Proposed Plan for New Fire Station

Plans are underway by the Kewaskum Village Board for construction of a \$200,000 fire station on South Fond du Lac Ave. Shown above is the architectural sketch for the proposed station.

Tentative plans call for the letting of bids Nov. 25 or 26 with deadline for submission about Dec. 23. Work is expected to begin in the spring. Rohlinger Construction of Lomira was awarded the bid for the removal and stockpiling of top soil at the site and this work was already completed this week before cold weather sets in and the ground freezes.

The Village Board in July

adopted a resolution allowing a \$200,000 loan and secured an option on property owned by Clarinda Schmidt measuring approximately 350 feet by 400 feet. An old garage building on the site was razed recently and the rest of the site is vacant. At their Nov. 3 meeting the board also approved the purchase of the adjoining Ralph Fellenz property at a cost of \$30,000.

Tesch - Tesch and Associates of Fond du Lac, contracted by the Village Board to design the fire station, said the proposed structure will contain approximately 13,400 square feet of space

with a 94-foot frontage.

The one-story building would be built of pre-engineered steel with masonry walls of colored and textured concrete block in some shade of light brown. The station is designed for six equipment bays capable of housing 12 fire fighting units.

Besides the equipment area, plans call for a training room of 1,500 square feet, a fire chief's office, a small conference and meeting room, a dispatch office and a first aid room. Also included in Tesch-Tesch's design are toilets and various equipment storage areas. No sleeping

quarters are provided because the fire department is a volunteer unit.

The building will have no basement. Parking space for approximately 70 cars would be provided. Some of the area could be used for regional fire and first aid meetings.

Augie Bilgo is the acting fire chief in charge of the department consisting of 45 active men. The department now has two ambulances and six fire trucks.

The new structure will replace existing quarters in the municipal building constructed 25 years ago.

Board Accepts Bid for Removal of Topsoil From New Firehouse Site

By Mark Smucker

At the bimonthly meeting of the Kewaskum Village Board, bids were read for the removal and stockpiling of about 4500 cubic yards of topsoil from the site of the proposed firehouse.

A total of six bids were received, ranging in price from 29c per cubic yard up to 68c. The bid which was accepted was from Rohlinger Construction Co. of Lomira, for 29c per cubic foot, or \$1,450. The work was done immediately this week, so that it was completed before the ground is covered with snow.

Howard Zemlicka and David Stradtman, who are engaged in a small toymaking business, appeared before the board to get their opinions on a request that a building zoned commercial at the present time, located on Main Street, be changed to light

industry, so that they could move their operations there. No board member had any objection to the change, but the plans should be brought before the zoning commission next week, before any approval can be given. A public hearing would be necessary before the zoning could be changed in any event.

The two men reported that they manufactured small wooden toys, including rocking horses, and may start producing toyboxes in the future. They have no employees at the present time, but state approval may be necessary before they could begin operations.

Sewage treatment plant operator Peter Albers was granted one and one-half day's salary to attend a convention for local treatment plant operators, by the board, an action which was tabled from the previous meeting.

Fire Damages H. Bath Garage

A fire in the garage at the Harold Bath home on Hwy. 28 one-half mile east of Kewaskum last Friday morning caused damage estimated at \$1,000 by Acting Fire Chief Augie Bilgo. Firemen were called to the scene at 9:45 a. m.

The fire started in a rubbish burner in the garage, spread to a woodpile next to the stove, and then to the wall and ceiling of the building. The burner, pipes, woodpile, wall, joists and ceiling were charred and burned, causing a large amount of smoke.

Fifteen firemen answered the call.

Up to this writing this area is still enjoying unseasonably warm weather for late in November with record-breaking temperatures in the upper 60's most of the week. One of our subscribers reported this was the warmest fall weather he can remember since 1922 when the ground didn't freeze over until Dec. 24. However, this weather isn't making deer hunters happy for the season which opens Saturday.

Jr. Women Have Speaker, Welcome 5 New Members

The pleasure of hearing a presentation on Conservation/Ecology by an unusually dynamic speaker, Dale Houdek, Outdoor Conservation Coordinator at the West Bend High Schools, was the highlight of the November meeting of the Kewaskum Junior Woman's Club on Thursday evening, Nov. 13, at the Valley Bank. The concept of what conservation truly means and how it is actually achieved was the somewhat unusual and enlightening approach offered by Houdek.

Followed by a light brunch, President Isabelle Straub then called the meeting to order.

Installation of new members was the first order of business. In a simple, but impressive ceremony, five new members were welcomed into KJWC: Karen Chesak, West Bend; Wendy

Coulter, Campbellsport, and Donna Meyers, Char Rademacher and Corey Wuebben, all of Kewaskum.

