NUMBER 14

School Board Approves New Assistant Principal Position

Approval was given by the Board at its meeting to create a half-time Assistant High School Principal position for next year. This position has been discussed for some time in the district. Because of the high school enrollment which will be over 700 next year, a part-time Assistant Principal is felt to be necessary. Also, with our entry into North Central Association of Secondary Schools, there is a requirement that there be a part-time assistant principal when the high school enrollment goes over 500.

A number of items were authorized for purchase. A set of chimes for the band, new curtains for the high school stage and in-wall tables for the new middle school. The Board also authorized a list of equipment for the library-media center in the new middle school and authorized the Building Committee to select the equipment when proposals from various suppliers are in.

A request from Mrs. Karen Kuehl for a year leave of absence without pay was approved by the Board.

A special meeting was set for Wednesday, April 3, at 7:30 p. m. for the purpose of canvassing ballots.

The report prepared by Mr. Brenholt on the bussing complaints was accepted. The reports of speeding at 70 miles per hour were rejected since the busses are equipped with governors which allow a top speed no greater than 55. It was also pointed out that the law does permit busses to move before children are seated when loading. However, it was felt that with kindergarten children especially, this is a questionable practice and should not be done. The Board also accepted the idea that these problems should not reach Board meetings until all administrative channels have been exhausted.

There was discussion of complaints of foul language by some students in school, particularly the Junior High students, and also of smoking off school grounds. It was pointed out that unless parents are willing to give details of who is doing these things, it is very difficult to discover and correct this type of student discipline problem.

The Board adjourned to executive session to discuss teacher negotiations, the Assistant Principal position, and salaries for administrators and other non-teaching personnel.

WORLD WAR I VETERANS MEET HERE SATURDAY

The Veterans of World War I will meet at the American Legion Hall in Kewaskum Saturday, April 6, at 2 p. m. The usual club atmosphere, visiting, lunch and cards will follow. All vets of World War I are invited.

Policeman Shot At West Bend Is Former Resident

Theusch, Gundrum Elected To School Board; Incumbent Village Trustees Re-elected

Patrolman John "Jack" Spartz, 35, of West Bend, who was shot and wounded early Sunday when he tried to disarm a man after being sent to a family trouble call, is a former resident of R. 2, Kewaskum, and a graduate of Kewaskum High School.

Spartz was listed in satisfactory condition at St. Mary's Hospital, Milwaukee, where he underwent surgery on a gunshot wound to his left leg Sunday. He was transferred to St. Mary's from St. Joseph's Community Hospital, West Bend, where he was first taken.

Police said a 27 year old man, Gerald Charles, 607 E. Decorah Road, Apartment 5, West Bend, was arrested and was being held in the county jail in connection with the shooting. Bail for Charles was set at \$10,000 Monday morning.

West Bend police gave this account: Spartz and another officer were sent to a home on the city's southeast side shortly after 2 a. m. The man answered the door and after talking for a few minutes, said, "I'm going to get my gun." He then slammed the door in their face.

A few minutes later, he returned, partly opened the door and stuck the barrel of a rifle out. Spartz grabbed the rifle barrel, trying to disarm him, but the gun fired, striking Spartz in the leg.

The second officer radioed for assistance and within minutes, about 20 officers from the West Bend Police Department and the Washington County Sheriff's Department were at the scene.

About 45 minutes after the shooting, Detective Arthur Wellner talked the man into surrendering. The man's wife and children were in the house during the incident and Spartz reportedly warned other officers not to shoot because of them.

Bicycle Safety Clinic Apr. 9-10

A Bicycle Safety Clinic will be conducted on Tuesday, April 9, and Wednesday, April 10, at the Kewaskum High School. This clinic is being co-sponsored by the Kewaskum Police Department and the Kewaskum Junior Woman's Club in the interest of promoting bicycle safety.

Tuesday's session will be from 10:00 a. m. to 11:00 a. m. and will be held in the high school gym. A film on bicycle safety will be shown and a talk given by a policeman. There will also be a question and answer period.

