NUMBER 16,

Plans for Proposed Additions to Schools, New Middle School Made Known by Board

Additions to the Wayne, Farmington and Kewaskum Elementary Schools, to the high school, and a new building for grades 7 and 8 were the components of the building program recently approved by the Kewaskum Board of Education.

A number of different proposals had been studied by the board, and decisions made have dictated the general direction to be taken. Wayne has been operating under serious handicaps for two years. Two classes are presently being held in the gym. The proposed addition at Wayne would add three or four classrooms, a kindergarten and library, as well as any required toilet and storage areas. This addition would allow the classes to move out of the gym and provide for a reasonable amount of future growth.

The Farmington addition of five or six classrooms would allow the district to abandon the present shuttling system between Farmington and Beechwood. Some of the present classes in Beechwood and Farmington are reaching enrollments too large for good, efficient education. This problem would also be eliminated, and there would be room for growth at both schools.

Eliminating the shuttling between Beechwood and Farmington will be accomplished as the schools move further to individualized, ungraded programs. It is anticipated that these changes will be accomplished by the fall of 1974. At that time, each of the schools will have grades 1-6, with kindergarten programs to be determined by need. This will allow the district to keep younger children closer to their homes, a policy decided by the board, in its consideration of building direction.

The addition to the Kewaskum Elementary will involve an area approximately equal to six classrooms. This will ease problems of classes presently too large and will allow for future growth.

At the high school, a new gymnasium is proposed, along with expanded shop facilities. The area constructed last year will be used for home economics, as proposed, and for general classroom space. A portion of the present gym will be remodeled for music, stage and large group instruction area. The other half of the gym will be retained to serve as a third physical education and practice facility. While there are a number of approaches which might be considered, this is felt to best handle future as well as present needs. Ignoring the gym problem now and building other areas could result in the necessity of a new gym at some future time. It is felt that the most economical long-term plan is a new gym now and the remodeling of a part of the old gym for other purposes. The shop addition will allow expansion of the program for auto mechanics and building trades, as proposed by the committee on vocational education which included a number of non-school residents of the area.

The final, and major, part of the building program is a new middle school for grades 7 and 8. This was decided on following

Woman's Club to Host Senior Girls Tea on Saturday

All is in readiness for the traditional Senior Girls' Tea hosted by the Kewaskum Woman's Club. This year's event will take place tomorrow, Saturday, in the social rooms of Peace United Church of Christ, beginning at 2 o'clock. Invitations have been issued to all of Kewaskum High School's senior girls and their mothers.

Club members look forward to the opportunity to meet the girls and their mothers and an outstanding program is always planned. This year, the program committee has arranged for Miss Betty Butz, a local performer-artist, to present her delightful portrayal of "Wizard of Oz." The daughter of Mr. and Mrs. Vernon Butz is a drama major at the University of Wisconsin - Oshkosh. She currently has the lead role of Miss Jean Brody in the university's production of "The Pride of Miss Jean Brody."

KHS Musician Wins Honors in Audition

Glen Asch, 17, a senior at Kewaskum Community High School, received an honorable mention for his performance with the violin at the Milwaukee Symphony Young Artists Auditions on Saturday, Feb. 3.

Asch was one of 34 young musicians receiving honorable mentions in the competition. A total of 86 musicians participated in the 8½-hour competition.

For receiving honorable mention, Asch will perform in the ranks of the orchestra at the Young Artists Concert March 25 at the Performing Arts Center in Milwaukee.

He is the son of Mr. and Mrs. Albert Asch, R. 3, West Bend.

TAKES PART IN WINTERIM PROGRAM AT LAKELAND

Cheryl Wulff, R. 2, Kewaskum, is participating in Lakeland College's 1973 Winterim program, taking a course in Field Experience in Education.

Started at Lakeland nine years ago, Winterim was the first program of its type in any Wisconsin college or university. Winterim is a program where a student uses January for intensive study and practical application in one subject area.

All of Lakeland's full time teachers and 78% of the college's 520 students are taking part in the 21 course Winterim program. The courses range from studying English drama in London and playing varsity basketball in Spain to student teaching in the Two Rivers, WI. area and working with patients in state institutions throughout Wisconsin.

board votes to keep elementary schools at grades K-6 at present. Too, it was felt that this would allow flexibility in the future in that this could be a 6-7-8 school or 7-8-9 depending on future district needs.

