Director of Governor Pays Official Visit to Kiwanis Club

Gerry E. Seider
District Governor

About 90 Kiwanians, division officers, guests and their wives attended a dinner at the Wigwam Supper Club Monday evening hosted by the Kiwanis Club of Kewaskum in honor of an official visit to Division 7S by Gerry Seider of Brookfield, Governor of the Wisconsin-Upper Michigan District.

Jerry Stollenwerk, vice president of the Kewaskum Club, acted as chairman for Vince Groh, president, who is recovering from knee surgery. The Grohs were present, however, at the dinner. Following the call to order by Stollenwerk, the opening song "America," the pledge

of allegiance and invocation by Rev. Dan Schowalter, a delicious steak dinner was served.

After the meal Lem Rosenheimer led group singing, following which the chairman introduced the Division 7S officers present, namely Lieutenant Governor Marvin A. Martin of Kewaskum and club presidents Robert J. Van Dyck of Grafton-Cedarburg, Vincent Groh of Kewaskum, Mark Eggebeen of Oostburg, John Trepel of Port Washington, Edwin W. Storer of Sheboygan Noon Club, Elroy A. Fenn of Sheboygan Sunrise, Richard S. Kosup of Sheboygan Falls and William

Lieutenant Governor

D. Lund of West Bend. Absent were Presidents Kenneth Glewen of Cedar Grove and Richard Warden of Lakeshore Sheboygan. Publishers William and Marcie Harbeck were also introduced as guests.

Lieutenant Governor Martin then spoke briefly on "The New Year in Division 7S" and introduced the main speaker, District Governor Seider, whose speech centered around the 1974 theme of Kiwanis, "Show You Care." Remembrance gifts were also presented to Mr. and Mrs. Seider preceding adjournment.

Split Shifting in Kewaskum Schools to End Monday, Nov. 11

Split shifting in the Kewaskum Schools will end Monday, Nov. 11, when the 7th and 8th grades move into the new Middle School. Grades 7 - 12 have been on a split shift since the 1972-73 school year, somewhat over two years.

Grades 7 and 8 have been sharing the high school building with the high school. Students in all these grades have been attending school on a 5-hour-a-day basis over this period of time.

With the new school opening, the hours will change. High school and Middle School classes will begin at 7:45 and will end at 2:45. Elementary classes will begin at 9:05 and will dismiss at 3:40. The times are set so that the length of day may vary between elementary and secondary classes. The staggered times also allow for double use of buses and a more economical transportation system.

The new Middle School building has somewhat over 46,000 square feet. It contains a large, open classroom-media center. Classes in English, social studies and math will be held in the more op-

en area. Enclosed space is provided for science, home economics, shop, art and music. There is also an enclosed classroom to be used for students who need special programming. A gymnasium, shower and locker facilities, and a kitchen are also included in the building.

The walls of the building are primarily of a tackboard material, so that the entire wall becomes a bulletin board. Floors in the main area and offices are carpeted, with Tarkett and tile being used in the remainder of the building.

The building will house approximately 330 students now, and could handle a substantially larger number. It is also designed to allow for relatively easy expansion if this becomes necessary at some future time.

Construction began on the Middle School just a year ago. It is the third of five projects to be occupied with additions to the Kewaskum Elementary School and the High School still under construction. Occupancy dates for these projects have not been set.

Railroad Ordered to Repair Bumpy Main Street Crossing

By Ruth Held

Local and area motorists, who along with village officials, have been complaining about the bumpy Main Street railroad crossing should have smoother going soon.

During Monday night's monthly village board meeting, a copy of a letter was read from the district chief maintenance engineer of the State Department of Highways to the Chicago and Northwestern Railway, ordering the C & NW to proceed with the work at once.

