can investigate and prevent anyone from being hurt.
- The Police Dept. will have Auxiliary Policemen at the intersections on Fond du Lac and Main streets. Urge your children to cross at these places. Also report any problems to these men. Your total co-operation can

KHS to Present 'The King and I'

Excitement and tension is mounting as production night approaches for Kewaskum High School's presentation of Rodgers and Hammerstein's "The King and I." The show will be presented Friday and Saturday, Nov. 10 and 11, at 8 p. m. at the high school.

Dana Acker will be portraying the king and Maggie Roeder will star as Anna. Some major roles are being double cast—Debbie Schowalter and Glennis Beduhn as Lady Thiang, Robin Bier and Beth Faber as Tuptin, and Mike Schall and Rick Zarling as Lun Tha. Other parts being portrayed are Orin Acker as Prince Chululongkorn, Kurt Zarling as Louis, Tom Henslak as Kralahome, Rick Edwards as Sir Edward, Jim Butts as Captain Orton, Dick Butz as Phra Alack and Deb Strigenz as the First Princess.

Some of the members of the cast, shown in the photo, are left to right: Rick Zarling, Beth Faber, Robin Bier, Debbie Schowalter, Mike Schall, Glennis Beduhn and Maggie Roeder, and Clyde Brehm, director.

Other members of the cast include the wives Karen Frank, Jeanne Karl, Julaine Bier, Sharon Menger, Sharon Schoofs, Mary McNamara, Kris Meilahn, Pat Schaub, and Sandy Jandre. The dancers are Kathy Klemme, Lisa Van Assche, Mary Schowalter, Jane Butzke, Chris Jadro, Pat Roe, Jeanne La Marche, Kathy Baum-

hardt, Sandy Bauer, Mary Beisbier, and Julie Zarling. Cast as the children are Tracy Buechel, Shelley Stoffel, Katie Behnke, Scott Buechel, John Czoschke, Jim Schowalter, Sue Bade, Diane Balcer, Robin Acker, Lynn Acker, Todd Schulz, and Sue Gruber.

Orchestra members are Jane Butzke, Jill Honeck, Mary Schmidt, Becky Brehm, Deb Strack, Linda Secor, Terry Baumhardt, Jim Baumhardt, Tom Behnke, Jim Dei, Mike Koepke, Doug Strack, Doug Acker, Jack Garman, Glen Asch, Dan Asch, Carol Asch, Mrs. Clyde Brehm and John Rindo.

High points in the show are such scenes as "I Whistle a Happy Tune," "A Puzzlement," "Hello Young Lovers," "Shall We Dance," "We Kiss in the Shadow," and the lovely ballet "The Small House of Uncle Thomas."

Clyde Brehm is the general director as well as the orchestra director. The vocal coach is Mrs. John Rindo. Stage designer and stage manager is Ron Reigle. Deb Strack is in charge of the choreography. Some of the many stage workers include Lynne Perkins, Robin Bier, Deb Strack and Marti Rezel.

Tickets are available from any member of the cast or crew. More than half of the tickets are already sold and it appears that there will be a complete sellout before opening night.

PARENTS NIGHT AT HIGH SCHOOL NOV. 13

Parents night at Kewaskum junior and senior high school will be Monday evening, Nov. 13, from 6:30 to 8:30. Parents of the 7th through 12th graders are invited to pick up their children's report card at this time. They may also use this opportunity to confer with the teachers.

Refreshments will be served.

NOTICE

Please check on your electric light bills as the due date has been moved up one day. They are now due on the 1st, 2nd and 3rd of the month. Previously they were due on the 2nd, 3rd and 4th.

3 College Students Now Doing Intern Teaching at KHS

Kewaskum High School has three college students doing intern or student teaching this semester.

Among them is intern Dean Mathews. Mathews is teaching one junior and two senior agriculture classes.

In December Mathews will be graduating from the University of Wisconsin at Platteville, although he will be remaining in Kewaskum until the end of the first semester in January. He will be receiving a B.S. in Agriculture Education.

