NUMBER 24

Village Beach to Open on Monday, June 16; Rules Listed

The Kewaskum Village Beach will officially open Monday, June 16. Supervised swimming hours will be from 10:00 a. m. to 8:00 p. m. weekdays and Saturdays. Sunday hours will be 12:00 noon to 8:00 p. m.

Swim lessons for youth 5 to 18 years will be tentatively conducted from 10:00 a. m. to 1:00 p. m. in two 4-week sessions. Specific lesson times and the number of classes will be determined after registration. Students will be notified of this at an orientation meeting to be held on Monday, June 16, at 10:00 a. m. at the beach.

This year beginning swim lessons will be held for adults 18 and over if there is a sufficient response. These will be conducted in the evening from 6:00 to 7:00 p. m. with separate classes for men and women. You may register by contacting Dan Miller or Dan Meilahn at the beach after June 16.

In the event of bad weather listen to WBKV West Bend Radio for notification of lesson cancellation.

Additional activities are also being planned for the beach. Informal swim competition may be conducted and the second annual River Float inner tube race will be held. Notice of these and any other special events will be given in newspapers and also posted at the beach.

Personnel at the beach will be Dan Miller, head swimming instructor and assistant life guard, Dan Meilahn, head lifeguard and assistant instructor. Assistant lifeguards will be Karen Bade, Ellen Secor and Scott Albers.

Parents are urged to remind their children of the rules which must be obeyed.

1. Rocks, sand, gravel, mud or other objects must not be thrown anywhere in the beach or swimming area.

2. Floating devices and swimming aids (inner tubes, inflatable rafts, large beach balls, etc.) are not permitted in the water as such devices can carry an inexperienced swimmer to water of dangerous depth where he may fall off.

3. Glass and metal objects are not allowed on the beach. Soft plastic pails are acceptable but must never be thrown.

4. Pushing, shoving and horseplay is not permitted on either the raft or pier. Running on the pier is prohibited as it is dangerous to yourself and others, especially when the pier is wet and slippery. Swimming is never allowed under the raft or pier because if someone bumps their head or injures themselves they may not be spotted in due time. Going down the slide in a standing position is not allowed. This is extremely dangerous.

5. Bikes are to be parked well away from the beach area, preferably in the avail-

able bike rack. Bicycles are never to be ridden on the beach and certainly not into the water.

12 FFA Boys Attend State Convention

Twelve students from the Kewaskum FFA Chapter were delegates to the State FFA Convention from June 10 - 12 at Green Lake, Wis. They included: Keith Gessner Terry Garbisch, Gary Thull, Kevin Darmody, Paul Marquardt, Perry Etta and JoAnn Loof. Also chosen, and in the upper 2% of the students were Steven Proeber, Todd Garbisch, Henry Haack, Gary Panzer and LeRoy Peterson. These men earned the Wisconsin Farmer Degree.

Delegates to the State FFA Convention are selected by each chapter and are usually members of the chapter officer team. Each chapter is permitted to send two delegates from its active membership.

During the State Convention the delegates are seated in a special section at the front of the auditorium. They initiate, debate and vote on all convention business. At the 1975 Convention, delegates voted on several important items including constitutional changes, acceptance of individuals for honorary degrees and distinguished service citations, and selection of the 1975-76 state FFA officers.

Kewaskum FFA was one of the state's most active FFA chapters who were recognized on June 11 with the presentation of the National Chapter Award at the state level at the 46th State FFA Convention, for their superior performance in activities relating to the vocational agriculture/agribusiness and Future Farmers of America programs. This is a prestigious award since it is an evaluation of the overall program conducted by the FFA during the year. The National Chapter Award encourages active FFA chapters and member participation in a wide variety of educational FFA activities. They were awarded a bronze medal for their efforts.

Kewaskum FFA was one of 42 chapters to be presented with an award for outstanding achievement in the National FFA Chapter Safety Award Program sponsored at the state level jointly by the Wisconsin Power Equipment Retailers Association, Madison; the Wisconsin Farm Electrification Council, Madison; and the University of Wisconsin, Madison. The awards were presented on June 10 at the State Convention at Green Lake.

Bicentennial Flag Raising Ceremony

The Kewaskum Historical Society held a flag raising ceremony on May 24 at the Kewaskum Valley Bank as a kickoff for a general membership drive. The Bicentennial (Bennington) flag was raised and a wreath placed at the base of the flag as a Memorial Day observance.

