Capt. Fickler Presumed Dead, Name Removed From MIA List

By Ruth Held

A village serviceman who has been listed as missing in action (MIA) since Jan. 17, 1969 is now presumed dead.

Mr. and Mrs. Edwin Fickler, 524 Habeck St., have said that the name of their son, Marine Capt. E. James Fickler has been removed from MIA status on the basis that no information about him came to light after a debriefing of prisoners of war and after a careful review of his file.

The pilot of a fighter plane, Capt. Fickler did not return to his base from a night direct ground support mission over Ashau Valley, South Vietnam. According to his mother, the area ranged from dense jungle to mountainous terrain, accessible only by helicopter.

"Chances are," she observed, "he was hit by enemy anti-aircraft fire as no radio signal was received from his craft. He probably never had a chance to bail out," Mrs. Fickler added.

The Ficklers were recently visited by a Marine Corps representative who informed them their son's name had been placed under "presumptive finding of death." That information was confirmed in a telegram from the Commandant of the Marine Corps. They will receive their son's complete file later, Mrs. Fickler said, along with a written confirmation of his death.

She has asked those persons who wore Jim's MIA bracelet to not return them to the family, as is custom, inasmuch as they would number several thousand.

And so, more than five years of waiting, brimming over with an assortment of emotions ranging from hope to fear, come to a cruel end.

When did his parents really lose hope? "Almost from the beginning we feared there was no chance he had survived. But we had some hope until the POW's were debriefed," she replied. "We really expected the change in status would be issued right after that."

The Ficklers were over-

joyed one year ago in January at the announcement of a ceasefire in Southeast Asia. They waited beside their telephone, hoping to learn that Jim's name would be among the list of POW's.

Born in West Bend in 1943, Capt. Fickler graduated from Kewaskum High School in 1961 and from the UW - Stevens Point in 1965. He enlisted in the Marines in February, 1965 on an inactive status. He went to Vietnam in April, 1968.

A memorial service will be held sometime in the future at Peace United Church of Christ, here, where Jim was a member.

Edwin and Sylvia Fickler worked diligently as members of the National League of Families of American Prisoners and Missing in Southeast Asia, working toward the goal that the United States not accept any final ending of the war that would not include a complete accounting of American servicemen.

Reigle Appears at Fund Raiser, Talks To Teacher Group

Over 150 well-wishers and supporters were on hand to greet Ron Reigle, potential Democratic Ninth District Congressional candidate, at a kick-off fund-raising cocktail party held last Wednesday night at the Moraine Supper Club in West Bend. This, the first of several different types of fund-raising events planned, drew Reigle supporters from Washington, Ozaucree and Milwaukee counties.

Reigle took the opportunity to thank the crowd for their continued support and brought them up to date on his busy schedule of personal appearances.

From West Bend, Reigle moved on to Port Washington where he addressed the Port Washington Education Association. He continued to stress the alarming lack of public confidence in the Congress and the absence of decisive, positive programs to deal with the energy crisis and economic problems.

After his prepared remarks, Reigle answered a variety of questions dealing with educational issues posed by his audience.

Jerome Schiller Called in Death

Jerome H. Schiller, 62, of 1209 Parkview Drive, Kewaskum, a machinist and die maker for Mid Cities Tool & Die Co., passed away Friday, Feb. 15, at St. Joseph's Community Hospital, West Bend, where he had been a patient for about three weeks.

He was born Sept. 17, 1911, at West Bend. He married Leona Lehn and she preceded him in death in 1966. He then married Alice Wilke Coulter on March 22, 1969 at Peace United Church of Christ, Kewaskum.

Survivors include his widow, two step-children, Mrs. Marion (Kenneth) Schuster of Mayville and David L. Coulter of Kewaskum; eight grandchildren; a brother, Lawrence, of West Bend and a sister, Mrs. Laura (Floyd) Updyke of Green Wood, Wis.

Funeral services were held at 2 p. m. Monday at Peace United Church of Christ. Rev. Dan Schowalter officiated and burial took place in Washington County Memorial Park, West Bend. Visitation was at Miller's Funeral Home after 3 p. m. Sunday and at the church from 12 noon until the time of services Monday.

RAYMOND J. BONG

Raymond J. Bong, 47, of R. 3, Cambellsport, died Sunday evening, Feb. 17, at his home. He was a sales representative of the Wisconsin Electric Power Co. for the last two years in this area, and formerly at Menomonee Falls.

