## Farmington PTO Petitions Board to Re-Create 3 Middle School Positions

A number of items concerning next year's programs were discussed by the school board at its Monday meeting. A building report was also given, and the board agreed to reducing the retainage of the bills from Westra Construction to \$6,000 at the architect-engineering firm's advice. The buildings are substantially completed as far as the work of the contractors is concerned. The board also approved an additional \$2,610.56 in work done toward completion of the remodeling.

A budget report was given on the latest state budget information. The latest information raises the allowable spending level, leaving the projected budget about \$75,000 under these allowable limits.

A map was presented giving enrollments and locations of the kindergarten students for next fall. The total registered now numbers 198 children. As a result, the board re-created the half-time kindergarten position which had previously been eliminated. This will leave the number of kindergarten sections at eight, the same

number being held this year. There was a good deal of discussion about where the sections should be held, particularly whether there should be four in Kewaskum and one in Wayne or two at Wayne and three in Kewaskum. If two are held at Wayne, to keep the sections relatively equal in size would require the transfer of some 20 students from what is normally the Kewaskum area to Wayne. Those who favor this approach point to better facilities at the Wayne school.

A petition was received from the Farmington PTO. The petition called for re-creating the three Middle School positions which at this point have been eliminated. Two concerns were expressed. The first was that the educational programs, now considered good, would worsen. The second concern was that discipline, already being questioned by some, would become worse with fewer teachers. Some complaints of students moving cars and defacing cars during the noon periods were expressed. The board took un-

der advisement the petition and the feeling expressed.

Special education programs were again discussed. Under Chapter 89 of the Wisconsin Statutes which deals with special education programs, the recommendation has been made for two additional positions and probably a third. This question will be considered again at the next meeting.

Three contracts for next year were approved. A contract was offered Terry Kelley for high school English and social studies. Kelley is a graduate of St. Norbert, and has his Master's Degree from University of Wisconsin - Milwaukee. He has seven years of teaching experience at Lake Mills. Ms. Laurie Reichert was hired as speech therapist, replacing Mrs. Baker, who resigned. She is a graduate of Eau Claire, and this will be her first year working in education. Arnie Dittbrenner was offered a contract to teach in the Middle School. Dittbrenner is presently teaching in Kewaskum and will fill the position created at an earlier meeting.

A letter was read from the Board of Suburban Municipalities asking support for a resolution opposing the "Consolidation Plan" for reorganizing a part of the Milwaukee district with the Shorewood and Whitefish Bay district. On the basis that the plan bypasses the procedures presently provided for school district reorganization, including a referendum, the board unanimously went on record opposing AB 572.

The board adjourned to ex-

## Neenah Coach Einerson Speaker At Indian Activities Banquet

Close to 200 Kewaskum High School students were honored at the fourth annual Indian Activities banquet Saturday evening, May 17. The dinner and awards presentation was held in the high school gym.

The main speaker was the highly successful Neenah basketball coach, Ron Einerson, who was the U.P.I. coach of the year in 1975 after leading his Rockets to a Class A state championship after six appearances in the last seven years at Madison.

He also won the conference shot put title in track. In his four years at Kewaskum he earned 13 varsity letters, believed to be the most earned by any ath-

lete at the school. Vivian was named to the Scenic Moraine all-conference basketball team for two years and all-conference volleyball this year. She also competed on the track and golf teams. Both also participated in many other extra-curricular activities.

Koepke has received a service academy appointment and it is likely he will attend the Air Force Academy.

## Lions Members Appear at Board Meeting in Behalf of Paper Drive

by Karen Schmidt

At the Village Board meeting May 19, Donald Koerble and Bob Danielson appeared on behalf of the Lions to review the problems with their monthly paper drive. They undertook this project initially to make money to use for community projects. When they started the price of paper was \$20 per ton, it has now dropped to \$8 per ton and the amount of paper has dwindled to almost nothing. The last drive netted between 1 and 2 ton and the Lions believe if everyone cooperated a village the size of Kewaskum should net 10 ton.

The board authorized the Lions to increase the size of their newspaper ad relating how this project is backed by the village board and also stating where the proceeds of the drive will be used—back in the community. If this ad does not increase participation, a flyer will go out with the July water bills urging full cooperation and participation by all people.

The board voted to take the fireworks package valued at \$750.00 for the price of \$600.00 from Spielbauer Fireworks Co. of Green Bay with the committee deciding on the finale.

