Bicentennial Plans

Chief Kewaskum

Chief Kewaskum and the part he played in the history of the village will just be one of the many projects of Kewaskum's Bicentennial Committee under the direction of L. S. Peterson.

What is Bicentennial? The American Bicentennial Bicentennial is the celebration honoring the 200th birthday of the United States of America. In 1976 the United States will observe not only the 200th Anniversary of the signing of the Declaration of Independence but two centuries of nationhood and the beginning of a third century.

The official celebration will be divided into three parts: Heritage 76, Festival USA and Horizons 76; the past, present and future.

The committee thus far has included Charles Miller who has assumed the duties of temporary chairman, and representatives from the following organizations: Chamber of Commerce, Kiwanis, Lions, Woman's Club, Jr. Women's Club, Legion, Teachers and Secretaries. The Village Board, Town Board and Regal Ware also were represented.

Projects discussed include a history of Kewaskum in book form which in fact is already off the ground with a local high school student, Mark Smucker, doing much of the research. Mark has run several news articles asking for information from local people that may help him compile a complete history.

Other projects to be pursued include a local museum, a Worship Week for the churches, a pageant to celebrate the event in 1976, band concerts, flying the flag for the entire 1976 year, the designing of a flag for Kewaskum, and possibly collecting pennies from school children to buy bricks for a building in the proposed park project.

The bicentennial is a once-in-a-lifetime opportunity for every individual to step outside his or her routine and get involved with history. If anyone has any information or articles pertaining to Kewaskum's history, please call Mark Smucker at 626-4335. The Bicentennial Committee is working with Mark on this project.

Members of Rescue Squad Demonstrate To Woman's Club

Three members of the Kewaskum Fire Department Rescue Squad demonstrated their rescue procedures at the meeting of the Kewaskum Woman's Club Saturday, Nov. 9, at the Peace Church meeting room.

Oscar Knoeck, Michael Fierke and Lt. Don Ehnert, all of whom have had many hours of special training and instruction, explained their methods to club members.

They used their model, Rescue Boy, and also some volunteers, to show the latest methods used by the Rescue Squad in emergency situations.

All three speakers have completed the hours of instruction necessary to be designated E.M.T., or Emergency Medical Technician. Woman's Club members expressed their gratitude for having the services of the

well-trained volunteer Rescue Squad available in the community.

Prior to the program, club members approved several changes in the club's constitution and by-laws. Several guests were introduced.

To conclude the afternoon, dessert and coffee were served by Mrs. Vincent Groh, Mrs. Charles Miller and Mrs. R. L. Edwards.

Youth Apprehended for Holding Local Woman at Knifepoint

By Ruth Held

A 17-year-old rural Kewaskum youth was apprehended Tuesday afternoon for holding a 20-year-old Kewaskum woman at knifepoint and forcing her to drive him into the Town of Auburn Monday.

According to Police Chief Don Hlavaty, the youth was released to the custody of his parents pending an appearance in Washington County juvenile court. Hlavaty said he saw the youth in town on Monday and that description matched the one furnished by the young woman.

According to the police report, the young woman was sitting in her parked car about 2:50 p. m. ahead of the Behnke Insurance Agency at 1304 Fond du Lac Avenue, facing north. The youth was walking on the sidewalk headed south. As he approached her car, he jumped into the passenger seat and with a hunting knife in his hand, ordered her to drive.

Headed north out of town, he ordered her to turn left on County Trunk V but she was too far past to make the turn so he told her to keep on going. Several miles farther on Highway 45, he ordered her to turn east on Auburn-

Ashford Road and they continued on it until he ordered the young woman to turn on Pine Lane.

She had gone somewhat past, but she backed her car and made the turn as ordered. It is a dead end road but she was directed to just keep on going. About 200 yards farther was a farmer on a tractor which was pulling a wagon. When the young woman's car came side by side with the tractor, she jumped out onto the tongue of the wagon and she asked the driver for help. At that point, her abductor slid into the driver's seat and attempted to drive away. When the farmer saw the back-up lights go on, he dropped the wagon and blocked the road with it. The farmer and the young woman ran to the nearest home to call Kewaskum police and Chief Hlavaty responded. The abductor took off into the Bill Ruth Tree Farm.

Washington County and Fond du Lac County officers were called and the section was sealed off. About 10 to 15 officers along with some 20 citizens searched the woods but the youth could not be found. The area is in Fond du Lac County.

