## 13 Fire, 159 Ambulance Calls in '74

The Kewaskum Fire Department held their first monthly meeting of the new year last Thursday night with 37 members in attendance.

Chief Armin Oppermann reported the department had 13 fire calls in 1974, two more than in 1973, when there were 11. Of the 13, eight were village calls while five were township calls. None of the fires were major ones. The department also answered one "silent" call and two mutual aid calls to Station No. 2 of West Bend and the other to Campbellsport.

The firemen's rescue squad answered 159 ambulance calls during 1974, the largest number ever. This was 57 more than in 1973 when there were 102 calls. In 1972 the rescue squad was called out 128 times, which was the previous record.

A number of activities coming up were announced. On Thursday evening of this week the firemen will be taken on a tour of the Washington County Sheriff's Department. Firemen are to meet at the municipal building at 7 p. m. On Saturday night, Jan. 11, the firemen's annual stag party will be held at the fire station starting at 6:30 p. m. On Saturday, Feb. 8, the annual banquet for members, wives and honorary members will be held at Hon-E-Kor Country Club. The annual bowling tournament of the Badger Firemen's Association will be held at Lighthouse Lanes in February and the annual spring banquet of the association will be held at Belgium Community Center in April.

## Race Appears Likely for 3 Trustee Offices

By Ruth Held

A race for three trusteeships on the village board appears likely. Although as of Wednesday morning, incumbent Daniel Schmidt is the only one to have filed nomination papers, incumbents Alfred Kral and Roger Strack had picked up papers at the village commissioner's office, along with newcomer Dave Nigh.

As of Wednesday morning, no one had filed papers for the office of village president which also expires this year. Charles Miller is competing a two-year term, although he was village president for about 12 years, spanning the 1940's and 1950's.

Trustee Schmidt and Strack were first elected in 1973. Kral is completing his sixth term.

Eligible electors have until 5 p. m. on Jan. 21 to file nomination papers.

## Complaints on Snowmobiles Discussed by Village Board

By Ruth Held

Complaints and reports of snowmobilers traveling recklessly and at high rates of speed on the Milwaukee River in the village park were discussed by village board members Monday night.

Police Chief Don Hlavaty said there were many complaints on the past weekend. The problem, however, is a perennial one, he said. He added that the violators are those 18 years of age and younger.

Children skating on the river in the village-maintained area are endangered by the fast-moving snowmobiles. One report was that some whizzed by so fast it was not possible to read the number, and some had no headlights on Sunday night.

Hlavaty said one of his patrolmen is willing to use his private snowmobile to police the area but that this would present an insurance problem in that his personal policy would not cover the vehicle in police work.

A \$50 deductible all-risk policy would cost about \$30; liability coverage could be added for about another \$30 per season, according to an estimate by Gene Bohn.

A snowmobiler himself,

and a member of a local club, Trustee Raynor Herriges suggested the violations and the insurance proposal be brought to the attention of the snowmobile club. He said the club has a record of all machines, by number, and club members would like to have all violation reports. Club members want safety in snowmobiling.

A local ordinance sets the speed limit for snowmobiles at 10 m.p.h. anywhere in the village with no snowmobiling after 10 p. m. Violations are subject to fines.

Board members authorized Ziebart undercoating for the new sewage plant truck and the new public works dump truck to protect them from rust. They also voted to eliminate one parking stall ahead of Miller's Furniture, nearest to Forest Avenue and one just south of the driveway at Keller's Tap. Vehicles parked in either stall obstruct the view of motorists turning on to Fond du Lac Avenue.

A new Ford squad car has been put into use. It was recently purchased from Stocker Ford, West Bend, on its low bid of \$2,350 cash plus trade-in.

## Student Smoking On School Board Meeting Agenda

The regular Kewaskum School Board meeting will be held Monday, Jan. 13, at 8 p. m. at the administration office. Included on the agenda will be a building report and a second reading of policies on school administration and student records. Also scheduled is a discussion of policies of student smoking on school grounds. The question has come up as a result of student discussions at the high school.

Pay for substitute teachers is also on the agenda as a request has been made to increase the present rates. An applicant will be submitted to the Board to replace Mrs. Manders as a special education teacher. Mrs. Manders resigned effective the end of this semester.

The question of a Board budget committee will be raised, and possible appointments made. A discussion

will also be held concerning outside help in negotiations.

The Kewaskum Education Association has asked that the present contract be reopened to discuss the pay of coaches of girls sports, and this discussion is also on the agenda, as is a discussion of the possibility of hiring someone to open the Farmington gym on Saturday afternoons. Because the Board must meet before January 21 to certify candidates for the School Board election, they will also consider changing the second regular meeting of the month to January 20th. Other miscellaneous items which may come up will also be considered.