Burlington is Mathews' hometown. While in high school he was a member of the FFA. During this time chicken and sheep were his main projects. He also belonged to the Agriculture Education Society in college.

Mathews' future plans are to teach agriculture.

Paul Redig, a student teacher is also working with agriculture students. He is teaching a junior and two sophomore classes.

Serving as little flower girl and boy for the communicants will be Cheryl Bruessel and Dennis Butz.

The best way to remember your wife's birthday is to forget it once.

Lester Strobel New Standard Oil Agent Here

Lester P. Strobel of 331 Clinton St. will be the new Standard Oil agent in Kewaskum. He graduated Oct. 13 from a 10-day orientation course conducted by the company.

A comprehensive course dealing with Standard Oil's business philosophy and quality products as well as basic principles of salesmanship, it was conducted at the Standard Farm and Home Center in Janesville, Wis.

Strobel will succeed Norman Jaeger, who has served as agent for the past 33 years in Kewaskum. Jaeger is retiring Nov. 1.

Strobel will be responsible for the sale and distribution of Standard Oil products for the farm and home in the Kewaskum area.

Strobel, formerly of R. 3, Campbellsport, where he was engaged in farming, has been on the Town Board of Ashford for 18 years, and served one term on the Fond du Lac County Board. He lives with his four children, Mark, 19, Myron, 13, Joanne, 11, and Lori, 9, at 331 Clinton St. in Kewaskum.

24 OPERATIONS, 32 HOSPITAL ADMISSIONS

Start Hospital Fund for Des; Open House at Wigwam Sunday

Today we can see many folks receiving welfare help on a temporary or a permanent basis; some, we must agree, are deserving, some are not.

In our own community we have someone who has had a tremendous need for assistance since 1967, when his group-hospital-medical insurance (through his union plan) was terminated because he had used up that plan's maximum amount.

Des Smith and his wife, Valeria, have scratched and scraped for the past six years for every dollar, and have helped themselves—without any governmental aid except for a monthly disability check. However, there has been no plan available for assistance in paying hospital, doctor, and surgeons' bills. (Several doctors have made no charges in the past few years).

Since February, 1966, Des has had 24 operations (including amputations of both legs above the knees) or surgical procedures,

plus eight other non-surgical hospital stays. A total of 32 hospital admissions over these years has imposed a financial burden almost impossible to bear.

If hundreds of us would give to a **Hospital Fund** for the express intention of paying accumulated bills, we would make Des' burden much easier, at least financially.

Let us give a little of what we are fortunate enough to have, to a great guy, who has accepted life with pride despite great misfortune. Perhaps you can give \$50 or \$100, but if not, \$5 or \$10 will help, too.

Send your check, payable to "Hospital Fund for Des" to Box 1, Kewaskum, Wisconsin, drop an envelope with your donation at the Bank of Kewaskum, or for a personal contribution visit the open house at the Wigwam Hall from 12 noon until 7:00 p. m. on Sunday, October 29, 1972.

Let's help our own!

Thank you,

Intern Teaching

(Continued from page 1)

In December, Redig will grad-
uate from UW-Madison with a B.S.
in Agriculture Education.

Redig was raised on a farm in
the Kewaskum area. During high
school he belonged to 4-H and
FFA, working mainly with dairy
projects. His college activities
included Badger 4-H and two ag-
riculture fraternities, Alpha Zeta
and Theta Kappa.

He also plans to teach agricul-
ture in the future.

Donna Heldt is the student tea-
cher in the home ec. department.
She is attending University of
Wisconsin-Stevens Point where
she will be graduating in May.

Campbellsport is her hometown.
While in high school she had one
year of home ec. Her high school
activities include 9 years of 4-H
and 4 years of FHA.

During her stay here she will
teach three junior high clothing
classes, an advanced clothing
class and marriage and family
living. She will partially teach
Hero home ec and junior high
foods.