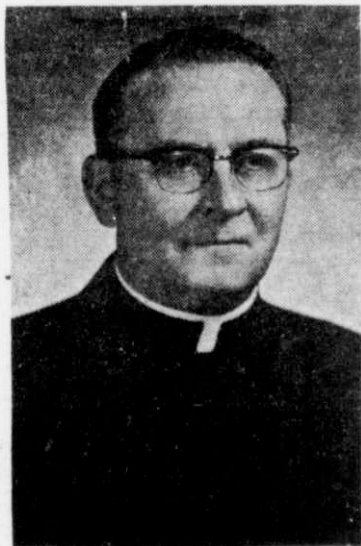

Addressed to James Vanderleist, the letter stated that according to an original assurance, work on the crossing had been scheduled for

completion by Sept. 30. On Oct. 7 and 17, Vanderleist was again contacted and told to meet with state highway men on Oct. 22 at 10 a. m. at the crossing. Vanderleist did not show up, the letter stated.

The letter orders C&NW "to proceed immediately with the necessary repairs to the crossing as was previously discussed. In the event the work is not completed by Dec. 1, it will be necessary for this office to arrange for contract work to be accomplished and billed to your office." The village has made numerous requests to the C&NW during the past few years to repair the crossing.

Fr. Morgan Marks 30th Anniversary

A surprise dinner in honor of the 30th Anniversary of Ordination was held for Rev. Walter Morgan on Sunday, Nov. 3, at St. Michael's Hall, St. Michaels. It was hosted by the parish officers of St. Matthias Church, Town of Auburn, and was attended by many of his parishioners.

Special guests included his mother, Mrs. Olive Morgan, Fathers Kemmer and Bonesho, and four teaching sisters from the convent.

Father Morgan is pastor of St. Matthias Mission, near New Fane, and chaplain at St. Joseph's Convent in Campbellsport.

Dems Sweep State, Republicans Win in County; 639 Votes Here

NELSON, KASTEN, HEPHNER WINNERS

A total of 639 votes were cast in the village Tuesday. This did not compare to the 964 votes in the presidential election two years ago but the vote was larger than anticipated.

Evidently there were many split ballots in the village as Democrats outpolled the Republicans for all of the state offices but the Republicans led for all of the county offices except Clerk of Circuit Court.

Statewide Gov. Patrick Lucey scored a crushing win over William Dyke to capture

his second four-year term as governor. Democrats also swept other top state offices, took control of the Senate and widened their margin in the Assembly.

Democrat Gaylord Nelson also won decisively over his opponent, Thomas E. Petri, for his third six-year term as U.S. Senator.

Republican Robert Kasten survived the Democratic gale that swept across the state and nation to win the 9th District Congressional race over Democrat Lynn S. Adelman.

Democrat Gervase A. Hephner, incumbent 6th Dis-

(Continued on page 4)

Election

(Continued from Page 1)

strict State Representative, was also re-elected to a new term, outpolling his challenger, Donald Schnell, by almost a 2-1 margin.

However, Republicans retained control in Washington County except for the office of district attorney, where Democratic incumbent James Schwalbach, was unopposed. Republicans elected or re-elected included George Nehrbass, County Clerk; Robert Klein, County Treasurer; Clarence Schwartz, Sheriff; unopposed; Robert Boltz, Coroner; Helen Berend, Clerk of Court, and John Steilen, Register of Deeds.

Results in the village, excluding scattered American and Independent Party votes, were as follows:

Governor and Lieutenant Governor—Patrick J. Lucey and Martin J. Schreiber (D) 343, William D. Dyke and John M. Alberts (R) 267.

Secretary of State—Douglas J. LaFollette (D) 381, Kent C. Jones (R) 223.

State Treasurer—Charles P. Smith (D) 354, Nina J. Weir (R) 245.

Attorney General—Bronson C. LaFollette (D) 319, Gerald D. Lorge (R) 306.

U.S. Senator—Gaylord A. Nelson (D) 347, Thomas E. Petri (R) 283.

Representative in Congress, 9th District—Lynn S. Adelman (D) 319, Robert W. Kasten Jr. (R) 296.

Representative to the Assembly, 6th District—Gervase A. Hephner (D) 378, Donald Schnell (R) 246.

County Clerk—Phillip F. Malmsten (D) 298, George F. Nehrbass (R) 320.

County Treasurer—Arlene W. Hoerig (D) 265, Robert J. Klein (R) 347.