The ceremony was well attended and the Kewaskum Historical Society would like to extend a thank you to Wayland Tessar, L. N. Peterson, Rev. Beck, Doug Strack, Mr. and Mrs. Edwin Fickler, Mr. and Mrs. W. (Squinty) Manthei and all those who made it a success.

The 1975-76 budget projections will be on the agenda, along with a request for authorization to begin ordering in certain areas.

Fire at D. Janisse Home Early Tuesday

The Kewaskum Fire Department was called out at 5:35 a. m. Tuesday to the Dennis Janisse home on Co. Trunk H, 1 1/4 miles west of the village. Thirty firemen responded.

Apparently a short circuit in wiring on the home's summer kitchen started the fire. Firemen remained at the scene 45 minutes to make sure it was extinguished.

There was minor damage to the roof of the summer kitchen but the major part of the house was not affected.

CONSUMER REPORT:

Can you really compare prices? This is almost impossible. A very careful shopper is doing well if he or she can correctly compare 100 to 200 items. There are approximately 8 to 10 thousand items in a good supermarket. The practice of selling some items at a lower price by some merchants may be called "merchandising" but the difference is made up by charging higher prices on other items.

It is important that there is honesty and confidence between customer and food merchant. The future of the business is at stake and, therefore, at the right time, and at the right price. The S. C. Shannon Company has your satisfaction in mind.

Historical Sites in County to Be Marked

At the monthly meeting of the Washington County Bicentennial Committee, approval was given to a plan presented by the "heritage" subcommittee, to mark historical sites in the county. The plan calls for the distribution of plaques and certificates to sites of historical importance in the county, both natural and manmade.

Anyone knowing of a site which may be of interest is asked to contact the committee, and include the site's location, owner's name, address, and telephone number, and a brief statement explaining why the site is of historical importance.

Inquiries may be addressed to Margaret Hawig, 932A Hickory St., West Bend, Wis. 53095.

The committee also encourages the establishment of local Bicentennial organizations in any township or village in the county. Anyone interested in organizing such a group can obtain more information by contacting Gilbert M. Sauer, 1104 Walnut St., West Bend, Wis., 334-5208.

Bicentennial Notes

Local historians are assuming that the group in the picture above was probably one from the Milwaukee area who frequently came to Kewaskum on a chartered train for a parade and day of fun at the local parks. Miss Florence Stork of West Bend has the picture in her collection. The building on the right was the Store Hardware Company owned by her

father. The building today houses Kettle Moraine Electric at the intersection of Hwy 45 and Hwy. 28 in the heart of town. The building on the left was a livery stable and was located where Herriges Oil, Inc. now has the Shell gas station and Saunders Leasing Systems, Inc.

The time in history must have been before women's

lib. The only two women on the picture are in the center window on the second story of Stork Hardware.

If you have any pictures we could borrow for use in our Bicentennial Notes please contact L. N. Peterson, chairman, 626-2766; Mark Smucker, 626-4335; Charles Miller, 626-2220, or Mrs. Bill Martin, 626-2950.

Village Beach

(Continued from Page 1)

6. Food should not be brought onto the beach or into the water. Picnic facilities are available elsewhere in the park.

7. Anyone under age 6 must be accompanied by a responsible adult. Also, guards cannot be requested to watch over any specific individuals. This is not a baby-sitting service. The guard stand is for guards only. It is neither a seat for others nor a depository for miscellaneous items as children's watches, radios, towels, etc. Guards are for your protection. Their orders and judgements should be heeded at all times. If a guard deems someone's behavior irresponsible or dangerous the offender will be ordered to leave the beach area.

8. In past years litter has become a problem. Parents should instruct their children to use trash barrels for depositing any paper wrappers, bottles or cans.

9. The matter of jumping and diving off the dam is a critical one. This is extremely hazardous and foolhardy. Above the dam, tree limbs and other jagged objects can collect and may not be seen by a jumper. Below the dam, there are deep holes and swifter currents which pose threats to novice swimmers. Also there is a concrete ledge which can be struck by jumping or diving. The greatest hazard is that the antics of older children attract younger inexperienced swimmers to the dam area where an accident may occur. Again this year no one will be allowed to jump or dive off the dam. Guards will discourage these actions and the police will co-operate to enforce this rule.

Within these limitations and with the cooperation of all parents, children and all swimmers, a safe swimming season may be enjoyed by all.

