## Final Tribute Paid To Kewaskum Marine

By Ruth Held

KEWASKUM — Final tribute was paid here to Marine Captain Edwin James Fickler, 25, presumed dead as of Feb. 4, after being listed as missing in action since Jan. 17, 1969. He was pilot of a fighter plane that did not return from a mission over South Vietnam.

Many veterans from many places and with varied former associations with the young officer, filed into Peace United Church of Christ to pay a personal tribute. An honor guard from the U.S. Marines' Milwaukee Unit was stationed inside the entrance.

The Rev. Daniel Schowalter delivered the eulogy during the service and Marine Cap. Michael Gavlik, head of the Milwaukee unit, presented six medals and accompanying citations awarded posthumously to Jim, to his parents, Mr. and Mrs. Edwin Fickler.

The Rev. Schowalter spoke of the "unanimous sense of profound loss felt throughout this community where Captain Jim grew up.

"In the shadow of a black night of sorrow and grief," he continued, "some thoughts shine out like stars in the midnight sky: Let us express gratitude for Jim's life, rather than resentment at the status of presumed death. Let us be thankful for those years rather than submit to the temptation to become bitter. Exercise faith in God's love

and wisdom, rather than doubt and be hopeful of the future, rather than despairing.

"His life was not in vain. His influence was for good, his ambition and quality of spirit have affected many."

He read a poem found by Mrs. Fickler in Capt. Fickler's book of memoirs which, in orderly fashion, covered much of his life from hunting experiences to school records to service records and, finally, Vietnam.

Medals presented included the Air Medal for "devotion to duty in face of hazardous flying conditions and being exposed to hostile fire at close range;" the Navy Commendation for "meritorious service performing his duties in an exemplary and highly professional manner;" The Purple Heart for the wounds presumed to have caused his death; National Defense Medal; Vietnamese Service Medal and Vietnam Campaign Medal. Also presented was the Honorable Service citation from the Secretary of the Navy, and a letter from Gen. R. E. Cushman, Jr., Commandant of the U.S. Marine Corps, which read, in part:

"These medals and accompanying citations are evidence of your son's character and deeds and they represent the high esteem in which he was held by the Corps and his fellow Marines. We take pride in the memory of your son; who was a brave man and a fine Marine."

## TOUGH ON THE ROAD NOT ON THE RIDE

Atlas Forty-Two Tire.  
At your Standard dealer.

6 full plies under the tread. That's four full plies of polyester cord and two fiberglass belts that hold the tough tread firmly to the road, to resist squirm. That means less wear and more mileage potential than with unbelted tires. Still, with all its toughness, the Atlas Forty-Two belted tire handles like a kitten. Because every one is "ride-oriented" — computer checked at the factory help to assure a smooth, comfortable ride. Charge it on your Standard Oil credit card.

**Kettle Riders  
Buy Tractor,  
Plan Events**

The New Fane Kettle Riders Inc. Snowmobile club has just completed negotiations to purchase a Muskeg tractor. It is an all terrain, double tracked type tractor, powered by a 140 horsepower Chrysler Industrial engine. It is built by Bom a dier Company in Canada. The club purchased it primarily to pull their snowmobile trail equipment, so they may be better able to groom their many miles of snowmobile trails. The Muskeg Tractor will also be used to erect and take down the thousands of signs and trail markings which the club erects each

year.

In July of each year the club sponsors a Mid-Summer Sno-Fest, at Hinn's Hall in New Fane. This year's date for the dance is July 20. All proceeds from this year's event will be used toward the financing of the Muskeg Tractor. Advance tickets will be available from any club member by the end of May.

The New Fane Kettle Riders are always active in many civic projects throughout the year. Just before Easter they are going to have an "Easter Egg Hunt" for all the school children of Threshhold, that go to Oak Knoll School near Cedar Lake.

Each year after the snowmobiling season the club sponsors an "Appreciation Party" for the area landowners, who do not operate or own a snowmobile, but

let us use their land to put through our trails. The event is being held May 11, with a dinner being served from 7 - 8:30 p. m. From 9 p. m. - 1 a. m. there will be dancing to the Harold Mueller band, with plenty of refreshment to be enjoyed by all.

The New Fane Kettle Riders also donated \$50.00 to a family, whose house, household furnishings and clothing were practically destroyed by fire recently.

Good judgment comes from experience — usually experience which was the result of poor judgment.

**NEW HOME COSTS TOO STEEP?**

**REMODEL YOUR PRESENT HOME TO ENJOY NEW HOME COMFORTS**

Is the cost of a new home just about out of your reach? Relax. You can enjoy the comforts and conveniences of a new home simply by remodeling your present home. Think of it, a new bathroom and new kitchen as good as and even better than that in most new homes. A new and more efficient heating and cooling system of the finest quality. And all at a tremendous saving over new home cost. At the same time you increase the value of your property more than the cost of the installations.

We appreciate the fact that someone was able to look at this problem from another point of view; as there are always two sides to an issue such as this.

