## Bids for New Fire Truck Opened; Addition to Fire House Planned

By Ruth Held

Bids for a new fire truck for the Kewaskum Volunteer Fire Dept. were opened during a village board meeting Monday night. There were four, in amounts of \$72,356, \$74,700, \$79,168 and \$146,060. They were turned over to a fire department committee for study and recommendation.

The type of truck bid on is a "Tele-Squirt" with a 50-foot aerial ladder and telescopic water tower. The new vehicle will supplement the present fire equipment.

Preliminary plans for an addition to the fire station were presented. No action was taken. Plans were drawn at the request of Fire Chief Armin Oppermann by an area architectural firm and without cost to the village. The plan calls for expansion to the north of the existing building on what is now parking lot.

There were two drawings, one with a basement and one without. The basement plan would provide a meeting room. It was suggested that the walls of the proposed addition be built strong enough to support a second floor, if ever needed. Should the village, at some future time, have a full-time fire department, the second floor could become a dormitory.

Village President Charles Miller observed that financing is a prime issue if plans are to proceed and he asked Village Commissioner William Martin to check into possible federal funding.

There was a discussion of

the new minimum wage and maximum hours act of 1974 and how it will affect four hourly rate village employees who come under it. The act (Continued on Page 2)

## Scouts, Families Attend Canoe Trip and Picnic

Kewaskum Boy Scouts, Explorers, Webelos and their dads, a total of 38 people in 12 canoes, had an exciting fun-filled six hour canoe trip through the Kettle Moraine marshes and woodlands Sunday, May 5.

The canoe trip started at Dundee in shallow waters, meandered south to New Prospect, stopped over at Mauthe Lake for lunch and finished north of New Fane. A number of portages were made due to unknown shallow areas, rock dams and windfalls blocking passage by water. It was quite an endurance test and by the end, everyone got wet one way or the other, but made it safely.

Scouts and dads then met the rest of the family at the Wigwam Hall for a cookout and potluck picnic, swapping stories and jokes of the day's event. Approximately 100 persons attended the picnic.

The Scout committee, Scouts, dads and families thank all those who helped in furnishing canoes and equipment and especially Bill Edwards for allowing the families to use the Wigwam Hall for the picnic. It was a great success.

## Local Students, Teachers on Trip to Spain

Southern Spain with its beautiful beaches along the Mediterranean Sea, its majestic mountains, the quaint little towns and the impressive Holy Week processions became a dream come true for twenty Kewaskum students and three high school teachers during Easter vacation.

Miss Kathy Spencer, Spanish teacher, described the trip as follows:

"Our trip began April 6 when we flew from O'Hare Airport via Capital International Airways direct to Malaga, Spain. We were met at the airport and taken by bus to Playamar, a condominium apartment complex located on the sea, where we lived in luxury for one week.

After spending a somewhat relaxing Sunday on the beach and eating paella at the Yacht Club in Marbella, we began our actual touring on Monday by visiting the town of Ronda. Located very high in the mountains and built on two mountain peaks joined by a bridge, this town contains the second oldest bullring in Spain, a place often visited by Ernest Hemingway.

A flamenco performance highlighted our andalusian supper of gazpacho, paella and sangria on Tuesday evening. The flamenco dancing accompanied by guitar music and castanets is typical of this southern region of Spain. The evening was a most enjoyable experience for the students, especially the girls

## Village Board

(Continued from Page 1) stipulates that time and one-half be paid for any work week over 40 hours. These employees are now paid on a straight time basis.

The alternatives were pointed out—cut back the work week to 40 hours or pay time and one-half. The matter was referred to committee for recommendation.

At village request, consulting engineer Forest Robinson presented some figures on what it would cost to black-top the streets in Bel-Ric Acres subdivision. This move follows recent complaints from residents there of extremely muddy conditions in the spring and questions of what the village board plans to do to improve the road conditions.

The project had to be deleted from the present budget in order to keep it within limits set by the state.

Based on recent road projects, Robinson said it would cost about \$62,725 to lay four-inch asphalt on all streets in the subdivision that have curb and gutter. The price would include grading and shaping and would call for use of gravel from the village stockpile.