Heart Fund Drive Is Underway Here

A drive for funds to help fight heart and blood vessel diseases has been scheduled for the last two weeks of February in the Village of Kewaskum. Mrs. Walter Bade, village chairman, announced that volunteers are beginning their solicitations of residences and businesses.

February has been designated Heart Month by an Act of Congress. The theme of the 1973 campaign is "Beat the Big One - Heart Attack."

The Wisconsin Heart Fund drive is a project of the Kewaskum Women's Club, and its members will comprise most of the volunteers for the drive. This month these twenty volunteers join an army of more than two million workers throughout the nation, distributing heart-saving leaflets and collecting funds to support Wisconsin Heart Association's research, education, and community service programs.

Watch for and greet "with warm hearts" your Heart Fund Volunteer.

County Hires Two Additional Deputies

Two additional deputies were hired for the Washington County Sheriff's Dept. which will bring the department up to full strength. The most recent men to be added were David St. Louis and Daniel A. Lecher.

David St. Louis is a former policeman for the Village of Kewaskum, 23 years of age and married.

Daniel Lecher is a former employee of C. W. Haug & Sons, is a resident of the City of West Bend, 25 years of age, married and they have one child.

Both men, along with two other deputies - Larry Feehser and Gerald Kreuser - who were hired at the end of last year, will be going to Basic Training School for Sheriffs, for 7 weeks, at the Milwaukee County Sheriff's Academy, starting March 5.

ZARLING NAMED TO YMCA BOARD

The Kettle Moraine YMCA's January board meeting was highlighted with several firsts for the local group.

It was the first meeting as a Board of Directors of the newly independent YMCA after making the separation from the Milwaukee YMCA. Also, the group toasted the Y Activity Center which was being used for the first time for its regular monthly meeting.

As a part of the formal business meeting, five area residents were added to the board. Elected were Wm. Alderson, Mrs. Jack Lathers, Fred Negus, Dr. Walter Handzlik and Robert Zarling.

Robert Zarling is Vice President and General Sales Manager of Regal Ware, Inc.

Girl Scout Cookie Sale Begins Today

The 1973 Girl Scout Cookie Sale will begin today, Feb. 9, and run through Feb. 18. All junior and cadette Girl Scouts in the area will be involved in this sale, which is an annual event.

The girls can begin the door to door campaign after school today. They have five different varieties of cookies to offer, each at \$1.00 per box. The girls take orders for the cookies, then will be delivering them from March 26 through April 8.

The Girl Scout Cookie Sale is the only council-wide sale sponsored by the scouts all year. The profits help the individual troops, as well as the Wau-Bun Council, which includes Kewaskum. Of the

\$1.00 price for a box of cookies, 10c is given to the individual troop and it can be used by them for troop camping, buying badges, or anything for which funds are required.

Forty-seven cents goes to the Wau-Bun Council and their share can be used for anything from new tents to kitchen supplies which may be needed at the council camp, Camp Tiwashara. Last year a new dining hall was constructed at the camp, primarily from funds from the cookie sale. All girls have the opportunity to attend this camp with their troop in June and individual girls may go to the camp for a one or two week stay at different times during the summer months.

Scouting is a worthwhile experience for girls today—please help by supporting the sale. If you would like to purchase cookies and are not contacted, please call: Mrs. Shirley Perkins, cadette leader; Mrs. Charles McClain, Mrs. Joe Harlow or Mrs. Dorothy Petti, junior leaders.

DEPUTIES RECERTIFIED AS BREATHALYZER OPERATORS

The following deputy sheriffs from the Washington County Sheriff's Dept. have been recertified as breathalyzer operators, having successfully completed the recertification course held recently in Oshkosh:

Lt. David Backhaus, Deputy Wesley Bogenschneider, Deputy Robert Calhoun, Deputy Randall Flemming, Deputy Ted Griepentrog, Deputy Duane Gundrum, Sgt. John Peters, Sgt. Thomas Smith, Deputy Richard Hulbert, Deputy Roger Meyer, Deputy Peter Rätger.

Members of the Village Board arrived at a temporary decision, at least, in regard to a solid waste disposal plan when they met here Monday night.

