Former Village Garage Leased to Historical Society for Museum

By Mark Smucker

A lease to the Kewaskum Historical Society for the former village garage on Parkview Drive was unanimously approved by the Kewaskum Village Board at Monday's meeting.

The amount of the lease will be \$1.00 per year for 10 years with all utilities being paid by the society. The building will be converted into a museum this winter, with some items to be displayed already donated.

Historical Society President, Dan Schmidt, was to sign the lease with represen-

tatives of the village on Wednesday.

A 1973 Chevrolet station wagon was purchased for the Sewage Treatment Department at a cost of \$1,500.

Bids will be advertised for a 19 h.p. garden tractor with a 60 inch mower, since the old one is in need of replacement.

A request by Ada Meilahn to be connected to the village water supply was granted. Prior to this time, the home had been using a well for its water supply, but the water level is falling there.

Junior Woman's Club Activities

The Kewaskum Junior Woman's Club is in full swing with a new club year's activities.

On Oct. 3 and 4, several members attended the Wisconsin Junior Conference held at the Pioneer Inn in Oshkosh. They participated in department workshops and were addressed by Sister Thomas More Bertels, O.S.F., a professor of history at Silver Lake College of The Holy Family, Manitowoc, presenting "A Woman's Right to Nag."

The Conservation Department announced that a recycling center will be operated on the third Saturday of the month at the village garage on Park View Drive from 9:00 a. m. until noon. Clean glass, with labels removed, cans, cleaned and flattened, and aluminum will be collected. Fire Prevention Week literature was distributed to the local schools.

A Block Parent program is being sponsored by the club and is designed to provide a refuge in case of emergency. It is especially designed for grade schoolers on their way to and from school. The participating home will display a green and white picture of "Chief Kewaskum." Parents are urged to inform their children to seek shelter in case of injury, approaching strangers, etc. at homes displaying "Chief Kewaskum."

Members are collecting coupons and labels from grocery products which will be donated to Southern Colony, Union Grove, Wis. Southern Colony is a home for retarded citizens and it redeems the coupons and labels for premium gifts for the residents. If anyone would like to assist they can contact any member or by calling 626-2077 or 626-2447.

Story Hour sessions are now in progress with 50 children participating in the six week program. Stories, poems, singing and finger plays entertain the children and each child is allowed to "check out" a library book for the week with the purpose of educating them to the educational and recreational resources available at a library.

The club is again participating in the "Look-Listen Poll" in which T.V. programs are monitored and evaluations are sent to Better Broadcasts, 111 King St., Madison, Wis., 53703. The purpose of the poll is to inform the networks, government agencies, producers, and sponsors of the opinions the viewers have on the value of the programs and commercials.

Kewaskum village employees were treated to an "Appreciation Luncheon" on Oct. 7 as the Club's observation of Wonderful Wisconsin Week.

In cooperation with the Washington County Health Department, members will assist in eye and ear testing held in the local schools.

Children with learning disabilities is a project the club is actively pursuing. Carol Zimmer, C.L.D. chairperson, reports that five members will be assisting the local learning disabilities teachers in a one-to-one program with the students. Flash cards and educational aid games are being made.

On Oct. 28, members and their costumed children will distribute Halloween treats to the residents of the Beechwood Rest Home.

Board Ratifies Teacher Contract

The Kewaskum Board of Education Monday night ratified the contract with the Kewaskum Education Association by a vote of 6-0. One school board member, Allen Tassar, was absent from the meeting.

The teachers voted on Tuesday evening of last week to accept the contract. It becomes official with board acceptance.

In other action, the board approved retroactive pay for coaches of women's sports for the 1973-74 and 1974-75 school years. Exact details of the settlement were not disclosed, except that the total amount owed to the coaches came to \$1,056 for 1973-74 and \$640 for 1974-75. The vote on that was also unanimous.