It would require about 3,500 tons of asphalt. This year's price is up about \$3.50 per ton for a 30 per cent increase, it was noted. Robinson suggested going to a "skin coat" of asphalt but board members were doubtful of it in view of the fact that the subdivision has a very poor sub-soil condition. Board members will "go out and take a look" next Monday night.

**NOTICE**

Speaking about training dogs. No one can train a dog where there are so many on one place. A dog will train a lot easier with its owner all by itself. In some cases dogs are spoiled after they are together with so many other dogs. We hear this so many times.

We have some of the best books on how to train your dogs free for the asking. This way you won't get your dog excited, and you will have a good dog.

## Trip to Spain

(Continued from Page 1) who enjoyed taking pictures of the singing musicians as they moved throughout the dining hall.

Wednesday evening we travelled via public transportation to the city of Malaga for the beginning of the Holy Week procession. Each church has its own "float" of statues, candles and flowers and the entire procession represents the Way of the Cross of Christ. The procession was so impressive that most of the students returned to Malaga Friday evening to view

the procession once again.

Thursday we travelled to Granada to view the awesome Moorish fortress, the Alhambra, built by the Moors in the 12th century and the Royal Chapel which houses the tombs of Ferdinand and Isabel, king and queen of Spain when Columbus began his voyage. The Alhambra is a most magnificent building surrounded by beautiful gardens and fountains.

The final tour to Sevilla on Saturday culminated our week in Spain. We visited the third largest cathedral in the world and saw the tomb of Christopher Columbus. We enjoyed a visit to the Alcazar,

another building partially constructed by the Moors.

Wearily but full of memorable experiences we returned home on Sunday, April 14. Those participating in this most enjoyable vacation included: Wanda and Vicki Akin, Sue and Monica Bohn, Jane and Kim Krueger, Debbie and Mike Strigenz, Jeanine Volm, Kathy Meyer, Ann Koerble, Janice Panzer, Jeanne Marx, Ann Lohrer, Lynn Kempf, Linda Dreher, Julie Zarling, Dawn Boettcher, Sheila Sonnenberg, Amy Erdmann, Miss Jeanne Urban, Miss Sue Pruefert and chaperone Miss Kathy Spencer."

### DIETS

One fat man went on an onion diet—he lost 15 lbs. and 45 friends . . .

A diet is when you stop eating your regular meals until you're fed up . . .

Keep your words soft and sweet, you may have to eat them . . .

If you are blessed with strength to diet, be my guest - but keep it quiet! . . .

One thing this country needs is a reduction in its waste line . . .

To the women who need to diet and don't; never buy dresses with a flower print, you may wind up looking like the whole greenhouse! . . .

One of my customers says, "Starting next week my wife and I are going on a diet. I guess we'll be practicing girl hcontrol" . . .

A good way to diet is to learn to push yourself away from the table . . .

"Get a table that needs refinishing, a room that needs painting or peeling paint on your garage or house? If you do then it's time to pay me a visit," says "HWI FRIENDLY ONE" Al Staab. "Bring your problems to MINZ SUPPLY and ask for me and we'll work out a colorful solution together . . ." P. S. Tell your wife painting is good for the figure and she'll probably ask to help you do it . . . It's worth a try!

## Regal Introduces Chocolate Brown In Mark II and Tea Kettle Lines

For those who relish the distinctive look of Colonial America, Regal Ware, Inc. has added a new Chocolate Brown exterior hue to its already famous Mark II line of extra-heavy cast aluminum cookware. The new finish, combined with genuine wood grain fittings, is designed to give Mark II the popular "natural" look, reminiscent of colonial kitchenware.

In addition to the new Chocolate Brown hue, Mark II will retain its popular selection of contemporary Porcelain-Clad exterior colors - Avocado and Harvest Gold. The line is available in a choice of Super-Hard TEF-LON II or gleaming Sunray interior finishes. A variety of set combinations and open stock pieces can be purchased in the Mark II extra-heavy cast aluminum series.