Sheriff—Clarence A. Schwartz (R) 420 (unopposed).

Coroner—Jane C. Williams (D) 281, Robert H. Boltz (R) 338.

Clerk of Circuit Court—Mary Ann Frank (D) 314, Helen Berend (R) 306.

District Attorney—James

B. Schwalbach (D) 434 (unopposed).

Register of Deeds—Barbara L. Ackley (D) 301, John C. Steilen (R) 313.

A variance was granted Saunders Leasing Service to butt an 8 by 26 foot house trailer, to be used as its of-

fice, against the rear of Heriges Service Station on Fond du Lac Avenue. Village regulations require no fewer than five feet between a building and its principal structure. It will mean more maneuverability for its trucks and will eliminate putting up electrical wires were the reasons given. Saunders leases trucks to other firms.

Board members granted a

building permit on the state approved plans for remodeling and a greenhouse for Herman's Kewaskum Floral Shop. They also approved a bartender's license to Mrs. Harold Schladweiler, Kewaskum, and authorized spending between \$100 and \$150 for a set of plans that will show the wastewater treatment plant addition "as built."

At the request of Police

Chief Don Hlavaty, permission was granted to have Patrolman Richard Knoebel attend a two-week traffic law enforcement school at Fort McCoy, Sparta.

Secretaries Hold Monthly Meeting

The Kettle Moraine Chapter of The National Secretaries Association (International) held its monthly meeting on Tuesday, Oct. 15, at the Moraine Supper Club.

Members and guests enjoyed the evening's speaker, J. W. Rock of the Wisconsin Telephone Company who spoke on "Communications Century."

The Bell Telephone System will be celebrating its 100 year birthday in 1976 and commemorating the event. Rock presented a slide presentation depicting the birth of the telephone in 1876 up to the present day equipment now employed by the Bell System.

The highlight of the evening was initiation of four new members by Audrey Mayer, President, and Eunice Egert, Vice President, assisting. The new members joining the Kettle Moraine Chapter included: Susan Kuhlenbeck, St. Killian School, Hartford; Viola Rosenthal, B. C. Ziegler & Company; Marguerite Marx, Regal Ware, Inc.; Bernadette Schmitt, Serigraph Sales.

Anyone interested in The National Secretaries Association (International) may

contact Audrey Mayer at 334-2311 for further details.

New Fane Kettle Riders October Project Is 'Kids'

In keeping with their monthly project theme, the Kettle Riders focused their efforts on kids, big, little, healthy and handicapped. Their first event was a Beggar's Nite Party for all New Fane area children, pre-school through 4th grade. The evening included a costume contest and games with prizes finishing up with a grab bag of goodies and cookies for all who attended.

To bring Halloween enjoyment to more children, the club also prepared grab bags for the Oak Knoll School for Retarded Children in West Bend and a class of handicapped children attending Kewaskum Elementary.

While the ladies worked on the club's October projects, the men have been preparing trails and making new ones for the coming snowmobiling season. In all the membership has had a busy and rewarding month.

HOME INSULATION

WE'LL BLOW COMFORT RIGHT INTO YOUR HOME

Economical, Efficient Home Insulation

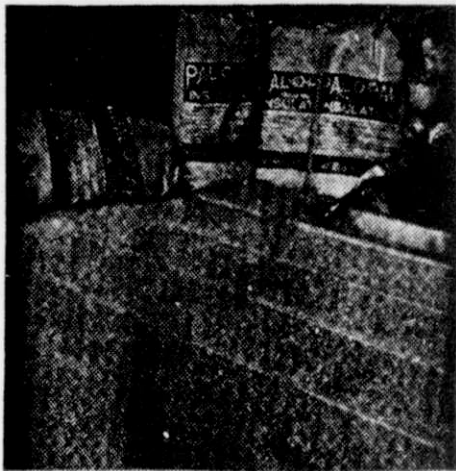

Pal-O-Pak insulation is the answer to years of searching for a blow-in type of insulation light in weight, efficient and easy and economical to apply. Because Pal-O-Pak is feather light, it can be blown into every nook and cranny with our special blower-type applying machine

100% Trouble-Free Insulation

In filling side-walls or open spaces under attic floors, Pal-O-Pak is not stopped by obstructions such as nails, plaster keys, conduit, blocking and bridging. This assures you of positive 100% insulation. With Pal-O-Pak you get a full job . . . no voids . . . and because Pal-O-Pak is feather-light, it won't settle, or cause ceiling sag or wall bulges which crack plaster.

