With a six-way race for two positions on the board of education for the Kewaskum Community School District, a primary election was necessitated to eliminate two.

The primary will be held next Tuesday, March 5, in each village or town lying wholly or partially within the school district. The polls will be open from 9 a. m. to 8 p. m. An election notice appears on another page of this issue listing the place and hours of voting for each village and township.

The six candidates are: Incumbents Richard L. Edwards of the Village of Kewaskum and Thomas Gundum of the Town of Farmington; Paul Berg, Town of Kewaskum; David Wenzel and Richard Theusch, Town of Wayne and Mrs. Clara Trapp, Town of Scott.

Theusch was a member of the board from 1970 to 1973 but did not seek re-election last year. Berg and Wenzel were unsuccessful candidates last year. Mrs. Trapp is a first-time candidate.

Raise \$55.20 for Dystrophy Here

The Kewaskum Fire Department Canister campaign for Muscular Dystrophy raised \$55.20, it was announced today by Fire Chief Armin Oppermann, local chairman.

Chief Oppermann was very pleased with the campaign and wishes to thank all those who helped, the volunteers who distributed the canisters, the merchants who displayed them, and the many contributors.

The monies collected will be used for wheelchairs, braces, other orthopedic equipment, physical therapy and summer camp for Muscular Dystrophy patients in Washington County and for world wide research.

Muscular Dystrophy Associations of America, Inc., a non-profit organization, conducts an annual campaign to raise funds for research and services to local patients.

Muscular Dystrophy is a crippling disease which progressively turns healthy muscles into fatty tissue and eventually renders the victim completely helpless. There is no known cause, prevention, or cure for M. R.

Police Dept. Gets New Squad Car the Hard Way

By Ruth Held

The Kewaskum Police Department has a new police car. And it did it the hard way.

Its about-to-be-traded 1973 squad was snow-packed in a chase over snow-packed roads early Saturday that began near the south limits of Kewaskum and ended about eight miles later when a fleeing van rolled over and the Kewaskum police car careened off it and struck two cars illegally parked along the roadway.

John E. Kocher, 21, of R. 2, West Bend, driver of the van had a bruised hand and Kewaskum Patrolman Thomas Bauer, 21, suffered a bruised knee. Both were treated at St. Joseph's Hospital, and released. Kocher to the Washington County jail.

Charged with reckless driving, fleeing an officer and disorderly conduct, Kocher appeared Monday in Washington County Court. He was released on bond & the matter was adjourned to March 4.

Kewaskum Police Chief Don Hlavaty gave this ac-

count of the chase:

About 2 a. m. Saturday, Kewaskum police were alerted by the sheriff's department to be on the lookout and to pursue a light blue van, headed north on Highway 45. Kocher allegedly left the scene of a disturbance in West Bend and a West Bend police car was dropping out of the chase because its tire chains had come loose and were winding around the wheels.

Patrolman Bauer joined in the chase near the Bonne Belle Motel. The van continued north, then turned left on County Trunk H and in doing so furthered a sheriff's car coming on to H off the road.

With Bauer in pursuit, the van sped west through the hamlet of Wayne, and still farther west, across Hwy. 41, ignoring all stop signs along the way. About 500 feet west of 41, the van rolled over on Skyline Drive, a town road.

In rolling over, it kicked up snow, blocking out the pursuing officer's vision and the Kewaskum squad careened off the wheels of the van,

which lay on its side, and struck two illegally parked cars. Chief Hlavaty supposed the cars were parked on the roadway because of snow-blocked driveways.

Hlavaty said he commends Bauer for his fine work in the chase, adding "he did what he was supposed to do." This was Bauer's first major police work. He is a recruit on the local police force, with only two months of service behind him.

Bids for a new police car were being sought and it was expected the bid would be let at the March 4 village board meeting. However, the sudden demise of the present one forced the board to meet impromptu on Saturday afternoon when it was agreed to buy a new Chevrolet from the lot of Honeck Chevrolet for \$3,450. Any allowance from the demolished car will go to the village.