Complimenting the new

Regal Chocolate Mark II and the Decorated Harvest cookware with coordinated Chocolate Brown covers is a new Chocolate Brown color-crafted version of the famous push-button tea kettle. This popular item is now available in a full range of fashionable kitchen-perfect colors, designed to complement all Regal cookware colors.

All from Regal Ware, Inc., manufacturers of a full line of aluminum and stainless steel cookware and popular kitchen electrics.

Public Hearing  
April 17, 1974  
7:30 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, conducted a public hearing in the Council Room of the Municipal Building on the proposed revisions to the Village of Kewaskum Zoning Ordinance.

President Miller presided and all Board members were present except Trustee Roger Strack.

Present were Attorney Roger McKenna, William J. Ruth, Albert Tennes, Harold Mueller, Edward E. Miller and Ruth Held, reporter for the Fond du Lac Reporter.

Trustee Daniel Schmidt was of the opinion that the wording "excluding uncovered steps or eaves" should be deleted from paragraph 15, Part I, of the proposed revision. This is the paragraph which defines the term "set-back."

President Miller remarked that Trustee Schmidt's request would be taken under advisement and that a decision would be made at the time when the ordinance revision is presented for adoption.

Edward E. Miller was advised that under the proposed revision, the requirements for off-street parking would be eliminated in the B-3 District.

There being no further comments for or against, President Miller declared the public hearing on this matter closed at 7:55 p. m.

8:00 P. M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in adjourned session in the Council Room of the Municipal Building.

President Miller presided and all Board members were present except Trustee Strack.

Mr. Al Tennes advised the Board that the officers of Ideal Land Corp. were prepared to post a certified check instead of a performance bond on the uncompleted work in Ideal Subdivision. Also that the contract required by village ordinance would be filed with the check. Mr. Tennes also reported that it was impossible to secure a three year subdivision bond from any bonding company.

President Miller requested that the Board members study the news letter from the League of Wisconsin Municipalities which explains the provisions of the minimum wage and maximum Hours Act of 1974.

Upon motion by Trustee Herriges, seconded by Trustee Yoost and duly carried, the Board adjourned subject to call by the President.

Our club will be planting trees at the end of April at the Neuman home. All members will be notified by either Karen Miske or Julie Stoffel.

In the speaking and poster contest the following members from our club were awarded prizes: in speaking Anne Garman received a first, Lori Schmidt received a third, Joanne Garman a second and Donna Rasmussen a third. Congratulations on their fine job in representing our club. For the posters Jill Etta received a red (2nd), Shelly Loomans a white (3rd), Bonnie Schmidt received a blue (1st), Karen Miske a red, Sue Stoffel a blue and Shirley Schmidt a red. Congratulations also to these people for a good job.

Our club was invited to a roller skating party on April 23 by the Hilltoppers 4-H Club. The cost was \$1.00 and we had to find our own transportation. We were also invited to a dance at Fillmore hall on April 20 by the Myraneer's 4-H Club. It was from 9 p. m. to 1 a. m. We received a thank you note from Nina Wulff for her gift and for her years in 4-H.

Approximately 70 area secretaries attended the National Secretaries Week banquet sponsored by the Kettle Moraine Chapter of NSA on Secretaries Day, Wednesday, April 24 at the Glacier Inn, Kewaskum, in observance of Secretaries Week being held nationally April 21-27.

Mrs. Lois Weiland, commercial teacher at Kewaskum High School and Linda Devine, one of her students, were special guests. Linda was honored by the Secretaries group. Chosen by a committee from the group and by the teachers of Kewaskum High as an outstanding secretarial student, Miss Devine was presented with the "Secretary's Handbook" by Rose Ketter, chairman of Secretaries Week. Linda works part time at West Bend Mutual and is a member of the Future Business Leaders of America.

Two students from Kewaskum High School, Kathy Baumhardt and Greg Ogi, accompanied by the music director, Clyde Brehm, and his daughter Becky, sang songs from the upcoming production of "Oklahoma" being presented May 3 and 4.