Ruben Oppermann Dies Wednesday

Ruben A. Oppermann, 57, of R. 2, Kewaskum, died Wednesday afternoon, Nov. 13, at Veterans Hospital,

Wood. Call Miller's Funeral Home for funeral arrangements.

Chamber to Sponsor Coupon Week Promotion

The Kewaskum Area Chamber of Commerce is sponsoring its second annual "Christmas Coupon Week" promotion next week, Nov. 18 through 23, in which coupons redeemable at Kewaskum business places are offered.

These valuable coupons offer merchandise at greatly reduced prices during the week and cooperating merchants invite shoppers to do their shopping in "Friendly Kewaskum" and take advantage of this sale to do their Christmas buying early.

The coupons appear in the ads in the front section of this issue of the Statesman.

SCHOOL BOARD WILL MEET AGAIN NOV. 18

The Kewaskum Community Schools Board of Education will hold its second November meeting on Nov. 18 rather than on Nov. 25. Included on the agenda will be a discussion of bussing, as well as a discussion of the Middle School cabinets. The board will also hear a report on the building program and on problems, if any, still existing with new bus schedules. The two district speech therapists will make a report at the meeting.

Man Killed, Three Injured In Car Crash

A rural West Bend man, who apparently fell asleep at the wheel and crashed into a utility pole, became Washington County's 18th traffic fatality this year Sunday morning.

Otis E. Miller, 54, R. 2, West Bend, was dead on arrival at St. Joseph's Community Hospital. He died from crushing chest injuries and internal bleeding, according to authorities.

The three passengers in Miller's station wagon were also injured. Thelma Sue Wells, 27, R. 6, West Bend, received minor injuries and was treated at Community Hospital. The other two passengers, Homer Justman, 30, of rural Kewaskum, and Mrs. Sonja Olson, 31, R. 2, West Bend, suffered head injuries and were transferred to Columbia Hospital, Milwaukee.

Mrs. Olson reportedly is Miller's daughter.

According to the report, the accident occurred at 5:24 a. m. Sunday when Miller, traveling north on Main St. in West Bend, apparently fell asleep, drifted across the center line and off the road, and struck a utility pole at the northwest corner of the intersection with Park Avenue.

Man Sentenced For High Speed Chase in Area

William Peters, 27, of R1, West Bend, pleaded guilty to charges arising out of a high speed chase around the area Oct. 19.

The chase involved about 15 squad cars in three counties. Peters hit four squad cars and ran several roadblocks before his car was disabled in a head-on collision with a private car in Grafton.

Peters pleaded guilty to two counts of hit and run and one charge of fleeing an officer. He was found guilty of all three charges. Various other citations against him were dismissed.

Peters was sentenced to pay a \$100 fine plus nine dollars court costs or spend 33 days in jail on each hit-and-run charge. He was sentenced to one year in jail for fleeing an officer, but the sentence was stayed and he was placed on probation for two years.

Conditions of probation include paying restitution to the police jurisdictions for damage to their squad cars and paying nine dollars court costs. He must spend non-working hours in jail for the first six months under the Huber law.

Peters' driver's license was revoked for one year.

The chase began when a Kewaskum police officer tried to stop Peters for driving a car with stolen license plates. Instead he drove away. Police chased him up to Campbellsport and back to Kewaskum at 95 miles an hour. He cut through Washington County to Ozaukee County. The chase continued through Fredonia and Saukville before Peters was stopped by the accident in Grafton.

The pursuit included police and sheriff's units from Kewaskum, Fond du Lac County, Campbellsport, Washington County, Ozaukee County, West Bend, Saukville and the Village of Grafton.

Firemen Conduct Muscular Dystrophy Campaign Locally

Fireman Bruce Petri has accepted the chairmanship of the 1974 canister campaign for Muscular Dystrophy in Kewaskum, it was announced by Mrs. Katherine Seigner, Milwaukee, President of the Milwaukee Area Chapter, Muscular Dystrophy Association of America, Inc.

Other Kewaskum Fire Department members will assist Petri in placing the familiar Jerry Lewis hour-glass canisters in business places. This will be the Fire Department's 7th annual campaign for Dystrophy.

Fire fighters have been helping in the fight against

Muscular Dystrophy since 1954. They have helped raise funds, served as chapter officers and helped provide recreation for Muscular Dystrophy patients on the national, state and local levels.