After considering all possible alternatives to the present incinerator in a drawn-out discussion, they agreed to use a sanitary landfill site operated by the Waste Management Corp., in the Town of Polk, near Slinger, on a 30-day minimum trial basis, beginning March 1.

Village crews will make their usual at the curb pick-ups using the village compactor, and then haul their collections to the landfill site, a distance of about 16 miles, one way. The village will pay \$9.60 to deposit each compacted load, based on a quotation from Waste Management of 60 cents per yard.

After this plan has been given a fair trial, board members feel they will have a good picture of what it is costing and how it is being received. A number of commercial and industrial firms with large amounts of cumbersome refuse have been hauling directly to the village incinerator. Once it is shut down, they will have to contract with a private hauler, as several local firms are already doing.

It is imperative that Kewaskum adopt an alternate waste disposal plan because its incinerator must be abandoned because it does not meet the new air pollution emission standards set by the Department of Natural Resources (DNR).

And it was also imperative that the board make a decision Monday night because the incinerator was to have been closed Jan. 31, unless the village had a definite alternate plan.

Representing Stone and Robinson, consulting engineers employed by the village, Charles Strand told the board, "the DNR is awaiting my phone call tomorrow morning with information on tonight's meeting."

Among the options considered by the board were installing a new incinerator at a possible cost of about \$150,000. This was looked upon as being impractical, in view of the possibility that the DNR is likely to step up its anti-pollution standards from time to time.

Also considered were contracting with a private hauler or installing a compact transfer station at the incinerator site through the Waste Management Corp. Village crews would collect and haul to the unit, which when filled, would be replaced with an empty one.

Originally, the village was to have submitted a plan showing its direction by last July 1, but the date was extended by the DNR several times after village requests. The incinerator originally was to have been closed Oct. 1, 1972. It was built in 1954.

Board members authorized Civil Defense Director Marvin A. Martin to attend a conference for civil defense directors at Madison and Fire Chief Armin Oppermann and Building Inspector Edward

That strange white stuff that covered the ground Wednesday was snow. About 1.5 inches fell over the area, enough to cover the ground but not enough for long awaited snowmobiling. It was the first measurable snowfall since shortly after Christmas, a period of almost a month and a half. The warm weather over the weekend again gave residents a chance to hit a few golf balls, go bike riding, hiking and enjoy other outdoor activities.

KC Council Buys Property For Clubhouse

This week the West Bend Council 1964 of the Knights of Columbus announced the purchase of the former C.W. Transport property on Hwy. 45, just north of West Bend.

Plans are under way to remodel the building for the Council's home. The building will accommodate a large meeting hall, lounge, kitchen facilities and office area. The property includes 4.6 acres of land which will allow for future expansion and ample parking space.

Dave Adams, corporation president, announced that operation of the building and facilities will be through a separate corporation, known as the West Bend Columbian Corporation. All members of

the local Knights of Columbus are equal stockholders in the corporation.

Officers of the corporation stated that the building will be available to the public for private parties, meetings, weddings, reunions, anniversary celebrations and other events. Also planned is a regular schedule of fish fries, dances and other social events, open to the public.

Proceeds and profits from the corporate operation will be used to expand the charitable work of the local Knights of Columbus Council.

Kristine Volm Wed to James Korth

Miss Kristine Mary Volm, daughter of Mr. and Mrs. Edward Volm, Kewaskum, and James Gilbert Korth, son of Mr. and Mrs. Gilbert "Bud" Korth, Kewaskum, exchanged marriage vows on Saturday, January 20. The two o'clock ceremony was celebrated in Holy Trinity Catholic Church, Kewaskum, by Rev. John Budde.

Lee Kempf was the soloist, accompanied by Ruth Stoffel.

The bride was given in marriage by her father. She wore an organza and cotton lace gown with highlights of lace on the bodice, high banded neckline and bishop sleeves. The gown had a softly gathered "A" line skirt with a detachable chapel train which flowed from the waistline. Her floor length veil of silk illusion, edged with lace, was attached to a Camelot bonnet of organza. She carried a single red rose.

Miss Jeanine Volm was her sister's maid of honor. Her plum velvet and orchid nylon sheer gown was styled with shirred ruffling on the high neckline, bodice and full sleeves. A back bow of matching velvet with waist length streamers complemented her headpiece.

Identically dressed were the

bridesmaids, Miss Deb Norskog and Mrs. Patty Marx. They all carried baskets of assorted flowers. The junior bridesmaids were Karen Volm and Julie Yarnig.

