Observe 45th Anniversary

A dinner was held at the Glacier Inn in honor of the 45th wedding anniversary of Mr. and Mrs. Leo Rohlinger, 363 Main St., Kewaskum, on Saturday, Nov. 24.

The celebration was given by their children, Mrs. Robert (Rita) Renner of West Bend, Mrs. David (Mary) Ours of Campbellsport, and Gregor, Al and Norbert Rohlinger and Mrs. Ronald (Shirley) Sarauer, all of Kewaskum, and their 21 grandchildren.

After the dinner the family spent the evening at the Rohlinger home.

Firemen Re-Elect Present Officers

At the December meeting of the Kewaskum Fire Department last Thursday night, annual election of officers was held. All officers were re-elected for the next year. They are as follows:

Assistant Chief, August Bilgo, Jr.; Captain, Rick Boden; Lieutenant, Eddie Miller; Secretary, George Koerble; Treasurer, Donald Seil. First Aid Lieutenant, Don Ehnert. Chief Armin Oppermann holds over in office. He is appointed by the village board.

Among other business, the firemen formulated plans for their annual stag party in January, the annual banquet for members and their wives, next year's annual picnic, and dance, and the Badger Firemen's Association bowling tournament.

MARION BOHN NOW AGENT FOR BANKERS

Marion Bohn of Kewaskum recently was graduated from a Sales Training Institute conducted by Bankers Life and Casualty Company. Bohn is an agent for Bankers.

The institute program spans an intensive week of instruction and training for new agents. It covers the most advanced sales and service techniques for insurance representatives.

Boy Scouts Receive Awards

A Court of Honor was held at Kewaskum Labor Center Monday, Dec. 10. Parents were invited to watch their boys receive awards and to obtain information on future events and summer camp. Following a candlelight ceremony, Mike Geidel, Joel Herriges, Joe Klahn, Craig Larsen, Scott Leitheiser, Gary Mlodzik, Jim Rohlinger, Jim Simon, Kevin Stautz, Scott Stollenwerk, Chuck Strancke, Jeff Krueger and Scott Larson were presented the "Scout" award by Scoutmaster Bob Sparks. Scouts receiving higher awards were Gary Mlodzik, Tenderfoot, and Monty Albers, Star.

Regular weekly meetings began in September and numerous events were held. During September and October the Scouts helped at the Kiwanis Turkey Shoot, worked on recruitment and registration, attended a weekend camporee at Samp Shaginapi located on the east shores of Lake Winnebago and helped on the annual Boy Scout Finance Drive. Highlights for November and December included two swim events at the West Bend Badger Middle School, family nite roller skating at Artistic Roller Rink and a trip to the Experimental Aircraft Museum in Milwaukee. To complete the 1973 season, Scouts will help Kiwanis with the annual children's Christmas Party scheduled for Saturday, Dec. 15, and compete in the annual Boy Scout District Klondike Derby to be held at Horizon Ledge Park Dec. 29.

Due to increased and renewed interest for "Scouting" among older Scouts, the Kewaskum Explorer Post was reorganized this fall. The initial membership included seven previous Boy Scouts with Ted Miller as Explorer Advisor, Vern Butz as Associate Advisor and Pete Albers as Committee Chairman. Kewaskum and West Bend Explorer Posts will plan the events for the Klondike Derby and special activities next spring and summer.

NO DECORATING CONTEST THIS YEAR

Due to the current energy crisis, the annual Christmas Decorating Contest sponsored by the Kewaskum Kiwanis Club has been called off for this year.

Christmas Concert at High School

On Wednesday, Dec. 19, at 8 p. m., a joint concert by the Kewaskum High School girls' choir, a cappella choir, and the Kewaskum High School Concert Band will be presented in the high school gymnasium.

Don't Store Gas in Your Basement

With the gas shortage existing these days, don't store gas in your basement. By doing so, you are placing a "bomb" in your home, which could destroy your home, your neighbor's, and who knows how many lives?

A "cup" of gas in your basement is 10 times more powerful than dynamite.