It's good to know that a student can see what is going on better than a parent who makes false and ridiculous accusations.

All the bus drivers are grateful that there is a student who is concerned about this situation.

## Backhaus 3rd In U.S. Track And Field Meet

Kewaskum's distance runner, Randy Backhaus, running his best time ever, placed third in the two-mile event in Saturday's United States Track and Field Federation Meet held at Camp Randall Memorial Building, Madison. He was clocked in 9:46.2.

The two-mile event was run on an invitational basis and mainly because of the effort of McFarland's ace distance runner, Steve Lacy, provided the most excitement of the meet.

Lacy, who had turned in the state's fastest indoor mile the week before (a 4:18.8) shattered the two-mile mark with 9:07.6. Kewaskum coach Neil Denniston reported that Lacy kept up a blistering pace throughout the two miles and pulled away from the rest of the 12-man field about three-quarters of the way through the race. He lapped all competitors, even the second and third place finishers.

Backhaus' best time had been a 9:50 plus and that was outdoors late last season. He was just two seconds behind Belmont's M. Mische. Randy's best time indoors thus far this year had been 10:07.

Immediately after the race, Lacy was to travel to Wisconsin Rapids for the meet of champions.

No other Kewaskum com-

petitor placed in the top five. Hurdler John Fischer made it to the semi-final competition in the high hurdles before being eliminated.

Kewaskum begins its outdoor season Tuesday, April 16, hosting front runners in the Scenic Moraine, Germantown and Grafton.

## Lakes Team Eliminated

Playing in the consolation bracket after losing their opening game of the Amateur Open Basketball Tournament at Howards Grove, the Kewaskum Land o' Lakes League team was eliminated Thursday night when they lost again to the Old Town team of Sheboygan, 83-75.

Carl Nonhof led Old Town's win over Kewaskum with 18 points and was also later named to the all-tourney team. Bill Backhaus and Mike Reindl outscored him by each meshing 21 points for the losers, while Glenn Eichstedt scored 15. The teams were tied at the half, 39-39, but the Sheboygan club surged ahead in the third quarter.

Madison's National Savings and Loan team captured the championship in an overtime with Dale's Bar of Sheboygan Falls. Menomonee Falls, A Division champions of the Lakes League, wound up in third place. The Madison club, led by Joe Franklin, former UW ace with 36 points, and other former college stars, beat Dale's 111-106. Other former university stars led the losers, Jack Gebler with 34 and Mike Carlin with 23. Franklin was named MVP and Carlin the out-

standing player of the tourney. Bob Wolf of Menomonee Falls former Marquette ace, was also named to the all-tournament team.

## Backhaus 3rd In U.S. Track And Field Meet

Kewaskum's distance runner, Randy Backhaus, running his best time ever, placed third in the two-mile event in Saturday's United States Track and Field Federation Meet held at Camp Randall Memorial Building, Madison. He was clocked in 9:46.2.

The two-mile event was run on an invitational basis and mainly because of the effort of McFarland's ace distance runner, Steve Lacy, provided the most excitement of the meet.

Lacy, who had turned in the state's fastest indoor mile the week before (a 4:18.8) shattered the two-mile mark with 9:07.6. Kewaskum coach Neil Denniston reported that Lacy kept up a blistering pace throughout the two miles and pulled away from the rest of the 12-man field about three-quarters of the way through the race. He lapped all competitors, even the second and third place finishers.

Backhaus' best time had been a 9:50 plus and that was outdoors late last season. He was just two seconds behind Belmont's M. Mische. Randy's best time indoors thus far this year had been 10:07.

Immediately after the race, Lacy was to travel to Wisconsin Rapids for the meet of champions.

No other Kewaskum com-

petitor placed in the top five. Hurdler John Fischer made it to the semi-final competition in the high hurdles before being eliminated.

Kewaskum begins its outdoor season Tuesday, April 16, hosting front runners in the Scenic Moraine, German town and Grafton.

## Lakes Team Eliminated

Playing in the consolation bracket after losing their opening game of the Amateur Open Basketball Tournament at Howards Grove, the Kewaskum Land o' Lakes League team was eliminated Thursday night when they lost again to the Old Town team of Sheboygan, 83-75.

Carl Nonhof led Old Town's win over Kewaskum with 18 points and was also later named to the all-tourney team. Bill Backhaus and Mike Reindl outscored him by each meshing 21 points for the losers, while Glenn Eichstedt scored 15. The teams were tied at the half, 39-39, but the Sheboygan club surged ahead in the third quarter.

Madison's National Savings and Loan team captured the championship in an overtime with Dale's Bar of Sheboygan Falls. Menomonee Falls, A Division champions of the Lakes League, wound up in third place. The Madison club, led by Joe Franklin, former UW ace with 36 points, and other former college stars, beat Dale's 111-106. Other former university stars led the losers, Jack Gebler with 34 and Mike Carlin with 23. Franklin was named MVP and Carlin, the out-

standing player of the tourney. Bob Wolf of Menomonee Falls former Marquette ace, was also named to the all-tournament team.
