Present Building and Budget Report at School Board Meeting

A building and budget report was presented at the Board of Education meeting held Monday evening, as well as a report on the meeting of the committee set up to review nutritional questions raised by Mrs. Sworske.

The budget report was favorable in that it was possible to make cuts in some salary areas with final staffing figures available. Also, an additional \$18,000 is anticipated in building fund interest. Because of the increased costs, some of the monies will be used for blacktopping and other increasing cost items. At present, the revised budget would also call for a tax levy decrease of between \$9,000 and \$10,000. However, the state aids are not yet set and the equalized valuations are not yet known, so final budget figures are still open to further revisions.

It was reported that the move into the Farmington addition is planned for the coming weekend.

The proposal of Payne and Dolan for blacktopping and graveling was accepted. The proposal was for \$33,975 for approximately 12,926 square yards to be graveled and blacktopped. There will also be about 950 lineal feet of curb and gutter at \$4.70 a lineal foot. A second proposal was from Scott Construction for 14,781 square yards for \$50,175.99. Drawings were used by the companies to determine square yards, and final area will be determined by actual measurement of the site.

The Board suggested that investigation be made of installing milk, juice and fruit vending machines to provide students alternates to the candy machine. This action came as a result of the report of the committee meeting held on nutrition. Meeting as a committee were: Jack Sutton, Mrs. Virginia Froehlich, Tim Leader, Kathy Baumhardt, Lynn Theusch, Clark Pearson, Sue Thull, Lynn Baitinger, Dawn Sworske, Betty Griffin, Joyce Wujcik, Dr. R. G. Edwards, Mrs. Ruth Gruhle, Vivian Thorson, Mike Koepke. The committee had not recommended the candy machine at the high school be removed, but had proposed that if letters regarding birthday treats were sent home, alternates to candy should be suggested.

The proposal for a new wrestling mat was accepted but further price checks are to be made before ordering. The new mat will be 42 ft. x 42 ft., and total cost will come to \$4,586.40 as presently proposed.

In other business, the board moved to honor previous commitments on used typewriters at trade-in prices, but to take bids on the remaining typewriters. Bids will be accepted at the business office, and the machines viewed there. A Board negotiating committee was

appointed. Members will be Jerry Secor, Byron Gessner, Richard Theusch. Allen Tessar was appointed an alternate.

2 Seniors Named Merit Commended Students at KHS

Two seniors at Kewaskum Community High School have been named Merit Program Commended students by the National Merit Scholarship Corporation.

Principal Clark A. Pearson announced that the following students have received Letters of Commendation: Ralph A. Butz, son of Mr. and Mrs. Vernon Butz and Julie A. Zarling, daughter of Mr. and Mrs. Richard Zarling.

These students are among the 38,000 Commended Students named on the basis of their high performance on the 1973 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Commended students are in the upper 2 percent of those who are expected to graduate from high school in 1975. Although the Commended students ranked high on the PSAT/NMSQT, their scores were just below those of the 15,000 semifinalists who were announced in September by NMSC; Commended students do not continue in the Merit Scholarship competition.

To increase their scholarship opportunities NMSC reports the Commended students' names to the regionally accredited colleges they named as their first and second choices when they took the PSAT/NMSQT in October 1973. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students.

RUMSEY ATTENDS STATE CONVENTION

Dr. H. L. Rumsey, chiropractor, with offices at Kewaskum, attended the annual convention of the Wisconsin Chiropractic Association in Green Bay, Sept. 26-28.

The convention included such timely chiropractic subjects as X-ray evaluations for Medicare and Medicaid, and discussions on the new Insurance Equality Act, which requires that insurance companies include chiropractic services in their new and renewal policies.

Dr. R. B. Mawhiney, chiropractor in New Berlin, Wis., was installed as president of the Wisconsin Chiropractic Association. More than 400 chiropractors, spouses and chiropractic assistants attended the convention, which also included meetings of the Women's Auxiliary, plus the fall convention of the Chiropractic Assistants Association of Wisconsin.

Kewaskum to Host Badger Firemen's Exposition Sunday

The Western District of the Badger Firemen's Association will hold its 2nd annual exposition in Kewaskum on Sunday, Oct. 6, at 1:30 p. m. The expo will be held on the parking lot between Hon-E-Kor and the village park.

The purpose of the expo, which will kick off Fire Prevention Week, is to make the public aware of fire hazards within the household and to demonstrate fire fighting techniques and effectiveness.

Nine fire departments will participate this year. They include Slinger, which will demonstrate flammable liquids; Fillmore, extinguishers; Newburg, pumper and hose layout; Boltonville, masks; Campbellsport, aerial ladder West Bend, ladders; Jackson, mutual aid; Allenton, aerosol can (danger).