Milk Producers Meet Here, Elect

Farm milk prices will continue to rise this fall, the president of the Mid-States Region of Associated Milk Producers, Inc. said in Kewaskum Oct. 6.

Speaking to 220 members of the Kettle Moraine district was Paul Affeldt, Sparta, who predicted that Class I (fluid) milk in the Chicago federal order would reach \$10 this fall.

"The price for manufacturing milk hasn't peaked yet," he declared. Under the federal order pricing system, the price of manufacturing milk is one component of fluid prices.

He pointed out that while there has been strong demand for dairy products, dairy farmers have every right to be fearful of imports. "There will be considerable pressure to bring imports in," he said, adding that the pressure will be coming from consumer groups.

Affeldt also pleaded for more unity among all dairy farmers and their organizations. Both dairy farmers and consumers would benefit, he claimed.

Elected to three-year terms as delegates for the district were Don Theusch, Allenton, and Ervin Butzlaff, Kewaskum. Carl Herriges, Kewaskum, was elected to a two-year term.

Holdover delegates are William Schroeder and Walter Breuer, West Bend; Joe Schmitt, Allenton, and Allen Peil, Slinger.

Seven alternates were also elected. They are John Oelhafen, Martin Haack and Byron Gessner, all of Kewaskum; Donald Schneider and Charles Spaeth, West Bend, and Ted Moser, Allenton.

Lions Given Rescue Demonstration

The Kewaskum Lions Club was shown various first aid techniques by members of the Kewaskum Fire Department. These members were Captain Donald Ehnert, Lieutenant Paul Behring, a Lion member also, and Michael Fierke. Surely the Lions picked up a few pointers by just watching this fine demonstration.

The Lions Club light bulb sale was set for this Friday evening and all day Saturday. Those who cannot be home and want bulbs, please call the committee chairman, Roger Groeschel at 626-2508.

Assemblyman Hephner will be guest speaker at the next Lions meeting, Tuesday evening, Oct. 28. This will be in conjunction with Lion's guest night. Anyone interested in attending as a guest, please contact a Lion.

Trick or Treat

Trick or Treat night in the Village of Kewaskum will be Thursday, October 30, from 6:00 to 8:00 p. m.

Adeline Enders Celebrates 100th Birthday

Kewaskum Statesman
Friday, October 24, 1975

Adeline (Harter) Enders

Adeline Enders, nee Harter, who was born April 9, 1875, at a farm between Kewaskum and Campbellsport, in the Town of Auburn, located on what is now Hwy. 45, observed her 100th birthday at her home in Wabeno, Wis.

Mrs. Enders is the daughter of the late Mr. and Mrs. John Harter, and a sister of Gregor Harter of the Town of Auburn and the late Jacob Harter, also of the Town of Auburn and the Village of Kewaskum. The farm on which Adeline was born has been in the Harter family for three generations, first owned by her father, John, then her brother Jacob, and now is owned and operated by a niece and her husband, Alban and Dorothy (Harter) Nigh.

John and Mary Harter had twelve children, all of whom are deceased except Adeline, who is the oldest, and Gregor, who is the youngest. The family were members of

Holy Trinity Congregation, Kewaskum.

At the age of 12, Adeline not only did the sewing of her own clothes, but also that of her younger sisters. During her later teens, she left home and worked in Chicago. She cooked at the University of Chicago. Adeline then left Chicago and worked in Milwaukee for several years. She married John Enders in 1903 in Kewaskum. They lived on farms near Mt. Calvary until 1909, when they moved to Wabeno. There they farmed and also operated taverns. Eleven children were born to the couple. Their names as they were born and their place of residence are as follows:

- Mary Hartl — Green Bay
- Lester Enders — Laona
- Harter Enders — Wabeno
- Ramona Enders — Wabeno
- Norbert Enders — St. Cloud (Deceased)
- John J. Enders — Rubicon
- Richard Enders — Wabeno

- (Twin)
- Joseph Enders — Alaska (Deceased) (Twin)
- Leo Enders — (Deceased, age 2)
- Jerome Enders — Wabeno
- Dolores Hilden — Ontanagon, Mich.