The Kewaskum Fire Department is concerned about your home, and especially about your life.

Area Woman 98 Years Old

By Ruth Held

A Kewaskum area native, Mrs. Caroline Kirchner, observed her 98th birthday on Monday at The Samaritan, West Bend, where she has resided for about two years.

The former Caroline Metzger was born in the Town of Addison, on Dec. 10, 1875. She was married to August Kirchner of the Town of Wayne on April 24, 1897 and lived all of her life in the Town of Kewaskum. The couple was married in the Town of Wayne, and engaged in farming.

Mr. Kirchner was killed in an accident on Dec. 28, 1923, when an auto crashed into the horse and buggy he was driving just south of Kewaskum on Highway 45.

Three sons were born to the Kirchners—Oscar of the Town of Kewaskum, who is deceased; Erwin of the Town of Kewaskum, and Andrew of Sun City, Calif. Mrs. Kirchner has 14 grandchildren, 27 great-grandchildren, and two great-great-grandchildren.

Though she is confined to a wheelchair at The Samaritan, "Grandma" Kirchner, as she is affectionately known, is bright and alert. Her memory is still keen and she is interested in what goes on about her. She enjoys having visitors.

Mr. and Mrs. Kirchner were charter members of what is now Peace United Church of Christ in Kewaskum and Mrs. Kirchner is the only living charter member.

Editor's note — Mrs. Kirchner, who has been a subscriber to the Statesman for many, many years, presently is our oldest subscriber.

Santa Coming

The Kiwanis Christmas party for children will be held Saturday, Dec. 15, starting at 9:30 a. m. and continuing until 11:00 at the senior high school gym. It is open to all area children ages through 10 years. Younger children should be accompanied by an older child or adult.

The program will include a magician show, group singing and the highlight will be a visit from Santa. Treats will be given out.

Work began on the Richfield Interchange during the week of Dec. 9. This project is designed to provide for the divided four-lane U.S. Highway 45 bypass of West Bend and the existing divided four-lane U.S.H. 41. During the course of work, S.T.H. 145 will be extended to U.S.H. 41 with interchanges at U.S.H. 45 and U.S.H. 41. Southbound traffic on U.S.H. 45 will merge with the driving lane of U.S.H. 41 when the work is complete.

Jos. D. Bonness, Inc. of Wauwatosa will do the grading and paving and L. G. Arnold, Inc., of Eau Claire will construct the bridges at a total estimated cost of \$4,041,114. The Federal Highway Administration will contribute 70% and the Wisconsin Division of Highways the remaining 30% of the necessary funds provided by highway user taxes. Walter E. Parsons, Jr., of Fond du Lac and Roger Doescher of Waukesha will be the respective project engineers.

Trucks will be hauling fill across U.S.H. 41 near Townline Road approximately one mile north of the existing U.S.H. 41 - U.S.H. 45 interchange. Motorists are urged to use caution in this area.

Adult Classes Have Openings

Adult classes at the Kewaskum High School are in progress and others will start as soon as ten people have enrolled.

A woods class has started on Wednesday evening from 6:30 to 9:30. There is room for 2 or 3 more people in this course. An arts and crafts course is also meeting on Wednesday. Roy Esser, center supervisor, would like to set up a second art class for the benefit of those who cannot attend the Wednesday session. Rug hooking is a part of this course.

Upholstery class has a short waiting list so if you are interested get your name on the list.

An approved O.S.H.A. first aid course will start after the holidays. This course will enable business places having an employee to comply with one of the requirements of O.S.H.A.

It is also hoped to offer lingerie sewing, sewing with knits, sewing menswear, as well as home entertaining if there is enough interest. More people interested in crewel embroidery are needed and as is the case in all other classes, an enrollment of ten persons is required. There will also be a flower arrangement course with Hermans of Kewaskum teaching the course.

Persons interested in these and any other courses should contact Esser, center supervisor, Kewaskum High School.

DEER KILL WAS 81,117 IN STATE GUN SEASON

Registrations during the 1973 deer gun season show that at least 81,117 deer were harvested, according to the Department of Natural Resources (DNR).