On Wednesday, the children will demonstrate their riding ability on the school grounds. Grades 4 and up will meet at 9:30 a. m., while grades 1 to 3 will meet at 10:15. Cyclists who pass the test will receive a Bicycle Safe Driver License. In the event of rain on Wednesday, the class will meet on Thursday, April 11.

Ambulance Calls

Saturday, March 30, 1:27 a. m.—Elmer Gaul, West Bend, and Mrs. Gerald Yetter, Kewaskum, removed to St. Joseph's Community Hospital, West Bend, with injuries suffered in an auto accident at the Main Street bridge.

Sunday, March 31, 9:02 p. m.—Shirley Adamczyk, 1310 Kilbourn Ave., West Bend, removed to St. Joseph's Community Hospital from the Hitching Post, Kohlsville.

Monday, April 1, 10:13 a. m.—Voyle Wise, R. 3, Campbellsport, removed to St. Joseph's Community Hospital from his residence.

Ralph M. Rosenheimer Retires

Ralph M. Rosenheimer, chairman of the board, North Shore Bank, Shorewood, and a former Kewaskum resident, retired from active service as of March 31. He will continue to serve on the board of directors as honorary chair-

man. Richard Theusch and Thomas Gundrum were top vote-getters in the four-way Tuesday election for two positions on the board of education for the Kewaskum Community Schools district. Theusch was a board member from 1970 to 1973. Gundrum is an incumbent.

The total vote in the district gave Theusch 841 votes; Gundrum 705; Richard L. Edwards 569, and Mrs. Clara Trapp 464. Theusch carried all voting areas except the Village of Kewaskum. Defeated incumbent Edwards had spent ten years on the school board and served as board chairman for eight of those years.

In the village, the vote was: Gundrum 256; Theusch 234; Edwards 212, and Trapp 124. The terms for Theusch and Gundrum will begin immediately following the annual electors' meeting in July. Each is a three-year term.

In a four-way race, all three incumbent village trustees won re-election Tuesday, outpolling their challenger, Richard E. Zarling. The vote was: Raynor Herriges 347; Gregor A. Nigh 344; Elmer Yoost 337, and Zarling 239.

Charles Miller was re-elected county supervisor representing the village on the county board. He polled 435 votes, running unopposed. A total of 462 votes were cast, about 50 per cent of the potential vote.

In the judicial election, village voters gave Horace W. Wilkie 290 votes and Raymond C. Johnson 142. Wilkie won out easily over his opponent for justice of the supreme court.

In the referenda voting, local voters voted as follows: Number 1 (increasing pensions) Yes 229, No 163; Number 2 (removal of judges) Yes 301, No 72; Number 3 (taxation of various types of land) Yes 200, No 184.

Bartelt - Ramel Wedding Held

St. Lucas Evangelical Lutheran Church, Kewaskum, was the setting for the four-thirty p. m. wedding ceremony of Miss Peggy Bartelt and Jeffrey Ramel on Saturday, March 23. They are the children of Mr. and Mrs. Willard Bartelt, 1450 Parkview Dr., Kewaskum, and Mr. and Mrs. Reuben Ramel, R. 1, Kewaskum. The ceremony was performed by Rev. Paul Hoencke. Deep red and ivory roses banked the altar with ivory candelabra at the pews.

The bride chose an ivory satrapeau gown accented with cluny and Venice lace and pearls for her marriage. It was styled with high neckline, lantern sleeves and A-line skirt. A detachable train fell from the back waistline. She carried a single deep red rose and baby's breath.

Debra Doherty acted as matron of honor and Laurie Belger and Kristy Honeck

served as bridesmaids. All wore gowns styled with ivory crepe bodice accented with cluny lace, tied at the waistline and rouge velvet A-line skirt. Each carried an ivory rose and baby's breath.

Douglas Schacht served as best man and groomsmen were Steve Fickler and Doug Bindrich. Ushering duties were performed by Thomas Bartelt and Marvin Tanck.

Flower girl was Jacqueline Bartelt, ring bearer Ross Bartelt and page Brad Bartelt.