The bridegroom chose his friend, Dennis Kuehl, as best man and Pat Staehler and Gerry Marx as groomsmen. Ushering duties were shared by Kevin Volm and Dave Zehren.

A reception, dinner and dance was held at Belgium Community Center, Belgium.

The couple is at home at 1162 River View Drive, Kewaskum.

KEWASKUM 4-H'ERS

The January meeting of the Kewaskum 4-H'ers was called to order at 7:40 by President Janice Panzer at the Labor Center. The pledge of allegiance was led by

Palm Scannell and the 4-H pledge by Mary Fischer. As roll call was being taken you were to pay your dues. If you did not pay them this month you should be sure to pay them at the February meeting. The minutes were read by Secretary Roxanne Franzen and the treasurer's report by Linda Secor. Both reports were accepted as read.

Peggy Gjertson reported on the Dec. 21 roller skating party. The club would like to thank Mrs. Scannell for chaperoning the skating party.

We received a thank you note from the Samaritan Home in West Bend for their Christmas present.

Next month the meeting lands on Valentine's Day so the club will have a party. The refreshment committee consists of Robin and Lynette Acker, Lisa Bullette, Mary Fischer and Peggy Gjertson. Jeanne Scannell, Linda and Laura Dei are on the entertainment committee. Jane and Susan Russell, Susan Pesch and Jean Gjertson are in charge of decorating the Labor Center. We will also have a Valentine contest. Members who would like to participate should make a Valentine which combines 4-H and Valentine's Day. Entries will be judged and prizes will be given.

Lisa Bullette moved that the club should send a donation to Threshold. The vote was taken and the motion was accepted.

Sentry Food Stores Join 'Partners' Effort to Help Nicaraguans

Sentry Food Stores throughout Wisconsin have joined with the Wisconsin Potato and Vegetable Growers Association in the "Partners of the Americas" effort to raise funds for earthquake-stricken Nicaragua.

Governor Patrick J. Lucey announced grower members of the association will donate 10 truckloads of U. S. No. 1 Wisconsin Russett Burbank potatoes to raise approximately \$20,000 for Nicaraguan relief.

The potatoes, packed in specially labeled 20 lb. bags, went on sale at \$1.49 each in Sentry Food Stores, including Kewaskum, Monday, Feb. 5. Sentry has agreed to donate the space, handle the sales and take no profits.

Sentry and the Growers Association stressed that the full retail price of the potatoes will be used in the relief effort.

Representatives of the Nicaraguan ministries of health and education and the American embassy in Managua are in Wisconsin to coordinate efforts from the state to its "Partner state." Governor Lucey noted. Medical equipment and supplies are being donated and also purchased with contributed funds to assist the stricken people.

**Arthur Brandt,
Martin Rosbeck
Called in Death**

Arthur Brandt, 76, retired farmer of Wayne, passed away Thursday morning, Feb. 1, at St. Joseph's Community Hospital, West Bend.

He was born Sept. 12, 1896, in the Town of Wayne, a son of the late Henry and Mary Struebing Brandt, and was a lifetime resident of the Wayne area. He never married.

Mr. Brandt was a lifelong member of Salem United Church of Christ, Wayne.

Surviving are one sister-in-law, Mrs. Rose Roehl, of Milwaukee, other relatives and friends. His parents and one brother, Alvin, preceded him in death.

Funeral services were held at 2 p. m. Saturday at Salem United Church of Christ. Rev. Daniel Schowalter officiated and burial took place in the church cemetery. Visitation at Miller's Funeral Home, Kewaskum, was from 4 p. m. Friday until 11 a. m. Saturday and at the church from 12 noon until the time of services.

MARTIN F. ROSBECK

Martin F. Rosbeck, 81, of West Bend died Sunday, Feb. 4, at St. Joseph's Community Hospital, West Bend. Mr. Rosbeck, who was retired, had been a patient at the hospital for one week.

He was born Jan. 16, 1892 at St. Kilian, a son of the late George and Margaret Thelen Rosbeck. His marriage to Theresa Kiefer took place at St. Theresa's Catholic Church, Theresa, on May 8, 1923. After their marriage the couple lived in Milwaukee for 15 years, then farmed for 22 years at St. Kilian, later moving to West Bend.