This compares to 74,827 deer taken last year, or an increase of 8 percent.

Frank Haberland, DNR's big game supervisor, said that this year's harvest was comprised of 65,383 deer taken on the regular license and 15,734 quota permit deer. The DNR predicted that about 80,000 deer would be taken this year.

A total of 383 deer were registered in Washington County.

Vernon Goeden Killed in Crash

Vernon Goeden, 42, of R. 3, West Bend, brother of Willard "Billy" Goeden of St. Michaels, was fatally injured last Wednesday night when his car left the road and struck a large tree during the area's first snowstorm.

Goeden lost control while heading east on County I, .35 miles west of County M and struck a tree on the south side of the road. The mishap took place at approximately 8:15 p. m. and road conditions were snowy and icy. He died of crushing chest wounds and was pinned in his car for almost an hour before being freed and taken to St. Joseph's Community Hospital, West Bend, where he was pronounced dead.

Goeden was production manager of the Marban Company, Inc. He was born Feb. 28, 1931 in West Bend and married Dolores Strupp at St. Lawrence Catholic Church July 25, 1951. He was a West Bend area resident all his life.

Survivors include his wife, six children, Sandra, Cynthia, Gary, Ann, Mark, and Barbara, all at home; his parents, Mr. and Mrs. Leo Goeden of R. 2, West Bend; two sisters, Hyacinth (Gilbert) Beine, West Bend and Charlotte (Lyle) Hader, R. 2, West Bend; two brothers, Jerome (Joyce) of West Bend and Willard (Jeanne) of St. Michaels, R. 2, Kewaskum; his mother and father-in-law, Mr. and Mrs. Isador Strupp, and other relatives.

Funeral services were held at 10:15 a. m. Saturday at the Techtman-Myrhum Funeral Home, West Bend, and at 11 a. m. at Holy Trinity Catholic Church, Newburg. Burial was in the parish cemetery. Visitation at the funeral home was after 4 p. m. Friday.

Wrestlers Lose 2 Matches, 2nd In Horicon Meet

The Kewaskum wrestling team had an active week, participating in 2 dual matches and a 7-team meet.

Last Tuesday night the Indians were defeated by a tough Cedar Grove squad, 25-18, winning 5 of 12 matches. Al Schmidt kept his record clean, winning his 5th straight, all via the pin. Other Kewaskum winners were Luedtke, Wilson, Donath and Secor, who is 4-1. Secor beat Junior Ramirez, who won over him twice last year. The JV's were trounced, 37-17.

Thursday the Indians hosted Hartland and were thumped, 40-11, as the Warhawks won all the way from 132 lbs. through the unlimited division. Hartland has 11 returning regulars. Dale Secor again won on a pin in the 105 lb. match and brought his record to 5-1. The big losses were to Mike Donath and Al Schmidt, who was coasting along with a 5-0 mark, and lost by a pin. Hartland had only 3 JV's to the Indians full team so Kewaskum would have won on the basis of forfeits. Just 3 matches were wrestled. The freshmen won by a huge margin.

Saturday Kewaskum participated in the Horicon Invitational wrestling meet. Germantown won with 76 points and also had the most champions, four. Kewaskum was next. The Indians were tied with Columbus with 66 points for 2nd and had 3 champions. Next came Winneconne with 54, defending champion Hartford with 41. Horicon with 36 and Mayville with 24.

Kewaskum had 4 boys in the finals with 3 of them win-

ning trophies. Secor at 105 raised his record to 8-1 with 3 wins, including a 30 second pin in the championship bout. He did not have a point scored on him in the 3 matches. Schmidt, unlimited, bounced back with 2 pins and is now 7-1. The other Indian champ was Donath at 185. Russ Wilson at 98 also made the finals and lost to Hartford's Schlough.