Her son, the late Joseph Enders, lived in Kewaskum for a short time with his grandparents and attended school here. He played on the local high school basketball teams.

Her husband John died in 1946. She has 50 grandchildren and 99 great-grandchildren (at the time of this writing).

Adeline was very active in her community and belonged to many clubs and organizations. Her hobbies are sewing, painting, crocheting, gardening and raising canaries. She started oil painting at age 85. Water coloring is one of her other accomplishments.

Most of Adeline's traveling started at age 86. She took airplane rides to Detroit and Canada, one at 93 and the other at 94 years of age. At 95 she flew to Florida and at age 97 took a six week trip by car, again to Florida. She visited Disneyland, Busch Gardens, Cypress Gardens and Lake Wales. At the age of 99 she still made shorter trips.

Adeline was presented with 100 roses by the community. Her Representative, Lloyd Kincaid, arranged for her to receive an American flag, that was flown over the state and national capitols and a legislative citation. Many other honors were bestowed on her by her local community. Close to a full page tribute to this remarkable lady was published in the Forest Republican of Crandon.

You Guess . . .

Yes, you must guess whom this person can be
Who's been written about so mysteriously.
The name you oft hear mentioned in song,
Her talents are many, her spirit is strong,
So, she really does to the noted belong,
She sews and paints and a garden she loves
And spends many hours
Amid all her flowers.
Also, she's known as an excellent cook,
She makes pretty things with the aid of a hook,
Now Madam X, while not young in years,
Feels to be busy, heartens and cheers,
With hands never idle, her mind so alert
Just rest assured, this lady is pert.

Her sons and her daughters think she's pretty nice,
The grandchildren too, would surely think twice
Before they'd trade grandma for just any price.
When Christmas time comes they all are remembered;
Most of the gifts are made by her hand--
Tho many long hours, this task does demand,
But, there's love in her heart as she works for her own,
It's a labor of love, she doesn't bemoan.

Come now, do you know whom
This is written about,
Or, is the riddle still mine?
Why don't you just shout?
It's Sweet Adeline.

FHA to Collect For UNICEF

On Tuesday, Oct. 28, the Kewaskum Chapter of Future Homemakers of America will be collecting for U.N.I.C.E.F.

We will begin at about 4:30 or 5:00 p. m. and go on collecting until around 8:00 p. m.

So please give as much as you can when our girls come to your door. Remember it's for a good cause—children all over the world who are in need of food and clothing.

On Oct. 8 the Kewaskum FHA held its initiation. It was a fun event and the members who were to be initiated had to dress up like babies. They wore the following things: a diaper over a pair of shorts and a baby bonnet. They also had to bring these things along with them: a towel to be used as a blanket, a baby bottle and a doll.

After this "informal" initiation we had "formal" initiation. We then snacked on bars and got a calendar of events for the month of October.

Denny Hilton's 'Country Shindig' Opry Show Coming to Amerahn

Kewaskum Statesman
Friday, October 24, 1975

Denny Hilton's "Country Shindig" Opry Show, one of the best country and western music and comedy shows for family entertainment in the Midwest, hails from the Lake of the Ozarks in Central Missouri.

The troupe will appear in person at Amerahn Hall, Kewaskum, in a two hour show at 8 p. m. Monday, Nov. 10. Advance tickets are now on sale at the Amerahn. Tickets are priced at \$2.50 and \$2.00 for adults and \$2.00 and \$1.50 for children. Call Amerahn for any information at 626-4031.

Originated by Denny Hilton in the fall of 1969, a magnificent 1,200-seat auditorium was constructed as the permanent home of the show and the "Country Shindig" opened its first season in May, 1970.

