Kral Loses to Nigh by 2 Votes; School Board Members Re-Elected

Less than half of the eligible voters showed up for Tuesday's election when only 464 ballots were cast in the Village of Kewaskum.

Two of the three incumbent trustees were re-elected for two-year terms. Roger Strack was successful in his bid for a second term. He led the balloting with 354 votes. Also named to a second term was Daniel Schmidt who received 279 votes.

The third incumbent, Alfred Kral, lost to challenger David Nigh, who won by a mere two-vote margin, 229 to 227. Kral had been on the board for the past 12 years.

The other two challengers, Roger Schmitt and Oscar Knoeck received 122 and 95 votes respectively.

Incumbent Charles Miller, running unopposed for village president, was the leading vote getter with 365.

In the judicial race, Kewaskum voters were strongly in favor of Nathan Hefferman, who received 282 votes compared to 124 for Christ Alexopoulos.

All the referendum issues passed with yes votes—No. 1, 200 to 158; No. 2, 200 to 173; No. 3, 225 to 149, and No. 4, 222 to 145.

In the Kewaskum School

Board election all three incumbents were re-elected in a close race for three-year terms.

Charles Ogi topped the candidates in the balloting with 1092 votes, 13 ahead of Allen Tessar. Ogi has been on the board for one term, while Tessar was seeking his third. In the battle for the third open seat, James Oelhafen edged out newcomer Daniel Stoffel, 971 to 919. Oelhafen received strong support from his home area, the Town of Wayne, where he received 227 votes to Stoffel's 143. Oelhafen is finishing his first term in office.

Ogi carried the Towns of Barton, Auburn and Kewaskum, while Tessar received the most votes in the Village of Kewaskum and the Towns of Scott and Farmington. Oelhafen led in Wayne Township. Stoffel received solid support from all areas with the exception of the Town of Wayne.

Ashford reported no votes cast in the school board balloting while Mitchell had two votes and they have not been counted in the final totals.

The Kewaskum Board met Wednesday night to officially canvass the ballots.

Regal Ware, Inc., Kewaskum, reports an improvement on the economic horizon. As of Monday, March 31, that company had called back a total of 58 production employees. They also expect to put on an additional 45 laid-off production workers within the following ten days to two weeks. Inventories have been stabilized and the call-back is being made to meet increases in sales.

Regal Ware management plans to call back all laid-off employees as soon as the overall business climate permits.

STORY HOUR AT LIBRARY

The annual spring story hour sponsored by the Kewaskum Junior Woman's Club will start Thursday, April 10, from 10 to 11 a. m. at the public library. It will be held for six consecutive weeks. All pre-schoolers ages three to five are welcome to attend.

Building Report to School Board Shows Increase in Costs of \$38,870

A building report was made to the Kewaskum Board of Education at its meeting Monday evening. The report, made by the board building committee, listed all changes from the original plan and showed a net increase in costs of \$38,870.99, plus the gym flooring which the board had taken over at the previous meeting. The report listed all additions and deletions made from the original plans, including approximately 5,000 square feet of additional area. The board accepted the report of the building committee and approved the additional payment from interest monies earned on the building funds. There were two items not finally settled, including costs of gutters for the high school addition, estimated at around \$2,000. The other would be a credit to the district for material which had to be replaced and for which a settlement is being discussed.

The board also authorized the building committee to proceed with soliciting bids on the remodeling to be done under the building program, and to use general materials and specifications used in the rest of the building project. Bids will be reviewed by the Board with the right to reject any or all bids. The type of remodeling

to be done was again reviewed by the board.

A discussion was held on staffing, with reports from Mr. Brenholt on general pupil-staff ratios and from Mr. Pearson on high school staffing needs. A need for a half-time teacher in social studies and a half-time teacher in English at the high school was noted, along with a discussion of a possible half-time assistant principal position. The board held further discussion and action over to the next meeting.

Insurance coverage was again discussed briefly, but no action taken.

A resolution was passed to allow the district to apply for Federal Title II funds for library books and materials. The amount is unknown until the application is approved.

The resignation of Charles Anderson as high school guidance counselor was accepted.