Mental Health Unit Elects

The bi-monthly meeting of the Washington County Mental Health Assn. was held on Dec. 3 at the Washington County Courthouse. Election of officers and board of directors was held. Paul Schoenberger of Kewaskum was elected president, Marge Wendt, Campbellsport, vice-president, and Carol Gerbitz from West Bend was elected secretary. New or re-elected board members were: James Borusky, West Bend; Lilian Fischer, West Bend; Mary Secor and Paul Schoenberger, Kewaskum; Marge Wendt, Campbellsport, and Louise Mueller, Germantown. Acting director Jean Vogt of the Comprehensive Community Health Services Planning Agency discussed the program of this organization and the new laws setting up this agency. The Washington County Mental Health Association is expanding the services offered in providing a consumer oriented social action agency, designed to meet the mental health needs of the

county. Areas of concern are alcoholism, mental illness, drug abuse, mental retardation and other mental health related areas. Residents of Washington County who are interested in any of these areas, and who would like to meet with or join the association are invited to contact any member for further information. Meetings are held every two weeks at the county courthouse. Personnel Manager (interviewing new job applicant): "What have you done?" Job Applicant: "About what?"

Happiness is a stopping place between too much and too little.

Will there be enough electricity this winter in southeastern Wisconsin?

You should understand the difference in the electric supply situation between southeastern Wisconsin and some other parts of the nation. On the East Coast, for example, electricity is made mostly from oil, which is in short supply. On the Gulf Coast, electricity is made mostly from natural gas or with oil when gas is not available. Both of these are in short supply. In the Pacific Northwest electricity is made by hydro-electric plants and that area has suffered an unusual shortage of rainfall.

About fifty-eight percent of the electricity Wisconsin Electric will make this winter will come from coal. Although coal is not in critical supply at this time, its availability may become limited in the future because of unduly restrictive mining legislation, unrealistic air quality criteria, and increased requirements as industries and other utilities convert from oil and gas to coal. Most of the coal we will need this winter is already on our docks.

More than thirty-five percent of the electricity for this winter will come from our Point Beach Nuclear Plant. More than a winter's supply of nuclear fuel is already in the reactors. Wisconsin Electric's thirty-five percent nuclear generation is well ahead of the national average... only four percent of the electricity made nationally is from nuclear energy.

Less than two percent of the electricity we will make this winter will come from oil. Much of this small percentage of oil we do use is to assure safe burning of coal in our boilers. Our boilers must be kept hot at night to pick up the morning electrical load. At night, we reduce the flow of powdered coal into our boilers. Burning could become erratic and delayed firing could result in an explosion. So we inject oil to keep the coal burning uniformly at the reduced flow. If necessary uses of electricity could be transferred from day time to late at night, we could keep the fires going with coal and further reduce our oil burn. We will also use oil this winter in emergency turbines, if necessary.

A small percentage of natural gas is also used in

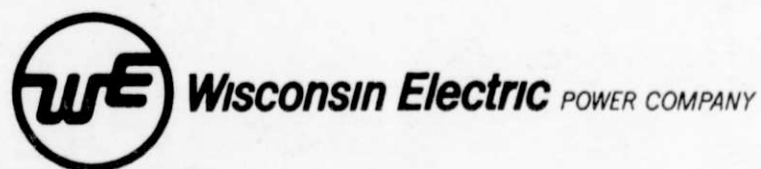

peaking plants and for the downtown Milwaukee steam heating system. About three percent of the electricity we will supply this winter will come from hydro-electric plants in northern Wisconsin and the Upper Peninsula of Michigan. Ground water levels in these watersheds are normal.

The purpose of this message is to provide you with facts concerning our present situation. Many very sincere people have expressed their worry to us. Many people are confused. Wisconsin Electric anticipates no blackouts or brownouts this winter. We do not expect that workers will be sent home from their jobs because of a shortage of electricity to run machines in their plants.

It is not our purpose, however, to detract from the energy conservation program. We believe that it is wrong to waste energy. And, we intend to assist other utilities whose fuels are in poorer supply to the best of our ability. Every kilowatt-hour of energy that our customers save this winter will save some basic fuel which will increase our ability to assist our neighboring utilities who are in a more unfortunate position and to increase the availability of these fuels for our system in the months to come.