It was hoped to have a display by the Washington County Sheriff's Department rescue van but it cannot make it. There will also be an LP gas practice.

Preceding the demonstrations there will be a parade of fire departments and equipment at 1 p. m. The parade will form at the high school parking lot and proceed to the park.

Lunch and refreshments will be available on the grounds.

In the event of inclement weather, the rain date will be Sunday, Oct. 13. The public is urged to attend this free demonstration.

Village Board Holds Hearings to Change Zoning Dist. Rezone Property

By Ruth Heid

Two public hearings were held here by the Village Board Monday night, one to change a zoning district, the other to rezone property in the Ideal Subdivision.

No opposition was expressed by various property owners present from adjacent areas. Both proposals now go before the village trustees where the final course of action would be passing an ordinance updating the village zoning map.

It is proposed to change the zoning district for the east side of Fond du Lac Avenue which lies north of the Second Street intersection on to the north village limits from M-1 (light manufacturing) to B-3 (central community retail business and services). This action was initiated by the Plan Commission and Village Board.

Zoning Administrator Richard Zarling explained that any residence in the district involved comes under non-conforming usage in that its present status can be continued if the building is not changed more than 50 percent of its value.

The revised zoning would apply only if, in the future,

any existing residence were torn down or removed. In essence, the proposed change would extend the commercial area of the village. Present zoning does not permit any type of retail business or service in the district involved. It was pointed out that the west side of the street is already zoned commercial.

Clarence Prost, owner of a duplex at 1622 Fond du Lac Ave., raised the question of what happens to the value of his property if rezoned. He was told that in view of the fact that zoning is actually being upgraded, his property value would most likely be upgraded.

James Jaeger, also a property owner in the area, said changing the zoning district "sounds like a good idea."

Ideal Land Co. has petitioned for rezoning of a triangular shaped piece of land, resulting from the straightening of Edgewood Road, to make it conform with the surrounding existing area.

The village zoning ordinance was passed in 1972. Village Attorney Roger McKenna commented changes such as these are not out of the ordinary in that "you don't get everything right the first time around."

FLAMES CAUSE DAMAGE TO HOME

Kewaskum firemen responded to a call at 1:45 p. m. Saturday to the home occupied by Mrs. Georgia Simons and son at 1401 Park View Dr. The home is owned by Mrs. Frank Felix and William Harbeck.

The fire, which started in an upstairs room of the house is believed to have been caused by a lighted candle left near plastic materials which ignited on top of a desk. Part of one wall and the ceiling were charred, the desk and some other household items damaged, and there was smoke and some water damage.

The soloist was Sister Lucy Nigh and the singers were Sister Marianne Kempa, Sister Susan Clark and Sister Barbra Lee. friends of the groom, served as groomsmen. The junior groomsmen were Paul Nigh, brother of the bride. Ushering duties were shared by Michael and Joseph Nigh, brothers of the bride.

A reception, dinner and dance was held at Circle B Recreation in Grafton. A post-nuptial reception was held at Lomarde's Suite in East Boston, Mass. on Sept. 27.

The bride is a May, 1974 graduate of Marquette University. She received her Bachelor of Science degree in dental hygiene. Her husband graduated from Marquette University in 1973 in dentistry and is presently in his second year of residency in oral pathology at Harvard University.

After a honeymoon to Cape Cod, the couple has made their home in Everett, Mass.

Indians, Rated 8th in State, Blank Hartland, 12-0, for 4th Straight

The unbeaten Kewaskum Indians won their second straight conference game and fourth overall when they shut out Hartland Arrowhead here Friday night, 12-0, to move into a 3-way tie for first place.

In this week's Associated Press ratings, the Indians (4-0) were rated 8th in the state among schools in the Middle Ten. Last week Kewaskum was rated in a tie for 6th with Jefferson but dropped 2 notches. Fond du Lac (4-0) tops the Big Ten and Spring Valley (5-0) the Little Ten.

The Indians had their hands full with a good Hartland team which has lost only to Mayville, 7-6. They had been tabbed as one of the top two contenders for this year's title and provided the toughest test for Kewaskum. But the Indians rose to the occasion.

The Indians won on Hartland's mistakes while they played flawlessly. Their scores came as a result of a high pass from center by Arrowhead on a kicking situation which prevented the punt, and on a blocked punt.

The Warhawks threatened in the first period as they drove from their own 16 to Kewaskum's 15. But Scott Koth stole the ball from a Hartland runner to end the drive. It was 0-0 early in the 2nd quarter when a high snap from center forced punter Tom Robertson to run and he was smothered at his own 25. Six plays later Kewaskum scored on a yard punge by Koth following a 17-yard pass from Randy Koepke to Paul Stoffel.