He was born Jan. 25, 1927 at North Lake, the son of James and Ann Bong. He married Theresa Neuens on June 11, 1955 at St. Mary's Menomonee Falls.

Surviving are his wife and ten children, Steven, Timothy, Lisa, Donald, Bridget, James, Lawrence, Molly, Paul and Peter, all at home; and a brother William, of North Lake.

Funeral services were held Wednesday at 9:30 a. m. from the Twohig Funeral Home, Campbellsport, and at 10 a. m. at St. Kilian's Church, St. Kilian. Rev. Adrian Trost officiated and burial was in the church cemetery. Friends called after 4 p. m. Tuesday at the funeral home.

The family would appreciate memorials to the Heart Fund.

Salary Increases Granted to Village Department Heads, Crew

By Ruth Held

Kirst Associate County Chairman For Fund Appeal

Five associate county chairmen have been appointed to assist County Chairman Leo F. Schlaefter in the conduct of the 1974 Archbishop's Fund Appeal in Washington County.

They are: Eugene Westenberger, 290 Lincoln Drive, and Edwin F. Baldus, R. 4, West Bend; Robert Kirst, 333 Main St., Kewaskum; Jerome Krantz, Allenton; and Thomas A. Dlugopolski, 590 Fairview Drive, Hartford.

Associate county chairmen will work directly with pastors and parish chairmen in all parishes of Washington County during the annual Catholic Fund Campaign which begins Sunday, March 3.

Westenberger's parishes include: Holy Angels, Immaculate Conception and St. Frances Cabrini, West Bend; Holy Trinity, Newburg; and St. Augustine, Trenton. Kirst's parishes are: Holy Trinity, Kewaskum; St. Bridget's, Wayne; St. Michael, St. Michael; and St. John, Farmington. Krantz will work with St. Anthony and Sacred Heart, Allenton; St. Matthias, Nabob; and SS. Peter and Paul, Neno. Dlugopolski's parishes are: St. Kilian, Hartford; St. Lawrence, St. Lawrence; and St. Patrick, Thompson. Baldus will work with St. Boniface, Goldendale; St. Mary of the Hill, Holy Hill; St. Hubert, Hubertus; Maternity of the Blessed Virgin Mary, Richfield; and St. Peter, Slinger.

Westenberger is an underwriter at B. C. Ziegler & Co., West Bend. Kirst is associated with Kirst Realty, Kewaskum. Krantz is an Allenton contractor. Dlugopolski is manager of the purchasing department of Chrysler Outboard Corporation, Hartford. Baldus is associated with Joseph Wittig Co., West Bend.

FIREMEN ENJOY ANNUAL BANQUET

The annual banquet of the Kewaskum Fire Department for active and retired members and their wives and lady friends was held at the Wigwam Saturday night, Feb. 16, at 7:30 p. m. A cocktail hour preceded the dinner.

A most delicious dinner, with the choice of lobster, stuffed cornish hen, top sirloin steak and barbecued ribs on the menu, was served. William Martin served as master of ceremonies for the program following the meal and officers of the department were called upon for a few words, the entertainment committee was lauded for their fine work and new members were introduced.

Department heads in the Village of Kewaskum have been granted a \$125 per month salary increase through formal action of the village board.

The \$125 increase includes an additional \$1 per month raise for each year of service to the village. Monthly salaries for department heads are: wastewater treatment operator, \$934; chief of police, \$970; clerk-treasurer, \$939; and superintendent of public works, \$1,001.

Members of the village crew and the treatment plant assistant will receive 55 cents per hour salary increases, for a new salary of \$4.35 per hour.

The village will also pay the full share of each employee's contribution to the Wisconsin Retirement Fund and pay 100 per cent of each employee's insurance premium, both hospitalization and medical.

The board also approved a paid vacation schedule for village employees. They are entitled to one week of vacation after one year of employment, two weeks after two years, three weeks after seven years and four weeks after 15 years.

Mixed Up Geese Come North Early

Warm weather the past week, with the temperature reaching the high 40's Monday and Wednesday, melted much of our snow from the recent big storm.