Of course, ice storms this winter, or automobiles crashing into poles, and even a breakdown of one of our generators is possible. But other than for unforeseeable accidents such as these, or governmental action such as national rationing, we expect to be able to meet this area's electric needs.

If Wisconsin Electric is in better position than utilities in other parts of the nation, it did not come about by accident. Planning and commitments made in the 1960's placed us in this favorable position. The long court fights in obtaining license approval for Point Beach Nuclear Plant will really be won by our customers this winter. Planning and commitments now must be made to meet your necessary electrical needs in the late 1970's and 1980's.

For ideas on the wise use of electricity, contact our Customer Advisors.

MINUTES OF VILLAGE BOARD MEETINGS

Regular Meeting
August 6, 1973
8:00 P. M.

The public hearing on the application of Thomas John Piwoni for a combination class "B" Fermented Malt Beverage and intoxicating Liquor License for the premises at 1310 Riverview Drive was called to order by President Charles Miller. Trustee Alfred Kral was absent. All other Board Members were present. Mr. Piwoni was present to answer questions. Also present was the present licensee Lawrence Galabinske, Jr.

There were no objections to the application.

Upon motion by Trustee Yoost, seconded by Trustee Strack and duly carried, the Public Hearing was declared closed.

President Miller called the regular monthly Village Board meeting to order at approximately 8:10 p. m. The meeting was held in the Council Room of the Municipal Building. All Board Members were present except Trustee Kral.

The minutes of the meetings of July 2 and July 9 were approved as printed upon motion by Trustee Herriges, seconded by Trustee Schmidt and duly carried.

The application of Thomas John Piwoni for a combination class "B" Fermented Malt Beverage and intoxicating Liquor license for the premises at 1310 Riverview Drive was presented for approval. Motion by Trustee Herriges, seconded by Trustee Nigh that said application be and hereby is approved and that the commissioner be authorized to issue the proper license upon payment of the required fee and the surrender of the existing license held by Mr. Galabinske.

Robert Faber, 808 Memorial Drive conferred with the Board in reference to the recent installation of curb and gutter fronting his property and claimed that said curbing was not installed at the correct grade and thereby causes the bottom of his auto to strike the roadway whenever he drives in or out of his driveway. The Board promised to have the engineering consultant check the complaint and have them submit a report to the Village Board.

The claim of William E. Paschke Jr. for a possible refund of real estate taxes paid was tabled pending investigation by the Village Attorney's office. Motion by Trustee Nigh, seconded by Trustee Yoost and unanimously carried.

As requested by the Village Attorney, no action was taken on the Spoerl annexation because of a legal technicality.

Engineering consultant Forrest Robinson reported that the preparation of the topography maps as ordered by the village would cost \$5,400.00 rather than the \$4,000.00 previously estimated because the maps ordered covered a larger area than anticipated. Motion was made by Trustee Schmidt, seconded by Trustee Herriges that the village appropriate the additional \$1,400.00 to complete the project.

Roll Call Vote — 6 "aye"

Indians Nipped By Germantown, Lose to Pirates

A basket at the final buzzer enabled a taller, favored Germantown team to eke out a 76-74 squeaker and prevented the Kewaskum Indians from a possible upset here Friday night in a barnburner. The Warhawks are defending co-champions in the Scenic Moraine and were pre-season favorites to repeat.

Doug Bilgo tied the score at 74-74 in the final 19 seconds. He sank a basket and was fouled in the act, also making good on the free throw. Germantown couldn't get in a shot in the 19 seconds until the final second when Chris Cantor let loose with a 25 footer which swished through the net as the buzzer sounded, giving the Warhawks the victory by 2 points.

The Indians played the Warhawks on even terms except for the 3rd quarter, which cost them the game. The teams were tied, 19-19, after one quarter and Kewaskum outplayed Germantown in the 2nd period to take a 36-31 advantage at the intermission. The Warhawks hit back to outscore the Indians in the 3rd stanza, 23-13, and regain the lead, 54-49. Then it was Kewaskum's turn to come back with a 25-22 edge in the final quarter to knot the score with 19 seconds left.

