Fire Seriously Damages Barn on Schmidt Farm

(Additional pictures on another page)

A barn, approximately 40x100 feet, on the Arnold Schmidt farm, located three-quarters of a mile west of Kewaskum on Hwy. 28, was seriously damaged in an early morning fire Monday.

Kewaskum firemen answered the alarm shortly before 6:30 a. m. and more than 30 men responded to the call, along with all of their trucks and equipment. One ambulance was also at the scene in case of injuries or any firemen were overcome by the dense smoke. The equipment and some of the firemen remained at the scene until 4 p. m., a period of 9½ hours.

Shortly after arriving the Kewaskum department placed a mutual aid call to the Kohlsville department for assistance. They sent three pie-

ces of equipment (tankers) and from 15 to 20 men to help. The Kohlsville firemen were released around 2 p. m.

The fire started as Mr. and Mrs. Schmidt were finishing milking. The alarm was turned in by their daughter-in-law, Bev Schmidt. When the firemen arrived flames were shooting across the whole barn. Kewaskum Fire Chief Armin Oppermann said he believed the fire started at the south end of the barn but the cause of the blaze could not be determined.

Reuben Oppermann, a grandson of the Schmidts, said he came to get eggs at 6:10 a. m. and there was no evidence of fire at that time. Later Mrs. Schmidt went into the milk house to get some pails and said it was full of smoke.

All of the livestock, about 20 cows and a few calves

were removed from the barn, with the assistance of neighbors and spectators, and transported to the farm of a neighbor, Vic Backhaus. Much of the farm machinery was also inside the barn. It was removed but damaged.

The barn also contained oats, straw and hay. After firemen had the flames under control they continued to pour water into the barn to avoid flareups. They removed the hay and straw with a front end loader and by hand to get rid of the heat. The hay was still smoldering in the barnyard the next day.

Firemen hauled 40 tanker loads of water from the village and poured 80,000 gallons of water on the fire.

Chief Oppermann estimated that three-quarters of the barn was saved. Firemen did a remarkable job in contain-

ing the fire, saving the attached milk house and other nearby buildings, and keeping damage to the barn floor and basement to a minimum.

A terrific amount of smoke poured out of the barn and could be seen for miles around. Firemen set up fans in an effort to blow the smoke away from the areas they were working to salvage. The above photo was taken after firemen had the blaze under control and most of the smoke had cleared. Firemen also had to contend with cold weather and freezing ice from the hoses which made walking treacherous.

It was the second barn fire at the Schmidt farm. About 19 years ago their barn burned to the ground and had to be rebuilt.

No estimate of the loss was made immediately.

Kindergarten Pupils to Be Registered

This year's annual "round-up" for the parents of prospective kindergarten pupils in the Kewaskum school district will be held during the day on Tuesday, Feb. 11, and Wednesday, Feb. 12, from 9:00 a. m. to 12:00 noon, and 1:00 to 3:00 p. m. in the Beechwood, Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday prior to Dec. 1, 1975. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents of bus pupils will need their section number and fire number as well and also fill out bussing forms.

Parents will register their children for next year's term and get the necessary health forms. If you know of any new families in this district, please pass this information on to them.

Richard E. Zarling, Director of Elementary Education, would like to impress upon you the importance of registering your child on either of these two days so that they may plan for them.

Approval of payroll and bills, and a discussion of a piano purchase will conclude the regular meeting. Board Agrees to Salary Increases For Municipal Employees, Police

By Ruth Held

The 1975 salary schedule for municipal employees was ratified by village board members during their monthly meeting Monday night.

The schedule, retroactive to Jan. 1, 1975, reflects increases for all full-time employees that average out to an 8 per cent across the board pay hike.

Board members also agreed to salary increases for members of the Kewaskum Police Association in a one-year contract. It raises the starting salary to \$759 from \$690; to \$880 instead of \$800 for the second year; to \$918 instead of \$835 for the third year; to \$962 from \$875 for the fourth year; and to \$1,006.50 from \$915 for the fifth year.