Now beginning its seventh season, the "Country Shindig" has met with tremendous success and has played to hundreds of thousands of people both at home and throughout the Midwest.

During the tourist season, mid-April through September, nightly shows are presented by the "Country Shindig" on their home stage in the spacious auditorium at the Lake of the Ozarks. October through March the "Shindig" cast performs on the road for conventions, civic organizations' fund raisers and other types of engagements.

The troupe travels more than 100,000 miles annually and has appeared in 497 communities in eight states.

Through their appearances for civic organizations hundreds of audiences have been thrilled with their special brand of entertainment and they have helped raise thousands of dollars for worthy causes. The entire cast travels together in its own ultra-modern, fully-equipped, customized touring bus.

The "Country Shindig" features popular Country and Western music as well as some of the old standards. To the delight of most younger folk in their audiences, the versatile musicians also include several modern, pop tunes. Highlighting the entire show is a constant banter of family-style comedy and audiences delight at the hilarious antics of the "Shindig's" popular comedian Gabby Gumm. The result is a memorable evening of entertainment and thousands who have seen the show have dubbed it "The Family Show."

In recent years the "Country Shindig" musicians have recorded two long-play albums. The first, recorded at the Decca Recording Studios in Nashville, is "The 'Country Shindig' in the Barn" and features such hits as "She's All I Got," "My Woman" and "God Will." Their most recent album, "Denny Hilton's 'Country Shindig' Opry Show

—Our Second Album," offers "Ramblin' Man," "Behind Closed Doors," "Bad Leroy Brown" and "You Gave Me a Mountain." The second album was recorded at Columbia Studios in Nashville.

A third album is now in the making. It will be recorded at the House of Cash—Johnny Cash's recording studio—and is scheduled to be released this fall. Included on this album will be such popular songs as "Movin' On," "Rhinstone Cowboy," "Yellow Ribbon" and "When Will I Be Loved?"

A special album commemorating our country's Bicentennial Celebration is presently being planned and will be released after the first of the year. Special arrangements of songs written for and about our great country will be included on this album. Musicians on all of the albums are the same musicians who perform at the "Country Shindig" auditorium and on the road shows.

Included in the troupe are four male and two female performers.

Owner Denny Hilton performs with the group and emcees the show. Denny first took up the guitar at the age of ten and began playing professionally at 17. At the young age of 19 he fulfilled

a life-long dream of owning his own show when he organized the "Country Shindig." In addition to playing guitar, Denny also plays steel guitar and fiddle and is an excellent vocalist. As well as being producer of the show, he also writes and directs most of the show's comedy routines.

Other members of the group include: Thom Gumm, better known as "Gabby Gumm," the popular comedian of the show. Thom, a 27-year-old native of Weaubleu, Missouri, is a true professional. A superb comedian as well as an excellent musician, Thom's tender rendition of "My Woman" demonstrates his versatility as he easily moves from the role of comedian to that of serious singer. Gumm is also Hilton's "right-hand-man" in many phases of the show's production, assisting with everything from adlibbing to driving the bus.

Steve West, 25, has been with the show since its first opening night. The five-string banjo picker thrills audiences with his "Dueling Banjos" plus he plays lead guitar, dobro and sings a fine song. The Lead Mine, Missouri, native is also the "straight man" for many of "Gabby's" intimidating antics.

Tommy Ewing provides the percussion for the group and his excellent performances

with the drumsticks receive rousing audience acclaim. A native of Malvern, Arkansas, 25-year-old Tommy readily wins the audience with his big smile and bounce on the drum throne.

Sarah Farrell, a lovely and talented entertainer, is an accomplished pianist and vocalist. The graciousness and radiant smile of the 24-year-old native of rural, Maryville, Missouri, captivates audiences.

Sandy Gumm, the youngest member of the troupe, is just 20 years old but she's a bundle of talent and enthusiasm. Always bubbling and smiling, Sandy plays bass guitar, five-string banjo and sings a rousing country song.