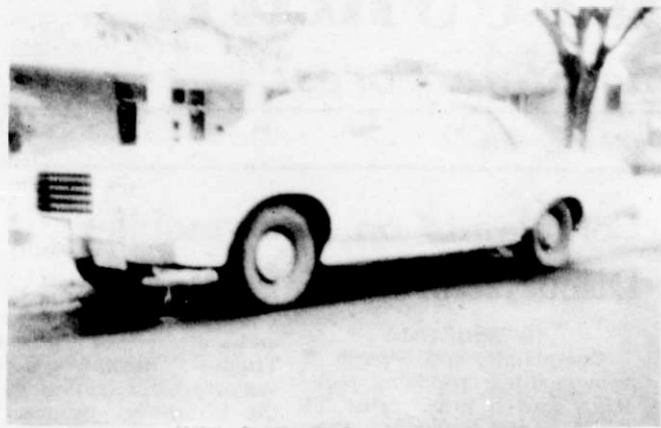

An executive session will be held to discuss negotiations and for the annual Board-Superintendent evaluation session. The last item was postponed from the December meeting.

## Selected to 'Who's Who'

Darlene Backhaus, daughter of Mr. and Mrs. Harold Backhaus, Rt. 2, Kewaskum, who is enrolled in the fashion merchandising program was among 19 students of the Moraine Park Technical Institute-Fond du Lac who have been approved for entry into "Who's Who Among Students in American Junior Colleges." The students were nominated by a faculty committee, students, and a member of the student services at

the school. Criteria used for the selection of candidates include scholarship, citizenship, participation and leadership, extracurricular activities, and promise of future usefulness to business and society.

"Who's Who Among Students in American Junior Colleges" is a national medium for the recognition of, and service to, outstanding students on campuses throughout the United States.

**SKIS STOLEN AT SKI HILLS**

Sheriff Clarence Schwartz warned area skiers to keep close watch on their belongings when they go skiing. Authorities have been receiving more and more reports of stolen skis, he said. Among those stolen recently were a \$195 pair of skis belonging to Robert Teuer of Milwaukee, stolen at Sunburst Ski Hill, Kewaskum, and a \$225 pair belonging to Don Mahnke of Glendale at Little Switzerland. Schwartz urged skiers to know the serial numbers of their skis to make identification easier if the skis are stolen.

**PRESENTS PROGRAM AT KIWANIS MEETING**

The program for the Kiwanis Club meeting on Monday evening, Dec. 30, was presented by Debbie Behnke, daughter of Mr. and Mrs. Orval Behnke. Debbie, who is a junior at Platteville, majoring in criminal justice, showed slides and talked to the Kiwanians about her two week trip to Russia (Soviet Union). The program was enjoyed immensely.

**Lucey Announces \$84,337 in Grants To County Dept. of Social Services**

Governor Patrick J. Lucey this week announced three federal law enforcement assistance grants totaling \$84,337 to the Washington County Department of Social Services.

Lucey said the three projects will greatly increase the quality of services available to youth involved in the criminal justice system in Washington County.

The funds are included in a total of more than 1.5 million dollars in law enforcement grants announced by the Governor.

The grants, administered by the Wisconsin Council on Criminal Justice, are authorized under the Crime Control Act of 1973. Federal money is combined with state and local contributions.

Lucey, the chairman of the Council, said \$39,005 will be used to establish a juvenile shelter care facility in Washington County; \$30,

068 will go to establish an Intake Screening Unit the primary objective of which is to divert as many youth as possible from formal involvement in the juvenile justice system; and \$15,264 will be used to provide a detention counselor/coordinator for the Washington County Department of Health and Social Services.

"The fight against crime and the assurance of equal justice for all cannot be achieved without the funding necessary for modern criminal justice programs," Lucey said. "Through grants from the Council on Criminal Justice we have been able to work toward the goal of a safe and law-abiding society."

Lucey said the Washington County Department of Health and Social Services can expect the funds in the near future.

### Celebrate New Year's Eve At Cedar Lake Home

Over 100 residents of the Cedar Lake Home and Village bid farewell to the old year and greeted 1975 with a festive dance and gourmet buffet lunch on New Year's Eve.

Members of the Faith Haven Lay School sponsored the gala celebration from 8:30 until 12:00 p. m. The evening program began with dancing until 10:00 p. m. and an abundance of taste tempting hors d'oeuvres served. A variety program followed until 10:45 which included both serious and humorous musical and comedy routines by members of the Lay School.

The various resident club members and their advisors prepared tasty foods for the "after the show" smorgasbord luncheon. The evenings festivities concluded at midnight with a brief spiritual message by resident, Rev. H. Konrad and the singing of an appropriate hymn.

The residents chose "Look Alive in '75" as their motto for the New Year.

## Help Offered on Filing Homestead Claims and Taxes

As has been its practice, the Wisconsin Department of Revenue again this year will provide taxpayer assistance to anyone with questions on the filing of Homestead Credit claims and state income tax forms.

A record number of Wisconsin residents were aided by Department of Revenue employees last year in the completion of their state returns through the annual taxpayer assistance program. There is no charge for these services.