Surviving are his widow, four children, Margaret (William) Bull of Menomonee Falls, Robert (Audrey) Rosbeck of Theresa, Ralph (Delores) Rosbeck of West Bend and Norbert (Sharon) Rosbeck of West Bend; three daughters-in-law, one son-in-law, 26 grandchildren, one great-grandchild, three sisters-in-law and two brothers-in-law. Two children predeceased him, Gregory died in infancy and Raymond John died while in service during the Korean War.

Mr. Rosbeck was a member of World War I Barracks 2617, which held memorial services at 7 p. m.

Tuesday.

Visitation was at Miller's Funeral Home, Kewaskum, after 4 p. m. Tuesday and a parish vigil was held at 8 p. m. Funeral services were held Wednesday at 10 a. m. from the funeral home and at 10:30 o'clock at St. Kilian's Catholic Church, St. Kilian. Fr. Elroy Pesch, O.S.F., officiated and burial was in the church cemetery. Robert G. Romaine Post 384 of Kewaskum held graveside services at the cemetery.

Never trust a woman who tells her real age. A woman like that would tell anything.

THANK YOU . . .

for making the Threshold drive
an outstanding success

Three months ago when we began the Threshold Building Fund Campaign, we were confident that the generosity and concern of Washington County citizens would ultimately make the drive a success. Our need was great but so was our cause and we were confident that you would respond as you always have in moments of great community need. The response, however, has exceeded our fondest expectations with over 7,000 contributions coming from individuals, from businesses and industrial firms, and from numerous clubs and organizations of all kinds. It has left all who worked on the drive both thankful and humble.

To the thousands who contributed and the hundreds who worked so diligently go our deepest and most sincere expressions of appreciation. Both the handicapped citizens that the Threshold serves and our entire community will benefit from the success of this financial effort in the years ahead.

Kewaskum Hits Bottom, Loses to Winless Pewaukee

Last place Pewaukee (0-9) hadn't won a conference game all season—that is until the Kewaskum Indians came in Friday and accommodated them by dropping a 71-62 decision. As a result the hapless Indians now share the bottom of the heap with the Pirates. Both are 1-9.

The Indians were on a par with Pewaukee physically, collecting 22 fouls in the battle, but couldn't match them on the scoreboard. Kewaskum experienced its customary bad first half and fell too far behind to catch up. They trailed at the quarter, 14-8, and 34-24 at halftime. In the third period they again were outscored, 22-17, and fell back, 56-41. A rally in the final quarter, in which they outpointed the Pirates, 21-15, fell 9 points short.

At one point in the 3rd stanza the Indians fell behind 54-36 and then went into a press. This troubled Pewaukee and forced them into numerous turnovers. Immediately the Indians whittled the Pirates' lead but it came too late. Kewaskum came within 3 points of Pewaukee late in the game but their over-aggressiveness spelled trouble and the Pirates preserved the victory by sinking free throws.

Coach Mike Williams finished the game under protest, claiming an error by the officials in calling fouls on the wrong Pewaukee player. It is doubtful, however, that this will change the outcome.

Kewaskum's 2 sophs again led the Indians' attack. Mike Koepke was top scorer with 19 points and Scott Koth had 17. Tom Behnke added 10. Five players scored in double figures for Pewaukee. They were Scheels and Hanson with 14, Kerrigan and Jensen with 12, and Behnke with 10.

In other Scenic games Mayville blasted Germantown out of a first place tie decisively, 61-41, and gained a tie with them for 2nd. Grafton maintained its lead by

downing Slinger, 80-70, and Hartland beat Kettle Moraine, 66-52.

It was a different story for Kewaskum's up-and-coming JV's, who defeated Pewaukee in overtime, 55-52. It was their 8th win of the season. Don Gruber's 2 baskets in overtime led to the victory. Gruber finished the game with 14 points and 24 rebounds, followed by Tom Timblin with 12 points and Bill Zacho with 10.

Scenic varsity standings—Grafton 9-1, Mayville 8-2, Germantown 8-2, Hartland 6-4, Slinger 4-6, Kettle Moraine 3-7, Kewaskum 1-9, Pewaukee 1-9.

Tonight the Indians only have to face first place Grafton in their final home game and Tuesday they play at Hartland.