These are the talented musicians who make up Denny Hilton's "Country Shindig" Opry Show. Their versatility and love of music and good fun make the "Shindig" the fantastically popular show it is and a terrific entertainment experience for the entire family.

County Committee Plans Activities For Bicentennial

At the September meeting of the Washington County Bicentennial Committee, plans were discussed for a local youth discussion panel with a bicentennial theme.

The topic chosen was "Resolved, has the United States lived up to the spirit of the Declaration of Independence?" This panel will consist of 12 members, one taking the affirmative side and one the negative from each of the six high schools in Washington County. A tentative date of early February has been set for airing this one-half hour program over a local radio station.

A cross country ski trail

located northeast of West Bend, in a county park, was sanctioned by the committee as an official Bicentennial project. The trail, measuring 4.7 miles in length, will be cleared and marked by the Glacier Nordic Ski Club of West Bend this fall, and a parking lot is tentatively planned for next spring.

Nine townships and three villages in the county have offered their support to a county history thus far, which should be compiled early next year. When finished, the county histories will be made available to local schools and libraries.

Ridge Run, Leinberger and Albecker County Parks were designated as sites for trees to be planted in 1976 in honor of children born in Washington County. Anyone planting a tree anywhere in the county in conjunction with this project will receive a certificate from the committee. Assistance is hoped for from the Boy Scouts, Girl Scouts and the 4-H groups in the county.

Indians Jolt Unbeaten Grafton, 14-0, Gain Tie for First Place

Growing stronger each week with a fine running game and a front line that has been blowing people out of there, the Kewaskum Indians stunned previously unbeaten, leading Grafton in their homecoming game there Saturday afternoon, 14-0, before a large crowd from both towns, as well as West Bend and Mayville, to gain a tie for first place with the Blackhawks.

It was the Indians' seventh win of the season and fourth in a row in the Scenic, and the first conference loss for Grafton. Both teams are now 4-1 and share the lead with two games to go. It was a sunny but cold, windy day, with the wind coming off of Lake Michigan, causing extra concern for the quarterbacks and kickers.

Grafton took the wind in the first quarter but the Indians had the ball for all but six plays in that period. The Blackhawks had good early field position on the Indian 47 following a short punt into the wind but a Kewaskum player jarred the ball loose from Grafton ace Dave Brewster and Jack Kern recovered on the Hawk 48. Quarterback Jim Bilgo moved the Indians down to the one, from where fullback Dave Menzel plowed into the end zone. A 21 yard run by Dennis Bremser featured the drive. Bilgo's try for two points on a keeper was stopped inches short and it was 6-0.

Kewaskum put on two more drives in the second quarter one to the 29 yard line but they fumbled on 4th down. After a short punt on the other drive, the Indians reached Grafton's 10 yard line where a Bilgo pass was intercepted.

In the third period Kewaskum was faced with a third and five when Ray Reindl sped around right end on a 70 yard touchdown run to the delight of the Kewaskum fans. Bilgo passed to Kern for the two point conversion, making it 14-0, and ending the scoring for the day.

Grafton threatened on an Indian fumble on their own 27. They got to the 16 on an 11 yard run by Todd Gundrum, their longest of the afternoon, when Menzel broke through to clobber Gundrum for a big loss. The Hawks had to go for a field goal and Jim Hedrick's try was wide.

Late in the game Grafton got to the Indians' 15 on a 23 yard pass completed on 4th down. But the defense again held and Kewaskum took over on the 30. QB Scott Fitzgerald threw a pass in the closing seconds that was intercepted by Bremser to end the game.

The Kewaskum defense played another stellar game in blanking the Blackhawks. Tom Rohlinger had two solo tackles and 13 assists, John Sekeres 3 and 10, Menzel 4 (3 behind the line of scrimmage) and 8, and nose guard Gary Gavin was in on 13 tackles.