Installed By The Most Efficient Methods—

Year-round comfort is added to your home with a slash in fuel bills when you insulate with Pal-O-Pak. With less fuel you can keep all your rooms at the desired temperature even in the coldest weather. Drafts and chilly corners are eliminated. In the hot summer weather your home is 10 to 12 degrees cooler.

—O-PAK Insulation spread between the joists under an attic floor.

FIRE RESISTANT!

PAL-O-PAK PASSES THE BLOW TORCH TEST

Pal-O-Pak is chemically treated to permanently resist fire. This important fire resistant quality, as well as Pal-O-Pak's great insulating property is dramatically demonstrated by the "Blow Torch" test. Even after five gruelling minutes under the hot flame of the torch, the surface of a small pile of Pal-O-Pak is only charred and the center of the material is cool to the touch.

Report by School Psychologist Given At Board Meeting

A report by David Vande Vrede, school psychologist, was the main order of business at the Kewaskum School Board meeting held Monday evening, Oct. 28.

Vande Vrede discussed with the board his duties under Chapter 89, the special education law in Wisconsin. He also explained his testing and counseling program in the schools. Some of the test devices used were demonstrated for the board members, and parts of some of the tests were worked by the board.

The tests are important to a full understanding of a child, so that he or she can be helped to achieve their

full potential. One of the key questions is "Why?" If a child functions below what might be expected, why is this true? To be able to prescribe a proper learning program, it is necessary first to understand the child.

In other business, the board approved purchase of a 16 case milk cooler for Wayne. They also accepted the resignation of Mrs. Manders, whose husband has taken a job in Mauston. Mrs. Manders' resignation is effective the end of the first semester.

Mrs. Jeske was present to discuss with the board an injury her son sustained at the Middle School playground. The board asked that Mr. Erickson be present at the next meeting to report on the incident.

Authorization was given to order materials for ward-

robe-locker units for the Middle School. The board also directed a letter be written to the State Department expressing opposition to the transfer of property which will be considered Nov. 12 by an appeal board.

Dan Leavitt was commended for prompt and efficient disciplinary action which involved girls smoking in a high school lavatory. The board action came in response to a complaint from a parent that the matter had not been properly handled in that Mr. Leavitt entered the lavatory, following a warning, to take the girls to his office.

The board took up a personnel question in executive session.

High School to Present Musical Production 'Brigadoon' Nov. 15-16

The delightful and mythical musical, "Brigadoon," will be presented by Kewaskum High School Nov. 15 and 16. Directed by Clyde Brehm, the production will be presented in the high school gymnasium at 8:00 p. m. both nights.

Taken from the name of a Scottish village that appears one day every 100 years, Brigadoon is found by two American hunters, Tommy and Jeff, who stumble upon it. Within the day, Tommy becomes deeply involved with a village girl, Fiona Maclaren, while in a subplot, Fiona's sister Jean is getting married to Charlie. Actually Jean had been chosen by another character, Harry, who attempts revenge and places the whole town in danger. Mrs. Lundie, the village school teacher, assists in moving the play along by revealing the secrets of the town to the outsiders while a number of minor charac-

ters spark incidents throughout the play.

Double cast in roles are Kevin Neese and Greg Ebert as Tommy Albright; Mike Strigenz and Dan Ryan as Jeff; Kathy Baumhardt and Dawn Schall as Fiona; Sharon Schoofs and Vivian Schacht as Mistress Lundie; Becky Brehm and Mary McNamara as Meg Brocky; David Ayer and Mark Slegler as Charlie Dalrymple; Connie Slegler and Gay Olson as Jean Maclaren; Kurt Zarling and Dale Secor as Harry Beaton; Julaine Bier and Jeanne LaMarche as Jane; and Gerry Butz and Doug Reigle as the bartender.