Several calls were received early Monday afternoon reporting flocks of geese seen flying north. This is very early. Could this be a sign of an early spring? Aloysius Volm, R. 2, Kewaskum, reported seeing two flocks, one heading northeast and the other northwest. We saw and heard a flock, too, which seemed to be in doubt and flying in circles. A later call reported geese heading south in the opposite direction. Apparently when they saw all that white snow cover and no open water to land in they changed their mind. They should look for a new leader.

Anne Edwards Awarded Degree

Anne Edwards was awarded the A. B. degree at Ripon College upon completion of the first semester in the 1973-74 academic year. She will have the opportunity to return to take part in the formal commencement exercises in May.

Anne majored in Speech and Education. She is the daughter of Mr. and Mrs. Richard Edwards, 331 Forest Ave., Kewaskum.

Deaths

It's time your family stopped being just "Smith Harold" in the telephone directory.

The new edition of your telephone directory is going to press soon. If you have only a single listing, a lot of people are going to have trouble looking up other members of your family. Certainly, your wife deserves her own listing. And giving a teen-ager a place in the directory is a nice way of saying "You're growing up." To add or change a listing just call our business office. They can tell you how little extra an additional listing will cost. It's as easy as picking up the phone.

YOUTH TRUTH

Our world will truly make greater progress when we learn to teach our young people how to think — not what to think!

Now that the voting age has been lowered, who are the kids going to blame everything on?

Most college campuses are so crowded that, if a student wants to be alone, he has to go to class.

It will be a wonderful thing when the younger generation takes over all our problems, including the next younger generation.

Many fathers approve of their sons wearing turtle-necks. It helps to preserve the family ties.

Blessed are the young, for they shall inherit the national debt.

Tom says, "Your bill never looks like the 'National Debt' when you buy from the 'HWI FRIENDLY ONES' at MINZ SUPPLY CO. in Kewaskum. Being members of HWI (with tremendous volume buying power) makes that you get the best in quality materials at prices to fit any budget" . . .

"SPEAKING ONE-TO-ONE"

By Donald R. Moore

As we all know, keeping your telephone working properly is only part of our job. Making sure you aren't over-billed — charged for calls you don't make, or for calls which are misdialed is just as important.

The fact that your bill each month is compiled by computer may mean greater efficiency to us both in terms of manhours and accuracy. It does not insure perfection.

Occasionally a mistake occurs, and your bill will list a call you never made. If this appears the case, after checking with others in your family to be sure it is a mistake, you should call your local business office. They will give you credit.

Just as we sometimes err, so do our customers — particularly when dialing long distance calls direct. We all try to be careful, but sometimes a four is turned in place of a five. This is a mistake which you needn't pay for.

Should you reach a wrong number on a direct-dialed call, notify the operator immediately, giving her your name, phone number, and the number you are trying to reach. She will give you credit on your bill.

General Telephone and its customers both seek to avoid errors — but mistakes are a part of being human. Leaving a margin for error, with no penalty to the customer, is also part of being human. And it's part of the one-to-one philosophy of General Telephone.

Honor Teen and Adult Volunteers At Samaritan

On Saturday, Jan. 26, the teen volunteers at the Samaritan were remembered with a luncheon prepared for them by a group of residents from the Samaritan. The following teens received certificates for having contributed at least 50 hours during 1973: Arleen Kauth, Kim Kreutzer, Kim McCartney, and Jodi Treutel. Teens who were also eligible for the certificate but not attending the luncheon included Vicki Logan, Mary Koenings, Debbie Schicker, Audrey Abel, Sandy Gray, Vicki Giedd, Sue Menzel, Mary Hron and Shirley Schmidt. Awards were given to the following for having completed 100 or more hours of volunteer service: Tom Thelen, Pat Bobholz, Kathy Thelent and Barb Schneider. The teens eligible for the award

but not in attendance included Mary Jo Schroeder, Sue Vos, Kathy Rosbeck, Claire Kranstover and Nancy Schultz.