Department and committee reports then followed. Carol Leitheiser reported on the highly successful Fashion Show held on Tuesday evening. Indications are that approximately \$900.00 will be realized from ticket receipts and the bake sale, most of which will be funneled back into club-sponsored projects to benefit the entire community.

An invitation has been received by the club from the residents of the Beechwood Rest Home to attend a holiday gathering sponsored entirely by them, for club members and their families, on Dec. 14.

Letters were received from Dr. and Mrs. R. G. Edwards thanking the club members for their support and dedication, and also from the Kewaskum Chapter of AFS, inviting club members to a Silver Tea at the home of Mr. and Mrs. L. N. Peterson on Dec. 12 with Kewaskum's

AFS students.

As in the past, club members again exchanged names for handmade or home-baked Christmas presents which will be exchanged at the December meeting, which will include our mothers, mothers-in-law, etc., as our guests.

Members have also collected canned goods, etc. for a family who has had recent financial difficulties, with the hope of providing them with a little something to let them know that we care.

Kewaskum Statesman
Friday, November 21, 1975

It was also related by Conservation Chairwoman, Rosemary Kemof, that a donation will be made to the Washington County Humane Society from the KJWC for their new animal care shelter.

The meeting was adjourned at 10:40 p. m., with a reminder that the next meeting will be held on Thursday evening, Dec. 11 - same time, same place. Hope to see you (and mother) there!

Advance to Sectional in One-Act Play Contest

Kewaskum High School sent three students into sectional competition in the one act play contest Saturday, Nov. 15, at Port Washington.

Advancing from district competition at West Bend with an A rating, the trio staged their adaptation of Elaine May's "Not Enough Rope."

The play depicts a lonely young woman living in a boarding house who asks to borrow some rope from a new male tenant in order to hang herself. The young man lends her the twine and she returns to her room, climbs on a chair and proceeds to string

herself up so tightly that she cannot move without the danger of strangling.

Knowing the other tenants are out, she calls to the young man for help. The young man, however, becomes reluctant to help as she stands precariously on the edge of the chair.

Sue Nigh plays the part of Edith, the young woman, while Scott Thomas plays Claude. The role of Mrs. Pierce is filled by Julie La Fleur. The play is directed by William Carpenter of the high school staff.

Friendly guides to the best food values around.

Thanksgiving is right around the corner, and at Sentry, everyone from the stock boys to the department managers is trained in special ways to make your shopping a little bit smoother.

For example, we're courteous almost to a fault. Just ask any of our people where any item is, and we'll show you exactly where it is. By taking you to it personally. Instead of just pointing you in the general direction.

Ask us anything. The price on an unmarked item. Whether or not something is in stock, and when it will be. Or, what's the best value? (That's really our favorite question.) We'll have the answer for you in a flash. So if you're looking for top quality and value plus friendly, courteous people, you can be sure when you shop at Sentry.

I, Jill Etta, will give reporting a try.

Many new members joined our club the 3rd.

Hoping their talents soon will be stirred.

Bicentennial Group Plans for 1976 County Fair

At the October meeting of the Washington County Bicentennial Committee, plans were discussed for the 1976 Washington County Fair.

Noting that next year's fair will open on a Wednesday instead of the traditional Thursday, committee chairman, Gilbert Sauer proposed that a parade be held shortly before the opening of the fair, and called for the co-operation of the six schools in the county to

provide marching bands for the parade.

In addition, discussion was also held on a proposed pageant to be held during the fair, but since some of the committee members assigned to this project were not present, the matter was tabled. Sauer also announced that the county bicentennial committee will be renting a tent at the fair, and that local committees will be permitted to rent space inside to guarantee that they will hold displays and to help cover the cost of the tent.

Historical markers for the landmarks committee made of wood received a tentative

approval. These markers would be engraved by county employees to save cost, and used to mark 26 historical sites throughout the county which will be designated by the landmarks committee at a later date.

Face Plymouth, West Bend East Indians to Open Season With Two Starters on Injured List

The Kewaskum Indians will open their basketball season against strong non-conference opponents. Friday night they travel to Plymouth to take on the Panthers and Tuesday they host West Bend East in their home opener in the first game in the new fieldhouse.

West Bend East has five starting lettermen back and are strong contenders for the Little Ten title this year. Four of them are over six feet, led by Jeff Nonhof, 6-1, Joe Gindt, 6-4, John Kluever, 6-6, and Jed Holfeltz, 6-2.

Indian coach Jim Westphal has seven lettermen back, led by Jim Bilgo, a 5-11 senior guard. However, Bilgo was in the hospital several days this week and is not expected to be able to play until January. A tough blow for Kewaskum. Bilgo was hospitalized following an aggravation of a leg injury suffered in football. While practicing basketball he caught an inadvertent knee in the thigh, which swelled up considerably and internal bleeding was the result. Jim is one player the Indians can't replace. He is the floor general and his absence will cause backcourt problems.