David Ayer is acting as stage manager in charge of sets while Connie Slegler is in charge of choreography. Lighting is being handled by Dan Ryan while Jane Egert is working on publicity. Tickets for the performance are \$2.00 for adults and \$1.50 for students.

Roll Call vote unanimous. The following motion, introduced by Trustee Gregor Nigh and duly seconded by Trustee Roger Strack upon vote of the Village Board was passed by a unanimous approval:

WHEREAS, Ideal Land, Inc., a Wisconsin corporation, has recorded a final plat for a subdivision in the Village of Kewaskum, entitled "Ideal Subdivision No. 1";

AND WHEREAS, the officers of said Corporation have appealed to the Village Board for a variance from the provisions of Section 13.062(13) of the Village of Kewaskum Subdivision and Platting Ordinance, entitled Maintenance Guarantee;

AND WHEREAS, the Village Board is empowered to grant such variances, pursuant to Section 31.120 of such Subdivision and Platting Ordinance;

AND WHEREAS, in this instance, literal application of said Section 31.062(13) would work an extraordinary hardship on said Ideal Land, Inc., and substantial justice would be done and the public interest secured by varying the provisions of said section as hereinafter set forth,

THEREFORE, a variance to the provisions of Section 31.062 (13) of the Subdivision and Platting Ordinance of the Village of Kewaskum shall be granted to Ideal Land, Inc. for the development of "Ideal Subdivision No. 1" in that the value of the guarantee be changed from \$10,000.00 to 20% of the total installation costs of sanitary sewers, water mains, storm sewers, streets and all appurtenances thereto, said

guarantee to be in the form of a cash deposit, deposited with the Village Clerk from September 16, 1974, through December 31, 1975, said period to be in lieu of the three (3) year requirement in said section; all other provisions of said Section 31.062(13) to remain unchanged.

The following agreement was read into the record by President Miller:

THIS AGREEMENT made and entered into this 16th day of September, 1974, by and between IDEAL LAND, INC., a Wisconsin corporation, West Bend, Wisconsin, hereinafter referred to as the "Corporation"; and the VILLAGE OF KEWASKUM, a Wisconsin municipal corporation, Kewaskum, Wisconsin, referred to as the "Village";

WHEREAS, the Corporation has presented to the Village for final approval a plat of a proposed subdivision to be named 'Ideal Subdivision No. 1' and being a plat of lands within the boundaries of the Village of Kewaskum;

AND WHEREAS, the Village has a subdivision and platting ordinance, said ordinance being number 72-5 and being Chapter 31 of the Municipal Code of the Village of Kewaskum;

AND WHEREAS, said subdivision and platting ordinance, said ordinance being number 72-5 and being Chapter 31 of the Municipal Code of the Village of Kewaskum;

AND WHEREAS, said subdivision and platting ordinance in Section 31.062 (13) requires a guarantee for a period of three (3) years following the completion and acceptance of improvements required and made under the terms of said Ordinance insuring the good quality of materials, workmanship and maintenance of all sanitary sewers, water mains, storm sewers, streets and all appurtenances thereto;

AND WHEREAS, the Village of Kewaskum has granted the Corporation a variance in reference to Section 31.062 (13) of said subdivision and platting ordinance, which then requires said Corporation to file with the Village of Kewaskum a cash deposit amounting to twenty (20%) percent of the total installation cost of the aforesaid improvements for a period beginning the 16th day of September, 1974, up to and including the 31st day of December, 1975, to guarantee the cost of repairs of any improvements required to be installed by the Corporation in Ideal Land, Inc. Subdivision No. 1 in said Village of Kewaskum (interest on said escrowed funds to inure to said Corporation);

AND WHEREAS, the total installation cost of the aforesaid improvements did not exceed Forty-eight Thousand \$48,000.00 Dollars, said amount having been accepted by the Village of Kewaskum Engineer as the amount the costs of said installation will not exceed;

AND WHEREAS, the Corporation desires to make a cash deposit to guarantee the good quality of materials and workmanship of such installations and the maintenance thereof for a period of one year after acceptance by the Village of Kewaskum Engineer;