Guest speaker Larry Kelly

with his subject "That's Life" typified secretaries as unique people; professionals who help create jobs, raise the standard of living and contribute to the good life of America. "We must be interested in one another, in our communities, in civic and national affairs, interested enough in all phases of life to support actively the precepts that have made America great." His talk was sprinkled with lively humor to illustrate the points made. "Leadership" he said, "is the key, and when men or women, through their effort, action and leadership show the way, others will follow."

## Indian Trackmen Trim Pewaukee, Second in Relays

Kewaskum's track team routed Pewaukee last Tuesday, 92-35, and placed second in the Cougar Relay Invitational at Campbellsport Wednesday.

Kewaskum slammed the first event against Pewaukee, the 120 yard high hurdles with John Fischer, Mike Koepke and Jack Kern taking the first three places, to start them on their way.

Randy Backhaus again dominated the long distance events. He won both the mile and two-mile. Soph John Marino was a triple winner, taking the 100, 220 and running a leg of the 880 relay. Another super soph, Dennis Bremser, won the 880, ran in both relay events which the Indians won and took a third.

The JV meet was also won by Kewaskum, 105-22, as the Indians won all but two events.

## Girls Track Team Wins 6th Straight

The Kewaskum girls' track team beat Plymouth and Campbellsport in a triangular meet Monday, 58 to 39 to 36, respectively. The win stretched the girls' winning streak to 6-0.

Sophomore Amy Schmidt

recorded the school record in the high jump at 4-8. Senior Linda Secor remained unbeaten in the 80-yard hurdles and the 220. The Kempf sisters, Lynn, Luanne and Carrie, were involved in two winning relays and freshman Carrie nosed out Lynn for a 1-2 finish in the 100-yard dash. The Zarling twins, Joy and Jill, proved to be double trouble for the opponents. Jill won the 880 and Joy the 440.

The JV's won with 68 1/2 points to Campbellsport's 32 and Plymouth's 19 1/2.

In their first four meets, the Indian varsity girls routed Grafton, 68-31, bombed Hartland, 79-26, beat Pewaukee, 67-38, and won over Germantown, 62-43.

## Pewaukee Beats Indians in Golf

Paced by a one over par by Jim Behnke on the long Nag-a-Waukee course, Pewaukee downed Kewaskum in golf last Wednesday, 168-190. The Pirates, who are favored to win the Scenic title, already won over Brown Deer, last year's state runner-up (with four regulars returning this year).

Three players tied for low score of 47 for the Indians—Tom Timblin, Jim Ciha and Tom Rohlinger, the latter only a sophomore.

Pewaukee 168—Behnke 37, Klewein 40, Thomas 43, Heinzelmann 48. Kewaskum 190—Ciha 47, Rohlinger 47, Timblin 47, Koth 49.

The JV's kept their conference unbeaten string intact, 205-211. Cliff Clark and Tom Edwards tied for low honors with 50's. Kewaskum—Clark 50, Edwards 50, Hirsig 52, Schaub 53.

## Lakes Team Tips Port in Opener

Kewaskum opened its Land o' Lakes League season at Port Washington Sunday where they were victorious by a score of 6 to 3.

Kewaskum scored in 5 of the 9 innings, while Port's runs came in the 3rd and 7th. The winners blasted out 16 hits but also committed 5 errors. Port collected 10 hits and was guilty of 2 miscues. Winning pitcher Tom Theusch went the route, striking out 8 and walking only 1. Bill Fowler also went the distance for the losers, fanning 6 and walking 1.

Dan Marx and Steve Spoerl paced Kewaskum with 4 hits apiece, while Gary Marx collected 3 and Ron Theusch 2, including a triple. Dean Harmon and Paul Czynski each connected for 3 hits for Port, the latter's including a 3 bagger.

Last Saturday Kewaskum played a practice game with Long Lake and the game was called after 9 innings in a 4-4 deadlock.

This Saturday, May 11, Kewaskum will host Long Lake in another practice game. Sunday, May 12, the team will host Belgium in a Land o' Lakes contest and next Thursday night, May 16, they open play in the Tri-County Nite League when they entertain Wau-pun. Kewaskum now has 7 straight home games before they hit the road again.