The new car, fitted with all its police paraphernalia and was in use Tuesday morning. The Washington County Sheriff's Department lent a car for Monday's use.

Attend Delavan Mini Convention

Four Kewaskum High School students and two instructors attended a mini convention at Delavan recently. Sponsored by the state FBLA, the convention was held to have the girls experienced in taking state tests and meeting other people. It was one of the bigger turnouts because 12 schools participated.

The day started at 9:00 with a social hour and then one hour of testing followed. Each girl entered only one test depending on their skills. After the tests, skits were put on for the girls while the teachers corrected the tests and then they had lunch. A Brian and Straton representative showed a film on business and made a few comments on it. The awards were also given at this time.

Attending from Kewaskum were Kathy Meyer, Beth Milewski, Terry Weaver, Cindy Rodenkirch, Mrs. Weiland, and Mrs. Cook.

A NOTE OF THANKS FROM WISCONSIN ELECTRIC

To our customers who waited patiently, for restoration of service, realizing the problems we encountered getting to damaged facilities through wet, heavy snow. . . .

To our crews and those of private contractors and neighboring utilities who worked tirelessly in bitter cold. . . .

To the hundreds of other Wisconsin Electric employees who worked 'round the clock taking countless telephone calls, processing thousands of work orders, and coordinating the massive effort to restore service. . . .

To the power plant employees who remained on the job when their relief was unable to negotiate snow clogged roads. . . .

To police and fire departments who stood by downed wires to prevent the possibility of injury to the public. . . .

To the mayors and other municipal officials who arranged for the assistance of their civil defense agencies. . . .

To the snowmobile clubs who helped us make field inspections of areas which were inaccessible to other forms of transportation. . . .

To the news media, particularly radio and television, for their progress reports and for directing those in need of dry ice to distribution centers. . . .

To all who worked under extremely difficult conditions to repair the devastation of the winter storm which began February 22nd, we say from the heart, Thank you, very much.

Plan Parent Drug Education Classes

The Washington County Drug Information Center (The Open Door) is sponsoring a four session drug education program for parents on March 5, March 12, March 19 and March 26, which will be held at the University of

Wisconsin West Bend Campus. Each session will start at 7:30 p. m.

These classes are being offered to inform parents of the drug scene today, so that when their children ask questions, they can get honest and factual replies from parents, rather than possible misinformation on the streets.

In addition to drug education conducted by the staff

of the Drug Information Center, the classes will include informative rap sessions with Dr. James Albrecht, David Vandevrede, psychologist and high school counselor, Pharmacist Richard Hammes, Attorney John Limbach, and representatives of the Washington County Council on Alcoholism and Washington County Sheriff's Department. Also included is a multi-media show entitled

"Any Drug Education Program that Talks Only About Drugs is at Best - A Waste."

If you are an interested parent and want to know at least as much as your children regarding drugs, please register by calling the Hot line, 334-4636 or 644-6016.

KEWASKUM 4-H'ERS

Our meeting was called together at 7:35 on Feb. 19. The pledge of allegiance by Roxanne Franzen and 4-H pledge by Jeanne Becker were given. The secretary's and treasurer's reports were accepted.

For old business we said we would go roller skating if we were asked or had enough kids to go.

Feb. 22 was a 4-H workshop. Patty Schaub was the only one who went. She said if you knew how to play a guitar or something you should look into this.

New business—We will not have the roller skating. All project leaders will be giving you a call when your project meetings are going to be. Swimming we will have but if we don't have enough people it will be cancelled.

Swimming committee—Laura and Linda Dei, Peggy Gjertson, Michele Serwe. You will have to find your own transportation to Badger Middle School for swimming. You will be able to take one friend.

Then we had the speech and poster contest. The winners for speeches are Janice Panzer and Susan Russell. Poster winners are Bobby Dei, Jim Russell, Sharon Dei.

Steilen Announces Candidacy for Register of Deeds

After attending the recent Republican Caucuses and much deliberation concerning rumors in and around the West Bend vicinity, John C. Steilen has decided to announce his candidacy for the office of Register of Deeds in Washington County.