Muscular Dystrophy is a muscle destroying disease which disables its victims, so weakening them that a common cold can kill. It is found in all parts of the world. Two-thirds of the known victims are children. At present there is no cure.

Muscular Dystrophy Association of America, Inc., a not for profit organization, conducts its annual campaign to raise funds for services to

local patients suffering with Muscular Dystrophy and allied neuromuscular diseases, as well as for its extensive worldwide research program.

The Muscular Dystrophy Clinics at the Curative Workshop, Milwaukee; University Hospitals, Madison, and Belin Hospital, Green Bay, are three of the 137 M.D. Clinics located in the United States.

Kewaskum is in the Milwaukee Area Chapter, which has seven counties to serve. The chapter is one of 259 in the United States that provide free wheelchairs, braces, other orthopedic appliances, physical therapy, educational and recreational programs

and summer camp for Muscular Dystrophy patients.

In the past 17 years the Milwaukee Area Chapter has spent \$340,100 to help MDA patients with orthopedic equipment, free clinic examinations and consultations, physical therapy and recreation, especially summer camp.

Muscular Dystrophy patients are able to attend a special free summer camp at Hubertus designed around their specific needs and limitations. High school and college students volunteer as attendants to enable dystrophic patients to go swimming, horseback riding, canoeing and do any outdoor activity possible at summer camp.

Nigh Has Role in St. Norbert's Play

DE PERE — Perry Nigh, Kewaskum, was awarded a role in St. Norbert College's presentation of "The Night Thoreau Spent in Jail," according to L. Garry Schoen, production director.

Nigh, son of Mr. and Mrs. Nathan Nigh, R. 2, is a junior liberal arts major at the college.

Nigh played the role of Bailey in the performance, which presents the less familiar, passionately human sides of the young Thoreau, instead of the scholarly figure best known as the author of "Walden."

"What the playwrights have done is to use the rugged individualism of Thoreau to create a very exciting stage figure," according to Schoen.

The play was presented by the St. Norbert Theatre department from Oct. 24 - 26. It was produced by special arrangement with Samuel French, Inc.

Speaking Contest Held for Students

The Washington County Courthouse was the recent scene of a very successful 9th annual Conservation and Environmental Awareness Speaking Contest. County public and parochial school students competed for first and second place trophies by giving conservation related speeches.

The speeches covered an interesting variety of subject matter centered around conservation aspects. The students displayed some high quality speeches because many had eliminations at their schools before they could go to the county contest. A total of eighteen speakers participated this year.

In the senior division (grades 9-12) Grace Flynn, Ruth Herther, and Roy Peterson gave their talks and the winning speech was "The Farmer's Plea" by Roy Peterson. Grace Flynn was the runnerup.

Patty Rauh headed a large junior division (grades 7 and 8) with her winning speech, "Forest Fires - Causes and Preventions." Janet Mueller took second place honors. Other competitors were Debbie Gierach, Julie Flynn, Jeri Feiten, Scott Becker, Susie Spaeth, and Nancy Rubenzer.

The elementary division (grades 5-6) contestants were Amy Flynn, Julie Dettman, Michael Hader, Tommy Spaeth, Rochelle Serwe, Lisa Rowe, and Carol Schneider. The winner was Carol Schneider with a speech entitled "How Air Should Be". The runner-up was Rochelle Serwe.

The Junior Board of Soil and Water Conservation thanks all the contestants, judges, sponsors, and those who made the event a success.

High School to Present Musical Production 'Brigadoon' Nov. 15-16

The delightful and mythical musical, "Brigadoon," will be presented by Kewaskum High School Nov. 15 and 16. Directed by Clyde Brehm, the production will be presented in the high school gymnasium at 8:00 p. m. both nights.

Taken from the name of a Scottish village that appears one day every 100 years, Brigadoon is found by two American hunters, Tommy and Jeff, who stumble upon it. Within the day, Tommy becomes deeply involved with a village girl, Fiona Maclaren, while in a subplot, Fiona's sister Jean is getting married to Charlie. Actually Jean had been chosen by another character, Harry, who attempts revenge and places the whole town in danger. Mrs. Lundie, the village school teacher, assists in moving the play along by revealing the secrets of the town to the outsiders while a number of minor characters

spark incidents throughout the play.