A report was made on tax collections. The report showed that collections are down from last year, primarily because more people are choosing to make two payments rather than one. The board expressed its thanks to the municipalities for their prompt tax payments.

The board adjourned to executive session for salary discussions.

Kewaskum Receives State Funds for Streets and Roads

Senator Thomas E. Petri (R-2nd District) has announced that the state department of transportation has mailed checks totaling \$67,264.60 to every city, village and town in Washington County, of which Kewaskum is to receive \$476.35.

The entire state is to receive \$6.9 million. This is the first payment of more than \$80 million in highway revenues collected by the state which will be returned to all local units of government during the year. The distribution does not include some \$12 million distributed by the state department of revenue under the shared tax program.

The highway aid payments are for improvements to local public roads and streets. Separate allocations are made to county governments for highway purposes.

In Washington County the funds were distributed to the following municipalities: cities of Hartford, \$3,212.30; West Bend, \$18,265.00; Milwaukee, \$62.40; villages of Germantown, \$4,836.00; Jackson, \$286.65; Kewaskum, \$467.35; Newburg, \$191.10; Slinger, \$435.15; and 13 towns, \$39,507.65.

"Keeping our roads in a safe condition is an expensive and never-ending job," said Petri. "I know that a number of roads in Kewaskum are in

urgent need of attention, and I hope this return of your tax dollars will make possible these necessary improvements."

By statutory allotments, towns receive \$65 per mile and share \$2.8 million for 59,418 miles of road; villages also receive \$65 per mile and share \$179,934 for 2,768 miles of road. The formula for city streets is \$130 per mile for communities under 10,000 population; \$260 per mile between 10,000 and 35,000 population; \$390 per mile between 35,000 and 150,000; and \$620 per mile for cities over 150,000 population. Cities are sharing \$2.9 million for 9,372 miles of public streets.

The report shows a gain of 209 miles of town roads, 70 miles of village streets, and 78 miles of city streets over the 1974 totals. The current allotment is made for all public roads and streets certified as being open and used for travel, except for state and county trunk highways and connecting streets.

The department said \$1,923 is being withheld from the present highway aids pending settlement of jurisdictional disputes of about 6.3 miles in Chipewawa, Dane, Door, Eau Claire, Kenosha, Outagamie, Washington, Waukesha, and Winnebago counties.

Town Wayne Heart Fund Collects \$217.95

A total of \$217.95 for the Wisconsin Heart Association's 1975 Heart Fund Drive in the Township of Wayne was reported today by Mrs. Mary Gutjahr, who headed the local fund raising drive in February and March.

These contributions from the residents of the Town of Wayne will provide expanded resources for the Wisconsin Heart Association's research, community service and educational programs throughout the state. Mrs. Gutjahr stated that "recent statistics show that heart attack death rates have moved slightly downward since 1968, so our support of these important services is more crucial than ever. We need to keep the momentum going in our fight against this number one health problem — heart and blood vessel disease."

She expressed Wisconsin Heart's gratitude to the community for its support of the Heart Fund and to the following individuals who volunteered their time and effort preparing for and conducting the annual drive: Ed and Sue Voigt, Bob Struebing, Calvin Schaub, Al

Fleischman, Mrs. Marilyn Brath, Mrs. Frances Brath, Mrs. Mary Hanrahan, Mrs. Judy Wenzel, Mrs. Wendy Coulter, Mrs. Kathy Kertcher, Mrs. Carol Oelhafen, and Mrs. Elly Jalas.

"Township of Wayne's generous response to the Heart Fund appeal indicates that our residents support the important programs of our Heart Association in the on-going fight against cardiovascular disease," Mrs. Gutjahr said.

On Late School Meeting Release

The following item is in reference to the school board meeting release in the March 21 issue which was submitted to the Statesman by the school:

Mrs. Clara Trapp of the Town of Scott complained that the paragraph which read "It was stated by Mrs. Clara Trapp that the notice of the March 7 meeting was late in the Sheboygan Press, and it was agreed that for special meetings times of publication should be watched to assure the best coverage possible" was not stated correctly.