Part-time police pay remains at \$3.75 per hour. Salaries for summer help was left open depending on what the minimum wage will be.

The new salary schedules are the result of numerous meetings between board members and full-time employees, in separate meetings. Village President Charles Miller commended the board Monday night for their cooperation and willingness to meet so many times. "It is a good feeling to know you want to work that hard and I do appreciate it," said Miller.

With Miller abstaining in the voting, a \$20 per month auto expense allowance for the village president was approved. Up to this time, there had been no allowance.

The board also voted to take care of the cost of adult volleyball and basketball evening sessions to be held weekly for the next several months in the middle school. It was estimated the cost should not exceed a total of \$100.

Names of persons who will serve as local election officials for the next two years were approved after being recommended by party precinct committeemen.

Recommended by Lester W. Francke, Republican Party Ward Committeeman were Clifford Stautz, Orval Behnke, Wayland Tassar, Mrs. Clifford Stautz, Audrey Bartelt, Mrs. L. N. Peterson, Mrs. Charles Miller, Ruth Behnke and Janet Koch.

Mrs. Hope Cross, chairman of the Washington County Democratic Party Statutory Committee submitted names of Jean Gilboy, Marion Mitchell, Bernadette Key, Corrine Mlodzik, Valeria Smith and Minerva B. Martin.

Board approval was also given to a certified survey map of the park land site purchased from Mrs. Viola Spoerl, which defines the outlines of the land parcel; to a certified survey map of

Mrs. Spoerl for the creation of two lots adjacent to and south of Roseland Hills Addition No. 2, which defines a small corner left over between the Schulz subdivision and the park land area; and to Mrs. Spoerl's consent and waiver for installation of sanitary sewers, water mains, laterals, storm sewer and curb and gutter. The consent and waiver is a formality that eliminates step-by-step procedures which would be otherwise required.

A width of 90 feet was established for Edgewood Road, being extended southward from Brooklane Drive to the south village limits, a distance of approximately 295.23 feet.

Approval was given to a request from Civil Defense Director Marvin Martin to attend a two-day conference in Madison and that he be reimbursed at \$25 per day plus motel expense.

Kewaskum Capers

By Stan and Barb

Hi friends!

Don't forget, for any humor, or unusual happening just dial 626-4528 by Saturday evening at 6 p. m. for the following week's paper.

Last Thursday evening Carolyn Falk paid a surprise visit to her sister in Kewaskum.

I just found out that a milk truck is the only thing that has one horn and gives milk.

Don't forget fellows, ice fishing is now in full swing with a continuous season on inland waters for perch, crappie, bluegill, sunfish and pumpkin seed with a bag limit of 50 in aggregate. Also you can fish for white and yellow bass and also rock bass with no bag limit. How about dem apples?

Two little boys were talking one day. One says to the other, "My father can beat your father." The other little boy says, "Big deal, so can my mother."

A word of caution to all parents. Soon the ice will be starting to melt on our lakes, rivers and ponds. Let your children know of this danger, better to remind them once too often than to lose them.

One day this past hunting season while up in northern Wisconsin in one small town, I noticed an unusual number of very old people. Being curious I walked up to one elderly gentleman and asked him what he thought the death rate was in his town. He thought awhile, then replied, "Well, sir, in my opinion I would say the death rate is one to a person."

Form County Emergency Search And Rescue Snowmobile Patrol

It has been announced that the Washington County Association of Snowmobile Clubs, Inc., in cooperation with the Washington County Sheriff's Department, have established a County-Wide Emergency "Search and Rescue Patrol" for the citizens of Washington County. The Patrol will be used only during an authorized emergency period. The Sheriff is authorized by Statute to declare such periods of emergency under Wisconsin Statutes 350.02(3).

Past experiences, during paralyzing snowstorms, have made it evident that emergency services are vitally needed.

All authorized patrol members are provided from the membership of most snowmobile clubs within Washington County. They will be provided with special blaze orange vests, officially marked, as emergency search and rescue patrol. When so officially marked and authorized, they will be able to travel on the roads to provide emergency community services. Under present law, citizens are reminded that no one is allowed to operate a snowmobile on a roadway. Only those properly authorized by the Sheriff may do so during the time of emergency.

