## Bids on Remodeling at High School Opened at Board Meeting

Bids on remodeling at the high school were opened at the Board of Education meeting Monday evening and were referred to the building committee for review. Four bids were received, including two for the general construction and one each for plumbing and ventilating. Joseph Wittig Co. bid \$15,594 on the plumbing work and \$1,837 on the ventilating. Bids on the general construction work were \$32,584 from Joseph P. Jansen Co. and \$28,569.00 from W. B. No bids were received on heating.

There was discussion of the location of various kindergarten sections. It was reported by Mr. Brenholt that to take enough students from Kewaskum to Wayne would require either additional costs for bus routes or else the students from town would be picked up first and ride a full route. The additional costs were projected at about \$4,000 to avoid the longer bus ride for the village students and others who might leave the Kewaskum attendance area to go to Wayne.

The petition presented by the Farmington PTO was raised. There was no motion to add back the Middle School teachers as requested in the petition.

Discussion was held on the proposal for three additional special education staff. The proposal had been for two teachers of emotionally disturbed (one elementary and one secondary) and a learning disabilities teacher for the secondary schools. The board approved one position, the teacher for emotionally disturbed at the elementary levels. A previous motion and second to add two teachers was defeated on a 5-2 vote, with Jerry Secor and Tom Gundrum voting in favor of the motion.

Approval was given to accept the proposal from Industrial Appraisal to do a complete new inventory. Cost will be \$4,035.00. The board also approved ordering of supplies, materials, and textbooks for next year. The position of Services Manager was cut to a half-time position. Payroll and vouchers payable were approved.

A resignation from Karen Kuehl was accepted. Mrs. Kuehl was to have taught at Farmington next year.

A contract for Michael Theiler as high school guidance counselor was approved. Mr. Theiler attended Stevens Point and Stout, served one year as a counselor intern at Marshfield and one year as Assistant Director of Admissions at Mt. Senaria College.

The board accepted with thanks the offer by the Kewaskum Kiwanis Club to construct two new tennis courts at the high school. The courts would be located just north of the existing facility. The original courts were put up by the Kiwanis Club a

number of years ago and have been used to capacity during the season. The new facility will allow the schools to participate in inter-scholastic tennis competition if desired.

The board adjourned to executive session to discuss salaries, negotiations and a personnel question.

## Dr. Joe Darin Receives Honors

A Hurley native whose wife is from the Kewaskum area has received the highest honor a surgeon can receive in this country. Dr. Joseph C. Darin was inducted into the American Surgical Association on May 7. The ceremony took place at the Chateau Frontenac in Quebec, Canada.

He is professor of surgery and vice chairman of the Department of Surgery of the Medical College of Wisconsin, Milwaukee.

The American Surgical Association is the highest honor an American surgeon can achieve. Membership in the association comes after nomination and election to this select group of surgeons in North America.

Dr. Darin received his Bachelor of Science degree from Marquette University and his Doctor of Medicine degree from Marquette University School of Medicine (now the Medical College of Wisconsin).

He served a rotating internship at Columbia Hospital, Milwaukee. His surgical residency was taken at the Medical College of Wisconsin Affiliated Hospitals.

Dr. Darin is the son of Mrs. Margaret Darin of Hurley and his wife, Patricia, is the daughter of Dr. and Mrs. R. G. Edwards, Kewaskum.

## Five Confirmed at Wayne, Kohlsville

Confirmation rites took place in Salem - Wayne and St. John's - Kohlsville UCC churches on Sunday, June 15, during the regular worship service. Rev. Timothy K. Prasad is pastor of the churches.

## Kiwanis Club to Construct 2 New Tennis Courts

The Kewaskum Kiwanis Club at their regular meeting Monday night voted to approve putting in two additional new tennis courts at the Kewaskum High School site. These two courts will be adjacent to and directly north of the present courts, which are used to capacity. Lights are also being considered by the club.

The work will be done by local contractors. Members of the club, a civic group that has helped with recreation for children in the Kewaskum area, will be putting up the fence.

The total cost of the project will be approximately \$14,000. These are funds that are raised at the annual Kiwanis Turkey Shoot.

It is hoped that construction will be finished the latter part of the summer.

## Vil. Board Permits C. of C. to Set Up Information Booth

by Karen Schmidt

In matters brought up at the June 16 meeting of the Village Board, the Kewaskum Chamber of Commerce, represented by Ken Weddig, was granted permission to put up a booth at the south end of the village. The booth will contain maps of the village and state and information on the Kettle Moraine area.