Miss Heldt plans to enter a ca-
reer as a teacher or a home eco-
nomist.

Jody Backhaus Weds Harry Krueger

Jody Irene Backhaus, daughter
of Mrs. Jeanne Backhaus and the
late Howard Backhaus of 1550
Riverview Dr., Kewaskum, became
the bride of Harry Stewart Krueger
in a 2:00 o'clock ceremony at
St. Lucas Lutheran Church, Ke-
waskum, on Sept. 23. Harry is the
son of Mr. and Mrs. Harold O.
Krueger, R. 2, Kewaskum. The
Rev. Paul Hoenecke officiated.

The bride, who was given by
her brother, Lyn Backhaus, was
beautifully attired in a gown of
nylon sate-peau with a bodice of
imported Venice lace. Long full
sleeves came to a tight cuff at
the wrist. Her long cathedral
length veil was attached to a flat
lace covered cap. She carried a
bouquet of stephanotis and white
phalaenopsis.

The bride was attended by her
sister, Ann Backhaus, as maid of
honor and bridesmaids, Lois Her-
rigan, Phyllis Schaefer, Debra
Krueger and Laurie Hintz. Their
identical dresses were fashioned
of avocado nylon organza in a Bo-
Peep style. Avocado satin cum-
berbunds and matching picture
hats accented their attire. Each
carried a parasol of avocado net
filled with daisies and mums in

fall shades.

Best man for the occasion was
Ralph Bier, a friend of the cou-
ple. Groomsmen were Terry Reitz,
Mark Schaefer, Richard Schaefer
and Terry Krueger. Ushering du-
ties were shared by Glenn Luedt-
ke and Wm. Dreher, cousins of
the groom.

Two beautiful solos enhanced
the ceremony and were sung by
A. Marschner, Jr.

The reception, buffet dinner
and dance were held at Nonn's Re-
sort.

Mrs. Krueger is employed by
Holiday Inn, West Bend. Her hus-
band is an employee of General
Telephone as a lineman.

The newlyweds are at home at
251 Clinton St., Kewaskum, after
enjoying a honeymoon in western
Wisconsin.

Fall Luncheon**

Autumn decorations of Indian corn, colored leaves, and pump-

kins set the scene for the Fall Luncheon of the Kewaskum Woman's Club, held Oct. 7 at the Peace Church.

Approximately 65 members and guests attended the luncheon, served by Mrs. R. L. Edwards,

chairman, and the committee: Mrs. W. Falk, Mrs. N. Held, Mrs. C. Miller, and Mrs. E. E. Miller.

An added feature was a film depicting wine-making in Napa Valley, Calif., and samples of the products of the Christian Brothers Wineries were served. A representative of the firm, Mike Merkel of Appleton, discussed wines and answered questions from the group.

A sale of harvest items was held in conjunction with the luncheon. Items from apples and jellies to decorations and cookies were offered for sale.

After a brief business meeting, various card games were played. Prizes were won by the following

ladies: Mrs. Linda Schleif, Mrs. Virginia Hawk, Mrs. Roland Heberer, Mrs. Willard Gruhle, Mrs. Eugene Panzer, Mrs. Edgar Ro-maine, Mrs. Robert Schmidt, Mrs. O. E. Behnke, Mrs. Myron Perschbacher, Mrs. Anthony Fellenz, Mrs. Ervin Seifert, Mrs. J. F. Schaefer, and Mrs. Hubert Wittman.

Dear Representative Hephner:

I wish to express my appreciation for the many courtesies which you extended to me in your capacity as Vice Chairman of the Agricultural Committee during the 1971 Session of the Wisconsin Legislature.

Your vigorous fight to set aside the animal waste treatment rules proposed by the DNR and to override the Governor's veto was indeed commendable.

I share your disappointment in the Governor's vetoes of bills which would have required the taxation of recreational lands acquired by the DNR the same as if those lands remained in private hands, and also the veto of a bill which would have required by law that a farmer be appointed to the Board of the Department of Natural Resources.