Dennis Reha was given a variance for erecting a fence on his property, regulation 6' on two sides, 8' on back side facing Wigwam Restaurant parking lot.

Questions of who pays the cost and who does actual work of installing curb, gutter, sidewalk and blacktopping streets were raised by Bill Ruth and Al Tennies on behalf of their Ideal Subdivision. The board will answer all questions at the meeting on June 2.

Tom Larsen, recreation director, appeared to explain the summer recreation program staffing and asked directives for the hiring of lifeguards for the beach. The board approved hiring Karen Bade, Dan Miller, who has his Wisconsin Swimming Instructor

Certificate, and Dan Meilahn, who will be in charge of the beach. One more full time and one part time employee need to be hired for the beach. Four people are needed in the general recreation program, two boys and two girls. Larsen will screen applicants and the committee will hire.

A request from William Volm to rent 7-8 acres of land in the new park area for planting corn was discussed. This land will not interfere with the work on the pool areas, so the board decided to rent the land for \$150.00 for the parcel.

The Paschke tax case was tabled until word from Corporation Council.

The board adopted Resolution on National Flood Insurance which was recommended by the Southeastern Planning Commission.

They voted to hire Dan Tessar for work with the village crew for the summer months.

On May 28 at Milwaukee Area Technical College, two meetings were held, one a public information meeting at 3:30 p. m. and at 7:30 p. m. a hearing on number of 235 homes allocated for areas by the Southeastern Planning Commission. According to Kewaskum population, allocation would be ninety. Several board members attended both meetings to voice objection to this allocation.

The next board meeting will be June 2.

### WAYNE CRUSADERS 4-H CLUB NEWS

The meeting was called to order at 8:08 p. m. Roll call was to bring a dairy recipe. The secretary's and treasurer's reports were read and approved. The minutes of the last meeting were read and approved also.

Roll call next month is to bring as many words as you can make out of "June Dairy Month." The five people with the most words will win a prize.

Refreshment committee for next month is the Kern, Stoffel and Neuman families.

We had a group of people who gave demonstrations. They were on making pie, homemade butter, grilled cheese sandwiches and milk shakes. It was very interesting.

### What a difference a Bilco Door makes!

Here's the way to add new beauty to your home. Replace that wooden hatchway with a modern, all steel Bilco Door. It's ruggedly built, weather-tight, and so easy for everyone in the family to use! What's more, it will make your basement more secure against intrusion. And it will pay for itself many times over by saving repair and replacement costs.

If your home was built without the convenience of a direct basement entrance, ask us for Bilco's new handbook "How to Add Valuable Living Space to Your Home."

Stop in and see our display. We'll give you free literature on how to do it. Or, we can suggest a man to install it for you.

## KHS Girls Are Track Champions

After suffering their only defeat to Kettle Moraine last Tuesday, two days later the Kewaskum girls track team tied for first in the conference meet at Slinger to win the Scenic title. Kettle placed 4th in the meet. The usual high point total from soph Carrie Kempf and Slinger's help turned the tide. The meet had gone down to the final mile relay with Kewaskum behind Slinger by 2 points, 77-75. Kewaskum came up with a 4:26.4 to Slinger's 4:26.8 to tie the Owls for the meet at 77-all but won the conference title on the basis of dual meet wins. Carrie won the low hurdles and 100-yard dash back to back to start off the meet. The 440 relay team of she, sisters Lynn and Lu Ann and Kris Staehler came up with

the best time of the year, 52.6 for third. Lu Ann was also 3rd in the 220. The mile relay team of Jackie Coulter, Sue Nigh, Joy Zarling and Sheila Sonnenberg also cut 10 seconds off their best mile time and this helped, along with Miss Herriges' 1st in the discus and 3rd in the 110 hurdles. Carol Spaeth also won a 2nd in the mile and a 3rd in the 880.

## Indian Trackmen 3rd in Triangular

Lack of depth again hurt Kewaskum's track team as they finished last in a triangular meet against Grafton and Kettle Moraine last Tuesday.

One Kewaskum school record was broken for the 3rd time this season and was also the best recorded in the conference to that time and The Indians had a triple winner.

Mike Koepke heaved the shot put 54-11 1/2 to break his own record. His previous best had been 53-9 and he has added 5 feet since the start of the season.

Dennis Bremser got a big share of points. He won the mile, 2 mile and also hit 12-3 in the pole vault for a 3rd win.

Sprinter John Marino was 1st in the 100 and missed a win in the 220 by a tenth of a second.

Kewaskum finished with a 3-4 conference dual meet record.