On Thursday, Feb. 7, the adult volunteers and groups regularly coming to the Samaritan were honored at a luncheon held at the Samaritan. The food was prepared and beautifully served by a group of residents. Mr. Korth, Administrator and Mrs. Justl, Director of Nursing, also attended the luncheon. Mrs. Bernice Berres received a certificate for having volunteered more than 50 hours at the Samaritan in 1973. Mrs. Ethel Wendelborn was also eligible for a certificate but was not attending. The adult volunteers having 100 or more hours were: Mrs. Lucille Karius, Mrs. Marion Haebig, Mrs. Anita Oswald and Mrs. Maureen Mitchell. These last three were unable

to attend. Certificates were also awarded to groups having served at least nine months in 1973. The groups eligible were: the women of Christian Service of the 5th Avenue Methodist Church, the Good Samaritan Guild, Holy Angels Christian Mothers' Society, the West Bend Women's Club, the Ambassadors and Crusaders of the First Baptist Church, the First Baptist Church for Bible study, the Inter-Faith Ventures, Our Savior's Lutheran Church Women and the West Bend Red Cross. Mrs. Tarazona, Volunteer Co-ordinator, presented the awards at both the luncheons.

the Rackow building at West Bend, leased the Louis Heisler building adjoining his tavern on Main St., formerly occupied by Rembrandt Fashions, Inc., where they will open a dairy bar and lunch room. Rembrandt Fashions discontinued in business some time ago.

Cherry Grove Dairy announces that the price on quarts of milk will be raised one cent to 17 cents per quart for raw milk, 19 cents for pasteurized milk and 20 cents for chocolate milk. Pints of milk and cream will remain the same.

50 YEARS AGO 1924

The Kewaskum Aluminum men's basketball team played the Milwaukee All-Stars girls traveling professional team at the opera house Sunday evening and defeated them 40-24. Miss Babe Ruth Zinn, famous toe dancer, accompanied the team and danced between halves.

Due to the severe snowstorm and uncertain weather conditions the Kewaskum movies will be closed until Easter Sunday.

A Ford touring car owned by "Happy" McDonald of West Bend was the first car to make the trip to Kewaskum since last week's heavy snowstorm. The car, loaded with the owner, Alvin Haug, Ollie Lochen and Oscar Schoenhaar, made the trip up Hwy. 15 to the concrete bridge in the Town of Barton and then the boys followed the Milwaukee river to within a short distance of Kewaskum. The trip here was made in about an hour and a half. During the trip the car broke through the

ice once and several times the boys had to get out and give the car a lift owing to the heavy snow.

The local high school teams met with an overwhelming defeat at the opera house when they clashed with the strong Slinger boys and girls teams. Both teams were outweighed, outstretched and outplayed by the visitors. As a result the boys lost 83 to 14 and the girls 30 to 2.

Alex Klug has disposed of his baker shop and confectionery store in this village to Henry Schalles of West Bend. Mr. Klug received as part payment a new modernly built house with lot in West Bend. Klug was owner of the Kewaskum Bakery a little over a year when he purchased same from Roman Smith.

A new telephone was installed at the Peter Greiten residence this week.

A lot of the letters that college boys are sending back home to Dad sound very much like an heir raid.

**LETTERS
TO THE
EDITOR**

February 6, 1974
Kewaskum Statesman
250 Main St.
Kewaskum, Wi. 53040

Dear Sir:

Enclosed is a copy of a letter I received. It is one of many received in the past with similar problems and concerns expressed.

Since many of the letters received are unsigned, I thought it would benefit not only the authors, if they are subscribers to your paper, but to many people who are concerned about the snowmobile laws, problems, and enforcement within our county.

Snowmobilers are warned about the dangerous practices referred to in this letter. I refer every snowmobiler to refer to the snowmobile law pamphlet they received with their registration, to-wit:

Crossing a roadway and right of way:

Paragraph 350.02 (2) (a) Snowmobiles shall not be operated on the other highways except in the following manner or as otherwise authorized by law:

1. Directly across and roadway having fewer than 5 lanes, but only after stopping and yielding the right-of-way to all vehicles approaching on the roadway. Crossings under this subdivision may be made only at a place where no obstruction prevents a quick and safe crossing. For purposes of this subdivision, "obstruction" includes but is not limited to impairment of view and dangerous roadway conditions.

Fine \$10.00 to \$250.00

In regard to lights while in the right-of-way as limited in the statute 350.02 (2) (b).

Section 350.09 (1) requires that when traveling within the right-of-way, as limited by statute the lights must be

on DAY or NIGHT. This provision is many times overlooked. Fine \$10.00 to \$250.00.

Night travel within right-of-way, where and when permitted by statute: Lights must be on and must conform with flow of traffic. Some people have made trails within a right-of-way, where permitted, without proper regard for flow of traffic, as required by Sec. 350.02 (2) (b) 4.