NOW THEREFORE:

In consideration of the Village of Kewaskum through its Village Engineer accepting said installations as being in substantial compliance and upon the Corporation's assurance that complete compliance will be given in accordance with the agreement entered into by the Village of Kewaskum and the Corporation under date of May 13, 1974, and authorizing its municipal officers and agents to issue building permits in the Corporation's subdivision (providing other requirements for the issuance of building permits have been compiled with);

The Corporation agrees to keep on deposit with the Clerk of the Village of Kewaskum the sum of Nine Thousand Six Hundred (\$9,600.00) Dollars of Account No. 71-00-2942 now on deposit in the Valley Bank of Kewaskum, Wisconsin, for the purpose of insuring through the 31st day of December, 1975, the good quality of materials, workmanship and maintenance of its installations under the terms of the May 13th, 1974 agreement hereinbefore referred to and to insure that any maintenance work that may have to be made shall be made and paid for by the Corporation.

The Corporation further agrees that should the Village of Kewaskum Engineer find need to have maintenance work performed that such shall be reasonably performed and the Village of Kewaskum Engineer shall not unreasonably demand such maintenance work nor delay certification to the Village Board of the termination of the year period on the various installations made by the Corporation.

The Village of Kewaskum agrees to permit withdrawal by the Corporation after May 16th, 1975, of all amounts in said savings account above referred to in excess of Nine Thousand Six Hundred (\$9,600.00) Dollars. The interest earned on the balance remaining in said savings account shall inure to the Corporation.

Indians Beat Kettle Moraine in Final Game, 22-6; Tie for Second

Kewaskum brought the season to a close with a 22-6 victory at Kettle Moraine Friday night to wind up with a 5-2 conference record and 7-2 overall.

The win gave the Indians a tie for second place with Mayville behind undefeated champion Germantown, 7-0 (9-0 overall), which won its second title in a row. Germantown thumped a good Grafton team Saturday afternoon, 48-9, for its 18th straight victory. In other closing contests Mayville scored in the last 13 seconds to edge Slinger, 13-6, and Hartland trimmed Pewaukee, 32-12. Had Mayville tied or lost, Kewaskum would have copped undisputed second place. In the end that one point loss to Mayville earlier really hurt the Indians, who faced the Cardinals without their ace, Scott Koth.

Some had hoped the Indians would take it all this year but it was not to be as just 7 points made the difference between an undefeated season. So "always a bridesmaid but never a bride" holds true again for the Indians, who have never won a championship in the Scenic Moraine but have always been close. Kewaskum finished 3rd in 1973 with 5-2, shared 2nd in 1972 with 5-2, 2nd in 1970 with 6-1 and finished 3rd in 1969 with 4-1-1. Four years in a row they have ended up with an overall record of 7-2.

At Kettle Friday the Indians turned several breaks and big plays, together with the running of tailback Koth to defeat the Lasers. Scott, second in scoring in the con-

ference, although missing one game and not in top shape for another, added 16 more points to his total against Kettle, giving him a total of 54 for the season on 8 touchdowns and 6 extra points.

Kewaskum was held scoreless in the 1st quarter but a fumble recovery and blocked punt helped them to 16 points in the 2nd quarter. Mike Strigenz picked up a fumble on Kettle's 40 and returned it to the 14. Four plays later Koth scored from 6 yards out. He also ran for the 2 point conversion. Later soph defensive end blocked a punt and ran it 5 yards for a TD. Koth added nother 2 point conversion.

Koth scored his 2nd touchdown on a 6 yard run in the 3rd quarter after Dale Flynn had given the Indians good field position with a long punt return. The 2 point conversion failed. This made it 22-0.

Kettle's touchdown came in the last quarter on a 1 yard run by Buddy Gliniecki, which capped a 60 yard drive.

The Indians gained 234 total yards, 171 rushing and 63 passing. Kettle had 93

yards rushing and 75 passing for a total of 168. Kewaskum had 13 first downs to 11 for the losers. Koth paced the Indians' ground game with 70 yards on 19 carries.