He is 31 years old, married, with two children. His wife, Betty, (a registered nurse at St. Joseph's in West Bend), Jeff, 8; Pam, 4; and they live at 1618 Concord Lane in

West Bend.

He was born, raised, and educated in Washington County. He attended Holy Angels grade school, West Bend High School, graduating in 1960, and also attended Stout University for one year.

His employment record includes six years with the West Bend Company, as a Service Coordinator with their Miracle Maid Division. Prior to his present employment with West Bend he was a shipping clerk for the Gehl Company.

His political background includes two terms as a member of the Washington County Board of Supervisors. In 1970 he defeated incumbent John Kratz, in the First

District. Because of redistricting, in 1972 he ran, unopposed, in the newly created 8th District. Again, in 1974 he is running, unopposed, in the 8th District.

Steilen believes his education, employment background, and political experience qualify him as a candidate for Register of Deeds on the Republican ticket.

Sno Chiefs Enjoy Steak Fry

Members of the Kewaskum Sno-Chiefs Snowmobile Club and their families held their annual steak fry at Aggie's Bar-N Ranch tavern on Sunday, Feb. 10. Hamburgers and hot dogs were also served.

It was a snowy, blowy day, fine for snowmobiling, and a total of 103 snowmobiles made the trip to the Bar-N. A total of 165 persons attended the fry, including 115 adults and 50 children. Some of the 103 machines parked on the premises are shown in the top photo. The lower photo shows part of the crowd enjoying their steaks inside of Aggie's tavern.

The tasty steaks were made

on an outdoor grill by "chefs" Bob Staehler, Erv Bonlender, Raynor Herriges and John Milewski, and there was more than enough for all.

Following the fry most of the members enjoyed snowmobiling in the area, while we took a car tour of the surrounding area and counted the many snowmobiles out that day in force. The snow was plentiful and trails in fair condition. Besides all the machines we saw along the roads, all taverns had snowmobiles parked in front of them ranging in number from 4 to 22.

Kewaskum's Al Schmidt Cops Third in State Wrestling Meet

Kewaskum heavyweight Al Schmidt fared the best of any area wrestler in the WIAA State Wrestling Tournament concluded at Madison Saturday night by winning third place and attaining a goal set for himself.

Schmidt and Campbellsport's Dennis Kelley, who took a fourth place at 132 pounds, were the only area wrestlers to place. It was a disappointing end to a successful season for Campbellsport, which had dominated the Regionals and Sectionals, and had qualified six individuals for the state meet, only two of whom made it through the first round. Due to the snowstorm, the Cougars found it difficult to get to Madison. Some had to be brought in by snowmobile, while others shoveled for hours to get their cars going.

Schmidt, second smallest in his class, did his best wrestling in the state meet. After a near four hour delay because of the storm before the unlimiteds wrestled, Al downed Mosinee's Bob Wenzel 2-0 in the first round. Wenzel is 6-4 and 230 lbs. Schmidt dominated the match, riding for almost an entire four minutes.

His next opponent was 267 lb. Dale Michiels of Luxemburg-Casco and Schmidt won 3-1 to gain a semi-final berth. Schmidt then faced the eventual champ, Don Meyer of Reedsburg a heavy favorite. Meyer finished second last year at state as a sophomore and was now 27-0. Schmidt gave Meyer a tough fight before losing 3-2. Later Meyer said that he and Schmidt should have met in the finals rather than semis.

Schmidt then eliminated Racine Horlick's Jack Hanson in the wrestle backs 7-3 and then had to meet Jim Miller of Kohler again for third. Al had been pinned by Miller in the Regional finals but beat him in the Sectional finals 4-1. Schmidt made it two out of three over Miller by winning, 2-1.

Mayville Ousts Indians, 58-51, in Regional Here

The Kewaskum Indians were eliminated from further tournament play when Mayville, second place winner in the Scenic Moraine, defeated them in the Class B WIAA Split-Regional here Tuesday night, 58-51. The teams split 2 games during the season.