There was no more scoring in the first half and the Kewaskum defense really did some hitting as they held Hartland to 11 yards in the 2nd period.

Soph Gary Gavin made a big play in the 3rd quarter when he broke through to block an Arrowhead punt on their own 25. The Indians moved to the 16 when Koth tore loose for his 2nd TD of the night and 10th of the year.

Then the defense took over with John Sekeres, Mike Koepke and Don Gruber setting the pace. Hartland did get one drive underway near the end of the 3rd quarter and got to Kewaskum's 9 when Koth again came up with a big play. On a half-back pass back to the quarterback, he hit Jeff Barwick so hard that he was injured and had to leave the game. Hartland was stopped on the 5 but got in one more offensive series that was also stopped by the Indian defense.

Koth finished with 96 yards and Hartland's Ted Strak had 101.

In other Scenic games Fri-

day Germantown blanked Kettle Moraine, 26-0, Mayville downed Pewaukee, 22-6, and Slinger upset Grafton in overtime, 8-0.

This Friday Kewaskum plays an afternoon game at 4 p. m. at Pewaukee and hopes to keep up its streak. Pewaukee is 0-2 in the conference. Other games find Mayville at Germantown in a big one which will drop one of the two out of first; Grafton at Hartland, and Slinger at Kettle Moraine.

O'Connor Wins County Golf Tourney Here

The first annual Washington County Golf Tournament held Saturday and Sunday at Hon-E-Kor Country Club had some exciting matches and was a success even though the number of entries was below that hoped for.

The 36-hole event was decided by one stroke in the men's championship flight and had a three-way tie for first in the president's flight.

Mike O'Connor Jr., 19, Hon-E-Kor club champion, won the first county championship, edging Hilary Martin, West Bend's club champ and top amateur in this year's North Eastern Open, by just one stroke. O'Connor carded a 74-72 146 total, while Martin had a 74-73 147 total. Playing in the same group was Jerry Sullivan, Hartford's club champion, who came in third with a 76-74 150.

O'Connor and Martin were tied after the first day's play with 74's and there were six others within three strokes of the leaders. They also played even golf on the first 9 Sunday. Thus, the match was all even going into the last 9 holes. Both players were still tied after 6 holes on the last 9 before O'Connor took the lead with a par 3 on No. 7 while Hilary took

a 4. They tied on the 17th hole and Martin needed a birdie to tie if O'Connor made par on the 18th. O'Connor sank a 6-foot par putt on the 18th to win the match.

O'Connor's 72 (36-36) and Martin's 73 (36-37) (near at Hon-E-Kor is 35) were very good rounds considering the strong wind and cold. Following the three leaders, Clint Gundrum, West Bend, and Kewaskum's Clark Eichstedt tied for 4th with 154's and Gundrum won the sudden death playoff for 4th prize.

In the president's flight three men were tied with 160's and played sudden death. They were "Chuck" Chapman, West Bend, James Sullivan, Hartford (Hartford High School student and son of Jerry), and Hon-E-Kor's Dave VandeVrede. Chapman birdied the first hole to win, with Sullivan 2nd and VandeVrede third. In 4th spot was Jim Westphal, Kewaskum.

In the ladies' division there was a disappointing turnout with only six playing. Judy Harlow took the championship division with a 205 and Bev O'Connor (mother of Mike Jr.) was runnerup. These were the only two in that division. West Bend's Dorothy Parlow won the president's flight with 201, while Jo Schweiger, Allenton, who plays at Camelot Country Club, took 2nd.

Trophies and prizes were awarded to the top golfers.

Hon-E-Kor, Wes & Rosie's Work for Flag Football Wins

Hon-E-Kor retained its lead in the Kewaskum Recreation Department Flag Football League, fighting off a determined effort by the Amerahn to win 19-13. Amerahn broke the Hon-E-Kor defense for the first touchdown scored against it in the season early in the first quarter on a quarterback sneak by Gary Backhaus. Hon-E-Kor countered with two Bob Faehling runs to take a 12-6 halftime lead. A Mike Doherty run iced the game for the victors. A late Backhaus to Dale Kempf pass for the Amerahn still left them six points behind at the final whistle. It was a tough game for Hon-E-Kor which had outscored its previous opponents 91-0.

In the final contest Wes & Rosie's stayed one game off the pace with a 27-6 win over J & K Construction. Jim Westphal threw four touchdown passes, three to Fran Charland and one to Jim Heisdorf to lead Wes & Rosie's. A fine run by Tom Keith after a short pass was J & K's only score.

Next Monday promises to be a do or die time for the leading teams. Hon-E-Kor plays Wes & Rosie's for the league lead at 8:30. A win for Hon-E-Kor will put them two games up with two to play. The Amerahn plays J & K Construction in the 7:30