Robert Kroncke, representing Rosenheimer's Malt & Grain, questioned the substantial increase in sewage rates for the first three quarters of 1972. The matter will be reviewed by Peter Albers, sewage treatment plant operator.

In further action a bartender's license was granted to Frederick Krieser. Building permits were also granted for two single family residences.

## GWEN DREHER RECEIVES DEGREE

Gwendolyn E. Dreher, Kenosha, Wis., graduated on May 15 from the Gateway Technical Institute in that city. She received an associate degree after completing a two-year course in interior design.

She is the daughter of Dr. and Mrs. R. G. Edwards, Kewaskum. Her husband Jules is the son of Mr. and Mrs. Earl Dreher, Sr., Kewaskum.

## Bicentennial Committee Plans Projects

The local Bicentennial Committee has been meeting monthly to plan some worthwhile projects and fun events for the community.

During the school year students were asked to participate in a Kewaskum flag design contest. The winners will be announced soon.

The printing of Mark Smucker's booklet on the history of Kewaskum has been taken on by the committee with Kiwanis Club representatives handling the detail work. The anticipated completion date is December 1, 1975 and these will be available to the public for a nominal fee.

The Woman's Club and Jr. Woman's Club are now involved in the research of all areas which were relevant to Kewaskum's growth. This information will be compiled and presented in pageant form in July, 1976.

The Lions Club will be sponsoring a "Pioneer Day" in the village during the summer of '76 and ideas are always welcome. Just give Howard Zemlicka a call at 626-2754. Activities will be planned for all ages.

The County Bicentennial Committee has secured a trailer for exhibits at the County Fair in July and Kewaskum will be represented. Feel free to visit the exhibit and learn exactly what your local committee is doing.

## Offer Free Tennis Lessons

The Village of Kewaskum Recreation Department will be offering free tennis lessons for beginning and intermediate players this summer. Instructions will be given by Rick Zarling, a two-year tennis letterman from the UW-Washington County Campus. Rick was the 1975 MVP of the UWWC tennis team.

Classes will tentatively be offered in mornings and afternoons but evening classes might be possible if there is enough interest. People of any age are invited to participate, all that is needed is a tennis racket and tennis shoes.

Sign-up for classes will be held from June 23 to 27, 1:00 p. m. to 4:00 p. m., at the grade school recreation area.

## TO TREAT TREES FOR DUTCH ELM DISEASE

The Beaver Tree Surgeons will be treating trees for Dutch Elm Disease in the village next week. If you need trees treated call Roy Esser at the high school, 626-2166, or the municipal building, 626-4060. This service has been in progress for the past three years.

## Esser Awarded State Honors in Conservation

Kewaskum High School teacher, Roy Esser, has been awarded second place in the Conservation Teacher of the Year contest in the state. He had earlier won the county award for conservation.

Esser has taught agriculture at Kewaskum for 15 years and has been active in the Future Farmers organization for as long. He will take over a new part-time assistant principal position this fall.

The announcement of the award was sent to Reuben Schmahl, the chairman of the Washington County Board of Supervisors from Robert Deetz, secretary of the Education and Youth Committee of the state's Soil and Water Conservationists.

In his letter, Deetz noted, "Your county is to be congratulated in having programs such as the ones developed by Mr. Esser in existence."

## L. Rosenheimer Store on TV

The L. Rosenheimer Department and Grocery Store of Kewaskum was highlighted Tuesday evening on WTMJ-TV, Milwaukee, on the 6 and 10 o'clock news.

The Bill Taylor special featured a short on the store which celebrated its 100th anniversary last fall. The present owners of the store, cousins Lehman "Lem" and Henry "Hank" Rosenheimer, were interviewed. Both commented that they liked doing business in the friendly atmosphere of a small community.

The operation of the store was begun by their ancestors back in 1874. The TV feature showed the original log of the store which showed that the first sale was transacted in October of that year.

The WTMJ cameras showed the store located on Fond du Lac Avenue and some of the daily business going on inside. A picture of the store in the early days of existence was also shown.

## We Salute the Dairy Farmer

A one-man farm, with the right machines and enough land to use them effectively, is just as efficient, in terms of unit costs, as any enterprise employing more labor. In fact, it's even more efficient on occasion, according to a year-long study by USDA economists.

Costs for such items as

feed, seed, fertilizer and pesticides are pretty much the same per acre of output, regardless of farm size.

A nickel or dime more or less in the price of a bag of feed may not seem like much. But it can easily make a multi-dollar difference in farmers' net income.