Double cast in roles are Kevin Neese and Greg Ebert as Tommy Albright; Mike Strigenz and Dan Ryan as Jeff; Kathy Baumhardt and Dawn Schall as Fiona; Sharon Schoofs and Vivian Schacht as Mistress Lundie; Becky Brehm and Mary McNamara as Meg Brocky; David Ayer and Mark Slegler as Charlie Dalrymple; Connie Slegler and Gay Olson as Jean Maclaren; Kurt Zarling and Dale Secor as Harry Beaton; Julaine Bier and Jeanne LaMarche as Jane; and Gerry Butz and Doug Reigle as the bartender.

David Ayer is acting as stage manager in charge of sets while Connie Slegler is in charge of choreography. Lighting is being handled by Dan Ryan while Jane Egert is working on publicity. Tickets for the performance are \$2.00 for adults and \$1.50 for students.

BEHNKE SISTERS ON UNIVERSITY COMMITTEE

Sue and Deborah Behnke helped high school juniors and seniors get a taste of college life during the state teachers convention Nov. 7-9.

Sue and Deborah were named to the Pioneer Potpourri Committee at the University of Wisconsin-Platteville. Committee members planned activities for several hundred high school students who visited "Pioneer Potpourri 74." The daughters of Mr. and Mrs. Orval Behnke, 230 Clinton St., Kewaskum, Deborah majors in criminal justice and Sue majors in German.

Among the "Potpourri" activities directed by committee members were demonstrations by clubs, interest seminars, city and campus tours and a mini-concert. High school students had the opportunity to visit classes and attend the UW-P and Eau Claire football game.

"Anybody who tells you he never made a mistake is probably relying on a mighty poor memory—his or yours."

IN MEMORIAM

In loving memory of my dear husband, William Trapp, who passed away one year ago, on Nov. 17, 1973:

Somewhere there is no parting,
Somewhere there is no pain
Somewhere loved ones are waiting
To greet me once again
And tho' beyond my understanding
May this set my heart at rest—
Somewhere in all His Wisdom
A Loving God knows best!
Sadly missed by his wife, Eleanora Trapp, and relatives.

Indians to Open Basketball Season With 4 Starters, 7 Lettermen Back

The Kewaskum Indians will open their 18-game 1974-75 basketball season next Tuesday, Nov. 19, when they host Plymouth in a non-conference game.

The Indians have two more non-conference contests at Campbellsport Nov. 26 and at West Bend East the next night, Nov. 27, before opening the Scenic Moraine season at Germantown against the defending co-champions on Dec. 6.

The Indians have a large nucleus of starters and lettermen back from last year. In fact they have four starters and seven lettermen returning. The four starters returning, all of whom were juniors last year, are Mike Koepe (two year starter), Scott Koth (two year starter), Randy Koepke and Don Gruber. Other lettermen back who saw much action last year are Tom Timblin, Paul Petri and John Kleinman.

The remainder of the 15-man varsity squad will be made up of eight players up from the JV team. They are Jim Bilgo, Tom Edwards, Tom Rohlinger, Scott Tassar, Dennis Bremser, Dave Menzel, Jim Schilter and Jack Kern. Bilgo also saw some late season action with the varsity last year. The only starter gone from last year through graduation is Jim's brother, Doug Bilgo.

The Indians also have a new head coach this year in Jim Westphal, who moved up from assistant to succeed Mike Williams, who accepted a position at Wild Rose. Westphal should floor a good team this season and he says with the depth he has, he will have them running.

4-H Club News

WAYNE CRUSADERS

The meeting of the Wayne Crusaders 4-H Club was called to order on Oct. 1. Pledges were led by Shirley Garman and Debbie Borgman. Roll call was to tell what displays we had brought for parents night. The secretary's and treasurer's reports were read and approved.

Our club voted on sending \$26.95 to the 4-H Foundation. A report on the annual Dairy Banquet was given by Jackie Herriges.

The secretary then gave a report on the minutes throughout the year. The committee for the window display is Julie Stoffel, Shirley Garman and Lori Schmidt. All members then received their record books, checks and year pins.

Shelly Sekas entertained us by playing her accordion. Refreshment committee for

next month are the Flasch, Melzer and Darmody families. Roll call is to bring enrollment sheets. The meet-

ing was adjourned and refreshments were served.