The statutes are designed for the safety and well-being of the motorist as well as the snowmobiler. I strongly suggest that each snowmobiler read and obey the snowmobile statute.

Willful violations can mean injury, death or an embarrassing appearance in court.

There are many fine, well-marked trails, provided by safety minded snowmobile clubs, for your enjoyment. Use them, stay on them, respect the rights and privileges of others. Fortunately, this snowmobiler was not injured thru his faulty operation. It has happened to others, make sure it won't happen to you.

Sincerely,
Clarence A. Schwartz,
Sheriff
Washington County

To Whom It May Concern:

On Jan. 14 of this month, I had to make a quick decision which could have endangered not only my life but perhaps the lives in the car I had to almost hit. No one is worthy of being injured or perhaps having to lose their lives over such an incident as this was.

I was traveling west on Highway 33 and about to make a right turn on County B, when a snowmobile cut directly in front of me. He was coming directly across Highway B to cross over to the west side of the highway.

By trying to avoid hitting the snowmobile I had to almost not only run into the island but a few more feet and I would have hit a car about to make a left hand turn on Highway B. The snowmobile? He went merrily on his way without so much as a backward glance to see if there might have been any injuries. There is a marked trail for snowmobiles directly across the street and has been used with great care by the snowmobilers.

The trail they have made on their own on the north side of highway 33 is very dangerous, not only at the crossing on Highway B, but when they travel east on 33, it has to be along side of the highway as these is no place to go because of a deep ditch below. When traveling south the lights of the snowmobile shine directly at the oncoming cars. As you know this can and has been the cause of many accidents.

The snowmobiles in our county have been just fine about staying on the trails this year, so why should a few make it bad for the rest of us, by eventually causing a serious accident. I own and drive two snowmobiles and saw one bad accident, bad enough to make me want to follow the rules. This accident involved a snowmobile and a car also, and it was not

a very pretty sight to see.

When I swerved to avoid hitting the snowmobile, there was no damage or injuries. Next time they may not be so lucky, because if I ever have my wife and children along I won't take the chance of swerving to avoid hitting them and maybe take a chance on hitting oncoming cars, just so they can cross

illegally and be merrily on their way.

I hope, as I'm sure others in this same situation, that something can be done.

Thank you,

Concerned for my family

It's amazing how many millions spend money on pills — to sleep, and other millions spend money on coffee — to keep awake.

Snowmobilers Welcome

For tomorrow's agriculture. FFA

Members of the Kewaskum FFA Chapter with over 450,000 other FFA members in the United States in celebrating National FFA WEEK, which started Feb. 16.

Throughout the week the Kewaskum FFA'ers will be involved in numerous public relations activities. Two of the members will be competing in the District FFA Speaking Contest to be held at Random Lake. Several of the officers will be touring the local grade schools this week explaining the role of agriculture in light of today's problems.

The local restaurants will be using FFA Week place-mats during the week while the teachers at the high school will be receiving apples and corsages from the chapter. FFA reporter Bob Gundry has been active in preparing displays at the high school while the other officers, Rich Loof, President, Henry Haack, Vice President, Anita Czerwonka, Secretary, Gary Schladweiler, Treasurer, and Neal Stoffel, Sentinel, have been out promoting our program in the community.

For tomorrow's agriculture

Prepared. Ready. Eager. Excited about tomorrow.

These are the youth who, trained in agricultural proficiency and given experiences in leadership, will emerge as the vital force to insure that tomorrow's agriculture will meet the needs of tomorrow's consumers. They are currently student-members of the vocational agricultural education-FFA program.

Vocational agricultural education is taught in 8,500 high schools in America. Students enroll in order to pursue any of the varied career avenues in agriculture. Technical training for farming and ranching is a large segment of the instructional program. It could be recognized as insurance against food shortages for Americans and people everywhere.

Some students choose to prepare themselves for ag-related careers. Because of the broadening aspects and demands in agriculture, the number of students is on the upsurge.

A strong point in this educational process for agriculture is the individual student's supervised occupational experience program — planned "Learning by Doing." And a real key to making it a success is the local vocational agriculture instructor.

These students are also FFA members. FFA is a proving ground or laboratory for the student-member to apply what he has learned in the classroom. The organization gives him incentives to aim for and honors his proficiency.

FFA stimulates its members to grasp leader experiences, to set measurable goals, to prepare themselves to take the lead and to appreciate their citizenship.