We very much appreciated your help and interest in our struggle to lessen the property tax burden on farmers through assessments based on use of land as agricultural land and the elimination of the personal property tax.

As a farm spokesman, you have articulated well the problems of the farm community and have achieved a measure of success in doing so.

Sincerely,
William KasaKaitas
Legislative Counsel

Dear Representative Hephner:

The taxpayers of the 6th Assembly District of Wis., have had the assurance of a qualified and experienced representative in legislation the past six years in having Assemblyman Gervase Hephner.

There is an old saying which is still true today, "If Agriculture is in trouble, the nation is in trouble." With Gervase being vice chairman of the Agricultural Committee, his leadership can and has been helpful in promoting justice to agriculture.

The Calumet County National Farmers Organization (N.F.O.) recently commended Assemblyman Hephner on his efforts on the passage of Bill 1545 which requires the legislatures to approve the rules of the Department of Natural Resources (D.N.R.).

Another good reason to vote on Nov. 7 is to protect our grass roots form of representation which is being undermined by consolidations.

It is important that we keep the leadership of Gervase Hephner in the Assembly.

Joe Juckem

Long Range Planning Committee Takes Action on School Survey Goals

Last April, the Long Range Planning Committee appointed by the board began meeting to review present school programs and to prepare a long range educational plan for the district.

One of the first activities of the committee was to conduct a goals survey, contacting all adult residents of the district, plus high school students and faculty members. A total of 1,773 survey forms were returned to the committee.

Statistical results on each question were determined, and comments included on the questionnaires are being reviewed by the committee members. Since the questions have been analyzed for public opinion, the members have been suggesting immediate changes where this was possible and are studying possible long range changes where survey results indicated this was the direction the majority of residents seemed to favor.

Action has already been taken in three areas of concern as expressed by the community. A counselor has been added at the junior high level. Also, parent-teacher conferences will be individually scheduled this year. These conferences will follow the end of the first nine weeks and the end of the third nine weeks. On another question, concern had been expressed over supervision of elementary students during the lunch period. This supervision has been strengthened.

There are other areas where a large majority expressed the same views, and these areas are being studied by the committee to determine what we are presently doing and what they feel needs changing. For example, work-study programs were strongly favored. Information on employment

and training for employment was considered very important, as were drug education programs and driver education programs. Ecology, enjoying school, awareness of civic and moral obligations and libraries were other areas that were very important, according to questionnaire answers. The results of all the questions were listed in the last Newsletter, and may be obtained by calling or writing the superintendent's office.

In addition to further reviewing the questionnaire, the committee members are presently making comparisons of the Kewaskum High School curricular offerings with those of other schools of a comparable size in Wisconsin. Also, they are looking at projected student population growth and will be making recommendations on building needs in the district.

Committee members include Wayne Rimmel, Chairman; Mrs. Janet Hubbell, Secretary; Ralph Eisenmann, Alois Bremser, Lee Kempf, Stanley Woolman, Al Cihra, Gary Gerhartz, teacher representative, and James Gaffke, student representative. Floyd Brenholt, Superintendent, acts as resource person for the committee.

Two Fumbles Give Mayville 15-12 Victory Over Indians

It seems Mayville's hex over Kewaskum still prevails as the Indians had all the best of it in the statistics and deserved to win there Friday night as the two teams battled it out in the rain but two costly fumbles provided the Cardinals with a gift win on a soggy gridiron.

The setback dropped the Indians to a 4-2 mark in the conference (6-2 overall) behind Hartland (6-0) and Germantown (5-1). The win lifted Mayville to a 4-2 conference record for a tie with Kewaskum.

The Indians outgained Mayville in total yards by a wide margin, 279 to 132, in rushing by a one-sided 264 to 107 margin, and in first downs by 11-8 but some costly errors were capitalized on by the Cardinals and turned into scores. Mayville, biggest team in the conference, remarkably did not fumble in the rain.