"We are pleased that so many people are taking advantage of our taxpayer assistance program. In 1974, 302,000 persons, or about one out of every six Wisconsin taxpayers called or dropped by our offices for help in filling out their tax forms," Daniel G. Smith, Administrator of Income, Sales, Inheritance and Excise Taxes, noted. This represented an increase of almost 90 per cent over the prior year.

Nearly 200 Department of Revenue employees are available at locations throughout the state to answer all questions about individual income tax and Homestead Credit claims.

The West Bend office at 519 Hickory St. will be open from 7:45 a.m. to 5:30 p.m. on Mondays until April 14. The telephone number is 334-2416.

In addition, the Milwaukee District Office will be open Monday through Friday from 7:45 a.m. to 5:30 p.m. and April 5 and April 12, the two Saturday mornings prior to April 15.

# Indians Hosts In Triple Dual Wrestling Meet

Resuming action after the holidays, Kewaskum hosted a triple dual wrestling meet Saturday in competition with Cedar Grove, Plymouth and North Fond du Lac. Cedar Grove won the meet held between four schools of different conferences.

The Indians got only one team win, over North Fondy, 30-24, as a result of heavy-weight Randy Edgar pinning Goodman to break a 24-24 tie. Then Kewaskum faced Cedar Grove and was trimmed, 43-9. Dale Secor (119) and Dan Braun (145) were the only winners over the Rockets. The Indians also lost to Plymouth in a close one, 31-27, on a pin over Edgar, who had a 7-0 lead at the time he was pinned by the Panthers' Cain.

Kewaskum lost six points on forfeits in the 112 pound class as the result of an injury which sidelined their starter.

Indian Dale Secor was selected as the outstanding wrestler in the meet. He gained three pins, two of them in the first period, and raised his record to 9-4-1. There was also an award given for fastest pin, which was won by Cedar Grove's Luken, in 18 seconds.

Kewaskum travels to Germantown Thursday for a Scenic match.

The West Bend Women's Bowling Association is having a meeting on Tuesday, Jan. 14, at 7:30 at King Pin Lanes, Campbelsport.

# Eichstedt Brothers Face Each Other In Tournament

Brothers Clark and Glenn Eichstedt, both former Kewaskum Indian stars, faced each other Jan. 3 for the first time in their collegiate careers since their graduation from high school in 1971 and 1972. This was in the holiday basketball tournament at Oshkosh, held at the upper level of the Kolf Sports Complex Jan. 3 and 4.

In the first round starting at 6:30 p. m. Friday, Milton met Illinois-Chicago Circle and then St. Norbert College was pitted against UW-Oshkosh at 8:30 p. m. The latter game is where the brothers opposed each other, with Clark a member of the St. Norbert Knights and Glenn of the host UW-Oshkosh Titans.

Clark is a three-year letterman at St. Norbert and is the team captain this year. Last year he was the Knights' third leading scorer and second best rebounder. This season he is the team's leading scorer. The Knights are now 4-2 and Clark was averaging 22.7 points per game and 16.5 rebounds prior to the tournament.

Glenn played freshman ball at UW-Eau Claire where he averaged 7.3 points and 11 boards. He saw little or no action on the varsity the first semester his sophomore year, then dropped out of school. He transferred to UW-Oshkosh this semester and the St. Norbert game was the first one in which Glenn was eligible to play.

Clark is a 6-4 and 180-pound forward and Glenn is a 6-2½ and 190-pound guard.

In the tourney openers Friday Milton defeated Illinois-Chicago Circle and UW-Oshkosh won over St. Norbert. In Saturday's finals Clark scored 24 points to pace St. Norbert to an 84-73 victory over Circle for third place. Oshkosh stopped Milton, 81-78, for the tournament championship.

## Lakes Team Loses At Horicon, 124-114

Kewaskum's winless Land o' Lakes League team went down to its fourth straight defeat at Horicon Sunday, 124-114.

Kewaskum held a 3-point lead at the end of the third quarter, 88-83, but blew it as they were outscored in the final period, 39-28.

Dennis Pieper paced the losers with 41 points for high honors in the game. Tom Teusch scored 21 and Mike Miller and Mike Reindl chipped in with 18 and 17. Wayne Schneider led Horicon with 30 points.

**SNOWMOBILERS** — Following a fresh snow cover last week, snowmobilers were out in full force over the weekend, with sunny, pleasant weather and the temperature in the 30's. There could have been more snow, however, as some trails were bare in spots.

At 2:15 p. m. Saturday we counted 43 cars, jeeps, station wagons and pickup trucks pulling snowmobile trailers parked at the trail entrance gravel pit on Hwy 28. 1¼ miles east of Kewaskum (the old Paul Backhaus farm now state owned), with more coming in all the time.

Part of the vehicles are shown in the photo. Most of the trailers had two machines on them so that close to 100 snowmobiles were using the facilities at the time. Snowmobilers were everywhere else, too.

Mild weather this week with temperatures in the upper 30's and lower 40's melted much of the snow since.