Warhawk Coach Chuck Ritzenthaler admitted that they didn't expect the Indians to be that tough. Kewaskum's press surprised them and the hot shooting of Randy Koepke in the 1st quarter kept the teams even. Randy Neuman scored 11 for the visitors in the 1st period. Mike Koepke scored 9 points in the 2nd period for the Indians, to give them a 5-point lead.

In the 3rd quarter Hantke went to work for Germantown by scoring 15 points and they led most of the period. Randy Koepke got in some long shots, scoring 10 points and finally in the last stanza Kewaskum tied it again at 74-all, leading up to the exciting finish. For the first time the Indians put it all together in this game.

Randy Koepke, told to take more shots, did so for the first time and impressed with 20 points. Cousin Mike Koepke was next with 18, Scott Koth had 14 and Don Gruber 13. High for Germantown were Hantke with 20 and Neuman with 17.

In other games Mayville and Grafton also won their 2nd straight. Mayville defeated Kettle Moraine, 47-43, and Grafton topped Hartland, 69-62. Slinger bested Pewaukee, 70-56.

Kewaskum's JV's beat Germantown easily, 68-49. Scott Tessar led all scorers with 19 points.

Pewaukee 72, Kewaskum 61
On Tuesday Kewaskum traveled to Pewaukee and was surprised by the Pirates, 72-61. It was the 3rd straight

loss for the Indians.

Kewaskum had 2 bad quarters, the 2nd and 4th. Pewaukee held a slight lead at the quarter, 16-15, but outscored the Indians, 24-15 in the 2nd period to take a comfortable 40-30 advantage at halftime. The Indians closed the gap to 4 points in the 3rd stanza but again fell behind in the last quarter, being outscored 22-15, to lose by a margin of 11.

The outside shooting of Bruce Thomas killed the Indians. He made 12 baskets, most of them over Kewaskum's zone defense. Following Thomas' 24 points was Ro. Mikulce with 21. R. Koepke again paced the Indians with 16 points, followed closely by Koth with 15 and Gruber with 14. Koepke also played well on defense and had a number of steals.

The Indians just didn't look like the same team they were against Germantown and will have to regroup to stand a chance when they face first place and co-champ Grafton here Friday night.

In a battle between 2 of the 3 unbeaten teams, Mayville knocked Germantown out of the lead, 46-42, and now shares first place with Grafton, which beat Slinger, 59-53. Hartland won its first game defeating Kettle Moraine, 73-48.

The JV's won their 3rd in a

row, 70-50, with Tom Edwards leading the way with 24 points.

Eichstedt Scores 23 at UW-Oshkosh

Clark Eichstedt, junior from Kewaskum, who is a starting forward on the 1973-74 St. Norbert College basketball team, had his best night in the Green Knights' game against the UW-Oshkosh Titans, Dec. 4. An attendance of 1,900 persons witnessed the contest, won by St. Norbert's, 87-67. The Knights, off to one of their best starts ever, brought their record to 3-0.

Clark, 6-4, scored 23 points in the game and was second only to Jeff Kunz, who scor-

ed 25. He made 10 of 17 field goals and 3 of 4 free throws and earned 14 rebounds.

Clark was a real standout in the first 3 games, scoring 48 points.

St. Norbert's first loss was suffered Dec. 6 against powerful Loyola of Chicago, 95-77. Loyola was the last school to win the NCAA national championship before UCLA began its reign. Dec. 8 the Green Knights played Milton College and Dec. 10 took on UW-Green Bay.

A brochure, containing pictures, information and statistics on Eichstedt and the St. Norbert team, has been received at this office.

Lakes Team Is Buried by Port

With several key players missing (because of Christmas parties or some other reason) the Kewaskum Lakes team traveled to Port Washington Saturday night and was snowed under, 170-84. Port may have set some kind of Lakes scoring record in the bombardment.

Kewaskum fell behind 41-14 at the quarter, 80-37 at halftime, and 124-55 at the end of the 3rd quarter. The final margin was 86 points. Bill Backhaus led Kewas-