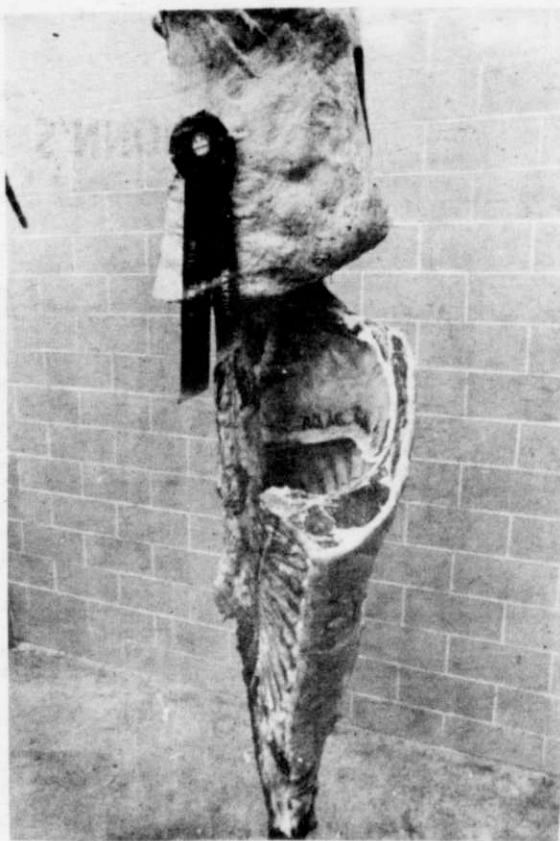

It is the purpose of the vo-ag —

Mr. Esser uses the facilities at Kewaskum Frozen Foods to show what the hogs are like off the hoof.

Just one shiny example of what is done in the ag shop.

County Goal for Archbishop's Fund Appeal Is \$103,000

The Washington County goal for the 1974 Archbishop's Fund Appeal has been set at \$103,000, Washington County Chairman Leo F. Schlaefter announced.

The annual Catholic fund campaign, which is the major source of revenue for the Archdiocese of Milwaukee

and helps support more than 30 Archdiocesan agencies, programs and services, will be conducted in the 285 parishes and missions of the Archdiocese on March 3-10.

Schlaefter said the Washington County goal represents 3.4 per cent share of the total Archdiocesan goal of \$3,030,000, and is only \$3,000 higher than the county's goal for the 1973 Fund Appeal. In that campaign, the most successful in Fund Appeal his-

tory, Washington County donors subscribed \$101,347. The total amount subscribed throughout the Archdiocese last year was \$3,024,472.

Individual goals for all counties and districts of the Archdiocese were announced at the same time by General Chairman John F. Cota.

In the surrounding area the goals are: Fond du Lac County \$149,000, Sheboygan County \$115,000, and Dodge County \$60,000.

Schmidt Wins In Sectional, Goes to State

Kewaskum will have one representative competing in this year's state wrestling meet at Mt. Dora this weekend (Feb. 22-23). He is Al Schmidt, who won the title in the heavyweight or unlimbited class at the Sectional meet at Grafton last weekend.

Schmidt was Kewaskum's only man in the Regional at Sheboygan the week before, where he lost to Kohler's Jim Miller in the finals, but reached the Sectional as a runner up. The championship bout in the Grafton Sectional featured the same two grapplers. But this time Schmidt was the winner, 4-1, to end Miller's string of consecutive wins at 24 (all of them by pins). Miller had gone to state last year. He was forced into a wrestleback to gain second in the Sectional.

Schmidt wrestled extremely well at Grafton, getting a first period takedown and a quick reversal in the second period. He rode Miller for over four minutes of the match. Al is now 25-3 for the year.

Indian Coach Fran Charland was greatly elated with Schmidt's win. Schmidt is only the second wrestler in Charland's four years of coaching here to go to the state. The other was Kim Rodenkirch.

Schmidt won a decisive 9-0 victory over Carl Mueller of Manitowoc in his opening Sectional bout Friday night.

Campbellsport won the Sectional title, amassing 62½ points, 12½ more than second place Valders. Six Cougars qualified for the state meet. Kewaskum was 8th out of 26 schools with 12 points, thanks to Schmidt.

Slinger Edges Indians by One Point, 69-68

Favored Slinger had its hands full here Friday night but finally eked out a victory over the Indians by a margin of just one point, 69-68, in another heartbreaker.