"Hi. I'm a kite. And I'd like to pass along a few safety tips I've learned. Learned the hard way, as you can see. But these tips are really important for your own safety, not just mine.

1. Be sure you make me out of non-metallic materials.
2. Always use dry string...not wire or anything metallic.
3. Always fly me on days when there is no rain.
4. Don't fly me near busy streets and highways.
5. Don't fly me near any TV or radio aerials.
6. Be sure you don't go near any fallen wires.
7. Always fly me far from electric or power lines.
8. If I ever do get snagged in a power line,

don't pull my string or climb the power poles. Call Wisconsin Electric instead. They'll get me down safely. Now, go fly a kite...safely!"

Gruber - Baumhardt

The marriage vows of Carmen Gruber and William Baumhardt were blessed during a 2 p. m. ceremony at Holy Trinity Catholic Church, Kewaskum, on April 26.

Parents of the couple are Mrs. Alice Gruber and the late Gene Gruber, Kewaskum, and Donald Baumhardt and the late Sylvia Baumhardt, R. 1, Campbellsport.

The bride chose her sister, Brenda Gruber, as her maid of honor. Roger Baumhardt, brother of the bridegroom, served as his best man.

Attending couples were Joan Baumhardt, sister of the groom and Jeff Zielieke, cousin of the groom; Ann Baumhardt, sister of the groom, and Dan Sabish, friend of the groom; Lucy Schickert, friend of the bride, and Dave Baumhardt, brother of the groom; Cindy Racette, friend of the bride, and Dick Wietor, friend of the groom.

The bride's gown was of Peau styled with Venise lace, ribbon entwined with lace at the high neckline, modified Empire waist, and cuff of the long Gibson girl sleeve. The A-line skirt was styled with two rows of lace and ribbon and flowed into a chapel train. A veil face framing cap of lace and pearls secured the illusion veil.

The bridesmaids' gowns were of a yellow floral print, designed with a halter bodice, A-line skirt and a short jacket with long sleeves and a tie belt.

A reception, dinner and dance were held at Nonn's Resort, Dundee, following the ceremony.

The bride is a 1974 graduate of Kewaskum High School. Her husband attended Campbellsport High School and is employed by Zielieke Well Drilling.

The couple is residing at R. 1, Campbellsport.

Rev. Wilcken Attending Bethel Series

MADISON — Rev. Robert S. Wilcken, pastor of Immanuel Lutheran Church, Town Scott, R. 1, Kewaskum, is attending a two-week orientation clinic of the Bethel Series, an international Bible study program administered by the Adult Christian Education Foundation (ACEF). The series is in its 16th year.

Orientation clinics are attended by pastors and Christian education directors, who return to their churches to train lay teachers. The teachers, in turn, present an overview study of scriptures to adult members, which is the foundation for continuing adult study.

Since 1959, more than 3,500 congregations, representing 17 denominations, have involved over half a million lay teachers and students in the Bethel Series.

Pastor Wilcken is pictured here with a poster from the first New Testament lesson of the Bethel Series, "The Fullness of Time." The poster is one of 40 visual aids used to acquaint students and teachers with major Biblical themes.

Indians Excel in State Track Meet

Kewaskum's boys and girls track aces who advanced to the WIAA state meet held on Friday and Saturday turned in top performances. The boys' meet was held at Memorial Mansfield Stadium in Madison and the girls' competition was at nearby Monona Grove.

In Class B finals, Mike Koepke, Kewaskum senior, finished third in the shotput. He missed second by six inches with a toss of 52'5.5", two and a half feet under his best throw of the season. First place went to Brian Campbell of Chetek with 56'11". Mike finished 11th in the state meet last year with a toss of 50 feet and 1/2 inch. The photo shows Mike and the crowd watching him put the shot through the air.

Dennis Bremser finished sixth in the mile with a time of 4:48.9. The winner was Bill Markwardt of Verona, 4:28.2. John Marino also competed in the 220, won by Don Wier of Omro with a time of 22.8.

The Indians had a team score of 7, to wind up in a tie with Dodge Land for 25th place. Sheboygan Falls won the meet with 42 points.

Kewaskum's girls' team in the 440 yard relay race placed second being edged out by Lake Mills by a foot or less. Lake Mills had been disqualified in the Sectional but was reinstated. The local girls thus repeated as runnersup to Lake Mills. The three Kempf sisters, Lynn, a senior, LuAnn, a junior, Car-

rie, a sophomore, and Chris Staehler, a senior, were clocked at 51.1, which was also Lake Mills' clocking in almost a photo finish.