Quarterback Dale Luedtke provided the Indians with an early score in the 1st quarter. On the 2nd play from scrimmage on a quarterback keeper around left end he raced 69 yards through the Mayville defenders for a touchdown. A low snap from center prevented the extra point.

On their first series Mayville was forced to punt on a 4th down and 17 situation. Then the trouble started. The Kewaskum receiver dropped the kick and the Cardinals recovered on the Indians' 38. After a few runs quarterback Gleisner took it in from the 1. Husslein made good on the extra point and it was 7-6.

Kewaskum bounced back in the 2nd period, putting on an 88-yard drive and Jim Gaffke took it over from the 3. Gaffke had 71 yards on 20 carries in his first start

since injuring his leg 3 weeks ago. The Indians' pass attempt for the extra point was knocked down. This made the halftime score 12-7, Kewaskum.

With the rain coming down heavier in the 3rd quarter, neither team was able to move the ball. But in the 5th stanza, the Indians worked out of a hole to a 1st down on their 23. Then came a controversial fumble on a mixed play and again Mayville recovered only 32 yards from the goal. Halfback Mayer gained 12 yards on a drive and a few plays later Gleisner again scored from the 1-yard line. He then took a pass for the 2 points which made the score 15-12. Kewaskum got 1 last chance in the closing minute but couldn't move the ball.

Luedtke led the Indians with 154 yards on 18 carries. Junior Al Schmidt played another outstanding game on defense.

In other games Friday Hartland edged out Kettle Moraine, 6-0, to clinch a tie for the title and Germantown bested Slinger, 14-7. In a Saturday tilt Pewaukee blanked Grafton, 12-0.

The loss at Mayville ended Kewaskum's championship hopes

but the team can gain a tie for 2nd by defeating Germantown in the final game here tonight (Friday). This will be a real toughie as Germantown lost only their first game to unbeaten Hartland and hasn't lost since.

70 Members Attend Sno-Chiefs Meeting

The October meeting of the Kewaskum Sno-Chiefs took place Sunday evening, Oct. 22, at Wes & Rosie's with 70 members in attendance.

One item of discussion was that new members, with voting privileges being accepted to the club, are limited to a 12 mile radius of the Village of Kewaskum.

President Bob Staehler, together with members of other clubs in the area, met recently with Mr. Adams of the Department of Natural Resources to discuss access routes to state snowmobile trails. The Sno-Chiefs are joining the

Kettle Moraine Association.

Earl Moreznien was elected to the Board of Directors.

An informative meeting for the public is scheduled for November in the multi-purpose room at Kewaskum High School for the purpose of explaining the rules and regulations of the new snowmobile law. Further information will be publicized at a later date.

BACKHAUS JUST MISSES BERTH IN STATE MEET

Kewaskum's cross country ace, junior Randy Backhaus, competing in the Sectional meet at Madison Memorial Saturday, narrowly missed a berth in the State meet

this Saturday. Backhaus placed 7th but in order to get to the state as an individual you must come in the top 5. Randy, Kewaskum's lone entry in the Sectional, will have another shot at it next year.

DEBATING SQUAD 4-4 IN BROOKFIELD CENTRAL MEET

Kewaskum's debating squad scored an over all 4-4 record in a meet at Brookfield Central High School. Two of the rounds were lost by just 1 point.

The team members on the affirmative side were Jane Krueger and Day Ryan while Tom Hensiak and Joanne Garmen debated negative.

Indian Chatter

Junior Varsity cheerleaders, more commonly known as JV's, were picked for the basketball season. They are: Sandy Jandre, captain; Carol Rohlinger, Lynn Kempfe, Joyce Schmid, Gail Muckerhede, Julie Zarling, Vivian Schacht, alternate.