Indians Place 4th in Scenic Wrestling Meet

Germantown won the Scenic Moraine wrestling meet at Grafton Saturday, along with their 6 dual meet wins, which was enough to give them the conference championship. The Warhawks totalled 74 points, just 2 more than Slinger, which came in a surprise 2nd with 72.

Slinger entered the meet in 4th place, with 4 dual meet wins and 1 tie, and wound up just 2 points from the title as the Owls had 2 competitors in the final 2 matches. Two wins would have given them the title but their man lost in the 185 lb. class. At 185 Owl ace Mike Gehring faced Al Schmidt of Kewaskum, whom he had beaten earlier in the season. But Schmidt beat him in overtime on a pin to knock Slinger out of the title. In the unlimited class in the final match the Owls' Dave Nothem decisioned Harry Powell of Germantown.

Germantown had 5 boys in the

INDIANS RATED

Campbellsport was rated 4th last week in the top 20 in state wrestling, with an 11-0 record. Kewaskum with a 10-1-1 mark received special mention and was rated 27th. Top rating went to Brookfield Central (11-0). Germantown (12-1) also received special mention in 24th place.

finals. Slinger had the most champs with 3. Kewaskum and Grafton, the 2nd and 3rd place teams after dual competition, fell out of contention after the semis. The Indians lost a 1 point decision and an overtime bout in the semis which hurt their chances. Also 1 regular missed the meet because of a music audition in Milwaukee and another hadn't wrestled for 2 weeks because of an injury and was not in form.

The Indians won 2 titles, the one by Schmidt at 185 and another by Jeff Ketter. Ketter, the top seed at 126 lbs. with a 7-0 record, locked good in all 3 of his matches and won in the finals, 7-1. For Kewaskum, Cal Tackes, Steve Ruppinger and Bob Yogerst all got 3rds.

As a result of the meet, final standings were determined with Germantown 20, Slinger 16½, Grafton 15, Kewaskum 13½, Kettle Moraine 9, Pewaukee 5, Hartland 5, Mayville 0.

Conference meet standings—Germantown 74, Slinger 72, Graf-

ton 58½, Kewaskum 50½, Kettle 42½, Pewaukee 39, Hartland 37, Mayville 10.

The Sectional meet will be held at Sheboygan Falls this weekend with quarter-finals tonight, semi-finals Saturday at 2:00 and finals Saturday at 6:30. Twelve or 13 schools will compete including, besides Kewaskum, both West Bend schools and Campbellsport, ranked 4th in the state.

Kewaskum Edged by Port in Lakes Loop

Kewaskum was defeated by Port Washington in a close, saw-saw game in Land o' Lakes action Sunday evening, 104-97. Trying to escape the B Division cellar, Kewaskum was turned back despite their best offensive performance of the year with all five starters scoring in double figures.

Port had a 26-24 lead after the 1st quarter but Kewaskum came back in the 2nd stanza to take a 48-46 advantage at the half. Port scored 10 straight points at the start of the 3rd quarter and maintained a 77-67 lead after 3 quarters. In the thrilling 4th period, Kewaskum fought back to tie the

score at 86 all, only to fall behind again.

Port's Roland Kitt, last year's league scoring champ, proved to be the difference, pouring in 40 points. Kurth Lahti added 24 for Port. Rod Schulz had 16 points and Bill McGaw 15. Chuck Boegel paced Kewaskum with 24 points, while Bill Backhaus had 20, Mark Eichstedt 18, Mike Draxler 13 and Mike Coulter 12.

Despite coming close to victory in four tight ball games this year, Kewaskum nevertheless is still winless after 8 games. They will attempt to break the ice this Sunday in a 7:30 game at Grafton.

Results last week—Menomonee Falls 143, Mayville 78; Germantown 106, West Bend 86; Hartford 86, Cedarburg 66; Grafton 87, Horicon 84; Port 104, Kewaskum 97.

Games this Sunday—Meno. Falls at Germantown, Cedarburg at Mayville, Hartford at West Bend, Kewaskum at Grafton, Slinger at Horicon.

Lakes standings: A Division—Meno. Falls 8-0, Germantown 7-2, Cedarburg 5-3, Hartford 4-4, West Bend 3-6, Mayville 3-6. B Division—Slinger 6-1, Grafton 4-4, Horicon 3-5, Port 2-6, Kewaskum 0-8.