Soph Carrie also took second in the 100 yard dash in Class B and she has two years left. She finished with a time of 12.0. The event was won by Sue Krivencuvick of Northwestern in 11.9.

As a team the Kewaskum girls finished in a tie for 7th place with Sturgeon Bay, both with 16 points. Prairie du Chien was the champion with 48.

Because of time conflicts for our photographer, he was not able to get a picture of the Kewaskum girls in the meet.

West Bend West Edges Indians In 8-Inning Pitchers Duel, 1-0

In a well played ball game and great pitchers duel that went one extra inning, West Bend West nosed out the Indians here last Wednesday night in 8 innings, 1-0.

When two pitchers give up a total of only 2 hits, one each, and commit only one error between them, it is a shame somebody has to lose.

The ace pitchers of the two teams, John Jazak of West and Scott Koth of the

Indians, both were outstanding. Koth extended his streak to 26 innings, giving up two earned runs while losing three games, all 1-0. Jazak put the Indians down in order in 5 innings. He had 15 strikeouts, while walking just 2. In 3 innings he struck out the side. Koth had 10 strikeouts.

INDIANS BEATEN BY WEST BEND EAST, 7-3

Going with soph Leon Laatsch on the mound and saving ace Scott Koth for the conference game at Germantown Thursday, the Indians lost to West Bend East at Regner Park, West Bend, Tuesday night, 7-3, as Kewaskum continued its hitting slump. Details next week.

Indians both were outstanding.

Koth extended his streak to 26 innings, giving up two earned runs while losing three games, all 1-0. Jazak put the Indians down in order in 5 innings. He had 15 strikeouts, while walking just 2. In 3 innings he struck out the side. Koth had 10 strikeouts.

Double Win for Willie Goeden

Top modified driver, Willie Goeden, has now started racing late models. The smooth, consistent driver from St. Michaels, qualified 9th in a field of 50 cars, won the heat and the feature at Paul's 1/2 mile dirt track at Seymour, (only 15 miles northwest of De Pere, on Hwy 47) Sunday evening.

A guarantee of \$4,800 gave all the top drivers, such as J. J. Smith of Appleton, Wally Jors of Fond du Lac, and Dave Congers of Oshkosh (who placed a close second in the feature) something to shoot at.

This week Willie, also the owner and manager of Goeden's Auto Body in St. Michaels, is competing at Beaver Dam on Tuesday with the modified, Cedarburg on Wednesday with the late model, Thursday at Francis Creek 141 Speedway with the modified, Friday evening he is going to try out at Neilsville with the late model, Saturday night it's back to Plymouth with his No. 1 modified and Sunday at Paul's Speedway in Seymour.

To Open Tennis Club at Jackson

Tennis enthusiasts in the Washington, Ozaukee and Waukesha County Triangle will be happy to know that a new concept indoor tennis club will soon be erected in the West Bend area. The Tennis Club will build four indoor courts on one of several parcels of land that are now under option. Rezoning proceedings were held on May 28 in the Town of Jackson on acreage located on Pleasant Valley Road next to Angelo's Hut. The final hearing will be held before the Jackson Town Board on June 25.

Acting club secretary and tennis enthusiast Suzanne Nelthorpe, formerly of Kewaskum, stated that the court's surface will be the resilient type which Jimmy Connors requested for his recent successful Las Vegas match with Australian John Newcombe. Chicago lighting specialists are acting as consultants for a new controlled intensity lighting system.

Moneywise there is good news. Concept '76, an innovative plan for tennis club construction and operation, will enable club members to play indoor tennis for \$3.00 to \$5.00 per hour per court. This compares to current \$9.00 to \$12.00 hourly rates charged members at Milwaukee area indoor clubs.

Club pro will be Ted Sprinkman, former UWOC and CCIW tennis standout. Ted, a former club pro at Brook Club and Le Club, is well known locally for his excellent tutoring at Cedar Lake courts during the summer months.

Total participation is expected to be around 300 members which will assure ample time for court scheduling. Further details can be obtained by writing S. Nelthorpe, % Tennis Club, P. O. Box 775, West Bend, Wis. 53095, or by calling Nelthorpe at 644-8681.