The authorized patrol members from area snowmobile clubs, will, during the

declared emergency period, provide necessary transportation for such people as Doctors, Veterinarians, Emergency Medical personnel and medical needs.

People whose vital services are necessary to keep our area functioning, in a time of emergency, will also be provided with this free service.

Emergency telephone numbers for authorized people to call will be published shortly. Should any true emergency arise during a snowstorm they can call the Sheriff's Department or their local police agency who will, in turn, notify the patrol.

The patrol services, of the unit, will be assigned to patrol sections of roadway to render aid to stalled motorists, ill or injured motorists and will assist all law enforcement agencies, medical

and ambulance personnel wherever needed.

Sheriff Clarence Schwartz wishes to caution all snowmobilers that only the authorized, marked patrol machines will be permitted to travel on the roadway during the period of the emergency. This free services to the community is another fine example of the splendid Community Service work done by members of organized snowmobile clubs. These fine efforts, by many people, should not be abused. We are asking the people to cooperate with the properly authorized patrol and to report the abuses of those not properly authorized.

The continuation of some services is vital to our community. It is the hope of the Washington County Sheriff's department and the Washington County Association of Snowmobile Clubs, Inc. that these services will provide a very necessary link to those in need during an emergency.

Bloodhound Donated to County Sheriff's Dept.

Kewaskum Statesman
Friday, February 7, 1975

A fully trained bloodhound named Mannix was donated to the Washington County Sheriff's Department by Hilda Rose of McFarland, Wis. Mannix was presented to Sheriff Clarence Schwartz for the Department on Jan. 22, by Robert Scherff of West Bend. Scherff is President of the Kettle Moraine Kennel Club of West Bend. The Kennel Club provided Mannix with his six weeks basic training in tracking at a tracking school in Baraboo, Wis.

The Washington County Humane Society helped the Sheriff's Department find a person willing to maintain and handle Mannix. The one and a half year old dog will be cared for by Gene Fleisner of R. 1, Richfield. Fleisner, age 23, lives in the center portion of the county. He is self-employed in construction and owns a pickup truck with CB radio, all of which make him readily available to transport the dog anywhere at any time that he is needed for tracking.

Mannix is valued at \$500 and is registered with AKC, American Kennel Club. Man-

nix with his present training should keep on a track up to 24 hours old. With the proper handling and training he should be able to increase his ability to a 36 hour old trail. Mrs. Rose will give Mannix his final training in early spring with the handler, Gene Fleisner. Mrs. Rose has been raising, training, showing and breeding bloodhounds since 1945. Her ambition is to get bloodhounds in various parts of the state so that when they are needed for tracking assignments, there will be a law enforcement agency with a dog within a few hours of the search. Mrs. Rose and her dogs have been called upon many times by law enforcement agencies, including Washington County Sheriff's Department. Many times because of the time that it takes to get to the scene of a search and other incidental

loss of time, the search becomes a tragedy. Mrs. Rose has donated bloodhounds to the Manitowoc Sheriff's Department, Cincinnati Police Department, Winfield, Ill., Police Department, and Wisconsin Crime Lab in Madison. Since that time, the Wisconsin Crime Lab has purchased another bloodhound to work as a team. The new federal prison authorities in Adams County have also inquired about the purchase and training of a bloodhound for their use.

There are many times when in the past a dog of this caliber has been used by our department. We have lost children, we have walk-aways from homes for the aged, we have prisoner escapes, and there are times when we could have used them for seeking evidence at a crime scene. It is felt that if one life could be saved be-

cause of this dog, the effort and the time concerned would have been well spent.

The Sheriff's Department would like to thank all the various people, individual clubs and associations for their concern of giving and maintaining Mannix, keeping in mind the advantage of having a bloodhound close to the Washington County area to give the citizens of this county one more advantage that it did not have before. It might also be noted that the services of Mannix will be available to all police agencies in the county as well as surrounding counties in the immediate area.