Led by the hot shooting of Tom Fischer and Luddy Wurtz, the Cardinals outscored the Indians in every quarter by small margins except the last. Kewaskum was very cold, shooting only 30 per cent to Mayville's 54.

Both teams started out tight and no points were scored for about 2½ minutes. Then each scored 3 before Mayville ran up an 11-3 advantage. Three baskets by the Indians brought it to 11-9 at the quarter. The Cardinals increased their lead to 6 at halftime, 31-26. The Indians got into foul trouble early

with Scott Koth and Randy Koepke each getting 3 in the first period.

The second half again started slow before Mayville finally increased its lead to 9 points on 2 buckets. Koth, Randy Koepke and Don Gruber all had 4 fouls and had to take it easy as subs relieved them part time. In the final quarter it was all Fischer and Wurtz, Mayville's 2 seniors, who were 1-2 in Scenic scoring this year. They combined for all of their team's 17 points in the period.

Fischer was the game's high scorer with 22 points and Wurtz added 19. Mike Koepke, one of 6 or 7 juniors and now 1 sophomore on the squad, had 15 points and 12 rebounds for the Indians. Senior Doug Bilgo was next with 10.

Soph Jim Bilgo, Doug's brother, was brought up from the title winning JV's for the tourney. He did some good ball handling and chipped in 7 points.

So Mayville moves up to the Regional tournament at Campbellsport Friday night. They will face Slinger again, which nipped them twice by 1 point during the season, in the second game. The Owls drew a bye Tuesday. In the first game Campbellsport, winner over Random Lake on Tuesday, meets Sheboygan Falls.

Indians Lose Final Contest, Finish Seventh

Due to the snowstorm Friday, Kewaskum's final conference game here against Kettle Moraine was postponed until Saturday night, when the visiting Lasers downed the Indians, 64-55. With the loss they wound up in 7th place with a 3-11 record. A victory would have tied them with Kettle for 6th.

Coach M. Williams started his 3 seniors. Doug Bilgo, Mike Faber and Mark Steinhart, in the final game, 2 of whom had seen little previous action, together with Scott Koth and Mike Koepke. Then the other regulars came in and had a disastrous 2nd quarter, scoring only 7 points, while Kettle Moraine tallied 21 to take a 33-21 halftime lead. The Lasers also outscored the Indians in the 3rd period but Kewaskum came back to outpoint them by 6 in the final stanza to close the gap to 9 points at the end.

Kewaskum committed many costly turnovers which hurt.

Randy Miller, 6-4 Laser junior, took high scoring honors with 21 points, 9 of them in the 3rd quarter.

Houk and Cummins each scored 12. Mike Koepke with 16 and Don Gruber with 14 paced Kewaskum.

Germanstown won the undisputed Scenic championship by edging out Hartland in overtime, 70-69, while Slinger was again upsetting Mayville, also by one point, 52-51, to knock the Cardinals out of a title share.

Lakes Team Has Winning Streak

After not winning a single game in several years in the Lakes League, Kewaskum now has a 2-game "winning streak" going. They had lost about 50 games in succession before breaking the ice by beating West Bend Feb. 17 and Sunday they edged Port Washington, 110-109. Thus Kewaskum moved out of the cellar in the "B" Division, ahead of West Bend.

Kewaskum achieved the win without their new colored stars, Livingston McConnell and Ron Bridgewater, in the lineup. High scorers were Mike Coulter with 34 points, Dennis Pieper with 27 and Glenn Eichstedt with 25. The big scorers for Port were Rollie Kitt with 42 points and Curt Lahte with 39.

Kewaskum led at the half, 57-55, but had to fight back after being behind by 7 points, 88-81, at the start of the 4th quarter. With 8 seconds remaining and the score 109-107, Coulter made 1 of 2 free throws. Port came back with a basket at the buzzer to make the final score 110-109.

In other contests Hartford thumped Slinger, 123-95, Cedarburg trounced Germanstown, 120-90, and Mayville bumped Horicon, 116-107.

This Sunday Kewaskum plays at Horicon.