Clubs and organizations have held their monthly meetings of October. The Spanish Club discussed their projects for the year. They are planning a bake sale, a trip to a Mexican restaurant and a Christmas party with the AFS and German Clubs. Spanish Club members will also be attending the Folk Fair Nov. 18.

RHA members will be collecting money for UNICEF at the end of October and holding the candle-light initiation ceremony Nov. 7. The club will also be selling hot dogs every Wednesday night after school. Plans are being made for the sponsoring of a dance in November.

Members of FTA will be going to Whitewater University Oct. 31. They are also planning to sponsor a dance.

The November cultural trip and the possibility of tutoring the students was discussed at the National Honor Society meeting. NHS members will be serving as ushers for Kewaskum's play, "The King and I."

Chess club has started their tournaments. There are 24 players participating in double elimination rounds. The top 3 or 4 players will travel to Chicago on Nov. 11-12. A number of tournaments have been planned with various schools.

FBLA members will be selling Spook Insurance this week. An organizational meeting was held Tuesday night where businesses and homes were assigned to club members. Spook Insurance guarantees buyers that should their windows be soaped on Halloween night they will be cleaned by FBLA members. Initiations for new members will be the second week of November. The club will have several fund raising activities. 1973 calendars will be sold later on in November. Candles will also be sold. A soc hop will be held in Feb. This is a dance relating back to the early 60's. Instead of a band, records will be used.

Future Farmers of America were addressed by Keith York, State Reporter. He discussed the BOAC, (Build Our American Com-

munities) program. A short summary was given about the National Convention. Plans for a November social and summer trip were discussed.

This year the German Club is really going to be busy. The possibility of a trip to Germany was discussed and committees set up. A suggestion was made that the club go to see a German movie. December 20th is the date set for the Christmas party. Both German and Spanish club members are invited. November activities include going to the Folk Fair in Milwaukee. Some fund raising projects were suggested. A few ideas are to sell Indian head patches and a spring car wash.

Wayne Elementary School Adopts IGE

Things are changing at Wayne Elementary School. School is different for all the boys and girls this year. For instance no student can say he is in Miss Jones' class or Mr. Peter's class any more. They are now members of a unit.

A unit is composed of approximately 100 youngsters, three or four teachers, one of whom is called a unit leader, and one or two aides. The 100 youngsters are not all the same age. They cover a three or four year age span. This encourages the youngsters to relate to boys and girls of different ages; they also have a chance to work with all of the teachers in the unit.

Children also learn in different types of groups. For instance, a student may spend part of his day in a small group of 10 - 12 youngsters where he has a great deal of opportunity to discuss, explore, and participate on a give-and-take basis. The small group ensures that he will have the opportunity to talk and to be heard as

well as to listen and respond to all kinds of situations that come up during that segment of the schoolday.

In addition to the small group activities, every child has the opportunity to participate in independent study. During this time, he pursues things that are of interest at the moment. He will complete challenging assignments that have been designed specifically for his or her personal needs. Or the student may pursue the answer to a question that has been designed to permit the student to learn how to learn.

Another learning mode is the one-to-one pattern. This means that one student would be paired with another student, or with an aide or teacher.

Every child experiences each of these learning modes - small group, independent study, one-to-one every day. In addition, children learn in the usual of best known mode - the large group.

Another interesting feature of Individually Guided Education (IGE) is that each child is moving toward specific learning objectives and there are many roads he can take to reach those objectives. He can learn from audiovisual ma-

terials, printed materials, people, games, magazines, or from many other kinds of resources. The student is guided toward the kinds of materials from which he seems to learn best.

After the student has the opportunity to learn something, he is then retested to see if the objective that was being pursued has, in fact, been reached. If it has, the student then goes on to the next objective and repeats the entire cycle again.

No system of improving educa-

tion can be regarded as final. New research and new technology will tend to render any innovation obsolete as time goes on. Therefore, a capacity for self-improvement, for evaluating current practice and departing from it when conditions require, must be built into every program.

We believe that IGE has this capacity. This is what Individually Guided Education is all about.
