Andrew Stutzman, 18, was heading north and was passing a vehicle when he applied the brakes to avoid an oncoming vehicle, according to the county sheriff's department report. He lost control of his car, which left the roadway on the left side, struck a culvert, causing it to roll over. The mishap occurred at 3:37 p. m., two-tenths of a mile north of Badger Road.

The objectives of the Junior Board are:

To promote soil and water conservation and create a concern for quality as well as quantity of our natural resources... to improve the quality of our environment through sediment control, pollution abatement, and land and planning, for the benefit of our people... to provide an opportunity for leadership in conservation by young people.

Members of the board are: Brian Puestow, Chairman, West Bend East; Henry Haack, Vice Chairman, Kewaskum; Walter Langenecker, Treasurer, Slinger; Gary Panzer, Secretary, Kewaskum;

Dan Mertz, Reporter, West Bend West; Dave Sauer, Slinger; Jay Ziegler, West Bend West; Roy Peterson, Kewaskum.

A Natural Resource teacher from each school attends the meetings as advisor. Also, Don Kurer and Myron Johansen of the Senior Board

suggest projects and activities the students might do.

One current activity is Soil Stewardship Week May 19-26, which is being sponsored by the Senior Board. Inserts are being distributed at the request of several county churches to be placed in bulletins at church services. These leaflets help make the public more aware of the problems confronting the preservation of our natural resources.

KHS Students Attend Mexican Cultural Weekend

Seventeen enthusiastic Kewaskum High School students participated in a Mexican Cultural Weekend at Covenant Harbor Bible Camp near Lake Geneva, Wis. the weekend of May 3, 4, 5. Most of these students were from the Spanish classes at Kewaskum High School, instructed by Miss Kathryn Spencer.

Five other schools participated in the weekend activities. They were as follows: Horning Middle School, Waukesha; Salem Central High School, Salem; Parkview Jr. High, Mukwonago; and Williams Bay Public Schools, Williams Bay.

Each group prepared for two specific activities. One activity was the preparation of a meal for the approxi-

mately 85 people who attended the weekend camp. The Kewaskum students prepared an excellent Sunday morning breakfast of "pan tostado con jarabe of mermelada" (french toast with syrup or jelly).

The second activity necessitated the preparation of a skit in Spanish to be presented before the other participants in competition for a travelling trophy. Although Kewaskum did not win the trophy the girls did a commendable job and had fun testing their acting ability and using their Spanish.

Saturday the students participated in many cultural-orientated activities which included: pottery-making, pinata-making, candle-making,

dancing, necklaces, God's eyes, tortilla-making, paper flowers basket-weaving, guitar lessons, wall-hangings, soccer, Spanish gestures, eating habits and a slang session. Not only did the students learn new skills and have fun, but they also took home some fine looking crafts that they created at the camp. It was an opportunity to meet new people and to make new friends.

This was a "first try" at a weekend of this nature for the group called CESAFLE, the Coordinated Educational Staff for the Advancement of Foreign Languages. This group is composed of the

Spanish teachers from the above named schools. CESAFLE feels the weekend was a success and hopes to have similar cultural camps in the future. The weekend would not have been a success without the moral support and help of all the parents. A special thanks goes to the chaperones in the Kewaskum area: thank you Mr. and Mrs. Gerard Flynn, Mrs. Gordon Sonnenberg, Ms. Jeanne Urban

The Kewaskum girls track team ran away with the WIAA Regional title at Kiel Monday. They easily took first place among 13 schools entered with a total of 42½ points. They qualified two relays and five individuals for the sectional to out-distance second place Cedar Grove. It is believed to be the first Regional track title ever won by Kewaskum (boys included).

Linda Secor got off to a good start in her quest for a second straight trip to the state meet. She cleared the hurdles for a first place time of 11.5 and teamed up with the Kempf trio of Lynn, Luanne and Carrie to take the 440 relay. Linda also qualified in the long jump event, placing second to teammate soph Janet Miller (15-9") and was part of the 880 relay team which also advances to Appleton's Sectional this Friday. Other members of the team were Kris Staehler, Jean Holmes and Sheila Sonnenberg.

Carol Spaeth was the winner of the mile event over some 20 other runners. The other qualifier was Lynn Kempf in the 100, second in the event.

Kewaskum's Linda Secor set a conference record by running the 80 yard hurdles in 11 seconds flat. It may also be a state record. Linda teamed up with the Kempf sisters, Lynn, Luanne and Carrie, to break another record, this time in the 440 yard relay. They ran it in 52 seconds flat.

Lynn Kempf also took fourth in the 100 and helped out on the second place medley relay. Luanne was also on the last relay and 4th in the 220. Indian Trackmen Fifth in Scenic; Win Double Dual

Germantown captured their fourth consecutive Scenic Moraine track championship Friday at the conference meet at Pewaukee. The Warhawks ended with 57.25 points, Slinger 39.25, Grafton 36, Hartland 35, Mayville 24, Kewaskum 22.75, Kettle Moraine 14.25, and Pewaukee 10.5.

Kewaskum had gone into the meet tied for second because of their fine dual meet record, but fell to fifth. The field events had hurt the Indians. They had few points in these areas but did well in the running.

Kewaskum had one champion, Randy Backhaus, who set a conference record in the two mile event with a time of 9:59.7. He was way out front for much of the race and lapped several competitors.

Germantown and the German brothers of Slinger were the big story in this year's meet. Tim German won four events and his younger brother Paul won once and finished fourth in another. Tim tied a conference record by running the 100 in 10.1 seconds.