Auburn Heart Fund Drive On

Auburn will join more than 1,800 other Wisconsin cities, villages and townships in the month of February, announced Mrs. Ralph Strassburg, R. 3, Campbellsport, who heads the fund-raising drive here.

The drive will again be conducted on the "Pass-the-Heart" basis, going from neighbor to neighbor. The "Pass-the-Heart" envelope contains educational leaflets on warning signs on heart attacks and strokes, and receipts for each donor. Contributions should be placed in the individual envelope and returned to the "Pass-the-Heart" kit.

"It is our sincere hope that each resident of Auburn will be most generous when the envelope is passed to him," the chairman stated. "These contributions are vital to the support of the on-going research, education and community service programs of our Wisconsin Heart Association. We must continue the progress that is being made against this number one health problem."

Indians Run Wild Over Pewaukee, 86-53, Gain Tie for Third Place

Kewaskum's high scoring machine ran up 86 points to last place Pewaukee's 53 (a margin of 33) to waltz to an easy victory there Friday. The win was the 3rd straight for the Indians and moved them into a tie for 3rd place with Hartland and within a game of the leaders.

Kewaskum outscored Pewaukee, 44-9, in a stretch early in the 2nd half after leading only 38-34 at the intermission. After that Coach Westphal substituted freely and 10 players scored against Pewaukee.

The Indians' pressing defense was ineffective in the first half but righted itself in the 3rd quarter, while the offense routed the winless Pirates. For a time before the half Pewaukee even held a 32-25 lead on some fast breaks for easy baskets. But Kewaskum rallied to take a lead it never relinquished.

The Indians ran off 14 straight points in the 3rd quarter. Then Kewaskum changed a 46-40 lead into 60-40 at the start of the final quarter. The Indians shot 46 per cent from the floor while Pewaukee hit 43. The Indians' big advantage was in rebounding where they held a 45-20 margin, with Don Gruber leading the way with 14.

Kewaskum showed good balance in scoring with 5 players scoring in double figures and 5 others making less than 10. Scott Koth scored 17 points, Mike Koepke 15, Randy Koepke 13, Gruber and Jack Kern 11 a piece to lead the way. Rick Murphy of Pewaukee was the leading scorer with 20. Five Kewaskum juniors saw much action with one other junior, Jim Bilgo, still out with an injury.

In other Scenic games, Grafton, which held first place all season, lost its 2nd straight, being upset by Slinger, 71-66; Kettle Moraine moved into a 1st place tie with the Blackhawks by shading Hartland, 62-59, and Germantown edged Mayville in overtime, 53-49.

The JV's also won over Pewaukee, 64-58, as 6-2 center Leon Laatsch scored 32 points, a new high for him. The JV's are now 5-4 in the Scenic.

This Friday Kewaskum hosts Grafton in a big one and a victory would give the Indians a tie with the Blackhawks, who held 1st place all season with a 7-0 mark before losing the last 2 games. They are now tied with Kettle Moraine.

Coach Fran Charland's squad wound up 3-4 in conference. This Saturday the conference meet will be held at Mayville.

Players Missing, Lakes Team Loses

With leading scorer Dennis Pieper and 3 other players missing, a lack of reserve strength cost Kewaskum its 7th straight Lakes defeat Sunday night to Thiensville-Mequon, 114-96.

Kewaskum trailed by only 5 points at the half but the margin widened in the 3rd quarter as the opponents kept pouring in fresh troops. Neither team shot well from the line and Kewaskum hit only 36.2 per cent.

Ed Helvey paced the winners with 27 points while Steve Zens scored 23 and Chris Schroeder 20. Bill Backhaus netted 26 for the losers and Mike Reindl 19.

In other games Hartford tripped West Bend in overtime, 114-111, Germantown shaded Port Washington, 122-118, Slinger beat Horicon, 105-101 and Cedarburg downed Mayville 109-101.

Kewaskum's game at Slinger Saturday, Feb. 8, has been postponed and rescheduled for Saturday, Feb. 15 because of the wedding of a player (Mike Reindl). On the next night, Feb. 16, the team will be home against Cedarburg.