She stated that the item which appeared in the Sheboygan Press on Friday, March 21, was correct. It read as follows:

"Mrs. Clara Trapp of the Town of Scott complained of a late notice telling of a special board meeting held on Friday, March 7. The board, on question of a reporter, acknowledged the special meeting was decided upon in an executive session Wednesday afternoon, March 5, but the news release telling of it was not given to-

porters until about 3:30 Thursday afternoon, too late for publication that day. The notice appeared in The Press the afternoon of the meeting. Mrs. Trapp said she and other electors, would have attended but that the notice was 'too late for people to attend'."

Mrs. Trapp stated further that had it not been that the Sheboygan Press reporter called The Press on Friday morning to ask if they received the notice by mail, which they replied they did not, and she gave it to them over the phone, it would not have been in Friday's paper.

The special meeting was a three-hour affair and the subject discussed was a recent decision by the board to cut four seventh and eighth grade teachers.

You know the heartbreak of cheap fertilizers... an instant flash of green followed closely by a period of almost complete inactivity. This need never happen to you and your lawn as long as there remains sufficient supply of Northrup King Golf brand Lawn Food.

KHS Girls Basketball Co-Champs

The Kewaskum girls varsity basketball team this year tied for the championship of the Scenic Moraine Conference with Slinger. Both had 6-1 records. KHS wound up with an overall mark of 10-2.

The girls sported new uniforms and warm-up jackets this year. With the loss of only one senior, they are looking forward to another successful season next year. A demanding 16-game schedule next year should prepare the girls well for the first girls' tournament series

culminating with the state tournament March 5 - 7.

The girls' basketball coach from the University of Wisconsin - Madison, Marilyn Harris, spoke to the girls at an awards night in the school library on March 18, at which 11 girls received awards. Parents were present.

Kewaskum had two all conference unanimous choices in Viv Schacht and Diane Strack, and Wanda Akin received honorable mention. Miss Schacht was a repeater,

leading the team with a 12-point average. Diane, a junior, averaged 10.

Team members, left to right, in the photo are:

First row—Vivian Schacht, Grace Flynn, Julie Stoffel.

Second row — Pam Scannell, Kathy Mertz, Bonnie Schmidt.

Third row — Yvonne Feltenz, Wanda Akin, Diane Strack.

Fourth row — Coach Katie Koch, Kathy Stoffel.

Missing from the photo is Jill Zarling.

Indians 5th in Scenic Indoor Track Meet

Grafton won the two-day Scenic Moraine Conference indoor track meet held last Tuesday and Thursday to dethrone Germantown and end their dynasty. Kewaskum finished 5th with 60 points.

Grafton amassed 106 points, scoring points in 12 of the 13 events. The Blackhaws set two conference records. Pole Vaulter Clark Tabbert established a mark of 11 feet, 10½ inches and the Grafton relay team won the 880 event in 1:37.0, also a record.

Kewaskum had just one champion, Mike Koepke in the shot put, but they added a number of seconds. Junior Dennis Bremser took close seconds to Hartland's Jeff Stuetgen in both the 880 and mile. John Kleinman took 2nd in the 40 yard dash. Scott Koth took a second in the long jump and Koepke added a third in the high hurdles.

The Indians have 8 lettermen back this year. Four senior returnees are Koepke, weights and hurdles; Kleinman, sprints; Dale Secor, 2 mile, and Eric Bergdorf, weights. Koepke qualified for the state meet in the shot last spring and broke the 50 foot barrier at Madison. Junior lettermen are John Marino, sprints; Jack Kern, hurdles and weights; Bremser, pole vault and distances, and

Jim Bilgo, 440 sprints and relays.

Dog Owners:

THIS symptom is usually directly connected with dog ownership. The bigger the dog, the bigger the problem. Northrup King has the answer to Spot's spots.

There are at least two cures for this accursed lawn malady. Since the first one involves disposing of the dog, we will move quickly to the second cure... an application of Fast & Fine grass seed. It will probably interest you very little to learn that Fast & Fine is a blend of Kentucky Bluegrass, fine fescue and fine-leaved perennial ryegrass called NK-200. It may interest you to know that Fast & Fine will fill in bare spots quickly and blend beautifully with the surrounding grass.