The junior-dominated Indians trailed at the quarter, 22-17, and 41-37 at halftime but then shot ahead by 5 points one time in the third quarter to make it a close contest the rest of the way. Trailing by 3 points in the closing minute, Tom Timblin brought the Indians to within 1 point by sinking 2 free throws. With 28 seconds left Jack Held also calmly dropped in 2 free throws for the 3 again. Don Gruber sank a bucket from the corner to reduce it to one. Then with 4 seconds left Randy Koepke let fly with a 35-footer which would have won the game but it bounced off the rim with the fans on edge.

Actually the game was lost in the first half when Slinger caught the Indian defense napping at least a half dozen times and sneaked down the floor for easy, wide-open layups. Another thing that hurt was a desperation shot by Don Karius from beyond half court which swished through the hoop as the half ended. This proved to be an important basket later on.

Randy Koepke led the losers with a game high 24 points and Scott Koth was next with 17. Koth fouled out with about 4 minutes left and his absence in the stretch hurt. Tom Luken, Slinger junior, paced his team with 21 points and Karius added 16. Mike Koepke led the Indians in rebounding with 19.

Kewaskum outboarded the Owls, 43-32, but better free throw shooting also helped Slinger pull it out. They hit 9 of 21 to Kewaskum's 12 of 29 for a poor 41 per cent. From the field the Owls hit 52 per cent compared to 41 per cent for the Indians.

Meanwhile the log jam at the top of the Scenic Conference began to break loose and Mayville and Germantown stayed on top with 10-3 records but Hartland lost its share of the lead going into Friday's finale. Mayville bumped Hartland, 40-38, while Germantown defeated Grafton, 85-80, in close ones. In the other tilt Kettle Moraine routed Pewaukee, 62-43.

This Friday Kewaskum hosts Kettle Moraine in its final contest and a win would give the Indians a tie with that team for 6th place.

JV's Win Again, Wrap Up Title

The Kewaskum JV's, now 12-1, are this year's Scenic Moraine Conference Junior varsity champs. Coached by Jim Westhal, they sewed up the title Friday as they routed Slinger, 55-40. (Might be some of them should be moved up to the varsity).

Kewaskum, whose only loss of the season came in overtime earlier, showed a strong defense and led at halftime, 22-15. They then pulled well ahead with a 20-point 3rd quarter as Tom Edwards, 6-2 center, sparked them with 11 points in the period. With the score 42-24, reserves finished the game again. Edwards scored 18 points in all. Steve Hart scored 12 for the Owls.

The Indian freshmen also won over 2nd place Slinger, 45-45, with a splurge in the closing minutes. Leon Laatsch scored 28 points and dominated the boards.

Lakes Team Wins, Ends Long Losing Streak

Kewaskum's winless Lakes basketball team finally broke their long string of defeats Sunday night in Badger gym, West Bend, where they defeated the Lithias, 118-115.

The win broke the team's futility streak of losing about 50 games in a row over four years. The last remembered win was over Slinger in the final game of the 1969-70 season. Manager Bill Backhaus reported that the team was pretty happy about it and "did a little celebrating" after the game.

Dennis Pieper sank 4 free throws in a bonus situation in the final minute to help seal the victory, the last 2 coming with 15 seconds left and the score 116-115.

Ron Bridgewater, 6-5 center, played an all-around great game, both in scoring and on the boards. He poured in 50 points, Glenn Eichstedt meshed 22 and Pieper 19 for the winners. Tim Zettel, Lithia manager, fired in 43 points, while Gordon Bechler, Chuck Rondorf and Mike Howard added 15, 14 and 14 respectively.

Kewaskum was ahead at the half, 64-60, and won despite the fact that Livingston McConnell, Eichstedt and Dick Wieter all fouled out.

This Sunday Kewaskum hosts Fort Washington (5-6).

GALS TIP PEWAUKEE, LOSE TO GERMANTOWN

The Kewaskum girls split 2 games the past week, beating Pewaukee easily, 53-24, but losing to Germantown, 45-35, knocking them out of a first place tie.

In the Pewaukee encounter Vivian Schacht and Diane Strick had 20 and 17 points respectively in the Germantown tilt, Vivian again was top scorer with 16 points.

The JV girls won their 4th game, 23-10, with Jill and Joy Zarling combining for 21 of the 23 points.