Graduation took the other four starters. Other lettermen on the squad, which is also big, are 6-5 forward Jack Kern, 5-10 guard Tom Rohlinger, 6-5 center Tom Edwards, 5-11 forward Scott Tassar, 5-9 guard Dave Menzel, and 5-9 guard Dennis Bremser. Several juniors figure in the coach's plans, 6-3 forward Leon Laatsch, who averaged 20 points a game for the JV's last year, guard Paul Brenholt and guard Paul Lehnerz. Both have looked good.

A lot will also depend on Edwards. The tallest player on the team, who right now is just about 70 per cent physically. Tom underwent surgery for a detached kneecap the past summer and is having difficulty coming back.

Westphal figures that Mayville, Slinger and possibly Kettle Moraine will be strong

and he also figured his own team to be one of the topnotchers but with the injuries to Bilgo and Edwards, it is hard to guess how far the Indians will go.

Kewaskum Honors Grid Co-Champions

Last Monday evening players on all three Kewaskum High School football teams were honored at a school awards program. The assembly introduced boys who participated in the freshmen and junior varsity programs, along with the presentation of certificates for letters, all-conference medals, and special honors.

Freshman Coach John Battinger termed their 3-3 record very respectable considering that the team must compete against other schools who have 7th and 8th grade football and much larger enrollments. The frosh helmet award went to Mike Schaub, the

team's leading scorer, rusher and tackler.

The junior varsity was introduced by Fran Charland, who said that even though his team wound up 2-5 they exhibited much enthusiasm. The sophomore helmet went to Al Jaeger, quarterback.

Head coach Joe Harlow did the honors for the varsity, 9-1, their best record, and the first Scenic Moraine co-championship. He said all the boys on the squad were "a winner." He looked at the Germantown game as the turning point which made the boys believers after not being expected to be contenders.

Paul Brenholt and Gary Schmidt won the helmet awards for junior and senior respectively. Brenholt was the team's punter, started out as a backup quarterback and because of an injury moved to starting split end. He was also safety on defense. Schmidt also played both ways.

All-conference medals went to Keith Mueller, Jack Kern, Jack Westerman, Dennis Bremser and Gary Gavin. Tri-captains were John Sekeres, Mueller and Dave Menzel.

Offensive player of the

year was Jim Bilgo, quarterback. Tom Rohlinger was named defensive player of the year.

Voted most valuable player was Menzel—fullback, halfback, defensive tackle and linebacker.

Letterwinners included: seniors Menzel, Mueller, Bilgo, Bremser, Westerman, Kern, Sekeres, Schmidt, Rohlinger, Randy Edgar, Gary Bauer, Gary Hansen, Scott Albers and Mike Nigh.

Junior "K" winners were Brenholt, Gavin, Ray Reindl, Jim Donath, Leon Laatsch, Mike Perkins, Randy White, Mark Herriges, Russ Herriges, Scott Sickler and the two sophomores were Greg Eichstedt and Wayne Endlich.

12 KHS Girls Win Volleyball Letters

Twelve girls on the Kewaskum High School varsity volleyball team received their "K's."

Letterwinners were announced by first year coach Connie Van Schoyck, a UW-Oshkosh graduate. The girls finished 2-5 in the Scenic

conference and 3-5 overall.

Heading the list was all-conference selection Diane Strack. Other seniors are: Stephanie Matenaer, LuAnn Kempf, Pam Scannell, Sue Binder, Fran Ciha, Janet Miller and Wanda Akin. Scannell led the scoring with 68 points.

Underclassmen included Debbie Menzel, who received all-conference honorable mention, Yvonne Fellenz, Anne Theusch and Ann Weddig.

Miss Van Schoyck is looking for better things next year. She also hopes to schedule more games. Junior varsity ended with a 5-3 mark.

Close to 40 girls participated in volleyball. Miss Van Schoyck was assisted by Debbie Holder.

Schulz Wins Flag Football Playoff

Schulz Realty won the Kewaskum flag football championship, beating Hon-E-Kor Wednesday night in a playoff for first place, 15-0. The playoff was necessitated when Hon-E-Kor, defending champ, handed Schulz its only loss in the last regularly scheduled game.

Ron Kruepke scored both Schulz touchdowns, the first on a 2-yard run following a pass interference penalty and the second on a 50-yard run. The last Schulz points came on a safety.

Members of the Schulz team included: Ron Theusch, Mike Doherty, Jerry and Ralph Steilen, Kurt Reichart, Ron and Jerry Kruepke, Mark and Bob Knuth, Bob Westerman, Bob Ruehl, Lloyd Uelmen, Glen Grosz, Tom Mezera, Tom Limbach, Jim Stoltz, Glen Dohman, Mike Falkner, Steve Rinzel and Ron Schlefke.