Reindl gained 120 yards rushing for top offensive honors, while Menzel and Bremser each topped 50. Grafton's star back Brewster, who had 186 yards and scored three TD's against Mayville, was held to 34 yards.

In other Scenic contests Mayville upset Kettle Moraine, 20-18, Germantown surprised Hartland, 14-7, and in

the battle for the basement Pewaukee defeated Slinger, 21-13.

This Friday night Kewaskum hosts Kettle Moraine in its homecoming game at 7:30. Kettle is in a three-way tie for second place with 3-2 and could prove tough.

Indians Rated 13th in State, 1st in County

Kewaskum's high-flying Indians, who are sailing along with an overall 7-1 record and who are tied for first place in the Scenic Moraine Conference with Grafton (4-1), were rated 13th in the state among Class B schools in this week's Associated Press poll.

Out of the top 33 schools rated, the first 13 include Fond du Lac Springs (8-0) 133 points, Marshfield Columbus (8-0) 125 and Neillsville (8-0) 125, tie, Kewaukee (7-0) 95, Oshkosh Lourdes (7-1) 84, Waunakee (7-0) 59, Auburndale (8-0) 47, Colby (7-1) 42, Prairie du Chien (7-1) 31, Clintonville (6-1) 19, Viroqua (7-1) 15, Jefferson (5-2), and Kewaskum (7-1) 14.

Kewaskum is also rated first in Washington County in the West Bend News poll, ahead of Hartford, West Bend East, Germantown West Bend West and Slinger.

Kettle Runners Champs Again; Kewaskum Last

In its six years in the Scenic Moraine Conference, Kettle Moraine captured its sixth straight cross country title last Wednesday at Lake Park golf course. The Lasers won all seven dual meets and finished first in conference.

Kettle totaled 57 points on Wednesday. Grafton was second with 75, Germantown and Mayville tied for third with 83, Hartland fifth with 93, Slinger sixth with 151, Pewaukee seventh with 163 and Kewaskum last with 206.

Grafton's Jim Hoffmeister took home the gold medal for being the conference's best runner. He ran the three-mile course in 15:41. The top seven runners are automatically all-conference.

It was a dismal finish for Kewaskum, which had hoped to come in ahead of Pewaukee and Slinger. But the first runner, freshman Dick Kleinmann, finished 34th. Then same Carl Felten 37th.

A total of 53 boys ran in the varsity event.

Kewaskum Wins Baseball Awards

The Tri-County Nite League brought its 1975 baseball season to an official close last Saturday night with the annual awards dinner at the Pyramid Supper Club near Beaver Dam, drawing 87 persons. Commissioner Elmer Marks of Ashippun handed out the trophies.

Lebanon received the grand championship trophy and first place trophy in the Southern Division. Slinger took home the first place trophy in the Northern Division and Barton, Kewaskum and Mayville, all tied for second place, received trophies.

Steve Farnsworth of Johnson Creek won the Southern Division batting championship trophy with an average of .520, while John Keller of Slinger (Hartford High pitcher last spring), took these honors in the Northern Division with an average of .393.

In the Southern Division Ashippun won the sportsmanship trophy with a perfect record of 80 points. In the North, Slinger and Kewaskum were tied with 88 points out of a possible 90, for first place.

The Kewaskum team also was a member of the Land o' Lakes League Northern Division the past summer.

GIRLS GOLF LETTER WINNERS HONORED

A get-together of the Kewaskum High School girls golf team, parents and Coach Katie Koch was held recently. Miss Koch mentioned highlights of the season, including third place in the Scenic Moraine Conference, a low nine-hole round of 52 by soph Chris Nigh, and Amy Schmidt's making the all-conference team with a 53 average.

Eight letter winners were honored, including seniors Amy Schmidt, Sue Bohn, Pam Scannell and Bev Ehnert and underclassmen Chris Nigh, Yvonne Schacht, Mary Cihra and Denise Dean.