A reception, dinner and dance at Hon-E-Kor followed the ceremony. Music was by the Dennis Reha combo.

The groom is employed at Kieckhaefer at Cedarburg and the bride is employed at Amity Leather Products, West Bend. The newlyweds are at home at Hillcrest Apts., 1290 Wayne Rd., Apt. 107, West Bend.

Heart Fund Drive Contributions in Village Total \$795

Contributions from the Wisconsin Heart Association's 1974 Heart Fund drive in the Village of Kewaskum totaled \$795.74. Mrs. Walter Bade, local Heart Fund campaign chairman, announced.

"These contributions, collected during February and early in March, will be used by our Wisconsin Heart Association to fund research, community service and education programs throughout the state. These programs are aimed at reducing the mortality rate and disability toll from heart and blood vessel diseases — Wisconsin's num-

ber one killer," the chairman said.

The generous response of the residents of Kewaskum demonstrates their awareness of the seriousness of the heart and blood vessel disease problem, according to Mrs. Bade, who, as chairman represents the Kewaskum Woman's Club, sponsor of the Heart Fund Drive.

In addition to the club members who assisted in the solicitation of funds, the following members of the community assisted: Mmes. Dennis Reha, Robert Zarling,

'Involvement 74' Program Held At High School

The strengths of a community depend upon the diversity of its educational services. With this in mind, the KHS Student Government arranged "Involvement 74" which was held March 21. The purpose of "INVOLVEMENT 74" was to utilize all the educational opportunities that are available in the community. "Involvement 74" provided a time and an opportunity for students to learn about crafts and concepts that have captured their imagination, but have otherwise been unattainable in the regular curriculum.

Regular classes were suspended for the day, as teachers were called in from West Bend and Wauwatosa, as well as KHS faculty, administrators and area businessmen. All students were required, to take six hours of course work, from a selection of over 80 topics. Most of the subjects were taught at the high school; everything from ESP to Cake Decorating and from How to Throw a Curve, Slider and

Sinker to Introductory French. Several of the classes required, by nature, leaving the high school premises, for example: Bowling, Model Aircraft, Scuba Diving, Trap Shooting, a Trip to a Local Dairy Farm, and an Excursion to Madison. Ten KHS students will be traveling to the Kettle Moraine State

Forest, to spend one night learning Outdoor Survival, with a forest ranger. Areas of instruction include: shelters and their construction, food and water gathering, making fire, proper use of an axe, and orientating oneself to directions.

"INVOLVEMENT 74" is the first program of this na-

ture to be offered in Kewaskum. It will be continued into the next school year as students will spend their X period classes expanding what was begun this year.

Bad Ice Storm Closes Schools

A freezing rain and ice storm which was the worst in several years last Thursday and Friday caused cancellation of junior high classes in Kewaskum and schools in Campbellsport Thursday and cancellation of all Kewaskum schools Friday.

Due to the ice coated roads two potentially dangerous situations involving school buses occurred Thursday morning when one bus hit an electric pole at New Fane and another hit a pole near Beechwood. Wires landed on top of the buses in both cases but the drivers were able to drive out from under them while keeping the children inside.

Lakes Team Loses
Tourney Opener

The Kewaskum Land o' Lakes League team is participating in the 19th annual Amateur Open Basketball Tournament at Howards Grove, comprising 14 teams, and lost their opening game Sunday afternoon to the Locker Room team of Fond du Lac, 102-66.

Kewaskum now enters the consolation bracket in the tourney and will play Old Town of Sheboygan Thursday, April 4, at 9:15 p. m. Should they win, they would play Saturday, April 6, at 8 p. m. and with a victor in that game would play again Sunday, April 7, at 6 p. m.

Playing without their leading scorer, Dennis Pieper, Kewaskum didn't stand a chance against the Fond du Lac team. They were behind at halftime, 48-24, and trailed throughout the contest. Bill Backhaus paced Kewaskum with 18 points. Ted Harvey was high for Fond du Lac with 26.