## Elected to Badger Girls State Offices

More than 600 high school girls from throughout Wisconsin took part in the 32nd annual session of Badger Girls State at the University of Wisconsin-Madison, June 7-14.

Co-sponsored by the Wisconsin American Legion Auxiliary and University Extension Institute of Governmental Affairs, the week-long session taught the delegates about government on city, county, and state levels. The program is designed to prepare them for their future responsibilities.

The girls, all seniors-to-be in high school, were chosen on the basis of leadership, scholarship, and character. Each was sponsored by the auxiliary or civic group in her hometown.

The girls held mock elections, organized governmental units, conducted campaigns, and attended lectures on various phases of government. A high point was the legislative session at the State Capitol where the girls enacted laws and sent them to their governor and other executive officials.

The roster of delegates included: Stephanie Matenaer, Diane Strack and Susan Bohn from Kewaskum.

Miss Matenaer, a member of the Nationalist Party, was elected county clerk in the Hoard County election.

Miss Strack was elected one of six supervisors for the City of Elm.

## Indians Lose to West Bend East, Tip Germantown

The Kewaskum Indians split 2 games the past week and had 2 rained out. Last Tuesday night at Regner Park, West Bend, they were defeated by West Bend East, 7-3, and Thursday they won their first conference game at Germantown, 2-0.

The Indians had 4 games on successive nights scheduled this week. Monday night's contest with Slinger here and Tuesday's game at Mayville were both rained out. Wednesday they were scheduled at Lomira in a non-conference tilt and Thursday night Grafton comes here.

In the West Bend East non-conference game, Coach Jim Westphal chose to pitch Leon Laatsch, a soph this past year, instead of going with his ace, Scott Koth. It was Laatsch's first start this year. Westphal was saving Koth for the Germantown game Thursday, stating he needed more than a day's rest and it was more important to use him in a conference game. Laatsch pitched well but the Indians haven't been hitting the ball.

It appeared as a rematch of last year's 1-0 10-inning Sectional between Kewaskum and East with a 2-2 tie until a 5-run barrage in the 6th gave East a 7-3 win, the Indians adding a run in the 7th. Two errors helped East in the inning. Meanwhile ace Jed Holfeltz was on the mound for East. He struck out 11 and gave up 6 hits. Laatsch gave up 8 hits. Mike Koepke and Rinzel each got 2 hits for the losers and Knox, Luedtke and Hemauer each got 2 for East.

It paid to save Koth for the Scenic Moraine opener at Germantown Thursday as the Indians won a 2-0 shutout as Scott pitched a 2-hitter. Koth had gone 26 innings on the mound, including the end of last year, allowing just 2 earned runs but ending up with a 0-3 record to show for it. All of the losses were 1-0.

But this time the Indians got 2 runs for Scott as he pitched a shutout. They should have scored more except for some sloppy base-running. The winners got both runs in the 4th. Randy Koepke singled and Mike Rinzel walked. Tom Rohlinger hit a long double to score Koepke. It should have been

a triple but Rinzel slipped and missed the bag at 3rd. He had to return to base and Rohlinger had to hold up. Rinzel was out at the plate on a fielder's choice, Rohlinger moving to 3rd, and he scored on a balk.

Koth struck out 12 batters and gave up just 2 singles, one of them a scratch infield hit. Bruce McCardle, the loser, allowed just 4 hits, 2 of them by Randy Koepke.

## Kewaskum Wins Over Barton, 7-1

Kewaskum broke up a tight 0-0 pitcher's duel with 5 runs in the 6th inning and went on to defeat Barton 7-1 in a Tri-County Night League game here Thursday. The winners added 2 more runs in the 7th.

Four errors, a walk and 3 hits accounted for Kewaskum's 5 runs in the 6th. Jerry Liebetau scored Barton's only run in the 7th. Walt Thoreson started for Barton and matched Kewaskum's Tom Theusch pitch for pitch until the roof caved in during the 6th. Bill Kraemer and Bob Kaehny followed Thoreson to the mound, while Theusch went the distance for the winners. Theusch, Tom Bartelt and Bob Borkenhagen had 2 hits apiece for Kewaskum. Borkenhagen's bases loaded single drove in the first 2 runs and broke the scoreless tie. Theusch allowed only 4 hits.

Kewaskum's game with Cedarburg Sunday was rained out. The team has 3 home games the next week: Saturday, June 21, Cedarburg (LOL); Sunday, June 22, Thiensville - Mequon (LOL); Thursday, June 26, Mayville (T-C) night.
